Torin, the leader's son, drags me back before my first shift... a shift that will reveal my true mate. I never could have predicted who mine would be, but the moment my wolf looks upon him, I'm filled with hope for a brighter future.

A Court of Silver Flames (A Court of Thorns and Roses Book 5)

Author: Sarah J. Maas

Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta.

Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it.

The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other.

Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts.

Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

Crown of Moonlight (Court of Midnight and Deception Book 2)

Author: K. M. Shea

I thought becoming Queen of the Night Court and marrying the deadliest fae assassin in the supernatural community were the biggest dangers I'd ever face. Hah!

Once I meet the fae monarchs of the other local Courts, I realize the good times are only just beginning! They hate my guts and don't even bother to use their fae tricks to hide their disgust of me and my human blood.

At least I know where I stand with them, which is more than I can say for my husband, Rigel.

My relationship with Rigel is...complicated. We married for political reasons—my greatest desire was that he wouldn't kill me after the ceremony. But now that he's saved me from countless attempts on my life and joked with me through boring Court socials, my thoughts about him have veered into uncomfortable territory.

Not that I have time to think about all of this.

Those attempts on my life I mentioned? Yeah, they're getting bolder and a lot harder to survive. I'm confident one of the other monarchs is behind it all, but I don't have the power to make them stop.

So far, my wits and Rigel's blades have gotten us through everything. But if something BIG gets dropped on us, will we survive?

Court of Midnight and Deception is an urban fantasy trilogy featuring fae, werewolves, vampires, and wizards. It's packed with humor, adventure, and a sweet, slow burn romance between a reluctant fae queen and the assassin who tried to kill her.

Shadowcroft Academy For Dungeons: Year One

Author: James Hunter

Build a Dungeon. Slay Heroes. Survive Finals.

Wounded Army vet Logan Murray thought mimics were the stuff of board games and dungeon manuals... right up until one ate him.

In a flash of snapping teeth, Logan suddenly finds himself on the doorstep to another world. He's been unwittingly recruited into the Shadowcroft Academy for Dungeons—the most prestigious interdimensional school dedicated to training the monstrous guardians who protect the Tree of Souls from so-called heroes. Heroes who would destroy the universe if it meant a shot at advancement.

Unfortunately, as a bottom-tier cultivator with a laughably weak core, Logan's dungeon options aren't exactly stellar, and he finds himself reincarnated as a lowly fungaloid, a three-foot-tall mass of spongy mushroom with fewer skills than a typical sewer rat. If he's going to survive the grueling challenges the academy has in store, he'll need to ace the odd assortment of classes—Fiendish Fabrication, Dungeon Feng Shui, the Ethics of Murder 101—and learn how to turn his unusual guardian form into an asset instead of a liability.

And that's only if the gargoyle professor doesn't demote him to a doomed wandering monster first...

From James A. Hunter—bestselling author of *Rogue Dungeon*, *Bibliomancer (Completionist Chronicles Expanded Universe)*, and the LitRPG epic *Viridian Gate Online*—and Dragon Award Finalist Aaron Michael Ritchey, comes a brand new Dungeon Core novel, like nothing you've ever seen before. Author: Daniel Schinhofen

After tightening the Bonds with his friends, Sean worked toward new things and trying to fix past mistakes. He and his growing family had just moved into a new home and hired on new staff for day-to-day matters. All he wanted to do was craft and love his wives, and it seemed like the peaceful life he hoped for might be within his reach.

Denmur and Lord Sharpeyes would not let that happen. Using their connections, they put into motion a chain of events that would reverberate across the city of Hearthglen. Sean was called to attend the Lord's party— he came, bringing all of his family and friends with him.

Both sides were surprised by events as they unfolded, and it quickly became apparent that conflict would not be denied. With the Einherjar, a Valkyrie, and an old foe, Velin Dykstra, backing them up, Evan Sharpeyes and Klein Denmur challenged Sean to trial by combat.

