## **Big Bad Wolf (The Lycans, 1)**

***Author: Jenika Snow***

\*A top 50 Amazon bestseller!\*

Mikalina

It was spur of the moment, maybe reckless, definitely a shock to everyone I knew when I decided to take a trip across the ocean to a foreign country and stay for an undetermined amount of time.

Renting out a cottage in a tiny European village whose residents barely spoke English was the perfect escape from overbearing parents, fake friends, and a future that seemed bleak. And helping out an elderly woman with her shopping to earn some extra cash seemed easy enough.

Mindless, hour-long walks through the thick woods that surrounded said village also sounded ideal. No Internet. No television. And just the bare basics to get me by.

Perfection. Stress-free. Exactly what I needed.

Or maybe I was wrong about it all.

I felt someone or something watching me from the darkened, dangerous woods.

I felt someone—something—stalking me. I didn't know what or who it was, but I knew with certainty it wasn't human... and that it wanted me.

Ren

I wasn't human, not completely.

A Lycan—a centuries-old wolf-like creature that was feared by all, stronger than anything on the planet, and who was only ever after one thing.

My mate.

For over three hundred years, I had one purpose in life. Find her, the one female born to be mine. My female who'd cause the Linking Instinct—that supernatural

connection that told me she was mine and I hers—to finally take root and make me whole.

And for hundreds of years, I'd been alone, saving myself for my mate, never stopping the search.

Until I scented her, saw her, finally felt my heart beat and the blood rush through my veins with hope and anticipation.

Mine.

She didn't see me, but she sensed me. And she ran. She couldn't possibly know how much the chase turned me on.

I didn't know how I'd make her understand I could never let her go, that nothing and no one would stop me from making her mine.

Because once a Lycan found his mate... nothing in this world, nothing supernatural or human, could keep him from her.

Sex on the other hand—or her total lack of it—is an ongoing concern. But maybe Wolf can help? And not just in the bedroom.

The annoyingly sexy, dominant author is exactly the type of man she needs to keep her ex-husband and his wandering hands at bay, but Wolf's help comes with a price, and while Abby is willing to take him into her bed, she's determined to keep him out of her heart.

### ***This Time Around***

Rafe Bennett's life has been one of responsibility and heartache. A long time ago, he was forced to give up the girl of his dreams, then made to bear the brunt of her anger for his trouble. In the years since, he has shared his bed with Jane Melville more times than he can count, snatching moments of erotic bliss whenever he can, but when she chose to marry someone else, Rafe walked away for good. Or so he thought. When fate thrusts Jane back into his life—complete with baby on board—Rafe seizes the opportunity with both hands. He lost her once and never truly got her back, but he's determined to change their fate. He knows in his heart that with a little persuasion and a whole lot of cake, everything will be different this time around!

### ***His Own Heaven***

Tobias Bennett has always known he was different. His towering height and quiet nature aside, it's his need for control in and out of the bedroom that sets him apart from most men. While acting as wingman for his twin brother, he comes face-to-face with his new office manager, Lucy Barton. The wealth of scars trailing down the right side of her face and body intrigues him, but it's her guarded disposition that has him itching to teach her a lesson she'll never forget. One night in Lucy's arms has Toby craving so much more, but she's a no-strings-attached kind of woman. That's her number one rule. But Toby knows better than anyone, some rules are meant to be broken.

Finding out she was pregnant after a one-night-stand wasn't ideal, especially not when the father left town and she had no way of contacting him. It wasn't until Toby's return that she had to finally face her new reality and tell him everything.

But was Toby ready to be a father? Was he ready to start a family with her? Or was their one night all he wanted?

There's something about this dark-haired beauty that makes me want to push her. Test her. Bring her out of her comfort zone, and into my bed where I can show her the only pounds that matter are the ones I give her with my hips. She doesn't know it, but...

I wanna nudge that pudge.

