The Windsor Knot: A Novel (Her Majesty the Queen Investigates Book 1)

Author: SJ Bennett

“[A] pitch-perfect murder mystery... If *The Crown* were crossed with Miss Marple..., the result would probably be something like this charming whodunnit.” – Ruth Ware, author of *One by One*

The first book in a highly original and delightfully clever crime series in which Queen Elizabeth II secretly solves crimes while carrying out her royal duties.

It is the early spring of 2016 and Queen Elizabeth is at Windsor Castle in advance of her 90th birthday celebrations. But the preparations are interrupted when a guest is found dead in one of the Castle bedrooms. The scene suggests the young Russian pianist strangled himself, but a badly tied knot leads MI5 to suspect foul play was involved. The Queen leaves the investigation to the professionals—until their suspicions point them in the wrong direction.

Unhappy at the mishandling of the case and concerned for her staff’s morale, the monarch decides to discreetly take matters into her own hands. With help from her Assistant Private Secretary, Rozie Oshodi, a British Nigerian and recent officer in the Royal Horse Artillery, the Queen secretly begins making inquiries. As she carries out her royal duties with her usual aplomb, no one in the Royal Household, the government, or the public knows that the resolute Elizabeth will use her keen eye, quick mind, and steady nerve to bring a murderer to justice.

SJ Bennett captures Queen Elizabeth’s voice with skill, nuance, wit, and genuine charm in this imaginative and engaging mystery that portrays Her Majesty as she’s rarely seen: kind yet worldly, decisive, shrewd, and most importantly a great judge of character.

A treasure hunt through Edinburgh gives way to a search for a villain terrorizing the city in the sixth Scottish Bookshop Mystery.

It's a quiet, snowy morning at The Cracked Spine bookshop, when bookseller Delaney Nichols receives a mysterious visitor, a messenger. He presents her with a perplexing note: an invitation to a meeting with eccentric socialite Shelagh O'Conner, who requests Delaney's participation in an exclusive treasure hunt. Delaney is intrigued, but also cautious: Shelagh, while charming in person, has a reputation for her hijinks as a wealthy young woman in the '70s. But Delaney is enticed by the grand prize at the end of the treasure hunt: a highly valuable first edition copy of *The Strange Case of Dr. Jekyll and Mr. Hyde*, by Robert Louis Stevenson. The winner is also to receive the contents of Shelagh's vast library, and all participants will earn a large sum of cash.

The night after the first meeting of the treasure hunters, however, several homes in Edinburgh are robbed in a manner reminiscent of Shelagh's old tricks. And when a man connected to Shelagh is killed, suspicion builds. Except Shelagh herself has disappeared from her home, seemingly kidnapped by the villain.

Terror mounts throughout the city as Delaney attempts to solve the mystery, while trying to evade the killer's clutches. But it's hard to know who to trust when

around every corner, a new monster could be lurking.

Author: Amanda M. Lee

Izzy Sage was looking for answers when she took a job as keeper of the death gate in Detroit. Unfortunately, the answers being delivered aren't what she was hoping for. Personal worries have to take a backseat, though, because the reaper world is in an uproar.

News that their former leader Renley Hatfield was working with the enemy has spread, but that doesn't mean the good guys can trust everybody that's left. With that in mind, Cormack Grimlock has closed ranks. Only those in their inner circle are allowed access to all the information. Sadly, there is very little information to go around.

Despite that, Belle Isle is hopping with activity thanks to an influx of furies who are running rampant across the island for a local convention. Even the mysterious death of one of their own in the waters off the yacht club doesn't dampen their enthusiasm. Izzy isn't convinced that the death is an accident but they don't have proof otherwise, so she looks elsewhere for adventure.

Then, in the middle of the night, adventure comes to her in the form of Emmet Grimlock, the missing Grimlock patriarch who disappeared through the gate weeks before.

A dream leads Izzy to the gate in time to watch him cross over, but Emmet's memory is tainted and he has nothing to offer by way of leads. While dealing with his return, Izzy's grandfather finally decides to make a visit, too. He senses Izzy needs him, which means even more trouble is on the way.

Unauthorized gates are popping up all over Detroit, and revenants are crossing through them. The reapers are on the verge of war, and Izzy might be the only one who can save them.

She might've come to Detroit alone but now Izzy is amongst family. She's going to need all of them to unravel the tangled lines of her past and survive to forge a future.

