

House of Sky and Breath (Crescent City)

Author: Sarah J. Maas

Sequel to the #1 *New York Times* bestseller!

Sarah J. Maas's sexy, groundbreaking CRESCENT CITY series continues with the second installment.

Bryce Quinlan and Hunt Athalar are trying to get back to normal—they may have saved Crescent City, but with so much upheaval in their lives lately, they mostly want a chance to relax. Slow down. Figure out what the future holds.

The Asteri have kept their word so far, leaving Bryce and Hunt alone. But with the rebels chipping away at the Asteri's power, the threat the rulers pose is growing. As Bryce, Hunt, and their friends get pulled into the rebels' plans, the choice becomes clear: stay silent while others are oppressed, or fight for what's right. And they've never been very good at staying silent.

In this sexy, action-packed sequel to the #1 bestseller *House of Earth and Blood*, Sarah J. Maas weaves a captivating story of a world about to explode—and the people who will do anything to save it.

The Quarter Storm: A Novel (Mambo Reina)

Author: Veronica G. Henry

A practitioner of Vodou must test the boundaries of her powers to solve a ritual murder in New Orleans and protect everything she holds sacred.

Haitian-American Vodou priestess Mambo Reina Dumond runs a healing practice from her New Orleans home. Gifted with water magic since she was a child, Reina is devoted to the benevolent traditions of her ancestors.

After a ritual slaying in the French Quarter, police arrest a fellow vodouisant. Detective Roman Frost, Reina's ex-boyfriend—a fierce nonbeliever—is eager to tie the crime, and half a dozen others, to the Vodou practitioners of New Orleans. Reina resolves to find the real killer and defend the Vodou practice and customs, but the motives behind the murder are deeper and darker than she imagines.

As Reina delves into the city's shadows, she untangles more than just the truth behind a devious crime. It's a conspiracy. As a killer wields dangerous magic to thwart Reina's investigation, she must tap into the strength of her own power and faith to solve a mystery that threatens to destroy her entire way of life.

The Becoming: The Dragon Heart Legacy, Book 2

Author: Nora Roberts

A new epic of love and war among gods and humans, from Nora Roberts—the #1 *New York Times* bestselling author of *The Awakening*.

The world of magick and the world of man have long been estranged from one another. But some can walk between the two—including Breen Siobhan Kelly. She has just returned to Talamh, with her friend, Marco, who's dazzled and disoriented by this realm—a place filled with dragons and faeries and mermaids (but no WiFi, to his chagrin). In Talamh, Breen is not the ordinary young schoolteacher he knew her as. Here she is learning to embrace the powers of her true identity. Marco is welcomed kindly by her people—and by Keegan, leader of the Fey. Keegan has trained Breen as a warrior, and his yearning for her has grown along with his admiration of her strength and skills.

But one member of Breen's bloodline is not there to embrace her. Her grandfather, the outcast god Odran, plots to destroy Talamh—and now all must unite to defeat his dark forces. There will be losses and sorrows, betrayal and bloodshed. But through it, Breen Siobhan Kelly will take the next step on the journey to becoming all that she was born to be.

Fated To The Alpha (Fated to the Alpha Series Book 1)

Author: Jessica Hall

Katya, the Beta's daughter and the daughter of an infamous warrior mother, had high expectations for her life. When she doesn't meet those expectations, her pack shuns her, forcing her and her family from the pack and forcing them to give up their titles.

On a lie her mother told, they are forced to seek refuge in the only pack that would take them in or go Rogue.

When Katya meets the notorious Alpha Ezra, will he find out about her shameful secret? What will happen when she finds out her new Alpha has a secret of his own, that she is his mate?

Darkness looms when her old pack discovers they went to a rival Pack. What will happen when the Alpha realizes she has no wolf? Will he hand her back to the

man that banished her or fight to the death to keep her?

Spelunking Through Hell: A Visitor's Guide to the Underworld (InCryptid Book 11)

Author: Seanan McGuire

Now in trade paperback, the eleventh book in the fast-paced InCryptid urban fantasy series returns to the mishaps of the Price family, eccentric cryptozoologists who safeguard the world of magical creatures living in secret among humans.

Love, noun:

1. An intense feeling of deep affection; may be romantic, filial, or platonic.

Passion, noun:

1. A strong or barely controllable emotion.
2. Enthusiasm, interest, desire.
3. See also "obsession."

It's been fifty years since the crossroads caused the disappearance of Thomas Price, and his wife, Alice, has been trying to find him and bring him home ever since, despite the increasing probability that he's no longer alive for her to find. Now that the crossroads have been destroyed, she's redoubling her efforts. It's time to bring him home, dead or alive.

Preferably alive, of course, but she's tired, and at this point, she's not that picky. It's a pan-dimensional crash course in chaos, as Alice tries to find the rabbit hole she's been missing for all these decades—the one that will take her to the man she loves.

Who are her allies? Who are her enemies? And if she manages to find him, will he even remember her at this point?

It's a lot for one cryptozoologist to handle.

The Alpha 6: Protect. Procreate. Prevail.

Author: Eric Vall

It looks like the wolves are on the prowl.

Strange howls are echoing in the north, and the scent of a new pack is drifting closer to my territory. But things get complicated when a werewolf omega joins the mix.

And her story brings up the ghosts of my family's past.

Something big is headed our way now, but an unexpected new power of mine just might turn this fight in our favor.

Crowbones (World of the Others Book 3)

Author: Anne Bishop

In this engrossing and gripping fantasy set in the world of the *New York Times* bestselling *Others* series, an inn owner and her friends must find a killer—before it's too late....

Crowbones will gitcha if you don't watch out!

Deep in the territory controlled by the Others—shape-shifters, vampires, and even deadlier paranormal beings—Vicki DeVine has made a new life for herself running The Jumble, a rustic resort. When she decides to host a gathering of friends and guests for Trickster Night, at first everything is going well between the humans and the Others.

But then someone arrives dressed as Crowbones, the Crowgard bogeyman. When the impostor is killed along with a shape-shifting Crow, and the deaths are clearly connected, everyone fears that the real Crowbones may have come to The Jumble—and that could mean serious trouble.

To "encourage" humans to help them find some answers, the Elders and Elementals close all the roads, locking in suspects and victims alike. Now Vicki, human police chief Grimshaw, vampire lawyer Ilya Sanguinati, and the rest of their friends have to figure out who is manipulating events designed to pit humans against Others—and who may have put Vicki DeVine in the crosshairs of a powerful hunter.

The Atlas Six

Author: *Olivia Blake*

The much-acclaimed BookTok sensation, Olivia Blake's *The Atlas Six*—now newly revised and edited with additional content.

• The tag [#theatlassix](#) has millions of views on TikTok

• A dark academic debut fantasy with an established cult following that reads like **THE SECRET HISTORY** meets **THE UMBRELLA ACADEMY**

• The first in an explosive trilogy

The Alexandrian Society, caretakers of lost knowledge from the greatest civilizations of antiquity, are the foremost secret society of magical academicians in the world. Those who earn a place among the Alexandrians will secure a life of wealth, power, and prestige beyond their wildest dreams, and each decade, only the six most uniquely talented magicians are selected to be considered for initiation.

Enter the latest round of six: Libby Rhodes and Nico de Varona, unwilling halves of an unfathomable whole, who exert uncanny control over every element of physicality. Reina Mori, a naturalist, who can intuit the language of life itself. Parisa Kamali, a telepath who can traverse the depths of the subconscious, navigating worlds inside the human mind. Callum Nova, an empath easily mistaken for a manipulative illusionist, who can influence the intimate workings of a person's inner self. Finally, there is Tristan Caine, who can see through illusions to a new structure of reality—an ability so rare that neither he nor his peers can fully grasp its implications.

When the candidates are recruited by the mysterious Atlas Blakely, they are told they will have one year to qualify for initiation, during which time they will be permitted preliminary access to the Society's archives and judged based on their contributions to various subjects of impossibility: time and space, luck and thought, life and death. Five, they are told, will be initiated. One will be eliminated. The six potential initiates will fight to survive the next year of their lives, and if they can prove themselves to be the best among their rivals, most of them will.

Most of them.

My Quiet Blacksmith Life in Another World: Volume 1

Author: *Tamamaru*

Eizo is a middle-aged, overworked software engineer who loves cats. One night after working late, he saves an injured cat from a speeding truck. The cat survives, but Eizo does not... Luckily, that cat turns out to be a god-like being who offers him a second chance in another world! Eizo decides that he wants a slower life, one where he can live off the things he creates with his own hands. So, why not become a blacksmith? He does have one other stipulation: a cat companion for his quiet life. These requests are granted, and Eizo is whisked away to a new world and imbued with blacksmithing knowledge. He soon finds out that his abilities are above average—in fact, his new skills are so overpowered that they're like cheats. On top of that, his cat companion turns out to be a half-tiger girl! Eizo's blades soon garner attention, and he realizes that he can turn the tides of battle with his forge and hammer. With so much commotion in store, will Eizo truly be able to enjoy a quiet life?

Ramses the Damned: The Reign of Osiris

Author: Anne Rice

The gilded adventures of Ramses the Damned, iconic creation of the legendary bestselling author, continue in this breathtakingly suspenseful tale of a titanic supernatural power unleashed on the eve of war.

A pharaoh made immortal by a mysterious and powerful elixir, Ramses the Great became counselor and lover to some of Egypt's greatest and most powerful rulers before he was awakened from centuries of slumber to the mystifying and dazzling world of Edwardian England. Having vanquished foes both human and supernatural, he's found love with the beautiful heiress Julie Stratford, daughter of Lawrence Stratford, the slain archeologist who discovered his tomb. Now, with the outbreak of a world war looming, Ramses and those immortals brought forth from the mists of history by his resurrection will face their greatest test yet.

Russian assassins bearing weapons of immense power have assembled under one command: all those who loved Lawrence Stratford must die. From the glowing jewels at their necks comes an incredible supernatural force: the power to bring statues to life. As Ramses and his allies, including the immortal queens Cleopatra and Bektaten, gather together to battle these threats, Ramses reveals that the great weapon may have roots in an ancient Egyptian ritual designed to render pharaohs humble before Osiris, the god of the underworld. The resulting journey will take them across storm-tossed seas and into the forests of northern Russia, where they will confront a terrifying collision of tortured political ambitions and religious fervor held in thrall to a Godlike power. But the true answers they seek will lie beyond the border between life and death, within realms that defy the imagination of even an immortal such as Ramses the Great.

In *Ramses the Damned: The Reign of Osiris*, Anne Rice, revered and beloved storyteller ("queen of gothic lit, the maestro of the monstrous and the diva of the devious" --*The Philadelphia Inquirer*), in collaboration with her son, acclaimed bestselling novelist Christopher Rice ("a magician; a master" --Peter Straub), bring us another thrilling, seductive tale of high adventure, romance, history, and suspense.

The Last Graduate: A Novel (The Scholomance Book 2)

Author: Naomi Novik

NEW YORK TIMES BESTSELLER • The specter of graduation looms large as Naomi Novik's groundbreaking, *New York Times* bestselling trilogy continues in the stunning sequel to *A Deadly Education*.

ONE OF THE BEST BOOKS OF THE YEAR: *Polygon, Thrillist, She Reads* • "The climactic graduation-day battle will bring cheers, tears, and gasps as the second of the Scholomance trilogy closes with a breathtaking cliff-hanger."—*Booklist* (starred review)

In Wisdom, Shelter. That's the official motto of the Scholomance. I suppose you could even argue that it's true—only the wisdom is hard to come by, so the shelter's rather scant.