When I get a peek into her big heart, I realize Shay could be the one I've been waiting for. The one I want to spend forever with. Now, I just need to make her see me for who I really am. Not the flirty, care-for-nothing, meathead she thinks me to be.

### HARD LESSONS

"After cleaning the semen with her finger and swallowing it, she lay down on the bed and I proceeded to lower her panties to her ankles, there was her pussy, irritated and shaved. I knelt in front of her and she wrapped her legs around my neck so that I had her pussy in front of me, I stuck out my tongue and ran it through her pussy making her shudder and grab onto my thick hair, I made my way through of the vaginal lips and I found her clitoris, swollen, I kept inserting my tongue discovering its secret recesses.

She was holding her nipples stimulating while we felt that she was going to reach orgasm.

And it came, it came in my mouth while I was receiving that nectar. I pulled away from her and grabbed a condom from the drawer as she got on all fours. I knelt behind her and stuck my cock into the hole of her vagina, after inhaling and exhaling, I put the cock inside her while she clung to the edge of the table"

### THE CHAT GIRL

"She put one leg on either side of my waist and sat down, straining my cock between her vaginal lips. I felt her hot wetness soaking me, she moved softly up and down and I heard her moan softly on me, I was extremely excited and had a cock so hard that I could have thrown a wall with it.

I couldn't help but grab her boobs over the top of her uniform, hard, smooth, round, inexperienced boobs in my hands. I released the buttons as she continued to rub herself on my cock and I felt her discharge run down my testicles and down my inner thighs. Once the blouse was open, I released her bra and squeezed her tits, feeling them like."

## DOWN TO BUSINESS

"Saying this and in a quick movement she took off that little black dress leaving only the black underwear that made her irresistible, so I pounced towards her, throwing myself on top, squeezing her breast and looking for her mouth greedily, to which she She did not refuse, interlacing our tongues inside her mouth with unleashed passion, she was not still either, she ran her hands through my hair down my back, she dug her nails into my back and grabbed my buttocks, it was clear that she too he was getting excited and it was a volcano."

## OUT IN THE WOODS

"my cock is caressed completely without leaving any bit without stimulation, from above, below, the sides ... You feel the pressure of the vaginal walls and their contractions. That combined with the sound that comes and goes due to vaginal moisture, and your body heat is an exquisite effect. One in five I ram her roughly, feeling the hardness of the vaginal fundus, I imagine it is the cervix ... her cervix. The tip of my cock was pressed firmly against her vaginal lips, but not inside her vagina, I moaned and moving my hips forward with more force, I pushed my cock, feeling how it returned to enter his desired slit ... my long and thick cock it slid further in thanks to Amber's great lubrication "

**Author: Lena Lucas**

Moving to the small mountain town of Fairhaven, Wyoming was my escape from the monotonous life I lived. I wanted something new, an experience I'd remember for the rest of my life.

After a week in my new home, I'd gotten a waitressing job and associated myself with the residents and the lay of the land.

Things weren't... complicated, and I knew I made the right decision.

Conflict, indecision, and shifting emotions were definitely not what I needed or wanted.

Until I met him. Cyrus "Bear" Grille was big and strong, an MC Nomad who made every feminine part of me come alive like a fire burned brightly in my body.

He was the last thing I need, a complication that would surely twist up my emotions and tangle with my heart.

But I couldn't stop my interest or curiosity where he was concerned. And it looked like fate was ready to make the decision for me.

When a snowstorm causes me to crash, he's the one to rescue me. I found myself in his cabin, isolated from everything, the snow sealing us in indefinitely, and I couldn't find anything wrong with the situation.

It felt right. I knew I was on a new path, one where I'd experience things that would rival the former ones. And I was going to jump headfirst into whatever this electrical chemistry was that claimed both of us.

He wanted me, and I was going to give myself to Bear in every way he wanted.

