

Stone Cold Obsidian (Arrowtown Book 6)

Author: Lisa Oliver

Arrowtown #6 - Can be read as standalone

Obsidian River, known to his friends as 'Dian' has lived a long and comfortable life, working as an enforcer for the Paranormal Council with his friend Eagle. Being sent to Arrowtown to track down a faint lead on a missing rhino shifter was an everyday occurrence. Besides, he would get to catch up with an old friend, Cam and gossip had it, that Cam owned a bar and his mate owned a bakery. Dian was always a fan of fresh baked goods and beer. In his head it was simple - go to Arrowtown, sample some local fun and head home again. That was, until he heard a certain man laugh...

Keenak, known as Kee to everyone around him, hadn't been working at Cam's bar in Arrowtown long, but he already felt as though he'd found a permanent home. The people were friendly, he was renting a cute little apartment, and Brutus at the bakery made the best bear claws he'd ever had. It was nice, to just stop running - to shoot the breeze with the locals at the bar, and sleep in a warm bed at night. Cam's dislike of men in suits added to his feeling comfortable... until two men in suits came to town.

Pixie dust doesn't always make rainbows. When people start coming out of the woodwork after Kee, the two men must make a choice - run and pray no one catches up to them, or trust in the people of Arrowtown to keep them safe.

Dian and Kee are two new characters to Arrowtown, and this book can be read as a standalone. But the plot lines regarding the rhino and a certain rabbit in Cam's bar will mean more if you've read previous books in the series. This is an MM Fated Mates story containing graphic language, a few incidents of violence, and intimate situations between men written specifically for adults. Please store your ebooks responsibly.

Nothing Special VIII: SWAT Ed.: Fox & Bull

Author: A.E. Via

A fox can set many traps to catch his target—but this one only needs one to catch his.

Dominic "Bull" Walker is used to the simpler things in life. Give him his own land to work, a strong horse, and twelve hours of daylight, and he is a contented man. But when someone threatens to take away the successful ranch that took him two years to rebuild, he'll accept *any* help he can get to defend it.

Mandel "Fox" Tucker is a sixth-generation SWAT soldier. It's embedded in his bones to protect and serve his community. So when he gets word of the vandalism occurring on the Walker Ranch, he quickly volunteers the free time he has, thanks to his recent suspension.

The brief visit Fox had with Bull four months ago had been a contentious—but powerful—encounter. Therefore, he's not surprised when he shows up on his doorstep unannounced and has to pull out some of his best tricks to get past the six-foot-four, stubborn Texan.

Fox is only there to safeguard what's most important to Bull. But being on the ranch brings an awareness to him that he embraces with both hands. Nature, peace... love—things he never found in the city.

This book contains the love story of two new characters. It is a part of a series but can be read as a standalone.

There are no multiple pairings or sharing. Ends in a very HEA.

Trigger Warning: *Mild police violence. Scenes are not graphic.*

Muscle and Bone

Author: Mary Calmes

You belong to me and I know it down deep, in muscle and bone, where my wolf lives.

Avery Rhine isn't an average homicide detective with the Chicago PD. In fact, Avery isn't an average anything. Sure, as an omega he knows he's at the bottom of the food chain, but that's never slowed him down. He's got a great life, complete with a loving family and a best friend who'd take a bullet for him, so what more could he possibly want or need? Except, maybe, for the world to change. And to find someone to spend more than one night with, but that isn't high on his list of priorities. He's never been one to believe in destiny or whatever else the fantasies sell about there being someone special out there meant just for him.

Then a chance encounter at a party changes everything.

Graeme Davenport has no delusions about finding his true mate. The consensus is that if an alpha doesn't find their other half by the time they're thirty, the chances of it ever happening go from slim to none. He's not a mere alpha, though; Graeme is a cyne who sits at the pinnacle of lupine hierarchy, so he's obligated by tradition and duty to choose an omega now, sign a contract, and bond with him. Love is not part of the equation.

When Graeme and Avery meet, their fierce attraction to each other flies in the face of reason and logic. Avery's intense physical reaction to the alpha is something he's never experienced before, while Graeme, who has always been the soul of discretion, loses all his inhibitions to desire for the man he wants to

possess. They are two very different men trying to navigate expectations, separate reason from innate primal drive, and do it while working together to solve a murder.

It will take everything they are to find a middle ground, and to learn to trust in a fated kind of love.

Playing with a Lawyer (A Paranormal's Love Book 33)

Author: Charlie Richards

Lawyer Jory Dartmore runs across some confusing points in a case file. He calls the ex-employee who'd been working on the file, Attain Walsh, but his phone is picked up by the man's lover, Ssimeas. When Ssimeas tells Jory that Attain is unavailable for a while, he invites Jory to the ranch for dinner and to speak with Attain afterward. Jory accepts, curious about the man who'd won the heart of Attain, a confirmed bachelor.

Jory enjoys the meal and the company before slipping into an office to speak privately with Attain. When he opens the door to leave, he comes face to face with...something other. To Jory's eternal embarrassment, he faints.

Biscane would forever feel horrible for freaking out his mate, even though he wasn't trying to. He was just heading upstairs with his breakfast when a scent catches his attention. He can't resist pausing to sniff around the door. While growling with delight at the delicious aroma...the door opens, and Jory appears. Fortunately, Biscane's gargoyle reflexes and strength make it easy to catch him.

Upon finding out that Jory is a high-profile lawyer working at a firm with at least one homophobe, can Biscane figure out a way to bring his human round to the idea of sharing a life with him?

The Jock: An M/M Sports Romance

Author: Tal Bauer

Wes Van de Hoek clawed his way off his family's West Texas ranch under the Friday night lights, earning a football scholarship to the state's best university. Three years in, he has it all: he's the starting tight end, team captain, and, according to ESPN, maybe the best college football player in the nation. But he's been keeping a secret from everyone.

Justin Swanscott has three certainties in his life: he's gay, football is overrated, and he really, really doesn't like cowboys. He should never have fallen into Wes's open-range eyes or let his heart run wild when Wes gave him that shy little smile over summer. But he couldn't stop himself.

Everyone's asking questions about Wes this season: How is he playing so well? Will Texas be undefeated this year? Will he take the team all the way to the national championship? What's next for him?

The truth? Wes isn't dreaming about an NFL contract. His heart belongs to Justin, even though the world wants it to belong to football.

Wes has stadiums packed with screaming fans, ESPN is all over him, and the NFL wants him badly. He's living under a microscope, and the pressure keeps building as the team keeps winning. Everyone wants something from him, but all Wes wants is to love Justin.

Something's gotta give.

Sweet as Honey: An Aster Valley Novel

Author: Lucy Lennox

When I rode my bike into Aster Valley, it was supposed to be temporary. A quick, relaxing visit with friends. No entanglements. Zero drama.

But then I saw the bumblebee being harassed on the side of the highway.

More specifically, I saw Truman Sweet, Aster Valley's resident botanist, spice merchant, and bee-costume enthusiast, being harassed. And the second I got involved, all my plans for a quick departure scattered like pollen on the breeze.

It turns out that Truman—adorably shy, relentlessly sunny, hot as all heck, reluctantly-still-a-virgin Truman—has secrets. Secrets someone in this charming small town doesn't want brought to light. Secrets that rouse every one of my protective instincts just as surely as his kisses rouse... other parts of me.

And before I know it, I'm thinking being entangled might not be so bad... if it's Truman I'm tangled up with.

I'll do whatever it takes to protect Truman from the dangers in his past, but after a lifetime of loneliness and disappointment, how can I possibly convince him to trust me with his future?

Always

Author: RJ Scott

Lives change in an instant, but with family found and forever love, there is always hope.

Impetuously putting his life on the line, Adam saved a child trapped in a car wreck and suffered career-ending injuries. Living with chronic pain, and at his lowest moments, he had friends who wouldn't let him give up, a family who had his back, and even though his future was different from what he'd always planned, he at least had hope. When Cameron and Finn land on his doorstep, he never dreamed that he would fall in love with the small family or that maybe he'd get to be a hero again.

Cameron goes from being a devoted husband to a single dad overnight. With his neatly planned future in ruins, he will do anything to make a new life for his son, even if it means moving to the other side of the country. Renting a room from Adam is the first step in making a home for him and Finn, but falling for the former firefighter was never part of the plan.

The shadows from Cameron's past might take a long time to touch this fragile future, but will he have to face the consequences alone when they do? Or will there always be hope?

Fandom (Famous Book 3)

Author: Eden Finley

DENVER

Everyone remembers the night the boy band Eleven broke up. Hearts shattered around the world, including my own.

I made a mistake, and I've been avoiding bandmate Mason Nash ever since.

At first it was hard, but eighteen months ago, he made it easier by leaving Hollywood and disappearing.

When Eleven reunion talks start, I'm against it completely. I could really do with the publicity, but I don't want to face Mason again. I'm sure he won't want to see me either.

MASON

I don't miss LA or anyone in it. Not even the guys from Eleven.

So, when they turn up on my doorstep talking about reunions, the last thing I want to do is hear them out.

I hold strong too. Until my eyes land on Denver Smith.

My ex-best friend.

Two and a half years ago, he ghosted me, and I still don't know why.

I want answers—I miss him—but I don't want to let him back into my life if there's a chance he'll walk away again.

STAHP, Collaborate and Listen

Author: Susi Hawke

My mom's always said I was born to be a journalist—nosy, full of questions, and unable to walk away from a good story. Maybe it's the meerkat in me, but I've always been on the lookout for danger, excitement, and intrigue.

I never expected to find my biggest adventure while following a lead for a story about classic diners. And I definitely didn't expect to meet my fated mate while I was there... or to start our relationship with a literal bang.

There's no need to freak out when things get crazy, not when my protective mate is entirely made of sunshine and huge muscles. Plus he works for STAHP, the vigilante organization all shifters know to fear and respect.

Now I'm sharing information with STAHP and helping them—and the infamous Team ALPHA—catch the bad guys before another greasy spoon goes up in flames. And maybe keep my interfering family out of our hair in the meantime.

This is the second book in an mpreg series about the attempts of a dangerous group of ruthless vigilantes to go lawful... with dubious success. You can expect to find naughty, knotty scenes of steamy passion, along with a lot of potty-mouth language and satisfactory violence when bad guys get what's coming. Don't worry, you'll still find all the fluffy mpreg feels and crazy antics you'd expect from Susi Hawke and Crista Crown.

Roommate

Author: Sarina Bowen

Wanted: One roommate to share a 3-bedroom house, split the rent, and ideally not be the guy I can't stop thinking about.

I'm a man with too many secrets, so the last thing I need is a new roommate with a sexy smile and blue eyes that see right through me. Eight years ago, Roderick left town after high school. We're not friends. I owe him nothing. But back then, I let one of my secrets slip, and he's the only one who noticed.

Part of me knows I should run far, far away. But the other part wants him to come upstairs and spend the night. But if I let him in, I could lose everything.

Seeking: a room to rent in town. I'm tidy, have no pets, and I will feed you homemade bread.

I should probably add: Gay AF, and has no filter. It's no wonder my new landlord is so wary of me.

A smarter man would ignore those hot glances from Kieran Shipley. The broody lumberjack wants more from me than another homemade pretzel, but if I push my luck, I'll end up back on the street.

Too bad I've never been smart with my heart...

Love Always, Wild (For Him Book 1)

Author: A.M. Johnson

Wilder,

When I left that night, I had every intention of coming back to you. To us. But no matter how hard I wish for what I want, there are some things in life that aren't meant to be. I don't expect you to understand. You've already moved on, living your life. But mine ended that night, nine years ago, and I still can't let you go. Not sure I ever will. I regret so many things, but hurting you, I'll never forgive myself. I'm sorry for... everything.

Jax~

Jax,

If only you could've seen it like I did, the way you were when you thought the world wasn't watching. How you'd change when I looked at you, when it was just us. But most of all... I wish you could've seen how much it hurt me when you disappeared. Regrets are for cowards. It has always been my belief you should chase after the things you want with actions, not words. There is no such thing as never meant to be.

So this apology... not accepted...

Love always, Wild

****Love Always, Wild is a full-length emotional standalone, HEA, contemporary MM romance featuring second chances, southern accents, a cat named Gandalf, and a sassy best friend who moonlights as a therapist.****

Beta: Bay Harbor Wolves 4

Author: B.A. Stretke

Remy is on the run, and he doesn't know where to go. He's tried running before, and somehow he is always found. His abusive boyfriend seems to always know where he is. He may have taken the beating of his life, but this time, he got away. Todd was drunk, and Remy walked out the door and didn't look back. Now sitting in a bus station in Eastport, he has a decision to make. He sees someone he knows, someone, who could give him away, and he makes the fateful choice to take a seat next to a strong and mysterious looking stranger. That decision will change Remy's life forever.

