Broken and Screwed (The BS Series Book 1)

Author: *Tijan*

Alexandra's older brother died the night he graduated. That day changed everything for her. No longer was she the party girl. No longer did she care about being popular and no longer was her family the happy unit she always thought existed. The only person who could help her heal is the same person who loved her brother as much as she did, his best friend. She only hopes to keep her entire heart from breaking when Jesse will move on, and she knows he will. After Ethan died, Jesse excelled at basketball, partying, and girls. He used it all to turn his emotions off, but the irony was that Alex was the only person who could do that for him. She helped him forget, but she was the one person he shouldn't be with because the secrets he knows could shatter everything. They could shatter her.

This is part one, so expect a cliffhanger for an ending.

Royce's Fate (The Virgin Surrogates)

Author: *Annelise Reynolds*

Sometimes fate steps in...

Royce

I'd asked for certain things from my surrogate. Beauty and brains. The higher her education, the better. I was willing to pay extra for them to find someone with those qualifications, but the clinic messed it up.

She's barely out of high school, and from her grades, it's clear she's not anything like what I requested. However, she's everything I never thought I'd find. The woman needs a 'Daddy', even if she doesn't know it yet.

Narina

I wasn't what he wanted. What else is new? I'm used to being a disappointment to people, but for some reason, it hurt more coming from the man who's baby I'm carrying. I might not be a genius, but I've got a good heart. That should count for something, right?

Thanks to a mix up at the clinic, I've got the world's grumpiest billionaire's baby growing in me, and now he wants me to call him Daddy. I shouldn't, but I want to.

**This is a short, hot, and sweet DD/LG story that will melt your kindle.

Her Primal Mate (Badlands Territory, 1)

Author: *Jenika Snow*

He was mine.

I was his.

There is no denying it, my primal polar bear shifter who was linked to be my fate, destiny, the very laws of our kind.

Fated mates.

That's what it was called, that one person who was meant to solely be yours.

I just hadn't known who my fated mate was until he came into my life like a storm ready to destroy everyone and everything in his path.

When Kasias Stone walked into the bar I worked at and our gazes clashed, I swore the ground opened up. Every part of my body came alive for the first time. My mating heat kicked into overdrive, and all I could think about was needing that male to take me to his bed and ease the desperation.

He was the biggest, strongest male I'd ever seen, his height towering, his muscles severe. He made even the strongest shifters look weak. I didn't even hesitate when he all but threw me over his shoulder and said he'd ease me, that he'd make sure I was sated, that I wouldn't walk straight the next day.

I also knew once I gave myself over to him, there would be no going back. He'd never let me go.

*Welcome to the Badlands Territory ... where it's so bad it's good. Eight of your favorite romance authors have joined forces to bring you a sexy world full of possessive, growly alpha shifters. All standalone, all addicting, and all filled with those over-the-top heroes we love. Each short and steamy story promises a happily-ever-after, with plenty of bites and growls to satisfy all of your cravings!

Disclaimer: This is Fiction. It is Over the top, Instalove, erotica. This is in no way meant to be, medically accurate, ethical, or logically written. This is hot, ridiculous, fiction. Kalera
How did I end up here? Here, staring at the most gorgeous man I have ever seen, sitting in his car as his eyes do exciting things to my body, making me feel dirty in the best way possible. How did I end up pregnant by this stranger, who tells me, I am going to be his? The bigger question is...why do I want it too? I have always had only one dream. But now, I think I have a different one...to be his.

Stefano
My legacy was the end game. Having someone to pass my empire to, when my time was up. For that, I needed a baby, but not a wife. Surrogacy was the only option I was willing to entertain until I saw her leaving the clinic. The moment her peach-scented innocence walked past me, all bets are off. My mission is clear, she is going to carry my baby and I am going to make her mine. This innocent little peach doesn't know it yet, but she is going to be my baby girl, while she carries my son. I didn't want a wife, but f*** if I am going to let her go.

