

Good Intentions (Intentions Duet Book 2)

Author: Ella Frank

Gabriel Romero made me hungry for things I'd never wanted, and starved of the things I didn't think I'd ever need.

Until now...

Until him...

I was never the man who believed in love, romance, or happily ever afters. I was married to my work, and happy to be that way. Until one night, not too long ago, when an audacious young man lied his way into my life and showed me what I'd been missing.

Bold and sexy, with a face that could melt through the iciest of exteriors, Gabriel Romero is the one factor I never saw coming. There are so many reasons we shouldn't work—my age, his, our career goals in life—and yet we are drawn together by a passion for music, and each other, that neither of us can deny.

I've always been the one to think things through, to follow my head instead of my heart. But if I don't open myself to what's possible, instead of thinking of all the ways this seems impossible, I might miss out on the best thing that has ever happened to me.

So I'm taking a chance, and laying myself at his mercy, opening my heart with nothing but good intentions. Only time will tell if Gabriel Romero decides to let me back in.

Good Intentions is the second book in the Intentions Duet.

Boyfriend Material

Author: Alexis Hall

"The apotheosis of the rom-com." —Entertainment Weekly, A+ Review

Named a best book of the year by *Oprah Magazine*, *Entertainment Weekly*, *Goodreads*, *The Washington Post*, and more!

WANTED:

One (fake) boyfriend

Practically perfect in every way

Luc O'Donnell is tangentially—and reluctantly—famous. His rock star parents split when he was young, and the father he's never met spent the next twenty years cruising in and out of rehab. Now that his dad's making a comeback, Luc's back in the public eye, and one compromising photo is enough to ruin everything.

To clean up his image, Luc has to find a nice, normal relationship...and Oliver Blackwood is as nice and normal as they come. He's a barrister, an ethical vegetarian, and he's never inspired a moment of scandal in his life. In other words: perfect boyfriend material. Unfortunately, apart from being gay, single, and really, really in need of a date for a big event, Luc and Oliver have nothing in common. So they strike a deal to be publicity-friendly (fake) boyfriends until the dust has settled. Then they can go their separate ways and pretend it never happened.

But the thing about fake-dating is that it can feel a lot like real-dating. And that's when you get used to someone. Start falling for them. Don't ever want to let them go.

Discover the LGBT romance about exact opposites falling in perfectly imperfect love that New York Times and USA Today bestselling author CHRISTINA LAUREN calls "hilarious, witty, tender, and stunning."

Bad Intentions (Intentions Duet Book 1)

Author: Ella Frank

My name isn't Logan Mitchell, but Marcus St. James doesn't know that...

When I showed up at my roommate's work party, the last thing I expected was to find a man straight out of my dreams. But when the crowd parted and the fates aligned, there he was, waiting for me. Marcus St. James, president of ENN WorldWide News.

Sexy and powerful, with a stare that could freeze you in place, Marcus was the perfect reward for securing a job at Mitchell & Madison, the best law firm in Chicago. To play with the big fish, however, one must become a big fish, and that's where my little white lie began.

It was one night. I was never going to see him again, and from the second we spoke, I knew he was interested. It was there in his eyes, the same fire in my veins. It was there in his voice, whenever he said my name.

The only problem? It wasn't my name, and now I wanted more—much more.

But how can anything good come out of something that started with such bad intentions?

Bad Intentions is the first book in the Intentions Duet.

Best Laid Plans: An LGBTQ Romance (Garnet Run Book 2)

Author: Roan Parrish

“This love story is heartrending, swoon-worthy, and extremely well-told.” — Publishers Weekly, starred review

A man who's been moving his whole life finally finds a reason to stay put.

Charlie Matheson has spent his life taking care of things. When his parents died two days before his eighteenth birthday, he took care of his younger brother, even though that meant putting his own dreams on hold. He took care of his father's hardware store, building it into something known several towns over. He took care of the cat he found in the woods...so now he has a cat.

When a stranger with epic tattoos and a glare to match starts coming into Matheson's Hardware, buying things seemingly at random and lugging them off in a car so beat-up Charlie feels bad for it, his instinct is to help. When the man comes in for the fifth time in a week, Charlie can't resist intervening.

Rye Janssen has spent his life breaking things. Promises. His parents' hearts. Leases. He isn't used to people wanting to put things back together—not the crumbling house he just inherited, not his future and certainly not him. But the longer he stays in Garnet Run, the more he can see himself belonging there. And the more time he spends with Charlie, the more he can see himself falling asleep in Charlie's arms...and waking up in them.

Is this what it feels like to have a home—and someone to share it with?

The Eagle Soul (The Soul Stones Book 7)

Author: Amy Sumida

Everything changed the day a faerie fell into my tomatoes.

I thought I had my life planned out. My farm was prosperous, and I was on the verge of proposing to my childhood sweetheart. I'd have a family. A normal life. And then the Eagle Lord crashed into my crops—a giant bird with a broken wing. I foolishly tried to save him from the monster who was stalking him, and he repaid me by giving me immortality. Sounds good, doesn't it? Except immortality isn't free, even when it's a gift. Taryn Savagas wants me to fight beside him. To give up everything I have and everything I am to be his valorian. A weapon to end the Farungal War. No, thank you; I'd rather fight a drought than the Farungal. Even the searing hot passion that ignited between us—forbidden desire that I've denied my entire life—can't sway me. Sex isn't worth dying for. But the Eagle Lord has the stubbornness of a mule and the attitude of an ass. To secure me as his valorian, he'll do anything, even jeopardize the bond that's been forged between us. All he cares about is ending this war, and if I continue down this path with him, I have a horrible feeling that my heart will become collateral damage.