Zayn is doing Seamus a favor. Seamus, as an enforcer, has to meet and welcome new members of the Wolf Pack when they arrive in Eastport. Zayn is a Beta and doesn't usually tag along, but Seamus' social skills sometimes leave a lot to be desired. It seems like a normal winter night at the Eastport Station until Zayn feels the presence of the man who just took a seat next to him and breathed in the most glorious scent. This man, this stranger, is his mate. Just as soon as the realization hits him, the man is off, running to catch the next bus going God knows where. Zayn is hot on his heels. He can't let his mate, his forever love, slip through his fingers.

There is danger around every curve and new discoveries to be made. Remy needs to learn to trust a stranger, and Zayn needs to win the heart of a fragile man wounded too many times by those who claimed to love him. Can Zayn save Remy before it's too late? Can Remy accept the love and future Zayn wants to give him?

Fate finds a way.

WANTED:

One (fake) boyfriend

Practically perfect in every way

Luc O'Donnell is tangentially—and reluctantly—famous. His rock star parents split when he was young, and the father he's never met spent the next twenty years cruising in and out of rehab. Now that his dad's making a comeback, Luc's back in the public eye, and one compromising photo is enough to ruin everything.

To clean up his image, Luc has to find a nice, normal relationship...and Oliver Blackwood is as nice and normal as they come. He's a barrister, an ethical vegetarian, and he's never inspired a moment of scandal in his life. In other words: perfect boyfriend material. Unfortunately, apart from being gay, single, and really, really in need of a date for a big event, Luc and Oliver have nothing in common. So they strike a deal to be publicity-friendly (fake) boyfriends until the dust has settled. Then they can go their separate ways and pretend it never happened.

But the thing about fake-dating is that it can feel a lot like real-dating. And that's when you get used to someone. Start falling for them. Don't ever want to let them go.

Discover the LGBT romance about exact opposites falling in perfectly imperfect love that *New York Times* and *USA Today* bestselling author **CHRISTINA LAUREN** calls "hilarious, witty, tender, and stunning."

Show Me (Extracurricular Activities Book 3)

Author: Neve Wilder

Two Roommates. One Camera. A whole lot of action.

I get crushed the way some people get seasonal allergies.
And sharing a house with four hot roommates is like being stuck in permanent spring.
Too bad I keep getting friend-zoned.

But it's senior year now, and I'm done pining for the impossible.
Time to live it up and go out with a bang.
Or a lot of bangs.

And I'm definitely, *definitely* not getting attached to anyone.
Especially not my straight, gym-loving, football-player roommate Sam whose impressively large... *smile* I caught a glimpse of once.
Or several times.

That's why, when Sam asks me for help with a very special, very NSFW project so he can make a little cash, of course I agree. In the name of *friendship*.

And if it turns out that Sam's more than just muscles—that he's sweet, and smart, and a little bit filthy, and a whole lot less straight than I thought—well, that's neither here nor there, because this time I'm gonna be smart. This time, I'm friend-zoning *myself*.

We've got a list of deliciously hot scenarios, a camera, and Sam's huge... *smile*. What could possibly go wrong?

From the author of **Want Me** comes the third new adult college romance in the Extracurricular Activities series. Expect low angst, high heat, plenty of laughs, a flustered redhead, a gentle giant of a football player, and enough BDE to power a mid-size city.

Agent Cooper Dayton never thought anything could be harder than solving murders. Until he had to plan a wedding.

After taking down an old adversary, Agent Cooper Dayton of the Bureau of Special Investigations has earned a break. Not that planning a wedding to his sexy shifter partner, Oliver Park, is necessarily stress free, but it's better than worrying about the ominous warning, delivered months ago, that Cooper's life is in danger.

When he's dragged to an event by his family, Cooper braces for an awkward evening, but instead finds himself in the middle of an ugly feud between Park's ex and a rebel pack leader. What was supposed to be a quick outing turns into a full-blown murder investigation after the pack leader ends up dead, Park's ex goes missing, and Cooper and Park are sent a series of disturbing wedding gifts that are somehow connected to it all.

The list of potential suspects is long, and with the bodies piling up, Cooper must turn to the one person he trusts the least: the villain he's already put behind bars once and who has nothing to lose by lying and everything to gain if Cooper is out of the picture—for good.

Dark Flame: An MM urban fantasy romance (Flame Born Book 1)

Author: Kat Silver

"I know who you are, Michael, because you belong to me. You were born to be mine." ~ Alexei Vasiliev, the vampire prince.

Haunted by the death of his parents, Michael Blakeley wants answers. The twenty-six-year-old martial artist seeks their killer, but he also wants to know why electronics short out at his touch, and why his libido is a raging fire.

When a group of soldiers calling themselves Guardians rescue him from a back alley ambush and claim to have the answers he needs, he agrees to go with them. Especially when they tell him the attackers were vampires. But nothing in this supernatural underworld is as it seems, and when the silver-eyed commander cages him instead, Michael's answers slip further away.

Can Michael find safety from the vampire prince who claims him? Can he escape the dark destiny he discovers is written into his blood? And will he break the chains of the commander who keeps him captive? The one man he has no desire to leave?

Dark Flame is the first pulse-pounding book in the Flame Born LGBT urban fantasy series. If you like enemies to lovers, shifters, sexy vampire princes, and scorching heat, you'll love this smoldering tale of bloodlust and magic. Dark Flame has a HFN ending, and is the first part of an ongoing story with the same protagonist. There is content some readers may find distressing. Meant for mature audiences. The Quiet House (Black and Blue Series Book 2)

Author: Lily Morton

Levi Black has mostly recovered from the events of a year ago. The only lingering effects are that he's much more well known in York than he'd like to be, and he's a lot more cautious about walking around his house naked. However, those events brought him the capricious and fascinating Blue, so he's not complaining. On the contrary, he's happy, in love, and looking forward to Blue finally moving in with him. And if sometimes he wonders what Blue sees in a boring cartoonist, he keeps that to himself.

Blue Billings is finally ready to throw off the memories of his past and move in with the person who means the most in the world to him. His psychic abilities have grown in the last year to his mentor Tom's consternation, but Blue is determined to look on the bright side. He's also focused on ignoring all the warning signs that he's received lately.

However, even deeply buried secrets have a way of rising to the surface. And when a surprise from Blue's past turns up and draws them away to a lonely house on the Yorkshire moors, Levi and Blue must fight for their survival once again.

From bestselling author, Lily Morton, comes the second book in the Black & Blue series. The books are intended to be read in order.

Sweet Nothings (Lost Shifters Book 3)

Author: Megan Derr

All Oakley wants is a quiet life, to run his cupcake shop in peace, chat with the regulars, and be left alone otherwise.

Well, he'd also like a lover and a house full of kids, but thanks to his asshole relatives and their attempts to murder prominent members of the Lost Shifters Foundation, that's not likely to happen anytime soon. So he settles for quietly pining after men who will never look at him that way.

Then a sudden burst of impulse leads to a date—a date quickly ruined by an unexpected murder that is almost immediately followed by another, and another...

Tommy Cabot Was Here (The Cabots Book 1)

Author: Cat Sebastian

Massachusetts, 1959: Some people might accuse mathematician Everett Sloane of being stuffy, but really he just prefers things a certain way: predictable, quiet, and far away from Tommy Cabot—his former best friend, chaos incarnate, and the man who broke his heart. The youngest son of a prominent political family, Tommy threw away his future by coming out to his powerful brothers. When he runs into Everett, who fifteen years ago walked away from Tommy without an explanation or a backward glance, his old friend's chilliness is just another reminder of what a thoroughgoing mess Tommy has made of his life. When Everett realizes that his polite formality is hurting Tommy, he needs to decide whether he can unbend enough to let Tommy get close but without letting himself get hurt the way he was all those years ago.

Trey (The Gates Book 8)

Author: M. Tasia

BONUS FEATURE

NORSE CODE

Talk about preconceived notions. NYPD Detective Anders Nilsen is sure Trey Stoneham is the scum of the earth: a tell-all journalist with a sketchy PI background. But truth is stranger than fiction, and it turns out Trey is a hero twice over.

When a serial killer Trey helped put away escapes prison, Anders has to stick to Trey like glue, which happens to be a job he'd gladly take on for a lifetime.

The road to falling in love is fraught with emotional and perilous landmines, and Trey is fine facing danger – he's dodged a bullet before. Well, not really, but it didn't kill him. Falling for a real-life Viking might do him in, and what a way to go.

Unless Trey's able to face down the demon from his past and put him away for good, happily-ever-after will remain the stuff of novels.

Working Out West (Polished P & P Book 3)

Author: Lila Rose

College student West Millbrook is in financial dire straits since his overbearing parents refuse to support him when he moves away to study. His solution is working for the Polished P & P company which will also give him the freedom to be himself.

All he has to do is be an escort who sells his company, not his body. Easy, right?

It is until he meets Russian god Adrik Hail.

Wealthy businessman Adrik is lonely. His solution is to pay for no-strings-attached company. He doesn't have time to waste impressing someone, nor does he want anyone to think they can weasel their way into his life. He's a busy man who likes organization, and hiring someone from Polished means he's the one in control.

Then adorable West walks through the door, changing everything. Now Adrik's mind and body want more from the man, who is as sweet as he is kind. Adrik just needs to find a way of working out West.

The Gentle Art of Fortune Hunting

Author: KJ Charles

Robin Loxleigh and his sister Marianne are the hit of the Season, so attractive and delightful that nobody looks behind their pretty faces.

Until Robin sets his sights on Sir John Hartlebury's heiress niece. The notoriously graceless baronet isn't impressed by good looks, or fooled by false charm. He's sure Robin is a liar—a fortune hunter, a card sharp, and a heartless, greedy fraud—and he'll protect his niece, whatever it takes.

Then, just when Hart thinks he has Robin at his mercy, things take a sharp left turn. And as the grumpy baronet and the glib fortune hunter start to understand each other, they also find themselves starting to care—more than either of them thought possible.

But Robin's cheated and lied and let people down for money. Can a professional rogue earn an honest happy ever after?

The Girl in Hideaway Park (Hideaway Isle Book 2)

Author: Kelly Utt

Basia Guthrie has always been a loner. Abandoned by her father, then ignored and neglected by her mom and a handful of detached stepparents, she grew up knowing the only things she could count on were her own smarts and ingenuity.

Now an adult, Basia makes rent by painting portraits of tourists and reading their palms. When her predictions begin to come true, word spreads fast. At first, notoriety has its benefits. But things take a dangerous turn as a man from Basia's past returns to haunt her future.

Are Basia's psychic abilities real? Will she be savvy enough to avoid getting in over her head? And what does it all mean for other residents of the island?

The Girl in Hideaway Park is a gorgeously gripping, deep and suspense-filled novel that explores the fear of exposure, the limits of fate, and the magic of resilience. It's the second book in the Hideaway Isle series and the perfect beach read.

About the Hideaway Isle series:

It's paradise on the sparkling tropical shores of Hideaway Isle, Florida. A place where vacationers go to get away and residents enjoy year-round luxury.

Despite postcard-worthy appearances, there's trouble in paradise. Lurking just beyond the sun, sand, and sea are threats that promise to wreak havoc in this seemingly idyllic utopia.

With riveting turns that will leave you breathless, each Hideaway Isle novel features a deep dive into the ongoing story, told from a different islander's point of view.

Bossy

Author: N.R. Walker

Michael Pierson isn't up for complications. He's one of Sydney's fastest-moving career-focused corporate realtors, and the only thing he has time for is one-night stands with zero fuss.

Bryson Schroeder's back home from two years overseas with plans to leave his family's hotel empire and begin his own business ventures. Out with friends to celebrate his return, he sees a gorgeous blond man across the bar, and with merely a smile and a raised eyebrow, they leave together for a night of incredible chemistry.

The rules are clear: no names, no details, no complications.

But one night becomes one more night, and eventually the arrangement suits them both for weeks . . . until their professional and personal worlds collide. With their hearts already on the line, Michael and Bry need to decide just how complicated they want to get.

Dragon Treasure (Dragon Hoard Book 3)

Author: Minerva Howe

Dragon shifter Tyson has been hearing a distant call for months now, a lonely cry that he hopes is his mate. All he has to do is find out where it's coming from.

When the mournful voice screams for help, Tyson leaves his home and his brothers in the mountains of Colorado to rescue Myc, another dragon who's in a terrible and dangerous situation. Nursing Myc and his niece and twin nephews back to health, Tyson knows he's found what he's looking for, but he doesn't want to push. He's waited this long. He can wait until Myc is ready to mate with him.

