Author: Lana Dash

A Curvy Girl Sweet and Steamy Hot Virgin Guy Romantic Comedy

LILY

When I read a romance novel, it's fun picturing myself as a protagonist falling head over heels for the book boyfriend. But I never imagined myself as the heroine of a comic book. That is until I'm approached by a group of sweet nerds who ask me to join them in a costume contest at the local comic book shop. I couldn't have imagined that dressed in tights and a cape that I'd meet a guy that could potentially become my own real-life book boyfriend.

BEN

As the owner of a comic book store, I'm known by my customers as the "King of the Nerds." Not a title I want to be yelled out when the spitting image of my favorite comic book heroine walks in my door. It doesn't help that I perpetuate the myth that comic book nerds are virgins. Is it possible that I actually have a chance with my dream girl, or is it best to leave the fantasy to my comics?

THE NICE GIRLS' NAUGHTY BOOK CLUB series are short, sweet, and steamy standalone romantic comedies about curvy women who enjoy reading naughty books, stepping out of their comfort zones, and finding love in unlikely places. Read **LILY** if you like a *hot virgin guy, comic bookstore nerds, and a steamy romantic comedy that you won't want to put down*. No cheating. No cliffhangers. HEA guaranteed.

Best Friends with the Girl Dad

Author: Kali Hart

Lilian

Ten years ago, my best friend confessed he was in love with me.

I thought he was joking.

He wasn't.

He didn't take the rejection well.

He disappeared.

A decade later, he shows up unannounced at my family's ranch with a daughter.

He thinks we're just going to be friends again.

Well, he's wrong.

Except I'm having a helluva time resisting him.

He's not some lanky, nerdy boy any more.

He's all sexy muscle and melt-your-panties hot.

I'm in big trouble.

I know I should keep my distance, but the harder I fight it, the more I want him.

Josh

After years of living the city life in the fast lane, I decide to move my daughter back to my hometown.

I give up the cooperate life for the ranch life.

That I'm working—and living—on Lily's dad's ranch isn't a coincidence.

I selfishly want to see how my former best friend's life has turned out.

Though I decided at six years old that she was the most beautiful woman there ever was, I'm not prepared for the curvaceous beauty she's become.

The attraction between us burns hotter than the scorching sun.

It's not just my daughter who's falling in love with her.

I am too.

This time, I'm not running away.

I'm going to do whatever it takes to prove that the fire blazing between us is the forever kind.

Girl Dads are a special breed... This Father's Day meet 16 single dads who will gladly hold up the world for their little girls. Whether fending off bad guys or braiding hair, they show up Every. Single. Day. Ready to do anything it takes to show their daughters how a good man treats a woman. Bonus? There's room aplenty in those big strong arms—and *those hearts of gold*—for the right woman who can love on their babies too, and bring a fiercely protective #GirlDad straight to his knees.

Leo: Insta Love Firefighter Romance (Wylder Fire Volunteers Book 4)

Author: *Tarin Lex*

Leo: Wylder Fire Volunteers Book 4

An Insta Love Firefighter Romance

Kennedy:

As a little girl, I spent my summers at my grandparents' cabin in the Wylder Bluffs.

I didn't think much of the place then.

Now that I'm older—and pretty sure I'm having a quarter-life crisis—I'm feeling extra nostalgic.

I just want to walk through that old house again; the one my late granddad built.

I'm in for a *huge* surprise when I knock on that familiar door.

The cabin is smaller than I remember...

Oh and there's this gorgeous, country-rock god living in it in secret.

Leo:

Split between fighting fires and burnin' up stages with my guitar, my life is chaotic to say the least.

When the fame and attention get to be too much, I get away from it all in my newly purchased cabin in the woods.

Excuse me for being a tad on the grumpy side when a woman shows up on the doorstep of my hideaway.

She's a sweet, curvy little thing...but she's insecure about the birthmark on her face and the extra cushion on her hips I love to squeeze.

How can I convince Kennedy she's more than 'good enough' to be pictured with me?

She's perfect.

And *mine*.

Dear Reader,

The Wylder Bluffs are heating up!

These firefighting mountain men know what they want.

And come hell or high water, they'll claim what's theirs.

The curvy gals they meet are fierce yet kind. They don't *need* to find love.

They *want* to.

It takes a special kind of woman to handle ALLL that mountain man!

Buckle in and enjoy the ride!

xoxo, Tarin

Bully Her

Didn't your mother teach you to stay away from handsome, dangerous older men who ride motorcycles?

And yes, she did, but when my best friend's wild and reckless brother returns to our town, that he skipped out of with a biker gang, the dominant jerk says he came back for *me*—the kid he used to bully.

And whether I like it or not, he isn't riding out of this town without the girl he fought, ran, and killed for.