Exhausted and with depleted energy, Sean still led his wives onto the field of battle. The fight was bloody and taxing, but in the end, Sean struck down Evan Sharpeyes before collapsing. With his eyesight fading, Sean looked at his wives, but only saw a few female-like figures rushing toward him. The last sound he heard was a great many wings converging on him, and his mind drifted to thoughts of Morrigan...

Word of Sean's victory spread throughout the city, but none could say whether he had survived to enjoy it.

Magic Forged (Hall of Blood and Mercy Book 1)

Author: K. M. Shea

I'm one scrappy wizard.

As someone with barely a flicker of magic, I've spent my life being mocked and surviving fights with bullies. But when my parents die in an accident, and I find myself responsible for our whole wizard house and family, I know my usual tactics aren't going to cut it.

The situation veers from bad to catastrophic when my backstabbing cousin stages a coup and takes my family hostage.

I barely manage to flee, but the only supernatural willing to help me is Killian Drake--the most feared vampire in the region, and a far more deadly villain than the jerk threatening my family.

Is Killian sexy and charismatic? Heck yeah.

He's also so powerful that my flight or fight instincts kick in every time our eyes meet. And he's definitely using me as his personal magic detector in his feud against the local fae.

But Killian is also the first person to believe I might have more than just a scrap of magic. And if I can convince him to train me, I might get strong enough to free my family and get my house back.

I'm not sure what happens when a scrappy wizard is taught how to fight by a hall of deadly vampires, but I'm about to find out.

Magic Forged is the first book in the Hall of Blood and Mercy trilogy, which features vampires, wizards, fae, and werewolves. It's packed with humor, adventure, and a sweet, slow burn romance between a vertically challenged wizard and the most lethal vampire in town. (All three books of this trilogy are out now!)

Now I'm here, a prisoner of Fourth Kingdom's army, and I'm not sure if I'm going to make it out of this in one piece. They're marching to battle, and I'm the bargaining chip that will either douse the fire or spark a war.

At the heart of my fear, my worry, there's him—Commander Rip.

Known for his brutality on the battlefield, his viciousness is unsurpassed. But I know the truth about what he is.

Fae.

The betrayers. The murderers. The ones who nearly destroyed Orea, wiping out Seventh Kingdom in the process. Rip has power sizzling beneath this skin and

glinting spikes down his spine. But his eyes—his eyes are the most compelling of all.

When he turns those black eyes on me, I feel captive for an entirely different reason.

I may be out of my cage, but I'm not free, not even close. In the game of kings and armies, I'm the gilded pawn. The question is, can I out maneuver them?

This is the captivating second book of The Plated Prisoner series. It's an adult epic fantasy story blending romance, intrigue, and beautiful imagery. Return to the seductive story of magic inspired by the myth of King Midas, and get caught up in the world of Orea.

The first thing he told me? That he doesn't like the name I gave him—even though "Fluffy" fits him like a warm sweater at Christmas. Now we've compromised on "Merlin the Magical Fluff," which according to him references his long and proud lineage just fine.

After that small matter was settled, he informed me that I must uphold his secret or risk spending the rest of my life in some magical prison. I agreed, not knowing it would turn into a full-time job of covering his tracks and fibbing our way out of some pretty tight spots.

When my boss at the local coffee shop turns up dead as a dormouse, things go from challenging to practically impossible... especially since all my coworkers seem to think I'm to blame.

Here's hoping my witchy cat can charm our way out of this one, because right now it looks like I'm cursed if I do and charged with murder if I don't. Yikes!

Author: Luanne G. Smith

A *Washington Post* and Amazon Charts bestseller.

"Cleverly crafted...*The Vine Witch* is a grown-up fairy tale with a twisty-turn-y story line of magic, love, and betrayal that holds your attention...Pure escapism." —*Forbes*

A young witch emerges from a curse to find her world upended in this gripping fantasy set in turn-of-the-century France.