Myc knows Tyson is the one for him, but he's lost his home and his family, and he's not sure he knows how to convince Tyson he's not shy or fragile. He also knows he's added three more kids to Tyson's rapidly growing family, and he's afraid to ask Tyson to mate with him and have more.

Tyson and Myc have to fight the past, their own fears, and their deep, stubborn notions of what's right to come together with the kind of love they both know they can make.

Blind Tiger (The Pride Book 1)

Author: Jordan L. Hawk

1924, Chicago. Prohibition is in full swing and gang bosses rule the city with might—and magic.

When Sam Cunningham flees his small-town life to try his luck in the big city of Chicago, he quickly finds himself in over his head in a world of gangs, glitz, and glamour. Fortunately, he has his cousin Eldon to teach him the trade of hex-making.

Everything changes the night Sam visits The Pride speakeasy and meets grumpy cheetah-shifter Alistair Gatti. After losing his first witch to the horrors of the World War, Alistair isn't interested in any new entanglements, romantic or magical. Especially when said entanglement comes in the form of kind, innocent Sam.

When Eldon is brutally murdered, Sam becomes drawn into the dark underworld of the Chicago gangs. Sam must find the missing hex Eldon created for one of the crime bosses—before whoever killed Eldon comes back for him.

Together, Alistair and Sam begin the search for the mysterious hex, diving deep into the seedy side of Chicago's underworld while dodging rival gangs. And as they come to rely on one another, Alistair realizes he's falling for the one man he can't afford to love.

The Right One

Author: Felice Stevens

"Wrong never felt so right."

Morgan Cantrell is a survivor. After running away from an abusive husband, he's finally divorced and starting over, but it's hard. Of course he doesn't mean to set off the smoke detectors in the building or short out the electricity in his apartment. Mistakes happen. The last thing he wants is to draw the attention of his growly, moody-ass super. Every time they meet, it's like oil and water—they just don't mix.

Leo DeLuca learned at an early age that the people who are supposed to love you only hurt you. He's happy to keep to himself, but the walking disaster of a new tenant in 5C won't stop getting in his way and into his business. They can't even speak to each other without arguing, but Leo has to admit—it's kind of a turn on. That must be the reason why he can't stop thinking about the guy in 5C. Or wanting to touch him. But hell, no. That would be a mistake.

One kiss leads to an explosive night both men fight to forget—after all, Leo has nothing in common with the sweet kindergarten teacher while Morgan is looking for a happily ever after he knows Leo can't give. Yet it's Morgan who Leo leans on to help deal with his painful past, and Leo is the key to unlocking Morgan's inner strength.

Trusting someone is never easy, but it might be the only way they discover that everything they think is wrong about each other, could be everything that's right.

*This book deals with domestic and verbal abuse and contains discussion of past traumatic events

Baby Come Back: MMF Bisexual Menage Secret Baby Romance

Author: Roxanne Riley

My fiancé, Max, and I are perfect together. He's handsome, sweet, and makes me happier than I ever dreamed possible. Everything seems almost too good to be true...until Max's sinfully hot ex-boyfriend, Forrest, moves in next door and I can't help but be a little worried that my bi fiancé might still be attracted to his former flame.

Weirdly enough, though, things get even better then. Forrest slips into our lives as the best friend we never expected, almost like a piece we didn't know was missing.

And he wants to help us with another missing piece: When Max and I struggle to conceive together, Forrest offers to step in and help us start the family we want so badly.

But when Max suggests that Forrest put a baby in me the old-fashioned way, things get complicated quickly. On the one hand, bringing Forrest into our bedroom takes us to new heights, a wild new sensual experience beyond anything I've ever felt before.

On the other hand, our hearts seem to get tangled up as quickly as our bodies, bringing back old feelings and igniting brand new ones, and the emotional implications might run deeper than we planned.

**Will our little arrangement end up tearing apart the idyllic future Max and I have been building?
Or is this a new foundation for something better than any of the three of us ever dreamed possible?**

Baby Come Back is a bisexual second chance menage pregnancy romance with high heat MM and MFM scenes (swords do cross in this one!). It has no cliffhangers and no cheating, but it does have a very happily ever after and lots of steam.

Companion Required

Author: Brian Lancaster

FROM EXCITING AUTHOR OF LGBTQ+ ROMANCE, BRIAN LANCASTER

Successful CEO Kennedy Grey thought he had his life planned out nicely until he hires supposedly straight Kieran West as this year's vacation companion.

For the past five years, CEO Kennedy Grey has advertised for a gay male holiday companion to join him on his annual vacation. Although Kennedy claims to be neutral in his choice, he has certain non-negotiable requirements. Applicants must be between 21 and 25, non-smoking, social drinkers, either versatile or passive, and be able to pull off the role of dutiful boyfriend in front of his clutch of gay friends. What does the candidate get out of the deal? An all-expenses-paid vacation and five grand in cash at the end of the vacation—more if the candidate exceeds his expectations—a safe enough addendum because for the past three years no one ever has.

Kieran West sits in a quiet corner of the coffee shop, trying to finish an assignment. At 29, he is single once again. By now he should have settled down. But when his girlfriend of three years gives him an ultimatum – ring or road – he chooses the road. Worst of all, he had no qualms about doing so. As for his finances? Saddled with a string of outstanding student loans, he is struggling to finish his masters while also supporting his brother through college. Losing his work at the estate agent could not have come at a worse time. And then he overhears the man at a nearby table recruiting for a job that pays a cool five grand. What does he have to lose?

Stud (Four Bears Construction Book 5)

Author: K.M. Neuhold

Stud: A boss, knob, or nail head...or, you know, the hot guy who's way too young to keep asking me out with that adorably earnest smile...

It's been three years since West walked into my bar and asked me out for the first time. I was relieved he stopped asking after the first few "no"s and a way-too-good-to-be-real kiss. He's fifteen years younger than I am; it can only lead to trouble.

Of course, now he's running through people off dating apps like it's his job and wearing these lace panties that look really unfair on someone as furry and muscular as he is, and, um...what was I talking about?

I probably shouldn't sabotage his dates, but I'm only human. I might not be ready to admit that I want him, but I'm definitely not ready to let anyone else have him either.

He's too perfect, too hot, and I am in way too much trouble...

*** Stud is a friends-to-lovers, construction-worker-in-panties, omg-so-much-swoon story that happens to be the fifth book in the Four Bears Construction Series. Every book in this series CAN be read as a stand alone, but they're a lot more fun together!

Headstrong (Vino and Veritas)

Author: Eden Finley

A straight guy gives gay hookup tips to a virgin. What could go wrong?

When I first met Whit, I couldn't get away from him fast enough. He's a hockey player, and I hate everything to do with the sport that broke my heart.

But I can't help feeling sorry for the guy. He's newly out and desperate to meet someone, but his eagerness seems to scare potential hook-ups away.

Agreeing to be his wingman should've been simple. Watching him flirt with other guys made things complicated.

Whit challenges me in every aspect of my life, from my hatred of hockey to the new questions I'm asking myself. Like why a straight man suddenly can't stop thinking about kissing another guy.

I think the answer lies somewhere on Whit's lips...

Ink and Ice: A Twin Cities Ice Book

Author: Erin McRae

Growing up on an isolated island in the middle of Lake Erie, Aaron Sheftall learned to skate as a young child when extreme weather would cut off his small community -- and its legends about a lost colony of seals -- from the rest of the world. Now an elite figure skater, Aaron dreams of getting to the Olympics. Yet competition is fierce and in a sport filled with injuries and drama, careers are short. But when a fluke accident changes the stakes for the entire U.S. team, Aaron sees his chance.

Zack Kelly used to be a war reporter. But a successful book about his time covering global conflicts, an unsuccessful marriage, and a dose of PTSD have sidelined him from the journalism game. When an old friend calls him with a long-form assignment about competitive figure skating, Zack has no idea what he's getting into. He also doesn't care -- it's a change of scenery and a paycheck.

Thrown together under circumstances neither of them are initially enthused about, Aaron and Zack ultimately embark on an unlikely -- and ill-advised -- romance about trust, myth, and what it really means to be comfortable in your own skin.

Ink and Ice is part of the same series as *After the Gold*. The books can be read in any order. Katie and Brendan's story continues here as a key part of Aaron's coaching team.

Right as Raine: An Aster Valley Novel

Author: Lucy Lennox

Tiller:

As the first openly gay professional football player, I can't afford to make any mistakes, on or off the field. And the absolute biggest mistake I could make right now would be to fall for Mikey Vining, my best friend, employee and, more importantly, Coach's baby boy. I might fantasize about Mikey at night—*every* night—but actually touching him would be a serious personal foul.

And falling for him? That's completely out of bounds.

Mikey:

I've learned my lesson about falling for one of my dad's players. They're a bunch of spoiled jocks with more muscles than brains. I've spent years learning to keep my eyes, and my hands, to myself. But resisting the temptation becomes nearly impossible when Tiller Raine and I end up together in a small cabin in a remote Colorado town.

Suddenly, there's not much to do but look at each other. And talk. And hopefully, *hopefully* touch.

But what happens when our stay in Aster Valley is over and it's time to return to the real world? Will Coach blow the whistle on our relationship? Or will Tiller admit there might actually be something he loves more than football after all?

Beauty and His Beast [Saturian Trilogy 1] (The Stormy Glenn ManLove Collection)

Author: Stormy Glenn

[Siren Publishing: The Stormy Glenn ManLove Collection: Erotic Romance, Alternative, Romantic Suspense, Science Fiction, MM, HEA] Someone is out to kill Jynx K'Vada and the only way he can protect himself is to buy a guardian beast, something he is loath to do. When he visits a lab and discovers a man being horribly abused, he buys him on the spot. He has no idea that he's just changed the entire course of his life. Bay doesn't remember anything of his life past the last few weeks, and those had been filled with nothing but pain and rage. When a sweet smelling man rescues him from his horror, Bay knows protecting Jynx is more important than his life. The man was meant to be his. With the continued attempts on Jynx's life, and someone hunting them, they have to figure out who is after them before it's too late, but doing so means solving a mystery neither of them are prepared for. It reaches beyond them and into the stars. Stormy Glenn is a Siren-exclusive author.

Dirty Forty (Friendship and Desire Book 1)

Author: Mia Monroe

If I'm as straight as I always thought, why does kissing my best friend feel so right?

Zach has been my ride or die since we were nine. Business partners, roommates, best friends...we do everything together. But the last thing either of us expected was to be staring forty in the face just as single as we both were when we made a silly, drunken marriage pact twenty years ago. The problem? Zach is gay...and, well, I'm not.

Under pressure from family, that pact comes rushing back, and I lock us into a fake engagement. But is it possible some part of me wants it to be real?

Convincing Zach I'm legit is another story. With each passing day, I wonder if my feelings of affection for my best friend can morph into the love I desperately want in my life. Something in Zach's eyes tells me we can have it all if we just try.

It may have taken me a lifetime to see Zach with new eyes, but with every touch and discovery, it's been worth the wait. On the edge of Dirty Forty, it's time to go for it.

All I have to do is convince Zach it's real.

Dirty Forty is a best friends to lovers, marriage pact, demi/bisexual awakening featuring thirty years of pining, a fake engagement, curious kisses, and two guys finally embracing what's always been in front of them.

Straight as a Cucumber (#Love Wins Book 3)

Author: Ana Byrde

There's a couple of reasons I shouldn't crush on Zach Stauff.

- 1) He's my big brother's best friend.
- 2) He's my roommate.
- 3) He's straight.

None of those things matter when I'm around him and my heart starts beating like crazy. He's been the star of my wet dreams since forever, but to him I'm just the kid who used to eat mudcakes. That is, until he walks in on me playing with a cucumber--without my clothes on. Worse, I was on camera streaming to an online audience when he witnessed the 'cucumber incident.'

Now he's probably got a very different image of me.

My subscribers say we should make out. They say they'd pay good money for the show.

I can't ask Zach to do that.

But what if this is my best chance to touch something that isn't a vegetable?

Straight as a Cucumber is a ~70,000 word Romantic Comedy novel with little angst, lots of laughter, silly animals and sillier men. Knowledge of prior books in the series is not at all necessary to enjoy this one. Buy now if you need a reason to smile today!

Heartscape (Vino and Veritas)

Author: Garrett Leigh

From award-winning author Garrett Leigh comes a gorgeous new romance in the True North world! Think: great food, burly men and good times. Beards are optional but encouraged.

I'm not the obvious choice to run Burlington's coolest wine bar—quiet, brooding, clueless about tannin content, and always one wrong turn away from another downward spiral.

