Author Interview

Why did you choose to write a fantasy book that heavily involves a cell phone?

Phones are a huge part of everyday life. Smart phone are these tiny pieces of massive technology we use everyday without really thinking about how astounding they are. But what if phones could be used for more than just scrolling through social media? What if an entire magical library could be hidden in your pocket? I wanted modern convenience to meet magic in a new way.

What does Bryant Adams bring to the world of wizards that readers haven't seen before?

Bryant Adams is not your standard hero. He is not the chosen one, and the world may be doomed if he's in charge of saving us all.

Bryant is a geek—the nerdy sidekick of the coolest kid in high school—who's trying really hard to survive being a wizard but is too terrified to talk to the girl of his dreams.

He's just a boy trying to get through his teen years without too much emotional damage...and then magic happens.

Who would enjoy this book?

If you like humor with a touch of snark, romance with a hint of wit, and magic that might destroy the world as we know it, Bryant Adams is the wizard for you.

A Reese Witherspoon x Hello Sunshine Book Club Pick

A *Business Insider* Defining Book of the Decade

"I can't even express how much I love this book! I didn't want this story to end!"--Reese Witherspoon

"Painfully beautiful."--*The New York Times Book Review*

For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens.

Where the Crawdads Sing is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

Rhapsodic (The Bargainer Book 1)

Author: Laura Thalassa

Callypso Lillis is a siren with a very big problem, one that stretches up her arm and far into her past. For the last seven years she's been collecting a bracelet of black beads up her wrist, magical IOUs for favors she's received. Only death or repayment will fulfill the obligations. Only then will the beads disappear.

Everyone knows that if you need a favor, you go to the Bargainer to make it happen. He's a man who can get you anything you want ... at a price. And everyone knows that sooner or later he always collects.

But for one of his clients, he's never asked for repayment. Not until now. When Callie finds the fae king of the night in her room, a grin on his lips and a twinkle in his eye, she knows things are about to change. At first it's just a chaste kiss—a single bead's worth—and a promise for more.

For the Bargainer, it's more than just a matter of rekindling an old romance. Something is happening in the Otherworld. Fae warriors are going missing one by one. Only the women are returned, each in a glass casket, a child clutched to their breast. And then there are the whispers among the slaves, whispers of an evil that's been awoken.

If the Bargainer has any hope to save his people, he'll need the help of the siren he spurned long ago. Only, his foe has a taste for exotic creatures, and Callie just happens to be one.

Matthew Caldwell is the definition of NYC's elite.

Charming.
Gorgeous.
Wealthy.
Untouchable.

That's what everyone calls him and his friends - the Untouchables. The nickname probably comes from the fact that they're ridiculously wealthy. Or maybe the name just refers to the fact that they're so beautiful it's almost hard to look at them.

No matter the reason for their nickname, it's an ironic one, because I really want to touch. I just don't know whether I want to slap him or kiss him. Because one minute he's my tormentor, and the next he acts like my savior in this new city I don't belong in.

Yeah, I'm definitely going to slap him right after he kisses me senseless. Screw you, Matthew freaking Caldwell.

You Don't Choose The Academy. The Academy Chooses You.

I had no idea how those words would change my life. Or how they'd changed my life already...

Until the day the most dangerous man I've ever met waltzed onto my farm and left us a death sentence.

In an invitation.

My younger brother has been chosen for the prestigious, secret magical school hidden within the folds of our mundane world. A place so dangerous, they don't guarantee you'll make it out alive.

If he doesn't go our entire family will be killed.

It's the same invitation my older brother received three years ago—the same place he mysteriously died.

The academy has already killed one sibling. I'll be damned if they take another.

I do the only thing an older sister can: chop off my hair, strap on two bras to flatten the girls, and take my brother's place.

Magic and monsters are real. Assassins are coming for me, and the dead are prone to rise. What's a girl faking it as a boy supposed to do? That's right—beat the academy at its own game.

Or die trying.

Author: *Elise Kova*

Perfect for fans of A Court of Thorns and Roses and Uprooted, this stand-alone, fantasy romance about a human girl and her marriage to the Elf King is impossible to put down!

