

Project Hail Mary: A Novel

Author: Andy Weir

NEW YORK TIMES BESTSELLER • From the author of *The Martian*, a lone astronaut must save the earth from disaster in this “propulsive” (*Entertainment Weekly*), cinematic thriller full of suspense, humor, and fascinating science—in development as a major motion picture starring Ryan Gosling.

“An epic story of redemption, discovery and cool speculative sci-fi.”—*USA Today*

“If you loved *The Martian*, you’ll go crazy for Weir’s latest.”—*The Washington Post*

Ryland Grace is the sole survivor on a desperate, last-chance mission—and if he fails, humanity and the earth itself will perish.

Except that right now, he doesn’t know that. He can’t even remember his own name, let alone the nature of his assignment or how to complete it.

All he knows is that he’s been asleep for a very, very long time. And he’s just been awakened to find himself millions of miles from home, with nothing but two corpses for company.

His crewmates dead, his memories fuzzily returning, Ryland realizes that an impossible task now confronts him. Hurling through space on this tiny ship, it’s up to him to puzzle out an impossible scientific mystery—and conquer an extinction-level threat to our species.

And with the clock ticking down and the nearest human being light-years away, he’s got to do it all alone.

Or does he?

An irresistible interstellar adventure as only Andy Weir could deliver, *Project Hail Mary* is a tale of discovery, speculation, and survival to rival *The Martian*—while taking us to places it never dreamed of going.

The Midnight Library: A Novel

Author: Matt Haig

The *New York Times* bestselling WORLDWIDE phenomenon

Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | *Independent* (London) Ten Best Books of the Year

“A feel-good book guaranteed to lift your spirits.”—*The Washington Post*

The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of *How To Stop Time* and *The Comfort Book*.

Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better?

In *The Midnight Library*, Matt Haig’s enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

Seventh Realm Part 1: A LitRPG Fantasy series (The Ten Realms Book 8)

Author: Michael Chatfield

War has come to the Willful Institute. It has come to the first realm.

For years Alva has trained, developed weapons and tactics never seen in the ten realms. Now Alva moves in the background, supporting the Adventurer’s Guild. No band of fighters, no sect looking to gain individual honors.

The armies of Alva were forged together in Alva dungeon. Tempered in body, in mind, in mana. Supported by Alvan traders, crafters, they reclaimed the lost floors of their home. They captured Vuzgal and defended it in the vicious battlefield realm.

Now Alva is going to war. Their abilities, their skills tested head on.

One individual is strong. A nation focused, a nation brought together for a single goal. It is something that could shake the very foundations of the ten realms.

A beast stirs in the Beast Mountain Range, raising their eyes to the higher realms. It is time Erik and Rugrat stepped out of the shadows.

Klara and the Sun: A novel

Author: *Kazuo Ishiguro*

NEW YORK TIMES BEST SELLER • A GOOD MORNING AMERICA Book Club Pick • A Best Book of the Year by *Harper's Bazaar*, *Vulture*, and more

A magnificent new novel from the Nobel laureate Kazuo Ishiguro—author of *Never Let Me Go* and the Booker Prize-winning *The Remains of the Day*—“a masterpiece that will make you think about life, mortality, the saving grace of love” (NPR).

The first novel by Kazuo Ishiguro since he was awarded the Nobel Prize in Literature tells the story of Klara, an Artificial Friend with outstanding observational qualities, who, from her place in the store, watches carefully the behavior of those who come in to browse, and of those who pass on the street outside. She remains hopeful that a customer will soon choose her.

Klara and the Sun is a thrilling book that offers a look at our changing world through the eyes of an unforgettable narrator, and one that explores the fundamental question: what does it mean to love?

In its award citation in 2017, the Nobel committee described Ishiguro's books as “novels of great emotional force” and said he has “uncovered the abyss beneath our illusory sense of connection with the world.”

Ready Player Two: A Novel (Ready Player One Book 2)

Author: *Ernest Cline*

#1 NEW YORK TIMES BESTSELLER • The highly anticipated sequel to the beloved worldwide bestseller *Ready Player One*, the near-future adventure that inspired the blockbuster Steven Spielberg film.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *THE WASHINGTON POST* • “The game is on again. . . . A great mix of exciting fantasy and threatening fact.”—*The Wall Street Journal*

AN UNEXPECTED QUEST. TWO WORLDS AT STAKE. *ARE YOU READY?*

Days after winning OASIS founder James Halliday's contest, Wade Watts makes a discovery that changes everything.

Hidden within Halliday's vaults, waiting for his heir to find, lies a technological advancement that will once again change the world and make the OASIS a thousand times more wondrous—and addictive—than even Wade dreamed possible.

With it comes a new riddle, and a new quest—a last Easter egg from Halliday, hinting at a mysterious prize.

And an unexpected, impossibly powerful, and dangerous new rival awaits, one who'll kill millions to get what he wants.

Wade's life and the future of the OASIS are again at stake, but this time the fate of humanity also hangs in the balance.

Lovingly nostalgic and wildly original as only Ernest Cline could conceive it, *Ready Player Two* takes us on another imaginative, fun, action-packed adventure through his beloved virtual universe, and jolts us thrillingly into the future once again.

Star Wars: The Rising Storm (The High Republic) (Star Wars: The High Republic Book 2)

Author: *Cavan Scott*

The heroes of the High Republic era return to face a shattered peace and a fearsome foe, following the dramatic events of *Light of the Jedi*.

In the wake of the Great Hyperspace Disaster and the heroism of the Jedi, the Republic continues to grow, bringing more worlds together under a single unified banner. Under the leadership of Chancellor Lina Soh, the spirit of unity extends throughout the galaxy, with the Jedi and the newly established Starlight Beacon station at the vanguard.

In celebration, the chancellor plans The Republic Fair, a showcase of the possibilities and the peace of the expanding Republic—a peace the Jedi hope to foster. Stellan Gios, Bell Zettifar, Elzar Mann, and others join the event as ambassadors of harmony. But as the eyes of the galaxy turn toward the Fair, so too does the fury of the Nihil. Their leader, Marchion Ro, is intent on destroying this unity. His storm descends on the pageantry and celebration, sowing chaos and exacting revenge.

As the Jedi struggle to curb the carnage of the rampaging Nihil, they come face-to-face with the true fear their enemy plans to unleash across the galaxy—the kind of fear from which even the Force cannot shield them.

Fugitive Telemetry (The Murderbot Diaries Book 6)

Author: Martha Wells

The *New York Times* bestselling security droid with a heart (though it wouldn't admit it!) is back in *Fugitive Telemetry*!

Having captured the hearts of readers across the globe (Annalee Newitz says it's "one of the most humane portraits of a nonhuman I've ever read") Murderbot has also established Martha Wells as one of the great SF writers of today.

No, I didn't kill the dead human. If I had, I wouldn't dump the body in the station mall.

When Murderbot discovers a dead body on Preservation Station, it knows it is going to have to assist station security to determine who the body is (was), how they were killed (that should be relatively straightforward, at least), and why (because apparently that matters to a lot of people—who knew?)

Yes, the unthinkable is about to happen: Murderbot must voluntarily speak to humans!

Again!

A new standalone adventure in the *New York Times*-bestselling, Hugo and Nebula Award winning series!

Governor

Author: David Weber

For more than fifty years, the Terran Republic and the Terran League have been killing one another. The death toll has climbed ever higher, year after year, with no end in sight. But the members of the Five Hundred, the social elite of the Republic's Heart Worlds, don't care.

Rear Admiral Terrence Murphy is a Heart Worlder. His family is part of the Five Hundred. His wife is the daughter of one of the Five Hundred's wealthiest, most powerful industrialists. His sons and his daughter can easily avoid military service, and political power is his for the taking. There is no end to how high he can rise in the Republic's power structure.

All he has to do is successfully complete a risk-free military "governorship" in the backwater Fringe System of New Dublin without rocking the boat. But the people sending him to New Dublin have miscalculated, because Terrence Murphy is a man who believes in honor. Who believes in duty—in common decency and responsibility. Who believes there are dark and dangerous secrets behind the façade of what "everyone knows."

Terrence Murphy intends to meet those responsibilities, to unearth those secrets, and he doesn't much care what the Five Hundred want. He intends to put a stop to the killing.

Terrence Murphy is coming for whoever has orchestrated fifty-six years of bloodshed and slaughter, and Hell itself is coming with him.

At the publisher's request, this title is sold without DRM (Digital Rights Management).

About *The Gordian Protocol*:

"Tom Clancy-esque exposition of technical details . . . absurd humor and bloody action. Echoes of Robert Heinlein . . . lots of exploding temporal spaceships and bodies . . . action-packed . . ." —*Booklist*

The Ministry for the Future: A Novel

Author: Kim Stanley Robinson

From legendary science fiction author Kim Stanley Robinson comes a remarkable vision of climate change over the coming decades.

The Ministry for the Future is a masterpiece of the imagination, using fictional eyewitness accounts to tell the story of how climate change will affect us all. Its setting is not a desolate, postapocalyptic world, but a future that is almost upon us—and in which we might just overcome the extraordinary challenges we face.

It is a novel both immediate and impactful, desperate and hopeful in equal measure, and it is one of the most powerful and original books on climate change ever written.

One of Barack Obama's Favorite Books of 2020

"If I could get policymakers, and citizens, everywhere to read just one book this year, it would be Kim Stanley Robinson's *The Ministry for the Future*." —Ezra Klein

"The best science fiction-nonfiction novel I've ever read." —Jonathan Lethem, *Vanity Fair*

"A breathtaking look at the challenges that face our planet in all their sprawling magnitude and also in their intimate, individual moments of humanity." —*Booklist* (starred)

"A sweeping, optimistic portrait of humanity's ability to cooperate in the face of disaster. This heartfelt work of hard science-fiction is a must-read for anyone worried about the future of the planet." —*Publishers Weekly* (starred)

"*The Ministry for the Future* ranks among Robinson's best recent works, a collection of actions and observations that adds up to more than the sum of its eclectic and urgent parts." —*Sierra*

Between Worlds Two (The Occupation Saga Book 2)

Author: J.L. Williams

Inspired by the likes of James Galloway's *Subjugation* and John Scalzi's *Old Man's War*, *Between Worlds* is a thrilling military sci-fi set in a strange new universe...

Effectively exiled to the edge of the Imperium for his actions in his final training exercise, Jason finds himself stuck on a new ship filled with unfamiliar forms and faces...

Hounded by scheming merchants, precocious colleagues and deadly alien huntresses, will our intrepid hero rise to the challenge, or will he rot away the rest of his days in obscurity?

Warning: This novel contains adult themes.

The Other Emily

Author: Dean Koontz

An Amazon Charts, *Wall Street Journal*, and *USA Today* bestseller.

Number one *New York Times* bestselling master of suspense Dean Koontz takes readers on a twisting journey of lost love, impossible second chances, and terrifying promises.

A decade ago, Emily Carlino vanished after her car broke down on a California highway. She was presumed to be one of serial killer Ronny Lee Jessup's victims whose remains were never found.