But no one seems to mind that I'm a wreck. Besides me. I just focus on getting through each shift until the night a beautiful stranger appears, looking as lost and damaged as I feel.

When a mutual friend calls in a favor, the sexy newcomer winds up crashing on my couch. I don't know if it's his melodic Cornish accent, or his ocean blue eyes, or the rock-hard body with the mysterious scars, but I get the feeling whatever happened to him runs far deeper than those wounds.

Having Jax in my home makes my chest warm. Makes me shiver. Makes me want more. But I've got a pile of baggage and I don't want to be a burden on anyone let alone a man who seems to have enough demons of his own.

Our chemistry is off the charts. His arms feel like home. The last thing I want is to screw this up. Is it wrong to hope we can heal each other? Or will one of us die trying?

HEARTSCAPE is a heartfelt MM friends-to-lovers romance in the True North world, with a brooding bartender, a rugged outdoorsman, sweet angst and lots of Shipley cider. Triggers: contains mentions of depression, suicidal ideation and PTSD recovery.

Chomping on the Bullet (A Loving Nip Book 24)

Author: Charlie Richards

After being kicked out of his parents' home at the age of fifteen due to being gay, Tony Harsnen always felt grateful that his older brother, Jerome, took him in. That's what had urged him to work uber hard to make his own way. The last thing he wants to do is run back to his brother when he has a problem. Unfortunately, Tony has to put his pride aside for the needs of a friend.

When Tony helps his best friend, Shellie, escape her abusive ex-husband, he should have known that wouldn't be the end of it. After the controlling bastard discovers Shellie is pregnant, he comes after her. Tony knows he can't keep Shellie safe on his own, considering the man's extensive network of just-as-abusive friends. Tony flees back to his brother's side.

Tony is surprised to learn Jerome is in a relationship with a guy, but that's not the biggest shock. His brother is living on a ranch...full of vampires. Not only that, but the second-in-command of the vampires, Kellan Harlon, expresses an interest in him. While Tony's first instinct is to run, he resists. Shellie needs him, and Kellan and his vampires can keep them safe.

Will Tony give in to Kellan's seduction before his need to bolt overrides his common sense?

Finn's Fantasy: Maine Men, Book One

Author: K.C. Wells

A secret desire

By day, Finn builds houses on the coastline of Maine. Afterhours, Finn dreams of the hot older guy who walks his chocolate lab on Goose Rocks Beach. The man of his dreams ticks all his boxes. Salt and pepper hair. Strong jawline. Blue eyes.

His dream man is perfect fantasy material. As for actually speaking to him?

As if. Their paths won't ever cross, and the guy is probably straight.

A new chapter

Recently divorced Joel is finally living as a gay man, but he's not sure he's ready to jump into a relationship. That doesn't stop him from noticing his new contractor's muscular build, hewn from hard, physical work, or his storm-colored eyes. Or the way he wears his tool belt slung low on his hips. The icing on the cake? There's more to Finn than good looks. Maybe he's the perfect guy to share long walks on the beach and warm nights in front of a fire.

But it's been twenty years since Joel was with a man. While he's not forgotten how to flirt, he's nervous about making a move.

Especially with Finn.

Hijinks With A Hellhound: A Hidden Species Novel

Author: Louisa Masters

I'm a one-and-done kind of hellhound... I don't catch feeeeeeeelings...

Once upon a time, my first and last relationship taught me that romantic love isn't enough to stop your boyfriend from trying to kill you. Been there, done that, got the T-shirt. My awesomeness is now strictly reserved for one-nighters and casual hookups. Sure, my friends seem to be matching up in romantic bliss, but screw that—I'm not interested.

Besides, things are heating up at the Community of Species Government, and I'm right in the thick of it all. Those bad guys are going down—and not in the good way. They might seem to have the drop on us right now, but we're going to turn the tables on them. Even if it means going on a mission with Aidan Byrne.

I'm still not happy about the way Aidan handled things with my bestest bestie a few months back, even if he did turn out to be right. Plus, there's something about him that rubs my fur in the wrong direction. He's the kind of guy who thinks karaoke is only for college kids and looks down on me for licking my own balls. He also thinks that just because he's the species leader, he's in charge.

Too bad for him, I've never backed away from a challenge... even if it is unnervingly sexy and really bendy. A hookup won't lead to feelings... right?

Vet Under Fire [Fever's Edge 5] (The Lynn Hagen ManLove Collection)

Author: Lynn Hagen

[Siren Publishing: The Lynn Hagen ManLove Collection: Erotic Romance, Alternative, Werewolves, Paranormal, Romantic Suspense, MM, HEA] Nando doesn't trust very easily, and when he runs into the town vet, he thinks Dr. Evan Scott is arrogant. Nando would do good to stay away from him, but is unable to resist Evan's charm. When he's invited to dinner at the mansion, Nando isn't sure he should go. But his curiosity wins out, and soon Nando realizes there is a whole other world right under his nose. Evan knows he has to take things slow with Nando. The human doesn't trust very easily, which makes Evan's job of getting to know his mate even harder. But when Nando is attacked, left for dead on the side of the road, it's up to Evan to nurse his mate back to health and find the one responsible. Nothing on heaven or earth will stop him from protecting what is his, and making the culprit pay. Lynn Hagen is a Siren-exclusive author.

Sawyer (The Gates Book 7)

Author: M. Tasia

ANYTHING IS POSSIBLE

When Sawyer Hudson has a run-in with the mercurial executive chef at The Gates where Sawyer works as a dishwasher, he's certain he's going to lose his job. For anyone that would be horrible. For Sawyer it's a death sentence for the person he loves most in the world: his disabled brother.

Award-winning world-renowned executive chef, Alexander Larsen, has time for his kitchen, his culinary creations, and little else. As a member of a family known for its wealth and philanthropy, Alexander enjoys privilege few can imagine.

Living at the extremes of the life situation spectrum, Sawyer and Alexander find themselves thrown together in a series of events that bring the men closer in unexpected ways, and opposites attract becomes the understatement of the year.

Not everyone is happy about the burgeoning love affair, but these two men have found something neither ever expected, and to hell with anyone who tries to keep them apart.

Claimed by the Orc Prince: An MM Fantasy Romance (The Orc Prince Trilogy Book 1)

Author: Lionel Hart

Prince Taegan Glynzeiros has prepared since childhood to fight and lead armies against invading orc forces, the enemies of elves since time immemorial. But the terms of a successful peace treaty means the elven prince will not be fighting the orcs, but marrying one.

Zorvut the Relentless is the third son of Hrul Bonebreaker, leader of the loose coalition of orc clans that have accepted the unprecedented elven peace treaty. Though his name has come from his unyielding spirit on the battlefield, when he is offered to the elves to be married off to their prince, he knows better than to try and fight against his father's wishes.

The first words they speak to each other are their wedding vows. Despite being considered the runt amongst the orc warlord's children, Taegan finds him to be surprisingly intelligent and thoughtful—everything the stereotypes about orcs say he shouldn't be. He doesn't want to fall in love, but Zorvut's gentle soul makes it difficult to resist. Worse, their marriage bond, forged by ancient elven magic between their minds, proves to be a far deeper and stronger connection than anyone would have anticipated. In spite of their trepidation, a true relationship begins to blossom from the political union.

But such a long war is not easily forgotten, and there are many who want to see them apart, both elf and orc. When a dark secret comes to light that threatens to nullify the very peace treaty that brought them together, Taegan must decide if his feelings for Zorvut are worth fighting for.

This steamy MM fantasy romance, the first in the Orc Prince trilogy, is a play on enemies-to-lovers with an arranged marriage twist, and contains light omegaverse/A/B/O elements (mpreg is discussed as an in-world possibility, but does not happen on the page) and some delicious size differences. This 18+ novel contains explicit scenes; if that's not your thing, Lionel Hart probably isn't the author for you.

Beauty and His Guardian [Saturian Trilogy 2] (The Stormy Glenn ManLove Collection)

Author: Stormy Glenn

[Siren Publishing: The Stormy Glenn ManLove Collection: Erotic Romance, Alternative, Science Fiction, Romantic Suspense, MM, HEA] The bad guys are behind bars, so why does psychic Jynx K'Vada feel like his life is one big whirlwind? He's found his mate. He should be happy. He just can't seem to shake the feeling that nothing will ever be the same again. When trouble comes looking, Jynx will have to dig deep and find a strength he never knew he had if he wants to survive. All Bay wants to do is protect his mate and protect his king. That's not so easy when people seem to be coming out of the woodwork to kill them. Bombings, assassination attempts, kidnappings. Bay doesn't know who he can trust. When a ghost from the past comes for them, Bay and Jynx will have to work together to keep their king and themselves alive long enough to solve a mystery decades in the making. And if they are lucky, they might fall in love somewhere along the way. Stormy Glenn is a Siren-exclusive author.

Undercover (Vino and Veritas)

Author: Eliot Grayson

Gabe wants Alec between the sheets...too bad Alec's undercover already...

Rich kid. Party boy. Gabe is tired of the labels. He's a smart guy, but ever since he got kicked out of grad school, people are only interested in his no-limit credit card and his pierced ears...and other places.

Tall, dark and scowling Alec hates Vermont, with its artisanal-freaking-everything and its irritating people. To be fair, most people irritate Alec, including the FBI director who sent him here to investigate a smuggling scheme involving yoga mats.

When one of the cutest twinks Alec's ever seen takes an interest, Alec knows there's an ulterior motive. No one with multi-colored hair, piercings, and an ass like that would want boring, serious Alec. The kid must be up to no good. Either way, Alec can't blow his cover. If only he could keep his hands off of Gabe long enough to find out what he's up to...

Can they ignore their explosive chemistry long enough to foil a smuggling ring? Or will their budding relationship sink faster than a yacht full of contraband?

A Guy Walks Into My Bar (The Guys Who Got Away Book 4)

Author: Lauren Blakely

A sexy, passionate, utterly addictive standalone MM romance from #1 NYT Bestseller Lauren Blakely!

Every bartender should follow one simple rule—don't go home with the customers.

That's been easy for me to stick to, until the night a cocky, confident, and sinfully charming hockey star walks into my bar. This sexy athlete is too hard to resist, especially when he makes it clear how much he wants the "sarcastic, witty, hot AF" guy behind the bar—also known as me.

Still, I'm not keen on breaking my own rules since I know where that can lead—no place good. But when that man makes his case with one bone-searing kiss on the streets of London, I throw resistance out the window.

What could go wrong with a hot, no-strings-attached fling before he leaves town in five days? Trouble is, soon our nights together lead to days, to long conversations, to getting to know each other, and to something I never expected—falling ridiculously hard for a man who's getting on a plane to America when I live a world away.

My life is here. His is there. And no amount of falling or feeling will change that one big problem.

Warning: contains hot hotel nights, loads of dirty talk, PDA all over London, and two sexy, witty, charming heroes...

Demon's Wish (Demon Mates Book 1)

Author: Xenia Melzer

FROM EXCITING AUTHOR OF LGBT ROMANCE XENIA MELZER

Book one in the Demon Mates series

Finding love is hard—especially when you're a demon and your potential mate is your sacrifice...

Sammy is content with running his bookshop and leading a book club consisting solely of paranormal creatures. Despite the persistence of his friends, he has resolved himself to a life without romance, since he doesn't think anybody could find him and his tendency to spill useless knowledge whenever he gets nervous attractive.

Dresalantion is a demon prince and slightly—make that majorly—annoyed when somebody persistently tries to summon him. He finally decides to show up and put the fear of Dresalantion into his summoners but finds himself rescuing their sacrifice instead.

Sammy intrigues him from the get-go, and when Dre realizes that Sammy can get him the manga he's been hunting for months—not to mention that he refuses a wish he offered him—the sexy demon decides to get to know this fascinating man better. Much better.

The Warden's Easter Trap

Author: Ezra Dawn

(The Warden's Easter Trap is a short story and a complete standalone with the instalove of fated mates.)

Cotton Daniels is a Flemish Giant Rabbit shifter on the run from his herd and has been labeled a rogue. He's been travelling for weeks trying to put as much distance between him and his hometown as possible. On his way to find a council member to plead his case, he hops right into a trap.

Game Warden Everett Michaelis is a black bear shifter who loves his job. He's just wrapped up a poaching case that got a little too close to home when he gets a call from a fellow sleuth member whose children are screaming about the easter bunny dying. Everett arrives on scene half-expecting to have to put the rabbit out of its misery but instead he gets the surprise of his life.

Can Everett save Cotton from his injuries and his past or will the things Cotton is running from keep them apart?

(Warning: Contains graphic sexual content and explicit language. Not recommended for those under the age of 18.)

