Molly Gray is not like everyone else. She struggles with social skills and misreads the intentions of others. Her gran used to interpret the world for her, codifying it into simple rules that Molly could live by.

Since Gran died a few months ago, twenty-five-year-old Molly has been navigating life’s complexities all by herself. No matter—she throws herself with gusto into her work as a hotel maid. Her unique character, along with her obsessive love of cleaning and proper etiquette, make her an ideal fit for the job. She delights in donning her crisp uniform each morning, stocking her cart with miniature soaps and bottles, and returning guest rooms at the Regency Grand Hotel to a state of perfection.

But Molly’s orderly life is upended the day she enters the suite of the infamous and wealthy Charles Black, only to find it in a state of disarray and Mr. Black himself dead in his bed. Before she knows what’s happening, Molly’s unusual demeanor has the police targeting her as their lead suspect. She quickly finds herself caught in a web of deception, one she has no idea how to untangle. Fortunately for Molly, friends she never knew she had unite with her in a search for clues to what really happened to Mr. Black—but will they be able to find the real killer before it’s too late?

The Existential Worries of Mags Munroe: The Mags Munroe Series

Author: Jean Grainger

My twelve-year-old daughter frequently moans that Ballycarrick is the most boring town in Ireland.

Nothing ever happens here.

She’s right.

And as the local police sergeant, this is something I’m delighted about.

I’ve enough to worry about - the polar ice-caps, the evil monster that’s shrinking my trousers, not to mention the hot flushes - without having to be like one of those gritty Netflix cops, chasing criminals down alleyways and busting drug deals.

So, life is calm and fairly predictable.

Until something unthinkable happens in our sleepy backwater.

A crime, but not like anything I’ve ever seen before.

It’s a complete mystery.

And it’s up to me to solve it.

A REESE'S BOOK CLUB PICK

THE NEW YORK TIMES BESTSELLER

ONE OF THE NEW YORK TIMES BEST THRILLERS OF THE YEAR

"I loved this book. It gave me the same waves of happiness I get from curling up with a classic Christie...The alternating points of view keep you guessing, and guessing wrong." — Alex Michaelides, #1 *New York Times* bestselling author of *The Silent Patient*

"Evok[es] the great Agatha Christie classics...Pay close attention to seemingly throwaway details about the characters' pasts. They are all clues." -- *New York Times Book Review*

A wedding celebration turns dark and deadly in this deliciously wicked and atmospheric thriller reminiscent of Agatha Christie from the *New York Times* bestselling author of *The Hunting Party*.

The bride – The plus one – The best man – The wedding planner – The bridesmaid – The body

On an island off the coast of Ireland, guests gather to celebrate two people joining their lives together as one. The groom: handsome and charming, a rising television star. The bride: smart and ambitious, a magazine publisher. It's a wedding for a magazine, or for a celebrity: the designer dress, the remote location, the luxe party favors, the boutique whiskey. The cell phone service may be spotty and the waves may be rough, but every detail has been expertly planned and will be expertly executed.

But perfection is for plans, and people are all too human. As the champagne is popped and the festivities begin, resentments and petty jealousies begin to mingle with the reminiscences and well wishes. The groomsmen begin the drinking game from their school days. The bridesmaid not-so-accidentally ruins her dress. The bride's oldest (male) friend gives an uncomfortably caring toast.

And then someone turns up dead. Who didn't wish the happy couple well? And perhaps more important, why?

The Rest Of Me: A Single Parent- Small Town Romance

Author: Ashley Munoz

I shouldn't have been out in that storm.

I knew it the second my feet hit the ground, and my flip-flops slid in the mud.

Unfortunately, I had no idea what in the world I was doing. Not with my kids, or the three horses in my barn...and definitely not in the small, country town we'd recently moved to.

Being told all these facts, while being reluctantly rescued by my brand-new neighbor didn't help matters either.

Arrogant, bossy, and rude—and okay, impossibly sexy—Reid was easily the most infuriating person I'd ever met. I had zero plans to ever speak to the recluse again after that night.

Unfortunately, he happened to be the only local horse instructor and the only hope I had at getting my kids in a saddle.

Desperation had me creating an alliance with him.

Envy had me craving the connection he built with them.

Distracted by his gentle touches, and his smooth smiles, I missed how close his demons danced to my ghosts.

While I was slowly letting him into my heart, I didn't even realize he'd already stolen it once before.

This is a complete standalone book, with no cliffhanger and no cheating.

Valentine's Day: Kiss of Death (The Cambridge Murder Mysteries Book 5)

Author: Charlot King

Captivating British Whodunnit Murder Mystery Series with a twist of poison! Hugely popular author makes this beautiful historic city of Cambridge, England, leap off the page, with the eccentric Professor of poisons, Elizabeth Green, in this English crime fiction series. What the fast-growing number choosing the popular Cambridge Murder Mysteries have to say...

