

Charming Cinderella: A BBW & Boss Fairy Tale Valentine's Romance (My Curvy Valentine)

Author: Lana Love

One bad boy music executive + His curvy new temp admin + The Rockin' Hearts Ball = The beginning of a lifetime of beautiful music

When one of my executive assistants (now former) eloped with her boyfriend and left me high and dry, I have no choice but to bring in a temp. Little do I expect the curvy beauty I find in the copy room, humming a song that is familiar but obscure.

Abby looks at me with daggers in her eyes, but when I find out who she is, I know I have to make things right (even if it's years too late).

Every year, I take one of my assistants to the ball as my date. This year, I'm taking Abby. She seems to think I'm pulling a prank on her, but that's the last thing I'd do. I have a plan to win her over, but she might also slap me and walk out on me.

But it's a gamble I have to make. I'm famously single and have never had a reason to change....but I do now. Abby's the one and I need her in my life forever.

Charming Cinderella is a short and sizzling BBW and boss, older man young woman romance, perfect for a pick-me-up during your day or just before bed, and will have you dreaming of dancing at a Valentine's ball! Be My Dishy Doctor

Author: Kate Tilney

A curvy guest at a lodge and a dishy doctor who makes house calls find that opposites attract in the Alaskan wilderness.

Lucy

For the record, I didn't even want to come here. When my best friends suggested we take a trip for Singles Awareness Day, I was thinking of the Caribbean. But I was overruled, so now we're stuck in a cold, snowy mountain lodge.

There's no way I'm going out on the slopes and breaking my leg. I plan to spend the week curled up by the fire reading a stack of romance novels. But when I take a spill down the steps carrying that stack of books, I'm in need of a doctor.

And the dishy doctor at the lodge does not disappoint.

Jude

Usually, when I'm called to the lodge for a possible broken leg, I treat someone who took a spill down the ski slopes—not a staircase. I'm usually all business. But when I meet my latest patient, there's nothing professional about my feelings for her.

The instant connection between us is unlike anything I've ever experienced before. But what future can there be? She hates the mountains, and they're my life.

Can we find our middle ground?

My Hero: A Firefighter Curvy Woman Instalove Valentine's Day Romance

Author: Mazzy King

Can a heroic firefighter yank a love-jaded florist out of harm's way...and keep her in his arms?

Alicia

Let's be honest: Valentine's Day sucks. Hard.

Three V-Days ago, I walked in on my boyfriend of four years getting it on with his hot personal trainer.

Since then, I've focused on my floral shop business. And Valentine's Day is one of the biggest days of the year.

I'm making a delivery to a restaurant when I slip and nearly get hit by a car...but the hottest guy I've ever seen saves my life.

Unfortunately, he's the bouquet's recipient's lunch date.

Which means I'm the butt of Cupid's joke yet again.

Daniel

I'm having lunch with my sister when the most beautiful curvy woman walks up with a special delivery.

Unfortunately, she's not looking where she's going and almost gets hit by a car.

It's instinct for me to pull her out of harm's way...maybe because I do it for a living as a fireman.

I know she feels the attraction too, but one look at my sister and she runs the other way.

I can't stop thinking about her, though, and it's time to see if she might want to be my Valentine.

Married off to the Dragon: A Paranormal Romance (Dragon Valley)

Author: Kayla Wolf

This marriage is strictly business. Nothing else.

Reagan has been alone for so long that she's beginning to suspect she's allergic to love. She has plenty on her mind without romantic distractions, though. Like the dark forces that want to take her queendom by force.

Her arranged marriage to a gorgeous prince is just another way to protect her family and her kingdom, that's all. It doesn't mean anything that she wants to recklessly throw herself into his arms the minute she meets him.

And it certainly doesn't mean anything that the idea of spending the night without him feels absolutely intolerable...

Stephen, the powerful prince of a dragon kingdom, will do anything for his land and his people. Even when it comes to matters of the heart. So when he's asked to marry some dragon queen from a faraway valley he's never even met, he says yes.