Zander: An MM Daddy Romance (Johnson Family Rules Book 1)

Author: Carly Marie

It's hard to get what you don't ask for

Noah's world turned on its head when he discovered his new boss was the gorgeous Daddy Dom he saw at DASH. He knows he should talk to him, but how can he do that when he ends up hurting himself any time Deputy Daddy is near?

As the chief deputy, Zander knows he needs to keep things professional with the newest deputy. That becomes harder each time Noah gets hurt. All he wants to do is swoop in and make things better. Maybe if he can find the mysterious guy with the intricate tattoo from DASH, he'll be able to stop obsessing over the newest deputy.

An accident has Zander's personal and professional lives colliding as he discovers the man with the tattoo is none other than Noah. Now that he knows Noah's secret, the overprotective Daddy isn't going away until he's sure Noah is okay.

A little communication goes a long way, but after a misunderstanding and a lot of embarrassment, will the two ever be able to talk? If they can't, one of them is going to need a new job. If they can, Daddy and boy might just discover that they are exactly what the other has been looking for.

Zander is the first book in the Johnson Family Rules series. When the Johnson family is around, there's no telling what might happen. They are a family who loves fiercely and wants everyone to have their happily ever after. Zander and Noah are bound to be inundated with nosy people, embarrassing moments, and a unconditional support while they find their way as Daddy and boy.

Special Enough: Odin's Story (The Gods Made Me Do It Book 10)

Author: Lisa Oliver

If life were a sh*t sandwich, Evan Parker would be buried in a buffet of dung. Half wolf shifter, half magic user, he hasn't come into his powers yet, although his aunt who he lives with, assures him it's only a matter of time. Evan hasn't got a clue what difference having powers will make. He can barely talk, he has post-it notes and lists around his apartment to help him function, and his wolf form is as mute as he is. Combine that with the necklace of scars that cover his neck, and Evan knows he has nothing to offer any guy, let alone a mate... or does he?

Odin, Norse god, know-it-all and overly curious person, knows who Evan is to him. Rather than dismiss his vision, Odin changes his appearance, masks his scent and goes digging into Evan's life to find out what makes him so special. It had to be something amazing, otherwise the Norns (Fates) wouldn't have picked the young wolf to be his companion for eternity. The more Odin sees, the more he likes...

It should've been a straightforward mating, but it wasn't. A local coven has Evan on their agenda. Odin's wolves get overly playful. Then there's the lovely Frigg, who the coven believes is Odin's wife, hanging around yelling OMG, and that's without considering how Thor and Loki might feel about the whole situation. Dead warriors arm wrestling, talking ravens, did I mention the demon? What more does this story need? An HEA.

This book is part of a series but can definitely be read as a standalone. It involves a spot of violence, a bit of swearing, and intimate situations between men which should only be read by adults.

Between the Rockstars: MMF Bisexual Menage Romance (Between Them)

Author: Mia Masters

The competition is heating up.

And so is my chemistry with both judges!

I can't believe I'm competing on a musical gameshow.
Or kissing one of the famous rockstar judges backstage.
Let alone kissing another one off-set!
But they're so hot I just can't help it.
Reed Jones is everyone's favorite country star.
As he plays my body like a guitar,
his charming smile wins my heart.
And I see up close and personal
just how skilled his fingers are.
Kent Kenkaid is known as a bad boy musician.
But he's nice and sweet between the sheets.
He's also Reed's rival on the show and in real life.
These two men can't see eye to eye...
unless their eyes are on me.
They each want me on their team for the show.
And in their bed all night long.
I can't decide which one I should pick.
Until they both tell me the same secret.
And I realize I might not have to choose.

Can I convince these two sworn enemies to share?

Or will trying for 3-way harmony lead us way off key?

Between the Rockstars is an MMF bisexual menage romance with no cheating and no cliffhangers; just a lot of heat and a happily ever after for the "throuple." It contains steamy m/m, m/f and mmf scenes. It's a standalone that can be read and understood by itself but it's linked by theme to the *Between Them* series so you can continue the fun once this one is done!

One Time Only (The Extravagant Book 3)

Author: Lauren Blakely

A fiery, passionate forbidden standalone MM romance from #1 New York Times Bestselling author Lauren Blakely...

Ever hear the story about the bodyguard who falls for the rock star?

Yeah, it never ends well.

Each day I remind myself that it's my job to protect Stone. And nowhere in the job description does it say I should lust after the charismatic, charming man.

Especially since we're opposites.

But every night I spend with him the dangerous, off-limits attraction grows more intense.

Until one night in a limo when we combust.

One time only will have to be enough. One scorching, forbidden night.

Because the mistakes from the past are chasing me. And if I give in again, I'll lose everything.

But sometimes you grab hold of the desire. And other times, the desire takes hold of you.

No matter the cost.

ONE TIME ONLY is a standalone MM romance! Devour this MM rocker/bodyguard forbidden romance!

Frost's Bite (The Mystic Bay Series Book 3)

Author: M.A. Church

He's what things that go bump in the night fear.

Tragedy brings the ice elemental, Nicholas Frost, to America and lands him on the doorstep of the High Council. While surrounded by a group of Guardians who question his offer to kill the vampire Jackson, Nicholas stumbles across the man fate has decreed his. Although overjoyed, the secret he hides is now in jeopardy of being revealed.

Something lethal lurks within.

Cold. Powerful. Feared. A killer. Like the softly falling snow, Nicholas is silent and deadly. Always alone. Always guarded. His abilities are unrivaled, and other paranormals avoid him. With good reason.

And the man fate has paired him with is a truthsayer—a living lie detector.

Guardian Jonas Parker is convinced fate has made a monumental mistake. Guardian lifespans are practically eternal. Elementals only live a couple of hundred years. No way that golden thread which links them means what he thinks it does. Surely fate wouldn't gift him with a man he'll outlive?

Jonas is a truthsayer, which is difficult enough. Add in the chance of an accidental surface reading if he touches bare skin, and no one is willing to get close to him. Jonas can dig into anyone's psyche and unearth all their secrets regardless if they're willing or not.

No secret can remain hidden from him.

While Nicholas and Jonas struggle to figure out how a mating can work between two such different paranormals, Jackson plots. As the final battle looms on the horizon for the men of Mystic Bay, a terrifying prospect has emerged—something not even Nicholas and the others may be able to defeat.

More to Love

Author: Jayda Marx

Matthew - My love life is kind of a mess. Okay, fine, it's non-existent. Believe it or not, short, chubby, and furry aren't characteristics that top most guys' boyfriend checklists; no guys I've met, anyway. My dating history is a shit parade of one-night stands with men who promised to call the next day but never did. And so, I've put finding love on the back burner to focus on my business.

I own a bakery called Muffin Tops (get it?) with my best friend Val. I do all of the baking and she handles ordering and accounting...and talking to our customers because I have an awkward streak in me. Anyway, business is good, but it could be better, so I've scheduled a meeting at The Caldwell, the fanciest and most successful hotel in the city in hopes of striking a business deal with them.

Nervous but hopeful, I head to my meeting, not expecting to have my world rocked when I meet Simon; a gorgeous, debonair, charming man who is sixteen years my senior. What starts off as a business partnership soon develops into something greater than I ever dreamed of.

**This standalone M/M age gap romance is for readers 18 and up! It is low angst and insta-love, and is full of funny scenes, feel-good moments, and lots of steam! There is no cheating or cliffhangers and it has a very happy HEA.

Aftermath (Vino and Veritas)

Author: L.A. Witt

Brent Weyland was the life of the party until an injury ended his hockey career. Now he's retreated alone to a lakefront house, trying to make sense of a life and body that don't feel like his anymore.

Jon Norquist was happily married right up until he wasn't. Now a single father in his forties, he's trying to figure out what comes next. In the meantime, he pours his heartache and regret into the lyrics he sings for the wine bar crowd a couple of nights a week.

When a friend coaxes Brent out for a night of wine and music, he puts Brent and Jon on a collision course. Their chemistry is instantaneous. Jon gives Brent's battered body a much-needed remedial lesson in pleasure. And Brent gives Jon a reason to smile again.

Multiple reasons, actually. Neither man wants anything serious, but love has a habit of showing up whether it's welcome or not. No matter how hard they try, the two can't help having feelings for each other, even as life continues to throw them curveballs.

But they've both got baggage to unpack and hurt to move past, and if they can't leave their pasts in the past, they might just miss out on an amazing future.

Coaching the Nerd: An Opposites Attract, Campus MM Romance (Nerds vs Jocks)

Author: Eli Easton

Super-bod meets super-brain

What happens when marshmallow-bodied supernerd Sean volunteers to be on the jocks' flag-football team? It screws Bubba's fraternity's chances at the coveted flag football title, that's what.

Bubba is drafted to be Sean's personal trainer. He has to whip Sean into shape and make sure he doesn't F up their team.

Sean may be a supernerd, but to Bubba he's funny, and wise, and kinda cute. He's also the one person on campus who doesn't see Bubba as a big, stupid jock.

One BIG problem. Sean's motivation for getting into shape is to lose his virginity -- and Bubba isn't happy when guys start sniffing around.

But Bubba's straight. Isn't he?

Can a big, dumb jock from Nowhere, Wisconsin change his whole life for a genius who just wants to get laid?

COACHING THE NERD is a total makeover, opposites attract, My Fair Lady trope, bi awakening, campus romance – that grabs your flag.

The One That Got Away: An MM romantic suspense

Author: Nicky James

Someone is following me. I'm not imagining it. I'm not crazy.

Charlie Falkingham is convinced someone is stalking him. There are signs. There are clues. But no one believes him. After living through a childhood horror, Charlie suffers from a severe paranoia disorder, among many things, and the Hamilton Police Department has labeled him the boy who cries wolf.

When the only person in the department who ever listened to Charlie's concerns retires, who can Charlie reach out to for help?

Arrogant and young, Officer Takoda Dyani has a chip on his shoulder a mile wide. He's rude and brash and doesn't play well with others. He has more enemies than friends. When his senior officer assigns him to be Charlie's consultant, Takoda knows it will end badly. He doesn't have time to coddle a prissy rich boy.

However, if he can't calm Charlie's paranoid delusions and act civil for once, he'll lose his job.

But are they delusions?

The longer he knows Charlie, the more Takoda realizes, something isn't right.

Is someone really stalking Charlie, or is Takoda getting too wrapped up in Charlie's world?

The One That Got Away is an MM romantic suspense thriller. Triggers for severe anxiety and panic disorder, OCD, dissociative episodes, PTSD. The plot line includes a reference to a past child kidnapping and sex-trafficking incident. Details of sex-trafficking are NOT discussed in any part of the story.

Cry Wolf (Wilde Wolves Book 4): A MM Shifter Romance

Author: Ciena Foxx

Howie Ferris has lived with evil all his life. Abuse and pain are an every day occurrence. He thinks his life is hopeless, but he doesn't realize he's full of hope. He yearns for something better. Will he have the courage to grab it with a shifter named, Slater.

In Slater's opinion, if you find the light that pierces your pitch-black soul, you're a fool if you don't grab it and hold on tight. He found that gift in Howie. It didn't matter that Howie was human. It didn't matter that Howie's brother was the pack's sworn enemy and Slater had vowed wipe out his despicable existence. For Slater, what mattered most was when Howie smiled at him, and that smile chased the constant sadness out of the man's gorgeous blue eyes.

Now they only had to figure out why Howie had started to sparkle.

Timid Cute Omega (Howl Academy Babies Book 3)

Author: Eva Lyra

Can you want an alpha and be terrified of him at the same time?

Kian is terrified of all alphas, his past ensuring he doesn't trust them. But this particular, handsome, powerful alpha called Nero terrifies him even more because he reminds him of a rough time in his life. He wants him, though. Wants him so much he gets into heat for the first time by being near him, and now what will he do? Can he overcome his fear and give in to his desire? After all, Nero hasn't done anything to hurt him - on the contrary...

Can you want an omega enough to throw caution to the wind and forget you don't deserve to be happy?

Nero is a bastard and he knows it. Growing up as he did, he probably had little choice, but now he needs to change if he's ever going to get close to Kian. The pretty little omega is scared of him, and rightly so, but Nero doesn't want that. He wants Kian to want him, to let him touch him and kiss him. When Kian has his first heat, all Nero wants is to help but things get... out of hand. They say Kian is frigid, but he's hot. Too hot.

When Nero's past catches up with him, he has to fight to return to his omega, and as for Kian... he now has much more to fight for than he ever thought possible when he allowed Nero into his bed.

