

The Crown of Gilded Bones (Blood And Ash Series Book 3)

Author: Jennifer L. Armentrout

Bow Before Your Queen Or Bleed Before Her...

From #1 New York Times bestselling author Jennifer L. Armentrout comes book three in her Blood and Ash series.

She's been the victim and the survivor...

Poppy never dreamed she would find the love she's found with Prince Casteel. She wants to revel in her happiness but first they must free his brother and find hers. It's a dangerous mission and one with far-reaching consequences neither dreamed of. Because Poppy is the Chosen, the Blessed. The true ruler of Atlantia. She carries the blood of the King of Gods within her. By right the crown and the kingdom are hers.

The enemy and the warrior...

Poppy has only ever wanted to control her own life, not the lives of others, but now she must choose to either forsake her birthright or seize the gilded crown and become the Queen of Flesh and Fire. But as the kingdoms' dark sins and blood-drenched secrets finally unravel, a long-forgotten power rises to pose a genuine threat. And they will stop at nothing to ensure that the crown never sits upon Poppy's head.

A lover and heartmate...

But the greatest threat to them and to Atlantia is what awaits in the far west, where the Queen of Blood and Ash has her own plans, ones she has waited hundreds of years to carry out. Poppy and Casteel must consider the impossible—travel to the Lands of the Gods and wake the King himself. And as shocking secrets and the harshest betrayals come to light, and enemies emerge to threaten everything Poppy and Casteel have fought for, they will discover just how far they are willing to go for their people—and each other.

And now she will become Queen...

A Kingdom of Flesh and Fire (Blood and Ash Book 2)

Author: Jennifer L. Armentrout

From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series...

Is Love Stronger Than Vengeance?

A Betrayal...

Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her.

A Choice....

Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation.

A Secret...

But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolvern are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

Vampire: Bay Harbor Wolves Vol. 5

Author: B.A. Stretke

The course of true love never did run smooth...

Master Emmanuel Cabot, founder and Master of the Mission Vampire Coven on the Old Mission Peninsula, is somewhat of an enigma to the other paranormals who live in and around Eastport. The tales of his conquests are fearsome; he was a medieval warrior of legend but now keeps to himself behind the thick walls of his Chateau. The Vampires of the Old Mission Peninsula are renowned for their wine and their skills in battle. The Coven lands are a place that few ever venture, and one would never do so uninvited. Everything changes the moment that, while walking his vines as he has done for decades beyond counting, he finds himself staring into the chocolate brown gaze of a young wolf shifter. The world slides on its axis, and Emmanuel finds himself ready to undo decades of tradition. Taylor Bond will be his consort.

Taylor Bond hasn't had the easiest life, but he has atoned for the mistakes of his youth and has earned himself a valued place in the Bay Harbor Pack and the trust of his Alpha. When his parents left to join his traitorous brother at another pack, Taylor stayed to atone for his wrongs and clear his name. He holds a special place in Alpha Henrik's life. Taylor can see the path before him as he plots his rise through the ranks of the Pack. Everything stops when he lays eyes on the intriguing man walking among the vines at the Mission Coven. His friend, Sam Cabot, brought him on a special tour of the Vineyards. He expected to learn about winemaking, not meet his fate-chosen mate.

The path is far from smooth. Old prejudices die hard, and the undercurrent of mistrust is hard to break. There are forces aligned against them both who would rather see blood in the streets than a happy union.

Quinton

Author: Mary Martel

Quinton Alexander is the head of his coven, or so he thinks.

He's the type of man who would go to any extreme to protect his loved ones, and he's also the type of man who would do anything it took to make sure they are all happy.

He grew up in a way that taught him that the only thing that really mattered in this whole world was keeping the people you love safe—a lesson he learned at a very young age from his twisted, sadistic father.

But sometimes in a man's life, it's nice to know that the people you love care just as much about you as you do them. Sometimes, it's nice to be able to put yourself first for once.

Especially when it comes to the girl of your dreams, whom you have to share with the rest of your coven.

When it comes down to it, though, who's going to go to extremes to protect the leader of the coven when he needs it? Who's going to keep *him* safe? Or is he going to have to do what he always does and look after himself?