It's just a business agreement, an arranged union of convenience for political purposes. There's nothing more to it.

Then why does he have to pull his one-track mind from distinctly inappropriate thoughts about her every other second?

Why is his dragon roaring in his chest to take her, to claim her as his mate once and for all?

And why does he know, without a shadow of a doubt, that he will fight like a beast to destroy anyone who harms even a hair on her beautiful head?

PLEASE NOTE: This is a fast-paced SHORT STORY about a whirlwind romance. If you don't enjoy SHORT STORIES, please don't buy this book.

This story is a prequel to the Dragon Valley series, a paranormal romance series. It is a standalone book with a satisfying HEA and intended for 18+ readers only.

Be My Burly Bartender

Author: Barbra Campbell

When the marketing manager of my bar effectively turned me into a piece of meat by having women pay to pose with me, I went along with it. Turning the profits into a charity fundraiser calendar was the way I consoled myself that I was more than eye candy.

Then Alena walked in the door and her curves were the only ones I wanted tucked against my body ever again. Could I convince her I wasn't an arrogant jerk who wanted nothing more than to feed my ego?

And even if I could, would she be able to convince her boss that my reputation was nothing more than a marketing gimmick?

If Alena had to choose between me and the upstanding role-model pretense her boss expected, I feared she'd break my heart.

Without nearly enough time, I was determined to show Alena that if she trusted me with her heart, I'd prove myself worthy to be her Burly Valentine.

Let's Kiss

Author: Barbra Campbell

"Let's kiss." A simple challenge. If she could do it without feeling a thing, I would let her go forever.

Bronwyn--

Getting roped into a photo shoot wasn't my idea of fun. The worst part was that it turned out to be nothing like I expected.

But when I met Quinton, the guy behind the camera, I was ready to do a lot more than strike a pose.

And I did.

I found myself being uncharacteristically agreeable, relaxed my poise, and fed off the carnal craving the photographer ignited in me.

But before I embarrassed myself, I snapped to my senses.

Helping people find comfort in front of the camera was his job. I'd seen the photos adorning his studio walls. He captured personalities not just likenesses.

The best thing I could do was take the advice I gave all of my employees... Believe that the world is watching, and always keep your wits about you.

Quinton--

I'd worked with all types and had a knack for getting people to open up during photo shoots. But when Bronwyn stepped in front of my camera, I felt like an amateur. I filled my camera roll with close-up shots of her, amongst the smattering of shots I was supposed to be snapping for the school's community partnership photo shoot.

She'd captivated me. Her essence was a collage of beauty, power, and femininity.

Convinced I could make her mine, I pushed for more, but when reality reinserted itself, she shot me down.

The blow struck my ego but destroyed my heart.

Certain I hadn't misread her cues, I took another look at her proofs. It was unmistakable. We had something.

If it was the last thing I ever did, I would capture a lot more than her photograph. I was going to capture her heart.

Her Headstrong Mountain Man (Strong Mountain Men of Burly Creek Book 1)

Author: Flora Madison

Strong's the name. BBWs are the weakness.

Welcome to Burly Creek, where you'll find six sibling stories that are both sweet and high-heat.

Eliana:

When my best friend from college tells me her family lodge needs a makeover I jump at the chance.
I can escape to the mountains for a bit and take in some quality girl time, a total win-win!
I didn't expect for her older brother, Salem, to reject my design suggestions entirely.
The man is so stuck in his ways.
Forget the fact that he's a muscular giant with the warmest eyes I've ever seen.
Or that when I'm around him I lose all common sense.
Salem is so traditional that I can't get him to see things from my point of view.
Losing the job is one thing, but losing the opportunity to get to know Salem better?
I think my heart would shatter.

Salem:

I wasn't planning on hiring someone to completely redo the lodge.

Yes, it needs a bit of a facelift, but I like things the way they are.

When my baby sister told me her best friend wanted to put her throw in the running for a little spruce-up, I couldn't say no.