The elves come for two things: war and wives. In both cases, they come for death.

Three-thousand years ago, humans were hunted by powerful races with wild magic until the treaty was formed. Now, for centuries, the elves have taken a young woman from Luella's village to be their Human Queen.

To be chosen is seen as a mark of death by the townsfolk. A mark nineteen-year-old Luella is grateful to have escaped as a girl. Instead, she's dedicated her life to studying herbology and becoming the town's only healer.

That is, until the Elf King unexpectedly arrives... for her.

Everything Luella had thought she'd known about her life, and herself, was a lie. Taken to a land filled with wild magic, Luella is forced to be the new queen to a cold yet blisteringly handsome Elf King. Once there, she learns about a dying world that only she can save.

The magical land of Midscape pulls on one corner of her heart, her home and people tug on another... but what will truly break her is a passion she never wanted.

A Deal with the Elf King is a complete, *stand-alone novel*, inspired by the tales of Hades and Persephone, as well as Beauty and the Beast, with a "happily ever after" ending. It's perfect for fantasy romance fans looking for just the right amount of steam and their next slow-burn and swoon-worthy couple.

Magic Minutes (The Time Series Book 2)

Author: Jennifer Millikin

Yesterday, I got engaged. I said yes to a man who loves me, and I love him. Happiness should shine brightly from my head to my toes.

But that's not happening.

Despite this ring on my finger, I can't stop looking back at my life, back to the boy who cast a spell on me a long time ago.

It's true, there is no love like your first.

I was eighteen when Noah Sutton stole my heart. He was destined for greatness, and I could barely scrape together enough money to help my mother pay our rent. We spent that summer pushing limits, breaking rules, and living in moments I thought would last forever.

None of that stopped us from breaking each other's hearts.

I could tell you we were too different.

That we were doomed from day one.

You would probably agree with me when I say first loves are rarely last loves.

Or, I could start at the beginning, and tell you our story.

There's just one little problem: the more I think about Noah, the more certain I become that I'm marrying the wrong man.

Oh, boy. I think this is going to get messy.

Raised among the Wardens—a race of gargoyles tasked with hunting demons and keeping humanity safe—Layla tries to fit in, but that means hiding her own dark side from those she loves the most. Especially Zayne, the swoon-worthy, incredibly gorgeous and completely off-limits Warden she's crushed on since forever.

Then she meets Roth—a tattooed, sinfully hot demon who claims to know all her secrets. Layla knows she should stay away, but she's not sure she wants to—especially when that whole no-kissing thing isn't an issue, considering Roth has no soul.

But when Layla discovers she's the reason for the violent demon uprising, trusting Roth could not only ruin her chances with Zayne...it could brand her a traitor to her family. Worse yet, it could become a one-way ticket to the end of the world.

Author: Charlie N. Holmberg

A world of enchanted injustice needs a disenchanting woman in an all-new fantasy series by the *Wall Street Journal* bestselling author of *The Paper Magician*.

The orphaned Elsie Camden learned as a girl that there were two kinds of wizards in the world: those who pay for the power to cast spells and those, like her, born with the ability to break them. But as an unlicensed magic user, her gift is a crime. Commissioned by an underground group known as the Cows, Elsie uses her spellbreaking to push back against the aristocrats and help the common man. She always did love the tale of Robin Hood.

She'll help Bacchus fix unruly spells around his estate if he doesn't turn her in. Working together, Elsie's trust in—and fondness for—the handsome stranger grows. So does her trepidation about the rise in the murders of wizards and the theft of the spellbooks their bodies leave behind.

For a rogue spellbreaker like Elsie, there's so much to learn about her powers, her family, the intriguing Bacchus, and the untold dangers shadowing every step of a journey she's destined to complete. But will she uncover the mystery before it's too late to save everything she loves?

Nuclear Winter First Strike: Post Apocalyptic Survival Thriller (Nuclear Winter Series Book 1)

Author: Bobby Akart

**Nuclear war may kill millions.
Nuclear Winter will kill billions.**

International bestselling author, Bobby Akart, one of America's favorite storytellers, delivers up-all-night thrillers to readers in 245 countries and territories worldwide.