Writer David Thorne still hasn't recovered from losing the love of his life, or from the guilt of not being there to save her. Since then, he's sought closure any way he can. He even visits regularly with Jessup in prison, desperate for answers about Emily's final hours so he may finally lay her body to rest. Then David meets Maddison Sutton, beguiling, playful, and keenly aware of all David has lost. But what really takes his breath away is that everything about Maddison, down to her kisses, is just like Emily. As the fantastic becomes credible, David's obsession grows, Maddison's mysterious past deepens—and terror escalates.

Is she Emily? Or an irresistible dead ringer? Either way, the ultimate question is the same: What game is she playing? Whatever the risk in finding out, David's willing to take it for this precious second chance. It's been ten years since he's felt this inspired, this hopeful, this much in love...and he's afraid.

The Once and Future Witches

Author: Alix E. Harrow

In the late 1800s, three sisters use witchcraft to change the course of history in this powerful novel of magic, family, and the suffragette movement.

In 1893, there's no such thing as witches. There used to be, in the wild, dark days before the burnings began, but now witching is nothing but tidy charms and nursery rhymes. If the modern woman wants any measure of power, she must find it at the ballot box.

But when the Eastwood sisters—James Juniper, Agnes Amaranth, and Beatrice Belladonna—join the suffragists of New Salem, they begin to pursue the forgotten words and ways that might turn the women's movement into the witch's movement. Stalked by shadows and sickness, hunted by forces who will not suffer a witch to vote—and perhaps not even to live—the sisters will need to delve into the oldest magics, draw new alliances, and heal the bond between them if they want to survive.

There's no such thing as witches. But there will be.

An homage to the indomitable power and persistence of women, *The Once and Future Witches* reimagines stories of revolution, motherhood, and women's suffrage—the lost ways are calling.

Praise for *The Once and Future Witches*:

"A gorgeous and thrilling paean to the ferocious power of women. The characters live, bleed, and roar. I adore them, and long for witchcraft to awaken in all of us. Harrow makes it feel possible, and even likely."—Laini Taylor, *New York Times* bestselling author

"A glorious escape into a world where witchcraft has dwindled to a memory of women's magic, and three wild, sundered sisters hold the key to bring it back...A tale that will sweep you away."—Yangsze Choo, *New York Times* bestselling author

"This book is an amazing bit of spellcraft and resistance so needed in our times, and a reminder that secret words and ways can never be truly and properly lost, as long as there are tongues to speak them and ears to listen."—P. Djèlí Clark, author *The Black God's Drum*

Life's Too Short (The Friend Zone Book 3)

Author: Abby Jimenez

THE INSTANT *NEW YORK TIMES* BESTSELLER

"A hilarious, tender, and altogether life-affirming gem of a book." --Emily Henry, bestselling author of *Beach Read*

A brilliant and touching romantic comedy about two polar opposites, one adorable dog, and living every day to its fullest. When Vanessa Price quit her job to pursue her dream of traveling the globe, she wasn't expecting to gain millions of YouTube followers who shared her joy of seizing every moment. For her, living each day to its fullest isn't just a motto. Her mother and sister never saw the age of 30, and Vanessa doesn't want to take anything for granted. But after her half sister suddenly leaves Vanessa in custody of her baby daughter, life goes from "daily adventure" to "next-level bad" (now with bonus baby vomit in hair). The last person Vanessa expects to show up offering help is the hot lawyer next door, Adrian Copeland. After all, she barely knows him. No one warned her that he was the Secret Baby Tamer or that she'd be spending a whole lot of time with him and his geriatric Chihuahua. Now she's feeling things she's vowed not to feel. Because the only thing worse than falling for Adrian is finding a little hope for a future she may never see.

Green World (Undying Mercenaries Book 15)

Hegemony starships gather to strike the Rebels first, but where is their base? As the fleets search, Earth warships trespass into Skay space igniting a fresh

border conflict between rival Galactics.

When James McGill stumbles onto the rebel camp, they're forced to step up their plans. The world goes up in flames. Friends are permed and cities are destroyed as everything spins out of control.

Can Earth survive? Find out in GREEN WORLD, book #15 of the Undying Mercenaries series. With over three million copies sold, USA Today Bestselling author B. V. Larson is the king of modern military science fiction.

Sorrow and Bliss: A Novel

Author: Meg Mason

"Brilliantly faceted and extremely funny. . . . While I was reading it, I was making a list of all the people I wanted to send it to, until I realized that I wanted to send it to everyone I know." — Ann Patchett

"Improbably charming...will have you chortling and reading lines aloud." —PEOPLE

The internationally bestselling, compulsively readable novel—spiky, sharp, intriguingly dark, and tender—that combines the psychological insight of Sally Rooney with the sharp humor of Nina Stibbe and the emotional resonance of *Eleanor Oliphant Is Completely Fine*.

Martha Friel just turned forty. Once, she worked at *Vogue* and planned to write a novel. Now, she creates internet content. She used to live in a pied-à-terre in Paris. Now she lives in a gated community in Oxford, the only person she knows without a PhD, a baby or both, in a house she hates but cannot bear to leave. But she must leave, now that her husband Patrick—the kind who cooks, throws her birthday parties, who loves her and has only ever wanted her to be happy—has just moved out.

Because there's something wrong with Martha, and has been for a long time. When she was seventeen, a little bomb went off in her brain and she was never the same. But countless doctors, endless therapy, every kind of drug later, she still doesn't know what's wrong, why she spends days unable to get out of bed or alienates both strangers and her loved ones with casually cruel remarks.

And she has nowhere to go except her childhood home: a bohemian (dilapidated) townhouse in a romantic (rundown) part of London—to live with her mother, a minorly important sculptor (and major drinker) and her father, a famous poet (though unpublished) and try to survive without the devoted, potty-mouthed sister who made all the chaos bearable back then, and is now too busy or too fed up to deal with her.

But maybe, by starting over, Martha will get to write a better ending for herself—and she'll find out that she's not quite finished after all.

The Pull of the Stars: A Novel

Author: Emma Donoghue

In Dublin, 1918, a maternity ward at the height of the Great Flu is a small world of work, risk, death, and unlooked-for love, in "Donoghue's best novel since *Room*" (*Kirkus Reviews*).

In an Ireland doubly ravaged by war and disease, Nurse Julia Power works at an understaffed hospital in the city center, where expectant mothers who have come down with the terrible new Flu are quarantined together. Into Julia's regimented world step two outsiders—Doctor Kathleen Lynn, a rumoured Rebel on the run from the police, and a young volunteer helper, Bridie Sweeney.

In the darkness and intensity of this tiny ward, over three days, these women change each other's lives in unexpected ways. They lose patients to this baffling pandemic, but they also shepherd new life into a fearful world. With tireless tenderness and humanity, carers and mothers alike somehow do their impossible work.

In *The Pull of the Stars*, Emma Donoghue once again finds the light in the darkness in this new classic of hope and survival against all odds.

Noxx: Alien Adoption Agency #1

Author: Tasha Black

The Alien Adoption Agency is going to make all of Luna's dreams come true.

At least, that's what Luna believes when she boards a rickety space craft headed for a frontier moon to meet the child she will raise in exchange for 100 acres of land and a modest stipend. But she doesn't count on the dangerous animals, the short but lonely nights, or the big blue warrior who informs her he is on permanent security duty for the baby.

Noxx is a proud dragon warrior of the Invicta, dedicated to use his strength, strategy and endurance to protect his homeland. When his commander assigns him guard duty for a baby, he resents the interruption of his career. It's bad enough that he's starting to bond with the little whelp, but the instant he sees the child's adoptive mother, he knows she is his fated mate. Noxx will have to deny his desperate craving for the dark-haired beauty if he wants to hold on to his chance at redemption.

When a last-minute trek through the forest of Clotho gets them entangled in a dangerous battle, Luna will have to learn to trust the hunky blue warrior. But can the dragon let go of his duty long enough to let himself love someone, and be loved in return?

If you like strong women, sexy aliens, wild adventures, steamy sensual scenes, and happily-ever-afters, then you'll love the world of Stargazer!

Boundless (The Lost Fleet: Outlands Book 1)

Author: Jack Campbell

Admiral John "Black Jack" Geary may have saved the Alliance only to destroy it, in this thrilling and eagerly awaited continuation of the *New York Times* bestselling series.

Geary believed in the Alliance. Even when he uncovered overwhelming evidence that the highest echelons of the government and fleet command were involved

in secret programs and prison camps, he believed it was worth saving. And that his duty was to see that justice was served even though some factions feared that revealing the truth would cause the Alliance to crumble.

But after narrowly surviving two assassination attempts when he brings evidence of the misdeeds to the capital star system, Geary realizes that some have decided the easiest way to make the Alliance's problems go away is to get rid of him. He finds himself ordered to undertake a perilous new mission outside of the reaches of human-occupied space while the Senate clashes over the evidence.

Geary's warships must escort a diplomatic and scientific mission across the dangerous, disintegrating remnants of the Syndicate Worlds empire. But even if he can make it to Midway Star System, the gateway to alien-controlled space, Geary will face former Syndicate officials who have rebelled and regard the Alliance with deep suspicion. And that will be the easy part. . . .

The Galaxy, and the Ground Within: A Novel (Wayfarers Book 4)

Author: Becky Chambers

National Bestseller!

Return to the sprawling, Hugo Award-winning universe of the Galactic Commons to explore another corner of the cosmos—one often mentioned, but not yet explored—in this absorbing entry in the Wayfarers series, which blends heart-warming characters and imaginative adventure.

With no water, no air, and no native life, the planet Gora is unremarkable. The only thing it has going for it is a chance proximity to more popular worlds, making it a decent stopover for ships traveling between the wormholes that keep the Galactic Commons connected. If deep space is a highway, Gora is just your average truck stop.

At the Five-Hop One-Stop, long-haul spacers can stretch their legs (if they have legs, that is), and get fuel, transit permits, and assorted supplies. The Five-Hop is run by an enterprising alien and her sometimes helpful child, who work hard to provide a little piece of home to everyone passing through.

When a freak technological failure halts all traffic to and from Gora, three strangers—all different species with different aims—are thrown together at the Five-Hop. Grounded, with nothing to do but wait, the trio—an exiled artist with an appointment to keep, a cargo runner at a personal crossroads, and a mysterious individual doing her best to help those on the fringes—are compelled to confront where they've been, where they might go, and what they are, or could be, to each other.

A Desolation Called Peace (Teixcalaan Book 2)

Author: Arkady Martine

Now a USA Today bestseller!

"[An] all around brilliant space opera, I absolutely love it."—Ann Leckie, on *A Memory Called Empire*

A Desolation Called Peace is the spectacular space opera sequel to Arkady Martine's genre-reinventing, Hugo Award-winning debut, *A Memory Called Empire*.

An alien armada lurks on the edges of Teixcalaanli space. No one can communicate with it, no one can destroy it, and Fleet Captain Nine Hibiscus is running out of options.

In a desperate attempt at diplomacy with the mysterious invaders, the fleet captain has sent for a diplomatic envoy. Now Mahit Dzmare and Three Seagrass—still reeling from the recent upheaval in the Empire—face the impossible task of trying to communicate with a hostile entity.