Trigger Warning: This book contains scenes of bondage that may upset some readers.

Without A Doubt (Love Starts Here Book 1)

Author: E.M. Lindsey

How did the worst date of his life turn in to the man of his dreams?

Carter Winter's not sure there's anything worse than watching the man he's on a date with slip his number to the bartender... except maybe finding out six months later that his bad date is his new boss. And it doesn't help that Rhys London seems to have had a personality transplant, *and* he doesn't seem to remember Carter or that night.

Carter's never been one for second chances, but this new Rhys is making him wonder if it's possible that the man really has changed. Carter's been burned before, but being graced with one of the man's rare smiles, Carter finds himself absolutely helpless against the racing beat of his heart.

Rhys London has never been a man of feeling. A widower who spends most of his life running his company and cleaning up after his destructive brother, he hasn't had time for things like love.

That is, until his business partner hires Carter Winter—a bright, beautiful man who forces the heart in Rhys' chest to start beating again.

And while Rhys is used to shutting off his emotions and embracing logic, something about Carter makes him want to reach for the unreachable. After all, Carter is the first person he's ever met that makes him believe in forever, without a single doubt.

Without A Doubt is the first book in a romantic, light-hearted, small town trilogy. It contains no cheating, and a happily ever after.

Head Games (Wages of Sin Book 3)

Author: Neve Wilder

"You're a vigilante in an argyle sweater."

Straight-laced psychologist Tobias is an expert in the deviant behavior of others but a novice when it comes to his latest endeavor: serial killer.

After years of high-profile kills and mentoring numerous other assassins, laid-back Soren lives his life in a state of semi-permanent vacation. He comes out of an early retirement to help out a friend, only to set off sparks with the renowned psychologist when they discover they're hunting the same man.

One shaky truce and a whole lot of blood later, Soren has a new mentee in Tobias.

Soren finds Tobias and his dark impulses fascinating. Tobias finds Soren's relaxed attitude infuriating. They have nothing in common except their ability to kill and chemistry neither can deny. But a kill list, a rage room, the Irish mob and the ghosts of their past all stand in the way of their happily ever after.

Head Games is a steamy, thrill ride of a romance with a HEA and no cliffhangers. It features an uptight, sweater-loving psychologist with a taste for blood and a soft spot for his murderous yorkie, the most zen contract killer to ever mosey the earth, plenty of dark humor, and true love. Because even bad dudes deserve their soulmates. This is book 3 in the Wages of Sin series. Each book follows a different couple.

Hot as Heller: An Aster Valley Novel

Author: Lucy Lennox

The man asked me to valet his damn car.

Look, I left LA for a reason. I've had my fill of big Hollywood stars and their even bigger egos. I want something genuine. Something *real*. And it doesn't get any realer than being the new sheriff of Aster Valley, Colorado.

That is, until entitled Finn Heller appears on the scene, handing me the keys to his convertible like I'm his personal servant.

The former child star and wannabe action hero is the hottest thing I've ever seen. He's also a snarky party animal with legions of adoring fans and attitude for days.

Or so I thought.

The longer the film crew stays in town, the more I begin to wonder if Finn is hiding his true self, one that's as beautiful inside as out. He's a star alright, but the kind that shines bright enough to light up the night sky... the kind I want to make a wish on.

A wish Finn will find a way to make things work with me, even if it means his next role is my very own leading man.

The Ballad of Crow & Sparrow

Author: V.L. Locey

Sometimes a man's biggest blunder can turn into his greatest triumph.

Orphaned at fourteen, Crow Poulin now has to hunt and trap the White Mountains of Arizona, as his father had taught him, all alone. It's a lonely existence, until one morning, while checking his trap line, Crow finds more than a rabbit in a snare. He stumbles across the outlaw Jack Wittington lying half dead in the wilds. He takes the wanted man in, heals him, and in return for saving his life, the smooth-talking criminal invites Crow to join his family. Starved for human interaction and a father figure, Crow leaves the mountains behind for what he assumes will be a brighter future.

Six years pass. Crow is now a man, as well as a member of the Wittington Gang. He may be considered an outlaw, but his father's morals are warring loudly with the lifestyle of his adopted family. When the gang decides to rob a train, Crow has no choice but to go along to keep a tight rein on the more bloodthirsty

members. It doesn't take long for the scheme to go horribly astray.

Instead of gold-filled coffers, the gang finds Spencer Haughton, son of cattle baron and railroad tycoon Woodford Haughton, cowering in the family's opulent private car. The outlaws grab the sickly heir in hopes of ransoming him off. Things then go from bad to worse for them when the law rides down on the Wittington hideout and Crow is given Spencer to hide until the ransom is paid. The pretty young man is nothing at all like anyone Crow has ever met before. Delicate, refined, well-educated, and possessed of a singing voice to rival the songs of the birds in the trees, Crow slowly finds himself falling for the winsome rich boy. But can two such opposite souls find the love they're both seeking in each other's arms?

The List (Second Chances Book 1)

Author: Felice Stevens

Oops. He did it again.

Elliot Hansen has a terrible habit of falling in love with every man he dates.

His friends have had enough and make a list of Elliot's perfect man.

That V...

Those abs....

Shouldn't a boyfriend be more than the sum of his parts?

But when sexy detective Winston Rogers bursts into his bedroom to arrest a burglar, Elliot knows he wouldn't mind checking one or two things off that list with him.

What if you had it all?

Five years after the death of his husband, Winston Rogers is single and determined to stay that way.

He throws himself into his job—the more dangerous the assignment, the better.

He can't face another risk to his heart.