Quinton Alexander is an Ariel Kimber Novella. It's a part of a reverse harem series. It contains mature content and is best suited for readers 18+.

Smart and sassy human women find true love with their alien warrior mates in this exciting sci-fi romance collection!

This three-book omnibus includes the following titles:

CLAIMED (BOOK 1):

Recently jobless and homeless, now I've been kidnapped by aliens.

I thought my day couldn't get any worse... until the disgusting Orkun warlords who abducted me tell me I'm meant to be a "bride" for their commander.

No! No freaking way.

But before I can figure out a way off this spaceship, I find myself caught in the middle of an uprising by their other captives: a breathtakingly masculine gladiator race called Kalixians.

With their bronze skin, horns, and rippling muscles, the Kalixians look like gods.

Their leader, Tordax, is the most stunning of all. His touch sets off fireworks in my body, and I'm drawn to him in a way I can't understand—especially considering we don't even speak the same language.

But am I really safer now, or have I just traded one captor for another?

What does this powerful alien want with me?

And why does he keep looking at me like I'm his?

STOLEN (BOOK 2):

I refuse to let myself fall for an alien. And even though I can't deny the chemistry that sparks between Malav and me, I can't afford to get attached to anyone on this planet.

Because I've got a secret.

I'm going to steal a ship. And I'm going to go home.

RESCUED (BOOK 3):

Sorsir looks at me like I'm the most precious thing he's ever seen. He tells me he wants to take care of me. Protect me.

Kingdom of Shadow and Light (Fever Book 11)

Author: Karen Marie Moning

NEW YORK TIMES BESTSELLER • MacKayla Lane faces the ultimate threat when war breaks out between the kingdoms of shadow and light, as the Fever series races to an explosive revelation.

From the moment MacKayla Lane arrived in Dublin to hunt her sister's murderer, she's had to fight one dangerous battle after the next: to survive, to secure power, to keep her city safe, to protect the people she loves.

The matter of who's good and who's evil can be decided by the answer to a single question: Whose side are you on?

Now, as High Queen of the Fae, Mac faces her greatest challenge yet: ruling the very race she was born to hunt and kill—a race that wants her dead yesterday, so they can put a pure-blooded Fae queen on the throne.

But challenges with her subjects are the least of her concerns when an ancient, deadly foe resurfaces, changing not only the rules of the game but the very game itself, initiating a catastrophic sequence of events that have devastating consequences and leave Mac questioning everything she's ever learned and everyone she's ever loved. Now begins an epic battle between Mortal and Fae, Seelie and Unseelie, would-be kings and would-be queens, with possession of the Unseelie King's virtually unlimited power and the fate of humanity at stake.

From the exquisite, deadly gardens of the High Queen's court, to long-forgotten truths found in the Sacred Grove of Creation, from the erotic bed of her enigmatic, powerful lover to the darkest, seductive reaches of the Unseelie kingdom, Mac's final journey takes her places no human has been before, and only one human could possibly survive . . .

One who's willing to sacrifice *everything*.

Zodiac Academy 6: Fated Throne

Author: Caroline Peckham

Fate has torn us apart and sometimes I believe the stars have given up on us altogether.

Without my sister, the world seems darker than ever before and the shadows loom thicker, rising up to answer the call of the Shadow Princess and changing the face of Solaria for good.

Now Lionel Acrux has the strength to make a move for the throne, I'm not sure how much time we have left to stop him.

Our only hope is to find the Imperial Star before he does. We made the sacrifice the stars called for and we're paying the price for that decision so it can't be for nothing.

But with the stars turning against us at every move, and the last light in the world seeming to fade, I'm afraid we're almost out of time.

Hope is a dangerous thing. It's the key to us fighting on. But it could be what destroys us in the end.

One thing is for certain, I won't stop until I have been reunited with my other half and together we will fight to take our crowns.

A war is coming.

The throne is calling for a new monarch.

And someone must answer its call.

The Monster MASH: A dead funny romantic comedy (The Monster MASH Trilogy Book 1)

Author: Angie Fox

Ancient gods. Modern war. And a star-crossed couple who could use some divine intervention.