This is a safe, HEA, insta-love romance.

So I find Sniper... the one man that my brother trusted more than anyone.

He agrees to help me.

But at what cost?

He's my savior... my warrior.

But this bad boy is not giving me my freedom... he has other plans.

Dear Reader,

I love to read MC romances. I've just always enjoyed reading about the tightness of the MC brothers and the way they love their women. I love it so much that I have always wanted to write one. However, being a short story romance author, it seemed impossible to build an in depth storyline like most MC romance series, but I wanted to give it a try. Therefore, I present to you my version of an MC romance. I'm borrowing the term MC Lite from Frankie Love. It is heavy on the motorcycle club sense of family, it has lots of alpha men and the curvy women that love them. However, it is a little lite on the drama and most violence is handled off page. I sincerely hope you like it.

XX,

Hope

This is a Steamy, Sweet, Short Story Romance. No Cliffhangers. This is the first story in the Exiled Guardians MC Series. If you love short romances with insta love, hot love scenes, and a sweet story, then this one is for you.

Until she invites the EMT who rescued her over for breakfast.

He's gorgeous, charming, and so far out of my league it's not even funny.

Craziest of all, he's interested in me.

Grayson

When Elsie invited me over for a thank-you meal, I tried to decline.

I don't need recognition for doing my job.

Saving people gives me purpose, and that fulfillment is all I need.

But she won't take no for an answer.

I had no idea her stunningly beautiful granddaughter would be joining us.

Now that I've met Violet, I'm starting to second guess my priorities.

She feels too important to ignore.

I can tell she's guarding a secret.

Of course, with Dabney now at Harvard and Clen at Yale, those bodies are 140 miles apart. And traveling is a serious challenge for Dabney, for reasons she'd prefer not to discuss, reasons having to do with her mother (or lack thereof). But with the big Harvard-Yale game coming up, Dabney is determined to make the trek to New Haven to see Clen. She's even borrowed a sexy black outfit from a classmate down the hall.

But when she arrives at the tailgate to see sparks flying between Clen and Jocelyn, a girl with dark blue eyes and luscious black hair, Dabney fears the collapse of a bond she has never questioned before, a bond so important that she'll be lost without it. To learn the fates of Dabney and Clen, read Elin Hilderbrand's novel, *The Matchmaker*.

Author: Mazzy King

Kellan

As the CEO of Level Up Games, Inc., I get the credit when everything goes right for the company...and when everything goes wrong.

The board of directors has informed that I need to have a pitch ready for the next amazing game from Level Up...problem is, I don't have the first idea what to do. My prayers are all but answered when a random email falls into my inbox—it's a pitch from a junior designer for a video game...and it's amazing. I just have no idea who Melanie Charles is.

But when she arrives at my office, I learn it's a mistake. She never meant to send the email.

Too bad for her—her new assignment is working closely with me for the next several weeks to perfect this pitch, because she might have just saved the company. She's not afraid to tell me like it, and she's not afraid to argue with me. No one's ever talked to me this way before...but I find it refreshing and so, so sexy.

The lines between boss and subordinate are starting to blur...because even after this pitch is over, I can't let her walk out of my life.

Gunnar: Insta-Love Alpha Military Man (Wylder Mountain Heroes Book 1)

Author: Tarin Lex

Gunnar: Wylder Mountain Heroes Book 1
An Alpha Military Mountain Man, OTT Instalove Age Gap

Gunnar

Home is my cabin in the mountains, where I decompress.
As a soldier I know I shouldn't get attached. But right now I have everything I've ever wanted—
Except a curvy beauty to share it with.
Then Natalie appears at my front door like a babe in the woods. She's exactly the kind of distraction I don't need while I'm deployed. I'll worry about her. I'll dream of her.
I can throw her out—out of these woods, out of my home, out my life.
But I can't throw her out of the spot in my heart she's carved open and crawled into.

Natalie

Confession: I'm a romance novel addict.
My favorite kind of heroes? *Mountain men*.
I realize I'm more likely to meet Sasquatch out here than a real-life, hulking, handsome recluse who will come to my rescue if I get lost.
It's just a silly fantasy...until my eyes land on him. My mountain man. *My hero*.
Cruel is the fact that Gunnar is deploying in just three days.
He says I don't have to wait for him.
But that's not how the story is supposed to go.

Dear Readers,
Ready for a whole new band of mountain men?
These alpha heroes might dwell in the shadows of the Wylder Bluffs, but when duty calls, they show up.
These are the mountains they call home. The mountains they protect.
And when their sweet, curvy women come for them, they'll walk through fire to keep them safe, too.
No cliffhangers. No cheating. HEAs guaranteed. <3

Tarin
