My whole world changed when I stepped inside the academy. Nothing is right about this place or the other students in it. Here I am, a mere mortal among gods...or monsters. I still can't decide which of these warring factions I belong to, if I belong at all. I only know the one thing that unites them is their hatred of me.

Then there's Jaxon Vega. A vampire with deadly secrets who hasn't felt anything for a hundred years. But there's something about him that calls to me, something broken in him that somehow fits with what's broken in me. Which could spell death for us all.

Because Jaxon walled himself off for a reason. And now someone wants to wake a sleeping monster, and I'm wondering if I was brought here intentionally—as the bait.

Brutal Heir: A Dark College Bully Romance (Court University Book 1)

Author: Eden O'Neill

☆ #17 in the entire store ☆

Never trust a campus god.

Knight Reed is a devil heir with a chip on his shoulder. The arrogant a-hole I love to hate.

His name may be Knight, but that armor is black as coal. He's a beautiful god with a wicked heart. I know because my mom used to work for his family. An act of brutal violence in the woods and he gets my mom fired, ultimately leaving us homeless. That was the last time I saw him face-to-face.

At least, until recently.

He's frat boy royalty at my new university, a campus god amongst the rich and elite. There's little interest in a freshman like me.

But then I cross him, putting an end to me being invisible here in his world.

At a party, I see something I shouldn't have seen. Now, suddenly, the campus god has me tackled on a bed with his hand around my throat. He tells me to forget what I witnessed. Do that or the end result will be bad for me. He's hellbent on crushing my little dove wings and all I see is that cruel boy from the woods that day.

When it comes to Knight, I can't seem to stay out of his way or keep my trap shut around him, no matter how hard I try. He tells me my little mouth will get me in trouble, but I think he's wrong.

I'm not afraid what will happen if I spill his secrets. What terrifies me is how badly I want to see what might be beyond all that coal-black armor...

It's possible that, to some small measure, I'm tempted to give in to the only devil I've ever known.

The dark knight himself.

Warning: *Brutal Heir* is an NA bully romance that contains dubious content and situations some may find triggering. It's recommended for readers 17+ and is a standalone novel with no cliffhanger. It's book one in a series of standalones titled *Court University*, which is a spin-off series about characters featured in Eden O'Neill's *Court High* books. Reading the *Court High* books first is not necessary for the enjoyment of *Court University*. The characters origin stories merely begin in *Court High* and can be referred to at any time if the reader so chooses. Enjoy!

Ever feel like you don't belong?

Try being a hunter living with werewolves. I'm the definition of "doesn't fit in". I'm not Pack, but I'm not the enemy, either.

I struggle to survive among werewolves who are stronger and faster than me, and are competitive enough to break a bone or two for the sake of "fun."

Greyson, their alpha, is the worst of them all.

Blatantly relentless and twice as deadly, Greyson rules the Pack and expands its territory even though it's already the largest in the region. I just wish he'd stop interfering with my life. He's got enough trouble of his own with his incomplete mate bond, but he's made it his hobby to tease and test me at every opportunity.

Doesn't my life sound fun?

When wolves from surrounding packs start mindlessly attacking the innocent humans in our city, Timber Ridge, everything changes.

Werewolves don't turn feral without reason. Which means someone is making this happen, and they're targeting our Pack.

I don't like where this is going, but how am I supposed to stop a feral wolf outbreak when I'm just one hunter? Can Greyson and I set aside our differences to see the Pack through this?

Hunted is the first book in the Pack of Dawn and Destiny urban fantasy trilogy and is part of the Magiford Supernatural City world. It features werewolves, hunters, and fae, and is filled with humor, adventure, and a sweet romance that will have you laughing in delight.

Rhapsodic (The Bargainer Book 1)

Author: Laura Thalassa

Callypso Lillis is a siren with a very big problem, one that stretches up her arm and far into her past. For the last seven years she's been collecting a bracelet of black beads up her wrist, magical IOUs for favors she's received. Only death or repayment will fulfill the obligations. Only then will the beads disappear.

