Ever since, Emily and Madison have tried to forget what happened that night—until an eerily similar murder brings it all back. It also brings FBI special agent Zander Wells to the Oregon logging town. As eager as he is to solve the brutal double slaying, he is just as intrigued with the mystery of Emily's and her sisters' past.

When more blood is shed, Zander suspects there's a secret buried in this town no one wants unearthed. Is it something Emily and Madison don't know? Or aren't telling? And Tara? Maybe Emily can't bear to find her. Because when Tara disappeared, she took a secret of her own with her.

A Court of Silver Flames (A Court of Thorns and Roses Book 5)

Author: Sarah J. Maas

Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta.

Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it.

The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other.

Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts.

Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

Like when my car broke down and I needed a ride home, and when I face planted on the sidewalk right in front of him and had to be taken to the emergency room.

Those weren't exactly my best moments, but they were his.

We became friends, and it didn't matter that he was sixteen years older than me. We had a lot in common--like our love of old rock music and vintage fast cars, and our aversion to relationships.

When he approached me with a crazy idea to help me out with my many problems, I couldn't say no.

The arrangement was supposed to be temporary. A marriage on paper and nothing else.

It should've been easy, but it wasn't.

Because here I am, eighteen years-old, still in high school, and married to a man I was never supposed to fall in love with.

We had just one rule--no kissing the bride.

But we broke that rule, and it sealed our fate forever.

I don't regret much.

Not fighting for custody of my daughter—even if, biologically speaking, it turns out she's not mine.
And certainly not seducing my buddy's little sister ten years ago.

But when it comes to Shayleigh Jackson, my no-regrets attitude stops there. I screwed up royally where she's concerned. Then I made another mistake when I let her shut me out of her life.

Now after more than a decade living in different time zones, I'm coming home to Jackson Harbor. My first priority is keeping my daughter away from the media circus in Los Angeles, but the moment I see Shay, I know something else brought me back here. Now I'll stop at nothing to win her back.

A new, sexy standalone from #1 New York Times Bestseller, Vi Keeland.

The first time I met Hudson Rothschild was at a wedding. I'd received an unexpected invitation to one of the swankiest venues in the city.

Hudson was a groomsman and quite possibly the most gorgeous man I'd ever laid eyes on. He asked me to dance, and our chemistry was off the charts.

I knew it wasn't a good idea to get involved with him, considering the wedding I was at. But our connection was intense, and I was having a great time.

Though the fun came to a screeching halt when Hudson figured out I wasn't who I'd said I was. You see, that unexpected invitation I received? Well, it hadn't actually been addressed to me--it was sent to my ex-roommate who'd bounced a check for two months' rent and moved out in the middle of the night. I figured she owed me an expensive night out, but I guess, technically, I was crashing the wedding.

Once caught, I couldn't get out of there fast enough. As I bolted for the door, I might've plucked a few bottles of expensive champagne off the tables I passed, all while the gorgeous, angry groomsman was hot on my tail.

Outside, I jumped into a taxi. My heart ricocheted against my ribs as we drove down the block--but at least I'd escaped unscathed.

Or so I thought.

Until I realized I'd left my cell phone behind at the table.

Take one guess who found it?

This is the crazy story of how Hudson Rothschild and I met. But trust me, it's only the tip of the iceberg.

I grew up believing that real love stories include a martyr or demand great sacrifice to be worthy.■

Because of that, I believed it, because I made myself believe it, and I bred the most masochistic of romantic hearts, which resulted in my illness.■

Office Grump: An Enemies to Lovers Romance

Author: Nicole Snow

Wall Street Journal bestselling author Nicole Snow returns with a fierce and hilarious office romance where two sworn enemies make undeniable lovers.

My "interview" with boss-hole supreme was anything but normal.
He picked the worst day ever to chase me off my favorite park bench.
I retaliated with a spray of cinnamon latte all over his Italian shoes.
Then—for some unholy reason—Magnus Heron offered me a job.

Even his name sounds like a piece of work.

Guess what? He is.

But when you're single, broke, and barely surviving in Chicago, you hop on the gift horse offering a six-figure salary and *ride*.

I picked the stallion on a one-way trip to hell.

It's not the impossibly long hours working under Grump-zilla.

It's not the fact that he's snarly, demanding, horribly rich, and chiseled.

It's not even the pesky way he makes me blush every flipping time we're together.

Mag is my boss. I'm his lowly assistant. Some rules are carved in stone.

That's my mantra until we're sharing a sunset too beautiful for life.