"Love the intensity of his stories, his thorough research, his creativity, the characterizations and the abundant action and realistic locations."

Every war begins with a first shot. The shot heard 'round the world at Lexington and Concord in 1775 birthed a nation. Less than a century later, cannons firing on Fort Sumter, South Carolina thrust that same nation into a civil war. The assassination of an obscure archduke sparked a chain of events leading to World War I. The dastardly bombing of Pearl Harbor led America into the Second World War.

"Bobby Akart is the master of nail biting, edge of your seat fiction based on fact."

Akart's new novel, Nuclear Winter First Strike, depicts a world on the edge of nuclear Armageddon. Will history repeat itself as warring nations take their battles to the highest level of destruction? Can America avoid being drawn into these conflicts beyond her borders?

Nuclear Armageddon hangs over us like a mighty sword and ordinary Americans will be caught in the crosshairs.

"From the first word read to the last page turned, I knew Bobby Akart had a brilliant, engaging, horrifying tale to be told."

This is more than the story of nuclear conflict. It's about the devastating effects wrought by Nuclear Winter. Our possible future is seen through the eyes of the Albright family whose roots stretch back to the early settlement of the Florida Keys.

Hank Albright, a widower and proprietor of the Driftwood Key Inn, is the epitome of the laid-back islander inhabiting the Keys. His brother, Mike, is a homicide detective for the Monroe County Sheriff's department. Along with his wife Jessica, a paramedic and member of the Sheriff's department water emergency team, they become involved in the investigation of a sadistic serial killer.

Hank's son, Peter Albright, is a Washington, DC reporter covering the State Department. He's unknowingly thrust into the middle of the conflict in the Middle East. Upon his return home, he begins to unravel a conspiracy leading to an unexpected dynamic between the President, the Secretary of State, and North Korea.

As the drumbeats of war beat louder, Hank's oldest child, Lacey McDowell, begins to sense the warning signs. Along with her husband, Owen, and teenage son, Tucker, she begins to prepare for a hasty exit from their San Francisco Bay Area home.

"Believable and relatable characters are developed in such a spell-binding way that you must keep turning the pages."

Will America become embroiled in the nuclear conflict? Will the President cross the Rubicon, that point of no return after which lives and cities may be destroyed? For the Albrights, like their fellow Americans, their lives are about to change forever.

It was not our fight, but it became our problem.

"You are there. Feeling what they feel. Anger, joy, love, mourning. You feel it all. Not everyone can write a book like this. It takes a special writer to make you feel a book."

Bobby Akart has delivered intense, up-all-night thrillers that have you whispering just one more chapter until the end.

The Miracle & Tragedy of the Dionne Quintuplets

Author: *Sarah Miller*

In this riveting, beyond-belief true story from the author of *The Borden Murders*, meet the five children who captivated the entire world.

When the Dionne Quintuplets were born on May 28, 1934, weighing a grand total of just over 13 pounds, no one expected them to live so much as an hour. Overnight, Yvonne, Annette, Cécile, Émilie, and Marie Dionne mesmerized the globe, defying medical history with every breath they took. In an effort to protect them from hucksters and showmen, the Ontario government took custody of the five identical babies, sequestering them in a private, custom-built hospital across the road from their family--and then, in a stunning act of hypocrisy, proceeded to exploit them for the next nine years. The Dionne Quintuplets became a more popular attraction than Niagara Falls, ogled through one-way screens by sightseers as they splashed in their wading pool at the center of a tourist hotspot known as Quintland. Here, Sarah Miller reconstructs their unprecedented upbringing with fresh depth and subtlety, bringing to new light their resilience and the indelible bond of their unique sisterhood.

THE VOW

I had my chance to run from these **brutal boys** and I didn't take it. The bonds between us are too strong now. Bonds of blood, oaths, betrayal and vengeance. And I intend to make good on all of them. I've made my list. And I won't stop until each and every one of their crimes has been paid for.

Divide and conquer. We're going to tear them apart from the inside out. I won't quit until I've had my pound of flesh and then some. These broken boys paint themselves up as kings and stand themselves on a pedestal above everybody else. But that only means they've got further to fall. And they're going to fall hard.