Our beloved school does its best to devour all its students—but now that I've reached my senior year and have actually won myself a handful of allies, it's suddenly developed a very particular craving for me. And even if I somehow make it through the endless waves of maleficaria that it keeps throwing at me in between grueling homework assignments, I haven't any idea how my allies and I are going to make it through the graduation hall alive.

Unless, of course, I finally accept my foretold destiny of dark sorcery and destruction. That would certainly let me sail straight out of here. The course of wisdom,

surely.

But I'm not giving in—not to the mals, not to fate, and especially not to the Scholomance. I'm going to get myself and my friends out of this hideous place for good—even if it's the last thing I do.

With keen insight and mordant humor, Novik reminds us that sometimes it is not enough to rewrite the rules—sometimes, you need to toss out the entire rulebook.

The magic of the Scholomance trilogy will continue in 2022

Escape from Yokai Land (Laundry Files Book 12)

Author: Charles Stross

Regular readers of Charles Stross's Laundry Files might have noticed Bob Howard's absence from the events of *The Nightmare Stacks*, and his subsequent return from Tokyo at the start of *The Delirium Brief*.

Escape from Yokai Land explains what he was doing there.

Bob's been assigned to work with the Miyamoto Group, checking the wards that lock down Japan's warded sites—a task previously handled by his predecessor Dr. Angleton, the Eater of Souls. This mostly involves policing yokai: traditional magical beings, increasingly grown more annoying and energetic.

But then Bob's simple trip turns into a deadly confrontation with the ultimate yokai. It's massively powerful. It's pink. And it says "Hello."

Zodiac Academy 7: Heartless Sky

Author: Caroline Peckham

The winds of fate are shifting, and it finally seems like they've been twisted in our favour.

On the run and cast out from society, we've been forced to hide from the mad man who stole our throne. But as more secrets come to light and my sister and I work harder than ever before to reach our potential and claim our birth right, the end is finally drawing closer.

There is no turning from this path now. The curse chases on our heels as time rushes by and the blood drenched destiny of the man I love looms ever closer just like the monster who stole our throne.

We must prepare for the final battle, but three things are clear now.

The cards have already been dealt.

Blood will spill for a new future to rise.

And the stars themselves can't help us.

The fight for the throne is upon us. All hail the heartless sky.

The Mammoth Book of Folk Horror: Evil Lives On in the Land!

Author: Stephen Jones

Welcome to a landscape of ancient evil . . . with stories by masters of horror Arthur Machen, Algernon Blackwood, H. P. Lovecraft, M. R. James, Ramsey Campbell, Storm Constantine, Christopher Fowler, Alison Littlewood, Kim Newman, Reggie Oliver, Michael Marshall Smith, Karl Edward Wagner, and more!

The darkness that endures beneath the earth . . . the disquiet that lingers in the woodland surrounding a forgotten path . . . those ancient traditions and practices that still cling to standing stone circles, earthworks, and abandoned buildings; elaborate rituals that invoke elder gods or nature deities; the restless spirits and legendary creatures that remain connected to a place or object, or exist in deep wells and lonely pools of water, waiting to ensnare the unwary traveler . . .

These concepts have been the archetypes of horror fiction for decades, but in recent years they have been given a name: *Folk Horror*.

This type of storytelling has existed for more than a century. Authors Arthur Machen, Algernon Blackwood, H. P. Lovecraft, and M. R. James all published fiction that had its roots in the notion of the supernatural being linked to objects or places "left behind." All four writers are represented in this volume with powerful, and

hopefully unfamiliar, examples of their work, along with newer exponents of the craft such as Ramsey Campbell, Storm Constantine, Christopher Fowler, Alison Littlewood, Kim Newman, Reggie Oliver, and many others.

Illustrated with the atmospheric photography of Michael Marshall Smith, the stories in *The Mammoth Book of Folk Horror* tap into an aspect of folkloric tradition that has long been dormant, but never quite forgotten, while the depiction of these forces as being in some way “natural” in no way detracts from the sense of nameless dread and escalating horror that they inspire . . .

Blood Lands (Savage Lands Book 5)

Author: Stacey Marie Brown

Nobody can hear your screams from the depths of hell...

Those who survived Halálház, never imagined going back.

But this isn't Halálház, this is Vörhaza, and nothing can prepare any of them for this.

With General Markos in control of the new prison, torture and cruelty is taken to a whole new level. But what Brexley is forced to do, will not only change her, but the course of the future.

With her abilities starting to show themselves, Brexley risks everything to save those she loves from dying; but in doing so, she exposes her abilities to Istvan.

When she and Warwick are tortured and used as experiments, she finds that Istvan's deceit and betrayal go far deeper than she could imagine.

Istvan will do anything to stay in control.

As Brexley's powers grow, so does the hate and darkness inside. Her hands are marked red, her soul heavy in guilt. There has been so much death, pain, and agony.

When does someone break?

How much can one person take before the hero turns into the villain?

Fated: Magiford Supernatural City (Pack of Dawn and Destiny Book 3)

Author: K. M. Shea

I thought I hated not fitting in. Turns out I hate having a target on my back even more.

Someone wants me taken out. To accomplish that, they leaked the secret of my magic to all the Packs in the Midwest. Now, almost every Alpha in the region has traveled to my hometown in hopes of convincing me to join their Pack.

And some of them don't seem to think I should have a choice.

Greyson won't stand for that—something he makes deadly clear to the other Alphas. What they don't know is that I'm his long missing mate. But wolves and hunters are enemies, and my hunter magic blocks me from accepting the bond...even though I'm starting to wish I could.

Our incomplete mate bond is a constant drain on Greyson. Its existence puts him in danger—something he stubbornly ignores.

But as risky as our bond is, I have to stay focused on the biggest threat at the moment.

Whoever shared the secret of my powers wants to destroy our Pack. And we're about to find out how far they'll go to make that happen.

Fated is the final book in the Pack of Dawn and Destiny urban fantasy trilogy and is part of the Magiford Supernatural City world. It features werewolves, hunters, and fae, and is filled with humor, adventure, and a sweet romance that will have you laughing outloud.

The Cat Who Saved Books: A Novel

Author: Sosuke Natsukawa

AN INDIE NEXT PICK!

From the #1 bestselling author in Japan comes a celebration of books, cats, and the people who love them, infused with the heartwarming spirit of *The Guest Cat* and *The Travelling Cat Chronicles*.

Bookish high school student Rintaro Natsuki is about to close the secondhand bookstore he inherited from his beloved bookworm grandfather. Then, a talking cat appears with an unusual request. The feline asks for—or rather, demands—the teenager’s help in saving books with him. The world is full of lonely books left unread and unloved, and the cat and Rintaro must liberate them from their neglectful owners.

Their mission sends this odd couple on an amazing journey, where they enter different mazes to set books free. Through their travels, the cat and Rintaro meet a man who leaves his books to perish on a bookshelf, an unwitting book torturer who cuts the pages of books into snippets to help people speed read, and a publishing drone who only wants to create bestsellers. Their adventures culminate in one final, unforgettable challenge—the last maze that awaits leads Rintaro down a realm only the bravest dare enter . . .

An enthralling tale of books, first love, fantasy, and an unusual friendship with a talking cat, *The Cat Who Saved Books* is a story for those for whom books are so much more than words on paper.

Translated from the Japanese by Louise Heal Kawai.

The Family Business (Haunted Series Book 36)

Author: Alexie Aaron

The Family Business opens with Mia, Ted, and PEEPs working on two continents. Mia is filming another season of *Enyo* in rainy, mountainous Austria, where the mud is as deep as the storylines Mia is dealing with. She also has to deal with a lady in white with an attitude, her friends as costars, and a director who is pushing to get the best performance out of her.

Back at home, Ted is looking for places to rent for his new startup business Romulus Mobile. Ted and Patrick walk into a dealership and find it's haunted and has been for over fifty years. What's more, the sale from 1965 is still going on.

If this long distance relationship isn't hard enough on the Martins, someone is out to ruin the producer of *Enyo* by taking Mia down with well-crafted lies; Cid has written some salacious scenes; and Ted has decided, demons or not, they are going to investigate the dealership.

Join Mia and PEEPs as they navigate filmmaking and a multidimensional haunt and still manage to get the boys to school on time.

The Family Business is the 36th novel of the *Haunted Series*.

Elfed In New York: Riicathi

Author: Erik Schubach

Twenty one years ago, Evander Laun and Natalia Havashire went on the air throughout the world on almost every news channel simultaneously, to reveal to the human race that Elves walked among us. It is the most-watched historical event in modern times.

Riicathi follows a new fledgling Elf, Killishia Renner, as she investigates for Channel 3 News, a series of robberies in New York City perpetrated by a band of Elves.

Her investigation coincides with the chaos caused when the International Elf Council finds she is of Riicathi blood, a clan thought long dead, and the repercussions it holds for Elvish society.

Family Ties (Crossroads Chronicles Book 1)

Author: BR Kingsolver

Sometimes family is there to love you, and sometimes family is there to kill you...

When a man came into my shop in the Great Marketplace at the Crossroads of the Worlds and tried to kill me, it completely ruined my day. Not only did I have to clean up the blood, but disposing of his body made me late to meet my friends for drinks.

A nagging little detail kept bugging me, though. As he died, he said he was hired by my mother's family—people I hadn't seen for more than a decade. Then I discovered that assassins had made attempts on my brother and sister as well. As much as I didn't want to, I decided I should find out who wanted us dead, and put a stop to it.

Talk about stepping out of the pan into the fire...

A FUBAR Kind of Day (The Warrior Book 4)

Author: Martha Carr

When life hands you lemons, you can either make lemonade or lob them like hand grenades at your problems.

Nothing is going as Idina Moorfield planned. It's what happens when magical powers you don't know you have manifest when you least expect it.

Idina needs to make new plans, even if those plans are loosely based on her CO telling her to figure things out.

Time to make lemonade.

There's all sorts of tasks Idina and her unit could be doing. Getting them to help out is another issue. Can she figure out how to get them to help her without asking them to help?

Then there's the mysterious journal she received. Every time she opens it and reads it, there's flashing green lights everywhere. What is causing it and is the journal the answer to her questions about her powers?

If she could just find a way to read it... unless it's not meant for reading...

Another mysterious package makes its way to her. It creates more questions than answers.

Can Idina and her new unit bond and work together and prove they aren't the misfits everyone thinks they are and can be quite useful once they're understood? Can she figure out what's going on with her powers and who is watching her?

This Charming Man: (The Stranger Times 2)

Author: C.K McDonnell

Vampires do not exist. Everyone knows this. So it's particularly annoying when they start popping up around Manchester . . .

Nobody is pleased about it. Not the Founders, the secret organisation for whom vampires were invented as an allegory, nor the Folk, the magical people hidden in plain sight who only want a quiet life. And definitely not the people of Manchester, because there is nothing more irksome than being murdered by an allegory run amok. Somebody needs to sort this out fast before all Hell really breaks loose - step forward the staff of *The Stranger Times*.

It's not like they don't have enough to be dealing with. Assistant Editor Hannah has come back from getting messily divorced to discover that someone is trying to kidnap a member of their staff and while editor Vincent Banecroft would be delighted to see the back of any of his team, he doesn't like people touching his stuff - it's the principle of the thing.