Alone with wandering lips, whispered secrets, and disaster in the making.

The plan was simple: punch the clock, get paid, and keep hating my boss.

What's the blueprint when the office grump brings me to my knees?

Full-length enemies-to-lovers romance with the banter, intrigue, and slow-burn love worthy of a Happily Ever After. The bossman from Hades meets the hellion he totally can't stand—until he can't live without her.

Say You Do

Author: Weston Parker

My brother is an idiot—he's getting married.

And I'm in charge of getting things together since our folks are gone.

Lucky me. The guy who thinks love is for the birds and worn-out 80s songs.

I honestly don't have time for this drama. I run a billion-dollar company, have women to entertain, and am working on my plans to rule the world.

No, seriously.

And yet, when you least expect it, life kicks you in the balls.

The beautiful, snarky woman that runs the flower shop is perfect to help me pull off this wedding.

Just seeing her sends my head spinning with possibilities.

She's perfect. To play my fake wife for an event I have coming up as a side deal.

My ex-wife will be at the event, and I sure could use someone to show her how well I've done since she ripped out my soul.

So my curvy new friend gets my ring and a chunk of my wallet before agreeing to the deal.

Funny thing is, I'm not so interested in taking it back by the end of the adventure.

I'm willing to go all in on what might be the best decision of my life.

And I'm demanding the same of her. No maybes. No I-don't-knows.

No fear of what might be or might not be.

Open your pretty pink lips and utter the words.

Say you do.

Every good girl deserves a bad boy. ~ Weston

Make Me Yours: A Small Town Single Dad Romance

Author: Melanie Harlow

He's my brother's best friend.

The hot single dad next door.

And one accidental sext later, my massive crush on him is no longer a secret.

It's my own damn fault. I'm thirty years old, for heaven's sake. I'm a kindergarten teacher and a (reasonably) responsible adult. I should know better than to get tipsy and draft a fake text listing all the dirty things I wish Officer Cole Mitchell would do to me.

I wasn't supposed to hit send.

He wasn't supposed to see it.

And he definitely wasn't supposed to text back telling me to go on . . .

Because after that, things escalate quickly.

Cole is everything I've ever wanted. He's sexy and protective. A devoted father to his little girl. A dedicated cop the whole town adores. The kind of guy you can trust to keep his hands to himself, even when you're desperately hoping he won't.

I'm not the girl he thought he'd end up with, but after all this time, I might finally get the chance to say the words I've always dreamed of . . . make me yours.

Ghost Train

Author: C.J. Petit

The Ogden station manager couldn't believe what he was being told. The scheduled train from Granger was overdue by three hours. He'd suspected a mechanical breakdown or maybe even a derailment. But the engineer of the next train to use that track had just reported that he hadn't found any signs of the train.

He had no idea how an entire train could simply vanish, but as he pondered the mystery, the head telegrapher came to his office and showed him a telegram that had been sent to Union Pacific headquarters. It was a ransom demand for a hundred thousand dollars. If it wasn't paid within a week, the train and its thirty-four passengers would be blown up.

He hurried out of his office and rushed through the early morning streets to tell the resident Union Pacific special agent of the kidnapped train. It was Nelson Cook's problem now.

Kings of Quarantine: A Dark High School Bully Romance (Brutal Boys of Everlake Prep Book 1)

Author: Caroline Peckham

Cruel. Heartless. Quarantined.

The ruthless boys of Everlake Prep never saw lockdown coming.

But the virus isn't their number one enemy.

I am.

And as if being confined to a boarding school for the elite wasn't bad enough, now I'm stuck in isolation with the boys who hate me most too.

Saint, Kyan and Blake. The Night Keepers. Or so they call themselves. They've embodied the Native American legend which lives in this valley, taking on the role of the **monsters** who lurk in the forest. And though they act like **beasts**, they may also be **the most tempting creatures I've ever seen**.

With the **virus** escalating and my dad's name splashed through the news, my entire world is falling apart. What he did has cast a **dark shadow** over me. And the Night Keepers want to **make me pay** for his crimes.

Then things went from bad to worse when I touched the sacred rock. A rock which supposedly holds a **curse** to bind me as the Night Keepers' **slave**. And as crazy as it sounds, I decided to play along. Because there are things about me they don't know. Things my dad has hidden from me for years. All I can be sure of is that I have to find a way to **escape this school**. But until then, those **savage boys** are making my life a living hell.