Boss Daddy: Naughty Daddies Series

Author: Jayda Marx

Vincenzo (Vinny) - I always get what I want. I've run the streets all my life, starting with nickel and dime operations before working my way up to leading the most successful crime syndicate (it sounds classier than 'mob') in the city. I'm in charge. I make the rules, and I never ask permission. I'm used to dealing with bastards as greedy and impatient as I am, so I'm thrown for a loop when a pure, kind-hearted, beautiful young man comes to me for help; he's acquired many debts and is in need of a loan. I'm drawn to his sapphire eyes and nervous demeanor, and once I hear his story, I insist on helping him. Though it's unlike me, I even offer him two options for repayment; he can work for me, or he can belong to me. I'd require his total submission, and in return, I could give him anything his heart desires. All he has to do is ask Daddy with those pretty lips of his, and I'll be putty in his hands.

Lucas - Life has been one struggle after another. In the past few weeks, I've lost everyone I loved and everything I owned, and have gotten tied up with a dangerous gang in the process. With my life on the line and no options left, a chance meeting leads me to a man named Vincenzo. I worry about involving myself with yet another malevolent group until I meet Vincenzo and see that the gorgeous older man is different. He listens to me and helps me, and looks at me like no one else has; with desire in his eyes. He makes those desires clear when he gives me the option of becoming his boy, and a deadline for my answer. Events in my life have always pushed sex and dating to the back burner, and I have no experience with men. I worry that I'm not good enough for Vincenzo, but I can't pass up the chance for pleasure and guidance from an experienced hand. I choose Daddy, and begin a life of luxury, passion and danger.

****This series features Daddy kink (no age play) between naughty Daddies who find themselves (or live!) on the wrong side of the law, and their sweet, virginal boys who come to the rescue. These books may be a little grittier than most of my titles, but they're still low angst, insta-love, full of sweetness, and follow relationships on the fast track. They're also packed with scenes so hot, they'll make you sit up and say, "Yes, Daddy!" They are each a standalone story and can be read in any order.

Care: Book One

Author: A. Marie

"The Caregiver and the Mob Boss" ☺

Avelina makes her money by taking care of those who can't take care of themselves. When she is handed a case about a man who had needed a personal caregiver, she accepts. One thing Avelina never anticipated was the dangerous lifestyle he lived. Not only that, but she didn't expect him to be so charming.

Adrik Zolotov, the Russian mobster that everyone called "Mad Hatter". His insanity and crave for blood left him the most feared man of all. All he wanted was power and those around him to fear him. For a man recently diagnosed with Autism Spectrum Disorder, everyone believed him to be emotionally incapable of ever loving anyone. . . Imagine their surprise when he meets Avelina.

☺
"Mr. Zolotov, I have to make sure you bathe before I leave. It's apart of my jobs protocol," she said softly. The truth was that he made her feel nervous. There was so much coldness and evil in his eyes, it left a chill to run down her spine.

"Fine," he stated before walking over to his bathtub. Her eyes followed his movements as he pulled off his shirt causing her to lick her lips and quickly look away. She could hear the sound of more clothes falling onto the ground until the sound of water running littered her eardrums.

"You assist when asked, isn't that right?" He asked. Slowly, she opened her eyes to see that he had already gotten into the shower.

"Yes," Avelina answered.

"Bathe me."

Blade

There's a fine line between love and hate. Blade came into my life like a wrecking ball. Tearing down my walls and rocking my world. Then I found out he was a member of Outlaw Souls. That was a problem, since my loyalty was to their enemy, Las Balas. My connection to them was one of blood, through my father and brother. I couldn't turn my back on that, no matter how much I wanted Blade.

Diego

I wanted a clean slate. La Playa carried too many painful secrets of my past. What was a bad boy rider like me doing with a hot Latino doctor to be? All I know is we were like two moths to one another's flame. But an Outlaw gang member can't be caught in a secret love affair can he?