Throw in a precarious plumbing situation, gambling debts, an entirely new way of swearing, and a certain detective inspector with what could be kindly referred to as 'a lot of baggage' and it all adds up to another hectic week in the life of the newspaper committed to reporting the truth that nobody else will touch.

This Charming Man is the second book in the critically acclaimed *The Stranger Times* series.

Dead Lands (Savage Lands Book 3)

Author: Stacey Marie Brown

Kidnapped by the notorious rebel group, Provstat, Brexley finds her connection goes deeper than she ever imagined. Reunited with old acquaintances and an uncle she never knew, Brexley is thrown into the vicious world of politics, where human and fae leaders will do anything to come out on top. Here dangerous associations and meticulous plots are far more dangerous and cutthroat than any game she survived in Halálház. If her life wasn't complicated enough, her relationship with the infamous legend is growing stronger. The more she tries to untangle the link between Warwick and her, the thicker it wraps around them both, entwining them in a world between life and death, where brutal passion and fury collide. When whispers of a coveted magical substance, called the nectar, start buzzing louder, Brexley's strange bond to the fae book leads her on an unexpected journey. One that brings her closer to the answers she seeks. But once she opens the door, all the secrets and lies of her past come flooding out. Truths she's not ready to face. And betrayals that cut bone deep.

Midlife Witch Hunter (The Forty Proof Series Book 6)

Author: Shannon Mayer

Gran used to say that a strong woman looks a challenge in the eye and gives it a wink. To be sure, flirting with challenges is a terrible idea. Ask me how I know.

All Bree really wants is to bury her head in the sand, somewhere in the south of France while a hot pool boy rubs lotion on her back.

Instead, Bree gets blackmailed by the Council of Savannah into a job she doesn't want—though it does take her to France. They need her to bring a witch back to Savannah for a trial that Bree is sure is a load of hooey.

But not just any witch. The first one. The oldest one. The one who makes a t-rex look like he's howling about a sore tooth. The one who makes the wicked witch of the west look like your sweet old nanny, the one who . . .well you get the picture.

Bree's job? Find her. Befriend her. And convince her to come back to Savannah for safekeeping.

But someone else has gotten a head start, and their reasons for tracking down the miserable old witch are far worse than the council's reasons.

None other than a sexy, growly blacksmith with pretty eyes who makes Bree's panties melt even though she knows he isn't for her. And he is looking for the same miserable old lady.

Throw in a lovesick siren, and a slew of new problems, and you've got Bree's next adventure busting at the seams. And no, it isn't because her pants are too small.

Wild Lands (Savage Lands Book 2)

Author: Stacey Marie Brown

BOOK 2 IN THE SAVAGE LANDS SERIES

Brexley has endured starvation and survived torture and even Warwick Farkas, the brutal legend who still haunts her like a ghost, spilling into her thoughts and life. His betrayal made her a prisoner of Killian, the gorgeous Fae Lord of Budapest.

There her life takes another unforeseen twist, something that will change the fragile alliance between the humans and the fae, and Brexley finds herself in the middle.

As weeks go by, Brexley also discovers Killian isn't the malicious leader she was told about. As they spend more time together, their relationship begins to shift. However, when an old acquaintance turns up, she is given the chance to escape the sexy fae leader, and her entire world explodes.

Brexley is thrown into a nefarious web of politics, desire, betrayal, lies, and truths that will shatter her foundation and who she is, what she believes, and who can be trusted. No longer is there a clear line between good and bad.

Hunted by both sides, Brexley is on the run and must untangle all the lies, deceit, and deceptions, before she becomes another victim in the wild lands.

Lover Unveiled (The Black Dagger Brotherhood series Book 19)

Author: J.R. Ward

Sahvage has been living under the radar for centuries—and he has every intention of staying “dead and buried.” But when a civilian female sucks him into her dangerous battle with an evil as ancient as time, his protective side overrides his common sense.

Mae has lost everything, and desperation sets her on a collision course with fate. Determined to reverse a tragedy, she goes where mortals should fear to tread—and comes face-to-face with the Brotherhood's new enemy. She also discovers a love she never expected to find with Sahvage, but there can be no future for them.

Knowing they will part, the two band together to fight against what Mae unknowingly unleashed—as the Brotherhood closes in to reclaim one of their damned, and the evil vows to destroy them all....

Whispers of Fate: Dark Paranormal Romance (The Fae Chronicles)

Author: Amelia Hutchins

From WSJ and USAT Bestselling Author Amelia Hutchins comes a story of betrayal and hope.

Old acquaintances are gathering as events unravel and unmask new obstacles in war-torn Faery.

Kahleena assumed the Fates had offered her a glimpse into her destiny. She expected the events to unfold as they had in her vision. How complicated could it be to convince one male that their futures are united and created for one another? She never anticipated he'd be the smug, arrogant sociopath who aimed to reclaim what was once his. It also doesn't help that he's the hottest man she's ever clapped her sights on. Arius is carnality in its truest form. His touch ignites a fire within her that she's unprepared to feel, and his lips are the tinder which set her soul ablaze with passion.

The walls of the prison have fractured, and Arius is finally free to make those who slaughtered or imprisoned his people pay. Abducting the daughter of the high king and queen is only the first step. Kahleena Danann was supposed to be a mouthy, spoiled princess. She should have been on her knees, pleading for mercy. Instead, she stands toe-to-toe with him and savagely declares exactly where he can stick his intentions with voluptuous lips and brilliant eyes flickering with fury. The girl, who is full of innocence and exquisite beauty, is unlike any woman he's encountered before and threatens all his carefully plotted revenge.

Will Kahleena be capable of withstanding his savagery and heated lips?

Can Arius stick to his plans for vengeance, or will one golden-eyed beauty ruin everything he's been planning for the last millennium?

Will Synthia and Ryder be able to face the truth of what is heading straight for their kingdom? Or will it force them to confront the enemies hell-bent on making them pay for the atrocities carried out in the past?

Welcome back to Faery, where nothing is what it seems. With two factions about to collide, who will rise and become the true ruler of the Realm?

This is a prequel to Kahleena's story and not needed if following the storyline.

Warning: This book consists of an antihero, and a sassy, savage beauty that refuses to tremble before his domination or wrath. If you don't love fantasy worlds, dark fantasy aspects, with a scorching undertone, this might not be your thing.

There's graphic language because she's going to put him in place. Polite words won't get her point across. He's obtusely hardheaded.

There's violence, because how else will he understand she means business?

There's intensity because who doesn't love some escapades blended with sizzling undertones? Who am I kidding, there are no undertones. It's going to be a wall-banging, bed-shaking, scorching fable of deceit, triumph, love-hate-ish (We don't do that tender crude here) and endurance.

This book has adult subject matter, graphic fighting scenes and is NOT meant for anybody under 18. But when you're of age, come on back and check it out.

Eye of the Hurricane (The Girl in the Box Book 49)

Author: Robert J. Crane

In the aftermath of the world-changing events of her last adventure, Sienna Nealon stands at a crossroads in her life, unsure of which direction to take.

Crown of Shadows (A Relic Hunters Novel Book 1)

Author: Keri Arthur

Never mess with the relics of the old gods... or the pixies who once guarded them.

After her mom's disappearance six months ago, Bethany Aodhán has been running their tavern in old Deva—something her family had been doing ever since a light-fingered pixie lost them the job of guarding the treasures of the old gods eons ago.

Then her brother, Lugh, is attacked, his best friend murdered, and the tavern firebombed. A confrontation with a former lover leads to the discovery of another murder and a missing jewel from a godly relic, and Beth learns that the Éadrom Hoard—one of three godly hoards now guarded by the elves—has been stolen.

But this is no ordinary theft. Darker forces are at work, and they're not only seeking the means to resurrect a god of destruction but the power to forever banish daylight. That power lay with Agrona's Claws—three godly artifacts that, when used together, give the user full control over night itself.

With the webs of suspicion drawing ever tighter around them, Beth & Lugh—with the help of two sexy elves and a cantankerous old goddess who knows far more than she admits—race to find the missing artifacts before those intent on unleashing chaos.

It's a race they must win, because it's not just their lives on the line, but the fate of modern-day England.

Wild Sign (Alpha and Omega Book 6)

Author: Patricia Briggs

Mated werewolves Charles Cornick and Anna Latham must discover what could make an entire community disappear--before it's too late--in this thrilling entry in the #1 *New York Times* bestselling Alpha and Omega series.

In the wilds of the Northern California mountains, all the inhabitants of a small town have gone missing. It's as if the people picked up and left their possessions behind. With a mystery on their hands and no jurisdiction on private property, the FBI dumps the whole problem in the lap of the land owner, Aspen Creek, Inc.--aka the business organization of the Marrok's pack.

Somehow, the pack of the Wolf Who Rules is connected to a group of vanished people. Werewolves Charles Cornick and Anna Latham are tasked with investigating, and soon find that a deserted town is the least of the challenges they face.

Death sings in the forest, and when it calls, Charles and Anna must answer. Something has awakened in the heart of the California mountains, something old and dangerous--and it has met werewolves before.

Hunter's Moon (Rebel Wolf Book 2)

Author: Linsey Hall

It's time to claim my fate

Last week, I was a hotel maid who had no idea magic existed. Today, I'm the prisoner of a werewolf pack. I had to steal from them to save a friend, and now I'm behind bars. The shifter council has given me two choices — fix the problem I've created. Or die.

To make things more complicated, the werewolf alpha is my fated mate—and now he hates me for my betrayal. The attraction between us is off the charts, but it doesn't matter. His loyalty is to his pack. He would avoid me if he could, but he can't. When we're forced to work together to save his pack, it becomes clear that neither of us is going to escape with our hearts intact.

***Hunter's Moon* is the final book of Linsey Hall's enemies to lovers, fated mates romance duology. If you like humor, spice, and action, then this is the series for you.**

Sticks and Crones (A Spell's Angels Cozy Mystery Book 7)

Author: Amanda M. Lee

When Scout Randall's past came into focus, she thought the hard part was behind her. She was wrong.

Now, not only is she dealing with a day-walking vampire who has all the strengths and none of the weaknesses associated with his kind, but there's also a new bloodsucker in town ... and this one is out for revenge.

When she killed the last master, Scout assumed that was it. She didn't count on him having a brother. That brother is intent on making her pay, and he's not shy about dropping bodies in an attempt to rattle her along the way.

Scout has a sister she can't trust, a former partner she's trying to bring back to the world of the living, and a crew that's often steeped in drama. When you add the Winchesters from Hemlock Cove into the mix, she has her hands full. A new vampire gang is the last thing she needs, especially when people start falling under glammers and making targets of themselves.

Scout has magic and might on her side but the fight she's facing could force her to make a choice she never thought she would have to make.

Darkness is taking over Hawthorne Hollow. Vampires are gathering evil forces to take over the town.

The fight is on.

Witch Haunt (A Dewsbury Down Paranormal Cozy Book 1)

Author: Willow Mason

It's a shock to find my new attic apartment is haunted. Even worse, the ghost is a witch!

My life finally seems to be back on track when I arrive in the tiny town of Dewsbury Down, leaving my bitter ex-fiancé far behind. However, my fresh start soon takes a turn for the worse when I overlook the fine print on my new lease. The bit about how renters must share the rooms with a spirit and endure the disembodied howls of her invisible cat.