The day I was drafted into the army of the gods, all I knew about being a MASH surgeon was what I'd learned from Hawkeye Pierce and Hot Lips Houlihan. Now here I am, Dr. Petra Robichaud, in the middle of an immortal war, assigned to a MASH camp with a nosy sphinx, a vegetarian werewolf, and an uptight vampire who really needs to get a life.

At least they're all too busy with their own dramas to discover my secret: I can see the dead. It's a forbidden gift, *one that can get me killed*, so I haven't told a soul.

Until the arrestingly intense Galen arrives on my operating table, half-dead and totally to-die-for. When his spirit tries to slip out of his fatally wounded body, I impulsively slip it back in. Call it a rash resurrection. One I'll live to regret.

Now Commander Galen of Delphi knows my secret, and he's convinced I'm part of an ancient prophecy—one that can end the war for good. But taking a chance could cost me everything. And it would be easier to convince him to leave me alone, except now the prophecies are starting to come true...

Warning: This novel contains a hefty dose of danger, drama, practical jokes, pet swamp lizards, brooding demigods, adventure, romance, and heart—in a MASH camp where everybody knows your business.

What Reviewers are saying...

5 Stars! “Yet another Angie Fox book that is impossible to put down.”

5 Stars! “This was a cross between MASH and a grown up, sexy version of a Percy Jackson novel—lots of fun and a highly recommended read!”

5 Stars! “Can I give it 10 stars? This reminded me of the MASH TV shows that I watched growing up, only better.”

5 Stars! “Read this one fast only if you can afford the rest of the series, because you ARE going to want to read on.”

5 Stars! “Angie's humor is perfectly on par with MaryJanice Davidson's Undead Series, so if you have enjoyed those then you will love this.”

*The core of this book was originally called Immortally Yours, published by St. Martin's Press in 2012. The author has rewritten it into the way she always envisioned the story to be, which means it is now a romantic comedy instead of an angsty book. Oh, and there are a lot more pet swamp lizards, too.

Ten years later, I'm still hiding in plain sight. When I occasionally see him on the street—deadly, sexy, powerful—I just walk by. Keep my head down.

Until that night. Wrong place, wrong time, and suddenly I'm accused of murdering someone from my old pack. And he's there. Blaming me. I've got one chance to prove my innocence and find the real killer, or I'm dead by shifter law.

Fortunately, the Alpha doesn't recognize me because I'm no longer the same ugly duckling. He senses I'm special though, and he won't stop until he figures out the truth. But when he does, I'll be in danger from more than just the murderer.

With the others gone, the house had lost the oppressive feeling, and she was now happy being home.

Jamie and Pem were good friends, and the Mannings were more than ready to accept Jamie into the family even if she hadn't been Milo's mate.

Milo Manning wasn't a dragon shifter like four of his brothers. Yet, he wasn't entirely human either. Immortal and magical, he still fit right in with the rest of his shifter brothers and large extended family. The Mannings were a large and well-respected family.

It only took moments for Milo to confirm they were mates, and Milo moved into the old house with her. Each discovering the new magic that came to them daily. What came to them as a shock, though, had Milo's mother, Cindi, rolling with laughter. Neither Milo nor Jamie found seeing and talking to the dead the least bit funny.

The Slaughtered Lamb Bookstore and Bar (Sam Quinn Book 1)

Author: Seana Kelly

A “master class in storytelling and survival.” —*Publisher’s Weekly* (starred review)

Welcome to The Slaughtered Lamb Bookstore and Bar. I'm Sam Quinn, the werewolf book nerd in charge. I run my business by one simple rule: Everyone needs a good book and a stiff drink, be they vampire, wicche, demon, or fae. No wolves, though. Ever. I have my reasons.

I serve the supernatural community of San Francisco. We've been having some problems lately. Okay, I'm the one with the problems. The broken body of a female werewolf washed up on my doorstep. What makes sweat pool at the base of my spine, though, is realizing the scars she bears are identical to the ones I conceal. After hiding for years, I've been found.

A protection I've been relying on is gone. While my wolf traits are strengthening steadily, the loss also left my mind vulnerable to attack. Someone is ensnaring me in horrifying visions intended to kill. Clive, the sexy vampire Master of the City, has figured out how to pull me out, designating himself my personal bodyguard. He's grumpy about it, but that kiss is telling a different story. A change is taking place. It has to. The bookish bartender must become the fledgling badass.

