He was supposed to be a myth.

But from the moment I crossed the River Styx and fell under his dark spell...he was, quite simply, mine.

Society darling Persephone Dimitriou plans to flee the ultra-modern city of Olympus and start over far from the backstabbing politics of the Thirteen Houses. But all that's ripped away when her mother ambushes her with an engagement to Zeus, the dangerous power behind their glittering city's dark facade.

With no options left, Persephone flees to the forbidden undercity and makes a devil's bargain with a man she once believed a myth...a man who awakens her to a world she never knew existed.

Hades has spent his life in the shadows, and he has no intention of stepping into the light. But when he finds that Persephone can offer a little slice of the revenge he's spent years craving, it's all the excuse he needs to help her—for a price. Yet every breathless night spent tangled together has given Hades a taste for Persephone, and he'll go to war with Olympus itself to keep her close...

Reckless Heir (Underworld Kings): An Arranged Marriage Mafia Romance

Author: Jenika Snow

From USA Today bestselling author Jenika Snow comes a new full-length standalone arranged marriage mafia romance set in the Underworld Kings world that blurs the lines between right and wrong.

My father sold me off to a ruthless killer in the Russian mafia, an alliance between the Bratva and the Cosa Nostra.

An arranged marriage where I'd be at the mercy of the man who'd no doubt see me as his property, where I was sure he'd be just as cruel and violent as every other Made Man I'd known in my life.

Nikolai Petrov, known to be a sociopath and for killing anyone for the smallest infraction. And I'd be forever tied to him, an accessory he could use or dispose of any way he saw fit.

And then I found myself painted red, my wedding dress stained in blood. A man dead by my husband's hands for simply touching my hair.

I was terrified of the lengths Nikolai would go to get what he wanted... to keep me as his, but despite all of that I felt something far stronger, far more dangerous.

Need. Want. Dark and depraved desire. And it was all for the man who said I was his.

For better or worse.

Tying The Knot (Part Three)

Author: Kelly Favor

All I did was write a few stories about my boss.

Okay, they were kind of steamy, and maybe I exaggerated a few things. Wrote down some of my deepest and darkest fantasies about the ruthless billionaire who made my everyday life miserable with his endless demands and cutting remarks.

There's nothing wrong with having some harmless daydreams, is there?

Maybe I went a step too far publishing my stories online. But they were just on some random forum, and I kept everything anonymous. I was careful about that, I promise...even if a lot of people did start reading and commenting on them.

The only real problem is him. The man that makes me anxious, full of desire, fearful, miserable--the boss I love to hate.

Turns out he found my "little stories." All of them. And the website. He found out about all of it. And now he's going to ruin what's left of my life...or perhaps make all of my dirty little fantasies come true.

I'm not quite sure which is worse. No, the worst would be falling in love with a monster.

Morning Glory Milking Farm (Cambric Creek: Sweet & Steamy Monster Romance Book 1)

Author: C.M. Nascosta

Violet is a typical, down-on-her-luck millennial: mid-twenties, over-educated and drowning in debt, on the verge of moving into her parents' basement. When a lifeline appears in the form of a very unconventional job in neighboring Cambric Creek, she has no choice but to grab at it with both hands.

Morning Glory Farm offers full-time hours, full benefits, and generous pay with no experience needed . . . there's only one catch. The clientele is Grade A certified prime beef, with the manly, meaty endowments to match. *Hands-on* work with minotaurs isn't something Violet ever considered as a career option, but she's determined to turn the opportunity into a reversal of fortune.

When a stern, deep-voiced client begins to specially request her for his sessions at the farm, maintaining her professionalism and keeping him out of her dreams is easier said than done. Violet is resolved to make a dent in her student loans and afford name-brand orange juice, and a one-sided crush on an out-of-her-league minotaur is not a part of her plan—unless her feelings aren't so one-sided after all.

Morning Glory Farm is a short human/monster **romance** novel (60k), featuring a high heat slow burn with a lot of heart, and a guaranteed HEA. It is the first book in the Cambric Creek Monster Romance series and can be read as a standalone. CWs are viewable on the author's website.

Beaming innocence. Radiating love and joy.

I've faced dozens of opponents in the cage but she was the first person to knock me off my feet.

I'm his prize.

He gets to do whatever he wants to me and there's nobody around to stop him.

I tremble as I look up at the largest man I've ever seen.

