One bad boy music executive + His curvy new temp admin + The Rockin' Hearts Ball = The beginning of a lifetime of beautiful music

When one of my executive assistants (now former) eloped with her boyfriend and left me high and dry, I have no choice but to bring in a temp. Little do I expect the curvy beauty I find in the copy room, humming a song that is familiar but obscure.

Abby looks at me with daggers in her eyes, but when I find out who she is, I know I have to make things right (even if it's years too late).

Every year, I take one of my assistants to the ball as my date. This year, I'm taking Abby. She seems to think I'm pulling a prank on her, but that's the last thing I'd do. I have a plan to win her over, but she might also slap me and walk out on me.

But it's a gamble I have to make. I'm famously single and have never had a reason to change...but I do now. Abby's the one and I need her in my life forever.

Let's be honest: Valentine's Day sucks. Hard.

**Daniel**

I'm having lunch with my sister when the most beautiful curvy woman walks up with a special delivery.  
Unfortunately, she's not looking where she's going and almost gets hit by a car.

## **Be My Dishy Doctor**

**Author: Kate Tilney**

**A curvy guest at a lodge and a dishy doctor who makes house calls find that opposites attract in the Alaskan wilderness.**

**Lucy**

For the record, I didn't even want to come here. When my best friends suggested we take a trip for Singles Awareness Day, I was thinking of the Caribbean. But I was overruled, so now we're stuck in a cold, snowy mountain lodge.

There's no way I'm going out on the slopes and breaking my leg. I plan to spend the week curled up by the fire reading a stack of romance novels. But when I take a spill down the steps carrying that stack of books, I'm in need of a doctor.

And the dishy doctor at the lodge does not disappoint.

**Jude**

Usually, when I'm called to the lodge for a possible broken leg, I treat someone who took a spill down the ski slopes—not a staircase. I'm usually all business. But when I meet my latest patient, there's nothing professional about my feelings for her.

The instant connection between us is unlike anything I've ever experienced before. But what future can there be? She hates the mountains, and they're my life.

Can we find our middle ground?

And even if I could, would she be able to convince her boss that my reputation was nothing more than a marketing gimmick?

If Alena had to choose between me and the upstanding role-model pretense her boss expected, I feared she'd break my heart.

## Be My Private Chef: A Curvy Girl Valentine's Day Romance

#### **Author: Sadie King**

*He's a private chef hired to cater her mom's Valentine's Day party, and she's the wayward daughter he mistakes for a waitress. Will love prevail, or are family ties too strong?*

**Luke**

I'm the private chef at a posh party when I mistake Julia for a waitress. By the time I find out she's the client's daughter, it's too late. I'm already in love with her mind and her curves.

I'll never fit into her world or be accepted by her formidable mother, but love is always worth fighting for.

**Julia**

I'm a big disappointment to my mother. Too boring, too fat, and too single.

At her annual Valentine's Day party, I'd rather hang out in the kitchen than with the guests, especially when the chef is the Beyoncé-loving, butt-wiggling Luke. But my mother doesn't approve, and I'm not sure I'm strong enough to go against her.

Can I stand up to my mother, or will I let Luke, and his booty, shake their way out of my life?

Four curvy sisters open a bakery and meet their forever love mountain men.

After the sudden death of my parents, I rallied my sisters to start a bakery in a quiet mountain town.

Opening the shop has gone off without a hitch... well, except for one.

The tall, dark and handsome mountain man cop who insists on pursuing me.

It's not that I don't find him attractive. Trust me, I do.

He's built like a superhero with the greenest eyes I've ever seen, but I'm not ready.

There's too much at stake. I've seen firsthand that happily ever afters are just for fairy tales.

Love only ends in heartache.

**Nick:**

The minute I lay eyes on the curvy beauty, Carolyn Sweet, I have to make her mine.

Being a cop has its advantages. I've never had a problem getting a date... until now.

Carolyn refuses to go out with me, and I can't figure out why.

It seems she's holding onto information she's not telling me.

But lucky for both of us, I don't give up easily.

## Sweet on The Mountain Man Next Door (Sweet Sisters Bakery Book 2)

**Author: Flora Madison**

**Four curvy sisters open a bakery and meet their forever love mountain men.**

**Winona:**

There's nothing more precious to me than a solid eight hours of sleep.  
However, that's been impossible with my noisy neighbor running machinery at the crack of dawn.  
He's insensitive. He's selfish. He's...the tallest, biggest, hottest drink of water I've ever laid eyes on.  
Now that I know he's next door, it's impossible to keep him (and his hulking muscles) off my mind.