"Murder in Cambridge? Check out the new novel by local author @queencharlot...a truly gripping read!" Cambridge Literary Festival @camlitfest Twitter

"I really enjoyed this book, always like finding a new author with something a little bit different in the crime genre." Amazon review

"A clever tale, well written, nice strong characters with an interesting blend of personalities. Everyone has strengths and frailties which makes them well-rounded and believable. If you like a mystery that is a well told story, not just a collection of horrors, then this could be the book and the series for you." Amazon review

The plot The quintessentially English Professor Elizabeth Green is not herself, shut in her bedroom she doesn't even have time for her grandson, Godric, whom she adores. As the director of the student play, Godric, meanwhile, attends a College Valentine's Banquet with some of his troupe. Soon after, he is one actor down, a body is found. Meanwhile, Inspector Abley's messy divorce has brought him alone up to Grantchester, as Sergeant Lemon steps in to lend support. With mystery after mystery building up, will Professor Green open her door to help?

The Series The Cambridge Murder Mysteries are set in the heart of Cambridge, England, featuring a vegan and animal-loving sleuth Elizabeth Green, and her sidekicks Inspector Abley and grandson, Godric. As the series unfolds, we learn more about these characters and their lives. If you like crime fiction, murder mysteries, whodunnits, women sleuths, traditional British detective stories, then you might like these books in the series: Bk1 'Poison', Bk2 'Cursed', Bk3 'Blood Moon', Bk4 'A Christmas Mystery', Bk5 'Valentine's Day – Kiss of Death', and the novella 'Christmas Eve in Grantchester'. Or, if you just like a good mystery set in Cambridge with all the quirky peculiarities of the English, then The Cambridge Murder Mysteries might be for you too. If you enjoy intelligent storytelling, strong and vulnerable characters with twists and turns of the plot, then you'll love the puzzles of these whodunnits. Charlot's fondness for Cambridge is replicated in her series, which has been described as evocative and authentic of this historic English city.

And what of Professor Elizabeth Green? In her fifties, this female protagonist woman sleuth is quintessentially English. An eccentric professor in her ivory tower, she maintains a sharp wit, yet is flawed by her inability to connect well with people, instead giving off a cold, opinionated and sometimes acerbic air. Though very kind to all animals (dogs, cats and the rest!) - a vegan - and a great gardener, in truth she keeps her friends close, and only lets a few dear people into her world.

Pick up this page-turning whodunnit series in the tradition of Agatha Christie and Miss Marple, Colin Dexter and Inspector Morse or Dorothy Sayers and Lord Peter Wimsey, and you'll get a murder mystery fuelled by poison in the dark alleys of Cambridge today!

This box set contains the first four mysteries in this bestselling series:

The Case of the Screaming Beauty: Detective Inspector Graham is still reeling from a tragedy of his own when he is called in to investigate a murder at the prestigious Lavender Bed and Breakfast. It has a rich, Tudor atmosphere, an enviously manicured lawn... And a deadly problem.

The Case of the Hidden Flame: Inspector David Graham is hoping for peace and quiet when he leaves city life behind for a quaint island village — but a suspicious death soon derails his plans. Will eccentric characters, roiling sea undercurrents, and deceptive coincidences unravel to reveal the secrets of his latest mystery?

The Case of the Fallen Hero: As he walks around the imposing Orgueil castle, Graham's peaceful life comes to a shuddering halt when he finds a woman kneeling beside the body of a stricken man. Does the castle hold clues to the puzzle?

The Case of the Broken Doll: A missing girl. A broken doll. Dark, deviant secrets. What the inspector finds as he investigates rocks the town, stirring memories long buried and forgotten. There are painful truths to face. Can he uncover what happened? Could the missing schoolgirl still be alive?

Murphy's Law: A Molly Murphy Mystery (Molly Murphy Mysteries Book 1)

Author: Rhys Bowen

From the creator of the much-loved Constable Evan Evans mysteries comes a colorful new series set in turn-of-the-century New York City. When spirited redhead Molly Murphy was growing up a peasant on the coast of Ireland she always imagined there was something more in store for her. She couldn't have known how right she was until the day she became a murderer, albeit in self-defense. Under drastic circumstances, Molly is forced to strike out into a new world. With the police right behind her, Molly's only chance at escape is a false identity and a steamship that will take her far, far away: to America.

When her ship sails into New York Harbor, with the majestic figure of the Statue of Liberty providing comfort and inspiration, Molly is sure her whole life is in front of her. But she's got one last hurdle to clear: Ellis Island. She is just one among thousands of immigrants on the tiny island, awaiting their fate with anxiety and hope. Unfortunately for Molly, before she is able to leave the island a man is brutally murdered, his throat cut from ear to ear, and coincidence and fate make her a suspect in a crime she didn't commit. Under a cloud of suspicion, and due largely to a growing mutual attraction between Molly and the handsome police captain in charge of the case, she is allowed to leave Ellis Island for Manhattan. Unfortunately, she's got a mission she couldn't have anticipated: clear her own name of murder. Alone in a new country with no one to lean on, Molly hits the vibrant streets of New York intent on finding out what really happened. After all, if she can't, she'll be sent back to Ireland, where the dreaded gallows await.