Colt

A bad boy cowboy isn't what I was looking for. But there's deeper layers to Colt Winters that I yearn to know. He's an Outlaw with a troubled existence. With a dead girlfriend, five year jail sentence and a baby girl waiting for him. Colt Winters isn't exactly the type you take home to Mama. But... my brother's in trouble and he's just the man to help. In my world I save people like Colt from themselves, I fight for justice in an unjust system. Maybe this cowboy has a lot more to offer me than first meets the eye. Can we get past all the obstacles long enough to make it work?

The Virgin and the Beast: a Dark Beauty and the Beast Tale (Stud Ranch Standalone Book 1)

Author: Stasia Black

They say good things come to those who wait.

Bullsh*t%!

My whole life has been about waiting. Playing it safe. Be the good girl, don't color outside the lines. Put in the hard work trying to prove myself to Dad, then to my college professors, then to my boss at New World Media. Just waiting for the day when it will all pay off.

And right when it was all starting to—I finally had the house, the job, I was even thinking about getting a cat—boom!—my life explodes and suddenly now I'm here and—

"All done," the doctor interrupts my thoughts, pulling off her gloves with a loud snap.

Even from the bed where I'm lying, my legs spread like the Thanksgiving turkey, I can hear the impatient growl of the man standing in the doorway. If you can even call him a man. More like a beast out of a friggin' fairytale. "Well?"

Her pronouncement echoes throughout the room while the speculum is still inside me. "She's a virgin."

Intended for mature audience. Steamy romance with dark themes.

INTERVIEW WITH THE AUTHOR:

Q – Where did you get the idea for this book?

A – Who doesn't love a Beauty and the Beast story? I've been in love with this fairytale since I was a kid and read all sorts of different variations on it. Now that I'm grown up, well, I couldn't help but imagining some darker twists and turns the story could take. A tortured hero, kidnap, and a girl falling for her captor—hello, this is the stuff dark romance is made of!

Q – Why should I read this book?

A – I write the kind of books I love to read, which is dark romantic erotica. I want stories that steam things up in the bedroom but not if those scenes don't go hand in hand with three-dimensional characters, can't-stop-flipping-the-pages suspense, and quality writing. I like alpha males, (doesn't hurt if they happen to be billionaires)!, bad boys, BDSM, contemporary, urban settings, and fiction where women can be strong while also exploring all sides of their sexuality. My favorite books are ones that dare to go into the darkest and most taboo places in the human psychological experience, leaving you wrung out on the other end.

The Haunted Vagina

Author: Carlton Mellick III

It's difficult to love a woman whose vagina is a gateway to the world of the dead...

Steve is madly in love with his eccentric girlfriend, Stacy. Unfortunately, their sex life has been suffering as of late, because Steve is worried about the odd noises that have been coming from Stacy's pubic region. She says that her vagina is haunted. She doesn't think it's that big of a deal. Steve, on the other hand, completely disagrees.

When a living corpse climbs out of her during an awkward night of sex, Stacy learns that her vagina is actually a doorway to another world. She persuades Steve to climb inside of her to explore this strange new place. But once inside, Steve finds it difficult to return... especially once he meets an oddly attractive woman named Fig, who lives within the lonely haunted world between Stacy's legs.

Pretty Lies (Watch Me Burn Book 1)

Author: R.E. Bond

My dad's an asshole. Plain and simple.
He's made it obvious that I can only ever rely on myself.
Until I meet them.

Caden, Tyler, Jensen, and Lukas.
My new stepbrother and his best friends have suddenly become my everything.
Until they aren't.

They think they can break me, but they're dead wrong.
They wouldn't have bet on me having someone else on my side, or in my bed.
These rich boys haven't seen anything yet.

Their pretty lies are nothing compared to what's coming though, and I'm going to need them to anchor me when I finally break.