Everyone knows that if you need a favor, you go to the Bargainer to make it happen. He's a man who can get you anything you want ... at a price. And everyone knows that sooner or later he always collects.

But for one of his clients, he's never asked for repayment. Not until now. When Callie finds the fae king of the night in her room, a grin on his lips and a twinkle in his eye, she knows things are about to change. At first it's just a chaste kiss—a single bead's worth—and a promise for more.

For the Bargainer, it's more than just a matter of rekindling an old romance. Something is happening in the Otherworld. Fae warriors are going missing one by one. Only the women are returned, each in a glass casket, a child clutched to their breast. And then there are the whispers among the slaves, whispers of an evil that's been awoken.

If the Bargainer has any hope to save his people, he'll need the help of the siren he spurned long ago. Only, his foe has a taste for exotic creatures, and Callie just happens to be one.

Yesterday I was a teenager waiting tables in Manhattan, and today, monsters exist and I can see them.

Overnight I'm thrown into the realm of the Watchers, a society of earthbound angels split into two factions: The Shades, whose powerful dark magic is given to them by the fallen angels, and the Lumens, whose abilities are bestowed on them by the archangels of Avalon.

They're on opposite sides of a brutal war, and I only have a few days to pick which side I want to join. I'm ready to choose when the Shades force my hand by cursing someone I love.

The only hope I have of saving them rests on the broad shoulders of the prickliest Shade alive, Gage Alston. He's cold, arrogant, and quite possibly the most attractive guy I've ever laid eyes on.

Do I trust him? No.

Do I need him? Yes.

Do I want to kiss him? Maybe.

Perhaps I'll choose darkness after all.

Author: K. M. Shea

A wolf is attacking the humans of Timber Ridge and changing them into werewolves—against their will.

The change process is extremely dangerous and involves bloodshed. It isn't something that happens by accident, which can only mean one thing.

Someone is doing this on purpose.

I'm going to find the rampaging sicko responsible for this outbreak, even if it means I have to master my new magic to stop them.

Thankfully, Greyson—the Pack Alpha and the most powerful wolf in the Midwest—is always down for a hunt. The only problem is that I'm starting to find him attractive—which is the worst thing I could do. He's got an incomplete mate bond, and since I'm a hunter, I could never be a wolf's mate.

A Veil of Stardust and Savagery (The Veiled Realm Book 2)

Author: Analeigh Ford

There's a reason the Starlight Fae are known as the greatest tricksters of all.

Unfortunately for Delphine, she's just begun to learn that for herself.

She was warned they were not to be trusted—even when those same fae claim to share the blood running through her own veins. True to his word, Seren did *not* let Delphine die in Avarath, but he didn't take her home, either.

No, the king of the Starlight Court took her even further away. He took her to another faerie realm.

He took her to Elysia, a place so far from the human realm that stories of it never so much as made it to their legends.

Unlike Avarath, this realm's glamour is still intact, untouched by the ravages of time. Elysia is everything that Delphine expected faerie to be. It's everything that Avarath wasn't.

It's ethereal. Enchanting. Inviting.

But in some ways, the ways that matter the most, the two realms remain the same.

Elysia is still faerie, and so despite Seren's promises to protect her, it's the most dangerous place for Delph to be... especially when the four fae who tried to kill her once somehow do the impossible and find her again.

Caldamir. Tethys. Armene. Nyx.

The four princes of Avarath.

The four princes who betrayed her.

The re-emergence of the Starlight Court has changed everything, but not in the way Delph might have hoped. Certainly not in the way that would allow her to forgive the princes for what they tried to do—what they'll inevitably try again. The collision of realms broke something, and it's only a matter of time before even

Delphine's own fae turn on her too. She can feel it.

If she's going to survive in the realms of faerie, she's going to have to learn how to play the game. Or, more specifically, the art of the deal.

