

How to Stop Time: A Novel

Author: Matt Haig

"A quirky romcom dusted with philosophical observations....A delightfully witty...poignant novel." —*The Washington Post*

"She smiled a soft, troubled smile and I felt the whole world slipping away, and I wanted to slip with it, to go wherever she was going... I had existed whole years without her, but that was all it had been. An existence. A book with no words."

Tom Hazard has just moved back to London, his old home, to settle down and become a high school history teacher. And on his first day at school, he meets a captivating French teacher at his school who seems fascinated by him. But Tom has a dangerous secret. He may look like an ordinary 41-year-old, but owing to a rare condition, he's been alive for centuries. Tom has lived history--performing with Shakespeare, exploring the high seas with Captain Cook, and sharing cocktails with Fitzgerald. Now, he just wants an ordinary life.

Unfortunately for Tom, the Albatross Society, the secretive group which protects people like Tom, has one rule: Never fall in love. As painful memories of his past and the erratic behavior of the Society's watchful leader threaten to derail his new life and romance, the one thing he can't have just happens to be the one thing that might save him. Tom will have to decide once and for all whether to remain stuck in the past, or finally begin living in the present.

How to Stop Time tells a love story across the ages—and for the ages—about a man lost in time, the woman who could save him, and the lifetimes it can take to learn how to live. It is a bighearted, wildly original novel about losing and finding yourself, the inevitability of change, and how with enough time to learn, we just might find happiness.

Soon to be a major motion picture starring Benedict Cumberbatch.

The Midnight Library: A Novel

Author: Matt Haig

"A feel-good book guaranteed to lift your spirits."—*The Washington Post*

A *New York Times* bestseller | Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick!

"Between life and death there is a library, and within that library, the shelves go on forever. Every book provides a chance to try another life you could have lived. To see how things would be if you had made other choices . . . Would you have done anything different, if you had the chance to undo your regrets?"

A dazzling novel about all the choices that go into a life well lived, from the internationally bestselling author of *Reasons to Stay Alive* and *How To Stop Time*.

Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better?

In *The Midnight Library*, Matt Haig's enchanting new novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

To The Center Of The Earth

Author: Greig Beck

An old woman locked away in a Russian asylum has a secret—knowledge of a 500-year-old manuscript written by a long-dead alchemist that will show a passage to the mythical center of the Earth.

She knows it's real because 50 years ago, she and a team traveled there. And only she made it back.

Today, caving specialist Mike Monroe leads a crew into the world's deepest cave in the former Soviet Union. He's following the path of a mad woman, and the words of an ancient Russian alchemist, that were the basis of the fantastical tale by Jules Verne.

But what horrifying things he finds will tear at his sanity and change everything we know about evolution and the world, forever.

In the tradition of *Primordia*, Greig Beck delivers another epic retelling of a classic story in an electrifying and terrifying adventure that transcends the imagination.

"Down there, beyond the deepest caves, below the crust and the mantle, there is another world."

Berlin Wild: A Novel of World War II

Author: Elly Welt

"One of the best I've ever read." —*Chicago Tribune*

"Extraordinary power . . . Comic . . . Tragic . . . A spellbinder." —*The Washington Post*

"Earns four stars . . . A wonderful book . . . Read it, by all means, and give it to a friend." —*San Francisco Chronicle*

"This novel hooks the reader on the first page and does not let go." —*USA Today*

"Pain and laughter . . . The author had the genius to allow comedy to dominate this powerful story of struggle." —*The Washington Book Review*

Dr. Josef Bernhardt, an anesthesiologist on the faculty of medicine at the University of Iowa, has tried his whole life to shut out the events of his youth in Berlin during the 1940s, but one incident in his operating room pulls him right back...

It's 1943, and sixteen-year-old Josef has been invited to leave his family and take up residence at the Wilhelm Institute of Berlin. Half-Jewish, he is unable to attend his high school due to Nazi laws, but as a mathematical genius, he has gained access to an opportunity that will assumedly spare and support him and eight other "special cases."

Though Josef is unable to forget about the war and the unknown fate of his family for the two years the Institute offers him sanity and safety, he and the others manage to discover friendship, love, and generosity within and between each other. They work side by side, under the direction of Professor Avilov (The Chief), on genetic experiments and nuclear research—quietly attempting to sabotage the war that is funding their work. Each day for two years, Josef fears that the dreamlike opportunity he has been dropped into might shatter, and that the nightmare of the genocide and war outside will infiltrate his safe haven.

Berlin Wild is based on an astonishingly true story of survival.

Zone One: A Novel

Author: Colson Whitehead

From the #1 *New York Times* bestselling author of *The Underground Railroad*

A pandemic has devastated the planet, sorting humanity into two types: the uninfected and the infected, the living and the living dead. After the worst of the plague is over, armed forces stationed in Chinatown's Fort Wonton have successfully reclaimed the island south of Canal Street—aka Zone One. Mark Spitz is a member of one of the three-person civilian sweeper units tasked with clearing lower Manhattan of the remaining feral zombies. *Zone One* unfolds over three surreal days in which Spitz is occupied with the mundane mission of straggler removal, the rigors of Post-Apocalyptic Stress Disorder (PASD), and the impossible task of coming to terms with a fallen world. And then things start to go terribly wrong...

At once a chilling horror story and a literary novel by a contemporary master, *Zone One* is a dazzling portrait of modern civilization in all its wretched, shambling glory.

Chameleon: Alien Castaways (Intergalactic Dating Agency)

Author: Cara Bristol

When you wish upon a falling star, er, UFO...

Young widow Kevanne Girardi catches sight of a meteorite streaking across the sky and wishes for a good handyman to help make her rundown lavender farm a big success. Instead, she gets a shapeshifting alien who apparently has never seen a leaky faucet before. But his loving and noble spirit make him just the man to fix her wounded heart. He hasn't promised her forever, but a girl can hope, can't she? Maybe she'll make another wish...

When his ship tumbles out of the sky and lands on Earth, Chameleon never expects to fall for a human woman. Unfortunately, he can't stay. He made a mistake that led to the devastation of an entire planet, and now the survivors are depending on him to get them to safety. He must repair his ship and leave before the Xenos Consortium finds him and Earth becomes endangered, too. But oh, he wishes he could stay with Kevanne forever...

Can a twist of fate make their wishes come true?

Dawn (The Xenogenesis Trilogy Book 1)

Author: Octavia E. Butler

An alien race calls on one woman to revive mankind after Earth's apocalypse in this science fiction classic from the award-winning author of *Parable of the Sower*.

Lilith Iyapo has just lost her husband and son when atomic fire consumes Earth—the last stage of the planet's final war. Hundreds of years later Lilith awakes, deep in the hold of a massive alien spacecraft piloted by the Oankali—who arrived just in time to save humanity from extinction. They have kept Lilith and other survivors asleep for centuries, as they learned whatever they could about Earth. Now it is time for Lilith to lead them back to her home world, but life among the Oankali on the newly resettled planet will be nothing like it was before. The Oankali survive by genetically merging with primitive civilizations—whether their new hosts like it or not. For the first time since the nuclear holocaust, Earth will be inhabited. Grass will grow, animals will run, and people will learn to survive the planet's untamed wilderness. But their children will not be human. Not exactly.

Featuring strong and compelling characters and exploring complex themes of gender and species, Octavia E. Butler presents a powerful, postapocalyptic interplanetary epic, as well as a ray of hope for humanity. *This ebook features an illustrated biography of Octavia E. Butler including rare images from the author's*

estate.

1984

Author: George Orwell

A PBS Great American Read Top 100 Pick

With extraordinary relevance and renewed popularity, George Orwell's *1984* takes on new life in this edition.

"Orwell saw, to his credit, that the act of falsifying reality is only secondarily a way of changing perceptions. It is, above all, a way of asserting power."—The New Yorker

In *1984*, London is a grim city in the totalitarian state of Oceania where Big Brother is always watching you and the Thought Police can practically read your mind. Winston Smith is a man in grave danger for the simple reason that his memory still functions. Drawn into a forbidden love affair, Winston finds the courage to join a secret revolutionary organization called The Brotherhood, dedicated to the destruction of the Party. Together with his beloved Julia, he hazards his life in a deadly match against the powers that be.

Lionel Trilling said of Orwell's masterpiece, "*1984* is a profound, terrifying, and wholly fascinating book. It is a fantasy of the political future, and like any such fantasy, serves its author as a magnifying device for an examination of the present." Though the year 1984 now exists in the past, Orwell's novel remains an urgent call for the individual willing to speak truth to power.

Winter World (The Long Winter Trilogy Book 1)

Author: A.G. Riddle

**A new ice age...
and a shocking discovery...
will change humanity forever.**

From the Amazon Charts and *Wall Street Journal* bestselling author with over FOUR MILLION COPIES sold worldwide comes an epic novel with an unforgettable twist.

*** Longlisted for the Wilbur Smith Award for best published novel. ***

In the near future, a new ice age has begun.

Humanity stands on the brink of extinction.

Desperate for answers, scientists send probes into the solar system to take readings. Near Mars, they identify a mysterious object moving toward the Sun. Is it the cause of the ice age? Or could it be humanity's only hope of survival?

With time running out, NASA launches a mission to make contact. But the object isn't what anyone thought. In the dark of space, alone, the team makes a discovery that will change the course of human history—and possibly end it.

Filled with real science and fascinating details, *Winter World* is that unique blend of fact and fiction that could completely change how you see our planet—and humanity's future. For those intrepid souls starting this bestselling trilogy, be warned: you may well be up late into the night turning the pages.

Praise for A.G. Riddle

"...reads like a superior collaboration between Dan Brown and Michael Crichton."

—*The Guardian* on *Pandemic*

"I finished the book fast because I just couldn't wait..."

—WIRED GeekDad on *Departure*

"This is apocalyptic sci-fi at its best."

—Daily Mail on *The Solar War*

An Extended Look at *Winter World*

Each month, Earth grows colder.

Snow falls in summer. Glaciers trample cities across North America, Europe, and Asia. The new ice age shows no signs of stopping.

Chaos erupts.

Around the world, people abandon their homes and flock to regions where they can survive. Nations prepare to go to war for the world's last habitable zones.

Scientists search the cause of the new ice age. They send probes into the solar system to collect readings. Near Mars, a probe finds a mysterious object, drifting toward the Sun. Is it responsible for the new ice age? Or is it merely an observer? Or neither? Could it be a relic from a long-extinct civilization? One thing is certain: investigating the object is humanity's best hope of survival.

As the ice age claims more lives and the world slides into anarchy, an international consortium launches a mission into space to make contact. But the first contact mission doesn't go as planned. What the crew discovers out there is beyond anyone's imagination.

Two members of the first contact mission may hold the keys to humanity's salvation.