Death is coming to those who deserve it, and I don't care if I lose myself in the process.
Did I mention the local street crew being on my side?
No one will ever see me coming.

My name's Rory Donovan, and I'm about to paint the walls red.

*Pretty Lies is a 75k word dark romance reverse harem novel. This is the first book in the series and it must be read in order. The first four books are Rory's, and the harem grows over those books, so other guys will be added as the story goes. It contains abuse and rape content, and the series will have m/m. If you are triggered by sensitive content, this series is not for you.

Her Mafia Daddy: A Dark Romance (Romano Mafia Brothers Book 1)

Author: *Bianca Cole*

He has taken me captive, and I can't stop fantasizing about him tying me to his bed.

Kane Romano is the most handsome, powerful man I've ever met. He's also the man holding me captive.

My asshole of a step-dad found himself on the wrong side of the mafia, and then offered me up in exchange for his life. How does he have the right? I'm eighteen years old, and my step-dad doesn't own me.

The problem is, Kane Romano agrees. Everyone knows you don't fight with a Romano, unless you want to end up in an unmarked grave.

I should be scared, but every time I look into those dark eyes, I feel safe and protected. When we're alone he's a gentleman, but around anyone else he turns quiet and cold.

There's a thrill being here with him. Even though I've never been with a man, I find myself wanting him—a man who is more than twice my age and claims he owns me now.

When he asks me to call him daddy, I know I won't be able to refuse him...

Her Mafia Daddy is the first in the Romano Mafia Brothers series. It's a safe story with no cliffhangers, a HEA and no cheating. This story has hot scenes, some dark themes, and bad language. Like most of the books by Bianca Cole it features an over the top possessive alpha male.

Lunchtime Chronicles: My, My Sweet Potato Pie

Author: Sonja B.

Sweet, Smooth, and Sinful

Bianca Moore

After going through a bitter divorce that left me broken and angry at the world, I needed a fresh start. On a whim, I took the advice of my best friend, Tangy, and moved to the small country town of Leesbough, where she resides. The townspeople welcome me with their southern hospitality, which I wasn't used to. I instantly fell in love with my new home and community. The only thing that was a mystery, was my elusive neighbor, Andrew Peterson, who lived down the dirt road from me. Tangy and others warned me not to interact with him because he's known as the town recluse. However, when that handsome mountain of a man with a scruffy beard and long hair showed up on my doorstep holding a sweet potato pie, all of their warnings went out the window.

Andrew Peterson

Yeah, I've been watching my sexy new neighbor since the day she moved in. I'm not a Peeping Tom! When she wears those short shorts and tank tops to tend to her garden, I'd be crazy to look away. I catch her staring in the direction of my place, but she can't see me as I admire her from afar. I know the folks in town have told her to steer clear of me, and she should. When I caught a glimpse of her crying on her front porch, I wanted to do something to take the tears away. They say the way to a man's heart is through his stomach, but I say the way to a woman's, is with my sweet potato pie.

I was drawn to this small Montana town from across the country.
But trouble was drawn to me as soon as I stepped into Blackcloud Point.
Luckily, one of the rugged locals stepped up to protect me.
When I saw Cameron Bowen I just knew.
Maybe it was the territorial way he looked at me.
Or, his possessive touch.
It could have been his obsessive need to protect and keep me safe.
Or, the way he kept calling me *his*.
But between you and me, it was probably the fact that this beautiful dominant bear shifter gets naked at the drop of a paw.
He's a true alpha. Growly, and demanding, and obsessive, and so irresistible.

Obsessed

Author: Jenika Snow

I knew he watched me. I saw it. I felt it.

Oli was dangerous, an illegal underground fighter who was brutal and powerful. I'd never met a man more... male than him.

He said he'd always be in my life. He said he'd always care for me. I felt that way too. But I loved him. So much that I knew there'd be no other guy for me.

And tonight was the night. He'd know how I felt, know what I wanted.

The things he made me feel... they were obscene, filthy. They made me burn alive.