She's already made one deal with the king of this new realm and lived to tell the tale. This time, she'll make sure she gets what she wants out of it. This time, she'll make sure she gets home.

Truly home.

To Alderia.

If the other fae don't beat her there first.

The Way of Kings (The Stormlight Archive, Book 1)

Author: Brandon Sanderson

From #1 New York Times bestselling author Brandon Sanderson, *The Way of Kings*, Book One of the Stormlight Archive begins an incredible new saga of epic proportion.

Roshar is a world of stone and storms. Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilization alike. Animals hide in shells, trees pull in branches, and grass retracts into the soilless ground. Cities are built only where the topography offers shelter.

It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain: mystical swords and suits of armor that transform ordinary men into near-invincible warriors. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them.

One such war rages on a ruined landscape called the Shattered Plains. There, Kaladin, who traded his medical apprenticeship for a spear to protect his little brother, has been reduced to slavery. In a war that makes no sense, where ten armies fight separately against a single foe, he struggles to save his men and to fathom the leaders who consider them expendable.

Brightlord Dalinar Kholin commands one of those other armies. Like his brother, the late king, he is fascinated by an ancient text called *The Way of Kings*. Troubled by over-powering visions of ancient times and the Knights Radiant, he has begun to doubt his own sanity.

Across the ocean, an untried young woman named Shallan seeks to train under an eminent scholar and notorious heretic, Dalinar's niece, Jasnah. Though she genuinely loves learning, Shallan's motives are less than pure. As she plans a daring theft, her research for Jasnah hints at secrets of the Knights Radiant and the true cause of the war.

The result of over ten years of planning, writing, and world-building, *The Way of Kings* is but the opening movement of the Stormlight Archive, a bold masterpiece in the making.

Speak again the ancient oaths:

Life before death.

Strength before weakness.

Journey before Destination.

and return to men the Shards they once bore.

The Knights Radiant must stand again.

Love & Curse Making (Magical Dating Agency Book 1)

Author: Kelly St. Clare

What do jazz pixies, siren celebrities, and three hundred disastrous dates with supernatural men have in common?

Me.

I'm Cerys. And at twenty-two years old, running a paranormal dating agency with my bestie and living in the magical society of Nepos is an amazing life.

Not gonna lie though, it'd be better with a little action. Kissing, maybe? A one-armed hug? Heck, after three years, I'll take a man touching my bedsheets. Or *would* if this curse didn't 100 percent block me from romance.

When my 'extinct' brand of magic explodes in the presence of true love, the off-the-charts sexy but infuriatingly bored Detective Devereaux gets involved. And let me tell you, ladies, there are *m-u-s-c-l-e-s* under his long coat!

So I'm cursed and dodging the law *and* trying to put more love in the world each day. And now some creep is digging up heart elemental bodies.

Seriously. How is it only Monday?

If you enjoy books by C.N. Crawford, Ilona Andrews, K.F. Breene, and Patricia Briggs, then you'll love this vibrant supernatural society where magical creatures burst from every storefront and love is complicated.

Legendborn (The Legendborn Cycle)

Author: Tracy Deonn

An Instant *New York Times* Bestseller!

Winner of the Coretta Scott King - John Steptoe for New Talent Author Award

Filled with mystery and an intriguingly rich magic system, Tracy Deonn's YA contemporary fantasy reinvents the King Arthur legend and "braids together Southern folk traditions and Black Girl Magic into a searing modern tale of grief, power, and self-discovery" (Dhonielle Clayton, *New York Times* bestselling author of *The Belles*).

After her mother dies in an accident, sixteen-year-old Bree Matthews wants nothing to do with her family memories or childhood home. A residential program for bright high schoolers at UNC–Chapel Hill seems like the perfect escape—until Bree witnesses a magical attack her very first night on campus.

A flying demon feeding on human energies.

A secret society of so called "Legendborn" students that hunt the creatures down.

And a mysterious teenage mage who calls himself a "Merlin" and who attempts—and fails—to wipe Bree's memory of everything she saw.