Ink and Shadows: A Witty & Page-Turning Southern Cozy Mystery (A Secret, Book, and Scone Society Novel Book 4)

Author: Ellery Adams

"Entertaining...packed with mystery, romance, and sisterhood."

—*Kirkus Reviews*

New York Times bestselling author Ellery Adams is back with the latest in her acclaimed **Secret, Book, and Scone Society** series. Local bookstore owner Nora Pennington is back on the case in **Miracle Springs, North Carolina** when an accidental death turns out to be something much more sinister...

Nora Pennington is known for her window displays, and as Halloween approaches, she decides to showcase fictional heroines like Roald Dahl's Matilda and Madeline Miller's Circe. A family-values group disapproves of the magical themes, though, and wastes no time launching a modern-day witch hunt. Suddenly, former friends and customers are targeting not only Nora and Miracle Books, but a new shopkeeper, Celeste, who's been selling CBD oil products.

Nora and her friends in the Secret, Book, and Scone Society are doing their best to put an end to the strife—but then someone puts an end to a life. Though the death is declared an accident, the ruling can't explain the old book page covered with strange symbols and disturbing drawings left under Nora's doormat, a postcard from an anonymous stalker, or multiple cases of vandalism.

The only hope is that Nora can be a heroine herself and lead the Secret, Book, and Scone Society in a successful investigation—before more bodies turn up and the secrets from Celeste's past come back to haunt them all . . .

Witchless in Seattle Cozy Mysteries: Books 1-3

Author: Dakota Cassidy

Dive into the wacky, paranormal world of ex-witch Stevie Cartwright, her ex-spy ghost Winterbottom, and beloved bat familiar, Belfry as they solve crimes in small town Ebenezer Falls, Washington!

This collection includes: **Witch Slapped, Quit Your Witchin', Dewitched**

What's a girl to do when she's a broke, shunned ex-witch with a very tiny, very hungry bat familiar named Belfry to feed?

Hello. My name is Stevie Cartwright, and I've been witchless for thirty days.

If only there was a support group for down-on-their-luck ex-witches who've had their powers slapped right out of them (literally). Just as I was licking my wounds after returning to my hometown of Ebenezer Falls, WA, and navigating my suddenly non-magical existence with the help of my familiar, the only friend I have left in the world—things got sticky.

Enter an ex-spy and newly departed spirit named Winterbottom, who's infiltrated my life with his sexy British accent and a couple of requests...

Thanks to Belfry's successful attempt to use me as a human antenna to the afterlife, I can somehow hear Win. I should be ecstatic; helping departed souls used to be my witch specialty. It's like I got the teensiest piece of my old life back. Except Win's dropped me right at a dead woman's feet.

Madam Zoltar, the town's beloved fake medium, has been murdered, and Win wants me to catch the killer.

My old life won't be worth much if it gets me whacked before my new life has barely begun--and that seems to be exactly what the killer has planned!

Quit Your Witchin'

There's been another murder in Ebenezer Falls, Washington State, and Stevie, Winterbottom, and Belfry are on the case...sort of!

Poor Tito the Taco Man...it's "nacho" lucky day...

Yo quiero taco man!

Hello again! It's me, Stevie Cartwright, ex-witch and new Madam Zoltar! I was fresh off the murder-suspect list and just settling into MZ's psychic medium shoes-with the help of my bat familiar Belfry and spirit spy Win-when another death rocked sleepy little Ebenezer Falls, Washington State.

Tito Bustamante, my beloved purveyor of mouth-watering Mexican munchies, has been found dead in the food truck court! Rumor has it Tito was stickin' his chimichanga where it didn't belong, and my gut-not to mention his less-than-natural death-says murder.

No one is above suspicion. Not Tito's own wife and daughter, not his arch food truck enemy Jacob...certainly not the son Tito didn't know about, newly arrived in Ebenezer Falls and getting cozy with my hired help.

Do join me (and try not to point and laugh) as I juggle catching a killer with the home renovations from hell, snooping for clues about Win's previous life, gabbing with and eavesdropping on the locals, and enduring a visit from my very unwelcome, very annoyingly gorgeous ex-coven leader-all while continuing to adjust to my new witchless existence!

Dewitched

I, ex-witch Stevie Cartwright, do hereby solemnly swear to avoid future murder-mystery shenanigans, nosiness, tomfoolery, and any further crazy killer inflicted pain to my person, so help me goddess...