With the sweeping skyline of 19th century New York and the gritty, pulsating underworld of recently arrived immigrants forming a vivid backdrop, Rhys Bowen transports readers back in time to America's not-so-distant past. The first entry in the Molly Murphy series is a fascinating look at our immigrant history as well as an intensely absorbing page-turner.

Author: Rhys Bowen

Molly Murphy has finally begun to forget the unpleasant murder of a would-be rapist back in Ireland, not to mention her investigation into the murder of a fellow recent Irish immigrant, and is finally free to begin her life in New York City. Given her experiences so far in the New World, Molly has decided that her first order of business is to become a private investigator, a people finder of sorts, working for families in Europe who've lost touch with relatives in America. Not only might this put some food on her table, but her second order of business is to hook the handsome NYPD police captain Daniel Sullivan, and she envisions lots of opportunities to "seek his counsel" in her new profession.

Paddy Riley is a tough old Cockney p.i. who specializes in divorce work, and with a little persuasion he's ready to take on Molly as an apprentice. It's not exactly what she imagined, but she plans to make the most of it. That is, until she comes in to work one day to find her new world turned upside down and all expectations for her professional life suddenly up in the air.

Before long, Molly has set off on a journey that will take her through the back alleys of Manhattan and into the bars and lounges of the literary scene, where she spends time with writers, actors, poets, and musicians. It's quite an eye-opening turn for innocent young Molly, but she's resolute in her decision to find out exactly what happened that day in the office of Paddy Riley. Armed with nothing more than her fiery will and matching wild red hair, Molly has no idea of the danger her pursuit may bring in this fascinating, well-researched, and suspenseful second novel in Rhys Bowen's Agatha-award winning series.

Her search for a rural property to purchase must be set aside when she learns that Hugh St. Sevier has been accused of murder. Worse, the handsome physician is doing nothing to aid those trying to exonerate him.

Though it requires out-smarting the magistrate, enlisting the aid of Sebastian, Marquess of Dunkeld, and literally poking around in the undergrowth, Violet is determined to prove her friend's innocence—with or without St. Sevier's cooperation. Solving the crime also means Violet must face a few of her own demons, and find peace with a past that has proven even more vexatious than this most challenging mystery!

Author: Danielle Garrett

I'm a witch with a problem. Okay, make that lots of problems.

Following a *slight* misunderstanding with magical law enforcement, I wind up expelled from the hidden supernatural community known as the Seattle Haven. My parole office dumps me in a tiny beach town with nothing but my collection of worldly possessions and a warning that this is my last shot.

I don't think I'm cut out for the human world, but when stuck between a prison cell and a haunted halfway house, I suppose I'll take option B.

Things start out better than expected, I even manage to make a few friends, but when my boss at the local coffee house is found dead in an alley, I get tangled up in the investigation, and might have to blow my cover to prove my friend's innocence.

Add to that a fussy ghost landlady, warring vampire and shifter roommates, and my rapidly dwindling savings, and I'm beginning to wonder if I might have been better off serving that prison sentence after all.

It's too late now. I'm in the thick of it and come hex or high water, I'll get to the bottom of this murder, even if it means permanent banishment from the magical world.

****This boxed set includes the first three books in the Beechwood Harbor Magic Mysteries series by Danielle Garrett. Come explore Beechwood Harbor, a quaint town where witches, vampires, ghosts, and shifters all live, work, play, and mostly, get along. The Accidental Demon Slayer (Biker Witches Mystery Book 1)

Author: Angie Fox

A New York Times bestselling, breakout novel

My name is Lizzie Brown, and demon slayer wasn't my first career choice. It didn't even crack the list. I had a good thing going as a preschool teacher until my long-lost Granny blew into my life riding a Harley and raving about a demon on my toilet.

Why did she have to be right?

He was from the seventh layer of hell, and I killed his ass faster than you can say flush. Now Grandma insists I'm a demon slayer, destined to ride with her geriatric gang of biker witches.

Do I even own a leather jacket?

Crazier still, this new job comes with my own personal protector: Dimitri Kallinikos, a devastatingly hot shape-shifting griffin with beautiful eyes and a not-so-secret plan to seduce me.

I could get on board with that.

But I can't get too involved because Dimitri needs me to take care of some hellish personal business for him, and I'm not about to let a guy I barely know take me anywhere near the underworld. At least not on the first date. But there's a bigger danger brewing than either of us can imagine—and if I can't stop the rise of Hell on Earth, no one can.