* This is a 50,000-word mpreg shifter novel with humor and angst and misunderstandings that lead nevertheless to love and cute babies! Intended for adult readers.*

The Silver Fox: Red's Tavern, Book 3

Author: Raleigh Ruebins

I rescue people from danger every day. But my love life? That's a dumpster fire I can't put out.

I had a badass life, my dream job as a firefighter, and I could snag anyone I wanted in bed. But when an injury temporarily took me off duty, it all screeched to a halt. Now I'm healing, staying with my brother Red in Amberfield, this small town with jack-all to do.

Other than flirt with Perry. A hot-as-hell, shy but smoldering silver fox. And I think he wants me bad, even though I'm a straight, babyfaced jock in a baseball cap.

Perry is a family man, through and through. He would do anything for his mom, brother, nieces and nephews. When family drama threatens to ruin his big family reunion, I know I can help. I offer to be Perry's fake boyfriend for the reunion, so all eyes will be on us.

And then the plan works.
A little too well.

Turns out Silver Fox isn't as bashful as he seemed. Now I'm becoming addicted to the feeling of his lips on mine. His skin pressed up against me in bed. Soon, I'm fantasizing about going all the way with him, and I'm not sure I can call myself "straight" anymore with a straight face.

At first I just craved the attention. But Perry isn't just great in bed--his family is fun as hell, too. For once, I feel like I belong somewhere.

And once we're done faking it, I don't know how the hell I'm going to leave.

The Murder Between Us: M|M Romantic Suspense

Author: Tal Bauer

*It was just one night.
It was just one mistake.*

FBI Agent Noah Downing had questions about his sexuality that a single night in Vegas should have answered. But dawn finds him on a plane back to Iowa, back on the trail of a vicious serial killer who disappeared six years ago and has suddenly resurfaced. There's nothing like a murder investigation to escape an existential crisis.

FBI profiler Cole Kennedy is still reeling after finding a heart-stopping connection with a seemingly perfect man, only for him to vanish. When he's sent to Iowa to

profile the killer terrorizing America's heartland, he finds more questions than answers - both about the murderer and about Noah, the last man he ever expected to see again.

A twisted secret stretches between Cole and Noah, tangled with questions they both have about each other. But now, thrown together, they'll have to unravel the killer's profile and follow his trail... back to the very beginning, to where everyone's questions are answered once and for all.

***This is an M/JM romantic suspense standalone novel, featuring a second chance romance, the hunt for a twisted serial killer, and one man's journey to acceptance.

Best Laid Plans: An LGBTQ Romance (Garnet Run Book 2)

Author: Roan Parrish

"This love story is heartrending, swoon-worthy, and extremely well-told." — Publishers Weekly, starred review

A man who's been moving his whole life finally finds a reason to stay put.

Charlie Matheson has spent his life taking care of things. When his parents died two days before his eighteenth birthday, he took care of his younger brother, even though that meant putting his own dreams on hold. He took care of his father's hardware store, building it into something known several towns over. He took care of the cat he found in the woods...so now he has a cat.

When a stranger with epic tattoos and a glare to match starts coming into Matheson's Hardware, buying things seemingly at random and lugging them off in a car so beat-up Charlie feels bad for it, his instinct is to help. When the man comes in for the fifth time in a week, Charlie can't resist intervening.

Rye Janssen has spent his life breaking things. Promises. His parents' hearts. Leases. He isn't used to people wanting to put things back together—not the crumbling house he just inherited, not his future and certainly not him. But the longer he stays in Garnet Run, the more he can see himself belonging there. And the more time he spends with Charlie, the more he can see himself falling asleep in Charlie's arms...and waking up in them.

Is this what it feels like to have a home—and someone to share it with?

Not So Sincerely, Yours (For Him Book 2)

Author: A.M. Johnson

Ethan,

About last night... I could blame the bourbon. I could say I let things get out of hand, that I should have never called you, but I'm done lying to myself—to you. I know what you're going to say. You're not very good at keeping your opinions to yourself, but this can't happen. It's inappropriate, at best. I'm your boss. Not to mention, you're clearly still hung up on him. I'm not a consolation prize.

Anders~

**

Anders,

You didn't think it was inappropriate when you had your tongue down my throat, but I digress. As for your accusation, I'm not the only one stuck in the past, but at least I'm not running from it. I can't believe I'm about to say this... Maybe you're right. You shouldn't have called me. Especially if you never intended to own it. Own that you wanted it to happen. Admit that you wanted me.

Not so sincerely,

Yours

Not So Sincerely, Yours is a 97,000-word standalone HEA, enemies to lovers, light on angst, MM office romance, featuring southern sass, words of the day, Happy Meals, and one unforgettable weekend trip to Manhattan.

Booklover (Vino and Veritas)

Author: J.E. Birk

Two guys meet over a stack of romance novels. Soon they're turning pages late into the night...

Jamie Morin's college GPA drops every time a cow breaks through a fence, but he's determined to get his degree and keep his parents' Vermont dairy farm afloat. He'd rather be reading than milking, but he can't let his family down...not the way his brother did. So the last thing he needs is distraction in the form of an irresistible bookseller with a mysterious backstory.

Briar Nord has a lifetime of experience proving that happily-ever-afters only happen in his favorite books. But his luck might be changing. He's got a great job at a bookstore, and he lives in a city that puts maple syrup on everything. But Briar knows not to trust anything or anyone. And that includes a gorgeous farm boy with soulful eyes and too many obligations.

When Jamie joins Briar's romance novel book club, they both feel an instant connection. Soon they're turning pages long into the night. But Briar's past was bound to catch up with him. Sometimes, though, it takes two heroes to write a new ending . . .

Schooling the Jock: An Enemies-to-Lovers, Campus Romance (Nerds vs Jocks)

Author: Eli Easton

Only an unfair universe makes a guy who's that gorgeous so damned obnoxious.

A-hoe!
Poindexter!

Snarky, superbrain Dobbs and snooty football star Jesse stare at each other from their rival frat houses on opposite sides of the street -- and opposite sides of everything else.

Alpha Lambda Alpha and Sigma Mu Tau have been sworn enemies for decades. Then one disastrous prank proves to be the final straw, and the college dean blows his cork!

Work together or lose both your houses.

Question - -How can Dobbs win his coveted Quiz Bowl championship when he's forced to put a dumb jock on his team?
Answer -- Lots of personal schooling.

But when personal becomes very personal, Jesse risks causing his overtaxed family one more huge worry and the running back starts running.

Will Dobbs give up on the shocked jock, or show him that the answer to the big question is, Yes?

SCHOOLING THE JOCK is an enemies-to-lovers, opposites attract, campus romance – with one hell of a lightning round.

Laying It Bear [Fever's Edge 4] (The Lynn Hagen ManLove Collection)

Author: Lynn Hagen

[Siren Publishing: The Lynn Hagen ManLove Collection: Erotic Romance, Contemporary, Alternative, Paranormal, Shape-shifters, MM, HEA] After nearly dying, Sherman flees Maple Grove to start a whole new life in Fever's Edge. He wants to put his past behind him, and applies for a job at the local diner. Little does he know how drastically his life is about to change when he spots a table filled with sexy firemen. One in particular catches his eye. Fire Chief Dalton Knowles. The guy is right up Sherman's alley—big, muscular, and built like a bear. He just doesn't know that Dalton has his own set of problems that will put Sherman in a life-threatening situation. Years ago Dalton worked for the Ultionem, chasing down rogue nonhumans. Now he's settled into a simple life. But he can't escape his past, and when a vampire hell-bent on revenge comes after Dalton, the stakes grow higher. Dalton is infected with a slow-acting poison that is killing him, but he risks everything to save his mate from the deranged vampire. Lynn Hagen is a Siren-exclusive author.

The Devoted Alpha (West Coast Wolves Book 3)

Author: Susi Hawke

An awkward, traumatized omega and a patient alpha determined to court him properly... fate has a way of righting old wrongs.

Stolen from his mother's arms and reported stillborn at birth, Tom spent nearly twenty-one years in structured captivity with other stolen omegas. His brothers. A dozen omegas, each with a secret superpower, who now must learn a whole new skill—how to thrive in a modern world.

Not every brother emerged from their past unscathed, and Tom had the worst of it. His key to survival was a healthy respect for rules. Now that he's free, he's still a little bit obsessive and a whole lot compulsive. He's got anxiety, fear of change... and a list of plans for his future.

None of which involved finding a fated mate.

But if they had? His plans definitely wouldn't have been to meet his dream alpha while smelling of afterbirth and the blood of an enemy killed in defense of his pregnant brother—the same brother whose child he then had to deliver... post-shift and naked.

If he'd been planning, if he'd made a list and checked it twice, Tom never could've designed an alpha more perfectly devoted than the delicious one fate put in front of him during one of the craziest days of his life... an alpha so patient, he insists on courting the skittish omega.

The West Coast Wolves is an mpreg series about five alphas. A small pack of bikers who spent years riding the highways and helping those in need until fate gave them each a pack to lead. This 85k full-length novel is Nick's story. Prepare yourself for a romantic courtship, a perfect first kiss, and more feels and giggles than you can handle. But then again, this is a Susi Hawke book so what else can you expect?

Possible triggers for child abduction, trafficking both past and present, and haunting memories of past abuse that included both humiliation and the non-penetrative molestation of a teenager by a person in authority.

The Night Of: M/M Romantic Suspense

Author: Tal Bauer

You've heard this story before: a guy supposedly kills himself, but his best friend can't accept it. He calls in an investigator he knows to take a second look, certain there's more going on.

I'm the investigator. Secret Service Agent Sean Avery. The guy who called me? My ex, Vice President Jonathan Sharp. And the guy he doesn't believe put a bullet in his brain?

That was President Steven Baker.

The deeper I dig, the more things fall apart. I've got a dead president inside a locked room. A hidden note. A secret gun. A missing CIA officer.

And no one I can trust.

Now Jonathan's in the crosshairs, and if I don't figure out what really happened that night at Camp David, the love of my life might be the next president to die.

***This M/M romantic suspense features smoldering forbidden love and a May/December second chance romance that ignites your pages.

The Other Side of Here

Author: E.M. Lindsey

"I'm a man of regrets, my love. I can always think of a thousand ways I could have done things better. But I don't regret him."

Married for nearly two decades, Luca and Sebastian know what they want from life and from love, but they certainly don't expect the shake-up that is Alexander Thomas. Their marriage has been open since the start, but it's not until Luca sends a wrong text that they realize there might be room for something new. Something a little bit more permanent. The only problem is, Xan's already taken, and the man he's with is dangerous.

Xan's life has been off the rails since his parents died, and with his current relationship turning toxic, he's not sure he wants to inflict his chaos on the lives of two men who don't deserve it. Luca and Sebastian are worthy of so much more, and Xan isn't sure he'll ever deserve the chance at their unconditional love. After all, he's been engaged to a man who can't stand him for two years, and he still can't find the courage to leave. But when things go from bad to worse, Xan knows something has to give, and he realizes then the only difficult step to take is the first one.

Some relationships are meant for moments, and some are meant for forever, but none of these men know how their story will end until they're standing together, on the other side of here.

The Other Side of Here is a MMM stand-alone romance with a happily ever after. Please see copyright page for content warnings.

One Bite With A Vampire: A Hidden Species Novel

Author: Louisa Masters

Getting kidnapped was never part of my life plan. But being rescued opened up a whole world of crazy.

It's not easy being the only human at the Community of Species Government—and especially not when you're the rescue case. Two years ago, I was planning to go to college, have a wild time, then settle into a normal life. Instead, I was kidnapped, spent months being a test subject, was in hiding for nearly a year, and then found out that my whole existence is a science experiment conducted by the bad guys. It's definitely time to reassess.

My rescuers at CSG have been awesome... mostly. They gave me a job, a home, and a support network. But the whole demons, vampires, shifters thing is not easy to get used to. Especially when one particular vampire makes me want to take up stake sharpening for a hobby. How can someone be over eight centuries old and have the maturity of a drunk frat boy?

The thing is, teenage mentality or not, Andrew is a fierce protector. With the bad guys still on the loose, I need someone like that on my side. Plus, did I mention that he's not hard to look at? I could stare at him all day if only he never opened his mouth.

As we race to find my former captor before he can find me, life takes another twist and upends my world all over again. This time, though, I'm ready—after all, I've got an eight-hundred-year-old vampire at my back. What could possibly go wrong?

Fools (Licking Thicket Book 3)

Author: Lucy Lennox

Tucker Wright's Clues for Life:

What's a 4-letter word for an utterly oblivious, totally commitment-phobic, heartbreakingly gorgeous man with a pet pig named Bernadette?

That'd be D-U-N-N, as in Dunn Johnson, my very best pal and fishing buddy since I moved to Licking Thicket.