Hah! Like I could help myself? But after busting my butt (literally!) on the last murder case in my beloved hometown of Ebenezer Falls, WA, I could use a nice long break. I was determined to take the time to enjoy the company of my bat familiar, Belfry; my British ex-spy ghost, Win; our adorable St. Bernard rescue, Whiskey; and of course our gorgeous home, Mayhem Manor, freshly and lovingly renovated.

Until shazam—a dead man invites himself to our fancy housewarming party! When my mother's husband number five ends up deep-sexed in my parlor, it's not like I can't NOT try to solve this mystery, right? Especially if I ever want Mom to leave so I can get back to my semi-peaceful existence.

But our work is definitely cut out for us this time!

Shed No Tears: A Novel (Cat Kinsella Book 3)

Author: Caz Frear

Acclaimed and internationally bestselling crime novelist Caz Frear returns with her third superb novel featuring Cat Kinsella, a cop “on par with Susie Steiner’s and Tana French’s female detectives” (*Kirkus Reviews*).

Four victims. Killer caught. Case closed . . . or is it?

Growing up in a London family with ties to organized crime, Detective Constable Cat Kinsella knows the criminal world better than most cops do. As a member of the city’s Metropolitan Police, she’s made efforts to distinguish herself from her relatives. But leading an upstanding life isn’t always easy, and Cat has come close to crossing the line, a fact she keeps well hidden from her superiors.

Working their latest case, Cat and her partner Luigi Parnell discover a connection to a notorious criminal: serial killer Christopher Masters, who abducted and killed several women in 2012. Though the cops eventually apprehended him, his final victim, Holly Kemp, was never found and he never confessed to her murder, despite the solid eyewitness testimony against him. Now, six years later, the discovery of Holly’s remains near Cambridge seems to be the definitive proof needed to close the case.

Still, a few key items of evidence don’t quite line up. As Cat and Parnell look closer, they find discrepancies that raise troubling questions. But someone will do anything to keep past secrets hidden—and as they inch closer to the truth, they may be putting themselves in jeopardy . . .

Flash in the Dark (Dogleg Island Mystery Book 5)

Author: Donna Ball

This is the book readers have been waiting for...

Dogleg Island Police Chief Aggie Malone has spent years searching for the identity of her birth father. Now, thanks to a home DNA test, she has a lead... but it’s taking her in a direction she never could have imagined, and desperately does not want to go. Because the evidence suggests that Aggie could be the daughter of the infamous Angelo, head of the deadly Ghost Syndicate crime empire.

Matters become more complicated when Aggie’s canine partner, Flash, discovers an abandoned child on the beach. The little girl can tell them nothing about how she got there, but she is clutching a Santa Muerte statuette—a symbol of protection in Hispanic culture, but also the notorious insignia for a drug cartel. Aggie’s husband, Deputy Sheriff Ryan Grady, becomes involved when the case intersects with his own investigation into the Ghost Syndicate, leading them all down a dark path full with treachery and deceit in which no one is above suspicion.

Grady unearths a secret organization with sinister connections to the past that may provide the key to bringing down the Ghost Syndicate. Aggie comes closer to discovering Angelo’s true identity and, perhaps, the truth about her own parentage. But even as the final pieces of the puzzle fall into place, a plan for revenge that has been decades in the making is unfolding around them. Unless Aggie, Grady and Flash can stop it they risk losing everything they love... even Dogleg Island itself.

Meanwhile, with a missing father and a murdered woman already on Barker's plate – not to mention the poison pen letters demanding his return to novel-writing, or else, arriving with alarming frequency – Barker's biggest case yet as a private investigator gets more complicated with each passing day.

And the Braxton Hicks contractions, baby shower drama, and "Ten Things Every Father Must Do To Prepare For Baby!!" articles aren't helping matters. With Barker and Julia's lives looking disturbingly like one of the novels Barker no longer writes, it will take their combined investigative skills to get to the bottom of the mysteries surrounding them.

The Deadly Mystery of the Missing Diamonds (A Dizzy Heights Mystery Book 1)

Author: *T E Kinsey*

Missing diamonds. Mysterious deaths. And all that jazz.

London, 1925. With their band the Dizzy Heights, jazz musicians Ivor 'Skins' Maloney and Bartholomew 'Barty' Dunn are used to improvising as they play the Charleston for flappers and toffs, but things are about to take a surprising turn.