So far, so bad.

When the ghost reveals she's a witch and suggests I create a potion to put things right, I embark on a treasure hunt for obscure ingredients. A task made harder by her contact list being a good twenty years out of date.

Between juggling the demands of an unexpected job and ignoring my crush on the local café owner, there's little room for further surprises. But as more evidence about my ghost companion comes to light, I must investigate. Did she die from natural causes... or murder?

Dewsbury Down Paranormal Cozies are quick two-hour reads that will keep you on the edge of your seat without keeping you awake all night.

They're crammed with clues, red herrings, and all shades of things that go bump in the night, but are free of cliff-hangers, intimate scenes, gore, and swearing. Enjoy!

Moon Touched (Zodiac Wolves Book 1)

Author: Elizabeth Briggs

A TOP 5 AMAZON BESTSELLING SERIES

My fated mate rejected me—and now I've been captured by someone even worse.

As the half-human outcast of the Cancer pack, I've been beaten and bullied my whole life. Gaining my wolf form and my fated mate is my only chance to change packs and hope for a better life.

Except when my fated mate is revealed, he's the future alpha of the Leo pack—our worst enemies. He rejects me in front of everyone, just before the Leos slaughter my entire pack and murder my family.

I manage to escape, but then I'm kidnapped by a far greater threat: the alpha of the mysterious lost pack. The 13th sign was banished from the Zodiac Wolves years ago, and I thought they were just a myth.

They're real. They're holding me captive. And the dark, dangerous alpha is offering me something I can't refuse—revenge.

Moon Touched is the first book in the scorching hot Zodiac Wolves series.

Quantum of Nightmares (Laundry Files Book 11)

Author: Charles Stross

A unique blend of espionage thrills and Lovecraftian horror, Hugo Award-winning author Charles Stross's Laundry Files continues with *Quantum of Nightmares*.

It's a brave new Britain under the New Management. The avuncular Prime Minister is an ancient eldritch god of unimaginable power. Crime is plummeting as almost every offense is punishable by death. And everywhere you look, there are people with strange powers, some of which they can control, and some, not so much.

Hyperorganized and formidable, Eve Starkey defeated her boss, the louche magical adept and billionaire Rupert de Montfort Bigge, in a supernatural duel to the death. Now she's in charge of the Bigge Corporation—just in time to discover the lethal trap Rupert set for her long ago.

Wendy Deere's transhuman abilities have gotten her through many a scrape. Now she's gainfully employed investigating unauthorized supernatural shenanigans. She swore to herself she wouldn't again get entangled with Eve Starkey's bohemian brother Imp and his crew of transhuman misfits. Yeah, right.

Mary Macandless has powers of her own. Right now she's pretending to be a nanny in order to kidnap the children of a pair of famous, Government-authorized superheroes. These children have powers of their own, and Mary Macandless is in way over her head.

Amanda Sullivan is the HR manager of a minor grocery chain, much oppressed by her glossy blonde boss—who is cooking up an appalling, extralegal scheme literally involving human flesh.

All of these stories will come together, with world-bending results...

"For all of Stross's genuine ability to spook and dismay, *The Laundry Files* are some of the most tremendously *humane* books I've ever read."
—Tamsyn Muir, author of *Gideon the Ninth* and *Harrow the Ninth*

Still Left Out By the System: Post-Apocalyptic LitRPG Adventure (Lonely Apocalypse Book 2)

Author: Constantin Step

Imagine being the only human left on an Earth occupied by monsters, aliens, and worse. Sounds terrible? Well...it's not so bad when you are an introverted battle junkie like me.

Honestly, I was almost starting to appreciate being left behind while everyone else was given the chance to prepare for the mess Earth had gotten itself into. On a side note, it turns out I'm pretty good at hunting monsters. Though dragons and such are a bit out of my league. Just a bit.

I survived dozen-something kobolds that wanted me dead, and now it's time to pay back their leader. Unfortunately for the poor doggies, I have made some allies. Allies they're gonna hate.

There's just one tiny detail that bothers me. My talking cat companion is hiding something. Something big. Something that has the potential to make deadly monsters the least of my worries. . .

Series info: *Lonely Apocalypse 2: Still Left Out by the System* is the second volume in the thrilling LitRPG series. Fans of the RPG genre will find a sophisticated progression system with Levels, Ranks, and Quests built upon compelling logic. As our hero seeks magical powers via Concepts—special abilities based on each individual's personal traits—he grows not only in power but as a person, too. Follow Lex as he uncovers shocking truths about himself and his home planet alike. Why did the enigmatic System call it Mirror Earth, anyway? The answers lie in this latest addition to the Post-Apocalypse genre!

Million Dollar Demon (Hollows Book 15)

Author: Kim Harrison

To save the city, Rachel Morgan will need to show some teeth in the next *Hollows* novel from #1 *New York Times* bestselling author Kim Harrison.

The new master vampire of Cincinnati has arrived . . . and she wants Rachel Morgan out. No matter where Rachel goes, Constance is there--threatening Rachel's allies, causing city-wide chaos, and, to add insult to injury, even forcing Rachel out of her current quarters. Ever since Rachel found a way to save the souls of vampires, the old undead's longtime ascendancy has been broken. Now Constance sees eliminating Rachel as the key to consolidating her own power.

Rachel has no desire to be enthralled or killed--and she's terrified of what may become of the city if Constance forces a return to the ancient ways. But even a witch-born demon can't stand against the old undead--at least, not alone. And if Rachel refuses to claim the role of Cincinnati's master demon, the city will tear itself apart, taking her and all those who stand beside her with it.

Dark Horse: Nate Temple Series Book 16

Author: Shayne Silvers

Rage, rage against the dying of the light

In the stygian darkness beneath his ancestral mausoleum, Nate sets out to explore the shadowed history of his infamous Temple ancestors.

And to brutally destroy a poisonous weed threatening to strangle his family tree.

Aiden Maxon, Nate's half-brother, is on the warpath, committed and capable of killing everything and everyone Nate loves and holds dear. But...

Are they truly brothers? Was that a lie?

In the obsidian Temple of Reverie, Nate will face a choice: vengeance or virtue, power or principle, history or future, hate or love...

Despair or Hope.

The caverns of Hell will scream, the Rivers of the Dead will boil, and the Dark Horse will hike up a mountain of skulls to lead the Dread Four into battle. The crimson storms will rage as he hunts down his foe across the pages of history.

Let us hope that not all will be abandoned in Nate Temple's conquest for vengeance...

Let us hope that the last flicker of light in the Horseman's eyes does not die and plunge the world into the abyss before the true battle begins. The drums of the Omega War will sound like the beating heart of an awoken giant, and it will be impossible for anyone to ignore.

If you like Jim Butcher, Sarah J. Maas, Kevin Hearne, Steve McHugh, Michael Anderle, Ilona Andrews, Patricia Briggs, Shannon Mayer, or K.F. Breene, you won't be able to put down the highly addictive Nate Temple Series.

Shadow Angel: Book Two

Author: Julie Hall

He's gone, and the worst part is, I don't know if he's dead or alive.

I dealt with the curse. I picked my side. The hellish nightmare that I woke up to when I discovered I was a Watcher should be over, but it's not. Weeks have passed with no sign of Gage and I can't seem to move on, but a war is brewing and wallowing is no longer an option. With the ruler of the Netherworld after me, my new mission not only affects one realm, but all of them.

Save my mom.

Save the souls.

Save the world.

No pressure.

Zodiac Academy: The Awakening As Told By The Boys

Author: Caroline Peckham

****This is a retelling of book 1 of Zodiac Academy from the perspective of Orion, Darius, Caleb, Seth and Max****

The Vega twins are alive.

Those five words circle in my mind like an oncoming storm. They change everything about the future we thought had been set in stone. They challenge everything we were raised to be and the stability of the entire kingdom.

They're coming to our academy looking for the life that was stolen from them, but we can't let them take it back.

So much hangs in the balance and we can't risk the arrival of two naïve princesses destroying everything we worked so hard for.

I have trained in dark magic, overcome all challenges and stood in the shadow of Lionel Acrux for far too long already. I won't let them come between me and his downfall.

Which means they have to go before they discover how powerful they truly are.

This is a retelling of the first book in the Zodiac Academy series from the point of view of Orion and the Heirs and should be read after you have finished the original story. It includes scenes from alternative points of view as well over 50k words of additional content and scenes which have never before been revealed. So prepare to step into the dark minds of the Zodiac boys and watch out for the heartbreak and carnage that will ensue.

Peppered

Author: Scott Kimmins

At 82 Years old, Lester just wants his wife back from a coma, when another senior resident of the lavish old age home appears and exerts a strange gravitational pull on Lester. His intoxicating blue eyes, his melodic voice, and his miraculous freckles draw Lester down a path of discovery and enlightenment. In the end, they will help each other, but the path isn't always easy for those that get involved with the mysteriously freckled Dawson Hughes. Only through discovering the other people that this enigmatic man, Dawson, nicknamed Pepper, has helped does the reader realize this tale is more about the triumph of love, acceptance, and overcoming our own little battles in life. Mix in a little bit of miracle and you have Peppered.

Of Gods & Monsters (Elysian Gods Book 1)

Author: Zavi James

"I don't think getting to know me that intimately is part of the job description," I whispered in her ear, amused by the salacious thoughts. Who'd have guessed the stiff in the lab coat would have such a dirty mind? "Let me make this clear. I would never touch a filthy mortal like you in such a way."

Dr Quentin Scott doesn't believe in the Gods. Forsaken at every turn of her life, she refuses to kneel before them and beg for scraps. But when she is recruited to the E.L.I. project, Quen is forced to come face to face with the Gods she detests.

Grayson, God of Chaos, never wanted to be part of the project. He would happily spend his days in Upper Elysia, watching the madness he created unfold amongst the mortals, but he's outnumbered. When he's paired with a disrespectful nonbeliever, Gray's temper leads his every action. And then he senses the chaos that lies beneath the pretty façade, and he vows to break her.

As Grayson and Quentin lock horns over the smallest things, something sparks between them. But a spark can become a raging inferno in the blink of an eye and the damage done may be irreparable. When secrets emerge that could shift the balance of powers in Elysia, decisions must be made and there's no such thing as an easy choice.

The Gods have come to play, but it's a dangerous game. Who can you trust?

This book contains sexually explicit scenes, mature language, discussion of deceased parents and a train accident and OM/OW drama. Not intended for readers below 18. Reader discretion is advised.

Midlife Zombie Hunter (The Forty Proof Series Book 5)

Author: Shannon Mayer

Good rule of thumb: Don't pick a fight with Bree O'Rylee. She might be over forty and run with a limp, but that doesn't mean she won't track you down and drive the tip of her boot right up your . . .

Bree was hoping for a few days off from dealing with monsters, bad guys, or general weirdness that doesn't fit into a human box of what is supposed to be real.

What she got was a stay in the hospital with an undead roommate and a whole new set of problems that keep rising from the grave.

But her love life is at least on track. Until it's not. And when it goes sideways, it jumps straight into the drink and sinks to the bottom.

Now, Bree has to put her heart on the back burner as she is offered a major job hunting down the very person causing all the undead to rise. And she has two days to do it before the whole town turns into a scene from the Walking Dead.

Time to pull up your big girl panties and swig a little whiskey. Things are about to get interesting.