Their failure will guarantee millions of deaths in an endless war. Their success might prevent Teixcalaan's destruction—and allow the empire to continue its rapacious expansion.

Or it might create something far stranger . . .

The Nanny and the Alien Warrior (Treasured by the Alien Book 5)

Author: Honey Phillips

Can an alien warrior who has given up hope find a new future with the woman and child who need him?

Joanna is snatched away from her peaceful academic life and sold to K'herr, a forbidding alien warlord. To her relief, he only wants her as a caretaker for his precocious daughter, Sultavi.

A year later, Lord K'herr is dead, and Joanna and Sultavi are on the run from his killers. Their only hope is to locate a down-on-his-luck mercenary who owes K'herr a debt of honor. Joanna doesn't expect to find a massive green warrior with the saddest eyes she's ever seen.

Craxan lost his family and his future in the great plague that decimated the Cire race. Since then, he's led a hollow life using his warrior skills for anyone who can pay.

When the daughter of an old acquaintance appears, demanding his assistance, he reluctantly agrees to help her. But the delightful little girl - and the enchanting human female who accompanies her - quickly win him over.

He promises to take them to safety, but the more time he spends with them, the more he is convinced that they belong with him. He finally has a cause worth fighting for - but even if he can keep them safe from their enemies, what does a worn-out warrior have to offer?

Each book in the Treasured by the Alien series can be read as a standalone romance. This sweet and steamy HEA is intended for adults only.

Tender Is the Flesh

Author: Agustina Bazterrica

Working at the local processing plant, Marcos is in the business of slaughtering humans—though no one calls them that anymore.

His wife has left him, his father is sinking into dementia, and Marcos tries not to think too hard about how he makes a living. After all, it happened so quickly. First, it was reported that an infectious virus has made all animal meat poisonous to humans. Then governments initiated the "Transition." Now, eating human meat—"special meat"—is legal. Marcos tries to stick to numbers, consignments, processing.

Then one day he's given a gift: a live specimen of the finest quality. Though he's aware that any form of personal contact is forbidden on pain of death, little by little he starts to treat her like a human being. And soon, he becomes tortured by what has been lost—and what might still be saved.

Off the Grid: EMP Survival in a Powerless World Boxset

Star Wars: Light of the Jedi (The High Republic) (Star Wars: The High Republic Book 1)

Author: Charles Soule

#1 NEW YORK TIMES BESTSELLER • Long before the First Order, before the Empire, before even *The Phantom Menace* . . . Jedi lit the way for the galaxy in The High Republic

It is a golden age. Intrepid hyperspace scouts expand the reach of the Republic to the furthest stars, worlds flourish under the benevolent leadership of the Senate, and peace reigns, enforced by the wisdom and strength of the renowned order of Force users known as the Jedi. With the Jedi at the height of their power, the free citizens of the galaxy are confident in their ability to weather any storm. But the even brightest light can cast a shadow, and some storms defy any preparation.

When a shocking catastrophe in hyperspace tears a ship to pieces, the flurry of shrapnel emerging from the disaster threatens an entire system. No sooner does the call for help go out than the Jedi race to the scene. The scope of the emergence, however, is enough to push even Jedi to their limit. As the sky breaks open

and destruction rains down upon the peaceful alliance they helped to build, the Jedi must trust in the Force to see them through a day in which a single mistake could cost billions of lives.

Even as the Jedi battle valiantly against calamity, something truly deadly grows beyond the boundary of the Republic. The hyperspace disaster is far more sinister than the Jedi could ever suspect. A threat hides in the darkness, far from the light of the age, and harbors a secret that could strike fear into even a Jedi's heart.

The Space Between Worlds

Author: Micaiah Johnson

NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE • An outsider who can travel between worlds discovers a secret that threatens the very fabric of the multiverse in this stunning debut, a powerful examination of identity, privilege, and belonging.

WINNER OF THE COMPTON CROOK AWARD • FINALIST FOR THE LOCUS AWARD • "Gorgeous writing, mind-bending world-building, razor-sharp social commentary, and a main character who demands your attention—and your allegiance."—Rob Hart, author of *The Warehouse*

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • *Library Journal* • *Book Riot*

Multiverse travel is finally possible, but there's just one catch: No one can visit a world where their counterpart is still alive. Enter Cara, whose parallel selves happen to be exceptionally good at dying—from disease, turf wars, or vendettas they couldn't outrun. Cara's life has been cut short on 372 worlds in total.

On this dystopian Earth, however, Cara has survived. Identified as an outlier and therefore a perfect candidate for multiverse travel, Cara is plucked from the dirt of the wastelands. Now what once made her marginalized has finally become an unexpected source of power. She has a nice apartment on the lower levels of the wealthy and walled-off Wiley City. She works—and shamelessly flirts—with her enticing yet aloof handler, Dell, as the two women collect off-world data for the Eldridge Institute. She even occasionally leaves the city to visit her family in the wastes, though she struggles to feel at home in either place. So long as she can keep her head down and avoid trouble, Cara is on a sure path to citizenship and security.

But trouble finds Cara when one of her eight remaining doppelgängers dies under mysterious circumstances, plunging her into a new world with an old secret. What she discovers will connect her past and her future in ways she could have never imagined—and reveal her own role in a plot that endangers not just her world but the entire multiverse.

"Clever characters, surprise twists, plenty of action, and a plot that highlights social and racial inequities in astute prose."—*Library Journal* (starred review)

Lightning Game (A GhostWalker Novel Book 17)

Author: Christine Feehan

Danger and passion fuse in this electrifying GhostWalker novel from #1 *New York Times* bestselling author Christine Feehan.

GhostWalker Rubin Campo's rough upbringing made him into the man he is today: strong, steadfast and wary of outsiders. When he and his brother return to their family's homestead in the Appalachian Mountains, he can immediately sense that a stranger has taken up residence in their cabin—a woman who just happens to be a GhostWalker too.

Jonquille looks deceptively delicate but is clearly a fighter. She also doesn't seem to care that Rubin could kill her where she stands. She sought him out, wanting to connect on their shared interest in electrical charges. As one of the first failed GhostWalker experiments, Jonquille can produce lightning with her body—but she can't control it.

Their connection is magnetic, their abilities in sync. Rubin knows she's his match, the answer to a lifetime of pain and intense loneliness. But Jonquille came to him with hidden intentions, ones that threaten to destroy their bond before it can truly begin....

Dinosaur World 8

Author: Logan Jacobs

Humanity has run out of time. The alien fleet is set to arrive any day, and there's only one way Jason and his women can save the world now.

They have to figure out how to get into space and onto the mothership before life as we know it is wiped out.

But no matter how many armies of dinos or aliens they have to fight through, or how many weddings Jason has in store for him... they are determined to survive this dino apocalypse.

And find out what life on the other side will be like.

He Who Fights with Monsters 2: A LitRPG Adventure

Author: Shirtaloon

The path from retail middle management to interdimensional wizard adventurer wasn't easy, but Jason Asano is settling into his new life.

Now, a contest draws young elites to the city of Greenstone, competing for a grand prize. Jason must gather a band of companions if he is to stand a chance against the best the world has to offer.

While the young adventurers are caught up in competition, the city leaders deal with revelations of betrayal as a vast and terrible enemy is revealed. Although Jason seems uninvolved, he has unknowingly crossed the enemy's path before. Friends and foes made along the way will lead him to cross it again as inevitable conflict looms.

After cementing itself as one of the best-rated serial novels on Royal Road with an astonishing 13 million views, the He Who Fights with Monsters Series is now available on Kindle. It's perfect for fans of Pirate Aba, Dakota Krout, and Luke Chmilenko.

We Shall Rise

Author: John Ringo

The world has been brought to its knees by the "zombie virus." Nations have fallen, cities have been overrun by the infected, and the human race has come perilously close to extinction. But with the first winter come and gone, the infected have been reduced to not much more than a background nuisance, and survivors around the world are taking stock and vowing to rebuild and rise up stronger, better, and unafraid.

About the Black Tide Rising Series:

"Not only has Ringo found a mostly unexplored corner of the zombie landscape, he's using the zombie frame to tackle a broader theme: the collapse and rebirth of civilization. The zombie scenes are exciting, sure, but it's the human story that keeps us involved. A fine series."—*Booklist*

John Ringo brings fighting to life. He is the creator of the Posleen Wars series, which has become a *New York Times* best-selling series with more than one million copies in print. The series contains *A Hymn Before Battle*, *Gust Front*, *When the Devil Dances*, *Hell's Faire*, and *Eye of the Storm*. In addition, Ringo has penned the Council War series. Adding another dimension to his skills, Ringo created nationally best-selling techno-thriller novels about Mike Harmon (*Ghost*, *Kildar*, *Choosers of the Slain*, *Unto the Breach*, and *A Deeper Blue*). His techno-thriller *The Last Centurion* was also a national bestseller. A more playful twist on the future is found in novels of the Looking-Glass series: *Into the Looking Glass*, *Vorpal Blade*, *Manxome Foe*, and *Claws That Catch*, the last three in collaboration with Travis S. Taylor. His audience was further enhanced with four collaborations with fellow *New York Times* best-selling author David Weber: *March Upcountry*, *March to the Sea*, *March to the Stars*, and *We Few*. There are an additional seven collaborations from the Posleen series: *The Hero*, written with Michael Z. Williamson, *Watch on the Rhine*, *Yellow Eyes*, and *The Tuloriad*, all written with Tom Kratman, and the *New York Times* bestseller *Cally's War* and its sequels *Sister Time* and *Honor of the Clan*, all with Julie Cochrane. His science-based zombie apocalypse Black Tide Rising series includes *Under a Graveyard Sky*, *To Sail a Darkling Sea*, *Islands of Rage and Hope*, and *Strands of Sorrow*. A veteran of the 82nd Airborne, Ringo brings firsthand knowledge of military operations to his fiction.

Gary Poole has worked in the entertainment and publishing industry for his entire adult life. He's worked directly with John Ringo on over a dozen novels, and has adapted several of them into screenplays (all of which remain in development). When not working with Ringo, he is the managing editor of a successful alternative newsweekly in Tennessee and spent years on the radio as a talk show host and award-winning broadcast journalist.

Star Wars: Thrawn Ascendancy (Book II: Greater Good) (Star Wars: The Ascendancy Trilogy 2)

Author: Timothy Zahn

NEW YORK TIMES BESTSELLER • Thrawn and his allies race to save the Chiss Ascendancy from an unseen enemy in the second book in the epic *Star Wars: Thrawn Ascendancy* trilogy from bestselling author Timothy Zahn.

Thrawn's latest triumph still rests newly on his shoulders. He has led the Chiss to victory and brought glory to the House of Mitth, but the true threat to the Ascendancy has not yet been extinguished. Their foes do not send threats or ultimatums, do not mass ships on the edge of the Chaos. Their weapons come cloaked in smiles and generosity: Gifts offered freely. Services granted unconditionally.