And when he told me he wanted me, only me, that he was obsessed with the very thought of me, I knew there was no going back. Oli was bigger than life.

The way he looked at me made me feel like I was the only thing that would sate the very primal, male part of him.

And so here I was, watching him fight, seeing him destroy the competition as if it meant nothing at all, knowing after tonight I'd be his in every way.

Every. Way.

Royal Savage (Savage & Ink Book 1)

Author: Victoria Ashley

ROYAL SAVAGE

I CAN'T CLOSE MY EYES... I refuse to. Every time I do, all I see is blood, death, and pain. I can feel it - almost taste it, bringing me back to that night.

It doesn't matter that I'm still breathing; I no longer need it, I no longer want it. I despise it along with everything else around me.

The only thing I long for is to fu@king fade away. I've given up. Until her at least...

AVALON.

She comes into my world, knocking me on my a@s.

It turns me on to have her around me. Makes me want to wrap my hand around her tight little throat and fu@k her until she feels my pain, feels the monster in me, but also makes me want to protect her from the very thing that she should be afraid of... me.

Once she sees the damage that I'm capable of; she'll look at me like everyone else around me does: with fear.

AVALON KNIGHT

HIS EYES... THE DARKNESS IN them draws me to him, making me want to taste him, feel him... and save him. I shouldn't have gotten on the back of his motorcycle that day. I know that now. Colton warned me. I was told it was dangerous. I was told that nothing would be the same. He was right.

ROYAL is dangerous, dark, and seductive; the very thing that keeps me hanging on, willing to give my last breath just to touch him... breathe him in.

He's savage, inked, and highly captivating. So different from his brother...

He's hazardous to my health, mind, and body, yet the only thing that I crave. I want to free him. I want to change his mind, but I'm afraid that he's already too faded...

The Devil's Bride (The Underground Rulers Book 1)

Author: Key Kirita

He leaned down, taking my chin in his hand, forcing me to look up into his blood-red eyes. His fangs were showing, dripping with the blood of my boyfriend who lay on the ground, lifeless.

"You are mine, Bast. You'd do well to remember that." He purred, as he licked the blood off his lips. "No other man make take your innocence, but me." he said, looking down at my nearly naked form, the lust in his eyes making me squirm.

"Yes, Damien." I whispered in response, covering myself in the sheet, and looking over at the body of Jacob with a whimper.

My name is Bast, I'm seventeen years old, soon to be eighteen. When I was twelve, my parents sold me to the devil. On my eighteenth birthday, he will come back for me.

There was *something* there.

Something that's got me curious.

Something that's stirring up feelings I thought I'd left behind for good.

Something that's making me think I'm not as straight as I thought I was.

I can't get him off of my mind.

I don't think I want to.

It's innocent.

Probably. Maybe.

The Berserker Saga: A Werewolf Warrior Romance Boxset (Berserker Romance Saga Book 1)

Author: Lee Savino

Over 500,000 copies sold...

I'll never forget the first time I saw them, warriors moving like shadows from the trees. Their eyes seemed to glow with a fierce golden light, moving more like beasts than men. I trembled, every hair on my flesh prickled in the age old response of the hunted. They were predators and I was prey.

They entered the clearing and brought with them the smell of blood. Clad in furs and leather, bristling with weapons, they were warriors the likes of which I'd never seen. Huge, hulking forms, dark shapes pricked with glowing pairs of eyes.

I could not face them properly, for I was bound to a tree, in the middle of a wilderness, helpless as I waited to be sold to the Berserkers.

Part warrior, part wolf, the Berserkers must find their true mates to break the witch's curse.

Read the first five books in the Berserker Saga in one volume:

Sold to the Berserkers

Mated to the Berserkers

Forbidden Flowers: More Women's Sexual Fantasies

Author: Nancy Friday

A collection of women's intimate erotic thoughts by the #1 *New York Times*–bestselling author of *The Secret Garden* and “liberator of the female libido” (*Newsday*).