City of Thorns (The Demon Queen Trials Book 1)

Author: C.N. Crawford

I never thought I'd be singing happy birthday to myself in a dungeon. And yet when a sinfully sexy demon crashes happy hour, that's exactly what happens. He's known as the Lord of Chaos, and he's mistaken me for my succubus doppelgänger.

Happy birthday to me.

When he tastes my blood, he finally understands I'm mortal. And I realize we have something in common: we both crave revenge. So we make a deal: I can stay in the forbidden city to hunt for my mom's killer. In return, I'll help him get the vengeance he craves. I just have to pose as a sexy succubus. One problem--he's my number one suspect.

And that's increasingly hard to remember as he teaches me my role: seduction. With each heated touch I drift further into peril. And if I fall under his seductive spell, death awaits me.

Demon Blood (Shadow City: Royal Vampire Book 3)

Author: Jen L. Grey

The shadow taunts me even in death.

Everything has changed, and the reflection in the mirror is almost unrecognizable. My soul mate, Alex, and our friends help to ground me.

However, what I've become is still unknown, and the abilities I have aren't anything we're familiar with.

As our enemies become more desperate, they're willing to sacrifice everything to kill me--even going so far as to contact a long-lost enemy, despite the consequences.

We quickly learn things aren't what they seem and that my heritage changes everything.

Including me.

United: Magiford Supernatural City (Pack of Dawn and Destiny Book 2)

Author: K. M. Shea

A wolf is attacking the humans of Timber Ridge and changing them into werewolves—against their will.

The change process is extremely dangerous and involves bloodshed. It isn't something that happens by accident, which can only mean one thing.

Someone is doing this on purpose.

I'm going to find the rampaging sicko responsible for this outbreak, even if it means I have to master my new magic to stop them.

Thankfully, Greyson—the Pack Alpha and the most powerful wolf in the Midwest—is always down for a hunt. The only problem is that I'm starting to find him attractive—which is the worst thing I could do. He's got an incomplete mate bond, and since I'm a hunter, I could never be a wolf's mate.

That's okay. I'm used to being alone. I'm a werewolf hunter, not part of the Pack. But that's an awfully dangerous place to be when there is a rogue wolf on the loose.

United is the second book in the Pack of Dawn and Destiny urban fantasy trilogy, and is part of the Magiford Supernatural City world. It features werewolves, hunters, and fae, and is filled with humor, adventure, and a sweet romance that will have you laughing out loud.

Hunted: Magiford Supernatural City (Pack of Dawn and Destiny Book 1)

Author: K. M. Shea

Ever feel like you don't belong?

Try being a hunter living with werewolves. I'm the definition of "doesn't fit in". I'm not Pack, but I'm not the enemy, either.

I struggle to survive among werewolves who are stronger and faster than me, and are competitive enough to break a bone or two for the sake of "fun."

Greyson, their alpha, is the worst of them all.

Blatantly relentless and twice as deadly, Greyson rules the Pack and expands its territory even though it's already the largest in the region. I just wish he'd stop interfering with my life. He's got enough trouble of his own with his incomplete mate bond, but he's made it his hobby to tease and test me at every opportunity.

Doesn't my life sound fun?

When wolves from surrounding packs start mindlessly attacking the innocent humans in our city, Timber Ridge, everything changes.

Werewolves don't turn feral without reason. Which means someone is making this happen, and they're targeting our Pack.

I don't like where this is going, but how am I supposed to stop a feral wolf outbreak when I'm just one hunter? Can Greyson and I set aside our differences to see the Pack through this?

Hunted is the first book in the Pack of Dawn and Destiny urban fantasy trilogy and is part of the Magiford Supernatural City world. It features werewolves, hunters, and fae, and is filled with humor, adventure, and a sweet romance that will have you laughing in delight.

The Witcher meets The Selection ...

She ran from him... but couldn't escape her heart.

Lord Gabriel Phel wants one thing: to rebuild the shattered fortunes of his people and restore his ruined house to its former station in the Convocation's highest tiers of elegant society. Fortunately, through a wild chance of birth, he was born with powerful wizard magic, the first in his family in generations. If he can obtain a familiar to amplify his magic, a highborn daughter he can marry, to be mother to his children, he'll be that much closer to saving his family. With her by his side, he can ascend to such a position of power in the Convocation that he can destroy it forever.

Lady Veronica Elal, captive in her tower, has only one way out. To her bitter disappointment, she will never be a wizard. Instead, through a twist of fate, and despite her expensive Convocation Academy education, Nic is doomed to be a familiar like her mother. Forced to participate in the Betrothal Trials, she receives a wizard suitor for one night each month. Whichever man impregnates her will bond her to them forever. With no choice but to serve the one who wins her, Nic has one hope for control over her life: a wizard she can manipulate.

Gabriel Phel seems like the perfect choice for Nic's gambit—he's desperate and untutored in wizardry—but within moments of meeting him, she feels the bonds of magic tying them together. Afraid of losing her will to the compelling wizard who touches her heart like no other, Nic does the unthinkable: she runs. Pregnant and alone, Nic eludes monstrous hunters, searching for a safe haven. But when Gabriel catches up to her, their adventure has only begun.

Forget Being the Villainess, I Want to Be an Adventurer! Volume 1

Author: Hiro Oda

Serephione Granzeus is your average three-year-old girl...or so she thinks, until she meets Lou, the super-fluffy Holy Guardian White Tiger. Memories of her past life as a Japanese businesswoman come flooding back to her, and she realizes she's part of a fantasy book she read before, but as the villainess. Yet her past life isn't all that she remembers; she can recall her life as the original Serephione, and her sadness, and her pain...

After making a contract with Lou, she comes up with a plan to change the plot and avoid the villainess's dark fate: become an adventurer and avoid everyone from the book! But the more she diverges from the plot, the more unpredictable the other characters become. How will she keep everyone from learning her secrets and spoiling her plans?

Mars System Reboot

Author: Dave Willmarth

Late 21st century Earth is overcrowded, her natural resources dwindling rapidly. World governments and greedy mega corporations are forced to work together toward a solution.

A crew of ten humans are sent to Mars aboard *Hyperion I* to locate a suitable site and establish the first colony. After a months-long flight to the red planet, just as they are about to descend to the surface, problems arise. A careless accident kills a crew member, damages the ship, forcing the others to launch early. And that's just the beginning of their troubles.

On day one they learn that magic is real, and that the planet, in fact the entire galaxy, is governed by a complicated and merciless System. Their assimilation into the System makes them enemies of the paranoid powers that be on Earth, and they find themselves cut off. No communications with family, no resupply, they're on their own on a mostly dead world.

And nearly every form of life they do encounter is out to kill them.

Join Commander Fletcher and her crew as they struggle to survive a new world with new but familiar rules.

Star Cursed (Zodiac Wolves Book 2)

Author: Elizabeth Briggs

My fated mate rejected me, and now he wants me back. I'd rather die.

I'm being held captive by my worst enemies, the Leo pack. My fated mate is their new alpha, and he says he has big plans for me. For *us*.

But no matter how much the mate bond tries to convince me he's the one, there's another man I can't stop thinking about: the alpha of the lost pack. My new pack.

Kaden thinks I went willingly with my mate and turned my back on him. I don't know if he's coming for me, but I'm not giving up 'til I find my way back to him—and to my new family.

I'm an Ophiuchus. I'm Moon Touched. And my enemies have underestimated me for far too long.

Star Cursed is the second book in the scorching hot Zodiac Wolves series.

Apocalypse Cultivator 3: A Cultivation Fantasy Adventure for Men (Warped Earth)

Author: Jack Bryce

I fought to find my family. Now, I'll fight to keep them.

In a post-apocalyptic world plagued by mutants and raiders, safety is only an illusion. The question isn't *if* trouble will find us, but *when*.

The other survivors reckon themselves safe and comfy. They consider *me* the troublemaker. But they're blind. The clouds are gathering, and something terrible is breaching the veil to our dimension.

The war for Earth is about to enter its second phase.

Disclaimer: This western cultivation harem fantasy adventure for men is part three of the Warped Earth series. It features:

- A Cultivator MC with two Cores and Dual Cultivation techniques.

Shadow Bitten (Shadow City: Royal Vampire Book 2)

Author: Jen L. Grey

Death lurks in the shadows.

Finding my sister changed my entire life. A secret that haunted my past resurfaces and hides in the shadows, taunting me. Not only that, but I learned that the world is full of supernaturals, and even more surprising, my fated mate is a vampire.

Threats surround me with more obstacles surfacing at every corner, and what's worse is they don't solely affect me anymore. My mate's foundation is rocked, and even the silver wolf and her friends who protect me have become targets.

Our enemies are closer than we realize, and they are desperate for me to leave Shadow Terrace and my mate behind by any means possible; nothing is off the table, including death.

No one is safe.

Especially me.

Grey Magic: a Dark Fantasy Romance (Bonds of Magic Book 3)

Author: Jeffe Kennedy

His Darkness, Her Brightness... Together They Defy the World

Lord Gabriel Phel at last holds his dream in his grasp—and faces losing everything. He's finally won the love of his wife, familiar, and mother of his child, and she offers him a heartfelt commitment he can truly believe in. Together they're building a true house, one with a growing family of friends and allies that can help them stand against their enemies. And he's learning to master his magic, to use it as the powerful tool and weapon it should be. But old and new enemies array themselves to take it all away.

Lady Veronica, now fully of House Phel, is doing her best to embrace happiness. After all, she has her hands full managing her mercurial and powerful wizard as he navigates taking his place as the head of their house, and with learning her own extraordinary ability. But she fears whatever peace they win won't last long. When their enemies inevitably strike—including, perhaps, her own father—they must be ready to defend all they hold precious. It doesn't help that her idealistic

husband insists on making foolishly noble decisions that put them at even greater risk, nor that she loves him all the more for it.

As Nic and Gabriel struggle to put their household in order, giving ill-advised safe harbor to Nic's runaway sister and risking their lives to save Gabriel's sister's sanity, their enemies draw the noose tighter on their well laid plans. When the unthinkable occurs, it's up to both of them to trust in the nascent, unknown magic they've woven together.

Lord of Embers (The Demon Queen Trials Book 2)

Author: C.N. Crawford

Once, I was a broke college student. Now, it seems I'm destined to rule as the Lightbringer--queen of the demon realm. Except I have competition in the form of Orion, the Lord of Chaos. Like me, he has been marked as a leader. We can't keep our hands off each other, even if he swore an oath to kill me.

It seems we both want the same thing--the crown. And in this battle of wills, only one of us will be left standing.

Daddy Biker Bear: A Bear Shifter Romance (Bears Of Forest Heights Book 1)

Author: Roxie Ray

I trusted a shifter with my virginity. Until he got me pregnant. Then he rejected me as his mate.

I was young and naive when I fell hard for bad boy Grizz, a shifter who was hot enough to melt my good girl heart. Big mistake. Because when good girls are naughty, they end up pregnant.

Now I'm back in Forest Heights to care for my aunt with my son Rainer—the son I've been raising on my own for nine years because gruff, tough Grizz didn't believe our baby was possible.

But Rainer is living proof that shifters and humans can have babies, and now he's showing signs of growing up to be just like his daddy. When Grizz realizes Rainer is his, he says he wants to get to know him. And the problem is, I'll do anything for my son.

Except open my heart to Grizz again. I won't be rejected twice. And it's far too dangerous, especially when a rival biker gang has their sights set on his patch of turf...