As the **virus** sweeps through the country and the world twists into something ugly and unknown, **the kings of this school become true monarchs**. Even the teachers bow to them now. And I'm kinda glad about that 'stay six feet away from one another' rule, because without it, I know they'd rip me apart.

At least there's a silver lining. I'm cosying up to Coach Monroe. My hot as hell, brooding P.E. **teacher** who has a vendetta of his own against the Night Keepers. And with his help, I may succeed at doing more than escaping the clutches of these heartless fiends. I might even destroy them along the way.

My father taught me how to be strong.

How to prepare for the end of the world.

So this isn't going to be the end of *my* world, mark my words.

But if I'm able to use my mind and body to bring these assholes to their knees, **it might just be the end of theirs**.

This is a high school bully reverse harem series which means the main character will end up with multiple love interests. It may have triggers for some as it has off the charts angst, dark love-hate themes, scenes of intense bullying, sexual scenes and some violence (not aimed towards the main character) and is not for the faint of heart. Prepare to enrol at Everlake Prep. Bring your hand sanitiser, face masks and toilet paper to barter with, but don't expect to hold onto them for long. Because it's time to go into quarantine with the Night Keepers. And everything you own now belongs to them.

Six weeks ago, paramedics found me unconscious in my own home. Beaten. Bruised. Hardly breathing. When I woke up, I couldn't remember the last three years or anything about my life in Jackson Harbor. They tell me my fiancé, Colton McKinley, is on the run for what he did to me. They tell me I'm safer if I stay away.

I can't deny my feelings for Levi. But as the pile of lies between us grows, I realize that sometimes the truth can't set us free. Sometimes, it's the very thing that can destroy us.

The Sisters Café (Cadillac Book 1)

Author: Carolyn Brown

New York Times bestselling author Carolyn Brown's contemporary romance is a delightfully fresh take on modern love.

Cathy Andrews has a choice: marry Mr. Safe-But-Boring, or take a chance on finding herself.

Cathy Andrews wants it all: a husband, a baby, and a little house in her charming small town of Cadillac, Texas. With all that she's gone through in her past, she's earned her happily ever after and is more than ready to put down some long-term roots. The trouble is, she's no longer sure the reliable man she agreed to marry is the right guy. Sure, he's got great teeth and hair, but he's also got dreams of being a politician—and Cathy doesn't know if she's ready to be just arm candy to a man who doesn't stir her blood.

It'll take the help of her twin sister to set her back on a path to being the woman she always knew she could be.

Marty Andrews has got a thing or two to say about Cathy's duller-than-a-doorknob fiancé. She thinks Cathy's meant for great things, not settling for second-best. Marty's determined to see her sister find a truly happy life, so she gathers up their squad of sisters-by-choice to help Cathy learn to let go of what she thinks is right...and become the woman she was meant to be.

Get ready to start a ruckus: What could be better than twin sister shenanigans, best friends who have your back no matter what, and a whole lot of small town Texas love?

The next day I learn he's Jack Hawke—bad-boy professional quarterback with a murky past. The NDA he has me sign should be a warning that he isn't a regular person. Please. I sign it *Juliet Capulet*, so goodbye, famous football player with abs of steel, and good luck tracking down this small-town librarian.

But Jack keeps showing up in places I least expect him. Just when I'm sure he's gone, he waltzes into my community theater and wins the part of Romeo to my Juliet. How's a plain, *mostly* innocent girl like me supposed to resist a man like him?

You don't know me, but you *do* know me. I'm your neighborhood hot mess single mom, doing my best to keep my head above water while running my little slice of heaven and keeping my youngest from shoving marbles up his nose, which is exactly what he's doing the first time Levi Wilson, pop star god, world's sexiest man, and my all-time number one celebrity obsession, walks into my bookstore.

Related: I'm writing this from beyond the grave, because I've died of mortification and am now residing in an alternate universe.

I have to be.

Because Levi Wilson *came back*.

And we had a moment.

Like, a *moment* moment. The kind that makes me remember that adult pleasure isn't all about hoping the lock holds in the bathroom so your kids don't interrupt on the rare occasion you feel like taking an extra-long mommy-time shower.

Count. Me. In.

Thrill of a lifetime, right?

Surely, nothing will go wrong...

The Hot Mess and the Heartthrob is a rockin' fun, sexy romantic comedy featuring a celebrity party-melter who doesn't know what he's been missing, a sassy single mom hanging on by a string, three adorable children who would never burst in on a woman when she's on a toilet (ha!), and shameless ovary-busting moments between a guy who never thought he'd be a dad and a family who thought they got along just fine without him.