For centuries, the vineyards at Château Renard have depended on the talent of their vine witches, whose spells help create the world-renowned wine of the Chanceaux Valley. Then the skill of divining harvests fell into ruin when *sorcière* Elena Boureanu was blindsided by a curse. Now, after breaking the spell that confined her to the shallows of a marshland and weakened her magic, Elena is struggling to return to her former life. And the vineyard she was destined to inherit is now in the possession of a handsome stranger.

Vignerons Jean-Paul Martel naively favors science over superstition, and he certainly doesn't endorse the locals' belief in witches. But Elena knows a hex when she sees one, and the vineyard is covered in them. To stay on and help the vines recover, she'll have to hide her true identity, along with her plans for revenge against whoever stole seven winters of her life. And she won't rest until she can defy the evil powers that are still a threat to herself, Jean-Paul, and the ancient vine-witch legacy in the rolling hills of the Chanceaux Valley.

The Once and Future Witches

Author: Alix E. Harrow

In the late 1800s, three sisters use witchcraft to change the course of history in Alix E. Harrow's powerful novel of magic and the suffragette movement.

Named One of the Best Books of the Year by *NPR Books* • Barnes and Noble • *BookPage*

In 1893, there's no such thing as witches. There used to be, in the wild, dark days before the burnings began, but now witching is nothing but tidy charms and nursery rhymes. If the modern woman wants any measure of power, she must find it at the ballot box.

But when the Eastwood sisters—James Juniper, Agnes Amaranth, and Beatrice Belladonna—join the suffragists of New Salem, they begin to pursue the forgotten words and ways that might turn the women's movement into the witch's movement. Stalked by shadows and sickness, hunted by forces who will not suffer a witch to vote—and perhaps not even to live—the sisters will need to delve into the oldest magics, draw new alliances, and heal the bond between them if they want to survive.

There's no such thing as witches. But there will be.

An homage to the indomitable power and persistence of women, *The Once and Future Witches* reimagines stories of revolution, motherhood, and women's suffrage—the lost ways are calling.

Chakrabarty perfect for fans of *The Golem and the Jinni*, *The Grace of Kings*, and *Uprooted*, in which the future of a magical Middle Eastern kingdom rests in the hands of a clever and defiant young con artist with miraculous healing gifts.

Forced to flee Cairo, Dara and Nahri journey together across hot, windswept sands teeming with creatures of fire and rivers where the mythical marid sleep, past ruins of once-magnificent human metropolises and mountains where the circling birds of prey are more than what they seem, to Daevabad, the legendary city of brass.

With loan sharks sniffing around and knocking on my door, I need to figure out how my ex-husband pushed all his debt onto me, because it stinks of black magic and back alley dealings.

Until I can get some answers there, I distract myself with a new job—working for a goblin. The job is as simple as hiding some paperwork for him. Only . . . someone else wants what he gave me. And they are playing dangerously dirty to get what they want.

Throw in a lovesick bigfoot, a siren going through menopause, a demon next door, and two hot guys vying for my attention, and you've got my life in a nutshell.

Well, that is if you don't count on Robert showing up and saving my bacon again. Which he has to, because this time . . .this time I've really put my foot in it.

Author: Sara Snow

Standing at 6'8 with steel grey eyes, he's a walking dream, but he's also a world-renowned jerk.

Who would have thought that one night, after dragging myself home after doing double shifts at the diner, I'd be jumped by three men...only to have Xavier come to my rescue.

Oh yes, Xavier bloody Blackwood saved my life...but the thing I saw, the *CREATURE* that ripped those men to shreds wasn't the Xavier everyone knows.

He wasn't **human**...

He was a wolf, a demon, a creature from myths, and it was the most amazing thing I've ever seen until he attacked me too and knocked me out.

Humans that learn about the existence of werewolves have to die.