Ignite the Fire: Inferno

Author: Karen Chance

Ignite the Fire: Incendiary struck a match; Ignite the Fire: Inferno brings a firestorm!

Cassie Palmer, once a down on her luck clairvoyant and now the chief seer of the supernatural world, is in the fight of her life. While on a rescue mission in Faerie, she is kidnapped by a king of the fey named Aeslinn. He is her sworn enemy and has every reason to want to kill her, yet instead he offers a trade: her life for that of her lover, John Pritkin.

Cassie doesn't know what the king's game is, only that it involves his alliance with Zeus, the head of the ancient pantheon who used to rule all of Earth and who is determined to do so again. In order to save her lover, and the world, she has to figure out what Zeus and his royal puppet are up to. She also has to stop them, even if it means taking on the king of the gods himself.

Last Guard (Psy-Changeling Trinity Book 5)

Author: Nalini Singh

An instant *New York Times* bestseller!

***New York Times* bestselling author Nalini Singh returns to a world devastated by change in her award-winning *Psy-Changeling Trinity* series, where two people defined by their aloneness hold the fate of the Psy in their hands. . . .**

Termed merciless by some, and a robotic sociopath by others, Payal Rao is the perfect Psy: cardinal telekinetic, CEO of a major conglomerate, beautiful—and emotionless.

For Canto Mercant, family and loyalty are everything. A cardinal telepath deemed "imperfect" by his race due to a spinal injury, Canto cares for the opinions of very few—and ruthlessly protects those he claims as his own. Head of intel for the influential Mercant family, he prefers to remain a shadow in the Net, unknown and unseen. But Canto is also an anchor, part of a secretive designation whose task it is to stabilize the PsyNet. Now that critical psychic network is dying, threatening to collapse and kill the entire Psy race with it.

To save those he loves, Canto needs the help of a woman bound to him by a dark past neither has been able to forget. A woman who is the most powerful anchor of them all: Payal Rao. Neither is ready for the violent inferno about to ignite in the PsyNet . . . or the passionate madness that threatens to destroy them both.

Saint? No! I'm Just a Passing Beast Tamer! Volume 1

But Kanata has a secret. There is something she must obtain at any cost. Something more precious to her than her own life—her quest for the fluff! Kanata loves fluffy fluffy critters more than anything, and would go to any lengths to pet their soft fluffy fur. Saint? No! She's just a passing Beast Tamer!

Vampire Detective Midnight Collection One: Books #1-3: A Vampire, Fated Mates, Science Fiction Detective Series (Vampire Detective Midnight Box Sets Book 1)

Author: JC Andrijeski

The first THREE (3) books in the VAMPIRE DETECTIVE MIDNIGHT series!

Vampire Detective Midnight (Book #1)

Eyes of Ice (Book #2)

The Prescient (Book #3)

* * *

VAMPIRE DETECTIVE MIDNIGHT (Book #1):

Nick Midnight, homicide detective, had his heart ripped out, stomped on, destroyed. It nearly killed him.

He doesn't talk about that. Anyway, things will be different in New York. No complications. No kids needing his help. No relationships. None of that human-vampire-psyhic crap that got him in trouble in the past, or turned him evil for nearly a century. He'd toe the line, keep his head down, and do his job for the NYPD, where he works as a Midnight, a vampire who helps humans hunt down murderers.

Then Wynter James shows up.

A gorgeous, sexy, seer-human hybrid, Wynter treats Nick like she already knows him, like they've known one another for years. Nick wants her, bad, but he knows it's a terrible idea, and not only because they're not even legally allowed to date.

In other words, she's Nick's worst nightmare. She's everything he swore he'd never do again.

To make things worse, everything goes sideways with his first big case—dead hybrids, a seer kid who needs his help, graffiti that tells the future, a possible conspiracy involving the richest humans in New York.

* * *

EYES OF ICE (Book #2):

“A hundred thousand to fight. Twice that, if you win.”

Walking up to Nick at the underground vampire fights, a well-dressed promoter hands Nick a card, offering him a bucketload of cash for a few hours' work.

All he has to do is fight another vampire.

If Nick can pull it off, he might have a lead on a big new case. Someone in the boxing circuit is murdering vampires, selling their parts on the black market, dumping their desiccated bodies outside the city dome. The NYPD doesn't have a clue who's behind it, and the lead detective wants Nick to use his new “in” to get inside the exclusive fight community.

Of course, Nick's new hybrid girlfriend, Wynter James, hates everything about this plan. Nick's not even supposed to be there; he's still officially suspended from his last big screw-up with the racial authorities. He decides to risk it anyway, and by the end of the first match, half the underground boxing community knows who he is.

Unfortunately, the vampire-harvesting crew has their eye on Nick, too.

As for Wynter, she's convinced Nick has a death wish. At the very least, she suspects he'd do just about anything to avoid the intense, volcanic, vampire emotions that come up whenever they're together.

* * *

THE PRESCIENT (Book #3):

Nick swore he'd never bite her. He swore he'd never make her addicted to his blood.

An explosion rocks a famous building in Manhattan, blowing out whole floors, panicking the entire city. While everyone assumes terrorism, it looks like a robbery gone wrong, but no one knows what they tried to steal, or if they went there to commit murder.

Nick has no leads—just a dead human, and the dead human's business partner, the city's star architect, an eccentric vampire named Straven.

He's also got Malek, a prescient seer who paints the future, and who desperately wants to warn Nick about this case. Unfortunately, Mal is strange as hell, cryptic to the point of infuriating, and doesn't understand his own prescient paintings well enough to explain them to Nick.

None of that bothers Nick as much as Wynter, who he misses to the point of physical pain. After everything that happened during his *last* big case, Nick forced himself to break things off with her, if only to keep her safe, and both of them out of prison. Most of all, he did it to keep her safe from *him*, and the fact that seers become addicted to vampire venom.

The King of All Vampire Kings: A Supernatural Romance (The Awakening Series Book 1)

Author: Sondreen J.

Claire is born in the monstrous world of vampires, where she is abused and tortured. She grows up as a slave without knowing where she comes from and who her parents are.

However, slavery can never break her soul in searching for freedom and dignity as human.

Her life changes when she becomes King Nicklaus's chosen.

Little does she know that her quest for her identity has just begun.

Wild Knight (Midnight Empire: The Tower Book 1)

Author: Annabel Chase

In a world of darkness where royal vampires are in charge, I spend my days working as a knight in the city formerly known as London. Instead of a lance and a horse, I rely on my trusty axe, Babe, and ride the occasional dragon. Every day new threats emerge that require a dash of magic and a dollop of attitude.

Good thing I have both.

Naturally danger comes with the territory. What no one knows is just how dangerous it is for me. If our vampire overlords discover what I am, they'll execute me on the spot—no questions asked—which is why I avoid them at all costs.

Until now.

If only this one didn't have a lethal reputation, a princely pedigree, and a quest that leads to more questions than answers. The heat between us doesn't help matters.

Unfortunately I can't refuse a royal command, so I'm stuck until the job is complete.

And even if the job doesn't kill me, the truth just might.

If you like humor, heart, a kickbutt heroine and an enemies-to-lovers romance, check out **Wild Knight, Midnight Empire: The Tower**, the first book in a new urban fantasy series.

The Exceptional Sophia Beaufont Omnibus Books 1-12

Author: Sarah Noffke

The first dragon rider in over a hundred years has been born. And it's a girl.

Never before has a female been chosen to ride a dragon. Join Sophia as she conquers evil, as the dragon riders should have been doing for centuries with the first 12 books in The Exceptional Sophia Beaufont series!

The Elite, a guild comprised exclusively of dragon riders, is dead according to most. No one has seen a rider in decades. The problems they used to fight overwhelm the world. Dragons are thought to be near extinction.

However, the Elite aren't dead...

It's just that a bunch of crusty, old men who do nothing that benefits the world at large are easy to mistake as useless corpses.

Sophia Beaufont is about to change all of that.

When the dragon egg that magnetized to her hatches, it sets Sophia on a new course. The Elite are immediately notified. She's expected to train. To defend. To fight.

Sophia is ready to conquer evil, as the dragon riders should have been doing for centuries.

However, the Elite have been turning a blind eye, allowing the world to be overrun by criminals.

That's all about to change.

S. Beaufont isn't a girl who will be told to sit down and relax when a war is brewing that only a dragon rider can extinguish.

Included in this 12 book box set:

1. The Unlikely Dragonrider
2. Agitation of Fear
3. Negotiate or Perish
4. Call the Shots

The Three Kings (Forsaken Book 3)

Author: Penelope Barsetti

My husband betrayed me.

Forgiveness isn't an option.

I'll ask Queen Rolfe to break our marriage. We both want it.

Not to mention—she owes me.

Midnight Moon (Rebel Wolf Book 1)

Author: Linsey Hall

Werewolves aren't real....right?

I've been on the run from the mob for years. But no one can hide from the City Pack forever. When they find me, they give me two options—pay back my father's debt or die.

If I want to live, my only shot is to rob the most powerful man in the city—the gorgeous Garreth Locke. He has a smile to melt your heart and a body to scramble your mind.

But Garreth isn't just a hot, rich guy. Turns out, he's a freaking werewolf. And he wants me as much as I want him. Problem is, he's also dangerous. I can't let him know I'm trying to steal from him to pay back my enemies. I have no idea how I'm going to get out of this alive, or with my heart intact.

***Midnight Moon* is the first in a new werewolf fated mates trilogy by Linsey Hall.**

Earth Magic Rises, The Complete Trilogy: Bones of the Witch, Ashes of the Wise, Heart of the Fae

Author: A.L. Knorr

Experience the completed *Earth Magic Rises* trilogy. Bursting with magic, fairies, adventure, friendship and love, this bundle contains all three titles by a USA Today and Amazon best-selling author: *Bones of the Witch*, *Ashes of the Wise*, and *Heart of the Fae*.

High in the hills of Scotland, an ancient evil has returned. One young woman struggling to master her magic is the only hope to stop it.

First it is drums only she can hear, then a shadow only she can see. But the discovery of a mummified body entombed in an ancient wall, and a young woman's disappearance, create a mystery Georjie is uniquely equipped to answer.

Teaming up with a handsome amateur historian, she uses her earth-elemental gift to overturn secrets hidden deep in the soil. But never far from the trail of clues lurks a dark creature on the hunt for prey. As each clue is revealed she learns more about her heritage and her own family history, revealing an uncomfortable link between herself and the wickedly alluring entity.

Can Georjie unravel the mystery to save innocent lives...and her own?

Take a roller-coaster ride through time, across dimensions and across the Scottish countryside. If you like strong heroines, dark sorcery, and medieval Highland history, then you'll love A.L. Knorr's unforgettable teen fantasy adventure.