The mage's failure unlocks Bree's own unique magic and a buried memory with a hidden connection: the night her mother died, another Merlin was at the hospital. Now that Bree knows there's more to her mother's death than what's on the police report, she'll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates.

She recruits Nick, a self-exiled Legendborn with his own grudge against the group, and their reluctant partnership pulls them deeper into the society's secrets—and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur's knights and explain that a magical war is coming, Bree has to decide how far she'll go for the truth and whether she should use her magic to take the society down—or join the fight.

This paperback edition of *Legendborn* contains a teaser to the thrilling sequel, *Bloodmarked*, as well as an exclusive short story from Selwyn Kane's perspective!

Mistborn: The Final Empire

Author: Brandon Sanderson

From #1 New York Times bestselling author Brandon Sanderson, the Mistborn series is a heist story of political intrigue and magical, martial-arts action.

For a thousand years the ash fell and no flowers bloomed. For a thousand years the Skaa slaved in misery and lived in fear. For a thousand years the Lord Ruler, the "Sliver of Infinity," reigned with absolute power and ultimate terror, divinely invincible. Then, when hope was so long lost that not even its memory remained, a terribly scarred, heart-broken half-Skaa rediscovered it in the depths of the Lord Ruler's most hellish prison. Kelsier "snapped" and found in himself the powers of a Mistborn. A brilliant thief and natural leader, he turned his talents to the ultimate caper, with the Lord Ruler himself as the mark.

Kelsier recruited the underworld's elite, the smartest and most trustworthy allomancers, each of whom shares one of his many powers, and all of whom relish a high-stakes challenge. Only then does he reveal his ultimate dream, not just the greatest heist in history, but the downfall of the divine despot.

But even with the best criminal crew ever assembled, Kel's plan looks more like the ultimate long shot, until luck brings a ragged girl named Vin into his life. Like him, she's a half-Skaa orphan, but she's lived a much harsher life. Vin has learned to expect betrayal from everyone she meets, and gotten it. She will have to learn to trust, if Kel is to help her master powers of which she never dreamed.

This saga dares to ask a simple question: What if the hero of prophecy fails?

The Wolf and the Woodsman: A Novel

Author: Ava Reid

In the vein of Naomi Novik's *New York Times* bestseller *Spinning Silver* and Katherine Arden's national bestseller *The Bear and the Nightingale*, this unforgettable debut—inspired by Hungarian history and Jewish mythology—follows a young pagan woman with hidden powers and a one-eyed captain of the Woodsmen as they form an unlikely alliance to thwart a tyrant.

In her forest-veiled pagan village, Évike is the only woman without power, making her an outcast clearly abandoned by the gods. The villagers blame her corrupted bloodline—her father was a Yehuli man, one of the much-loathed servants of the fanatical king. When soldiers arrive from the Holy Order of Woodsmen to claim a pagan girl for the king's blood sacrifice, Évike is betrayed by her fellow villagers and surrendered.

But when monsters attack the Woodsmen and their captive en route, slaughtering everyone but Évike and the cold, one-eyed captain, they have no choice but to rely on each other. Except he's no ordinary Woodsman—he's the disgraced prince, Gáspár Bárány, whose father needs pagan magic to consolidate his power. Gáspár fears that his cruelly zealous brother plans to seize the throne and instigate a violent reign that would damn the pagans and the Yehuli alike. As the son of a reviled foreign queen, Gáspár understands what it's like to be an outcast, and he and Évike make a tenuous pact to stop his brother.

As their mission takes them from the bitter northern tundra to the smog-choked capital, their mutual loathing slowly turns to affection, bound by a shared history of alienation and oppression. However, trust can easily turn to betrayal, and as Évike reconnects with her estranged father and discovers her own hidden magic, she and Gáspár need to decide whose side they're on, and what they're willing to give up for a nation that never cared for them at all.

The Ghost Bride: A Novel (P.S.)