What's a 6-letter word for a nerdy, crossword-loving town doctor who's doomed to be hopelessly, thoroughly, irrevocably, in love with that straight best friend for the rest of his born days?

That's T-U-C-K-E-R, as in me.

But when I agree to let Dunn be my 24/7 dating coach, and he decides to get our whole nosy town in on the act, there's only one 5-letter word to describe the pair of us.

F-O-O-L-S.

Anything Goes

Author: Chara Croft

My best friend, Noah, is a bouncy little goofball with ADHD and too much sweetness for his own damn good. Luckily for him, he's also my ride-or-die, so 'course I'm always there to look out for him. Case in point? Poker night in the freshman dorms when he loses a bet and things get a little... interesting. The kind of interesting that has Noah suddenly acting like something a hell of a lot more than just my best friend.

Although maybe, now that I think about it, he might actually have been something more all along.

ANYTHING GOES is a 103,000-word gay college romance between a cocky (not-so) straight boy who likes to call the shots, and his babbling little mess of a bestie, who may or may not have been pining for him all along. Read this one if you like adorable cinnamon rolls who are eager to please, paired with possessive, overprotective jocks who define #relationshipgoals. Pass on it if codependence and neediness aren't your jam, or if you're looking for something deep, dark, or angsty.

The Mastermind (The Long Con Book 1)

Author: Amy Lane

Once upon a time in Rome, Felix Salinger got caught picking his first pocket and Danny Mitchell saved his bacon. The two of them were inseparable... until they weren't.

Twenty years after that first meeting, Danny returns to Chicago, the city he shared with Felix and their perfect, secret family, to save him again. Felix's news network—the business that broke them apart—is under fire from an unscrupulous employee pointing the finger at Felix. An official investigation could topple their house of cards. The only way to prove Felix is innocent is to pull off their biggest con yet.

But though Felix still has the gift of grift, his reunion with Danny is bittersweet. Their ten-year separation left holes in their hearts that no amount of stolen property can fill. A green crew of young thieves looks to them for guidance as they negotiate old jewels and new threats to pull off the perfect heist—but the hardest job is proving that love is the only thing of value they've ever had.

Sworn Oath: A MM Mpreg Romance (Hartland PD Book 2)

Author: Shea Balik

Long ago, Karsyn Vogt had accepted he wasn't destined to have the family he'd always imagined. After losing the Omega he'd sworn to protect, he'd thrown himself into solving cold cases with the Hartland PD. But fate had a way of making the impossible possible once again when he met Jonah Klein. Despite their twenty year age difference, Karsyn was captivated by the Omega. He just wasn't sure he deserved a second chance.

Jonah Klein was a survivor. After a group of Alphas had tried to kill him, he'd come back stronger and willing to fight for what he believed in. He just hadn't expected he'd have to stand up to the man who could be his future.

If Karsyn and Jonah hope to find their happily ever after they must put aside their pasts and forge ahead to build a life together. But there are other forces besides the past that might get in their way. Vigilantes continue to create chaos all around them, as they attempt to right the wrong of murdered Omegas, who were forgotten by the very people who were supposed to protect them.

PLEASE NOTE: This is the second book in an ongoing story arc. Although each book ends in an HEA for each couple, to enjoy the series they are best read in order.

Out of Harm's Way (Balls and Brawn Bodyguard Series Book 1)

Author: Rebecca James

OUT OF HARM'S WAY

Ox claimed to be vanilla, but Mick felt sure the big man wouldn't balk at trying a few other flavors.

When a terrifying text message from Mick Waters' abuser, recently escaped from prison, sends him spiraling into panic, he finds himself constantly looking over his shoulder and barely able to sleep at night. Then his friends arrange for a bodyguard for him, and Mick feels a confusing combination of relief at having protection, dismay at the sheer size of his new bodyguard, and arousal due to Mick's attraction to big men. His ex was a big man, and Mick paid dearly for that attraction.

Oxford Bradley enjoys his job with Foster Security, which includes a mixed bag of high-stakes cases--some of them dangerous--and dull babysitting-type situations. When he isn't working, he prefers a serene life devoid of drama and, let's face it, a somewhat vanilla sex life. Assigned to protect a terrified man from his abusive ex, Ox is horrified at his body's reaction to not only Mick himself, but also Mick's admission to a Daddy kink--he's never had an unprofessional relationship with a client and he isn't starting now.

As Mick warms up to Ox and the two men get to know one another, the attraction between them grows. Ox refuses to break his professional code, but what about when the danger's over? Living in different states, they can't possibly have more than a one-off, and the temptation to explore with this intriguing man is undeniable.

Will one night send Ox running back to his comfortable vanilla lifestyle, or will Mick help him find a new favorite flavor? And what happens when an opportunity presents itself for Ox to see Mick again?

Out of Harm's Way is an MM romance and the first book in the Balls and Brawn Bodyguard series.

Scars

Author: Jason Collins

SIMON:

The abusive ex, the endless arguments—I've put all that behind me. I'm healing at my own pace, and with my new job at the local bakery, I've got *almost* everything I need. I won't give in to the wrong kind of man twice, but these long hours make me crave a release I can't get from just anyone.

Dane isn't just anyone.

He's a fireman who takes charge, and he's not afraid to have his way with the right person. The more nights we spend together, the more I wonder if that person might be me. Of course, I knew my ex would resurface, but I didn't think he'd resort to stalking me. Dane's protective, but he suddenly turns cold and won't say why. I know it's because of my ex, and I won't let my him ruin my life again.

DANE:

A new life, a new city. I'm feeling at home in Chicago, and the good men at the fire station make me think I could leave who I was behind. Firefighting keeps my temper—and my impulses—in check. The last thing I need is a distraction.

But Simon is endlessly distracting.

The one thing I'm missing from my life is a man who'll let me take control. Simon brings back that familiar longing, and I want to explore it with him. But when he tells me about his abusive ex, I pull back. Anger used to rule my life, and the more his ex appears, the more I fear I'll hurt the man who's hurt Simon. I can't let Simon see that—even if it means pushing him away.

This is a standalone MM romance.

Goal Lines & First Times (CU Hockey Book 3)

Author: Eden Finley

COHEN

It turns out making out with my best friend in high school could be considered gay. Who knew? Apparently, everyone but me.

Now that it's been pointed out, I can't help reliving it in my head. Repeatedly. Goodbye Denial Town, hello Confusionville.

When my path leads me down the gay dating app route, I don't expect to meet anyone I like, but then I meet him.

He can't be more opposite than me. He's smart, he hates hockey, and he identifies as demi—something I've never heard of.

Yet I can't deny something's there. Something I want to explore in person. If only I could get him to agree.

SETH

All my life, I've felt broken.

Sick of being asked if I could be gay by ex-girlfriends, friends, and even my parents, I join a gay dating app to prove a point.

I don't expect to find what's always been missing. A real connection.

The problem is, I'm too scared to meet him in person. He's a hockey player, and I fear when he finds out my twin plays for the NHL, I'll be overshadowed by my overachieving brother. Again.

Worse yet, what happens if we meet and that connection isn't the same?

When I tell him I'm not ready, he's disappointed but supportive. Fate, on the other hand, isn't as accepting.

I had no idea the person I've been falling for is someone I already know.

From Darkness and Magic: Vampires of Blood and Bones Vol. 8

Author: B.A. Stretke

An M/M/M Romance

Quincy York is a coven guard and soldier. He's devoted to his coven and his Master Louis DuCane. He's young for a vampire, just over a century old, but he has already made a name for himself and can see a promotion in the offing. He's been assigned to work security for the summit between Master DuCane and two elders of the Hellhound pack. This is a very important and delicate diplomatic mission, and Quincy knows that if he distinguishes himself, good things will come his way. That all changes when a small scuffle breaks out in a palace corridor, and Quincy finds himself face to face with one of the fearsome Hellhounds, and then summarily dismissed. No reason is given; he's just been removed from their detail. Quincy finds himself demoted to a routine murder investigation in town. Busy work until the hellhounds are gone. Humiliated.

Fox Wilder and Mateo Lahara are elders of the Hellhound Pack, serving their Bard and their community. They are fearsome and devastating warriors, possessing a potent blend of strength, skill, and magic. They are a mated pair and have been together for over a century. They are here in Mt. Pleasant to strike a deal with Master Louis DuCane, peace and cooperation between the vampire and the hellhound worlds. What they didn't expect is to find their third mate among Louis' coven guards. They didn't expect their third to be a vampire. Mateo doesn't care, but Fox holds deep prejudices that cause him to act rashly and cost them dearly. Can the pain of a disastrous first impression be fixed? Can they convince Quincy that they mean it when they say forever? Can Fox come to terms with his past and allow them all the future they deserve?

Other mysteries are lurking around Mt. Pleasant, and something dark and noxious is in the air. Fox, Mateo, and Quincy need to defeat it all if they stand a chance at forever.

Haven: A MM Paranormal Mystery Romance

Author: Morgan Brice

Old secrets, hidden psychics, secret shifters, ghosts, scandals—and true love.

A series of long-ago disappearances leads cold case private detective Austin Williams to investigate a troubled sanitarium. Jamie Miller is new in town, temporarily running the local historical association, and he willingly signs on to help solve Austin's mystery. Sparks fly between them as they dig into the hospital's troubled past. But someone wants the past to stay buried—and is willing to bury Austin and Jamie to keep it that way.

Haven is part of the Magic Emporium series. Each book stands alone, but each one features an appearance by Marden's Magic Emporium, a shop that can appear anywhere, but only once and only when someone's in dire need. This book contains explicit scenes, action, mystery, hurt/comfort, geeks in love, supernatural secrets, a brave historian and a lovelorn private detective, plus a guaranteed HEA. It is loosely connected to my Fox Hollow series.

Keeping Promises

Author: Jodi Payne

Jeremy M. Dunn III has the single dad thing down, so the last thing he wants to do is call his ex-husband to ask for help with their two kids. They didn't part on good terms, and they've barely spoken since the divorce. But with a cast on his arm that goes up past his elbow, Jeremy has no choice. He needs a few days to figure out how to bathe their daughter, make school lunches and parent their son one-armed, and there isn't anyone else he can ask for help.

Former rodeo cowboy West Belen was already on his way back to his kids, and to Trey ("the third", his nickname for Jeremy). He made a promise to try again, and he means to keep it, so when he sees his chance to move back into his family's life, he grabs it like the brass ring he knows it is. He's determined to be more than an "every other weekend" dad to his children, and he doesn't want to keep on living with regret about how he and Trey ended.

Jeremy still desires West, but he isn't sure he can trust West to be responsible and available. West still thinks Trey is the hottest thing he's ever seen, but he has no idea how to convince the man he's ready to settle down. The two of them have never had trouble butting heads, but now they need to learn to work together to make a home for themselves and their kids where they both belong.

An Echo in the Sorrow (Soulbound Book 6)

Author: Hailey Turner

Forgiveness is a hollow prayer you only hear in your dreams.

Patrick Collins has spent years handling cases as a special agent for the Supernatural Operations Agency, even as his secret standing in the preternatural world has changed. He should have confessed to his role as co-leader of the New York City god pack when he and Jonothon de Vere took up the mantle months ago, but he didn't. Now that split loyalty will cost him at a time when he can least afford it.

Outmaneuvered, framed for murder, and targeted by the Dominion Sect, Patrick has to face a past full of lies to regain his freedom. Revealing the truth means he'll need to give up the life that has defined him. Everything he's fought to build with his pack is at stake, and losing them isn't a price Patrick is willing to pay, but some choices aren't his to make.

Jono knows they can't cede any more territory if they want to win the god pack civil war spilling into the streets of New York City. But the souls of werereatures are free for the taking when demons come to town and angels sing a warning no one can ignore. When Jono's worst fear comes to life, and he loses the one person he can't live without, the only option left is to fight.

Facing down the demons of their past and the ones in their present, Patrick and Jono will learn the hard way that some sins never wash away clean.

Little Daddy (Littles of the Night Book 1)

Author: A. Little

They call me Merryman.

Eternity is too long to go without getting any. Companionship these days is easier to get, thanks to the internet. Hookups, too, thanks to the mini-computers everyone carries around in their pockets to talk to each other. Want a quickie? Just open your chosen app and slide right. What's harder is getting someone you can genuinely connect to, not only through a screen but in person.

Step one: Create a profile online that generates trust.

Step two: Convince them to meet you and charm the pants off of them. And I mean that literally. That's not proven to be too hard, given I own a large condo complex in the ritzy part of downtown.

Step three: Shower them with gifts, so the good times keep on rolling.

Step four: Once a few weeks have passed, make them mine. I have the fangs and supernatural mojo to do that just fine.