Praise for *Earth Magic Rises*:

"This book offered so much and then even more. I loved the historic stories and revelations as the current story unfolds. Everything from the scenery through to the magical and physical fights were beautifully and vividly described which made this a pure enjoyment to read. Expect a few surprises along the way and ... I totally didn't anticipate the ending!!! Wow!!!"-Andrea, Amazon reviewer ★★★★★

"This book has everything that will take your emotions on a ride. You will laugh, you will cry, you will feel like you are right there. Georjie's journey into who she is is indescribable and awesome. I wish I could spill my favorite parts on here but that would ruin it for everyone else lol. Go read this book."-Rachel Palmer, Amazon Reviewer ★★★★★

"This is the first book I have read by A L Knorr, and what a find. Ms. Knorr is a terrific writer; well developed, multi-dimensional characters, carefully thought out plot, and like the best fantasy writers she can make off-the-wall worlds come to life and have you believing them. I mean, witches, ghosts, Earth Elementals and so on. What a joy to read, and what a ride."-Johnelv, Amazon Reviewer ★★★★★

One Knight Stand (Midnight Empire: The Tower Book 4)

Author: Annabel Chase

I've spent a lifetime hiding my identity just to survive. I've concealed my true nature from our vampire overlords, including the one who's captured my heart, and I've kept my friends at arm's length to protect us both.

And now I stand to lose them all because of it.

With the final ancient stone up for grabs, I face my toughest challenge yet—seek help from friends and enemies alike, or go it alone like I always have.

A battle looms for control of the stones—a battle that might finally force me to embrace the full extent of my magic.

Magic so powerful that it just might kill me.

But if it comes down to a choice between my survival or the realm's, I know which one I'll choose.

The fate of the world depends on it.

One Knight Stand is the exciting conclusion to the *Midnight Empire: The Tower* series, but stories set in this world continue in **Endless Knight**, *Midnight Empire: The Restoration* so don't miss it!

All the Murmuring Bones

Author: A.G. Slatter

For fans of Naomic Novik and Katharine Arden, a dark gothic fairy tale from award-winning author Angela Slatter.

'Harrowing and beautiful, this is the grim, fairy-tale gothic you've been waiting for' CHRISTOPHER GOLDEN, New York Times bestselling author of *Ararat*

Long ago Miren O'Malley's family prospered due to a deal struck with the mer: safety for their ships in return for a child of each generation. But for many years the family have been unable to keep their side of the bargain and have fallen into decline. Miren's grandmother is determined to restore their glory, even at the price of Miren's freedom.

A spellbinding tale of dark family secrets, magic and witches, and creatures of myth and the sea; of strong women and the men who seek to control them.

Wicked Matrimony: A Vampire Paranormal Romance: Legends and Lovers

Author: Logan Chance

Draven Blackmoor is a monster.

A nightmare who haunts my dreams.

A vampire who stalks the night, hunting for his next victim.

The ruler of a modern kingdom that dwells in the darkness.

And I'm his only light.

I possess a power that makes me wanted by his enemies.

He promises to save me by offering his crown.

I have no choice but to marry him and become his queen.

But I won't fall for his seductive charms.

I'm forced to live in his castle and spend time with him. Forced to prepare for a wedding to a man who frightens me into believing his lies.

Wicked royalty with no chance of redemption.

There's only one thing he can't force upon me—himself. Yet, the fact he stays away has me yearning for more.

I find myself memorizing every curve of his chiseled body. The possessive way his sinewy muscles flow each time he stalks closer.

The sensual way his lips curve upward in a sinister smile each time he talks to me.

His hungry, dark eyes make promises he'll never keep.

If it's my blood he's after, I'd quickly give him mine. He's irresistible. And that thought terrifies me. So much that I sneak away and escape to the mountainous terrain of the haze-shrouded forest. I'll take my chances with the evil waiting to capture me, rather than risk my heart to a man without one.

However, I'll never be ready for what's waiting for me there.

*This is a standalone paranormal vampire romance releasing with the Legends & Lovers Series.

Guardian of Chaos: A Nyx Fortuna Novel

Author: Michelle Manus

Nyx Fortuna's life is like something out of a fairy tale—the terrible kind, where the heroine suffers and everything ends badly.

Nyx can't remember her past. People don't notice she exists unless she literally jumps up and down in front of them, and then they forget her moments later. After multiple failed attempts to leave the city of Tempe, Arizona, she's come to the conclusion that she's physically bound to the location.

All of that leads to a depressing, solitary existence, which leads her to nearly dying in a last ditch attempt to leave Tempe. She only survives by stumbling into the land of Earth Between, where she is convinced she's finally lost her mind. Because in Earth Between, aliens and magic are real, people have no problem noticing her, and she has improbably just become the Guardian of the Waystation that connects Earth to every other inhabited planet.

Once Nyx accepts that she isn't insane, her coming to Earth Between starts to feel inevitable—her life was far too strange to belong to ordinary Earth—but that doesn't mean things are suddenly easy. An illegal traveler has slipped through Nyx's Station, and she'll need to apprehend them if she wants to keep her new life. Chasing the fugitive kicks off a sequence of events that will take her to the universe's most dangerous prison planet, and open up a host of questions about her past along the way.

After years of wondering who she is, Nyx might finally get some answers...if she survives.

NOT EVEN POISON CAN KEEP ANTHONY DOWN...

Despite Selene's attempt at manipulating him, Anthony is back on his feet thanks to Marianne. His new vampire roommate has been proving talented at not just housework, but also at helping him with other matters. It's only a matter of time before he takes their relationship to the next level.

The peace conference is coming up soon, and many dignitaries are arriving on Academy Island to re-sign the Demonic Covenant, the peace treatise that allows humans and demons to co-exist.

But there are people working in the background who do not want peace. They will stop at nothing to destroy the peace many others have worked so hard for.

Even if it costs tens of millions of lives.

The Irony of My Fate: Enemies to Lovers Alpha Mate Romance (The Accused Mate Book 1)

Author: anboyden

Betrayal, misunderstanding, torture...

These are the three keywords of my life.

Amari Winters, the **future Alpha** of the Blood Moon Pack has been secretly **locked** away since young. Her father, the Alpha Charles Winters wants her to be protected from any danger and trained to be the next Alpha as he has no sons.

No freedom, no one knows her existence. It seems like she is just a nobody.

Fortunately, on her 18th birthday, her father says that she is **free**.

She thinks it would be her lucky day. And she is so excited because she can even **smell her mate** at her birthday party.

Amari immediately shares it with her sister Camilla, but what she doesn't expect is that her mate has then **become Camilla's mate!**

"My dear sister betrayed me!"

The next day, Camilla **died**, and Amari was accused of being her **murderer** and is taken into the dungeon by her mate. He **tortured** her because he thought she killed his mate.

Let's see how Amari fights back in the face of betrayal, misunderstanding, and torture.

Chaos and Gunfire (The Warrior Book 3)

Author: Martha Carr

Protector Dragon's Shattered Mate (Irish Dragon Shifter Brothers Book 20)

Author: Brittany White

After a life of hardship, can a female bear shifter allow herself to fall in love with her protector?

The Female Bear Shifter

After surviving neglect as a cub, I ran away from my family.

While I was stranded in the Siberian wilderness, a wolf shifter approached me.

He offered me a home with his pack. But the home turned out to be a prison.

Unknown to me, I had magic in my blood.

The wolves used me to create spells and curses that would harm others.

Using my untested magic, I escaped their clutches. I ran.

I never wanted to be human again.

If I couldn't speak, then I couldn't create spells.

Never again would I allow anyone to use my magic to hurt, to maim, to kill.

I would live my life as a bear. Forever.

Alone and desperate, I made my way across the world.

When I arrived in California, I shifted into my bear.

I finally settled on a ranch in Texas.

Alarmed to see a bear near his animals, the owner of the ranch called a veterinarian.

The veterinarian was gorgeous and kind, but he was also a dragon shifter.

His patience was legendary, and finally, I transformed into my human self.

But he wanted more than friendship. This wonderful shifter wanted me to be his mate.

How could I tell him that was never going to happen?

The Veterinarian Dragon Shifter

I grew up in a harsh, repressive clan.

We were all taught we must stay in the clan, mate with only another dragon shifter and live only a traditional life.

As soon as I could, I left. I never went back.

I made a new life for myself, and while working as a large-animal veterinarian in Texas,

I met four dragon shifter brothers from Ireland: Kellan, Quinn, Liam and Brennan.

Because I was alone, they made me a part of their clan.

They included me, but I wanted what they had.

I wanted a mate, hatchlings, and a family of my own.

One cold winter day, I got a call. There was a bear on their ranch.

Not just any bear – a shifter.

I was drawn to her, and instantly, I vowed to protect this bear from harm.

For days, I stayed with her, and did everything I could to coax her out of her shell.

Finally, she shifted. She was the most captivating female I'd ever seen.

I knew in a heartbeat that she was mine. My mate.

But she didn't want a mate. She didn't want to live in a clan.

She wanted to escape shifter life forever, and live a nomad's life.

She rejected me. But I could not let her go.

There was a threat on her life, and I would protect her, no matter the consequences.

He's always been a healer, but for his bear shifter mate, he will stop at nothing to protect her.

Book 1 - School of Potential

How do you save the world, when it's already been saved?

Eighteen-year-old Aria was supposed to have it all. A tight-knit circle of friends, a loving family, and a magical tatu on her lower back that gave her every superpower under the sun. When it came to the battle between good and evil, she was ready to do her part. There was just one little problem.

...good had already won.

Trapped beneath their parents' legacy, Aria and her friends find themselves restlessly pacing the halls of Guilder University, desperate to come into their powers, desperate for whatever comes next. The months blend together, each more monotonous than the next, until one day, no different than any other, a mysterious stranger comes to school.

Determined to uncover his secrets and driven by a fierce need to prove themselves, the new gang does whatever it takes to show the rest of the world they're ready. But that readiness comes at a cost.

Will it be a price they're willing to pay?

Book 2 - Myths & Magic

It was a trial by fire...

When a vicious murder rocks the Guilder Boarding School, Aria and her friends find themselves on shaky ground. When everyone has motive, everyone's a suspect. And thanks to a public brawl with the victim, Aria Wardell was seen to have more motive than most.

While fending off a ward of accusations from both the students and the faculty alike, Aria struggles to find balance in her life amidst the shocking development of some new powers. A new group of shifters on campus raise more questions than answers, and no matter how the world is crumbling around her, she can't get a certain moonlit kiss out of her mind.

Trouble is brewing. Secrets can't stay secret for long.

Will she ever get answers? Or should some secrets be taken to the grave?

Book 3 - Kith & Kin

If you can't beat them, join them...

When yet another attack leaves the students of Guilder University looking for answers, Aria decides to take matters into her own hands. Armed with a set of powers she'd vowed never to use, she follows the clues to the killer—only to find that nothing is as it seems.

The world is changing. Alliances are shifting. And the very foundations of the supernatural community are at risk. Like it or not, people are starting to take sides.

But will Aria and her friends find themselves on the right side of the fight? Or are some sins too big to come back from?

Book 10 – Demise of Magic

Book 11- Rise of the Prophecy

Book 12 – Deafened by the Past

Author: Elizabeth Dear

When my family left our small, ultra-conservative pack back in Utah to join a giant pack in Northwest Louisiana, I thought I'd be able to coast through my last year of high school in semi-anonymity, then get the fuck away from wolf pack politics and just live my life for awhile.

But the Moon decided to prolong my torture by placing my fated mate in front of my face on my first day at Blackstone Academy. He's the Alpha's son and king of a school crawling with shifters, and it turns out he doesn't care to be saddled with a Moon-chosen mate who he thinks is a nobody omega wolf. When he rejects me in front of every shifter in school, I vow to harden my heart, become impervious to the constant, deep hurt of the rejection, and figure out how to be the first wolf in known history to shake the taint of a rejected fated mate bond.