Dr. Emma Matthews is the commander aboard the International Space Station. For months, she has watched the world below freeze and civilization unravel. The headlines tell only half of the story. The messages from her sister tell the rest, of a world witnessing mass migrations, fighting for survival, struggling to provide a future for their children. When a catastrophe strikes the ISS, Emma faces her own fight for survival.

Dr. James Sinclair is one of the greatest scientists alive. A mind before his time. Years ago, he invented something with the potential to change the world—an invention that would upset the balance of power in the world forever. Fearing that change, his enemies sent him to prison for a crime he didn't commit. But with humanity's future at stake, NASA asks him to join the first contact mission. His expertise is vital to the mission's success—and to saving Emma. With the clock ticking down to humanity's final days on Earth, James makes a decision that will change his life forever and may determine the fate of the entire human race.

The Handmaid's Tale

Author: Margaret Atwood

Now a Hulu Original Series

The Handmaid's Tale is a novel of such power that the reader will be unable to forget its images and its forecast. Set in the near future, it describes life in what was once the United States and is now called the Republic of Gilead, a monotheocracy that has reacted to social unrest and a sharply declining birthrate by reverting to, and going beyond, the repressive intolerance of the original Puritans. The regime takes the Book of Genesis absolutely at its word, with bizarre consequences for the women and men in its population.

The story is told through the eyes of Offred, one of the unfortunate Handmaids under the new social order. In condensed but eloquent prose, by turns cool-eyed, tender, despairing, passionate, and wry, she reveals to us the dark corners behind the establishment's calm facade, as certain tendencies now in existence are carried to their logical conclusions. *The Handmaid's Tale* is funny, unexpected, horrifying, and altogether convincing. It is at once scathing satire, dire warning, and a tour de force. It is Margaret Atwood at her best.

Split Second (Split Second Book 1)

Author: Douglas E. Richards

A stunningly original twist on time travel. Amazon's #1 novel in both the "thriller" and "science fiction" categories for over seven months.

What if you found a way to send something back in time? But not weeks, days, or even minutes back. What if you could only send something back a fraction of a second? Would this be of any use? You wouldn't have nearly enough time to right a wrong, change an event, or win a lottery.

Nathan Wexler is a brilliant physicist who thinks he's found a way to send matter a split second back into the past. But before he can even confirm his findings, he and his wife-to-be, Jenna Morrison, find themselves in a battle for their very lives. Because while time travel to an instant earlier seems useless, Jenna comes to learn that no capability in history has ever been more profound or far-reaching.

Now, as Jenna fights to defeat the powerful forces arrayed against her, nothing less than the fate of humanity hangs in the balance . . .

SPLIT SECOND is a roller-coaster ride of a thriller, one that will have readers pondering the nature of time, and of reality, long after they've read the last page.

THE DEVIL'S SWORD

Ready Player Two: A Novel (Ready Player One Book 2)

Author: Ernest Cline

#1 NEW YORK TIMES BESTSELLER • The highly anticipated sequel to the beloved worldwide bestseller *Ready Player One*, the near-future adventure that inspired the blockbuster Steven Spielberg film.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *THE WASHINGTON POST* • "The game is on again. . . . A great mix of exciting fantasy and threatening fact."—*The Wall Street Journal*

AN UNEXPECTED QUEST. TWO WORLDS AT STAKE. *ARE YOU READY?*

Days after winning OASIS founder James Halliday's contest, Wade Watts makes a discovery that changes everything.

Hidden within Halliday's vaults, waiting for his heir to find, lies a technological advancement that will once again change the world and make the OASIS a thousand times more wondrous—and addictive—than even Wade dreamed possible.

With it comes a new riddle, and a new quest—a last Easter egg from Halliday, hinting at a mysterious prize.

And an unexpected, impossibly powerful, and dangerous new rival awaits, one who'll kill millions to get what he wants.

Wade's life and the future of the OASIS are again at stake, but this time the fate of humanity also hangs in the balance.

Lovingly nostalgic and wildly original as only Ernest Cline could conceive it, *Ready Player Two* takes us on another imaginative, fun, action-packed adventure through his beloved virtual universe, and jolts us thrillingly into the future once again.

Elsewhere

Author: Dean Koontz

The fate of the world is in the hands of a father and daughter in an epic novel of wonder and terror by Dean Koontz, the #1 *New York Times* bestselling master of suspense.

Since his wife, Michelle, left seven years ago, Jeffy Coltrane has worked to maintain a normal life for himself and his eleven-year-old daughter, Amity, in Suavidad Beach. It's a quiet life, until a local eccentric known as Spooky Ed shows up on their doorstep.

Ed entrusts Jeffy with hiding a strange and dangerous object—something he calls “the key to everything”—and tells Jeffy that he must never use the device. But after a visit from a group of ominous men, Jeffy and Amity find themselves accidentally activating the key and discovering an extraordinary truth. The device allows them to jump between parallel planes at once familiar and bizarre, wondrous and terrifying. And Jeffy and Amity can't help but wonder, could Michelle be just a click away?

Jeffy and Amity aren't the only ones interested in the device. A man with a dark purpose is in pursuit, determined to use its grand potential for profound evil. Unless Amity and Jeffy can outwit him, the place they call home may never be safe again.

The Stand

Author: Stephen King

This is the way the world ends: with a nanosecond of computer error in a Defense Department laboratory and a million casual contacts that form the links in a chain letter of death.

And here is the bleak new world of the day after: a world stripped of its institutions and emptied of 99 percent of its people. A world in which a handful of panicky survivors choose sides -- or are chosen. A world in which good rides on the frail shoulders of the 108-year-old Mother Abigail -- and the worst nightmares of evil are embodied in a man with a lethal smile and unspeakable powers: Randall Flagg, the dark man.

In 1978 Stephen King published *The Stand*, the novel that is now considered to be one of his finest works. But as it was first published, *The Stand* was incomplete, since more than 150,000 words had been cut from the original manuscript.

Now Stephen King's apocalyptic vision of a world blasted by plague and embroiled in an elemental struggle between good and evil has been restored to its entirety. *The Stand: The Complete And Uncut Edition* includes more than five hundred pages of material previously deleted, along with new material that King added as he reworked the manuscript for a new generation. It gives us new characters and endows familiar ones with new depths. It has a new beginning and a new ending. What emerges is a gripping work with the scope and moral complexity of a true epic.

For hundreds of thousands of fans who read *The Stand* in its original version and wanted more, this new edition is Stephen King's gift. And those who are reading *The Stand* for the first time will discover a triumphant and eerily plausible work of the imagination that takes on the issues that will determine our survival.

From the Hardcover edition.

Limit of Vision

Author: Linda Nagata

Ethics and evolution collide in a tale of runaway biotechnology:

From the award-winning author of *Pacific Storm* and *The Last Good Man* comes a compelling science fiction thriller in which an experiment gone awry could lead to the next phase of human evolution.

Virgil Copeland is a young scientist working in a lab in Honolulu. With his research team, he's developed an artificial life-form known as “LOVs,” an acronym for Limit Of Vision, because in size LOVs are just at the boundary of what the human eye can easily see.

LOVs contain bioengineered human neurons. They enhance brain function when implanted in test animals. Experimentation on humans is, of course, highly illegal. But it's the nature of brilliant and ambitious young minds to ignore the rules. Believing the LOVs to be perfectly safe, Virgil and his team experiment on themselves, using implanted LOVs to enhance their own cognitive abilities—until tragedy strikes, and the experiment is exposed.

In a desperate attempt to preserve the last of the LOVs, Virgil flees Honolulu. He takes refuge in the steamy Mekong Delta, where he finds unexpected allies: a maverick businessman, a defiantly independent journalist, and an artificial intelligence charged with overseeing the welfare of a tribe of homeless children. Together this unlikely group resolves to preserve and nurture Virgil's LOVs—only to find themselves swept up in a whirlwind of runaway biotechnology, with compounding consequences ever more bizarre and unforeseeable.

The Princess Trials: A young adult dystopian romance

Author: Cordelia K Castel

Thirty young women. A handsome prince. A battle to the death

Water is scarce. Deserts have taken over the land. Nuclear war has devastated humanity. Humans live in walled super cities to keep out the irradiated. The land that was formerly known as America is divided into kingdoms ruled by royal elites.

Born into the lowest Echelon of the Kingdom of Phangloria, sixteen-year-old Zea Calico faces a life of hunger, thirst, and toil. The only way out of this drudgery is revolution, and Zea is desperate to help the cause.

When the palace calls for candidates to compete to marry Prince Kevon, Zea joins the Princess Trials to search the palace for weaknesses.

The trials should be a fairytale of sumptuous meals, ballgowns, and romance, but one misplaced word causes Zea to attract the Prince's attention. When Zea uncovers the man beneath Prince Kevon's public facade, she is at risk of falling in love and losing sight of her mission.

But the televised beauty pageant turns deadly, and Zea must fight for survival.

Perfect for fans of The Hunger Games and The Selection, this exciting tale of courage, intrigue, and betrayal will have you turning pages.

Heaven's River

Author: Dennis E. Taylor

Civil war looms in the Bobiverse in this brand-new, epic-length adventure by best seller Dennis E. Taylor.

More than a hundred years ago, Bender set out for the stars and was never heard from again. There has been no trace of him despite numerous searches by his clone-mates. Now Bob is determined to organize an expedition to learn Bender's fate—whatever the cost.

But nothing is ever simple in the Bobiverse. Bob's descendants are out to the 24th generation now, and replicative drift has produced individuals who can barely be considered Bobs anymore. Some of them oppose Bob's plan; others have plans of their own. The out-of-control moots are the least of the Bobiverse's problems.

Undaunted, Bob and his allies follow Bender's trail. But what they discover out in deep space is so unexpected and so complex that it could either save the universe—or pose an existential threat the likes of which the Bobiverse has never faced.

Maid For An Alien Prince: A SciFi Alien Romance (Intergalactic Exchange Program Book 1)

Author: Roxie Ray

I won't be forced into alien servitude.

I've spent my life mucking out the houses of the rich and famous. I know what they're really like.

They think they can take whatever they want.

I learned that the hard way.

Royalty? They have got to be worse.

I'm not interested in any of them, not even an alien prince.

I was supposed to be heading to another planet for a one-year housekeeping contract.

Instead he bought me out.

Does he think he can own me?

I don't want him.

I won't submit to him.

So why is he so ... nice?

Niall is unlike any rich guy I've ever known, but I still can't trust him.

Not even when he treats me well.

He calls me his fated mate!

But he's an alien prince and I'm a housekeeper.

We don't belong together.

So why do I want to kiss him more than I want my next breath?

Savage Dominion: A LitRPG Adventure

Author: Luke Chmilenko

Maulkin didn't know dying would mean a new eternity of dungeon delving, monster slaying, and glory hunting. If he had, he wouldn't have been so worried about kicking the bucket on a date gone even more wrong than usual.