**Levi:**

My work is my life, and I don't like anyone telling me how to run my business.  
But when my curvy neighbor barges into my woodshop, I'm dumbfounded.  
Forget woodworking. My new mission? I'm going to make Winona Sweet mine all mine.  
And I will not stop until I've succeeded.

Sigh! These stories are so sweet, you should probably make a dentist appointment in advance!

## **Sweet on the Single Dad Mountain Man (Sweet Sisters Bakery Book 4)**

**Author: Flora Madison**

**Four curvy sisters open a bakery and meet their forever love mountain men.**

**Emmi:**

Being the baby of the family, I don't always feel appreciated.  
That's why I knew I had to part ways with the bakery and get a new job.  
I expected nannying to be fun. I expected nannying to be challenging.  
I did not expect nannying to bring me a man like Trent Ryan.  
The strapping, rumored billionaire CEO makes my heart race.  
But from the way he acts, it's clear he doesn't even *like* me.  
It's silly anyway. A man like him would never fall for his nanny.

**Trent:**

Emmi Sweet has my mind in a twist.  
Ever since my divorce, I've been headfirst in my work.  
Now, with her soft curves and rebellious attitude, I know what I have to do.  
I have to make Emmi Sweet mine, but is it worth the risk of getting hurt all over again?  
Not only for my sake, but for my little one's as well.

Sigh! These stories are so sweet, you should probably make a dentist appointment in advance!

## **Sweet on Doctor Mountain Man (Sweet Sisters Bakery Book 3)**

**Author: Flora Madison**

**Four curvy sisters open a bakery and meet their forever love mountain men.**

**Meg:**

My plan was always to help my sisters open the bakery and then head back to the city.

Being in Brighton Ridge has been wonderful, but my heart isn't here.  
Or so I thought...  
Once I meet the big, bearded, tattooed Dr. Davis Armstrong, all bets are off.  
The man takes my breath away.  
But being with him would mean staying here in the mountains, and that was never part of my plan.

**Davis:**

The second I lay eyes on the curvy brunette, I know I've found the woman of my dreams.  
That Meg Sweet is meant to be mine.  
Her intelligent, headstrong nature only makes me want her more.  
So, I must convince her that Brighton Ridge is where she belongs.  
In my arms, for the rest of her life.

## **Married off to the Dragon: A Paranormal Romance (Dragon Valley)**

**Author: Kayla Wolf**

**This marriage is strictly business. Nothing else.**

**Reagan** has been alone for so long that she's beginning to suspect she's allergic to love. She has plenty on her mind without romantic distractions, though. Like the dark forces that want to take her queendom by force.

Her arranged marriage to a gorgeous prince is just another way to protect her family and her kingdom, that's all. It doesn't mean anything that she wants to recklessly throw herself into his arms the minute she meets him.

And it certainly doesn't mean anything that the idea of spending the night without him feels absolutely intolerable...

**Stephen**, the powerful prince of a dragon kingdom, will do anything for his land and his people. Even when it comes to matters of the heart. So when he's asked to marry some dragon queen from a faraway valley he's never even met, he says yes.

It's just a business agreement, an arranged union of convenience for political purposes. There's nothing more to it.

Then why does he have to pull his one-track mind from distinctly inappropriate thoughts about her every other second?

Why is his dragon roaring in his chest to take her, to claim her as his mate once and for all?

And why does he know, without a shadow of a doubt, that he will fight like a beast to destroy anyone who harms even a hair on her beautiful head?

**PLEASE NOTE: This is a fast-paced SHORT STORY about a whirlwind romance. If you don't enjoy SHORT STORIES, please don't buy this book.**

**This story is a prequel to the Dragon Valley series, a paranormal romance series. It is a standalone book with a satisfying HEA and intended for 18+ readers only.**

## **Let's Kiss**

**Author: Barbra Campbell**

"Let's kiss." A simple challenge. If she could do it without feeling a thing, I would let her go forever.

Bronwyn--

Getting roped into a photo shoot wasn't my idea of fun. The worst part was that it turned out to be nothing like I expected.

But when I met Quinton, the guy behind the camera, I was ready to do a lot more than strike a pose.

And I did.

I found myself being uncharacteristically agreeable, relaxed my poise, and fed off the carnal craving the photographer ignited in me.