I'm also becoming closer to a new student—a smoking hot and intriguing human, who I can't manage to scare off even with the drama that surrounds me and the poisonous pack politics that I can't seem to escape. I can't even tell him what's really going on, but I think he's keeping secrets from me, too.

I'm Mave Fortune, and my mate threw me out like yesterday's garbage. But fuck that guy.

This is a New Adult, M/F 133,000 word standalone story with a HEA. Any future books in the series will feature other characters. Mave is intended for the 18+ crowd and contains foul language, some mild violence, and steamy scenes. If you're a fan of upper YA/NA, wolf shifters, academy romances, and all of the associated tropes, this book is for you !

What Devilry is This?: A Paranormal Women's Fiction Novel (Mature Magic Book 1)

Author: Sam Cheever

Psst! Can I tell you a secret? Midlife is a c-r-a-z-y ride. Not what I expected at all. But, I'm having a ton of fun in between the...you know...near death experiences and bladder-testing moments of complete terror.

Curse, curse, swear! How did midlife get so out of control? All I wanted was to make my own mark on the world. Start my own business and celebrate the end of an uninspiring marriage. Instead, I have a bat in my belfry. Not a metaphor...a REAL bat. The woods in my back yard is full of something dark from my nightmares. I've got a mysterious and sexy neighbor who seems to appear out of nowhere and knows more about my life than he should. And my best friends? Yeah, they're witches.

What the..?

My life has become a carnival and I'm sitting at the OhMyGoddessNo! spot on the most heart-stopping roller coaster. Things are getting hairier than my chin. And midlife is definitely not shaping up to be the calm and graceful phase I'd been expecting.

But, I've got a good grip on my granny panties and I'm taking the ride. What could possibly go wrong?

Love & Magic Shaking (Magical Dating Agency Book 2)

Author: Kelly St. Clare

A billionaire phoenix, a berserker in a long coat, and a rebellious brownie walk into a jazz bar...

I wish I was joking.

My shapeshifting attacker may be gone, but the bastards who gave the order are alive and kicking. They're not the only ones after a chunk of my perky, cupid butt. The Nepos Bureau of Crime are digging around and asking questions that *really* aren't good for my lifespan.

I've never had more incentive to leave Nepos, yet Vera Calzane has agreed to meet me for reasons unknown. If there's even a *tiny* chance she'll agree to unmake the curse—if romance, sex, and love can be returned to me after three disastrous years—then I *have* to stay.

But now the smoking-hot Detective Vincori is making unusual proposals, and the poltergeist mafia is sending me letters. A mind-shattering event leaves me tangled in bedsheets, and then there's a drunk unicorn who... actually... you know what? You can discover *that* situation for yourself.

The long and short of this? When it comes to the heart, Venus doesn't care that my life is a freakin' shambles. So this gal needs an espresso martini. Better make it two.

If you enjoy books by Shannon Mayer, Linsey Hall, Raven Kennedy, or Annette Marie, then you'll love this fun and vibrant supernatural society where magical creatures burst from every storefront and love is ever-complicated.

A Terrible Fall of Angels (A Zaniel Havelock Novel Book 1)

Author: Laurell K. Hamilton

Angels walk among us, but so do other unearthly beings in this brand new series by #1 *New York Times* bestselling author Laurell K. Hamilton.

Meet Detective Zaniel Havelock, a man with the special ability to communicate directly with angels. A former trained Angel speaker, he devoted his life to serving both the celestial beings and his fellow humans with his gift, but a terrible betrayal compelled him to leave that life behind. Now he's a cop who is still working on the side of angels. But where there are angels, there are also demons. There's no question that there's evil at work when he's called in to examine the murder scene of a college student—but is it just the evil that one human being can do to another, or is it something more? When demonic possession is a possibility, even angelic protection can only go so far. The race is on to stop a killer before he finds his next victim, as Zaniel is forced to confront his own very personal demons, and the past he never truly left behind.

The first in a new series from the author of the Anita Blake and Merry Gentry series.

Warrior Fae (Ruthless Boys of the Zodiac Book 5)

Author: Caroline Peckham

I once thought one of my ruthless boys could be the killer I'm hunting. They're all dark, deadly and more than capable of brutality.

But now I'm held by the King I've been stalking in the shadows and when I unmask him, he'll realise he made a huge mistake in taking my brother from this world.

My Kings are coming for me, I know that in my soul. They're on their way to rip me from my enemy's arms and tear him apart for me.

My heart beats to the sound of their names.

But I won't wait around to be rescued. Everything has led me to this moment and I'm ready to destroy the Fae who stole my brother from me.

Secrets will be uncovered. Destiny will be decided. Death will deliver us all in the end.

No one will escape the conclusion of this story without blood on their hands. I guess it's a good thing I'm a Vampire then, because I just so happen to have a taste for blood.

Nature Wizard Box Set: Magic of Nasci Books #1-5

Author: DM Fike

The other nature wizards wield fire, earth, air, and water to protect the forest.

Only I bring the lightning.

I love protecting our fragile Earth against the supernatural predators that teleport into our world to feed. The monsters can be big and scary (imagine an aquatic panther the size of an elephant) or small and vicious (poisonous beaver crocodiles are no joke), but they all need to go back to their dimension.

And I'm just the goddess-blessed druid to send them packing.

Read the first five stories in this unique not-so-urban fantasy:

- 1: Chasing Lightning
- 2: Breathing Water
- 3: Running into Fire
- 4: Shattering Earth
- 5: Soaring in Air

An action-packed fantasy series with a slow-burn romance, join lightning shepherd Ina on an adventure that explores the secret magic hidden deep

within Earth's untamed wild places.

Mayor of Elf Town 1

Author: Dante King

I thought the last thing I would have expected while working at the mall during the holiday season was to meet a *real* elf woman. Then the blue-skinned ogre tore through the mall. The elf and I made a quick escape and ended up in a strange fantasy world.

Now, I'm finding out that the elves have been in decline for centuries and are being hunted to extinction for their magical abilities.

They need someone to help them. Someone to protect them. Someone with magical powers that could make elves strong like they used to be.

Apparently, I'm that someone. And there are a whole lot of elf species who could use my protection.

Shadow Angel: Book One

Author: Leia Stone

From the moment I saw the shadows come to life, I knew my world would never be the same.

Yesterday I was a teenager waiting tables in Manhattan, and today, monsters exist and I can see them.

Overnight I'm thrown into the realm of the Watchers, a society of earthbound angels split into two factions: The Shades, whose powerful dark magic is given to them by the fallen angels, and the Lumens, whose abilities are bestowed on them by the archangels of Avalon.

They're on opposite sides of a brutal war, and I only have a few days to pick which side I want to join. I'm ready to choose when the Shades force my hand by cursing someone I love.

The only hope I have of saving them rests on the broad shoulders of the prickliest Shade alive, Gage Alston. He's cold, arrogant, and quite possibly the most attractive guy I've ever laid eyes on.

Do I trust him? No.

Do I need him? Yes.

Do I want to kiss him? Maybe.

Perhaps I'll choose darkness after all.

When Sorrows Come: An October Daye Novel

Author: Seanan McGuire

Toby's getting married! Now in hardcover, the fifteenth novel of the Hugo-nominated, *New York Times*-bestselling October Daye urban fantasy series.

It's hard to be a hero. There's always something needing October "Toby" Daye's attention, and her own desires tend to fall by the wayside in favor of solving the Kingdom's problems. That includes the desire to marry her long-time suitor and current fiancé, Tybalt, San Francisco's King of Cats. She doesn't mean to keep delaying the wedding, it just sort of...happens. And that's why her closest friends have taken the choice out of her hands, ambushing her with a court wedding at the High Court in Toronto. Once the High King gets involved, there's not much even Toby can do to delay things...

...except for getting involved in stopping a plot to overthrow the High Throne itself, destabilizing the Westlands entirely, and keeping her from getting married through nothing more than the sheer volume of chaos it would cause. Can Toby save the Westlands and make it to her own wedding on time? Or is she going to have to choose one over the other?

Includes an all-new bonus novella!

Den of Monsters : Masquerade of Sin - A Monster Romance Standalone

Author: Avery Song

I woke to the soothing sound of a peaceful serenade.

Except there's nothing peaceful about being kidnapped after being sold to the Devils of Sin.

This never should have happened, because I did everything right. I accepted the invitation, attended the masquerade in the depth of the forsaken forest, and

danced with whomever requested. The longer one remains, the more debt is cleared from the family name, so I danced through the night.

I survived to the final note — *and let me emphasize the “survive” part* — but I’m starting to realize where the real problem lies. I didn’t dance with one suitor...I danced with five Devils, and each immediately laid a claim on me.

Joaquin. Talon. Dagger. Croix. Creed.

Now here I am, kidnapped and held for ransom by sick men with bigger debts and troubles than my bankrupt family and their dark organization combined, but I’m no damsel in distress.

I’m actually stalling.

There’s a rumor that the Devils of Sin are dangerous men of royal stature during the day and ruthless monsters at the peak of the night. I want to see them again...to touch and enjoy the illusions that left me panting for more.

I’m willing to enter the den of monsters to escape the true demons lurking in the shadows of desperation.

All in exchange for my freedom.

DEN OF MONSTERS is a steamy 187,000+ words **STANDALONE**.

*This reverse harem monster romance is filled with **possessive monsters** with a hint of psychosis, a **badass FMC** who may be even crazier, and loads of “**bump in the dark**” heated scenes that will make one blush in public - **literally**. Note that these den of sinister monsters can do various “**things**” with their bodies, so be warned. All sexual encounters are consensual.*

Dragons Are a Girl’s Best Friend: A Fast, Feel-Good Urban Fantasy (Fangs and Feathers Book 1)

Author: Isla Frost

My name’s Lyra Ridley, and I run headlong into supernatural danger for a living.

Of course, that’s *not* how I sold the job to my adoptive vampire dad. Or what I put on my dating profile for that matter. And I do have a wet-your-pants-level terrifying dragon partner rushing headlong into danger with me. But she, like my unusual magic, is frequently more hazard than help.

Despite all that, I love my job protecting the streets of post-magic-revolution Las Vegas—where humans and supernaturals live side-by-side, or are at least having a stab at it. So when I get suspended and some jackass takes my city hostage? Yeah, there’s going to be hell to pay.

Even if it means I have to team up with a mysterious supernatural I know nothing about—except that he has pointy ears, a rod up his backside, questionable priorities, and could kill me with his eyes closed.

My dragon partner likes him even less than I do. Then again, she doesn’t like anyone, including me most of the time. But I’m *pretty* sure she won’t barbecue either one of us.

Still, you’d better wish me luck.

Warning: This urban fantasy series contains danger, mayhem, humor, and heart, with characters you’ll fall for—including a vampire with an unbeating heart of gold, a book-hoarding dragon who eats criminals for breakfast, a mysterious supernatural who’s as hot as the desert he slunk out of, and a human heroine who’ll fight to save them all.

Fans of Kim Harrison, Annette Marie, Ilona Andrews, K.F. Breene, Hailey Edwards, or Patricia Briggs, dive into this thrilling new world for a feel-good, action-packed adventure with a dash of slow burn romance.

“So much action... Seriously likable characters and moments that tug at your heart... A fast, fun, and exciting read.”

“Emotions so real I had to take a minute... A talented storyteller who will keep you guessing.”

“Sheer perfection to read. Not overdone, which is increasingly rare for this genre. Similar feel to some of Ilona Andrews’ work.”

The complete trilogy is available now!