But then a routine arrest in his neighbor's bedroom leaves Win searching for more than evidence as the man's sweet smile and vulnerable eyes strike a chord inside him Win had thought gone forever.

Why not enjoy each other with no strings attached? Win and Elliot decide to make their own list.

Rule #1: Strictly friends with benefits.

Rule #2: No doing anything stupid like falling in love.

Rule #3....

See Elliot and Win ignore Rules #1 and #2.

Protecting His Own: MM Shifter Romance (Guardians Of The Pack Book 1)

Author: Aja Foxx

~ Jackson ~

When life at home became too risky, I accepted my aunt's invitation to move to her ranch on the other side of the country. It would have been perfect if my aunt hadn't died a month after I arrived and left me her ranch. Now, I had to figure out how to run a ranch... and why a sexy stranger on a motorcycle has moved himself into my house.

~ Ze'ev ~

I was born a dire wolf. Our sole purpose in life was to protect our pack. We didn't get mates. We didn't have lives of our own. We had nothing except our duty. Well, screw that. I left my pack years ago, refusing to conform to the rules set down by the shifter council. Imagine my surprise when I find myself intrigued by a human I met in passing. Unwilling to pass up an opportunity to get to know him better, I move myself into his house. What better way to discover why he smells so damn good?

When danger knocks on the front door and Jackson is attacked, who better to help me protect him than other dire wolves. It might be my only chance to keep him alive, even if it means I have to form my own pack.

## The Grave Between Us: M|M Romantic Suspense (A Noah & Cole Thriller Book 2)

**Author: Tal Bauer**

*It was just one moment.*

*It was just one mistake.*

For years, men have been disappearing. A father in North Carolina. A boater in California. A hiker in Arkansas. And more, scattered across the United States. The FBI knows who's responsible: a serial killer they caught, a man they sent young profiler Cole Kennedy to interrogate. But then the killer escaped, leaving the FBI in chaos and Cole's psyche in tatters.

Eight years later, Cole's life has changed. He's found the man of his dreams, and he's moved to Iowa to be with Special Agent Noah Downing, leaving the FBI's Behavioral Analysis Unit and the murderers behind.

Or so he thought.

An attack on the backroads of Iowa shatters the FBI, and in the aftermath, they uncover the signature of the last man they expect: the killer who got away. Now he's hunting Noah, and the BAU descends on Des Moines, sending Cole back on the psychological chase.

To catch the only man who has ever beaten him, Cole will have to delve inside the killer's mind. It's a place he barely survived before, and the deeper he goes, the more horrors await. And though Noah is ordered to back off the investigation, he won't leave Cole to face this darkness alone.

If Cole has any hope of saving the man he loves, he must unravel the killer's twisted profile and follow his trail of death... even when it leads him into the marrow of his worst nightmares.

## Summons: A demon/mage story (Quirk of Fate Book 1)

**Author: Lisa Oliver**

### Summons

*The first in a new series of standalone stories where our lovely men find their mates in the strangest of circumstances. It has to be Fate, right?*

Edward Rosen, level ten mage, hadn't reached the end of his tether – he was hanging from it. After a hundred and twenty-four years of living under his parents' rules, Edward decided the only way things could change, was if he got married. The only problem was that the wedding was meant to take place in a matter of hours and Edward hadn't met his groom yet.

Mammon, Prince of Hell, was doing what most demons did when they were bored – he was playing poker. When an unbeatable hand is foiled by a summons, he's not impressed. But rules are rules and Mammon followed the summons, determined to get back to his game as quickly as possible.

Marrying was just the first hurdle. Coping with the demands of Edward's family, a curse, a prophecy, and four hellhounds took a lot of work. Clara's having a ball, but what's with all the toothpicks and where did the dragon come from?

Summons is a 50,000 word story that's a classic example of what happens when the author's muse runs amuck. But like all of Lisa's stories, it contains fated mates, a spot of humor, and intimate situations between two men that are only suitable for readers eighteen years and older. HEA is guaranteed.

## Red, White & Royal Blue: A Novel

**Author: Casey McQuiston**

\* Instant NEW YORK TIMES and USA TODAY bestseller \*

\* GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 \*

\* BEST BOOK OF THE YEAR\* for VOGUE, NPR, VANITY FAIR, and more! \*

*What happens when America's First Son falls in love with the Prince of Wales?*

When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse.

Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic.

"I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, *New York Times* bestselling author of *The Unhoneymooners*

"*Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, *New York Times*

## Forbidden: King (The Four Book 4)

**Author: Sloane Kennedy**

King's story is coming soon!

---

## Reservation (Rent A Spouse Book 3)

**Author: Jason Collins**

**THOMAS:**

Status: single dad—for the rest of time. After my ex-husband up and left, I take a full-time job as a rent-a-spouse in a mountain town. It keeps the bills paid, my daughter and I afloat, and our life uncomplicated.

But then there's my gorgeous boss, Palmer.

He's rugged and great with his hands—and I'm doomed. When a fire leaves my daughter and me homeless, he brings us in with no questions asked. I could fall in love with this man, but it would upend our world if Kelly and I were abandoned again. Trusting once is hard, but trusting again can wreck you.

**PALMER:**

My hands are always full, but my personal life is empty. I built this big house and all the furniture in it, but when I return from my woodworking shop at the end of the night, it's too quiet. Nothing but echoing rooms and an emptier bed.

Then I meet my rent-a-spouse, Thomas.

I wasn't expecting intimacy, but Thomas is single and downright seductive. When an apartment fire displaces him and his adorable daughter, I offer my house as a place to stay. The three of us share the same roof, and as Thomas and I grow closer, I know I want this life forever—but he's holding back. His walls are so high I wonder who hurt him, and how I can convince him I won't do the same.