Now, if I can only get them to want to remain as my companion and not move on. My complex is full of vamps who started off as conquests and now are mated to another while remaining part of my coven. Maybe my luck's about to change, though. There's a human in the building opposite, and he's been watching me with my latest hookup. He doesn't know it yet, but my preternatural vision shows me the yearning in his eyes quite clearly.

Oh, come to Daddy, baby. An eternity of delights awaits you...

Little Daddy is a paranormal Daddy/Little age play romance. All characters are over the age of 18 and are consenting adults.

Drive Me Crazy: A Falling for the Boss Gay Romance (Food Truck Warriors Book 1)

Author: Beth Bolden

Lucas loves his job. Too bad he's not allowed to take a bite out of the boss.

Considering all the crap Lucas Barnes has done to achieve self-employed independence, taking a job making fish tacos for a local food truck should be a no-brainer. In the off hours, he can even work on his dream business: health-conscious energy bars.

But it turns out the hardest part isn't the long hours, the stifling heat inside the truck during a Los Angeles summer, or even the non-vegan menu, it's his new boss.

Tony Blake is over-confident and an enthusiastic carnivore—and also one of the hottest, funniest, most charming guys Lucas has ever met. Even when Tony is driving him crazy, he's completely irresistible.

Lucas knows hooking up with the boss is off-limits, but Tony is a tough guy to resist. And with the two of them spending the steamy summer evenings tucked in each other's pockets . . . it turns out it's not a question of *if*, but a question of *when*.

Demons Do It Better: A Hidden Species Novel

Author: Louisa Masters

I work for Lucifer. Only, it's not as cool and satanic as it sounds.

The truth is, I'm an admin assistant who applied for a job that sounded kind of interesting and ended up working for the Community of Species Government. I'm the only human in the office, and basically I ride herd on a team of rambunctious shifters and demons.

I also spend a lot of time avoiding Gideon Bailey, the demon I had a one-night stand with right before I took this job. He hates me, and I really want to avoid being murdered. But I've been offered a promotion that will mean working with him, so we're both going to have to get over it.

Plus, people are going missing. Pregnant people. And the word is that someone is dabbling in genetic experimentation. Putting a stop to that is more important than the sexual tension Gideon and I have been ignoring... isn't it?

Beneath the Opal Arc: Immortal Jewels Volume I: (MM Medieval Fantasy Romance)

Author: Lee Colgin

As the battle rages around him, Laurence stops to witness a witch casting a powerful magical arc. Werewolves race past, running for cover, but Laurence can't tear his gaze from the vulnerable spellcaster.

When Remy is injured, he doesn't expect a vampire to come to his rescue. What is he to Laurence if not dinner? But Laurence carries him to safety, ensures he gets treatment, and protects him from a pack of angry werewolves.

No one knows how long the magical arc will only hold. Frightened by what might happen when it falls, Remy needs to escape the frontlines and find a safe haven before his own people hunt him down for treason.

As sparks fly between the unlikely pair, can they find solace in love, or will the supernatural war claim two more victims?

Beneath the Opal Arc

~A vulnerable witch lost on enemy soil

~A lonely vampire fighting to protect his charge

~A love story neither of them saw coming

Beneath the Opal Arc is an MM Paranormal Romance packed with adventure, a steamy love story, and danger at every turn. This novel contains violence and scenes intended for mature readers.

Pretty Wild (Boys in Makeup Book 3)

Author: Christina Lee

Clark

I see myself as mature and responsible for a twenty-four-year-old—I have a steady job, a comfortable apartment, and eventually I'll find the right guy to settle down with. Some might find this boring, but at least I know what I want. That is, until reconnecting with a childhood companion flips my preconceived notions upside down. Skylar was my first real friend—my first crush too—and twelve years later, he's still the same gorgeous and charismatic free spirit. I'm easily sucked back into his orbit, my protests futile when it comes to his amusingly harebrained ideas. I can't let myself fall for him, though, because I'm searching for forever and he only wants casual.

Skylar

If you're looking for a good time, I'm your guy. I love hookups, shaking my booty at the club, and having fun. I've seen how love can hurt and have mended too many broken hearts to risk my own.

Still, having Clark back in my life makes me feel grounded...and sort of mushy inside. It's not only because his chunky glasses turn him into an adorably hot Clark Kent. It's also how he makes me feel like I can be more. Which is why hooking up with him is a bad idea. But resisting him becomes impossible, and before I know it, each touch, kiss, and night spent together only makes me crave more.

We want different things, so there's no way this will last. But Clark makes me consider breaking my rules and trying this boyfriend stuff for real. What's a guy to do when his best friend steals the heart he's afraid to give? I guess it comes down to potentially hurting him, or losing the only guy I've ever really wanted. Pretty wild, right?

Sweet Buns (Cedar Falls Book 1)

Author: Shea Balik

Welcome to Cedar Falls, a small North Carolina town nestled amongst the Smokey Mountains.

Zane Fisher is prepared to fight against a proposed casino being built in his small hometown. Sure, it would bring in more visitors to their dying town, but at what risk?

Aidan Dempsey is sick of the bad coffee Cedar Falls has so far had to offer. After an exceptionally bad cup, he's decided to swear off the stuff, that is until he's dragged into the local bakery. Not only does he find the best cup of coffee he's ever tasted, but the bakery owner, Zane Fisher, just might be the sexiest man he's ever met. Too bad Zane seems hell bent on avoiding him, as he's the project manager for the casino Zane is against.

Will they be able to find common ground or will Aidan be doomed to only having bad coffee?

PLEASE NOTE: This is the second edition of Sweet Buns. I have added 10K of new content and it has been re-edited!

Scalpels & Psychopaths: Dr. Maxwell Thornton Murder Mysteries Book 2

Author: S.C. Wynne

I assumed the worst I'd have to endure at a boring birthday party was cheap champagne, and dull conversation. Murder never crossed my mind.

After three months of struggling to fit into the small town of Rainy Dale, Texas, Maxwell Thornton is once again thrown into the middle of a murder investigation. While attending Mayor Penelope Granger's birthday party, he and Royce are witnesses to the cold blooded murder of her father.

Seeing as he's sheriff, Royce has no choice but to get involved in solving the murder, but he'd prefer Maxwell stay at a safe distance. Maxwell would prefer that

too, but when an attempt in made on his life, he's unwillingly sucked into the case.

When Maxwell moved to Rainy Dale, he'd hoped for a new beginning. But after two attempts on his life, and his unnerving emotional attachment to Royce, more and more Maxwell wonders if staying in Rainy Dale is the logical choice. Perhaps it's time to run back to Los Angeles, where he can keep his body, and his heart, safe.

We Have Till Monday

Author: Cara Dee

When it seemed like everyone around Anthony Fender was reaching a goal or falling in love, he blamed an early midlife crisis for throwing him far outside of his comfort zone. Nashville was a long way from New York and his everyday life that'd lost all color lately.

Hopefully, this vacation would reenergize him, and maybe a cooking class with celebrity chef August King could end Anthony's reign as the only Italian in Brooklyn who couldn't boil water. But when he met August and his much younger husband Camden, every plan and all rational thought flew out the window. Their dynamic grabbed hold of Anthony and reeled him in before he even heard the magic word.

"Daddy."

Wreck Me Forever (Polished P & P Book 1)

Author: Lila Rose

Lucas Storey's life is all about college, studying, and finishing his medical degree. That's until he moves in with his older brother and meets his motorcycle club friends. Only, new people make Lucas nervous, almost to the extent of peeing himself, but he soon realizes they're great people and will accept him as he is.

Now, if only he can stop thinking of a certain grumpy biker, things will be good.

Never before has Wade "Wreck" Williams noticed the same sex, or at least not until Lucas crashes into their lives. And notice Lucas he does. But that's not all. He wants to get to know the man, and he kind of likes looking at Lucas too. None of it makes sense, and Wreck will fight it for that reason alone.

When Lucas thinks he can go out with a someone who's not Wreck—and jealously rears its ugly head to a point Wreck just has to step in—it's clear that he may just be wrecked forever.

Twist Me (Tattoos and Temptation Book 6)

Author: Mia Monroe

He gave me freedom through restraint.

He captivated me the first time I saw him. I was drawn to him, curious about the mysterious, soft spoken older man. I convinced myself there was no way someone so worldly would be interested in a shy, inexperienced guy like me. I'm careful what I reveal, choosing instead to live with what if.

But with each interaction, I felt things I never had before. Patiently, he gave me the space to peel back my armor, allowing him to twist me apart in ways I never imagined. Now I crave the security of his ropes.

He opened up the way I see the world and myself in it. Can he open my heart too...

Twist Me is a steamy age gap tale exploring love and self through Shibari. It is book six in the Tattoos and Temptation series featuring hot Miami nights, Latin desserts, and guys with ink.

It can be read as a standalone but the author recommends reading the series in order or at least book three, *Free Me*, for maximum enjoyment.

Mr. Uptight

Author: Felice Stevens

Jude:

What do you do when you wake up with a hangover and find yourself in bed with your best friend's younger brother?

Who happens to be your new brother-in-law?

The man who drives you crazy.
The man who always skated by on fast-talk, good looks, and a bright smile.
The one who makes you want to break all the rules.
You hire him as your assistant, of course.
And pray you can keep your sanity.
And your hands off him.

Mason:
How do you prove you've changed?
That you're no longer the party-boy who always needed rescuing from his own mistakes—and boy you've made some big ones.
But no one needs to know your secrets.
You take a job with the one man who doesn't trust you.
Who's waiting for you to screw up.
You try and forget that one explosive night together.
Except you can't.
And to your shock...neither can he.

What do you do when the one man you can't imagine living with is the one you can't live without?

My Best Friend's Brother

Author: K.C. Wells

*My best friend's younger brother is all grown up. And gorgeous.
Casey's off limits. Forbidden. But that just makes me want him more.*

Rylan

I've watched Casey grow up. I never imagined how the sweet, scrawny kid would turn into a hot muscular man. A hot guy who just came out.

Casey torments my thoughts. And my dreams. I need to stay far, far away from my best friend's kid brother. Should be easy, right? I can find plenty of guys to distract me.

Problem is, all I want is the one man I can't have.

Casey

There's never been a time when I wasn't in love with Rylan. My brother's best friend was my first crush. My only crush. He's the one man I shouldn't go near. And here I am spending the summer in the apartment he shares with my older brother.

That seemed like a good idea in the beginning. I thought I could handle it but being so close to the man I've always wanted, I'm not so sure. About anything.

I can have any man – except the one I want.

It's going to be a long, hot summer.

Origin (Scales 'N' Spells Book 1)

Author: AJ Sherwood

Cameron wants to make it clear that he did not go into the festival to find a dragon mate.

Germany is supposed to be an escape. With a new mechanical engineering degree, a new job looming, and a whole life planned out that isn't his, Germany seems like the best place to find himself.

So, how does he end up discovering his lost magic heritage, running from bad guys with a secret agenda, and being adopted by the not-so-extinct Fire Dragon clan?

Cameron blames tall, dark, and sexy Alric, King of the Fire Dragons. His fated mate. Because of course he is, and mates are meant to take the blame, right?

It may take a hot second, but as Cameron learns more about the scarred Alric and the life he's landed in, Cameron realizes that perhaps this is where he's meant to be, magic and mates and kidnapping and all.

Turns out coming to Germany wasn't an escape but his awakening.

Try Me (Extracurricular Activities Book 2)

Author: Neve Wilder

Two rivals. One law internship. A whole lot of objectionable activity.

It wasn't always this way between us.

We were best friends growing up.

Competitive? Yeah.

Ruthless? Definitely.

Neither of us liked to lose.

But the intense chemistry?

That's new.

The hatred in his eyes?

That's new, too.

I should let it go.

There's too much bad blood between our families. Between us.

But I can't.

I don't think he can, either.

Now we're gunning for the same internship.

If he thinks I'll back down, he's dead wrong.

Once upon a time, I lost everything.

I won't let it happen again.

Go ahead. Try me.

From the author of **Want Me** comes the second new adult college romance in the Extracurricular Activities series. Expect drama, snark, feels, egregious misuse of private property, a guy who's way more heteroflexible than he realized, and a semi-sorta reformed bad boy who loves to test him.

Somebody to Hold: (A Tyler Jamison Novel - Book 2)

Author: April Wilson

In this second installment in the Tyler Jamison and Ian Alexander romantic suspense series, Tyler and Ian face their greatest challenge yet. Homicide detective Tyler Jamison is facing the unthinkable -- a prison sentence for beating the man who assaulted Ian. But that's only the beginning of their troubles, because when Ian's younger sister goes missing, Tyler risks everything to save the sister of the man he loves.