I'm a survivor. I'll fight fang and claw to protect myself and the ones I love. And let's face it, they have it coming.

The reviews are in:

"Kelly (Welcome Home, Katie Gallagher) introduces fierce, lovable heroine Sam Quinn with this master class in storytelling and survival. Seven years ago, Sam was attacked, raped, and forcibly turned into a werewolf, putting an end to her life as she knew it. She's since made a home for herself in San Francisco, opening a combination bookstore/bar catering exclusively to the supernatural community. A loner by nature and still contending with her trauma, she's content to lie low without a wolf pack of her own. But when dead bodies begin piling up across the city and Sam receives a threat from an unknown source, she finds herself surrounded by a phalanx of friends she never realized she had. Among them is Clive, the leader of the city's vampire community, whose good looks attract Sam "like a zombie to brains." Kelly pulls off an impressive feat, weaving the sensitively handled story of Sam's emotional recovery through a rollicking adventure. The unique setting and endearingly quirky side characters only add to the charm. Readers will delight in both the humor and the heartache of this powerful urban fantasy, and they'll be eager to see where Sam goes next." (Publisher's Weekly (**starred review**))

"This action-packed paranormal series launch will appeal to readers who enjoy a plot-driven, female-centric journey of growth with a side of romance. Great for fans of Patricia Briggs's Alpha and Omega series." (Book Life (Editor's pick))

So why does she feel compelled to trust the man in front of her? A man who is obviously lying when he says he's a snow leopard shifter.

There's no such thing as shifters. Just like there's no such thing as true love.

Belle's about to discover she's *wrong* about a lot of things.

She's also about to learn that Rift is the *right* one for her.

Rift has found his mate, at last. But Belle doesn't want anything to do with him.

It's what she wants. He can see it in her eyes.

What's a shifter to do?

The Cursed God: A Hades And Persephone Romance (Hades Redemption Book 1)

Author: Skye Wilson

Hades is coming for me. But that doesn't mean he can have me . . .

He says he knows me. Who I am. What I am.

I'm pretty sure my boss Hayden is on some sort of weird power trip. He's sexy as hell, but has an arrogance that spells danger. I'm only serving drinks in his seedy strip club until I can afford my own flower shop. I just have to avoid the inexplicable pull between us in the meantime.

Then he claims I'm Persephone and he's Hades, the God of the Underworld. He says I was taken from him and now he's here to awaken my spirit so he can take me back to the underworld. That his position in the underworld depends on it.

Either he's crazy . . . or I'm a mythical goddess. A queen of the underworld. His Queen.

Except if I was his Queen, he needs to do more than seduce me. I'd want him to love me. To Hell and back. No matter how strong the attraction is that burns between us, it's obvious someone like him isn't capable of love.

And there's no way I'm going back to the underworld without a fight . . .

The epic conclusion to the Shadow Beast Shifters.

I finally have the life I always dreamed of. So why does it taste like ash on my tongue?

Growing up in Torma, the strongest of the shifter packs, I wanted nothing more than to find my true mate and live my best life. Of course, that dream existed before my father betrayed the pack and turned me into their punching bag.

I'd all but given up, until a quirk of true mate genetics gifted me a true mate like no other. My childhood dreams were finally a reality. Funny how quickly dreams turn into nightmares.

I'm being lied to, missing weeks and months of time. Someone messed with me and no matter how often I'm told to forget it and move on as Torin's mate, there's no way I can. Whoever did this to me should have known I'd pick at it until it bled. It's my nature after all.

As I search out random growls, flutters in my chest, and a suspicion that there's so much more going on than I could even imagine, I sense that I'm racing against an unknown clock.

I need to get to the bottom of this mystery.

And when I figure out who stole my memories, they're going to wish they never messed with Mera Callahan.

Game on.

The Revelation of Light and Dark (Chronicles of the Stone Veil Book 1)

Author: Sawyer Bennett

I always knew I was different.

From a young age, my mind has been plagued with things only I could see. Some hauntingly beautiful, others completely terrifying. Never knowing if these visions were real or just hallucinations, I learned how to lock them down and ignore them. I learned to take solace in the relative anonymity of city life and find peace in the rainy days my city of Seattle is known for.