Lena's note: I know you like them fast and right to the point so don't worry, this one gives you all the goods but with a decades long celibate hero, a virgin heroine, and all the romantic filth to whet your appetite! Enjoy this good old-fashioned safe smut-fest.

## **Catalina (The Adlers)**

**Author: Avery Gale**

The tenth book of International Bestselling Author, Avery Gale's phenomenally successful series, *The Adlers*, is filled with magic, laughter, red-hot kink, and enough craziness to drive the Doms of the Prairie Winds and ShadowDance Clubs to the edge.

Catalina Adler: My kidnapping and torture still haunt me, but like everything else in the world of magic... nothing is as it seems. My jewelry design business is taking off, and what I planned as a small side venture into kinky pieces is threatening to take over.

A brief stay at Cameron and Dr. Cecelia Barnes' home means the booze is expensive and the laughter plentiful—but nothing good lasts forever. When danger finds me, the numerous men in my life decide to send me to Colorado—damn it... it's cold in the Rockies. Most shifters love cold weather—I'm not one of them. Geriatric wizards and witches with agendas, bossy Doms, and a surprising enemy are all complications that test my sanity. The one constant—Cooper Hicks—but is he enough to keep me from skating over the edge?

Cooper Hicks: I knew she was mine the first moment I saw her walking across campus—too young, too smart, and sporting an attitude big enough to make any blue-blooded Southern mama proud. For years, Catalina Adler was my biggest temptation and a colossal pain in my rear. The woman would test the patience of a saint—and my nomination for sainthood was shredded and the pieces incinerated years earlier.

After introducing her to the D/s dynamic her fate was sealed... I planned to make Catalina mine in every way possible. Rescuing her from a filth infested cell in BFE was a blessing in disguise. As an intelligence agent, she was too compromised to ever return to the field, and he'd hoped her business would keep her safe. He should have known better.

Keeping Catalina safe is a full-time job and help comes from the most unexpected places.

## **Undeniable Series: (Undeniably His, Undeniably Hers, Undeniably Theirs)**

**Author: Ramona Gray**

### **Undeniably His Book One**

*It's all business until he takes his pleasure.*

As CEO of Dawson Clothing, Luke Dawson doesn't have time to babysit his new assistant. Her terrible fashion sense, shy demeanor and weird obsession with peanut butter sandwiches should leave him cold. So, why can't he stop thinking about her? Why does her fragility and sweetness call so strongly to him? And why the hell does he keep having vivid and hot-as-hell sex dreams about her? It's normal for a boss to want his assistant on her knees in front of him. Right?

Jane Smith is desperate. Caring for her ailing foster mother has left her broke and starving. Her new job as Luke Dawson's assistant brings both a pay raise and hope for her dismal situation. Sure, her new boss has a reputation of being demanding and not prone to giving second chances, but a girl can deal with a difficult boss if her only other option is starving to death. It's just unfortunate that her new boss is also gorgeous and sexier than any man has the right to be. It's normal for an assistant to want to be on her knees in front of her boss. Right?

Mixing business with pleasure is bound to get messy...

### **Undeniably Hers (Book Two)**

*The control belongs to him, but the pleasure is undeniably hers.*

Amy Dawson is a successful business woman, a talented designer and in love with the man of her dreams. Too bad the man of her dreams is her brother's best friend and strictly off limits. Even if her family would accept the thought of them dating, Mark would always see her as the bratty little kid he grew up with. Besides, if sweet and gentle Mark knew what she really craved in bed, he'd never speak to her again.

Mark Stanford wants something he can never have – his best friend's little sister. Amy may be his perfect woman but after practically growing up in her house, he'd never cross that line. Besides, if Amy knew exactly what he wanted to do to her in bed, she'd run screaming.

Determined to indulge in a personal fantasy, Amy agrees to a session with a Dom at "Secrets", the hottest BDSM club in the city. Blindfolded and restrained, the Dom who brings her both pleasure and pain, demands total submission and leaves her begging for more. The discovery that Mark is the Dom sends her world into a tailspin and her libido into overdrive.