...*There are **NO** exceptions.*

The Werewolf Xavier saved me, but now I am condemned to death

To make things worse, both Xavier and Axel claim I am their mate

Magic Redeemed (Hall of Blood and Mercy Book 2)

Author: K. M. Shea

I thought life would be easier after I unsealed my magic.

Spoiler: it's not.

I want to free my family from my traitorous cousin, but with all the allies he's got guarding his back, even my new powers won't be enough to beat him. My best bet is to use my parents' signet ring to prove my claim of leadership.

There's just one problem...

I can't find it!

Things aren't looking so good for my vampire housemates, either. As Killian Drake's conflicts with the fae get worse, it's clear that war will break out soon if something doesn't change.

Plus, Killian has gotten really weird about smelling me and invading my personal space. Every time he comes near my heart almost pops out of my chest, but I'm sure that's just terror caused by being so close to the most feared vampire in the region.

At least that's what I keep telling myself.

So, I'm a wizard searching for a ring while trying to survive living with a bunch of vampires and their deady and suddenly touchy-feely leader. Yeah, life is definitely not easier.

Hall of Blood and Mercy is a finished urban fantasy trilogy featuring all your favorite vampires, wizards, fae, and werewolves. It's packed with humor, adventure, and a sweet, slow burn romance between a vertically challenged wizard and the most lethal vampire in town.

FOR ALL THE EVERYDAY HEROINES OVER FORTY WHO KNOW IT'S *NOT TOO LATE* FOR MAGIC!

The day after my forty-third birthday, my husband announced he was trading me in. His words, not mine. The news was unwelcome at the time, but honestly? I needed a good goosing to get up and find my way to the door.

So. I was freed from the manual of expectations authored by my ex that had, over the years, grown into an encyclopedia of what a wife "should" be and do. The freedom was the good news. The flip side was less happy. Due to living in a state not friendly to discarded wives, I was also relieved of the financial 'security' I'd spent a lifetime accruing.

Starting over? I didn't plan on it. Didn't see it coming. But pulling a sheet over my head and waiting for the end didn't seem like my style. Granted. I wasn't sure what my style was because I hadn't thought about freedom of expression since I was twenty.

I'd never been a fan of optimistic adages like 'it's not too late', but that was before my life was divided into two parts; everything that came before the mysterious package and everything after. Fate shot me with a lightning bolt of attitude adjustment and thrust me head first into an adventure that was unforeseeable to say the least. If you'd told me what my life was going to be like, I would have used every synonym for crazy you've ever heard.

I 'inherited' a curious antique store in a tiny, picturesque English village where the world of fae magic lives side by side with the mundane. But that's far from all. Eight times a year, I receive magical dignitaries and magical lowborn alike and mediate their disputes; some comical, some deadly serious.

It may be too late for super shiny hair, going without a bra, or sleeping eight hours without a potty break. But it seems that it's not too late for navigating magical politics, expatriating, romance, and saving the world.

Perfect for fans of everyday heroines over forty.

The Lord of the Rings: One Volume

Author: J.R.R. Tolkien

One Ring to rule them all, One Ring to find them, One Ring to bring them all and in the darkness bind them

In ancient times the Rings of Power were crafted by the Elven-smiths, and Sauron, the Dark Lord, forged the One Ring, filling it with his own power so that he could rule all others. But the One Ring was taken from him, and though he sought it throughout Middle-earth, it remained lost to him. After many ages it fell by chance into the hands of the hobbit Bilbo Baggins.

From Sauron's fastness in the Dark Tower of Mordor, his power spread far and wide. Sauron gathered all the Great Rings to him, but always he searched for the One Ring that would complete his dominion.

When Bilbo reached his eleventy-first birthday he disappeared, bequeathing to his young cousin Frodo the Ruling Ring and a perilous quest: to journey across Middle-earth, deep into the shadow of the Dark Lord, and destroy the Ring by casting it into the Cracks of Doom.