*This is the third book in the Rent A Spouse series. It can be read as a standalone with no cliffhanger.*

## Forgiven: Con (The Four Book 3)

**Author: Sloane Kennedy**

**Con**

**I have everything I've ever wanted... so why do I still feel like the kid who came from nothing?**

*Please help him...*

Three little words that have haunted me for years.

Three little words that I know I'll take to my grave.

It was supposed to be just another fight. Another few minutes of using my fists and my so-called natural "gift" for fighting to raise the cash I needed to save my little brother's life.

But it *wasn't* just another fight.

Yes, I *had* walked away with the prize money and yes, I *had* saved my brother, but I'd also destroyed not one, but two lives. I'd left my opponent broken on the ground with his eight-year-old brother begging the onlookers around him for help.

Begging *me* for help.

But I'd walked away...

Fifteen years later and that little boy is now a bitter, broken young man standing over his brother's grave; the grave I might as well have put him in. I want nothing more than to help Micah Fox escape the hell his life has become, the life I condemned him to, but he wants nothing to do with me.

But I can't walk away this time.

I won't.

**Micah**

**I'm so close to escaping my ugly little world that I can practically taste it. No way in hell am I letting the man who put me there try to play hero now.**

That night was supposed to change my life.

It did.

Just not in any way I could have ever conceived of.

Fifteen years ago, the man known only as Zeus to his fans left my brother a broken man who wanted nothing to do with the world around him. I couldn't save my

brother, but I sure as hell can make sure my niece and nephew have a future... the one their father should have had. Zeus or Con or whatever the hell his name is wants to help me now? Not happening. He might know how to turn on the charm and play to his legions of adoring fans, but he and I both know what kind of monster lurks inside him.

Okay, so what if strange things happen in my belly when he touches me? What if I feel a little stronger when he wraps his arms around me and promises me that everything will be okay?

It's not real.

It can't be.

Because hate is all I have right now. If I let Con take that from me...

Like I said... it can't be real.

I won't let it be.

## Wood You Be Mine (Omegas of Animals Book 4)

**Author: Lorelei M. Hart**

### It all started with a spilled beer...

Omega woodchuck shifter Lasklas grew up the only woodchuck in his wolf pack. He left at eighteen and has made a home for himself at Animals, the kind of life he never had growing up. He has a job he loves and lives in a tightknit community filled with other shifters and their growing families. He has everything he longed for...everything except a family of his own. But who would take him as a mate? He's nothing but an overgrown rodent, something his former pack reminded him of daily, only the beer-drenched wolf is looking at him as anything but.

### It all started with a blind date...

Alpha and wolf shifter Shaw left the pack where he'd spent his entire life for a job that was everything he ever wanted—or so he thought. Now, stuck in a dead-end job in a climate he doesn't love, without a pack, Shaw is second guessing all of his decisions.

When a coworker invites Shaw to Animals for one of their must-attend events, he reluctantly agrees. He'd have hard passed if he'd known was being set up on a blind date with someone already spoken for, something he discovers as a pint of beer is thrown in his face by an angry mate. Wet and without a ride home, he deems it the worst night ever—until he scents him—scents his mate.

*Wood You Be Mine is a sweet with knotty heat M/M age-gap shifter mpreg romance featuring a wolf out of his element, a woodchuck learning for the first time he's not alone, a blind date that goes horribly wrong in the very best of ways, a found family, a sweet baby, some familiar faces from the Omegas of Animals universe, and a guaranteed HEA. Each book in this series can be read as a standalone. If you like your alphas hawt, your omegas strong, and your mpreg with heart, download today.*

## Messy Love (Stumbling into Love Book 3)

**Author: Riley Hart**

### Danny

I'm not a guy who's looking for a serious relationship. I love the chase, and the one time I thought I wanted more, the guy bailed. When my buddy Will mentions his recently out, older brother is looking for a place to stay, I offer the spare room in my apartment. It's clear Jonathan's past did a number on him, and he's locked up tight. I make it my mission to show him how to have a little fun. What I don't expect is to start to like him...or get jealous when he goes on a date...and hooking up with him is a terrible idea...right?

### Jonathan

When Dad caught me kissing a boy as a teenager, he made it clear such behavior was unacceptable, and I've been messed up about it ever since. I'm over thirty, yet from Danny's viewpoint, I'm a *baby gay*, which should be more annoying than it is. He's got me playing on a queer baseball team, making friends, and wanting things I never thought I'd want, like pursuing my art—and him. I definitely want him.

Problem is, I can't get rid of the unwanted voices in my head, my relationship with most of my family is a disaster, and every time Danny touches me, I come apart, finding myself wanting more. Danny doesn't do relationships, he's my brother's friend, and I have a slew of hang-ups. All of this makes things...*messy*.

So then why can't we keep our hands off each other? Why is he taking me on dates and looking at me like we could have more? To get there, we'll need to put our pasts away for good, and have a lot of trust, not just in ourselves, but each other.

## **Ben's Boss: Maine Men, Book Two**

**Author: K.C. Wells**

*"Pearson's a common name."*

*"It can't be him."*

*"God wouldn't be that cruel."*

### **A painful history**

Walking into the job interview confirms Ben White's worst fears. It's been eight years since high school, yet he can still recall Wade Pearson's taunts.

There's always a chance Wade isn't the same homophobic asshole Ben knew. Yeah right.

Except the boy Ben remembers has grown into one seriously hot, brooding man. In another life, Ben would have climbed him like a tree. Wade's gaze still makes Ben shiver – although now for entirely different reasons.