The publication of the groundbreaking expose on women's sexual fantasies, *My Secret Garden*, ushered in a revolution in women's sexual freedom of expression. In *Forbidden Flowers*, Nancy Friday reveals even more erotic, wild, and explicit fantasies expressed by women all over the world, from all ethnic and socioeconomic backgrounds.

Like *My Secret Garden* before it, *Forbidden Flowers* is a celebration of the depth, potency, and imaginative breadth of women's inner erotic lives. By giving female readers a glimpse into the ordinary and often extraordinary fantasies of other women, it offers to some an exhilarating freedom from the guilt and shame so often associated with sexual fantasy—and to others, provides fascinating insight into the psychology of female sexual response.

“The author whose books about gender politics helped redefine American women's sexuality.” —*The New York Times*

Sugar Daddies

Author: Jade West

A sugar daddy website doesn't seem a sound basis for an A1 life plan, but I'm a small town girl with big dreams, and there's this one advert, this one crazy advert I can't stop thinking about...

Two hot guys seeking their Little Miss Right.
Someone who can entertain them, amuse them, fit in with their corporate schedule.
And sex. They want sex.
Lots of sex.
Bonus, right? One major dose of epic win.

Of course, guys like Carl and Rick have their conditions. One being that they come together, or not at all.
Hell, I can live with that.

And there are no skeletons in their designer closet, none that I can find.
Just two hot sugar daddies, with particular tastes, nothing to worry about.

Until Carl and Rick spill the big one, the one that sends the girls running. A whole string of them before me, running to the hills without so much as a backward glance.

Maybe I should run, too. Thanks but no thanks, see you around, guys, nice knowing you.
But I'm already in way too deep for that.

Warning – as with every other Jade West book, reader discretion is highly advised. This novel contains vivid depictions of MMF / MM relationships, and Jade's characters, as always, have very filthy mouths. Mature readers only, please.

Snatch: Cerberus MC Book 5

Author: Marie James

I've always been a connoisseur of the opposite sex. Tall, short, thin, thick and juicy, my tastes knew no limitations.

That became abundantly clear the night my best friend took me in his mouth.

Sure, there'd been close calls before, the slip of a hand or misplaced lips. With our propensity to share women, it was bound to happen.

That fateful night, I was met with pure intention and an experience I never want to forget.

Falling for a friend has never been so complicated.

HUGE X2: A Twin Stepbrother MFM Menage Romance (HUGE Series)

Author: Stephanie Brother

There are rumors going around about my twin stepbrothers. HUGE rumors.

I try to ignore gossip, but it's easier said than done when it involves **crazy sex stuff** and verified reports about the **size of things** that a stepsister should know nothing about.

Ethan and Nathan are the identically gorgeous hunks of man flesh that have just moved into my house. I could barely look at them before the rumors, with their ridiculously twinkly blue eyes, and smiles that turn me into a mindless puddle of goo.

We're supposed to be family and I'm trying my hardest to be a welcoming stepsister. But then I overhear them talking about things I am definitely not supposed to know, and suddenly I realize I'm in double trouble.

HUGE X2 is the story of a girl's realization that the best things in life come in extra-large, twin packs. HEA guaranteed!

Sparks fly when the two enter a fiery battle of wills as Aria learns she is more than just a witch in the Hecate bloodline; she is much, much more.

Will Aria embrace her savage side to find her sister and save her family, or will she burn to ashes from his heated kisses and burning hot embrace?

Knox has ulterior motives for being in Haven Falls and never expected the little witch to show up and brazenly challenge his rule.

It was supposed to be easy; get in and get out. Move pieces into place and set the stage for the war he's been planning for over five hundred years. Aria is his sworn enemy but something within her calls to him and he hates himself for craving the fiery kisses that have reignited his cold, dead heart. One taste, and he thought he could get her out of his system. He was wrong.