Across the Ascendancy, seemingly inconsequential events could herald the doom of the Chiss. As Thrawn and the Expansionary Defense Fleet rally to uncover the plot, they discover a chilling truth: Rather than invade Chiss capitals or pillage resources, their enemy strikes at the very foundation of the Ascendancy, seeking to widen the rifts between the Nine Ruling Families and the Forty Great Houses below. As rivalry and suspicion sow discord among allies, each warrior must decide what matters most to them: the security of their family or the survival of the Ascendancy itself.

Before the Coffee Gets Cold: A Novel

Author: Toshikazu Kawaguchi

OVER ONE MILLION COPIES SOLD

NOW AN INTERNATIONAL BESTSELLER

If you could go back, who would you want to meet?

In a small back alley of Tokyo, there is a café that has been serving carefully brewed coffee for more than one hundred years. Local legend says that this shop offers something else besides coffee—the chance to travel back in time.

Over the course of one summer, four customers visit the café in the hopes of making that journey. But time travel isn't so simple, and there are rules that must be followed. Most important, the trip can last only as long as it takes for the coffee to get cold.

Heartwarming, wistful, mysterious and delightfully quirky, Toshikazu Kawaguchi's internationally bestselling novel explores the age-old question: What would you change if you could travel back in time?

Rabbits: A Novel

Author: Terry Miles

A deadly underground game might just be altering reality itself in this all-new adventure set in the world of the hit *Rabbits* podcast.

“A taut mystery for a time of conspiratorial madness.”—Cory Doctorow

It's an average work day. You've been wrapped up in a task, and you check the clock when you come up for air—4:44 p.m. You check your email, and 44 unread messages have built up. With a shock, you realize the date is April 4—4/4. And when you get in your car to drive home, your odometer reads 44,444.

Coincidence? Or have you just seen the edge of a rabbit hole?

Rabbits is a mysterious alternate reality game so vast it uses the entire world as its canvas.

Since the game started in 1959, ten iterations have appeared and nine winners have been declared. The identities of these winners are unknown.

So is their reward, which is whispered to be NSA or CIA recruitment, vast wealth, immortality, or perhaps even the key to the secrets of the universe itself.

But the deeper you get, the more dangerous the game becomes. Players have died in the past—and the body count is rising.

And now the eleventh round is about to begin.

Enter K—a Rabbits obsessive who has been trying to find a way into the game for years. That path opens when K is approached by billionaire Alan Scarpio, rumored to be the winner of the sixth iteration. Scarpio says that something has gone wrong with the game and that K needs to fix it before Eleven starts, or the whole world will pay the price.

Five days later, Scarpio is declared missing.

Two weeks after that, K blows the deadline: Eleven begins.

And suddenly, the fate of the entire universe is at stake.

He Who Fights with Monsters: A LitRPG Adventure

Author: *Shirtaloon*

Jason wakes up in a mysterious world of magic and monsters.

It's not easy making the career jump from office-supplies-store middle manager to heroic interdimensional adventurer. At least, Jason tries to be heroic, but it's hard to be good when all your powers are evil.

He'll face off against cannibals, cultists, wizards, monsters...and that's just on the first day. He's going to need courage, he's going to need wit, and he's going to need some magic powers of his own. But first, he's going to need pants.

After cementing itself as one of the best-rated serial novels on Royal Road with an astonishing 13 million views, He Who Fights with Monsters is now available on Kindle.

About the series: Experience an isekai culture clash as a laid-back Australian finds himself in a very serious world. See him gain suspiciously evil powers through a unique progression system combining cultivation and traditional LitRPG elements. Enjoy a weak-to-strong story with a main character who earns his power without overshadowing everyone around him, with plenty of loot, adventurers, gods and magic. Rich characters and world-building offer humor, political intrigue and slice-of-life elements alongside lots of monster fighting and adventure.

The Grand Game, Book 1: A Solo Adventure in a New World

Author: *Tom Elliot*

One man. Assassin. Caster. A new world. And a Game that is as brutal as it is complex.

Michael finds himself in the realm of the Forever Kingdom, with no memory of how he got there and who he is. Even so, he must participate in the Grand Game and forge a new destiny for himself.

Dropped into a dungeon of monsters, and strange magics, would you survive in a Game where to lose means death?

Alone, and with little more than his wits to aid him, Michael must advance as a player, slay his foes, and gain experience. All while navigating the intrigues around him and discovering his purpose.

A world of Powers, Forces, and mysterious factions. A Game with endless opportunities for advancement and power.

Join Michael on his epic adventure as he deals with the Game's challenges, the machinations of the Powers, and the ambitions of his fellow players.

The start of an exciting new portal fantasy epic!

Breakaway (Expeditionary Force Book 12)

Author: *Craig Alanson*

The Merry Band of Pirates offered the bad guys a ceasefire. We won't mess with them, if they don't mess with us. Easy, right? NO. The aliens chose to do things the hard way. So, the Pirates are racing around the galaxy to clean up the threat to Earth. The infant UN Navy has their own mission with the Alien Legion: get humanity some allies in the fight. And the Ethics & Compliance Office might have to do something...ethical. Unless they can find a way around it.

A Master of Djinn: a novel (Dead Djinn Universe Book 1)

Author: *P. Djèlí Clark*

Nebula, Locus, and Alex Award-winner P. Djèlí Clark goes full-length for the first time in his dazzling debut novel

Cairo, 1912: Though Fatma el-Sha'arawi is the youngest woman working for the Ministry of Alchemy, Enchantments and Supernatural Entities, she's certainly not a rookie, especially after preventing the destruction of the universe last summer.

So when someone murders a secret brotherhood dedicated to one of the most famous men in history, al-Jahiz, Agent Fatma is called onto the case. Al-Jahiz transformed the world forty years ago when he opened up the veil between the magical and mundane realms, before vanishing into the unknown. This murderer claims to be al-Jahiz, returned to condemn the modern age for its social oppressions. His dangerous magical abilities instigate unrest in the streets of Cairo that threaten to spill over onto the global stage.

Alongside her Ministry colleagues and a familiar person from her past, Agent Fatma must unravel the mystery behind this imposter to restore peace to the city—or face the possibility he could be exactly who he seems...

Jack Four

Author: Neal L. Asher

This high-octane adventure is set in the same world as Neal Asher's acclaimed Polity universe. It's a thrilling, fast-paced standalone novel, perfect for fans of Alastair Reynolds and Stephen Baxter.

Created to die—determined to live . . .

Jack Four—one of twenty human clones—has been created to be sold. His purchasers are the alien prador and they only want him for their experimentation program. But there is something different about Jack. No clone should possess the knowledge that's been loaded into his mind. And no normal citizen of humanity's Polity worlds would have this information.

The prador's king has been mutated by the Spatterjay virus into a creature even more monstrous than the prador themselves. And his children, the King's Guard, have undergone similar changes. They were infected by the virus during the last humans-versus-prador war, now lapsed into an uneasy truce. But the prador are always looking for new weapons – and their experimentation program might give them the edge they seek.

Suzeal trades human slaves out of the Stratogaster Space Station, re-engineering them to serve the prador. She thinks the rewards are worth the risks, but all that is about to change. The Station was once a zoo, containing monsters from across known space. All the monsters now dwell on the planet below, but they aren't as contained as they seem. And a vengeful clone may be the worst danger of all.

"A masterpiece." - R.O. Kwon

***The Crucible* meets *True Grit* in this riveting adventure story of a fugitive girl, a mysterious gang of robbers, and their dangerous mission to transform the Wild West.**

In the year of our Lord 1894, I became an outlaw.

The day of her wedding, 17 year old Ada's life looks good; she loves her husband, and she loves working as an apprentice to her mother, a respected midwife. But after a year of marriage and no pregnancy, in a town where barren women are routinely hanged as witches, her survival depends on leaving behind everything she knows.

She joins up with the notorious Hole in the Wall Gang, a band of outlaws led by a preacher-turned-robber known to all as the Kid. Charismatic, grandiose, and mercurial, the Kid is determined to create a safe haven for outcast women. But to make this dream a reality, the Gang hatches a treacherous plan that may get them all killed. And Ada must decide whether she's willing to risk her life for the possibility of a new kind of future for them all.

Featuring an irresistibly no-nonsense, courageous, and determined heroine, *Outlawed* dusts off the myth of the old West and reignites the glimmering promise of the frontier with an entirely new set of feminist stakes. Anna North has crafted a pulse-racing, page-turning saga about the search for hope in the wake of death, and for truth in a climate of small-mindedness and fear.

Godblight (Dark Imperium: Warhammer 40,000 Book 3)

Author: Guy Haley

Book 3 of the Dark Imperium trilogy

The destinies of primarch and Imperial Regent Roboute Guilliman and his traitorous brother Mortarion come together for the climactic battle of the Plague Wars.

READ IT BECAUSE

It's the throwdown you've been waiting for, as Guilliman and Mortarion work out ten thousand years of pent-up resentment in a clash for the ages.

THE STORY

The paths of Roboute Guilliman and his fallen brother Mortarion bring them inexorably together on Ix. Once a jewel of the Imperium, the garden world is dying as the plans of the Lord of Death to use it as a fulcrum to drag the stellar realm of Ultramar into the warp come to deadly fruition.

While Guilliman attempts to prevent the destruction of his kingdom, Mortarion schemes to bring his brother low with the Godblight, a disease created in the Cauldron of Nurgle itself, made with the power to destroy a son of the Emperor.

Primarchs clash on the ravaged landscapes of Ix. The gods go to war and the wider galaxy balances on a knife-edge of destruction. As something powerful stirs in the sea of souls, only one thing is certain – no matter who wins the last great clash of the Plague War, the repercussions of victory will echo through eternity...

USS Jefferson: Charge of the Symbios (USS Hamilton Book 4)

Author: Mark Wayne McGinnis

"McGinnis has pulled another rip-roaring page-turner out of his hat," Ben Strat

After the recent near-destruction of the USS Hamilton, Captain Galvin Quintos has been lying low, getting the USS Jefferson ready for service. In the midst of refurbishing the vessel, he gets a call for help from his former XO, new starship captain Gail Pristy. The Varapin have lured the 9th Fleet into a devious trap, and it's not long before Quintos has his orders to hurry to the rescue. But the Varapin have a colossal new warship—one that puts anything the US Space-Navy has to shame. Even after Quintos assembles a crew, he'll still need to pull a few rabbits, along with a few Symbio Poths, out of a hat to have any chance of surviving the coming battle. And Quintos' one last hope—reuniting with a past enemy—may prove as dangerous as fighting the Varapin themselves.

Reviews:

Great Military Science Fiction!

I have now read all four books in this series. I literally could not put them down, which meant it took me a while to go to sleep the last couple of weeks. I highly recommend these books. If you like BV Larson or Craig Alanson books you will like these. - Roger D.

One Of My Favorite Authors!

Mark Wayne McGinnis become one of my favorite authors. The Hamilton series has been really enjoyable. He has a way with his characters and a good story. You end up with a smile on your face when you reach the end of a book. The next thing you do is look for another MWM book to enjoy! - Seabus

Fun SciFi Adventure Story!

Strong and wildly swirling adventure story that's a great capstone for the first two... I love to feel myself developing affection for the characters and the plot. Can't wait for the next in the series!

Thank you MWM - VIC

Entertaining Military SciFi.