Mark and Amy can't resist the pleasure they find in each other's arms. But afraid of losing the only family he has, will Mark deny his true feelings for Amy? Or will he give in to the fact that he is, and always will be, undeniably hers?

### **Undeniably Theirs (Book Three)**

*Two is always better than one...*

Chloe Matthew's fresh start recipe:

Step one: new job at Dawson Clothing—check

Step two: stop worrying about sister—easier said than done.

Step three: find nice safe guy and fall in love—too bad Chloe can't one-click buy that.

Except tossing a complete stranger into the mix, banging him like a screen door, and having the best sex of her life could make her life's recipe fall flat. And that whole sneaking out before the hot stranger wakes up? Not her finest moment.

But new coworker, Jackson Black is just what she's looking for. Handsome. Reliable. Wicked sense of humour. Sleeping with a coworker has never been so tempting.

Only, Jackson is more than a splash of vanilla. He shares everything with his best friend, Ian—including women.

Will Jackson's desires tear apart Chloe's vision of the perfect life? Or can they make something even better since the sexy-as-sin, Ian Aldrin, is the stranger she spent one deliciously dirty night with?

Please note: These books contain detailed and smoking hot sex scenes that may not be your cup of tea.

## **Flirt (Black Hawk MC Book 7)**

**Author: Carson Mackenzie**

Max "Flirt" Browning has watched a group of men he considers more than club brothers take the plunge into family life. As the last man standing, he's not opposed to following them—he's just never found the right woman. At least not before Brie walked into his life.

With her, he could see a future. Getting her to see that he was interested in more than a couple of sexual encounters a month could cost every ounce of control Flirt possessed. The control he needed as much as the air he breathes. For her—he'd do whatever it took.

Gabriella "Brie" Agassi has had to manage every aspect of her life, from raising a daughter to building a pediatric practice. With not much free time to pursue a relationship—and considering when she tried, it had been one disastrous date after another—she takes matters into her own hands and visits Whispering Nights.

At the club, she'd find a take-charge man to whom she could relinquish total sexual control for an hour or two. Giving her the break needed from her responsibilities to bring balance back into her life. Balance she hasn't had since her fiancé died.

Meeting Max Browning, Brie wondered how much her need for balance was going to cost her. And if she'd be willing or able to pay the price.

Dierdre fights her feelings for the stoic Christopher, but hormones and his constant presence make things difficult. While she fantasizes about the man from afar, she doesn't realize that he is starting to develop feelings for her, too. Sparks fly when they finally admit their feelings to themselves, but how long until they have the courage to admit them to each other?

## Bottoms Up (Getting Lucky)

**Author: Jenika Snow**

Aoife

After my mother passed away, I packed up my entire life and moved to her home country of Ireland. I wanted a change of scenery, a different life... to distance myself from the memories of all that I lost.

I wanted a fresh start.

The small Irish village of Duthmoore was everything I had hoped when I envisioned myself starting a new life.

And for the first time since I lost her, I felt like I was home... like I wasn't alone.

It wasn't until I found myself walking into Getting Lucky, the most well-known pub in Duthmoore, that I found myself face-to-face with the owner, Cillian McGowan, and realizing that maybe Duthmoore had a hell of a lot more to offer than I thought.

Cillian

I was a born and raised Scot but on a whim had moved to Duthmoore, Ireland, and started up my own pub.

Over the years, Getting Lucky had become the most popular pub in the village, and business was booming.

My pub was my dream, my life, the only thing I needed to focus on, or so I thought.

When I saw the pretty strawberry-blonde walk into my pub, I was pretty sure angels sang, the world slowed, and everything else faded away.

I'd never been so mesmerized by another person, never felt like if I wasn't near them, the air would be sucked from my lungs.