### **A secret longing**

As soon as Wade read Ben's application, he knew he had to see him. Ben's still as gorgeous as Wade remembers. It's obvious he doesn't expect to get the job, given their history.

But Wade has an agenda. He has to make it up to Ben for treating him so badly – not that Ben will ever know why he acted like he did. Seeing him every day only heightens Wade's regret. If he'd had more courage back then, maybe he and Ben could have been something.

The least he can do is show Ben he's changed.

There's no way Wade can get what he really wants – Ben's heart.

## **Galen (Sons of the Fallen Book 1)**

**Author: Jaclyn Osborn**

Simon just wants to run his antique shop in peace.

But then he finds a small mysterious box that's (probably) haunted, and his shop is broken into by the hottest man he's ever seen who then steals said creepy box.

Now demons are after him and his only hope is to trust the tall, muscled, combat-boot-wearing thief who claims to be the son of a fallen angel.

Galen is charged with protecting humanity from dark forces. Cursed with Wrath, he's hot-tempered and spends his days fighting demons and trying not to kill his six brothers when they irritate him.

His number one rule? Never fall in love. But then he meets Simon, a clumsy human who asks way too many questions and is—unfortunately—a total demon-magnet, and he starts breaking his own rules.

What's inside the box, and why do the demons want it so badly? One thing is for sure... Simon can kiss his peaceful, ordinary life goodbye.

*Book 1 in the Sons of the Fallen series. A low-angst urban fantasy MM romance featuring a grumpy half-angel and the human he swears he doesn't like (he's lying), seven warriors representing the deadly sins, a seaside mansion where they all live, banter, a snarky demon, and a HEA.*

## **The Single Dad: Red's Tavern, Book 4**

**Author: Raleigh Ruebins**

**As a newly single dad, I had hard rules. And a sensitive, smoking hot military vet is breaking every last one....**

I've always had everything figured out. Dream job? Check. Three beautiful kids? Check. Married my high school sweetheart? Check.

...Until my marriage fell apart. Now I only see my kids for half of each week, and for the other half I'm left alone in my big, empty house, figuring things out all over again in my thirties. My rules were simple: no hookups for two months, no dating for a year, and nobody meets my kids.

I blew right through that first rule with Luke.

He's got deep eyes, beautiful tattoos, and a big, wounded military vet's heart. At night I'm also chatting online with a guy that feels kind of like home, but is totally off limits. I find myself wishing... hoping?... that he might even *be* Luke.

Before long Luke is flexing his handyman skills, helping me fix up my house and transform my life into something that feels like home again, too.

We have baggage the size of mountains, and pasts that haunt us.

But we both know that nothing is serious... so what's the harm?

## **Shielding the Superstar: An MM Bodyguard Romance (Hart Security Book 2)**

**Author: Jacki James**

**Ryan Barnes isn't a country music fan, but when one of Nashville's most popular musicians finds himself in need of a bodyguard, Hart Security gets the call.**

After almost twenty years in public eye, Colton Montgomery has finally gone public with the truth about his sexuality. He has one last tour planned, and he is going out on his own terms. As an out and proud gay man.

When strange gifts start appearing in his penthouse apartment, his manager insists on a bodyguard. He agrees, but only if the bodyguard agrees to pretend to be his boyfriend to help preserve his tough guy image.

Ryan is no stranger to odd requests from clients and pretending in public to be the hot country stars boyfriend is no hardship. But the more Ryan gets to know about Colton Montgomery, the more he likes him, as a man, not as a superstar, and pretending in public starts to feel a lot like something real in private.

Colton may be the one in physical danger, but both men's hearts are on the line.

## **Claiming His Purpose (Northbay Pack Book 2)**

**Author: Jena Wade**

**Escaping his past, means embracing his Alpha.**

Alpha Darren moved to Northbay after the death of his brother, looking for a new beginning—what he found was acceptance and a job as one of the pack Betas. After playing a pivotal role in protecting some pack members from a kidnapping, he is ready to just relax and enjoy his new pack. Too bad *fate* thought otherwise.

Omega Piers came to Northbay pregnant and barely alive. They took him and makeshift pack in, treating them like one of their own with an acceptance they never had known before. He could really learn to love it there. Too bad his owner thought otherwise.

When Piers and Darren met, they were immediately drawn to each other. Each a newcomer—each fleeing from their former lives in their own way. When Piers's past catches up to him, Darren does the only thing he can to save him—claiming him as his mate. It was a mating of necessity, nothing more. Both their wolves think otherwise. Spoiler alert: Their wolves are right.

*Claiming His Purpose is a sweet with knotty heat M/M Mpreg Shifter Romance by the popular writing team of Jena Wade and Lorelei M. Hart. It features an alpha wolf still finding his way, an optimistic omega who is beginning to lose his sunshine, a mating of convenience, true fated love, and adorable babies. If you love your shifters hawt, your omegas strong, and your mpreg with heart, download your copy of Claiming His Purpose today.*

## **Worship (On My Knees Series Book 1)**

**Author: Ella James**

**Book One in an epic, forbidden MM romance duet from USA Today Bestselling Author Ella James...**

You think you know me.  
That's the way I want it.  
Making you feel like we know each other--like we could go grab a beer sometime--is part of my job. Maybe the most vital part. It doesn't hurt that I'm easy on the eyes, single at 35, and born richer than sin.  
My aesthetic matters much more than it should, but all the better for my worthy cause.  
And it's a worthy cause. I've made an art of making you feel good, and my influence makes you want to be good. Good like me.  
You think you know me, but you don't.  
Everyone has secrets. Mine could cost me everything. So I'm a fortress. No one's ever gotten close.  
Until tonight.  
See that man, the tall guy dripping on the bow of my yacht? The one I just pulled from the ocean?  
He's the one who's going to cost me everything.-----  
Find out why reviewers are raving about the bestselling *On My Knees Duet*...