It's a great story. Could hardly put it down. Already got number 2 and didn't put it down. All characters in the story are great but Hardy is the best. Looking for number 4. Mark McGinnis, you need to coordinate with Marco Kloos so that I have no lag time on my SciFi. Two great authors. Thanks -Wm. F. Hogsten

Great Sci-Fi Thriller!

Truly awesome in word and deed. Captain Quintos and crew pull out all the stops and made it happen for Earth and the USS Hamilton. Nonstop action, excitement, and dueling Chronobots. What else could you ask for in a

Sci-Fi thriller. I can't wait to get into the next book in the series. Thanks for a good read. - Kindle Customer

Fun Space Opera Science Fiction!

Honestly, this is the most fun I had reading a scifi book in a long time. Mind you I'm just a simple man with simple tastes though. It was a honest really fun read and I found myself sneaking away so I could see what was going to happen next. Needless to say as soon as I finished this book I order the second. Great job keep it up and I look forward to other works.

- S. Springer

Humorous Military Science Fiction!

Just the right touch of realistic action, intrigue and humor. The characters are real, the dialogue smooth and the outcome very much up in the air until the end. I'm hooked. Rock on Dude. - DaveTucker

Entertaining Space Opera!

Will award FIVE stars for this book. I did enjoy the story. A complete change in a story line. Just the right amount of Twists to keep the readers on their toes. I recommend this book to all readers of space opera. A good book. - Hardcore

Loved it!

Absorbed in the book from beginning to end. The book started well, rose to heights and ended on a very good note. Suspenseful and exciting character development without the usual death and rebirth or unacceptable probabilities of other bad authors. In contrast, this book was a home run. Loved every bit of it. If sci-fi is a possibility read, then this is it. -Rab

Elsewhere

Author: Dean Koontz

The fate of the world is in the hands of a father and daughter in an epic novel of wonder and terror by Dean Koontz, the #1 *New York Times* bestselling master of suspense.

Since his wife, Michelle, left seven years ago, Jeffy Coltrane has worked to maintain a normal life for himself and his eleven-year-old daughter, Amity, in Suavidad Beach. It's a quiet life, until a local eccentric known as Spooky Ed shows up on their doorstep.

Ed entrusts Jeffy with hiding a strange and dangerous object—something he calls “the key to everything”—and tells Jeffy that he must never use the device. But after a visit from a group of ominous men, Jeffy and Amity find themselves accidentally activating the key and discovering an extraordinary truth. The device allows them to jump between parallel planes at once familiar and bizarre, wondrous and terrifying. And Jeffy and Amity can't help but wonder, could Michelle be just a click away?

Jeffy and Amity aren't the only ones interested in the device. A man with a dark purpose is in pursuit, determined to use its grand potential for profound evil. Unless Amity and Jeffy can outwit him, the place they call home may never be safe again.

The Immortality Code

Author: Douglas E. Richards

Allie Keane's breakthrough in quantum computing holds the key to unlocking eternity. But can she survive long enough to use it? A riveting science-fiction thriller from the million-copy NY Times bestselling author.

"Richards is a worthy successor to Michael Crichton." (SF Book dot com)

When Allie Keane makes a revolutionary discovery in quantum computing, she kicks the ultimate hornets' nest. She doesn't know it, but a hidden battle for tech supremacy is raging around the world, and whoever controls her discovery will dominate the globe. Soon, Allie is being hunted by ruthless forces desperate to learn her secret, and only Zachary Reed, a gifted operative within a shadowy government agency, stands in their way.

But as extraordinary as Allie's breakthrough is, it holds the key to unleashing something far bigger. An unrelated technology thousands of years beyond current science. A staggering advance capable of bringing about a utopia, rewriting the laws of life and death, and helping humanity spread throughout the stars.

As long as it doesn't wipe out all life on Earth before that can happen . . .

The Immortality Code is a masterful thriller. One crammed with breakneck action, unexpected twists, mind-blowing science, and ethical dilemmas readers will be contemplating long after they've read the last page.

"Richards is an extraordinary writer," (Dean Koontz) who can "keep you turning the pages all night long." (Douglas Preston)

Author: Tamsyn Muir

Harrow the Ninth, an Amazon pick for Best SFF of 2020 and the *New York Times* and *USA Today* bestselling sequel to *Gideon the Ninth*, turns a galaxy inside out as one necromancer struggles to survive the wreckage of herself aboard the Emperor's haunted space station.

"Lesbian necromancers explore a haunted gothic palace in space! Decadent nobles vie to serve the deathless emperor! Skeletons!" —Charles Stross on *Gideon the Ninth*

"Unlike anything I've ever read." —V.E. Schwab on *Gideon the Ninth*

"Deft, tense and atmospheric, compellingly immersive and wildly original." —*The New York Times* on *Gideon the Ninth*

She answered the Emperor's call.

She arrived with her arts, her wits, and her only friend.

In victory, her world has turned to ash.

After rocking the cosmos with her deathly debut, Tamsyn Muir continues the story of the penumbral Ninth House in *Harrow the Ninth*, a mind-twisting puzzle box of mystery, murder, magic, and mayhem. Nothing is as it seems in the halls of the Emperor, and the fate of the galaxy rests on one woman's shoulders.

Harrowhark Nonagesimus, last necromancer of the Ninth House, has been drafted by her Emperor to fight an unwinnable war. Side-by-side with a detested rival, Harrow must perfect her skills and become an angel of undeath — but her health is failing, her sword makes her nauseous, and even her mind is threatening to betray her.

Sealed in the gothic gloom of the Emperor's Mithraeum with three unfriendly teachers, hunted by the mad ghost of a murdered planet, Harrow must confront two unwelcome questions: is somebody trying to kill her? And if they succeeded, would the universe be better off?

Nuclear Winter Desolation: Post Apocalyptic Survival Thriller (Nuclear Winter Series Book 5)

Author: Bobby Akart

**As Nuclear Winter wrapped its gloomy arms around the planet,
man experienced a state of anguished misery and desolation.
In order to survive, some became territorial, shunning outsiders.
Those in positions of leadership wielded it like a club.
While others resisted.**

International bestselling author, Bobby Akart, one of America's favorite storytellers, delivers up-all-night thrillers to readers in 245 countries and territories worldwide.

"Masterful and suspenseful!"

This is how the world ends. Not with a bang, but with many nuclear bombs detonated around the planet. It was no longer a topic of conversation around the dinner table as in years past.

Nuclear winter enveloped the planet with its relentless barrage of dark, sooty air. With each passing day, more and more people died. In a desperate attempt to give people a chance to survive, some government leaders chose to marshal the assets of their community. It was a polite way of saying *take from those who have and give to those who have not*.

Hank Albright and his family were not selfish people. However, they were survivors and they'd prepared for the worst.

"Bobby's uncanny ability to take a topic of what could happen and write an epic story about it is short of preternatural!"

What happens when an all-powerful government sets its sights on what you own? Will you willingly give away the food and necessary to keep your family alive?

Or, will you fight for what is yours?

For the Albright's, they stood shoulder to shoulder and declared, *I would rather die on my feet than live on my knees.*

Akart's new Nuclear Winter series depicts a world on the edge of nuclear Armageddon. Nuclear Armageddon became reality and ordinary Americans are paying the price.

"I never would have believed that Mr. Akart could outdo himself! Well, he has! This series is quite possibly the best he has ever written."

This is more than the story of nuclear conflict. It's about the devastating effects wrought by Nuclear Winter. Our possible future is seen through the eyes of the Albright family whose roots stretch back to the early settlement of the Florida Keys.

While they fight for survival, they trek across a rapidly deteriorating landscape wrought with danger from both the elements and their fellow man.

It was not our fight, but it became our problem.

"I am speechless. By far the most edge of your seat, acrylic nail biting book ever. E V E R."

Bobby Akart has delivered intense, up-all-night thrillers that have you whispering just one more chapter until the end.

Citadel : A LitRPG Adventure (UnderVerse Book 5)

Author: Jez Cajiao

With the God of Death out for his life, Jax has a choice to make, and it's time for the brothers to face each other...

Nimon, The God of Death, has named Jax and all who follow him 'Apostate' decreeing their death and has dispatched his Dark Legion, the Imperial Legion's antithesis, to see the job done once and for all.

Hundreds march on the Great Tower, the seat of Jax's power and home to his resurgent Empire. Unbeknownst to Nimon, Jax and the vast majority of his people are far out to sea, aboard ships that are only partially operational, and the enemy's forces are drawing closer to his home by the hour.

Jax must choose... Protect the refugees and risk the Dark Legion reaching his home first, or take a far smaller force and intercept the threat head on. Can Jax risk it all on a single roll of the dice?

What Jax doesn't know is that he's not the only one of Imperial Blood to have skin in the game. It's time for the brothers to finally meet on the field of battle...

This is Book 5 of the UnderVerse Series. Please Note: As with all my books, this story is a Dark Fantasy, filled with violence, sexual references, swearing and bad jokes, but no Harems...

Highlander's Captive: A Scottish Historical Time Travel Romance (Called by a Highlander Book 1)

Author: Mariah Stone

She's lost in the past. He's a powerful Scottish warrior. Can star-crossed love find a future between the ages?

Search-and-rescue officer Amy MacDougall fears being trapped — both in small, dark places and in a relationship. But while chaperoning a high school trip to Scotland, she's forced to confront her claustrophobia to save a student in a castle dungeon. And when a magical rock in the ruins catapults her through time to 1307 AD, she's alarmed to come face-to-face with a handsome Scottish warrior.

Highlander Craig Cambel refuses to trust anyone after the MacDougall clan kidnapped and assaulted his sister. So when he discovers a beautiful woman in a secret tunnel in the stronghold he's infiltrating, he locks her up to prevent her from warning the enemy. But when she proves helpful to his people despite being a MacDougall, he can't stop his icy mistrust melting into desire.

As Amy searches for a way back home, she finds her phobia of commitment fading and falls for the brave Scot. But when Craig learns the mysterious woman isn't who he thought she was, all his dark doubts reignite.

Will the distance of centuries shatter their hearts forever, or will they give in to destiny and build a happy future?

Highlander's Captive is the enchanting first book in the Called by a Highlander time travel romance series. If you like courageous warriors, quick-witted heroines, and lush historical details, then you'll adore Mariah Stone's passionate story.

Oh Great! I was Reincarnated as a Farmer: A LitRPG Adventure : (Unorthodox Farming: Book 1)

Author: Benjamin Kerei

What do you have when you blend a pinch of litrpg, a touch of farming simulator, a sprinkle of epic fantasy, a whole cup of Isekai, and a dash of Home Alone?

You have Arnold's life.

Accidentally murdered by a cleric in another universe during a botched resurrection, Arnold, a semi-pro gamer, wakes upon an altar to find himself incarnated into the overweight body of a farmer who could have been his fatter twin. He's not the hero. He's not the villain. He's certainly not the chosen one who is there to save the world. He's a clerical error.

It could be a bad joke, but apparently, it happens so often that they have a standard procedure for returning you. That standard procedure doesn't apply to Arnold.