Reborn in the wild world of Amaranth, Maulkin finds himself in a hulking demi-human body with a sword of a size to match. Marked as an Eternal, a fledgling

immortal of boundless potential, Maulkin soon discovers he's been given a mission by the elder pantheon of this new realm:

Grow stronger. Ascend to godhood. Spread chaos in their name.

Oh and fend off that inbound apocalypse, if he can find the time.

Who wants an easy afterlife anyway?

The Power of Hades: A Fated Mates Fantasy Romance (The Hades Trials Book 1)

Author: Eliza Raine

I've been kidnapped by Zeus. Plucked from the streets of Manhattan and frightened half to death by a freaking Olympian god. And now I'm trapped in the Underworld, being forced to compete in a series of deadly trials for the position of Queen of the Underworld. Which would mean marrying Hades, the utterly terrifying Lord of the Dead. Who the hell wants a husband at all, let alone one made of smoke and riddled with death?

I have to get back home, to New York and my brother. But I can't leave without completing the trials and they've been designed for a godly Queen, not Persephone - barista and botanical garden enthusiast.

I'm surrounded by lethal, all-powerful maniacs. Sexy-as-hell maniacs, sure, but as dangerous as they come. And I'm going to have to prove to all of them that there's a goddess of hell inside me. It's the only way I'll survive the Hades Trials. But then what? And *why, why, why* am I so desperate to see under Hades smoky exterior and find out what he's hiding from me?

If I win the trials, I have to marry the devil himself. But losing might mean losing my life.

*The Power of Hades is book 1 in the Hades Trials, which is intended for adults and is packed with magic, mythology and slow-burn soulmate romance! *Contains swearing and mature themes.**

Dune

Author: Frank Herbert

SOON TO BE A MAJOR MOTION PICTURE directed by Denis Villeneuve, starring Timothée Chalamet, Josh Brolin, Jason Momoa, Zendaya, Rebecca Ferguson, Oscar Isaac, Javier Bardem, Dave Bautista, Stellan Skarsgård, and Charlotte Rampling.

Frank Herbert's classic masterpiece—a triumph of the imagination and one of the bestselling science fiction novels of all time.

Set on the desert planet Arrakis, *Dune* is the story of the boy Paul Atreides, heir to a noble family tasked with ruling an inhospitable world where the only thing of value is the "spice" melange, a drug capable of extending life and enhancing consciousness. Coveted across the known universe, melange is a prize worth killing for....

When House Atreides is betrayed, the destruction of Paul's family will set the boy on a journey toward a destiny greater than he could ever have imagined. And as he evolves into the mysterious man known as Muad'Dib, he will bring to fruition humankind's most ancient and unattainable dream.

A stunning blend of adventure and mysticism, environmentalism and politics, *Dune* won the first Nebula Award, shared the Hugo Award, and formed the basis of what is undoubtedly the grandest epic in science fiction.

USS Hamilton: BroadSides

Author: Mark Wayne McGinnis

Hold tight . . . things are about to get bumpy

Sitting in his oppressively small 10 x 10 cell at the Norfolk Naval Station's Brig, Captain Galvin Quintos awaits his impending court-martial. That's when he has a most unexpected contact by Fleet Commander Admiral Block. He's proposing an off-book, secret operation—one coming at the request of the Pleidian Weonan Empress Shawlee Tee. For Quintos, telling Shawlee "no" was never an option. Unfortunately, according to the admiral, this very well could be a mission of no return. The war with the Grish has turned desperate and the Alliance is tallying far more losses than wins. To complicate matters, all other US Space-Navy warship assets have been deployed to various hot spots within the quadrant. As for the mission, Fleet Commander Twinwon and his crew are on the run from a fleet of eighteen Grish Warships somewhere out within the farthest reaches of frontier space. The Empress knows she has no right to ask, but she has no one else to turn to—she needs Quintos and the USS Hamilton's crew— and she needs them now. Sure, this rescue may be coming too late—but no one ever said being a hero was easy.

First problem—how the hell will Quintos escape from a Norfolk high-security detention facility...

Reviews:

USS Hamilton Sequel

Broadsides is an outstanding sequel to the USS Hamilton series. Hardcore military science fiction from Mark Wayne McGinnis. I'm a big fan. Carson Wheeler

Just as Good as Scrapyard Ship

I've been a fan of Mark's since he wrote Scrapyard Ship. It was one of the best space opera books I've ever read. USS Hamilton Broadsides, and the USS Hamilton series is just as good. I love a great military scifi story, and McGinnis delivers every time.

Great Military Science Fiction

Mark Wayne McGinnis has done it again. Space opera and military scifi come together in the USS Hamilton (3rd book in the series). Broadsides is fun, exciting, and just a purely entertaining book. As long as Mark keeps writing, I will continue to devour his books. Phillip Raskin

This makes scifi fun again!

Very enjoyable read. TIRED of reading books where the main character is always conflicted and overwhelmed. This was refreshing, enjoyable, fun, surprising, and a darn good read. Thanks Mark! Greg

Great Book!

Book 2 of the USS Hamilton series is even better than the first. Plenty of well-written action and character development. Great plot and resolution. I can't wait for the next book in the series. It is a fast read it is so entertaining. David A. Kickbusch

Better than Star Watch

I love Mark Wayne McGinnis. Always fun and entertaining. I've read his books from the beginning: Scrapyard Ship, Star Watch, Ship Wrecked, and the rest. The USS Hamilton Broadsides a great blend of military scifi and space opera, and I whole-heartedly recommend the USS Hamilton series who wants to kick back and get lost in a good story. Well done.

Kevin Newbury

Mark Wayne McGinnis

I love good science fiction and I've read many authors including BV Larson and Craig Alanson. Mark is the best. If you don't believe me, pick up Scrapyard Ship or Star Watch or Ship Wrecked and read them. The USS Hamilton is just as good, if not better than his earlier works.

KPM

Well-Written Space Opera

This is an enjoyable romp. The never say die crew on a sure be one-way mission grabbed me and never let go. I read it in one sitting. This was fun; not as much fun as sex with a black-haired woman or a wild child redhead in her early twenties. But easily besting spending a night with a massively self-involved blond. Buy it and enjoy the ride. Edward R. Hanson Jr.

Wow! What a Book!!

I can believe how exciting this book was! I'm taken aback at how clever this book was written. Great adventure, wonderful characters, thrilling action. First-rate sci-fi. I'm ready for the next one! Warren W. Ward

The Alien King's Pet: An Alien Abduction Romance (Royal Aliens)

Author: Loki Renard

She's a fast food worker from New York.

He's an alien king looking for a new pet.

It's a match made in... oh no.

At first, being abducted on her way to work seems like a lucky break to Katie.

Swept off her feet, and then off the planet by a muscular winged king who wants to pamper, protect, and procreate with her, she's the luckiest girl in the universe.

But the king's love comes with, well, not strings. More like chains. And collars. And leashes.

And expectations of obedience, and submission.

And...

Well.

Anyway.

Beats working for tips, right?

Step into the world of Alien Kings! These dominant, possessive, powerful aliens claim their human mates as is their royal right.

Spanning many galaxies and species, each Alien King has a distinct set of desires which can only be sated by his fated human mate, a woman who will be captured, claimed, and thoroughly broken to his will if necessary.

Royal aliens is a series of alpha aliens, feisty heroines, smexy scenes, and standalone stories.

The Solar War (The Long Winter Trilogy Book 2)

Author: A.G. Riddle

*** Now a *Wall Street Journal* bestseller! ***

**We thought the war was over.
We were wrong.**

They decimated Earth during the Long Winter. Now the grid has returned, and they won't stop until the human race is extinct.

On a ruined world, humanity's last survivors fight against impossible odds. In their darkest hour, they discover a new hope for survival. But it comes at an unthinkable price, with consequences that will change everything.

An Extended Look at *The Solar War*

After the Long Winter, Emma Matthews and James Sinclair hoped life would get back to normal. They've settled down in Camp Seven and welcomed their first child, a daughter. And they have waited and watched the sky for any signs of the grid's return.

When NASA discovers that several asteroids have broken from the Kuiper Belt and are headed for Earth, James instantly realizes the truth: the grid is back. And this battle will be one to the very end.

As he and his team prepare for humanity's last stand in space and on the ground, Emma makes a discovery closer to home, one that will change life for her and James once again.

With war raging around them, Emma and James fight to keep their family alive. In the cold darkness, humanity splinters. New alliances emerge. At every turn, Emma and James face new dangers—and question whom to trust.

Just when it seems that all hope is lost, James uncovers what may be the key to humanity's survival. But it comes with enormous risks. To implement his plan, he and Emma will have to survive the grid and another, even more deadly enemy. One thing is certain: their gambit will change the future of the human race forever.

Now, Then, and Everywhen (Chronos Origins Book 1)

Author: Rysa Walker

From the bestselling author of the Chronos series comes a page-turning novel of time travel, fast-paced action, and history-changing events.

When two time-traveling historians cross paths during one of the most tumultuous decades of the twentieth century, history goes helter-skelter. But which one broke the timeline?

In 2136 Madison Grace uncovers a key to the origins of CHRONOS, a time-travel agency with ties to her family's mysterious past. Just as she is starting to jump through history, she returns to her timeline to find millions of lives erased—and only the people inside her house realize anything has changed.

In 2304 CHRONOS historian Tyson Reyes is assigned to observe the crucial events that played out in America's civil rights movement. But a massive time shift occurs while he's in 1965, and suddenly the history he sees isn't the history he knows.

As Madi's and Tyson's journeys collide, they must prevent the past from being erased forever. But strange forces are at work. Are Madi and Tyson in control or merely pawns in someone else's game?

The last survivors of the human race escaped a ruined Earth. Their new homeworld—Eos—seemed perfect at first. Warm. Hospitable. Safe from the grid. But everything isn't as it seems.

The first colony of settlers—from the Carthage—have disappeared. Their settlement is still there, but everyone is gone. As James digs into the mystery of the lost colony, he discovers a series of spheres, buried on Eos. Are they the key to finding the lost colonists? Or are they responsible for their deaths?

Just as James is unraveling the secrets of the spheres, a storm hits Jericho City. Emma, recently elected mayor, struggles to lead her people to safety while James tries to make his way home. In the middle of the chaos, a new danger emerges—a threat no one saw coming.

With time running out to save the colonists, James and Emma face their hardest choice yet.

An Extended Look At *The Atlantis Gene*

70,000 years ago, the human race almost went extinct.
We survived, but no one knows how.
Until now.

The countdown to the next stage of human evolution is about to begin, and humanity might not survive this time.

Off the coast of Antarctica, a research vessel discovers a mysterious structure buried deep within an iceberg. It has been there for thousands of years, and something is guarding it. Could it be the fabled city of Atlantis? Or is it something more dangerous?