The Lord of the Rings tells of the great quest undertaken by Frodo and the Fellowship of the Ring: Gandalf the Wizard; the hobbits Merry, Pippin, and Sam; Gimli the Dwarf; Legolas the Elf; Boromir of Gondor; and a tall, mysterious stranger called Strider.

This new edition includes the fiftieth-anniversary fully corrected text setting and, for the first time, an extensive new index.

J.R.R. Tolkien (1892-1973), beloved throughout the world as the creator of The Hobbit, The Lord of the Rings, and The Silmarillion, was a professor of Anglo-Saxon at Oxford, a fellow of Pembroke College, and a fellow of Merton College until his retirement in 1959. His chief interest was the linguistic aspects of the early English written tradition, but while he studied classic works of the past, he was creating a set of his own.

The Pretend Bride

At twenty-two I had everything I dreamed of.

Generous parents, a dedicated fiancé, and an upcoming wedding in Las Vegas.

For the icing on the cake, my parents paid to have Garrett Hudson, a gorgeous rock star, sing for my bachelorette party.

Vegas was supposed to be fun; a way to relax before I got married.

But the fun ended when I walked in on my fiancé.

He was with someone else.

He was with not one other woman, but four.

He begged my forgiveness. But he had betrayed me.

To bury my pain, I take risks. Out in the desert while rock climbing, I fall. I should have died.

But someone catches me, and saves my life..

I wake up in the arms of a man.

Not just any man. The sexy rock star who sang for me.

I'm single now, but he's a playboy.

But he's different with me. He's kind and considerate, but he's hiding a big secret.

After my ex betrayed me, can I let myself fall for this handsome rock star?

The Rock Star Shifter

At thirty, I was still unmated. And that's how I wanted it.

My overbearing clan wanted me to choose a respectable profession -- doctor, lawyer, dentist. They wanted me to conform.

But music stole my heart.

I moved to Vegas and made it big. And now I don't go home anymore.

I pushed the dragon inside me away.

I won't listen to my family. I refuse to settle down and find a mate; I like playing the field.

Then I meet a captivating young bride.

This human woman is different.

She belongs to someone else, but I am drawn to her like no other.

I can't get her out of my head.

But do not steal the mate of another, no matter the circumstance.

Then the girl leaves her fiancé, and now she is free.

This awakens my dragon, who insists this girl is mine.

My mate.

Under a sunny sky, I save her life. Now I am bound to her.

Can I convince this beautiful woman to give love another chance?

Can a dragon shifter convince his love that she's his mate, and turn his fake-marriage into a real one?

Sinfully Delicious (A Two Broomsticks Gas & Grill Witch Cozy Mystery Book 1)

Author: Amanda M. Lee

Stormy Morgan left her hometown of Shadow Hills, Michigan, with one goal: to write the great American novel and strike it rich. She sold her novel not long after college, did relatively well, and then fell off a cliff into obscurity. Now, without a book contract, she's back at her family restaurant in a one-stoplight town ... and she's convinced things couldn't possibly get worse.

That feeling only lasts until her first shift, when on a trip to the storage building behind the restaurant, she literally trips over a body.

Roy Axe, Shadow Hills most hated "Axehole," died a hard death only feet from the restaurant (and the second-floor apartment Stormy currently resides in). The detective on the case is none other than Hunter Ryan, Stormy's high school boyfriend, and the man who occasionally still calls to her in dreams. Hunter only cares about solving a mystery – nothing else – so their reunion is tense.

In an attempt to distract herself from what's happening, Stormy and her cousin Alice get drunk one night and pull out their great-grandmother's old Ouija board, and it sets off a strange string of events, most of which seem magical ... if you believe in that sort of thing, and Stormy isn't sure she does.

Stormy has trouble deciding which problem to focus on, so she avoids them all until things start blowing up in her face.

Shadow Hills is a small town but the secrets that plague it run deep. Stormy is a woman – or maybe a witch – lost in a sea of magic and despair ... but murder might just lead her out of it. That is if she can survive to solve the case, that is.