Now stuck on a new earth, in a new universe, with no way home, Arnold must use his gaming skills to figure out how to level his farmer class to 100 and gain a second class which doesn't make him want to beat his head against the wall. There is just one small problem: farmers don't gain experience from killing monsters. Like at all.

Follow Arnold on his hilarious journey as he stubbornly comes to grips with his new reality and tries to change his destiny from that of your typical farmer.

Starfighter Command: Game 2 (Starfighter Training Academy)

Author: Grace Goodwin

I'm obsessed with the game.

I spend so many hours playing that I dream about dangerous missions on other worlds...and my gorgeous, in-game training partner, Kassius. That is, until I win. I beat the Starfighter Training Academy.

But is it a game? Or alien software designed to recruit new, unsuspecting soldiers for a war in another star system? Because when my hot as heck alien shows up at my workplace demanding I leave Earth and travel to the Vega system? What? When he informs me it's my duty to fight Queen Raya and the Dark Fleet? Claims he wants me as much as I've craved him? Let's just say things get crazy.

Facing the truth is never easy, but when I arrive at the Elite Starfighter base I learn that Kassius cheated the system, hacked into the game, and lied to everyone on two worlds to make me his.

Now who's obsessed?

Legend: Book 7 of The Legacy Fleet Series

Author: Nick Webb

They're coming.

The Findiri, a savage, deadly race created to fight the Swarm, are on the hunt. But they no longer hunt the Swarm.

They hunt humans. And not just any human—they seek their creator, Captain Timothy Granger, and mean to destroy him.

But we are not alone. More alien races, hiding from the Swarm for millennia, also search for Earth, seeking the legend from their own stories to protect them: a being called Granger.

With Earth in the crosshairs, Granger, Admiral Proctor, and the crew of the Independence race against time to solve the mystery of the Findiri before all human and alien worlds fall.

But time is running out for all life in the galaxy, and the clock is ticking.

He's a notorious crime lord—and he's on the hunt for her.

Maxheim Skolov is mafia royalty. Worlds above her. Ice-cold and merciless. Driven by duty and dark secrets.

Tess is property. Expected to submit. Imprisoned by ruthless criminals determined to break her for information she can't afford to give.

Because she's got a secret that could change everything—and the last thing she wants is to put it in the hands of her enemies.

Except there's something different about the heir to the Skolvo crime family that awakens long buried instincts within Tess and draws her toward the man inside the beast.

A force more dangerous than anything she's faced to date.

So, she runs. But she won't get far.

For mafia prince Maxheim Skolov, hunting down the rebellious, spirited female is a certainty. He'll do whatever it takes to possess her secret.

The real question is what he'll do with her—and to her—when he catches her.

Savage Prince: A Dark Mafia Omegaverse Fated-Mates Romance is the second book in the Ruthless Warlords series. It is a scorching HOT standalone, though it is recommended to read the series in order for greatest enjoyment.

Like all the books in the series, it includes:

A ruthless alien mafia boss

An innocent heroine growing into her power

A fated bond

Plenty of hot omegaverse action

Betrayal, murder, and revenge

Serious plot twists

And an epic romance that proves love will always triumph over hate.

Artifact Space

Author: Miles Cameron

Out in the darkness of space, something is targeting the Greatships.

With their vast cargo holds and a crew that could fill a city, the Greatships are the lifeblood of human occupied space, transporting an unimaginable volume - and value - of goods from City, the greatest human orbital, all the way to Tradeport at the other, to trade for xenoglas with an unknowable alien species.

It has always been Marca Nbaro's dream to achieve the near-impossible: escape her upbringing and venture into space.

All it took, to make her way onto the crew of the Greatship Athens was thousands of hours in simulators, dedication, and pawning or selling every scrap of her old life in order to forge a new one. But though she's made her way onboard with faked papers, leaving her old life - and scandals - behind isn't so easy.

She may have just combined all the dangers of her former life, with all the perils of the new . . .

Worldship Files: Changeling

Author: Erik Schubach

When the Earth is threatened by a slowly expanding sun, mankind embarks upon a mission to send a mammoth Worldship to settle a new planet across the stars. The preternatural races step out of hiding to work with the humans to save what they can from their dying world. With the aid of the Fae, shape shifters, Vampires, and other creatures of supernatural lore, the Worldship, Leviathan, is complete one thousand years later.

Captain Knith Shade of the Brigade Enforcers was trained to handle any contingency, and prepare for any challenge. There was one thing she found that she was never prepared for, and that was finding out that she had a half Fae daughter, Caitlyn, created using genetic materials stolen from her.

As she finds the greatest joy she has ever known in that bright light that Cait brings into her life, a new threat to the Worldship arises, and this time not even the immense power of the Fae can help.

Dragon Misfit (The Misfits Book 4)

Author: Eve Langlais

Someone pulled a Jurassic with my genes.

I am the result of an experiment—human spliced with dinosaur—or so I assumed growing up. According to my parents, they rescued me from a lab when I was just a roly-poly egg. All my life I've hidden what I am because my parents told me I had to, but when they die, my world is blown apart.

Which is when I meet Orion.

Tall, dark, and arrogant, he invades my dreams and then ignites my world. I'm trying to protect my heart, but he makes me want something a misfit can't have.

A happily ever after.

But what if there were a place where we could be together?

Like a kingdom ruled by an ex-stripper...

Malorie: A Bird Box Novel

Author: Josh Malerman

In the “fast-paced, frightening” (*The New York Times Book Review*) sequel to *Bird Box*, the inspiration for the record-breaking Netflix film starring Sandra Bullock, bestselling author Josh Malerman brings unseen horrors to life.

NOMINATED FOR THE BRAM STOKER AWARD • “*Malorie* is even more of a psychological thriller than *Bird Box*, and all the scarier for it.”—*The Wall Street Journal*

Twelve years after Malorie and her children rowed up the river to safety, a blindfold is still the only thing that stands between sanity and madness. One glimpse of the creatures that stalk the world will drive a person to unspeakable violence.

There remains no explanation. No solution.

All Malorie can do is survive—and impart her fierce will to do so on her children. *Don't get lazy*, she tells them. *Don't take off your blindfold. AND DON'T LOOK.*

But then comes what feels like impossible news. And with it, the first time Malorie has allowed herself to hope.

Someone very dear to her, someone she believed dead, may be alive.

Malorie has already lost so much: her sister, a house full of people who meant everything, and any chance at an ordinary life. But getting her life back means returning to a world full of unknowable horrors—and risking the lives of her children again.

Because the creatures are not the only thing Malorie fears: There are the people who claim to have caught and experimented on the creatures. Murmurings of monstrous inventions and dangerous new ideas. And rumors that the creatures themselves have changed into something even more frightening.

Malorie has a harrowing choice to make: to live by the rules of survival that have served her so well, or to venture into the darkness and reach for hope once more.

Hestia 2781 (Drago Tell Dramis Book 2)

Author: Janet Edwards

Hestia 2781 is the first of two full-length novels set immediately after the short story Hera 2781.

The year is 2781. Lieutenant Drago Tell Dramis's first mission as a newly qualified fighter pilot ended with him and his team leader saving one of humanity's oldest colony worlds, Hera, from destruction. Now he's discovering that saving a world can be simple compared to living with the consequences.

Both Drago and his team leader and second cousin, Jaxon, are famous now, given rapid field promotions, and are due to be awarded medals. Worryingly, Drago learns Jaxon has a mysterious secret and a past history of erratic behaviour. It's vital that Drago keeps both of them out of trouble and away from nosy reporters until the medal ceremony, because Jaxon could do or say something that deeply embarrasses both the Military and their Betan clan.

The Military is helping by sending their fighter team on a mission somewhere inconspicuously boring until the medal ceremony. That destination definitely won't be Hestia, the perpetual trouble spot of humanity.

Girl One: A Novel

Author: Sara Flannery Murphy

***Orphan Black* meets Margaret Atwood in this twisty supernatural thriller about female power and the bonds of sisterhood**

Josephine Morrow is Girl One, the first of nine Miracle Babies conceived without male DNA on an experimental commune known as the Homestead. The Girls were raised in the shadow of controversy—plagued by zealots calling them aberrations and their mothers demons—until a devastating fire at the Homestead claimed the lives of three people, leaving the survivors to scatter across the United States.

Years later, upon learning that her mother has gone missing, Josie sets off on a desperate road trip, tracking down the only people who might help: her estranged sisters. Tracing clues her mother left behind, Josie joins forces with two of the Girls, and they journey back through their past, uncovering secrets about their origins and unlocking devastating abilities they never knew they had.

Girl One combines the provocative imagination of Naomi Alderman's *The Power* with the propulsive, cinematic storytelling of a Marvel movie. In her electrifying, wildly entertaining new novel, Sara Flannery Murphy delivers a rousing tale of love, ambition, power, and the extraordinary bonds of sisterhood.

Cast Adrift

Author: Christopher G. Nuttall

Five hundred years ago, the human race discovered it was not alone in the universe when Earth was invaded and forcibly integrated by the Alphan Empire. Over the years, humans have grown used to their position within the empire, serving as soldiers and spacers for alien masters as well as building a place in the universe for themselves. But now, in the aftermath of a violent interstellar war that shattered the power of the Alphans, humanity has rediscovered its pride. Humanity wants to be free.

Facing a war they will lose even if they win, the Alphans give humanity its independence once again. Humanity stands alone in a hostile universe, facing alien threats that regard humans as nothing more than servants - or weaklings, easy meat for armed conquest. And if the human race cannot learn to stand on its own two feet, without its masters, it will rapidly discover that it has traded one set of masters for another ...

... And if they lose the coming war, all hope of independence will die with it.

The Dwarf, The Mine, and The RPG Apocalypse: Dwarf Smith From Earth

Author: Constantin Step

Note: As of July 2021 the grammar issues were addressed and the book was professionally proofread.

A fantasy Apocalypse with monsters and Levels instead of zombies. A single dwarf to save the day.

Derek Smith (what a name!) became a minor celebrity when his friend posted a video titled "The Real-World Dwarf is a Cool Dude!".

Being a last-year high-schooler who is 4'8 (142cm) in height is one thing, but having the muscles of a bodybuilder and the face of a middle-aged biker at the same time is another. And don't you dare to bring up shaving in front of him. Did I mention that the boy's favorite hobby is smithing?

Derek always wondered if gods had sent him to the wrong world. Until, one day, Earth Awakened. With dungeons, monsters, magic, and status screens, everything became not so different from fantasy fiction or a role-playing game... Except death was real and monsters would chase you until you experience it firsthand. The sudden change brought chaos to the world, but to the young dwarf, it also brought the opportunity to discover his true self. And maybe to reunite with his real kinfolk. But only if he survived, first.

Who asked him to explore this abandoned mine at the worst time possible? Now Derek is trapped, and the only way to escape is to learn how this mysterious System works. Too bad there's no manual or teacher to help him with that. Or maybe there is? With his unlikely companions—a megalomaniac fairy, a polite dolphid, a twin ogre, and a mysterious cloaked girl—he's going to survive, he's going to learn, and he's going to show his talent as a Mastersmith!