And the scariest.

He's so unlike the pretty-faced boys who chased me around the village.

He's rough-looking with scars all over and a hungry gleam in his dark possessive eyes, like he's about to devour me whole.

I did not picture my first time like this...

So, why is my body urging me to go to him?

Why am I not afraid, but excited?

1. Keep your socks dry.
2. Don't eat expired tuna. Seriously.
3. Grab the baddest scariest guy you see and don't let go.
4. Do whatever he says (you might just like it).
5. Don't fall in love.

They say romance died when society collapsed.

They were right.

It's brutal out here.

My last date had no teeth.

He took me to the Great Tire Fire and roasted a rat on a stick.

I was convinced I was going to die alone at the tender old age of twenty-two until I saw Max.

He was wearing a freaking skull on his head.

It was terror at first sight.

But like bacteria on wet socks, Max will grow on you.

Tiffany's Bad Boy

Author: JJ Argus

Tiffany was always a good girl, a careful girl; careful of her appearance, of what she said and did, of her image, of who her friends were, what car she drove, and her reputation. Right up until Connor Hodges kissed her outside a restaurant and she was left more than a little breathless by just how passionate the kiss had

been. Getting involved with bad boy Connor would absolutely trash her reputation! But if she did it quietly, a little... experimentation, could be educational. Or so she thought.

But Connor wasn't like the boys she'd dated. Connor took women for granted and paid them little respect. Connor insisted no being in charge – of everything. And that was especially true in bed. Tiffany was used to gentle, caring... bland lovers. Connor was none of that. He tied her up and treated her like his possession! He used her body thoroughly, roughly, crudely... And sex with Connor was so scalding, so passionate that she was shell-shocked. Connor taunted her with his disrespect. He gave orders and expected them to be obeyed. And if not... then he'd punish her! Tiffany was outraged but too caught up in the dark, wicked heat of things to refuse or break away. Even when Connor invited friends to join him in making use of her beautiful young body. The heat was too intoxicating, the pleasure too intense, the kinky, edgy sex too thrilling.

Desparion. The place where they put men with an inner monster.

A place no sensible citizen goes unless they're seeking a dark, unrestrained kind of thrill.

Only I love my little sister. It's her birthday, and despite being the sensible, dependable, boring one, I end up in the alpha zone surrounded by the kind of men only mentioned in hushed whispers with a sneer of distaste.

That's when I met him.

Nearly seven feet tall, all muscle and a devilish smile that promises a night of pleasure. I can do this. I can escape the drudgery for a night, enjoy the wild side, then slink back to my small sensible life.

But his touch does more than light a fire inside me, it reveals a part of me I didn't know existed.

Jace:

Every monster has a match. A female who is weak and yet strong. One who responds to pheromones and is driven by instincts every bit as beastly as the monster inside me.

Those women should be protected, not touched. After what I saw my sister go through, I kept my animal side on a tight leash.

Then I saw her, the cute little citizen taking a walk on the wild side.

But fate has other plans, and she's not the ordinary I expected.

Mine, the beast inside me says.

I want to ruin her for everyone but me.

And I can't have it both ways.

Becoming Georgia (Blue Label Edition)

Author: Ann Michelle

Poor George. George and his friend Oliver never meant to break the widow, but they did. Even worse, George's pesky stepsister Emma saw the whole thing. Now they would learn the price for her silence... and it included dresses. That's just the beginning too.

This is the tale of how George goes from average young man to feminized servant of his stepsister, to feminized maid for his ex-girlfriend and for the handsome boy who stole her from him, to finding himself going to the dance in the arms of another boy. Nothing will ever be the same for George again.

This is my first *Blue Label Edition* story. Blue Label Editions are stories where the hero falls for another male after being feminized. Some of these will be alternate versions of existing stories, like this one, and others will be entirely original works. This is an alternate version of the original *Becoming Georgia*. This story is a little more graphic than the original because I think that's appropriate in this instance. It's different too, even as I tried to keep the original spirit of *Becoming Georgia*. Indeed, while this story starts the same and begins with only subtle changes, it slowly goes its own way to tell this story properly. I think you'll really like this.

This is all four parts of the story in one volume.

For Mature Audiences Only. This 115,000 word story includes female domination, forced feminization, blackmail, male-to-male contact, bi, oral, spanking, and so much more!