At the same moment, in Jakarta, Indonesia, a brilliant geneticist named Kate Warner has just discovered a breakthrough treatment for autism. Or so she thinks. What she has found is far more deadly—for her and for the entire human race. Her work could unleash the next stage of human evolution. It might also hold the key to unlocking the mysterious structure off the coast of Antarctica.

On the other side of Jakarta, Agent David Vale is racing to uncover a conspiracy with far-reaching implications. But he's out of time. His informant inside the conspiracy is dead. His own organization has been infiltrated—and his enemy has turned the hunt on him. Now he's on the run. But when he receives a coded message related to an imminent attack, he risks everything to save the one person that can help him stop it: Dr. Kate Warner.

Together, Kate and David race to unravel a global conspiracy and learn the truth about the Atlantis Gene... and human origins. Their journey takes them to the far corners of the globe and into the secrets of their pasts. Their enemy is close on their heels and will stop at nothing to obtain Kate's research and force the next stage of human evolution—even if it means killing 99.9% of the world's population. David and Kate can stop them... if they can trust each other. And stay alive.

The Farm Book 1: Behind The Curve (Behind The Curve - The Farm)

Author: Boyd Craven III

People Started Getting Sick

When the pandemic hit, nobody was expecting it to be as bad as it was. The economy barely survived the lockdowns, but it staggered along until civil unrest shattered people's hope of better times to come. With it being an election year, more and more Americans were waking up to the idea that they truly were behind the curve. The hope was; if they did not get sick, run out of money, or they could avoid violent mobs, they would be fine. The collapse happened so gradually; nobody saw it coming but the very few.

Life-long friends

Three doctors, a realtor, a contractor, and a pro shooter/model, make up the couples who had been lifelong friends and pooled their money to prepare for hard times. They soon find out money cannot buy you everything, even safety and security.

A jealous rancher wants to buy their land and does not want to take "no" for an answer. More than once, Lyle and his family are found on the wrong side of the fence. With human remains found on the new property, the mystery deepens, as the world around them slowly descends into chaos.

Jamie Sinclair, a young man with unique gifts, must find a way for his family and friends to survive Earth's destruction and build a new home in Overworld.

The Trials is not a game. Will Jamie survive its challenges?

Join Jamie as he struggles through the brutal Trials while wrestling with his new magics and Overworld's game-like dynamics.

A fantasy post-apocalyptic survival story of one man's journey to save humanity.

Alien AI's Marine (Warriors of the Lathar Book 14)

Author: Mina Carter

He's the lone human male in a sea of lethal alien warriors. He's either gifted or suicidal...

Kidnapped by aliens, rescued, and now on a secret base in a system he can't even pronounce, Major Jay Stephens has given up on a wing and a prayer... he's now on kicking butt and taking names. Especially when it comes to the alien AI who's risked everything, even her 'life' to protect him.

The only problem... she's gone and gotten herself a body. Beautiful and delicate, she evokes reactions in him that should be illegal. The REAL problem? An AI in physical form is totally illegal and against just about every law in Latharian society. Which means lots of lethal aliens want to kill it, and by extension, his AI.

And that's going to be a problem. Because Jay thinks... no, he *knows* he's in love with her, and no little (large) green (totally not green) men are going to draanth up the best thing he ever had...

She never wanted a body. Until she met her human marine.

One of the most advanced AI's in the empire, Keris is used to being so much more than any biological could dream of. She never expected that saving a lone human would lead to her taking physical form...

But a new form comes with a whole host of new problems. She's gone from being able to run a ship single-handed to struggling to co-ordinate her own two legs. And when Jay is around, her new brain quits functioning. All she can think about is the handsome human, and what his lips would feel like on hers...

But when the chips are down and Jay is taken from her, she'll show them that any woman scorned is a dangerous thing, AI or not...

Life Reset: Salvation (Life Reset - Neo Book 6)

Author: Shemer Kuznits

The conclusion to the epic Life Reset saga!

Insurmountable odds ... hidden powers maneuvering behind the scenes ... all culminating in a final, titanic, clash.

The mighty city of Everance lay in the GreenPiece clan's path, but as Oren soon discovers, he's got even bigger obstacles to overcome before reaching his final goal.

"A masterpiece." - R.O. Kwon

***The Crucible* meets *True Grit* in this riveting adventure story of a fugitive girl, a mysterious gang of robbers, and their dangerous mission to transform the Wild West.**

In the year of our Lord 1894, I became an outlaw.

The day of her wedding, 17 year old Ada's life looks good; she loves her husband, and she loves working as an apprentice to her mother, a respected midwife. But after a year of marriage and no pregnancy, in a town where barren women are routinely hanged as witches, her survival depends on leaving behind everything she knows.

She joins up with the notorious Hole in the Wall Gang, a band of outlaws led by a preacher-turned-robber known to all as the Kid. Charismatic, grandiose, and mercurial, the Kid is determined to create a safe haven for outcast women. But to make this dream a reality, the Gang hatches a treacherous plan that may get them all killed. And Ada must decide whether she's willing to risk her life for the possibility of a new kind of future for them all.

Featuring an irresistibly no-nonsense, courageous, and determined heroine, *Outlawed* dusts off the myth of the old West and reignites the glimmering promise of the frontier with an entirely new set of feminist stakes. Anna North has crafted a pulse-racing, page-turning saga about the search for hope in the wake of death, and for truth in a climate of small-mindedness and fear.

Author: Charles Soule

#1 NEW YORK TIMES BESTSELLER • Long before the First Order, before the Empire, before even *The Phantom Menace* . . . Jedi lit the way for the galaxy in The High Republic

It is a golden age. Intrepid hyperspace scouts expand the reach of the Republic to the furthest stars, worlds flourish under the benevolent leadership of the Senate, and peace reigns, enforced by the wisdom and strength of the renowned order of Force users known as the Jedi. With the Jedi at the height of their power, the free citizens of the galaxy are confident in their ability to weather any storm. But the even brightest light can cast a shadow, and some storms defy any preparation.

When a shocking catastrophe in hyperspace tears a ship to pieces, the flurry of shrapnel emerging from the disaster threatens an entire system. No sooner does the call for help go out than the Jedi race to the scene. The scope of the emergence, however, is enough to push even Jedi to their limit. As the sky breaks open and destruction rains down upon the peaceful alliance they helped to build, the Jedi must trust in the Force to see them through a day in which a single mistake could cost billions of lives.

Even as the Jedi battle valiantly against calamity, something truly deadly grows beyond the boundary of the Republic. The hyperspace disaster is far more sinister than the Jedi could ever suspect. A threat hides in the darkness, far from the light of the age, and harbors a secret that could strike fear into even a Jedi's heart.

Malac: A Sci-Fi Alien Dragon Romance (Brides of Driegon Book 1)

Author: Ava Ross

An alien dragon king meets his fated mate in a woman from Earth. With conflict brewing in the kingdom, will he be forced to make a heart-breaking choice?

Bella: When I came to the subterranean kingdom of Driegon as a mail-order bride, I didn't expect the dragon king to sweep me off my feet, take flight, and claim me as his mate. He says a mythical mating ritual called the Torrent proves we're fated. Yeah, sure. Then I find out he's almost engaged. He insists he'll find a way for us to be together, but I've fallen for pretty lies before, and I won't give my heart again easily.

Malac: To end a war among the factions of my Driegon people, I must marry the daughter of a rival warlord. I've accepted my fate. Until I meet Bella, one of three Earthlings brought to my kingdom as mail-order brides. One touch, and my blood roars through me--the first sign of the Torrent. We're fated and I ache to claim her, yet I cannot betray my people. But the heart of a dragon will not be denied.

Malac is Book 1 in the Brides of Driegon Series. This standalone, full-length story has on-the-page heat, aliens who look and act alien, a guaranteed happily ever after, no cheating, and no cliffhanger. Look for the rest of the series on Amazon.

Cade Korbin became a bounty hunter because he knew what it was like to be hunted. What he didn't know was who he'd end up hunting.

When it suited the Coalition, Cade was a Paladin, a member of their elite special forces. He did their dirty work and cleaned up their messes. Until his dark ops went public, and Cade was drummed out of the service with a dishonorable discharge. As if he'd ever been doing anything but following orders.

Forced to the fringes of society by his service record, Cade broke the law just to survive. Then the Enforcers caught him, and he served his time. Sick of the hypocrisy in the supposedly utopian Coalition, he crossed over to the other side and made a life among his former enemies in the Free Systems Alliance. Now he hunts the galaxy's worst lowlifes, for a fee, and the only orders he takes are his own.

But when his past catches up with him, Cade is forced to fight for more than just credits...

This time, he's in it for revenge.

Storm of Eon (Eon Warriors Book 7)

Author: Anna Hackett

When a Terran weapons scientist finds herself the target of deadly alien assassins, only one fierce alien warrior can keep her safe.

Weapons scientist Dr. Finley Delgado wants to get her new laser defense weapon operational to protect Earth from the insectoid Kantos invasion. She *has* to make this work. She's failed in the past and people paid with their lives, and she won't fail again. What she doesn't need is a big, brawny warrior that Space Corps orders her to work with getting in her way. Finley wants her solitude, not a massive distraction in the shape of a tall, hard Eon warrior.

Security Commander Sabin Solann-Ath is a warrior through and through, like his entire family before him. He's disciplined, dedicated, and hiding a dark secret he'd prefer to keep buried. He won't allow anyone or anything to disrupt his control. When he's ordered to Earth to help with a secret weapon, he vows to do everything he can to help their allies, even work with a statuesque, prickly scientist. He and Finley get off to a rocky start...but when the Kantos send a team of assassins after Finley, Sabin will do anything to protect her.

Sent to a secret facility deep in the Australian desert, Finley and Sabin are drawn closer and closer. She sees beyond the warrior to the man, and he uncovers a passionate woman. But Finley threatens everything Sabin has fought hard to control, and as they fight off the devious Kantos, they both will face the demons of their pasts.

Each book in this action-packed science fiction romance series can be read as a **standalone.

Q-Gates (The Silver Ships Book 19)

Author: S. H. Jucha

Outpost One: Resistance, the peacekeeping station in alliance space, is mired in political turmoil and dangerous conditions from the Colony, a race of giant devouring insectoids. Commander Jess Cinders and Admiral Lucia Bellardo fight the troubles besieging the outpost from multiple directions.

Sand serpents, Usaans, are suspected of undercutting outpost contracts, necessitating Major Sam Fleetfoot investigate the source of their production. His time on the Lemgart's home world, with Lieutenant Candace Weller, progresses through a series of alien contacts. When the Usaans are exposed, the sand serpents attempt to eliminate the human pair.

Meanwhile, Chief Engineer Mickey Brandon and his teams, led by the SADEs, investigate the Messinants domes. Their aim is to duplicate the ancient race's technique of transporting individuals and goods through quantum-linked platforms, called Q-gates. The teams produce requests for console inputs that stymie them and lead to cataclysmic events.