I know their strength now, but I've learned their weaknesses too. And I might just be becoming their greatest one. My father taught me how to **survive**, and it's time to use everything I know about predators to lure them into my own trap.

Lies, betrayal, seduction. I'll use every weapon at my disposal to bring them to their knees and once I'm done with them, they won't own me.

I'll own them.

Rule #1: You Can't Date the Coach's Daughter: A Standalone Sweet High School Romance (The Rules of Love)

Author: Anne-Marie Meyer

If only my heart understood the rules, I wouldn't have fallen for Tyson Blake. Stupid heart.

There are two types of people in high school: the ones that you can date and the ones you can't. Unfortunately for me, I'm the latter. Even though I'm around hot football players every afternoon, they are not allowed to date me. If they even come close to flirting, my dad, Coach "The Boss" Davis, makes them run laps around the field until they puke.

Nothing scares off a boy more than the threat of physical pain.

Not only has he forbidden me to date anyone at all, he's even made me the football team's water girl so that he can keep tabs on me. Apparently, over protective dad is a fabulous guy deterrent. Outdoor shops should find a way to bottle it and sell it. They'd make a killing.

What Dad doesn't know is that I spend every last second of those two blissful hours of practice in the scorching California heat, staring at Tyson Blake. He is the epitome of perfection in a six-foot-two, incredibly toned, smells-good-even-when-he-sweats, senior body. And when he smiles, angels sing. Literally.

And Dad hates him.

It feels a bit cliché to say I fell for the one guy that would send Dad's already high blood pressure over the top. But it's true. There's something about Tyson. Something he's trying to hide. But I can see through his cocky persona and I know there's something more.

Some rules are meant to be broken.

If you love forbidden love and stolen first kisses, you'll love Rule #1: You Can't Date the Coach's Daughter.

Winter lasts most of the year at the edge of the Russian wilderness, and in the long nights, Vasilisa and her siblings love to gather by the fire to listen to their nurse's fairy tales. Then Vasya's widowed father brings home a new wife from Moscow. Fiercely devout, Vasya's stepmother forbids her family from honoring their household spirits, but Vasya fears what this may bring. And indeed, misfortune begins to stalk the village.

But Vasya's stepmother only grows harsher, determined to remake the village to her liking and to groom her rebellious stepdaughter for marriage or a convent. As

the village's defenses weaken and evil from the forest creeps nearer, Vasilisa must call upon dangerous gifts she has long concealed—to protect her family from a threat sprung to life from her nurse's most frightening tales.

Author: Nicholas Sparks

From the author of *The Longest Ride* and *The Return* comes a novel about the enduring legacy of first love, and the decisions that haunt us forever.

1996 was the year that changed everything for Maggie Dawes. Sent away at sixteen to live with an aunt she barely knew in Ocracoke, a remote village on North Carolina's Outer Banks, she could think only of the friends and family she left behind . . . until she met Bryce Trickett, one of the few teenagers on the island. Handsome, genuine, and newly admitted to West Point, Bryce showed her how much there was to love about the wind-swept beach town—and introduced her to photography, a passion that would define the rest of her life.

By 2019, Maggie is a renowned travel photographer. She splits her time between running a successful gallery in New York and photographing remote locations around the world. But this year she is unexpectedly grounded over Christmas, struggling to come to terms with a sobering medical diagnosis. Increasingly dependent on a young assistant, she finds herself becoming close to him.

As they count down the last days of the season together, she begins to tell him the story of another Christmas, decades earlier—and the love that set her on a course she never could have imagined.

Our Chemical Hearts

Author: Krystal Sutherland

John Green meets Rainbow Rowell in this irresistible story of first love, broken hearts, and the golden seams that put them back together again.

Henry Page has never been in love. He fancies himself a hopeless romantic, but the slo-mo, heart palpitating, can't-eat-can't-sleep kind of love that he's been hoping for just hasn't been in the cards for him—at least not yet. Instead, he's been happy to focus on his grades, on getting into a semi-decent college and finally becoming editor of his school newspaper. Then Grace Town walks into his first period class on the third Tuesday of senior year and he knows everything's about to change.