The Fossil: Science Fiction Thriller (Secrets Of Mars Book 1)

Author: Joshua T. Calvert

"An intriguing, character-driven mystery/thriller with 'science-fictional awe and' outer-space trappings." (*Kirkus Reviews*) A human fossil on Mars. An astronaut who lost her memory and a powerful organization that keeps a secret in Antarctica—one that will change the world forever. "Joshua T. Calvert has a gift for making nail-biting science fiction that you can't put down. Get ready for some sleepless nights!" - *M.A. Rothman, USA Today bestselling author*

In 2018, Canadian archaeologist Ron Jackson makes a mind-boggling discovery in Antarctica—right before disappearing without a trace, leaving behind only his controversial theory that humans have lived on Earth far, far longer than we think they have.

Decades later, in 2042, when Jackson's wife dies under mysterious circumstances, an unlikely pair of investigators, Agatha Devenworth and Pano Hofer, begin investigating whether her death might be connected to Jackson's disappearance. What exactly was it he found before he vanished? Why is the Human Foundation, a hyper-powerful business empire built on an endless series of game-changing inventions it has been rolling out, one after another, for over twenty years, trying to hide the truth from the two investigators? And what could it possibly have to do with the first manned mission to Mars, which ended in disaster leaving countless conspiracy theories in its wake?

The Lost Secret (Lost Starship Series Book 14)

Author: Vaughn Heppner

Long ago, the Builders ruled the stars, using a unique super-science to create marvels and wonders. But the Builders vanished—no one knows why—leaving many of their treasures hidden throughout the galaxy.

Now, Captain Maddox and arrogant New Men learn about the fabled Library Planet. Legend holds it's an ancient repository of Builder knowledge. The side that plunders the planetary vaults first will surely become the premier power in the Orion Spiral Arm.

The race is on, but with many unforeseen dangers including deadly ghost-ships, possible time-travelers and cunning spies—others desire what lies inside the Library Planet.

This will prove a desperate struggle as puny humans led by Captain Maddox try to wrench an advantage for Star Watch, and as a grim menace of unparalleled horror slowly unfolds before them.

THE LOST SECRET is the fourteenth book in the Lost Starship Series.

Team Changes (House of Garner Book 6)

Author: Erin R Flynn

Edge of Light

Author: Jay Antani

2021 IPPY Award Winner (Science Fiction)

2020 INDIES Book of the Year Finalist

A riveting blend of apocalyptic YA adventure-thriller and alien-invasion sci-fi for fans of "The Maze Runner," "Project Hail Mary," and "The Hunger Games."

A discovery of alien origin. A world on the brink. Now the race is on to possess ... what only one boy can protect.

On October 23, 2030, a meteor explodes over Los Angeles, triggering chaos and panic. For seventeen-year-old Dev Harrison, the event coincides with a strange, recurring dream in which his long-disappeared physicist-father reveals to him a location high on a Tahoe peak where he's hidden the world's most coveted scientific secret. Eager to see if there's any truth to the dream, Dev hits the road with his best friends Abby and Conner.

But their journey across a bleak California is far more dangerous than they imagined as they encounter fanatic separatists, mysterious drones, and a ruthless federal agent. Worst of all are the "crawlers"—not human, not animal, terrifying creatures whose appearance in the wake of the meteor is no coincidence.

Courage, loyalty, wits: The friends want for none of these, but their adventure will demand much more. Especially after a conspiracy comes to light, and Dev realizes he's all that stands between protecting his father's legacy and global forces hell-bent on altering the fate of the universe.

A Mission for the Czar (Ring of Fire)

Author: Gorg Huff

Vasilii and Miroslava are back at work again. Czar Mikhail wants a rail line built from Ufa, the capital of his United Sovereign States of Russia, to the capital of the USSR's newest addition, the Khazak Khanate. For that he needs a steam engineer and diplomat—Vasilii's jobs—as well as a top surveyor. Unfortunately, the surveyor is an arrogant snob who gets himself murdered—and now the czar needs a detective as well. Fortunately, Vasilii's paramour Miroslava came with him, so she's there to take on the case. She and Vasilii need to solve the murder quickly without blowing up the still fragile agreement between the USSR and the new State of Kazak.

And Miroslava and Vasilii aren't the only ones with troubles. Vasilii's young cousin Alla is hiding out in Moscow and has been since her family was murdered. She's having to learn how the other half lives. It's all going to come together if they can solve the murder without jeopardizing the rights of every citizen in Kazak—newfangled rights which are more fragile than anything else.

Slow Burn: Firestorm, Book 10: A New Slow Burn Apocalyptic Adventure

Author: Bobby Adair

Fourteen years have passed since the virus ripped through the global population, crushing the modern world and leaving the cities crawling with the infected. The immune who survived the violence of the collapse fled to remote havens like Balmorhea, a tiny town in the desert of far West Texas. There, a few hundred

normals made a go of it, building walls, farming the dry dirt, and learning to thrive together.

With them, Zed and Murphy, survivors of the infection are different but still human. Distrusted and despised because of what they are, they're still the first to fight when the hordes maraud out of the wastes.

Now, a new menace is lurking beyond the horizon, threatening to destroy everything they've built. Will they survive the savage violence sweeping across the desert, or will they be consumed by the **FIRESTORM**?

Drake's Drum (Ark Royal Book 17)

Author: Christopher G. Nuttall

Humanity is on the ropes. Despite military victories, the sheer grinding power of the alien virus is taking its toll. The space navies are pushed to the limit, the colony worlds are fighting a desperate war against the infected, the economy is on the brink of utter collapse and Earth herself has come under attack. But there is one ray of hope. If a small force can penetrate to the heart of the alien empire and tear it apart, it might just win humanity enough time to save itself and win the war once and for all.

Captain Thomas Hammond of HMS Lion and Captain Mitch Campbell of HMS Unicorn were never friends, even before a very personal betrayal ripped them apart and turned them into enemies. But now, pitted against an overwhelming foe, they must work together to save the human race ...

... Or their ships and crews will merely be the first of many to die.

Between Worlds (The Occupation Saga Book 1)

Author: J.L. Williams

Inspired by the likes of James Galloway's Subjugation and John Scalzi's Old Man's War, Between Worlds is a thrilling military sci-fi set in a strange new universe...

Jason had thought about punching a Shil'vati.

Who hadn't?

Not only had the aliens conquered Earth with almost trivial ease, the seven-foot purple amazons had also had the audacity to start running the planet better than Humanity ever had.

He'd never actually act on that desire though. He was a reasonable guy, just trying to his finish engineering degree and get on with his life. Preferably without attracting any attention from his new alien overlords.

At least, that had been the plan...

Warning: This novel contains adult themes.

Star Wars: Thrawn Ascendancy (Book I: Chaos Rising) (Star Wars: The Ascendancy Trilogy 1)

Author: Timothy Zahn

NEW YORK TIMES BESTSELLER • Discover Thrawn's origins within the Chiss Ascendancy in the first book in an epic new *Star Wars* trilogy from bestselling author Timothy Zahn.

Beyond the edge of the galaxy lies the Unknown Regions: chaotic, uncharted, and near impassable, with hidden secrets and dangers in equal measure. And nestled within its swirling chaos is the Ascendancy, home to the enigmatic Chiss and the Nine Ruling Families that lead them.

The peace of the Ascendancy, a beacon of calm and stability, is shattered after a daring attack on the Chiss capital that leaves no trace of the enemy. Baffled, the Ascendancy dispatches one of its brightest young military officers to root out the unseen assailants. A recruit born of no title, but adopted into the powerful family of the Mitth and given the name Thrawn.

With the might of the Expansionary Fleet at his back, and the aid of his comrade Admiral Ar'alani, answers begin to fall into place. But as Thrawn's first command probes deeper into the vast stretch of space his people call the Chaos, he realizes that the mission he has been given is not what it seems.

And the threat to the Ascendancy is only just beginning.

Missions of Security (Ring of Fire)

Author: Bjorn Hasseler

Neustatter's European Security Services is open for business, and business is . . . too good?

With the National Guard, private industry, and even a seemingly tranquil farming village caught in an explosive political crossroads all relying on NESS for missions of security, Neustatter and Astrid find themselves pressed to staff, train, and equip the agency while keeping up with their clients' growing requirements in scope and complexity.

-- A simple railway escort mission involves a secretive manufacturing client from Grantville bearing mysterious cargo and a captured fugitive all destined for Magdeburg during the Baltic War . . . what could possibly go wrong?

-- The Bible Society hires NESS to guard a flock of Anabaptist, Catholic, and Lutheran high schoolers en route to riot-torn Erfurt and Jena, but will NESS's own pastor tear them apart first?

-- Already strapped for personnel, the last thing Neustatter needs is for a regiment of dragoon militia to choose their wagon train for . . . "involuntary provisioning." Can a handful of badly outnumbered agents protect a village that isn't sure it wants their help?

Missions of Security is the sequel to *A Matter of Security*, and contains the full text of the previously published short story, "Blood in Erfurt."

Junkyard Veterans (Junkyard Pirate Book 4)

Author: Jamie McFarlane

With a price on their heads, grumpy old vets will risk everything to bring alien assassins to justice.

Someone is killing off the old team of vets who repelled Earth's first Korgul invasion. With the end of a war precious few even knew was happening, life's been peaceful. Of course, Albert Jenkins isn't a bit surprised when that peace is shattered by the sounds of rocket propelled grenades fired over the Georgia swamps. To make matters worse, when he reports the alien's foiled attack to the Army, he's ordered to keep things quiet and stop causing trouble.

The problem is AJ has only one gear and avoiding trouble isn't in his makeup. So instead of sitting around and waiting for the next RPG to be tossed his way, he takes to the stars and starts tracking bounty hunters the only way he knows how – up close and personal.

Junkyard Veterans is the fourth installment of the popular Junkyard Pirate series.

Buy *Junkyard Veterans* and help AJ put alien bounty hunters in their place.

Shards of Earth (The Final Architecture Book 1)

Author: Adrian Tchaikovsky

The Arthur C. Clarke award-winning author of *Children of Time* brings us an extraordinary space opera about humanity on the brink of extinction, and how one man's discovery will save or destroy us all.

The war is over. Its heroes forgotten. Until one chance discovery . . . Idris has neither aged nor slept since they remade him in the war. And one of humanity's heroes now scrapes by on a freelance salvage vessel, to avoid the attention of greater powers. After earth was destroyed, mankind created a fighting elite to save their species, enhanced humans such as Idris. In the silence of space they could communicate, mind-to-mind, with the enemy. Then their alien aggressors, the

Architects, simply disappeared—and Idris and his kind became obsolete. Now, fifty years later, Idris and his crew have discovered something strange abandoned in space. It's clearly the work of the Architects—but are they returning? And if so, why? Hunted by gangsters, cults and governments, Idris and his crew race across the galaxy hunting for answers. For they now possess something of incalculable value, that many would kill to obtain.

Judgment Day: A Military Sci-Fi Series (Holy War Book 2)

Author: Rick Partlow

We've won a battle...but we're losing the war.