Omnian Co-leader Alex Racine's mysterious dreams turn into nightmares, and he fears for events in alliance space. The dreams herald multiple calamities, such as the loss of the Transit Tripper. The freighter, carrying an alien drone from the Worlds of Light, was sent to Mickey to examine.

To make matters worse, the Colony has escalated its tactics against the Resistance. The alliance defenders, having had a modicum of success, recently suffered setbacks. Jess must add to Mickey's tasks, requesting the chief engineer find a way to defeat the Colony's new energy weapons before more lives and ships are lost.

Delphi Challenge (Delphi in Space Book 9)

Author: Bob Blanton

The Farm Book 2 : Behind The Curve (Behind The Curve - The Farm)

Author: Boyd Craven III

Securing Their Sanctuary

The Sheriff's Department is forced to hand the investigation of the bones to the state police. The case has become too big for the department to investigate alone. The group complies and tries their best to mend fences within the law enforcement community and the neighbors. Surprisingly, their generosity is much appreciated.

A man with a heart set on revenge

As the virus ravaged US businesses, the effects could be felt all the way down to the supermarket. The USDA and FDA started imposing purchasing limits on essentials, especially food. They have volunteered to buy any excesses that do not get sold while they attempt to stop people from 'hoarding' food and necessities so they can be redistributed to those in greater need.

A President who had enough

With the POTUS's proclamation that Antifa and those who would loot and burn down the country be arrested, the violence only intensified. Agent Sullivan and Jake Kendricks both have their shots at the Langtry farm, who just will not comply. Will their efforts work, or will they be behind the curve?

Leviathan Wakes (The Expanse Book 1)

Author: James S. A. Corey

The first book in the revolutionary *New York Times* bestselling Expanse series, a modern masterwork of science fiction. *Leviathan Wakes* introduces Captain James Holden, his crew, and Detective Miller as they unravel a horrifying solar system wide conspiracy that begins with a single missing girl. Now a Prime Original series.

HUGO AWARD WINNER FOR BEST SERIES

Humanity has colonized the solar system -- Mars, the Moon, the Asteroid Belt and beyond -- but the stars are still out of our reach.

Jim Holden is XO of an ice miner making runs from the rings of Saturn to the mining stations of the Belt. When he and his crew stumble upon a derelict ship, the *Scopuli*, they find themselves in possession of a secret they never wanted. A secret that someone is willing to kill for -- and kill on a scale unfathomable to Jim and his crew. War is brewing in the system unless he can find out who left the ship and why.

Detective Miller is looking for a girl. One girl in a system of billions, but her parents have money and money talks. When the trail leads him to the *Scopuli* and rebel sympathizer Holden, he realizes that this girl may be the key to everything.

Holden and Miller must thread the needle between the Earth government, the Outer Planet revolutionaries, and secretive corporations -- and the odds are against them. But out in the Belt, the rules are different, and one small ship can change the fate of the universe.

Iron Prince (Warformed: Stormweaver Book 1)

Author: *Bryce O'Connor*

Reidon Ward will become a god.

He doesn't know it yet, of course. Reidon was born weak, sickly and small. Afflicted with a painful disease and abandoned by his parents because of it, he has had to fight tooth and nail for every minor advantage life has allowed him.

His perseverance has not gone unnoticed, however, and when the most powerful artificial intelligence in human history takes an interest in him, things began to change quickly. Granted a CAD—a Combat Assistance Device—with awful specs but an infinite potential for growth, Reidon finds himself at the bottom of his class at the Galens Institute, one of the top military academies in the Collective. Along with his best friend, Viviana Arada, Reidon will have to start his long climb through the school rankings, and on to the combat tournament circuits that have become humanity's greatest source of excitement and entertainment.

So begins the rise of a god. So begins the ascent of the Stormweaver.

New Madrid Earthquake: A Disaster Thriller

Author: *Bobby Akart*

**In the not too distant past, along the Mississippi River,
North America tried to tear itself in half.
It failed. It won't the second time.
New Madrid.**

A standalone disaster thriller from international bestselling author, Bobby Akart, one of America's favorite storytellers, who delivers up-all-night thrillers to readers in 245 countries and territories worldwide.

"Akart is a master of suspense, keeping us on the edge of our seats. But, he does it with fact-based fiction that would scare even the most hardened

readers."

Two hundred years ago, several faults within the New Madrid seismic zone along the Mississippi River ruptured triggering some of the largest earthquakes in American history. The three massive quakes ripped open America's Heartland, shaking residents as far away as New York City and Washington, DC while ringing church bells in Boston and Charleston, South Carolina.

"No one can research like Bobby Akart and then turn this meticulous research into one exciting thrill ride."

Akart's standalone novel, *New Madrid*, is based on actual events. It just hasn't happened yet, until now. 200 years after the historic quake sequence of 1811-12, it's reawakened.

"This is a story of fortitude and love for family - do you have what it takes to survive and make it back to your loved ones."

The New Madrid fault zone, six times larger than the San Andreas in California, has generated a series of massive earthquakes thrusting the Atwood and Chandler families in a fight to survive. Attorney Jack Atwood and his brother-in-law Tony Chandler are winding up their year-end tax planning presentation atop The Met, a skyscraper in St. Louis, before returning to Memphis for their family's Christmas celebration. Jill Atwood, her daughter Emily and teenage son Tate, are in a downtown Memphis performing arts theater attending the dress rehearsal for Emily's Christmas pageant. Beth Chandler, 28 weeks pregnant, together with her 3-year old autistic son, are traveling from Louisiana to join the rest of the family in Memphis.

Will they arrive for Christmas? Will they arrive at all? Their lives are about to change forever.

"You are there. Feeling what they feel. Anger, joy, love, mourning. You feel it all. Not everyone can write a book like this. It takes a special writer to make you feel a book."

Bobby Akart has delivered intense, up-all-night thrillers causing you to whisper just one more chapter until the end.

Prepare to be shaken.

Breakthrough

Author: Michael C. Grumley

**ONE OF THE GREATEST BREAKTHROUGHS IN HUMAN HISTORY.
A SECRET THAT WAS NEVER SUPPOSED TO BE FOUND.
AND A CRISIS THAT CANNOT BE STOPPED.**

Deep in the Caribbean Sea, a nuclear submarine is forced to suddenly abort its mission under mysterious circumstances. Strange facts begin to emerge that lead naval investigator, John Clay, to a small group of marine biologists who are quietly on the verge of making history.

With the help of a powerful computer system, Alison Shaw and her team are preparing to translate the first two-way conversation with the planet's second smartest species. But the team discovers much more from their dolphins than they ever expected when a secret object is revealed on the ocean floor. One that was never supposed to be found.

Alison was sure she would never trust the military again. However, when an unknown group immediately becomes interested in her work, Alison realizes John Clay may be the only person she *can* trust. Together they must piece together a dangerous puzzle, and the most frightening piece, is the trembling in Antarctica.

To make matters worse, someone from the inside is trying to stop them. Now time is running out...and our understanding of the world is about to change forever.

The Enigma Cube (Alien Artifact Book 1)

Author: Douglas E. Richards

To secure a dazzling future they must travel to a perilous past. A riveting science-fiction thriller from the million-copy *NY Times* bestselling author.

"Richards is an extraordinary writer," (Dean Koontz) who can "keep you turning the pages all night long." (Douglas Preston)

An alien object with breathtaking capabilities. And a life-and-death struggle for the future of humanity.

Dr. Kelly Connolly is part of a top-secret team studying the most important find in human history, the Enigma Cube, an alien artifact of incomprehensible power. A cube whose technology can catapult civilization to dizzying heights--or destroy it entirely.

After years of failed attempts to unlock the cube's secrets, all hell suddenly breaks loose. Kelly and a black-ops commando, Justin Boyd, are soon fighting against all odds to stay alive, and to keep the cube out of enemy hands.

As the situation quickly goes from bad to worse, Kelly discovers that the cube is far more dangerous than even she had imagined. And that her actions could lead to nightmarish changes to the nature of reality itself.

The Enigma Cube is a masterful thriller. One crammed with breakneck action, unexpected twists, mind-blowing science, and ethical dilemmas readers will be contemplating long after they've read the last page.

Equilibrium (Scattered Stars: Conviction Book 3)

Author: Glynn Stewart

*Peace forged on the edge of civilization
Lies forged in the heart of mankind
A legend rises to the final challenge*

Exile to the Syntactic Cluster has been good for Kira Demirci and her friends. Once elite pilots of the Apollo System Defense Force, they now own the most powerful mercenary warship in the entire star cluster. Working with the carrier-for-hire *Conviction* and her Captain John Estanza, they have helped the King of Redward usher in a new era of hope for the entire Cluster.

That hope is nearly shattered when Estanza's old enemies in the Equilibrium Institute strike directly at Redward's king. Revenge and money bring the mercenaries into an allied fleet—one intended to neutralize the last threats to the peace.

But the Institute's plans for the Syntactic Cluster are intricate and deep. Even as the mercenaries and their employers move against the enemies they see, shadows gather in the Cluster, bearing whispers of a forgotten name: *Cobra Squadron*.

Holy Ground

Author: Evan Currie

Mankind may be just about ready to reach for the stars, but before the Odyssey can begin... there was a war that had to be won.

In this explosive novel traditional claims, modern borders, and the dreams for a better tomorrow clash when the IndoChina backed Eastern Alliance takes a new and aggressive stance on the world stage, ushering in the last great World War.

A long patient wait is rewarded after over a century when the Chinese portion of the Eastern Alliance Bloc makes their move in the Pacific. For decades, only the US Navy has held them back from reclaiming what they believe to be theirs, but now the American forces are tired after decades of small wars, underfunded, and unprepared for what is coming. Additionally, the Bloc has an ace that shifts the balance of power and they intend to play it for all it is worth.

As the world plunges into the fires of war, a ragtag force of American, Japanese, and a smattering of other nationalities, sent fleeing across the ocean from Japan with aggressors nipping at their heels, are presented with a choice. Keep running, or choose a battleground and face their fate.

No more running. They will make their stand... on Holy Ground.

This explosive military thriller from Evan Currie, author of the best selling Odyssey One series, introduces readers to a world on the cusp of something more... a world ready to step beyond the problems of history... but first, there is one final war to be fought.

The United Federation Marine Corps' Lysander Twins: The Complete Series: Books 1-5

Author: Jonathan P. Brazee

Esther and Noah Lysander are the twin children of General Ryck Lysander, Commandant of the Marine Corps, leader of the Evolution, and Chairman of the Federation. Told that their father and mother have been assassinated, they are both devastated. Cut adrift, they each decide to enlist in the Corps—but for different reasons. Esther feels it is her duty to carry on the family legacy, confident that she can excel and reach the top. Noah simply wants to earn his father's pride, even if it is too late.