## **Sweet as Honey: An Aster Valley Novel**

**Author: Lucy Lennox**

When I rode my bike into Aster Valley, it was supposed to be temporary. A quick, relaxing visit with friends. No entanglements. Zero drama.  
But then I saw the bumblebee being harassed on the side of the highway.

More specifically, I saw Truman Sweet, Aster Valley's resident botanist, spice merchant, and bee-costume enthusiast, being harassed. And the second I got involved, all my plans for a quick departure scattered like pollen on the breeze.

It turns out that Truman—adorkably shy, relentlessly sunshiny, hot as all heck, reluctantly-still-a-virgin Truman—has secrets. Secrets someone in this charming small town doesn't want brought to light. Secrets that rouse every one of my protective instincts just as surely as his kisses rouse... other parts of me.

And before I know it, I'm thinking being entangled might not be so bad... if it's Truman I'm tangled up with.

I'll do whatever it takes to protect Truman from the dangers in his past, but after a lifetime of loneliness and disappointment, how can I possibly convince him to trust me with his future?

## **Daddy's Precious: An Age Gap MM Romance**

**Author: Hayden Hall**

***There's only one rule: don't fall in love.***

**Dylan**

He's the strangest man I've ever met; a true artist.

When Nicholas hired me for two weeks of shooting for his comeback collection, everyone warned me he was a hard man to work with.

Nobody thought to warn me about falling in love with him.

The moment I lifted my T-shirt and the shutter snapped, the sparks exploded and I couldn't rid myself of those feelings.

No matter the gossip that follows him, he makes one thing clear: never mix work and lust.

**Nicholas**

The boy's a natural; a proper sub.

He's also the model that dragged me back into the business. When he moved into my house in the mountains, it was supposed to be business as usual. Except, it's never business as usual.

I've been burned in the past and I swore never to let my guard down around another model, but that's easier said than done when Dylan is all innocent attraction.

I must resist him, or else I'll fall in love with him.

***Daddy's Precious is a full length MM romance with high steam, a man and a boy hurting from old wounds, one adorable kitten, and a guaranteed happily ever after. It can be read as a standalone.***

## **Nowhere to Ride**

**Author: Andrew Grey**

Unjustly accused of a crime, Ky Archer is trying to keep his ranch together, with fierce tenacity and minimal help. With his nefarious accuser the lead wolf at the door, Ky is resolved to do whatever he has to in order to keep the final link with his family intact.

Brodie Tyler is down on his luck—way down. Down enough to camp with his baby sister in a tent to get away from relatives he'd hoped would help him. His parents are gone and he's got nowhere to go, but he's determined to keep his sister safe with him, no matter what.

Ky finds Brodie and Emily on his property and takes them in out of the storm... literally. Neither expects the heat that ignites between them to be as hot as the western sun. The men find they fit together well, both at work and in the bedroom. They also find they have a common enemy who tries to tear them apart. Working together, they might discover that each holds the key for the other's desire.

## **Lost and Bound (Mismatched Mates Book 6)**

**Author: Eliot Grayson**

Kidnapped, imprisoned, and experimented on for two years, Jared Armitage has lost the will to live. When his captors give him to another prisoner, one who can and probably will take Jared's life, he comes face to face with the most terrifying thing of all: hope.

Calder's warlock captors meant to turn him into a monster, and they nearly succeeded. Starved, desperate, and filled with rage, Calder hasn't cared about anyone in years. Until Jared. Together they have a chance at escape and Calder has someone to fight and kill for. To cherish. Someone he doesn't want to hurt.

Life after captivity isn't easy. Jared never wanted a mate like Calder, but he craves Calder's intense attention, his ability to take Jared apart...and then put him back together again. Even if their mate bond is only temporary.

But Calder's made a promise—one he'll die before he breaks—never to hurt Jared or let him be hurt. Unexpected enemies are lurking, targeting Jared, Calder's one weakness. Their intense bond—and maybe even love—are worth everything, and they're both willing to fight for it...or die trying.

*Lost and Bound contains dubcon and graphic violence. It also includes a monster who torments his mate by being too gentle, the werewolf who can't stop craving him, and knotting—and a guaranteed HEA. The book has new main characters, but it is best read in series. This series does not contain mpreg.*

## Redemption: Lions of Locust Falls 1

**Author: Jayda Marx**

Talon - I cocked up. But it wasn't like my normal cock ups, which happen way more often than I'd like to admit; this was the cock up of a lifetime. I was feeling restless and frustrated, and decided to blow off a little steam with a random hookup in the bathroom of a gay club. That's not so bad, right? Well, it wouldn't have been, if my mate didn't choose that exact moment to walk in.

Yep, my mate, the man I'd waited my entire lifetime to meet, the one whom I was destined to love and protect for all eternity, caught me in the act with a stranger. Talk about a great first impression. And when I tried to approach him to apologize, he pepper sprayed me and ran away.

I can track him easily enough, but how do I explain myself when he won't speak to me? How do I show him that we're meant to be, or that I'm loyal and trustworthy when he probably thinks I'm just a dirty man-whore? Oh, and as if that isn't difficult enough, I need to tell him that I can turn into a lion. Time is running out to claim my mate and luck is certainly not on my side.

\*This M/M paranormal romance is a fun, light and fluffy quick read, and contains a misguided but endearing lion shifter and his adorkable fated mate. It is low to no angst, has no cliffhangers or cheating, and features a very happy HEA. Look out for a healthy dose of humor, heartwarming moments, and steamy scenes!

