From "a brilliant new player in the court of royal fiction" (*People*), comes the mesmerizing story of Lady Penelope Devereux—the daring young beauty in the Tudor court, who inspired Sir Philip Sidney's famous sonnets even while she plotted against Queen Elizabeth.

But she is to discover that the course of true love is never smooth.

Meanwhile Robert Cecil, ever loyal to Elizabeth, has his eye on Penelope and her brother. Although it seems the Earl of Essex can do no wrong in the eyes of the Queen, as his influence grows, so his enemies gather. ## **Flight of the Sparrow: A Novel of Early America**

**Author: Amy Belding Brown**

**From the author of *Emily's House* comes a "compelling, emotionally gripping"\* novel of historical fiction—perfect for readers of *America's First Daughter*.**

*Massachusetts Bay Colony, 1676.* Even before Mary Rowlandson was captured by Indians on a winter day of violence and terror, she sometimes found herself in conflict with her rigid Puritan community. Now, her home destroyed, her children lost to her, she has been sold into the service of a powerful woman tribal leader, made a pawn in the ongoing bloody struggle between English settlers and native people.

Battling cold, hunger, and exhaustion, Mary witnesses harrowing brutality but also unexpected kindness. To her confused surprise, she is drawn to her captors' open and straightforward way of life, a feeling further complicated by her attraction to a generous, protective English-speaking native known as James Printer. All her life, Mary has been taught to fear God, submit to her husband, and abhor Indians. Now, having lived on the other side of the forest, she begins to question the edicts that have guided her, torn between the life she knew and the wisdom the natives have shown her.

Based on the compelling true narrative of Mary Rowlandson, *Flight of the Sparrow* is an evocative tale that transports the reader to a little-known time in early America and explores the real meanings of freedom, faith, and acceptance.

## **The Audacious Miss Eliza: A Sweet Regency Romance (Daughters of Courage Book 1)**

**Author: Laura Rollins**

As it turns out, a London Season is the *worst* place to find love.

Eliza Mulgrave never expected to make her bows to society. Yet here she is, dancing at Almacks and riding through Hyde Park. It would be perfectly delightful if it weren't for the whispers and scornful glances. She certainly never sought to quit her place in society as a tradesman's daughter. At least then she had known who she was and how to act; now, she's completely lost.

Adam Lambert has been raised to be a viscount and though the time has come sooner than expected he is confident stepping into this new life. Until he meets his Father's best kept secret—a little girl. And now she's Adam's responsibility. Surely *someone* ought to have told him about her before now.

After stumbling through an initial meeting, Adam and Eliza both find in the other what they most need this Season—a sincere friend. But society is not often willing to grant two people room to learn for themselves who to be, or who to love.

As the first stand-alone novel in a new series by author Laura Rollins, *The Audacious Miss Eliza* begins the **Daughters of Courage** series. This charming story is a light-hearted, clean and wholesome romance set in the Regency era (think: a clean Bridgerton). All books in this series have their own Happily-Ever-After and can be read apart but are best enjoyed in proper order.

Now the fate of Saylok lies with Alba and Bayr, whose bond grows deeper with every whisper of coming chaos. Charged with battling the enemies of their people, both within and without, Bayr is fueled further by the love of a girl who has defied the scourge of Saylok.

What Bayr and Alba don't know is that they each threaten the king, a greedy man who built his throne on lies, murder, and betrayal. There is only one way to defend their land from the corruption that has overtaken it. By breaking the curse, they could defeat the king...but they could also destroy themselves.

## **The Splendid Hour: The Executioner Knights Book 7**

**Author: Kathryn Le Veque**

**It's Christopher de Lohr's bastard son, Peter, in a tale that could change the stars of the House of de Lohr forever...**

**When religion and politics don't meet, it's an explosion that could tear the Executioner Knights – and England – apart forever...**

**Peter de Lohr** is the illegitimate son of the greatest knight in the realm, though he has been accepted by his father. Not only accepted – embraced. Peter is well-loved by everyone, an enormous and powerful knight in the image of his famous sire.

He is also an Executioner Knight, and one of the very best. A great marriage is expected of him, it is presumed, to the daughter of a high-placed warlord.