This omnibus volume contains all five books in the series:

Book 1: Legacy Marines

Book 2: Esther's Story: Recon Marine

Book 3: Noah's Story: Marine Tanker

Book 4: Esther's Story: Special Duty

Book 5: Blood United

Serving under the shadow of their father, the twins must find their own way, and in the process, learn what it means to be a Federation Marine.

Edge of Madness: A Post-Apocalyptic EMP Survival Thriller (Edge of Collapse Book 2)

Author: Kyla Stone

In a world without power, can one man protect his son?

On the five-year anniversary of his wife Hannah's disappearance, small-town cop Noah Sheridan takes his son Milo to a local ski resort for some much needed father-son time.

In a blink, the power grid goes out. Phones and cars stop working. What starts as a day of holiday fun soon turns into a deadly fight for survival.

And when an impending blizzard cuts off the town from the rest of civilization, it'll take everything Noah has to keep his family and friends alive.

When the country goes dark, ordinary people find themselves facing the end of the world as they know it. With society collapsing before their eyes, they'll have to risk everything to protect their home and the people they love.

From USA Today Bestselling Author Kyla Stone comes the *Edge of Collapse* series, a gripping EMP apocalypse story featuring flawed, complex characters and high-octane action adventure. A disaster/survival thriller perfect for fans of Ryan Schow, Grace Hamilton, Harley Tate, Jack Hunt, and Franklin Horton.

Rated PG-13 for mild language and moderate violence

Junkyard Spaceship (Junkyard Pirate Book 3)

Author: Jamie McFarlane

When aliens threaten his country, one grumpy old vet will take the fight to the stars.

Albert Jenkins would like nothing more than to putter around his junkyard, selling parts and working on old cars. When an alien spacecraft is shot down by US Air Defense and crash lands on his newly rebuilt home, he's dragged back into the fight of his life. Lightyears away, a war for the control of Earth looms and humanity's freedom hangs in the balance. Previously kicked off Earth, the Korgul are back and they are willing to destroy any who stand in their way.

To join the action, AJ lacks just one thing, a spaceship. With only a junkyard full of old parts, he'll need help to get his plan off the ground. Fortunately, he's got a plucky, pop culture loving, nano-sized symbiote who's managed to roll back the damages of eighty years of hard living. With dogged determination he'll repurpose an old, reclaimed shuttle and build a spaceship so he can join the fight one more time.

All Systems Red (Kindle Single): The Murderbot Diaries

Author: Martha Wells

Winner: 2018 Hugo Award for Best Novella

Winner: 2018 Nebula Award for Best Novella

Winner: 2018 Alex Award

Winner: 2018 Locus Award

One of the Verge's Best Books of 2017

A *New York Times* and *USA Today* Bestseller

A murderous android discovers itself in *All Systems Red*, a tense science fiction adventure by Martha Wells that interrogates the roots of consciousness through Artificial Intelligence.

"As a heartless killing machine, I was a complete failure."

In a corporate-dominated spacefaring future, planetary missions must be approved and supplied by the Company. Exploratory teams are accompanied by Company-supplied security androids, for their own safety.

But in a society where contracts are awarded to the lowest bidder, safety isn't a primary concern.

On a distant planet, a team of scientists are conducting surface tests, shadowed by their Company-supplied 'droid — a self-aware SecUnit that has hacked its own governor module, and refers to itself (though never out loud) as "Murderbot." Scornful of humans, all it really wants is to be left alone long enough to figure out who it is.

But when a neighboring mission goes dark, it's up to the scientists and their Murderbot to get to the truth.

Fair Warning (Jack McEvoy Book 3)

Author: Michael Connelly

The hero of *The Poet* and *The Scarecrow* is back in this thriller from #1 *New York Times* bestselling author Michael Connelly. Jack McEvoy, the journalist who never backs down, tracks a serial killer who has been operating completely under the radar—until now.

A *Kirkus* Best Book of 2020

Veteran reporter Jack McEvoy has taken down killers before, but when a woman he had a one-night stand with is murdered in a particularly brutal way, McEvoy realizes he might be facing a criminal mind unlike any he's ever encountered.

Jack investigates—against the warnings of the police and his own editor—and makes a shocking discovery that connects the crime to other mysterious deaths across the country. Undetected by law enforcement, a vicious killer has been hunting women, using genetic data to select and stalk his targets.

Uncovering the murkiest corners of the dark web, Jack races to find and protect the last source who can lead him to his quarry. But the killer has already chosen his next target, and he's ready to strike.

Terrifying and unputdownable, *Fair Warning* shows once again why "Michael Connelly has earned his place in the pantheon of great crime fiction writers" (*Chicago Sun-Times*).

Between Worlds (The Occupation Saga Book 1)

Author: J.L. Williams

Inspired by the likes of James Galloway's *Subjugation* and John Scalzi's *Old Man's War*, *Between Worlds* is a thrilling military sci-fi set in a strange new universe...

Jason had thought about punching a Shil'vati.

Who hadn't?

Not only had the aliens conquered Earth with almost trivial ease, the seven-foot purple amazons had also had the audacity to start running the planet better than Humanity ever had.

He'd never actually act on that desire though. He was a reasonable guy, just trying to finish his engineering degree and get on with his life. Preferably without attracting any attention from his new alien overlords.

At least, that had been the plan...

Warning: This novel contains adult themes.

Adulthood Rites (The Xenogenesis Trilogy Book 2)

Author: Octavia E. Butler

The futures of both mankind and an alien species rest in the hands of one hybrid son in the award-winning science fiction author's masterful sequel to *Dawn*.

Nuclear war had nearly destroyed mankind when the Oankali came to the rescue, saving humanity—but at a price. The Oankali survive by mixing their DNA with that of other species, and now on Earth they have permitted no child to be born without an Oankali parent. The first true hybrid is a boy named Akin—son of Lilith Iyapo—and to the naked eye he looks human, for now. He is born with extraordinary sensory powers, understanding speech at birth, speaking in sentences at two months old, and soon developing the ability to see at the molecular level. More powerful than any human or Oankali, he will be the architect of both races' intergalactic future. But before he can carry this new species into the stars, Akin must decide which unlucky souls will stay behind.

At once a coming-of-age story, science fiction adventure, and philosophical exploration, Butler's ambitious and breathtaking novel ultimately raises the question of what it means to be human. This ebook features an illustrated biography of Octavia E. Butler including rare images from the author's estate.

To Sleep in a Sea of Stars

Shadeslinger (The Ripple System Book #1) - A Fantasy LitRPG series

Author: Kyle Kirrin

Corporate flameout Ned Altimer dreams of leaving his world behind. So when Earthblood Online splashes onto the VRMMO scene, he dives in and never looks back.

His advantages are twofold: exclusive access to the game's three-day Head Start period, and a ridiculously handsome talking axe named Frank who has knowledge of the game's deepest secrets...if the magnificent Frank ever feels like sharing them.

But those advantages also make Ned a target. Once the Head Start period ends, his fellow players will stop at nothing to rip that suave, violent-yet-disarmingly-charismatic axe right out of his hands.

In seventy-two hours, the greatest manhunt in gaming history is set to begin.

It's gonna be a lot of fun.

Author: Ella Maven

Hide and seek is a lot less fun in an alien prison where the winner gets... me.

Rian: I'm not a stranger to being behind bars, but this prison leaves a lot to be desired. There are zero communal showers, minimal locking cells, and the other prisoners are extremely hostile. That could be because they are aliens and this is a prison in another galaxy. Add in the fact that I'm a human female, and my life span has just dropped some serious time.

I'm about to go down fighting when a scary blue alien with spikes decides he's my rescuer. Except he doesn't seem happy about my presence and, well, join the club, buddy.

Mikko: After spending a third of my life in the Pit, I returned for some payback but instead find a human female fighting for her life. She's small, snarly, and irritatingly beautiful.

When a coveted reward is offered to the prisoners for our capture, the game changes. My enemies thought I was unpredictable with anger issues before? They haven't seen anything yet. I'll escape again with my female, and then the real payback begins.

Mikko is a SciFi Alien Warrior Romance featuring a prickly, snarky hero with a heart of gold and a heroine who loves as hard as she fights.

Prepper's Apocalypse: Prepper Post-Apocalyptic Survival Fiction

Author: AJ Newman

Prepper's Apocalypse - Prepper Post-Apocalyptic Survival Fiction

EMP blasts started the apocalypse during Tom and his family's return flight to San Francisco from Hawaii. Surviving the crash only caused them to confront the chaos of the apocalypse head-on. Their fellow survivors were helpless and lacked the skills to survive. Tom, his sister, and their Grandma survive the perilous trip from San Francisco to their ranch in Southern Oregon using their prepper skills to keep them alive during the anarchy around them.

Get the complete story with this three book boxed set!

Madness Unleashed:

Now, Ryder is provided an opportunity to escape his tyrannical rule... But she won't stand for simply disappearing, it's time for justice.

Taking one mutated vampire down should be no problem, right?

Wrong!

Throw in a newly developed herd of zombies, and Ryder is facing a full recipe for disaster.

Get ready to enjoy the ride!

Madness Rising:

There is the improbable, and then there is the impossible.

Ryder had gone from the impossible to the highly improbable with Massimo and Leandro.

But can she do better?

While the vegetarian vampire, werewolf and bearded mountain man are willing to support her, Ryder needs an army to do better than throwing away the lives of herself and her new friends attacking Afana.

Will Massimo and Leandro be able to help her out, one more time?

Justice will be served, one way or another. The question is merely will Ryder be alive to see it happen?

Escaping Madness:

Time for justice to be served!

Ryder doesn't know if she can kill Afana and liberate the bunker.

One thing she does know is that the Merry Gang will do the impossible to free the hostage, or die trying.

Unfortunately for the Gang, there is a fate worse than death: The Madness.

Will Ryder and the Merry Gang survive the Madness?

Will Afana finally meet justice?

Will the captives find freedom?

*** As noted in other series set in the Kurtherian Universe, there IS cursing in this book, occasionally, it's funny, too. ***

Wake a Sleeping Tiger (A Novel of the Breeds Book 31)

Author: Lora Leigh

When readers of dark romance and unbridled desire want to be satisfied, they turn to #1 *New York Times* bestselling author Lora Leigh and her “powerful and highly erotic” (Fresh Fiction) Breed novels. Now a Breed hides in the world of man—until a woman arouses the amused and wildly carnal animal within...

Once, he was Judd—Bengal Breed and brother to the notorious fugitive Gideon. After Gideon disappeared, Judd was experimented on until his tortured body knew nothing but agony.