But I sure as hell felt like that for Aoife. And as the hours passed and she consumed more, her story started to unfold.

I had never thought love at first sight was possible, but with her, it was very clear I didn't know much about how the world worked.

Because I was already head over heels for the little Irish-American, and I was pretty sure I couldn't let her walk away after tonight.

\*A complete standalone in the Getting Lucky series.\*

## **He Saw Me First (Age & Innocence Book 1)**

**Author: M Johnson**

Across an empty laneway in Paris, through my hotel window,

**He saw me first.**

I stopped undressing . . . but only for a moment.

The next night, he was waiting for me.

He sat there in his expensive suit and watched.

No participation.

My only acknowledgement was the look of lust in his eyes.

It continued until the night before I left,

when I found a card under my door.

No words. Just a number.

So, I texted him.

I'd never done anything like it before.

It felt so dirty and wrong, but at the same time, I felt alive.

He was much older than me, so intimidating and sexy.

He made me feel things no man ever has.

I was under his spell.

**The last thing I expected was to ever see him again.**

## **Intern For My Best Friend's Dad: An Instalove Possessive Age Gap Romance (A Man Who Knows Who He Wants Book 234)**

***Author: Flora Ferrari***

I've had a crush on Solomon Sky for as long as I can remember, but it's always been my little secret. His daughter is my best friend and I'd never risk what Caitlin and I have on such a silly crush.

When I start an internship at his company, I'm called up to a meeting in his impressive penthouse office. Six and a half foot tall, with glimmering silver hair and eyes that could make a nun blush, I feel girlish fantasies filling my mind again.

I tell myself he would never be interested in a nineteen year old wannabe painter. This forty-two year old alpha billionaire must have women throwing themselves at him.

But one afternoon, he claims me in the most primal way a man can. He tells me I belong to him. He tells me I need to do whatever he says because he owns me now.

All my crazy dreams are coming true, but I'm scared of Caitlin finding out. I'm scared of breaking my best friend's heart. And, selfishly, I'm scared of what Solomon is going to think of me when he realizes just how inexperienced I am.

Can a man like him really be interested in a naive curvy virgin?

As if matters weren't already complicated, Caitlin's crazy ex-boyfriend has started following us, making her so stressed out I just can't imagine telling her about me and her dad. Or is that an excuse?

I don't know if Solomon and I can survive all this. Caitlin has to find out sooner or later. And when she does, I'm terrified everything's going to blow up in our faces.

## **Owned: Sugar Daddies Story 1**

***Author: Skye Ireland***

Neo was a boy born with a silver spoon in his mouth. He had the best of everything money could buy, including an all-boys private school at one of London's most prestigious institutions. If his rich daddy had only known what Neo really learned at the high-priced school the man would have blown a gasket and forced Neo back home immediately.

Neo had learned a lot more than just English, Algebra, and Science, he had discovered his true self and the dark desires that lived deep within him. He dreaded returning home upon graduation, knowing that he would have to deal with his elitist parents as well as having to hide his sexuality from them. He wasn't sure how he was going to survive a whole summer at home before he went to college but after a week home, all those concerns were taken away from him and Neo was left with even bigger problems.

His parents were killed in a plane accident and within weeks Neo had gone from Prince to pauper. Because of his father's horrible business deals and debts, the family fortune was worthless. Once the debt collectors and lawyers were done, Neo was left with nothing but the clothes on his back.

Having to live on the street and do whatever he had to do to survive, Neo found himself employed with one of the most prestigious male escort services in all of Miami. Each of the members had the same dark, sometimes twisted desires and all wanted to find their own boy who would be their personal, willing sex slave. In return for their complete submission in whatever their sugar daddy wanted, they would take care of every need their boy would ever have, including their own dark desires.

Reed never imagined that hiring a male escort for a night would be the way he would find the boy for him, but one night with the gorgeous young Neo told Reed that his search was over.