Grace isn't who Henry pictured as his dream girl—she walks with a cane, wears oversized boys' clothes, and rarely seems to shower. But when Grace and Henry are both chosen to edit the school paper, he quickly finds himself falling for her. It's obvious there's something broken about Grace, but it seems to make her even more beautiful to Henry, and he wants nothing more than to help her put the pieces back together again. And yet, this isn't your average story of boy meets girl. Krystal Sutherland's brilliant debut is equal parts wit and heartbreak, a potent reminder of the bittersweet bliss that is first love.

Nuclear Winter Armageddon: Post Apocalyptic Survival Thriller (Nuclear Winter Series Book 2)

Author: Bobby Akart

**For decades, Nuclear Armageddon hanged over us like a mighty sword.
Some said it would be the war to end all wars.
They were wrong. The real battle against extinction was just beginning.**

International bestselling author, Bobby Akart, one of America's favorite storytellers, delivers up-all-night thrillers to readers in 245 countries and territories

worldwide.

"Masterful and suspenseful!"

This is how the world ends. Not with a bang, but with many nuclear bombs detonated around the planet. It was no longer a topic of conversation around the dinner table as in years past.

Nobody was prepared, including the world's governments. Yet the threat was always real and the devastation was predictable.

"Bobby's uncanny ability to take a topic of what could happen and write an epic story about it is short of preternatural!"

The damage was incalculable. Millions died at the points of impact. Nuclear Winter spread across the globe. A rapidly cooling climate shocked humanity and all living things ... to their death.

Akart's new Nuclear Winter series depicts a world on the edge of nuclear Armageddon. Nuclear Armageddon became reality and ordinary Americans are paying the price.

"I never would have believed that Mr. Akart could outdo himself! Well, he has! This series is quite possibly the best he has ever written."

This is more than the story of nuclear conflict. It's about the devastating effects wrought by Nuclear Winter. Our possible future is seen through the eyes of the Albright family whose roots stretch back to the early settlement of the Florida Keys.

While they fight for survival, they trek across a rapidly deteriorating landscape wrought with danger from both the elements and their fellow man.

It was not our fight, but it became our problem.

"I am speechless. By far the most edge of your seat, acrylic nail biting book ever. E V E R."

Bobby Akart has delivered intense, up-all-night thrillers that have you whispering just one more chapter until the end.

Midnight King (Shifter Island Book 3)

Author: *Leia Stone*

After a vicious battle for the crown, I'm now Alpha King. My brothers are safe, as is my mother, but my fated mate Nai Crescent is... Gone.

In the middle of my coronation ceremony she disappears.

All signs point to a kidnapping, but the High Mage Realm is off limits for my kind.

I'll be damned before I let anyone take her from me.

Unfortunately, Nai's abduction isn't my only problem.

Between the outcast shifters, the lower class mages, and strange deaths in Dark Row, I struggle under the weight of royal responsibilities.

The longer I rule, the more I discover how dirty the high mages are playing... and how desperate they are for power.

And I start to wonder if Nai was abducted, or if she left of her own free will.

Was fate wrong about us?

Told from Courage "Rage" Midnight's POV, this fast-paced novella gives exclusive insight into the new Alpha King's heart and mind after Nai's disappearance.

Throne of Glass (Throne of Glass series Book 1)

Author: *Sarah J. Maas*

After serving out a year of hard labor in the salt mines of Endovier for her crimes, 18-year-old assassin Celaena Sardothien is dragged before the Crown Prince. Prince Dorian offers her her freedom on one condition: she must act as his champion in a competition to find a new royal assassin.

Her opponents are men-thieves and assassins and warriors from across the empire, each sponsored by a member of the king's council. If she beats her

opponents in a series of eliminations, she'll serve the kingdom for three years and then be granted her freedom.

Celaena finds her training sessions with the captain of the guard, Westfall, challenging and exhilarating. But she's bored stiff by court life. Things get a little more interesting when the prince starts to show interest in her... but it's the gruff Captain Westfall who seems to understand her best.

Then one of the other contestants turns up dead... quickly followed by another. Can Celaena figure out who the killer is before she becomes a victim? As the young assassin investigates, her search leads her to discover a greater destiny than she could possibly have imagined.