## Sorcerers Always Satisfy: A Hidden Species Novel

**Author: Louisa Masters**

*Just because I enjoy planning and researching doesn't mean I'm not the most dangerous badass mothercracker around.*

The world sees me as boring, dependable David. And I like it that way. I *know things* and I'm *organized*. Plus, I've seen firsthand the harm a chaotic life can inflict, and I'd rather have my lists and be called dull.

Which is what makes it all the more disconcerting when a sexy elf declares his adoration and begins to "woo" me. What am I supposed to do?

Hide, mostly. It's hard, though, because Caolan and I are supposed to be working together. And he's tough to resist: sweet, competent, and so incredibly beautiful. He sees something in me that no one else does. Would it really be such a bad thing if I gave in to temptation?

But my personal life can't be the priority right now. The bad guys are gearing up to strike, and if we don't stop them, the end of the world could be nigh. I need to focus on that, not on letting Caolan show me the benefits of spontaneity. Why don't world-ending disasters come with an instruction manual?

## Right as Raine: An Aster Valley Novel

**Author: Lucy Lennox**

**Tiller:**

As the first openly gay professional football player, I can't afford to make any mistakes, on or off the field. And the absolute biggest mistake I could make right now would be to fall for Mikey Vining, my best friend, employee and, more importantly, Coach's baby boy. I might fantasize about Mikey at night—*every* night—but actually touching him would be a serious personal foul.

And falling for him? That's completely out of bounds.

**Mikey:**

I've learned my lesson about falling for one of my dad's players. They're a bunch of spoiled jocks with more muscles than brains. I've spent years learning to keep my eyes, and my hands, to myself. But resisting the temptation becomes nearly impossible when Tiller Raine and I end up together in a small cabin in a remote Colorado town.

Suddenly, there's not much to do but look at each other. And talk. And hopefully, *hopefully* touch.

But what happens when our stay in Aster Valley is over and it's time to return to the real world? Will Coach blow the whistle on our relationship? Or will Tiller admit there might actually be something he loves more than football after all?

## The Murder Between Us: M|M Romantic Suspense (A Noah & Cole Thriller Book 1)

**Author: Tal Bauer**

*It was just one night.*  
*It was just one mistake.*

FBI Agent Noah Downing had questions about his sexuality that a single night in Vegas should have answered. But dawn finds him on a plane back to Iowa, back on the trail of a vicious serial killer who disappeared six years ago and has suddenly resurfaced. There's nothing like a murder investigation to escape an existential crisis.

FBI profiler Cole Kennedy is still reeling after finding a heart-stopping connection with a seemingly perfect man, only for him to vanish. When he's sent to Iowa to profile the killer terrorizing America's heartland, he finds more questions than answers - both about the murderer and about Noah, the last man he ever expected to see again.

A twisted secret stretches between Cole and Noah, tangled with questions they both have about each other. But now, thrown together, they'll have to unravel the killer's profile and follow his trail... back to the very beginning, to where everyone's questions are answered once and for all.

## Better Than People: An LGBTQ Romance (Garnet Run Book 1)

**Author: Roan Parrish**

"An irresistible queer romance." —*Publishers Weekly*, starred review

*It's not long before their pet-centric arrangement sparks a person-centric desire...*

Simon Burke has always preferred animals to people. When the countdown to adopting his own dog is unexpectedly put on hold, Simon turns to the PetShare app to find the fluffy TLC he's been missing. Meeting a grumpy children's book illustrator who needs a dog walker isn't easy for the man whose persistent anxiety has colored his whole life, but Jack Matheson's menagerie is just what Simon needs.

Four dogs, three cats and counting. Jack's pack of rescue pets is the only company he needs. But when a bad fall leaves him with a broken leg, Jack is forced to admit he needs help. That the help comes in the form of the most beautiful man he's ever seen is a complicated, glorious surprise.

Being with Jack—talking, walking, *making out*—is a game changer for Simon. And Simon's company certainly...eases the pain of recovery for Jack. But making a real relationship work once Jack's cast comes off will mean compromise, understanding and lots of love.

## Scratch The Surface

**Author: Mary Calmes**

***Sometimes things look one way, but when you scratch the surface, there's more than meets the eye.***

Jeremiah Wolfe has always done what was necessary to survive. On top of working two jobs, he's going to school to become a social worker so he can give kids the help he never got when his mother left years ago. When a rare night off finds him with the chance to make a quick buck, he jumps on it. But his evening goes sideways, and he's about to head home when he's propositioned by a stranger. A meaningless one-night stand is simple and easy, so he steps into the hotel room—as he has many—without expectation. But the man behind the door is a surprise, as is the instant connection that builds along with passion and a glimpse of his heart. Small wonder that Jere can't get the nameless man out of his head.

Cameron Gallagher has never been accused of being spontaneous. He's an introvert whose life is about schedules, plans, and lists. He's always been the careful one, so inviting a stranger into his bed on the lure of his gorgeous smile and warm brown eyes isn't only out of his comfort zone, it's entirely out of character. Surprisingly, when he wakes in the morning alone, it's not regret he feels, but the need to find the man who held him in his arms all night. It seems crazy, but he can't get the man out of his head.

When they're brought back together, each man believes it's more than luck. They feel as though they've gotten a second chance. Sure, love at first sight is just a myth, the stuff of romance novels, but the more they scratch the surface, the more they realize they've got a shot at something lasting.