I wasn't prepared for Eliana. The curvy goddess, with her bright eyes, and mega watt smile, completely steals my heart on the spot.

In an instant I know I have to make her mine, but I'm not ready to let go of the past in order to usher in the future.

I don't expect her to understand, I just hope I don't completely screw things up with Eliana because I'm too stubborn to compromise.

Her Headstrong Mountain Man is book one of the Strong Mountain Men of Burly Creek series, featuring a traditional brooding mountain man who'll do anything to claim the curvy woman of his dreams! While it reads as a stand alone short romance, all six books are interconnected and tell the tales of the Strong family siblings as they fall head over heels in instalove. As always, these stories are steamy but safe! There's no cheating and no cliffhanger. Just a swoon-worthy HEA to melt your heart. They're the perfect one hour short romance read for your coffee break or when you need a quick high heat escape read. Insta Love Forever!

Sweet on The Mountain Man Next Door (Sweet Sisters Bakery Book 2)

Author: Flora Madison

There's nothing more precious to me than a solid eight hours of sleep.

However, that's been impossible with my noisy neighbor running machinery at the crack of dawn.

He's insensitive. He's selfish. He's...the tallest, biggest, hottest drink of water I've ever laid eyes on.

Book 1 in the Magnolia Mountain PD series!

When a famous actress returns home to Magnolia Mountain, Jared Reeves thinks he's going to be guarding a stuck-up princess, not the girl he once knew...and had a secret crush on. He's in for a surprise when he discovers she's still a down-home girl at heart...and speaking of hearts, she still has his.

Jared>/b>

Being the chief's son is not as glamorous as it seems, but it's a role I take seriously no matter what...because I'm one of the officers he oversees.

I'm used to being asked to do grunt work, but when he comes to me with his latest request, I can hardly believe my ears.

Irena Mathison, once a small-town girl who now stars on TV, is back in town for a quiet weekend.

And I'm supposed to "keep an eye" on her.

Maybe my father doesn't know our history, how Irena stole my heart when we were in high school.

How she never gave me a second look beyond her geeky lab partner.

How I'm still in love with her.

Irena

When a scandal breaks with my name squarely—and unfairly—in the middle of it, there's only one place I can go to deal with it.

Back home to Magnolia Mountain.

Unfortunately, some paparazzi picked up my trail, and I know they're coming after me.

I need the help of local law enforcement to keep them away, and to my surprise, the quiet, smart boy I remember from high school is now the cop assigned to make sure I'm okay...and he's all grown up.

Spending time with him makes me remember what I love about being home...and how different our worlds are now.

Protecting Her is Book 1 in the MAGNOLIA MOUNTAIN PD series. My promise to you, the reader: This steamy, sweet romance contains no cheating, no cliffhangers, and has a guaranteed HEA.

Billionaire mogul Dermot Nash is like nobody else I've ever encountered. He's powerful and handsome, with a cold gaze that heats me to my very core.

But there's so much about him that's a mystery – secrets he will never reveal. And the way he makes me feel when he touches me can never make up for the fact that I've been purchased to be used as his personal plaything.

When he's done with me at the end of the month, I'll be discarded and forgotten. A disposable woman, something only the very wealthy can afford...

He can throw me away whenever he wants. And the more time I spend with him, the more I fear I'm falling for him, starting to love a man incapable of feeling

anything.

And the worst part of it all?

His secrets can't be anywhere near as bad as the one I'm keeping...

Author: Jemma Westbrook

No names. No promises.

One night neither of them can forget.

Bess was supposed to be letting loose, taking one more step away from a man she's ready to leave in her past.

But being dragged to a bar is about as far from a night of fun as Bess can imagine. She'd rather be outside, enjoying peace and isolation, instead of crouched on the sticky floor while her best friend loses her lunch.

And then abandons her.

But when a handsome stranger saves Bess from more than just a night of awkward conversation, she decides to do something bold.

Something daring.

And it will change her life forever.

****Collateral Damage is the 11,000 word prequel to Loss Recovery and will leave you hanging on the edge of your seat.****