**Until he meets Liora ben Thad.**

Petite, raven-haired and blue-eyed, Liora is the exquisite and glamorous daughter of a very prosperous goldsmith. She is also a Jewess, her father being a jeweler to the king. It is a time of great prosperity for the Jews of London, with King John being surprisingly fair to them, far more equitable than to some of his own barons.

When Peter sees Liora, all other women – and quite possibly his plans for the future – cease to exist.

But that comes at a price.

The high-placed warlord and his daughter will not go quietly and they certainly will not relinquish a prize like Peter de Lohr to a woman of lesser social status. So begins a plot to separate Peter from Liora, a sinister plan that will threaten the House of de Lohr and the Executioner Knights... and everything they believe in.

One that puts Peter right in the line of fire.

**Will two cultures, and two religions, and a royal order keep Peter and Liora apart?**

**Or will their love find a way?**

**Watch the Executioner Knights take sides in this delicious – and unusual – love story.**

“I will walk you back home,” he insisted, following her.

“I thank you, sir, but it is not necessary. It is not far away,” she said as she kept walking.

“I insist.”

Elizabeth ceased her protests, knowing that there was no point in trying to convince him not to escort her.

“It is here, Mr Darcy,” she said, stopping by the front entrance. “Thank you for your assistance, although as you can see, it was entirely not needed. I was perfectly capable of returning home on my own.”

Darcy looked at the imposing building. “This is the home of the Earl of Riverstone.”

“I am aware of that.”

“He is not currently present in London.”

“How can you be so certain of it?”

“I dined with him in Manchester a week ago. He assured me that business matters should keep him in the north for a while.”

“He may be there, but his mother is here.”

“The Countess of Riverstone?” Darcy’s eyes widened dramatically. “Now, that it impossible,” he whispered.

Elizabeth raised her head high. “What is impossible, Mr Darcy?”

A heavy frown appeared on Darcy’s forehead. “What was your mother’s maiden name?” he enquired.

“Gardiner.”

“I was not asking about Mrs Frances Bennet. I heard some gossip during our stay at Netherfield. Caroline Bingley mentioned to me that you and Jane were first cousins, not sisters, and that your parents died when you were very young. The Bennets took you in to rescue you from destitution. She said that you were a foundling.”

“You believed her?” she exclaimed. “Was that the reason why you chose to propose to me in such a cruel, offending, and demeaning manner?”

“Lower your voice, please.”

“My parents married one another out of pure love. They were deeply devoted to one another, they respected each other, and they loved me. My father was a soldier and the heir to Longbourn. My uncle, Thomas Bennet, inherited the estate only after his death. I have never been a foundling, even before I learned the truth of my mother’s family.”

“May I know what was your mother’s maiden name?” he asked.

“Lady Eleanor Grey.”

Darcy stared at her hard and long.

Elizabeth took a step forward, looking into his eyes. “Yes, Mr Darcy. My mother was the daughter of an earl, the same as yours. Do you find me equal now?

Would you have treated me differently, knowing that back in April?”

“Elizabeth? Who are you talking to? Who is that gentleman?”

Elizabeth looked away from Mr Darcy to see the Countess of Riverstone, standing in the front entrance, the butler right behind her.

Darcy turned around and bowed deeply in front of her ladyship. “Countess of Riverstone, I had the pleasure to walk your granddaughter home.”

“Mr Darcy,” the countess beamed at him. “I was not aware that you were in London.”

“I arrived a few days ago.”

“It is always a pleasure to see you.” She looked at Elizabeth. “My dear, you have never mentioned that you are acquainted with Mr Darcy.”

“We were introduced last year, your ladyship,” he explained. “I had the pleasure to spend some time in your granddaughter’s company due to common friends.”

“I see. Shall you step in, Mr Darcy?”

“No, thank you, your ladyship. Miss Bennet, Countess of Riverstone, I wish you a good day.”

Darcy walked away. He did not look back. Nevertheless, Elizabeth was certain that he talked to himself as he walked. She smiled. Poor Mr Darcy. She would never forget his expression when it dawned on him who she really was.