Author: Yangsze Choo

"One evening, my father asked me if I would like to become a ghost bride..."

Part 19th century novel, part magical journey to the Chinese world of the dead, Yangsze Choo's debut novel *The Ghost Bride* is a startlingly original historical fantasy infused with Chinese folklore, romantic intrigue, and unexpected supernatural twists. Reminiscent of Lisa See's *Peony in Love* and Neil Gaiman's *Neverwhere*, *The Ghost Bride* is a wondrous coming-of-age story from a remarkable new voice in fiction.

Oprah.com's Book of the Week, Indie Next List pick, Good Housekeeping August Book Pick, Glamour Magazine Beach Read, The Bookseller Editor's Pick, Library Journal Barbara's Pick

"Choo's clear and charming style creates an alternate reality where the stakes are just as high as in the real world, combining grounded period storytelling with the supernatural." **Publishers Weekly**

"What makes all this work is the sumptuous world of Chinese émigré culture and the love story that flows under it all--the kind so full of longing, the pages practically sigh as you turn each one." **Oprah.com - Book of the Week**

"The Ghost Bride', an impressive first novel, takes readers on one of the wildest rides since Alice fell down the rabbit hole." **San Jose Mercury News**

"Choo's remarkably strong and arresting first novel explores the concept of Chinese "spirit marriages" in late-nineteenth-century Malaya through the eyes of the highly relatable Li Lan...With its gripping tangles of plot and engaging characters, this truly compelling read is sure to garner much well deserved attention." **Booklist**

Li Lan, the daughter of a genteel but bankrupt family, has few prospects. But fate intervenes when she receives an unusual proposal from the wealthy and powerful Lim family. They want her to become a ghost bride for the family's only son, who recently died under mysterious circumstances. Rarely practiced, a traditional ghost marriage is used to placate a restless spirit. Such a union would guarantee Li Lan a home for the rest of her days, but at a terrible price.

After an ominous visit to the opulent Lim mansion, Li Lan finds herself haunted not only by her ghostly would-be suitor, but also by her desire for the Lim's handsome new heir, Tian Bai. Night after night, she is drawn into the shadowy parallel world of the Chinese afterlife, with its ghost cities, paper funeral offerings, vengeful spirits and monstrous bureaucracy--including the mysterious Er Lang, a charming but unpredictable guardian spirit. Li Lan must uncover the Lim family's darkest secrets--and the truth about her own family--before she is trapped in this ghostly world forever.

A Dance with the Fae Prince (Married to Magic)

Author: Elise Kova

Cinderella meets THE CRUEL PRINCE in this stand-alone fantasy romance about a human girl and her marriage to the prince of the fae.

She knew her hand in marriage would be sold. She had no idea a fae prince was the buyer.

Katria swore she'd never fall in love. She's seen what "love" means through the cruelty of her family. So when she's married off to the mysterious Lord Fenwood for a handsome price, all Katria wants is a better life than the one she's leaving. Feelings are off the table.

But her new husband makes not falling in love difficult.

As their attraction begins to grow, so too do the oddities within her new life: strange rules, screams in the night, and attacks by fae that Katria never thought were real. When she witnesses a ritual not meant for human eyes, Katria finds herself spirited away to the land of Midscape.

Surviving the fae wilds as a human is hard enough. Katria must survive as a human who accidentally pilfered the magic of ancient kings - magic a bloodthirsty king is ready to kill her for in order to keep his stolen throne - and her new husband is the rightful heir in hiding.

The power to save the fae is in her hands. But who will save her from a love she vowed never to feel?

A Dance with the Fae Prince is a complete, *stand-alone novel*, inspired by the tales of Psyche and Eros, as well as Cinderella, with a "happily ever after" ending. It's perfect for romantic fantasy readers who enjoyed of A Court of Silver Flames and An Enchantment of Ravens. A Dance with the Fae Prince features a slow-burn romance, swoon-worthy couple, and steaminess that ranges from simmering to sizzling.