But just when I think my life is getting on track and my dreams are achievable, a moment of weakness causes me to learn a hard and fast lesson.

My entire existence has been a lie.

Now I'm faced with a new reality that's as implausible as it is fantastical. Filled with realms and veils, light and dark, fae and daemons, gods and angels--things I don't understand but am forced to acknowledge. It doesn't help that the man teaching me about my unique gifts is the gorgeously handsome Carrick Byrne, one of Seattle's richest and most powerful men. He intimidates, annoys, and intrigues me all at the same time. I don't trust him and yet there's no one else to help me. No longer certain who to put my faith in, what to believe, or how I fit into it all, one revelation is clear...

The world as I know it will never be the same again.

The Revelation of Light and Dark is book one of the Chronicles of the Stone Veil series and is best enjoyed if read in series order.

There's a killer after me. Multiple killers, if our source is to be believed. As much as I want to run a hundred miles from Lachlan to avoid the mate bond, it's too dangerous. I need his help to find the people who are after me, and there's no way he'd let me go, anyway.

As much as I hate it, we're going to have to team up to stop a madman. The hunt forces us together, and despite our best efforts to resist each other, it becomes harder every day. It's going to take everything I have not to fall to temptation, but I must--especially if I want to survive.

The Dead Don't Drink at Lafitte's (Sam Quinn Book 2)

Author: Seana Kelly

I'm Sam Quinn, the werewolf book nerd owner of the Slaughtered Lamb Bookstore and Bar. Things have been busy lately. While the near-constant attempts on my life have ceased, I now have a vampire gentleman caller. I've been living with Clive and the rest of his vampires for a few weeks while the Slaughtered Lamb is being rebuilt. It's going about as well as you'd expect.

My mother was a wicche and long dormant abilities are starting to make themselves known. If I'd had a choice, necromancy wouldn't have been my top pick, but it's coming in handy. A ghost warns me someone is coming to kill Clive. When I rush back to the nocturne, I find vamps from New Orleans readying an attack. One of the benefits of vampires looking down on werewolves is no one expects much of me. They don't expect it right up until I take their heads.

Now, Clive and I are setting out for New Orleans to take the fight back to the source. Vampires are masters of the long game. Revenge plots are often decades, if not centuries, in the making. We came expecting one enemy, but quickly learn we have darker forces scheming against us. Good thing I'm the secret weapon they never see coming.

Here's a taste of Neo and Kady's first meeting for you!

Kady glanced over her shoulder, through the destruction his crash had caused. "Ah crap. They're coming."

"Who?" He couldn't believe a lovely creature like her had come across the shadow before and lived to tell the tale.

"The men in black, the CIA, the alien abductees, take your pick. But whoever it is won't be good. They'll turn us both into experiments." She chewed on her lip and Neo wanted to suck it from beneath her teeth.

Allowing humans to get involved in the Black Dragon Brotherhood's business had cluster written all over it. There was too much at stake to let any non-supernatural beings interfere. His dragon wavered at the edge of shifting, ready to heal his wounds and take control. It waited, not wanting to scare the woman away. "I will fight them off, defend you."

Just as soon as he could stand.

"Yeah, I don't think so. Can you get up? Maybe lean on me and we can hide you in my house until the hubbub is over. Although, you might crush me. Geez, you're big." She covered her mouth with both hands. "Oops, sorry. I did not mean to say that out loud. But seriously, if you don't want to be experiment six-two-six or butt-probed, we've got to get a move on."

"Probed?" What sort of people were these men in black?

"Oh, wait. That's what the aliens do. If I take you in, you have to promise not to put anything near my bum."

She wagged her finger at him. "I promise not to put anything near your luscious rear-end unless you ask me to." He blinked and swallowed. How had that popped out of his mouth?

Ousted from the Hollows Group, the shadow world has officially taken notice of me.

With loan sharks sniffing around and knocking on my door, I need to figure out how my ex-husband pushed all his debt onto me, because it stinks of black magic and back alley dealings.

Until I can get some answers there, I distract myself with a new job—working for a goblin. The job is as simple as hiding some paperwork for him. Only . . . someone else wants what he gave me. And they are playing dangerously dirty to get what they want.