Superintendent Sunderland has had word that a deserter who stole a fortune in diamonds as he fled the war is a member of the Aristippus private members' club in Mayfair—where the Dizzy Heights have a residency. And the thief is planning to steal a hoard of jewels hidden there under the cover of a dance contest.

As mutual pal Lady Hardcastle has suggested, Skins and Dunn are perfectly placed to be Sunderland's eyes and ears—and Skins's wife Ellie soon lends a hand with a bit of light snooping. But the stakes change dramatically when a mysterious death at the club brings a sinister note to the investigation.

With the dance contest fast approaching, the trio must solve the mystery of the missing diamonds, unmask the murderer, and prevent more deadly crimes—all without missing a beat.

She seems to have a particular distaste for the novels of Nessa Lamb.

Then Deirdre's body is found the next day in the back of the store—with pages torn from Nessa's books stuffed in her mouth. Now, Siobhán must uncover which of Kilbane's literary guests took Deirdre's criticisms so personally they'd engage in foul play . . .

As the body count rises, DI Anjelica Henley is faced with an unspeakable new threat. Can she apprehend the copycat killer before Olivier finds a way to get to him first? Or will she herself become the next victim?

Then her friend and neighbour - crime author Nick Forrest - suddenly finds himself the top suspect, and a missing garden gnome is the only lead in the case. Determined to find the real killer, Poppy sets out to do some horticultural sleuthing - helped by eccentric old inventor Bertie and a posse of nosy villagers. And could the naughty ginger tomcat Oren be the key to solving the mystery?

As she grapples with spindly seedlings and cryptic clues, Poppy discovers that even a sleepy English village can be a hotbed of deceit and death...

Author: *Annelise Ryan*

In Sorenson, Wisconsin, a local bigshot is found with a pool cue through the heart—and Mattie Winston must untangle a web of lies to sink a killer . . .

In her previous career as a nurse, Mattie Winston's job was to keep death at bay. Now, as a medicolegal investigator, she's required to study death intimately—to figure out causes and timing, and help deduce whether it was natural or suspicious.

In the case of Montgomery "Monty" Dixon, a well-to-do Realtor, there can be little doubt: Broken pool cues do not embed themselves. Monty's body is found in the game room of his lavish house, the walls adorned with photos of Monty and various celebrities. But as Mattie and husband Steve Hurley, a homicide detective, both know, money and connections can't protect anyone from a killer.

The first suspect is Monty's wife, Summer, who claims to have been at a cooking class at the time. When that alibi is served up as a fake, Summer moves to the top of the suspects list, but is soon joined by Monty's ne'er-do-well son, Sawyer, who has racked up gambling debts he hoped his dad would pay off. Monty's twin brother is engaging in shady financial deals. An affair, a Ponzi scheme, a disputed inheritance . . . there are as many motives as suspects, and soon Mattie and Hurley have turned up other, possibly related deaths.

Balancing a high-profile case with the demands of their increasingly stressful household isn't easy. It'll take all of Mattie's skill—along with a lucky break or two—to stop a killer from racking up another victim . . .

A magnificent seaside hotel, striped deckchairs, strawberry ice cream... and a rather familiar dead body? Lady Swift is on the case!

Spring, 1921. Lady Eleanor Swift, explorer extraordinaire and accidental sleuth, hasn't had a vacation since she arrived in England a year ago. Being an amateur detective can be a rather tiring business and she is determined to escape any more murder and mysteries. So she books into the Grand Hotel in the fashionable resort of Brighton for some fresh air, fish and chips and, of course, a dip in the ocean.

Eleanor is enjoying her view of the waves and trying to find her bathing suit when calamity strikes: a guest has been found dead at her beautiful hotel. The distraught manager, who can't afford a scandal, asks Eleanor to solve the case as swiftly as possible. Thank goodness she has her partner in crime – Gladstone the bulldog – to help her sniff out the dastardly culprit.

But when Eleanor enters the dead man's room, she receives a shock big enough to make her forget even the finest ice cream sundae. The body is that of her husband, who supposedly died six years ago on the other side of the world. Has he been alive all these years? Why does he have a copy of their wedding photograph with a cryptic message written on the back? **If Eleanor can keep herself safe long enough to find her husband's killer, she might discover that everything is not quite as it seems beside the seaside...**

Dream Walker (Bailey Spade Book 1)

Author: Dima Zales

Think your dreams are private? Think again.