Will Knox let go of the memories of the past, driving his need for revenge that will destroy the pretty little witch he craves, or will he push the boundaries to fight for and claim what is his by right? Either way, war is inevitable. And nothing will stop him from reaching for what is his.

turns on her and sells her to a western brothel to keep her quiet. There, she's forced to work or participate in an auction. A virgin auction...and she's the prize.

One look at Emma James and Whitmore Kane and Ian Stewart know she would belong to them. Marriage was the only way to truly claim her...so they bid and bid well. As their bride, they return to the Bridgewater Ranch and teach her the ways to please not one husband, but two. But danger has tracked Ian around the world and threatens their newfound relationship. Together, can they fight the demons of the past while forging a future?

—

Their Wayward Bride-

When Laurel Sinclair's uncaring father seeks to pawn her off in marriage as part of a business deal, she seeks to avoid her fate by fleeing. But running away in a Montana blizzard proves to be a terrible mistake.

When handsome ranchers Mason and Brody find the stranded redhead next to her injured horse, they take her in and immediately decide to make her theirs, convinced they can convert the beautiful stranger to an unusual arrangement of marrying them both.

The Bridgewater way of one woman marrying two husbands is foreign to Laurel, but she soon grows to love the two protective men who awaken her to a world of carnal pleasures she never knew existed. She grows to love them for their guidance and protection.

But will her happiness be threatened by the secret she harbors? Will Mason and Brody still love her if they discover who she is? And what will happen when her scheming father and the cruel man he wanted her to marry finally track her down?

—

Their Captivated Bride-

The Bridgewater way of two men marrying one woman is uncommon in the Montana territory. But three men marrying one woman? That is unheard of, especially for beautiful Olivia Weston. Her fate, it seems, will have her married to one man - a man she doesn't love.

But when her betrothed treats her in a cruel manner, she rejects him and not long afterwards catches the eye of three handsome and virile ranchers. Cross, Rhys and Simon are as different as three men can be. But they have one thing in common; they are determined to offer Olivia the protection of marriage and the promise of endless carnal pleasures.

Olivia worries that her instant attraction and hasty agreement to marry three men stems from a defect in her character. What kind of woman not just love three men, but make the most intimate parts of herself available to their lustful attention? The chemistry between them is like lightning. Can she deny it? Or will Olivia submit to become the most sated Bridgewater wife in this ongoing ménage series?

Finding Timmy (Nervous Nate)

Author: Jayda Marx

Alex - I'm a Daddy at heart, and for many years, I've been searching for a special boy of my very own. During my pursuit, I joined a group of like-minded individuals and found my best friend Declan, who shares my same desires. But unfortunately, I've had no such luck finding my boy. I've had playmates and companions for the night, but I yearn for something deeper. I long for a man to be my lover, best friend and little. I dream of snuggling him and watching him play; changing him and bathing him, and punishing him when he misbehaves. Because my boy would definitely misbehave. Unlike Declan, who prefers boys as sweet as pie, my ideal little would have a naughty streak, and like to push my buttons.

One night when I'm visiting a BDSM club out of town, I'm enraptured by a little blond beauty across the room. He looks so sweet with his diaper peeking out of his shorty shorts, and with his legs swinging off of his stool. I'm shocked when he approaches me, and by the end of the night, I know he's the one I've been searching for. I can't wait to see what life has in store with this sweet, sassy, ornery, sexy, wonderful boy by my side.

****This insta-love quick read is a prequel to the "Nervous Nate" series, and is for readers 18 and up! It has no angst, and features the love between a caring Daddy and his sweet and sassy boy. It contains elements like diapers, spanking and lots of steamy scenes!**

Mack was about to turn around and leave. He really was.