Now he is Cullen Maverick, serving as the commander of the Navajo Covert Law Enforcement Agency in the small community of Window Rock, Arizona. Despite his genetics, Cullen is able to pass as human because his Bengal traits are recessed. He lacks the ability to smell the emotions, bonds and fears that other Breeds take for granted. And he remains tormented that he wasn't able to mate the woman he loved—at the cost of her life.

He's no longer a Breed, merely a man. . . or so he thinks. But his tiger is about to be awakened by the one woman destined to be his—Chelsea Martinez. And their world will never be the same...

Pandemic (The Extinction Files Book 1)

Author: A.G. Riddle

“...reads like a superior collaboration between Dan Brown and Michael Crichton.”
—*The Guardian*

Now an Amazon Charts and *Wall Street Journal* bestseller.

From A.G. Riddle, the worldwide bestselling author with OVER FOUR MILLION COPIES SOLD in twenty languages, comes a groundbreaking novel that takes you inside the the CDC and WHO response to a global outbreak. It's an eye-opening journey that may well change everything you think you know about pandemics—and how to survive one.

Selected Praise for A.G. Riddle

“I finished the book fast because I just couldn't wait...”
—**WIRED GeekDad** on *Departure*

“Riddle makes an effort to keep the focus on how his characters react to each other (including to their future selves) rather than to the technological marvels that reshaped their world.”
—**Publisher's Weekly** on *Departure*

“Well-constructed and tightly-wound as a fine Swiss watch—*Departure* has non-stop action, an engaging plot and, of course, wheels within wheels.”
—**Diana Gabaldon**, #1 *New York Times* bestselling author of *Outlander* on *Departure*

An Extended Look at *Pandemic*

A hundred miles north of Alaska, a US Coast Guard vessel discovers a sunken submarine at the bottom of the Arctic Ocean. It has no national identification. It doesn't match the records of any known vessel. Deep within, researchers find evidence of a scientific experiment that will rewrite our basic understanding of the human race.

In Atlanta, Dr. Peyton Shaw is awakened by the phone call she has dreaded for years. As the CDC's leading epidemiologist, she's among the first responders to outbreaks around the world. It's a lonely and dangerous job, but it's her life—and she's good at it. This time, she may have met her match.

In Kenya, an Ebola-like pathogen has infected two Americans. One lies at death's door. With the clock ticking, Peyton assembles her team and joins personnel from the Kenyan Ministry of Health and the WHO. What they find in the remote village is beyond their worst fears. As she traces the origin of the pathogen, Peyton begins to believe that there is more to this outbreak—that it may be merely the opening act in a conspiracy with far reaching consequences.

In Berlin, Desmond Hughes awakens in a hotel room with no memory of how he got there or who he is. On the floor, he finds a dead security guard from an international pharmaceutical company. His only clue leads him to Peyton Shaw—a woman who seems to know him, but refuses to tell him how. With the police searching the city for him, Desmond desperately tries to piece together what happened to him. To his shock and horror, he learns that he may be involved in causing the outbreak—and could hold the only key to stopping it.

As the pathogen spreads around the world, Peyton and Desmond race to unravel the conspiracy behind the pandemic—and uncover secrets some want to keep buried. With time running out, they face an unimaginable decision.

NOTE: this novel is available as an eBook on Kindle Fire and Kindle eReader, as an Audible audiobook, and in print (paperback and hardcover). It's also in Kindle Unlimited where subscribers can borrow it for free.

An Extended Look at *The Atlantis Plague*

In Marbella, Spain, Dr. Kate Warner awakens to a horrifying reality: the human race stands on the brink of extinction. A pandemic unlike any before it has swept the globe. Nearly a billion people are dead—and those that the Atlantis Plague does not kill, it transforms at the genetic level. A few rapidly evolve. The remainder devolve.

As the world slips into chaos, radical solutions emerge. Industrialized nations offer a miracle drug, Orchid, which they mass produce and distribute to refugee camps around the world. But Orchid is merely a way to buy time. It treats the symptoms of the plague but never cures the disease.

Immari International offers a different approach: do nothing. Let the plague run its course. The Immari envision a world populated by the genetically superior survivors—a new human race, ready to fulfill its destiny.

With control of the world population hanging in the balance, the Orchid Alliance and the Immari descend into open warfare. Now the last hope for humanity is to find a cure. Kate alone holds the key to unraveling the mystery surrounding the Atlantis Plague. The answer may lie in understanding pivotal events in human history—events when the human genome mysteriously changed. Her journey takes her across the barren wastelands of Europe and northern Africa, but it is her research into the past that takes her where she never expected to go. She soon discovers that the history of human evolution is not what it seems—and setting it right may require a sacrifice she never imagined.

About The Author

Earth Abides

Author: George R. Stewart

In a glorious new trade paperback complete with an original Introduction written by author Kim Stanley Robinson

First published in 1949 and a winner of the inaugural International Fantasy Award in 1951, *Earth Abides* went on to become one of the most influential science-fiction novels of the twentieth century. It remains a fresh, provocative story of apocalyptic pandemic, societal collapse, and rebirth.

The cabin had always been a special retreat for Isherwood Williams, a haven from the demands of society. But one day while hiking, Ish was bitten by a rattlesnake, and the solitude he had so desired took on dire new significance. He was sick for days—and often delirious—waking up to find two strangers peering in at him from the cabin door. Yet oddly, instead of offering help, the two ran off as if terrified. Not long after, the coughing began. Ish suffered chills and fever, and a measles-like rash on his skin. He was one of the few people in the world to live through that peculiar malady, but he didn't know it then.

Ish headed home when he finally felt himself again—and noticed the strangeness almost immediately. No cars passed him on the road; the gas station not far from his cabin looked abandoned; and he was shocked to see the body of a man on the roadside near a small town. Without a radio or phone, Ish had no idea of humanity's abrupt demise. He had escaped death, yet could not escape the catastrophe—and with an eerie detachment he found himself curious as to how long it would be before all traces of civilization faded from Earth.

Alone (The Girl in the Box Book 1)

Author: Robert J. Crane

The first edge-of-your-seat novel in the *million-selling* Girl in the Box Series by Robert J. Crane.

Sienna Nealon was a 17 year-old girl who had been held prisoner in her own house by her mother for twelve years. Then one day her mother vanished, and Sienna woke up to find two strange men in her home. On the run, unsure of who to turn to and discovering she possesses mysterious powers, Sienna finds herself pursued by a shadowy agency known as the Directorate and hunted by a vicious psychopath named Wolfe, each of which is determined to capture her for their own purposes...

What readers are saying:

"...The right mix of history, mystery, romance, excitement, who-dunnits & yeah, sci-fi." ★★★★★

"...I haven't been drawn in this much since The Hunger Games." ★★★★★

"A thrill ride with a kick butt heroine. When you find a writer that gives you everything you want in a book: emotion, mystery, humor, and of course, some kick ass fight scenes, you have to become a fan." ★★★★★

Asgard's Fall: Digital Rebirth Chronicles

Author: Robert Hinshaw

Noah didn't expect much from entering the virtual reality world of Asgard's Fall. Even the danger of the experimental full immersion technology didn't put him off. It beat living in a nursing home and was supposed to let him feel young again, at least until modern medicine and his body gave out.

But there was something wrong with Asgard's Fall. The "gods" running the game didn't act like AIs were supposed to most of the time. And some of the players took things too seriously, like they knew something about the game that Noah didn't. Forced to rely on skills he abandoned a lifetime ago and new digital abilities that resemble ancient magics more than modern code, Noah has to unravel the mysteries behind Asgard's Fall. And in doing so, discover an ancient threat that has forced a world long hidden from mankind into the light.

1st to Fight (Earth at War)

Author: Rick Partlow

I retired from the USMC, and now I write about space marines.

I never thought I'd actually become one.

As a sci-fi author with a hit TV show, I have a few ideas about what alien invaders are supposed to look like. In my stories, they're technologically advanced monsters, with tentacles, and no faces.

Turns out I was right about the technology.

And about how angry they'd be.

But the way they look...that's more terrifying than even I could have imagined.

They look exactly like us.

Because they are us.

Untamed Alien (An Alien Breeder Romance): Barbarian Clans of Xavren

Author: Luna Kingsley

It was my new beginning. Until they gave me to the alien barbarian.

Marion can't believe her luck when she secures a spot on the first transport to Xavren. It's like winning the lottery when the Intergalactic Colonist Association (ICA) pledges to provide her with everything she needs to succeed as a founding member of the human colony.

Once she sets foot on Xavren, she realizes there's more to the bargain. The council expects something in return for their kindness.

Brotak carries the future of his clan on his broad shoulders. With no females, their people face extinction. He does the unthinkable and strikes a deal with the Xavren council. Human women in exchange for his tribe's rich land.

The first woman is delivered, and all his doubts, plans, and good intentions are discarded in a moment. He'll claim her, breed her and enjoy every minute of it.

Untamed Alien is the first book in a steamy new alien breeder series. No cheating, no cliffhanger, HEA guaranteed!

Lt. Reilly 2321: (Lt. Reilly book #1)

Author: Matthew Duncan

Jack Reilly's luck ran out just before the war did. Resigning his commission in the Alliance shortly after the end of the war with the Serkins, he went out into the galaxy looking for a job. Signing onto the Glacier Runner 17, an old and rundown cargo ship, Reilly finds himself working for a clueless captain, mixed-up in an intergalactic conspiracy, on the run from assassins, and involved with two women in relationships that he could only call "complicated".

Revised on November 25, 2020

What people are saying about Lt. Reilly 2321 -

Don't mess with the Engineer.

Really fun story. I loved how the humble retired-ish Reilly stayed one step ahead of everyone throughout the entire story. Well, maybe not his relationships, but the enemy at least. Lots of mystery, action, and pulling victory from the jaws of defeat. If I'm going to space, I'd like him in the engine room!

Please say there is a book two!

This was easily one of my most enjoyable books this year!! I loved the main character, Jack Reilly!! He was smart, military, older, and wiser. And he kept saving the day!!!! The two main females were equal parts soft and hard. Together they rounded out all the rough edges for Jack and made for some very interesting interplay. The narrator was something special. This book was non-stop action with a variety of characters. Everything was performed to perfection.

A Hard-Boiled Sci-fi

This was a great story with the main character you could get behind. I am looking forward to the next book in the series to see what happens next.

Pestilence (The Four Horsemen Book 1)

Author: Laura Thalassa

They came to earth—Pestilence, War, Famine, Death—four horsemen riding their screaming steeds, racing to the corners of the world. Four horsemen with the power to destroy all of humanity. They came to earth, and they came to end us all.

When Pestilence comes for Sara Burn's town, one thing is certain: everyone she knows and loves is marked for death. Unless, of course, the angelic-looking horseman is stopped, which is exactly what Sara has in mind when she shoots the unholy beast off his steed.

Too bad no one told her Pestilence can't be killed.