As a dreamwalker, I can ease your nightmares, inspire creation, or steal memories, all for the small price of a buttload of cash. I need the money to save my mom's life, and the clock is ticking.

Then a gorgeous illusionist comes into the picture—though those mouthwatering looks may just be his powers in action. He sends me on a job with a major paycheck, but the pucking vampires show up and ruin everything.

As usual, they suck.

Now I'm knee-deep in a murder case where the victims and the perps could all kill me with a snap of their fingers. Throw in a creepy castle, a stinky moat, and a legendary monster, and we've got ourselves a party. Especially when the bodies begin to pile up.

My name is Bailey Spade, and if I don't solve this case, I'm dead.

Albert Smith's Culinary Capers - The First Five Books

Baking. It can get a guy killed.

'When Steve Higgs writes, he hits it out of the park. I find myself laughing out loud and often.'

When a retired detective and a former police dog set out on a culinary tour of the British Isles, they dream of tasty treats and delicious bakes ...

... what they find is mystery, mayhem, and murder.

Albert's investigator's brain sees things ordinary people might not, and his dog, Rex Harrison, cannot understand why the humans are struggling to solve each mystery. He can already smell the answer – it's right before their noses.

Together they lend their skills to help the people they meet, but unwittingly they've discovered a master criminal at work, and what started out as a bit of fun, is getting deadlier with each new place they visit.

If you are a fan of gentle, funny mystery books this series is sure to please. Grab a boxed set now and save a packet on buying them individually.

Praise for Rex & Albert:

'This series has it all; everything I want in a story and series ... humour, suspense, and colourful characters. It's one of my top all-time favourite series.'

I so enjoyed this wonderfully written tale of a retired detective and his smart if independent canine companion. From the kindly interactions of Albert to the sneaky actions of his pup, the story is nonstop. I could not easily put this book down. I read far into the night.

Wow, this book was hard to put down. The characters come to life, you become engaged in their adventures.

This book is laugh out loud funny. Rex Harrison definitely steals the show.

This is now my favorite author! This book was such a delight to read! An aged detective on a culinary road trip finds murder, friends and a little too much excitement with his not so obedient washed out police dog. Although fast-paced the author has humor laced throughout the book that will have you laughing out loud!

This series of books contain no cussing and graphic descriptions of violence or bedroom activities.

DAISY MORROW Super-sleuth!: The Root of All Evil: Book One of the Daisy Morrow series, a Cozy Mystery with a wicked side!

Author: *R T Green*

According to Daisy, nothing is ever quite what it seems. In her case, that's the truest thing ever spoken.

Daisy moved to the village a few miles from Kings Lynn in Norfolk a year ago, after a very unfortunate incident in London made her decide village life was the best option. Now she trundles around on a mobility scooter, even though she doesn't actually need to. She's adapted to country life quite well, although she rather unkindly refers to the village of Great Wiltingham as the 'place people go to wilt'.

It's not entirely populated by retired folk... there are some families, and even a few young couples. But it has to be said the village has more elderly residents than anything else. It's a beautiful place, with a duck-pond that's more like a lake, a second pond at the other end of the village, and a lot of open green spaces.

Daisy has been married to Aidan for thirty-five years. No one in the village knows that, because although he spends most of the time in Daisy's thatched cottage, he has his own place just around the corner.

Given what Daisy used to do before she retired, and the very unfortunate incident in London, they both decided it was best people didn't know just how much of a couple they actually were.

Daisy is seventy-one now. But for her, old habits die hard. And for some strange reason, trouble seems to follow her around. It's been a peaceful twelve months settling into village life, but that's about to end...

'The Root of all Evil' is the first book in the Daisy Morrow series. After some strange goings-on and a murder in the village, Daisy and Aiden, together with a

young police-woman called Sarah, whose curiosity gets the better of her, set about solving the mystery.

They discover the village is being secretly abused by some very unsavoury people, a fact Daisy has very good reason to hate, so she sets off on a personal vendetta against those responsible. Yes indeed, old habits die hard!

And it all begins with a rose bush, mysteriously uprooted in the middle of the night...

The Daisy Morrow series is now three books old! The Third One, 'A Very Unexpected African Adventure'. is available on pre-order now, releasing 3rd May! Check out Daisy, and all my other work, at rtgreen.net