Alas, online dating isn't what it's cracked up to be. But just when I'm about to give up, CJ appears. A Silicon Valley billionaire. Hot. Smart. Makes me tingle in places I didn't know could tingle. But "no" is not part of his vocabulary. He wants me and pursues me relentlessly. He pops up as best man at my friend's wedding, at my office, in my home. He's sending me flowers, chocolates, coffee beans, you name it. Plus he kisses like he invented the action. It's like he knows all my weaknesses and is launching a siege.

Corruption of the Rose

Author: S.J. Sanders

The beast-men of the Urgal Mountains were said to have been a race that had ages past been warped by the magic of dark alchemy. For Rose Almander they are nothing but stories for scaring children and the ignorant. An educated woman and a cast-out alchemist of the Order, she has more to worry about than fictional monsters lurking in the wooded mountains. Like, staying under the cover of semi-obscure from other mages by working as a perfumer. Although it is not what she would have dreamed of and trained for, the coin is enough to soothe her bruised ego.

Yet, when she's commissioned by the queen to create a fragrance to bewitch, Rose must obtain the Forial Rose that grows only in the depths of the mountain forests. With a fortune promised and no one available to procure it for her, and her own life on the line should she fail, Rose must face the wilderness and a monster of legend not seen in generations.

The lupi were created to be guardians, the wolves of the mountain that was said to separate the worlds. There, the dark alchemist once reined, his chaotic art keeping the balance between worlds. When the time came for the mage to leave the abode he built, he trained the first among the lupi, Siras, in the arts so that his successor would be found and prepared to rule the mountain. As centuries pass with no heir in place, the presence of a mage in the forest is greeted with high expectations from Siras. But it is a dangerous path for the female. She must prove her dominance with her magic for the lupi to submit. Only then will she be able to bind herself to the mountain as its queen. Siras must push her, punish her, and consume her so that she can rise and take her place upon the alchemist's throne. Only then will he serve her, his dark mistress and beloved.

Rose was captured by a beast, but he discovered the monster within her.

This is not a fairytale retelling. This is a monster romance that deals with concepts of spiritual alchemy, sorcery, monsters and mystic symbolism.

Please be aware that this book contains dub-con, as well as dark and horror themes. It may not be suited for everyone. This includes a brief almost-started group scene. It is a M/F romance.

Elias The Wicked: A BWWM Interracial Paranormal Romance (Myths, Legends, and Monsters Book 2)

Author: K. Alex Walker

Kerah Moss was on the fast track to becoming the first veterinarian in her family. She had the intelligence, the love for animals, and the drive necessary to become one of the foremost veterinary experts in the nation. Unfortunately, she didn't count on the naivete that led her from the office hours to the bed of her most trusted professor. Her trusted *married* professor.

Their forbidden passion explodes and erupts, eventually leading to the near-fatal car accident that leaves her broken, alone, and no longer able to finish vet school.

Five years later, her life is back on track. She's healed, mostly, and ready to return to the career path she'd lost, this time with an experienced head on her twenty-nine-year-old shoulders. Everything is perfect...except for the hot-tempered former SOAR Army pilot turned Firefighter-Paramedic who comes barging into the animal rescue she runs at least once a week.

Elias the Wicked.

He's rude, coarse, and bullish, but whatever he throws at her, she gives it back just as good. He's also gorgeous as sin...and she wants him.

He's more trouble than what she's already put herself through, but She. Wants. Him.

Everything is fine as long as she doesn't find out the secret Elias has been harboring ever since a chance encounter with a girl he met in a chat room forum:

He's in love with her. He's been in love with her for months.

And as long as neither of them finds out the other's true feelings, they'll avoid the collision of their bodies coming together, the erotic explosion of sexual self-discovery, a quirky yet wholesome love that escapes definition, and the dark secret Elias harbors in which the woman he loves is also the woman whose life he's been ordered to end.

Myths, Legends, and Monsters is an anthology series; therefore, Elias the Wicked is a BWWM Interracial Romance 104K standalone with no cliffhanger ending. Elias The Wicked also includes dark paranormal elements and mature content. The standard K. A. Walker fare.