Now the horseman, very much alive and very pissed off, has taken her prisoner, and he's eager to make her suffer. Only, the longer she's with him, the more uncertain she is about his true feelings towards her ... and hers towards him.

And now, well, Sara might still be able to save the world, but in order to do so, she'll have to sacrifice her heart in the process.

Randomize (Forward collection)

Author: Andy Weir

Audible narration by Janina Gavankar (*True Blood*)

In the near future, if Vegas games are ingeniously scam-proof, then the heists have to be too, in this imaginative and whip-smart story by the *New York Times* bestselling author of *The Martian*.

An IT whiz at the Babylon Casino is enlisted to upgrade security for the game of keno and its random-number generator. The new quantum computer system is foolproof. But someone on the inside is no fool. For once the odds may not favor the house—unless human ingenuity isn't *entirely* a thing of the past.

Andy Weir's Randomize is part of Forward, a collection of six stories of the near and far future from out-of-this-world authors. Each piece can be read or listened to in a single thought-provoking sitting.

Pillaged: A Sci-Fi Alien Warrior Romance (Raider Warlords of the Vandar Book 3)

Author: Tana Stone

I was promised against my will to an imperial general. . .so I escaped. Right into the arms of an even more ruthless Vandar warlord.

I'd thought things had been bad when I'd been ordered to marry the repulsive Zagrath general. But then I'd been captured by the empire's most deadly enemy--the Vandar raiders. With their battle kilts and tails, the raiders are known for being fierce warriors who never take prisoners. Until now.

The fear I feel when I'm taken by the menacing Vandar warlord is confirmed when I discover why he treats me like an honored guest. Taking the general's bride is one thing, but to strike the most personal blow the Vandar must claim me as his, taking me to his bed until his mating marks appear on my skin and mark me as his true mate.

But he has no intention of forcing me. He wants to make a deal—become his willingly and I will get what I've always wanted—my freedom from a loveless, arranged marriage. Can I agree to a deal with the darkly dominant warlord who stokes both my fear and desire? Even if being claimed by the Vandar is only revenge for him and freedom for me, will my heart remain untouched as he pillages my body? And will the general give me up so easily, or will he come for both of us with all the firepower of the empire?

Pillaged is a full-length sci-fi romance novel with an HEA and no cheating. It features steamy scenes on a raider warship, alien horde space battles, and some serious heat.

If you like dominant and dangerous alien warriors, alien abduction to seduction, and marriage of convenience romance, you'll love *Pillaged*, the third book in Tana Stone's sci-fi romance Raider Warlords of the Vandar series. Each book can be read as a standalone.

These Times of Abandon: A Post-Apocalyptic EMP Survivor Thriller (The Abandon Series Book 1)

Author: Ryan Schow

From the USA Today Bestselling Author of *The Last War*, *The Age of Embers*, and *Dark Days of the After* comes a BRAND NEW post-apocalyptic survival saga, *The Abandon Series*.

Leighton McDaniel is in her first year at Northern Kentucky University when an EMP detonates above the US. The lights are out, the grid is down, and electronics have failed, including Leighton's new hearing aids. Unbeknownst to the town of Highland Heights, the weather warning system is down and tornados are forming. As Leighton heads for her boyfriend's farm, an admirer of hers quietly takes chase. Nothing covers one's tracks better than shadows and chaos, but some battles

turn quickly, leaving one to wonder, who is the wolf, and who becomes the prey?

As the winds begin to whip and Kentucky descends into lawlessness, the former Golden Gloves boxer, Hudson Croft, is forced to defend his home from violent opportunists. Hudson is ready for the anarchy, but he never anticipated the tornado heading his way or the war Leighton McDaniel brought with it. Although Hudson is anxious to return to the fight, he remains haunted by his past boxing injuries, for one blow to the head, and it's lights-out on his life.

Amid such an unprecedented attack, a handful of citizens will fight to survive the many storms bearing down upon them. Those clinging to the old world will perish while those who abandon the former world will dig in and fight, proving the might and strength of America are not found solely in her military or her commerce, but in the heart of her people.

Fire up your kindle, grab some caffeine, and prepare yourself for a roller-coaster ride through the apocalypse with Kentucky's finest!

House of Earth and Blood (Crescent City Book 1)

Author: Sarah J. Maas

A #1 New York Times bestseller!

Sarah J. Maas's brand-new CRESCENT CITY series begins with *House of Earth and Blood*: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance.

Bryce Quinlan had the perfect life—working hard all day and partying all night—until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths.

Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose—to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach.

As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion—one that could set them both free, if they'd only let it.

With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 *New York Times* bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom—and the power of love.

USS Hamilton: Ironhold Station

Author: Mark Wayne McGinnis

The surprise attack within the Auriga Star System was worse than brutal, it was heinous—leaving the US-Navy's 3rd Fleet decimated. Thousands of crew are reported dead, including the ship's Captain. Reluctantly, the young XO, Galvin Quintos, will be taking command of the fleet's crippled dreadnaught, the USS Hamilton, while doing his best to bring fleet survivors back to Earth. Going from bad to worse, there's a murderer running loose onboard the ship. Add to that fuel levels are critically low, and the Grish are back and in fast pursuit—ready to finish what they'd started. Only by sheer luck, along with a good measure of cagey smarts, will Quintos be able to rise the challenge.

This is one the best military science books I've read in the past 10 years! James Wright

If you like BV Larson, you'll love MWM's latest book - thanks for a fun, exciting read! PK

The USS Hamilton is a military space opera on steroids. Literally, could not put it down! Frank Harris

Oona Out of Order: A Novel

Author: Margarita Montimore

NATIONAL BESTSELLER

A GOOD MORNING AMERICA BOOK CLUB PICK

AMAZON EDITORS' 20 BEST BOOKS OF THE YEAR PICK

"With its countless epiphanies and surprises, *Oona* proves difficult to put down." —USA Today

"By turns tragic and triumphant, heartbreakingly poignant and joyful, this is ultimately an uplifting and redemptive read." —The Guardian

A remarkably inventive novel that explores what it means to live a life fully in the moment, even if those moments are out of order.

It's New Year's Eve 1982, and Oona Lockhart has her whole life before her. At the stroke of midnight she will turn nineteen, and the year ahead promises to be one of consequence. Should she go to London to study economics, or remain at home in Brooklyn to pursue her passion for music and be with her boyfriend? As the countdown to the New Year begins, Oona faints and awakens thirty-two years in the future in her fifty-one-year-old body. Greeted by a friendly stranger in a beautiful house she's told is her own, Oona learns that with each passing year she will leap to another age at random. And so begins *Oona Out of Order*...

Hopping through decades, pop culture fads, and much-needed stock tips, Oona is still a young woman on the inside but ever changing on the outside. Who will she be next year? Philanthropist? Club Kid? World traveler? Wife to a man she's never met? Surprising, magical, and heart-wrenching, Margarita Montimore has crafted an unforgettable story about the burdens of time, the endurance of love, and the power of family.

The Segonian (Aldebarian Alliance Book 2)

Author: Dianne Duvall

New York Times bestselling author Dianne Duvall brings readers the second stand-alone novel in a thrilling new sci-fi romance series full of action, humor, and happily-ever-afters.

Eliana's life has never been what one might term ordinary. At least, it hasn't been for a very long time. As a powerful Immortal Guardian, she spends her nights hunting and slaying psychotic vampires that most of humanity doesn't even realize exist. Then an opportunity arises that instantly makes her extraordinary existence seem downright boring. The leader of the Immortal Guardians asks her to guard a group of mortals who are embarking upon a voyage across the galaxy to the planet Lasara. How could she possibly say no?

In no time at all, Eliana is hurtling through space on board a Lasaran battleship and getting to know not one but *two* alien races. It's the most exciting adventure of her long life... until the ship is unexpectedly attacked. Amid the chaos and destruction that follow, she valiantly helps everyone she can before an explosion renders her unconscious. When Eliana awakens, she finds herself alone, floating in space, clad only in a spacesuit, with no ship in sight. Alone--that is--except for the warm, deep voice that carries over the comm in her helmet.

Commander Dagon and the crew of the Segonian battleship *Ranasura* respond to a distress call from their Lasaran allies and join a massive Alliance-wide search-and-rescue mission. He quickly achieves communication with a lone Earthling female and races toward her. Every time they speak, his fascination with her grows and he becomes more desperate to reach her before her oxygen supply runs out. Her strength, bravery, and humor entice him, even more so when she defies all odds and they meet in person.

As he and Eliana embark upon a quest to find her missing friends, a bond swiftly grows between them that deepens with every laugh and smile and tender touch they share. But they are not the only ones searching for Earthling survivors. When Eliana herself becomes the hunted and their enemies begin to close in, can the two of them fight their way to victory, or will their enemies take everything?

Junkyard Pirate

Author: Jamie McFarlane

Knocking at death's door. Bargaining for a second chance. Seems like a heck of a way to find out about an alien invasion...

Vietnam vet Albert Jenkins is battling a bulging waistline and a passion for drink. So when a towering pile of scrap rocket parts falls and crushes the stubborn curmudgeon, he thinks it's finally the end. But just as he's about to take one final breath, a snarky alien parasite offers him a deal: his life in return for sharing his body.

With a little coaxing from his new pop-culture-loving inner resident, AJ's broken carcass improves so much that even an old flame is impressed. But his bright outlook fizzles when he discovers he's at ground zero of a galactic conspiracy to strip Earth of precious resources humans don't even know exist.

Can the unlikely partners join forces and use AJ's rusty military skills to raise the alarm? Or, will the alien invaders put him down once and for all?

Junkyard Pirate is the first book in an imaginative space opera series. If you like grizzled soldiers, clever twists and turns, and intergalactic tactical pairings, then you'll love Jamie McFarlane's fast-paced alien adventure.

The Other Emily

Author: Dean Koontz

Number one *New York Times* bestselling master of suspense Dean Koontz takes readers on a twisting journey of lost love, impossible second chances, and terrifying promises.

A decade ago, Emily Carlino vanished after her car broke down on a California highway. She was presumed to be one of serial killer Ronny Lee Jessup's victims whose remains were never found.

Writer David Thorne still hasn't recovered from losing the love of his life, or from the guilt of not being there to save her. Since then, he's sought closure any way he can. He even visits regularly with Jessup in prison, desperate for answers about Emily's final hours so he may finally lay her body to rest. Then David meets Maddison Sutton, beguiling, playful, and keenly aware of all David has lost. But what really takes his breath away is that everything about Maddison, down to her kisses, is just like Emily. As the fantastic becomes credible, David's obsession grows, Maddison's mysterious past deepens—and terror escalates.

Is she Emily? Or an irresistible dead ringer? Either way, the ultimate question is the same: What game is she playing? Whatever the risk in finding out, David's willing to take it for this precious second chance. It's been ten years since he's felt this inspired, this hopeful, this much in love...and he's afraid.