But before I embarrassed myself, I snapped to my senses.

Helping people find comfort in front of the camera was his job. I'd seen the photos adorning his studio walls. He captured personalities not just likenesses.

The best thing I could do was take the advice I gave all of my employees... Believe that the world is watching, and always keep your wits about you.

Quinton--

I'd worked with all types and had a knack for getting people to open up during photo shoots. But when Bronwyn stepped in front of my camera, I felt like an amateur. I filled my camera roll with close-up shots of her, amongst the smattering of shots I was supposed to be snapping for the school's community partnership photo shoot.

She'd captivated me. Her essence was a collage of beauty, power, and femininity.

Convinced I could make her mine, I pushed for more, but when reality reinserted itself, she shot me down.

The blow struck my ego but destroyed my heart.

Certain I hadn't misread her cues, I took another look at her proofs. It was unmistakable. We had something.

If it was the last thing I ever did, I would capture a lot more than her photograph. I was going to capture her heart.

## Shared Secret

### **Author: May Gordon**

We're utterly in love with another. Shh...it's a secret. One we unknowingly share, unable to confess our feelings. Of course, as a businessman of the strong and silent type, his silence makes sense. But me? I'm the very definition of an artist and should easily be able to express mine.

For the past few months, we grab coffee every day. No, not together, just around the same time, and we each assume the other doesn't notice us. However, we were both wrong and now our mutual longing is reaching the breaking point.

When the truth is revealed, will we get our happily ever after or will our respective insecurities about love and forever keep us apart?

I had to run from the darkness that lived inside of him.

Love had been insignificant; the kind we'd shared was twisted and broken.

Being close to him felt a lot like having a death wish.

I had to leave, not just for him or myself, for something bigger than the both of us.

The only problem was that I'd taken something of his with me...

Something so important that he would destroy everything in his path to find it.

The only thing I could do was hope that some secrets were meant to stay buried.

JACKSON

I had to push the light she radiated out of my life.

Love had been nonexistent in my mind; the kind she gave me was dangerous.

Being near her felt a lot like destroying everything good in the world.

I had to get rid of her, not for me but for her, I'd been destined for darkness either way.

The only thing she had going for her was that she had never betrayed me...

It was why I had let her walk away with her soul still intact.

But God help her if I ever found out otherwise.

## Pining For My Trainer

**Author: Lauren Milson**

Bridesmaid gowns.

You're supposed to order them two sizes up from your regular size.

I did not know this. Was I supposed to know this?

At least all my years in grad school have made me good at problem solving.

Five weeks to fit into this dress? No problem. Sign up for a gym. Suck it up.

I can deal with some temporary discomfort.

The burning muscles. The sweat.

What I can't deal with is my reaction to my gorgeous trainer...

He and I are like night and day.

I'm soft. He's...hard.

I'm petite and curvy. He's...big. And did I mention hard?

And downright infuriating. He's tough with me. Doesn't want to hear any excuses.

Now I'm burning up and sweating for a different reason.

I never thought a fitness freak like him would want a curvy girl like me, but his gorgeous smile and the possessive, intense way he's looking at me as I strut my

stuff on the elliptical is telling a *very* different story...

"*Pining For My Trainer*" is a short, sweet, high-heat romance.

That is until my sister's wedding, where I was forced out of my comfort zone.

Then I met him, the most blindingly handsome man I have ever set eyes on.

I am not the kind of girl to do one-night stands...

But guess what? I couldn't resist him.

The way he made me feel... so alive...

Turns out he wasn't the man I imagined he could be, so I left.

I wasn't supposed to ever see him again.

Then a year later, I did.

Was it fate causing our paths in life to cross again?

Turns out he never forgot a second of our short time together, and he wants more.

Where I Belong (Alpha Men, 5)

An Alpha Man and BBW, Steamy Sweet Romance

Kim

I fell for Rich in a picture. He is in my brother's army unit and twelve years older than me. Although I dreamed about him all the time, I never imagined that we would ever meet... and he would live up to my fantasy.

Rich

My army brother asked me to check in on his sister. I told him I would and then he gave me her picture. I fell for her just by looking at her, and I knew the minute I saw her, I was where I belong.

Note: This is a steamy, sweet, SHORT romance. It has a HEA with alpha male and a plus size woman that makes him hers! If you love short romances with insta love, hot love scenes, and a sweet story, then this one is for you.