Excerpt:

She blushed as she couldn't bear to see the revulsion in his eyes. Instead, she felt his right hand reach for hers. She allowed him to hold it. Wondering why he would want to. He held onto her hand for a while. Moving his thumb slowly across her wrist like a caress.

Quickly she glanced into his eyes, wondering what he was doing. He gave her a deep look. As if he was searching for something inside her. Something he wanted to explore. To figure out.

Did he feel attracted to her? Her eyes widened as she realised that the look in his eyes was arousal. Sexual arousal.

She felt surprised. She'd never been considered a temptress or particularly godsend to tease men to follow her around with their tongues hanging out. But he made her feel as if she was tempting, intriguing. Maybe even desirable. Was this the normal way a male shifter would seduce a woman? To stare into her eyes until she succumbed to his desires and lay down with him?

She felt her cheeks turned rosy at the feeling of investigating what was underneath his shirt. To follow the scar she could see on his shoulder. Getting a better glimpse at what his tattoo looked like and running her fingers along the ridges of the dark coloured ink.

Mace gave her a brief smile. As if he liked what he saw or could read her mind and see the truth. That made her feel even more out of her league. Why on earth was she thinking something like that about a man she'd barely met. Barely knew.

At the same time, she heard a deep growl behind her. Her table partner chuckled and gave her a wink.

"I'm only holding her hand, Darryn. So do rein in your jealousy, man."

"If your thoughts had been pure, I might have believed you," Darryn said, growling again.

"You might have to get used to it," Mace said and lifted his eyes and looked at her so-called mate.

At the same time, Mace made a sound almost like a purr while he moved his thumb across her wrist again. She gasped and felt moisture start to gather in her lower body. Bringing a rush of arousal inside her. What on earth was happening?

"She's still yours, man. She'll always be mainly yours. Don't forget that," Mace said to Darryn.

What was going on here? What were they talking about? She glanced between them and saw that her mate was blushing. He turned away from her, and she wondered if he felt embarrassed by her. Did he think she was flirting with another man? She pulled her hand away and heard Mace chuckle.

"I like you, Lucy," Mace said. "I really do like you."

I'll Be Taking This

Author: Olivia T. Turner

Spring Break is for wild girls.

I really don't know why I'm here.

This is not my scene.

The excessive drinking, the half-naked bodies, the horrible decisions being made. Ugh.

I'd rather be studying.

So, when my friends throw me on stage for a wet t-shirt contest, I nearly die.

Hundreds of people are watching as the MC approaches with the water jugs to show off my jugs.

That's when I see him.

Jackson.

Charging through the crowd like a nuclear bomb about to go off.

First, I feel the possessiveness in his eyes.

Then, I feel his hands on me, grabbing me, throwing me over his shoulder, stealing me away.

Saving me.

He's the rich owner of the hotel and he's not having any of this.

It's not the wet t-shirt contest that he's against.

It's the hundreds of people watching.

He still wants me to get wet, but it will be for an audience of one.

Just me, him, a tight white shirt, and a big ole jug of water.

That's a contest I don't mind entering.

One look at Ella and this hot rich alpha will become totally obsessed! Nothing or no one is going to keep him from his girl.

Insta-love at its finest in a SAFE read with no cheating and a super sweet HEA guaranteed. Double V-cards. Enjoy!

Him

I am the monster that lurks in your nightmares.

Evil incarnate. A sociopath. A murderer.

I kill women who are guilty of nothing other than being in the wrong place at the wrong time.

Women like Lyra.

Her yellow raincoat flapped in the cool breeze when she walked by, that blonde hair making her look like a drowned rat as she stopped to taste the rain.

She wasn't like the others, but my demon wanted her.

We followed her. Watched her. Obsessed over her.

She is ours. Of that I'm certain.

We will pull her into the depths of our darkness and keep her imprisoned there.

Until we meet our end.

Lyra

I am ordinary in every way.

Average looks. Mundane job. Boring life.

But when he looks at me, I become something else entirely.

His gaze stalks and tracks me like a game of cat and mouse, his eyes licking fire over my skin every time they glance in my direction.

My thoughts are consumed by him every moment he's out of sight.

He is my obsession. I can't let him go.

And once he shows me his true form, I know I've captured him forever.

He is mine. Of that I'm certain.

I will follow him to the depths of darkness and happily submit to his madness.

Until we meet our end.