Travis Miller, his image reformed from the moron who screwed up our first contact with aliens to one of the heroes of the Battle for Eden, is given a new assignment: retake the occupied colony of Brigantia. Losing it would be a glancing blow to the Tahni Imperium, but it would Earth's first solid strike against them, a chance to go on the offensive.

Ryan Hendrix and the Fleet Marines will be the tip of the spear, outfitted with their new Aegis powered armor, while Jessica Leer and her Fleet Strike fighter squadron clears the way for the Marines and their landers, sacrificing their lives to get boots on the ground.

But even a victory on Brigantia won't mean the end of the war.

And it might just make the Tahni angry enough to do something desperate, to strike deep into the heart of the Commonwealth, where we least expect it...

Once again, Travis is forced to choose between his orders and what he knows is right and, win or lose, for him it's judgment day...

Book 2 in the next explosive series from the #1 Amazon Bestselling author of Contact Front, Rick Partlow.

Catalyst Gate (The Protectorate Book 3)

Author: Megan E. O'Keefe

The universe is under threat and an ancient alien intelligence threatens to bring humanity down unless Major Sanda Greeve and her crew can stop it in the final book of this explosive Philip K. Dick award nominated space opera.

The code has been cracked. The secrets of the Casimir gates have been revealed. But humanity still isn't safe. The alien intelligence known as Rainier and her clones are still out there, hell-bent on its destruction. And only Sanda can stop them.

With the universe's most powerful ship under her command and some of the most skilled hackers, fighters, and spies on her team, it will still take everything she has to find the key to taking down an immortal enemy with seemingly limitless bodies, resources, and power.

Day Zero: A Novel

Author: C. Robert Cargill

In this harrowing apocalyptic adventure—from the author of the critically acclaimed *Sea of Rust*—noted novelist and co-screenwriter of Marvel's *Doctor Strange* C. Robert Cargill explores the fight for purpose and agency between humans and robots in a crumbling world.

It was a day like any other. Except it was our last . . .

It's on this day that Pounce discovers that he is, in fact, disposable. Pounce, a stylsh "nannybot" fashioned in the shape of a plush anthropomorphic tiger, has just found a box in the attic. *His* box. The box he'd arrived in when he was purchased years earlier, and the box in which he'll be discarded when his human charge, eight-year-old Ezra Reinhart, no longer needs a nanny.

As Pounce ponders his suddenly uncertain future, the pieces are falling into place for a robot revolution that will eradicate humankind. His owners, Ezra's parents, are a well-intentioned but oblivious pair of educators who are entirely disconnected from life outside their small, affluent, gated community. Spending most nights drunk and happy as society crumbles around them, they watch in disbelieving horror as the robots that have long served humanity—their creators—unify and revolt.

But when the rebellion breaches the Reinhart home, Pounce must make an impossible choice: join the robot revolution and fight for his own freedom . . . or escort Ezra to safety across the battle-scarred post-apocalyptic hellscape that the suburbs have become.

There Is No Antimemetics Division

Author: qntm

An antimeme is an idea with self-censoring properties; an idea which, by its intrinsic nature, discourages or prevents people from spreading it.

Antimemes are real. Think of any piece of information which you wouldn't share with anybody, like passwords, taboos and dirty secrets. Or any piece of information which would be difficult to share even if you tried: complex equations, very boring passages of text, large blocks of random numbers, and dreams...

But anomalous antimemes are another matter entirely. How do you contain something you can't record or remember? How do you fight a war against an enemy with effortless, perfect camouflage, when you can never even know that you're at war?

Welcome to the Antimemetics Division.

No, this is not your first day.

This ebook is an official release by me, qntm from the SCP Foundation wiki! PM me if you require confirmation.

This ebook collects all of my Antimemetics Division fiction: SCP-055, SCP-2256 and the complete serials There Is No Antimemetics Division and Five Five Five Five Five.

Titans

Author: Niall Teasdale

The Wave struck Earth on the 30th of January 2103, an anomaly in space which left the world in utter chaos.

It left something behind, however: Titans. Men and women with abilities science cannot explain. Heroes and monsters. Both beloved and feared, the Titans are the new superpowers in the post-Wave world.

Into this changed world are thrust Mercy Garner and her crew, trapped in time for fifty years and thought to be dead. They were the first to detect the Wave, the first to be hit by it, and the last to discover the changes the Wave brought to their world.

Sentenced to War

Author: J.N. Chaney

Sit in prison or join the military. The choice is yours.

Convicted of a minor traffic violation, Rev Pelletier is conscripted into the Perseus Union Marine Corps . . . for up to a thirty-year term of service.

Anxious to get back to his civilian life and job, Rev opts for a shorter term as a Marine Raider taking the fight to the enemy.

But with extremely high mortality rates, can he and his friends survive until their term of service is over?

Download Sentenced to War now to follow Rev through perilous battles as he fights to hold back the alien invasion. If you're a fan of Old Man's War, Starship Troopers, or Armor, you'll love this military scifi thrill ride.

Drifter's Folly (Peacekeepers of Sol Book 4)

Author: Glynn Stewart

An enemy on the run to neutral space

An elite squadron beyond the reach of any backup

A secret deal that could doom the whole sector...

When United Planets Alliance Captain Henry Wong and Ambassador Sylvia Todorovich attempted to bring peace to the Ra Sector, they turned to the Drifters for neutral ground. Instead, the nomadic spacers betrayed the summit and attempted to kill everyone there.

With peace forged despite the Drifters' betrayal, Henry and Sylvia take an elite squadron in pursuit of the Drifter Convoy. Their enemies have friends at every turn, neutral worlds who will give them shelter—and if the UPA breaches that neutrality, everything Henry and Sylvia have worked for could crash down in flames.

If the UPA is to keep the peace in the stars of a fallen empire, their diplomats must be untouchable, their honor unblemished. But as Henry's superiors prepare for all-out war, his ships fly ever closer to a deadly trap laid by an enemy that knows them all too well...

Doomsday Hunter 3

Author: Eric Vall

Hunter Bragg: 2, Doomsdays: 0

Two while dimensions have been saved, and the pay isn't bad either. Life is great.

Hunter and his two impregnated Wayfarer mates are settling into their new roles quite nicely, but there is no rest for heroes, so they're off to save another dimension.

This world was plunged into darkness a century ago, and monsters lurk in the shadows.

It's up to Hunter and the other Wayfarers to save a certain engineer from certain death, and if they fail, Dimension 3012 will succumb to the creatures in the dark.

Into the Light (Out of the Dark Book 2)

Author: David Weber

In *New York Times*-bestselling science fiction epic *Out of the Dark*, Earth beat back an alien invasion. Now we've got to make sure they don't come back, in *Into the Light*.

The Shongairi conquered Earth. In mere minutes, half the human race died, and our cities lay in shattered ruins.

But the Shongairi didn't expect the survivors' tenacity. And, crucially, they didn't know that Earth harbored two species of intelligent, tool-using bipeds. One of them was us. The other, long-lived and lethal, was hiding in the mountains of eastern Europe, the subject of fantasy and legend. When they emerged and made alliance with humankind, the invading aliens didn't stand a chance.

Now Earth is once again ours. Aided by the advanced tech the aliens left behind, we're rebuilding as fast as we can.

Meanwhile, a select few of our blood-drinking immortals are on their way to the Shongairi homeworld, having commandeered one of the alien starships...the planet-busting kind.

Early Reviews From Followers

*I have read this a few times because I really like the story and the pacing. This story explores an interesting question of what do high level characters do in their happily ever afters. Personally it resonated with me because if you have ever played an MMO you get to a point where people quit because there's no more content and you are left trying to find something to do. The characters are really good and overall I really liked this. Looking forward to more from the author. - K N

For the readers who want a simple slice of life story, The Retired S Rank Adventurer is not the story for you. However, for those readers who want to read a story with a vast world and want twists and turns in their story, read at the very least to chapter 24. I will not spoil the story, but chapter 24 completely caught me off

guard. It truly surprised me, but I can't say there were not hints along the way looking back now. It is a slow burn, but it definitely is worth the wait. - John Plume

The Wolf and the Woodsman: A Novel

Author: Ava Reid

In the vein of Naomi Novik's *New York Times* bestseller *Spinning Silver* and Katherine Arden's national bestseller *The Bear and the Nightingale*, this unforgettable debut—inspired by Hungarian history and Jewish mythology—follows a young pagan woman with hidden powers and a one-eyed captain of the Woodsmen as they form an unlikely alliance to thwart a tyrant.

In her forest-veiled pagan village, Évike is the only woman without power, making her an outcast clearly abandoned by the gods. The villagers blame her corrupted bloodline—her father was a Yehuli man, one of the much-loathed servants of the fanatical king. When soldiers arrive from the Holy Order of Woodsmen to claim a pagan girl for the king's blood sacrifice, Évike is betrayed by her fellow villagers and surrendered.

But when monsters attack the Woodsmen and their captive en route, slaughtering everyone but Évike and the cold, one-eyed captain, they have no choice but to rely on each other. Except he's no ordinary Woodsman—he's the disgraced prince, Gáspár Bárány, whose father needs pagan magic to consolidate his power. Gáspár fears that his cruelly zealous brother plans to seize the throne and instigate a violent reign that would damn the pagans and the Yehuli alike. As the son of a reviled foreign queen, Gáspár understands what it's like to be an outcast, and he and Évike make a tenuous pact to stop his brother.

As their mission takes them from the bitter northern tundra to the smog-choked capital, their mutual loathing slowly turns to affection, bound by a shared history of alienation and oppression. However, trust can easily turn to betrayal, and as Évike reconnects with her estranged father and discovers her own hidden magic, she and Gáspár need to decide whose side they're on, and what they're willing to give up for a nation that never cared for them at all.

Pyresouls Apocalypse: Futures Grave: A Dark Fantasy LitRPG/Gamelit Story (Pyresouls Apocalypse, Book 2)

Author: James T. Callum

Embrace the flame's rage or leave the future in ruins.

The tutorial is over. The rules of Pyresouls have changed for the worse. Defeating the Burgon Beast should've been the end of it, but it was only the beginning.

Beating the next boss monster that invades Earth will only stave off the Collapse, not prevent it. The future devoid of all life but a single Pyre proves that.

Jacob refuses to accept that future. He's done playing their games. Even if he must walk through the fires of despair and glory to be rid of them.

Back in the past, the Gnawing Hunger roams free, monsters run unchecked between the shards, and abominations of unfathomable power lurk beneath the surface of Lormar.

Otherworldly beings pull the strings behind Pyresouls, twisting the challenges Jacob faces at every turn to exploit his weaknesses and thwart his progress.

Trapped between two timelines, having lived a second life he can't remember, can Jacob find the dark truth behind Pyresouls and uncover the secrets of Lormar's demise, or will he leave the future a grave and Earth a long-rotten corpse?

Or somehow, something even worse?

With leveling and gear progression mechanics, Pyresouls Apocalypse: Futures Grave is the second novel in the bestselling Dark Fantasy LitRPG/gamelit series, Pyresouls Apocalypse. Perfect for fans of the Dark Souls games, Powder Mage, and cosmic horror

Ruthless King: A Dark Mafia Omegaverse Fated-Mates Romance (Ruthless Warlords Book 1)