Throw in a lovesick bigfoot, a siren going through menopause, a demon next door, and two hot guys vying for my attention, and you've got my life in a nutshell.

Well, that is if you don't count on Robert showing up and saving my bacon again. Which he has to, because this time . . .this time I've really put my foot in it.

Goddess with a Blade Vol 2

Author: Lauren Dane

Rowan Summerwaite is no ordinary woman. Honed into a weapon, she wields her ancient knowledge in New York Times bestselling author Lauren Dane's sweeping Goddess with a Blade urban fantasy series. The volume 2 collection features *At Blade's Edge*, *Wrath of the Goddess*, and *Blood and Blade*

At Blade's Edge

Though she'd hoped the deadly events in Venice would end the threat to The Treaty she is sworn to protect, Rowan found evidence of a grander conspiracy to destroy the fragile peace that holds humans, Vampires and those with magic back from war. A war that would only hurt the weakest and destabilize the world as we know it.

It's not so much that someone ordered her assassination that makes her angry—people try to kill her all the time—as it is the risks those she cares for, especially her new husband, now face. The organization that gave her a purpose, a home, roots and a path when she'd run from The Keep at seventeen has betrayed her. Now, instead of on a much-anticipated honeymoon, Rowan is in London gathering her allies and the evidence necessary to drive out the rot within Hunter Corp. and expose whoever is at the top.

Rowan is a predator and this threat is prey. She'll burn it down and salt the earth afterward. On her terms.

Wrath of the Goddess

With tensions between paranormal factions at an all-time high, Rowan and her crew, along with her sexy Vampire Scion husband, Clive Stewart, have their work cut out for them. The Vampire Nation has at least one traitor in their midst, leaving them extremely vulnerable...but if it's a war they want, Rowan's prepared to bring the pain like never before.

Rowan knows her duty is to those she's sworn to protect, but it seems the harder she fights, the more barriers she hits...and the more friends she loses.

With even her closest alliances in question, Rowan will have to accept that sometimes the path toward the greater good means making heartrending sacrifices along the way...

Blood and Blade

It's been only days since Rowan and her friends eliminated the immediate threat to magic users and Vampires, but they're already back on the hunt. Rowan's out for vengeance, and she's never been more driven—or angry. But she's up against a being stronger than any she's ever fought. To bring it down she'll need more than the powers the goddess Brigid gave her...

This time she'll need her friends, too.

The hunt for ancient evil takes Rowan and her team to London and back to Las Vegas, bringing with them an unexpected alliance. Fortified by their rage, grief and determination, Rowan and her friends will stop at nothing when they track their enemy to the high desert in a final, deadly showdown.

The Feral. Self-appointed rulers of all. Strong. Majestic. The most badass of all the species, and yet, the most vulnerable.

All of his Feral brothers are falling over themselves to meet human women. They want to mate and procreate as a matter of urgency. *Not him!* There are more important things for Reece to worry about right now. Like keeping the queen safe from harm. She's heavy with clutch. The chicks are to be born soon. The future of his people is at stake. The Fallen are circling like vultures. Word is that Ekon plans on stealing the young as soon as they are hatched. He wants to take back the throne. Reece's focus must remain on keeping the royals safe at all costs. Even if this is to the detriment of his own happiness.

Hope loves her job as an Ob-Gyn. She's considered to be one of the best in her field. Years of hard work and dedication have paid off. There's nothing better to her than delivering babies for a living. It's heart-breaking that she'll never have children of her own. It's all she's ever wanted. Recently divorced, her heart is in tatters. Her dreams seem impossible. Sad and depressed, she jumps at the chance to travel to an exotic destination, a place she never knew existed. They have an honest-to-god royal family, and they're not human. It's an exciting new start for her. Perhaps an opportunity to allow her heart to heal. The head of the royal guard takes his job so seriously that he keeps getting in her way. He's brooding and, when all is said and done, very rude and obnoxious. Hope shouldn't find him as appealing as she does. Not when men are off-limits to her, especially after what her ex pulled. Thing is, Reece isn't a man...he's a Feral. He's sexy, larger than life, and not in the least bit interested, which suits her just fine.

No cheating. Contains hot, alpha males and therefore strong sexual themes/language