## Brave Boy (Perfect Boys Book 2)

**Author: K.M. Neuhold**

**As long as LonelyDaddy is on the other side of the computer screen, there's a chance he could be the man Emerson has been dreaming of.**

I've gotten used to being alone, to disappearing inside the fictional worlds between the pages of a book and letting my lonely life fade away. Books have never judged me for the stutter I can't control. Books have never abandoned me. Books have never let me down. Then again, books have never hugged me or told me they loved me either, so my plan is far from perfect.

The first time I lay eyes on the tall, red-haired Kiernan with a beard for days and shoulders made for scratch marks, I wanted to crawl onto his lap and call him Daddy. The only problem is, I can never seem to string two words together around him... Heck, I'd be happy to manage to get even one word out, like maybe "yes," preferably over and over again.

I thought making an online dating profile would be the hardest part, but it turns out getting up the courage to meet the man I've been messaging is even more difficult.

Could LonelyDaddy be Kiernan? And if he is, is there any chance he'll want to keep me? Can I be his brave boy?

\*\*\*Brave Boy is the online love-sweet, ginger Daddy—totally swoony—second book in the Perfect Boys series and can be read as a stand-alone.

## Zone of Action (Legends of Lobe den Herren Book 2)

**Author: AJ Sherwood**

Ren's homecoming wishlist includes:

- Arman not bashing everyone's heads together (at least not without him)
- Getting the fortress built before the Mongs attack (not at the rate they're going with all the thefts happening)
- Going home without incident (also, again, not likely)

What it did not include was:

- Social reform
- A child
- A raiding party
- Arman actually using his words

Life once again proved reality is better than fantasy, and Ren couldn't be happier.

Except for the Mongs. He could do without the Mongs.

Tags:

Homecoming, Arman actually uses his words, it's a miracle, children, homophobic idiots, supportive brother, surprise visits from royalty, Ren would like to point out this was not his idea, words are hard, if you have to build a fortress do it right the first time, Arman promises to not beat the whole country to a pulp for scorning his marriage, maybe, no promises, parenting is hard, someone should have warned Arman, raiding parties are their jam, O' Broin is a good bro, matchmaking, social change, Arman sucks at giving hints, absolutely no one is surprised by this, fantasy becomes reality

## **The Endgame (Atlanta Lightning Book 1)**

***Author: Riley Hart***

Weston

When I left home, I swore I'd never hide anything about myself again. From college, to law school, to the United States Senate representing California, I've done it all as an out gay man. So, when I'm in DC and see a beautiful guy at the hotel bar, I don't hesitate to proposition him...right before he runs out on me, leaving his sunglasses behind like my very own Cinderella.

Anson

I've always known I'm gay, but never acted on it. Pretending isn't easy, but it means I can keep playing football. No one has ever guessed my secret until the gorgeous man at a bar in DC. At least he doesn't know who I am—the best tight end in the NFL, playing for the Atlanta Lightning. Though my identity doesn't stay a secret from him for long.

Between texts and late-night phone calls, we get to know each other. West's the only person who knows all the parts of me, just like I know his. When he asks for one night together so he can show me what it's like to be with a man, I can't say no. But once isn't enough, and we keep sneaking around together—brief encounters, in California, Georgia, or DC, filled with passionate touches and whispered truths.

I never thought I'd have love. West never thought he'd want it. Now we're all in with each other, but he still has time left in his Senate term. I have contract obligations to fulfill, and I'm closeted. We don't even live in the same state. The odds are stacked against us, but if there's one thing I know, it's how to win. He's the endgame in the biggest challenge of my life, the one I'm banking my future happiness on.

## **Forbidden Lover (Exit Strategy Book 4)**

***Author: Jocelynn Drake***

Devlin Relic was off limits.

The sweet man had already lost a husband and nearly lost his life when someone put a contract on his head last year.

He needed to focus on raising his adopted son and finding a nice, normal man.

Kai was anything but nice and normal.

He was an assassin, and that did not fit into Dev's neat and tidy life.

But when a dead body mysteriously appears in Dev's bathtub, it looks like an assassin is exactly what he needs.

Maybe this time Kai will be brave enough to fight for Devlin and finally put his exit strategy to use.

## **The Jock: An M|M Sports Romance**

***Author: Tal Bauer***

Wes Van de Hoek clawed his way off his family's West Texas ranch under the Friday night lights, earning a football scholarship to the state's best university. Three years in, he has it all: he's the starting tight end, team captain, and, according to ESPN, maybe the best college football player in the nation. But he's been keeping a secret from everyone.

Justin Swanscott has three certainties in his life: he's gay, football is overrated, and he really, really doesn't like cowboys. He should never have fallen into Wes's open-range eyes or let his heart run wild when Wes gave him that shy little smile over summer. But he couldn't stop himself.

Everyone's asking questions about Wes this season: How is he playing so well? Will Texas be undefeated this year? Will he take the team all the way to the national championship? What's next for him?

The truth? Wes isn't dreaming about an NFL contract. His heart belongs to Justin, even though the world wants it to belong to football.

Wes has stadiums packed with screaming fans, ESPN is all over him, and the NFL wants him badly. He's living under a microscope, and the pressure keeps building as the team keeps winning. Everyone wants something from him, but all Wes wants is to love Justin.

Something's gotta give.

## Getting Friendly (Never Just Friends Book 3)

**Author: Saxon James**

### LEON

When I'm looking for a hook up, I want three things:

Big, thick, and rough.

So it doesn't make sense that I can't get my new hire out of my head.

He's a tiny guy with big ideas ... and he's my apprentice which means he's completely off limits.

But he's already under my skin.

And for the first time with any guy, I don't think I can hold my own against him.

Physically, yes. Emotionally, no.

Auggie makes me weak.

### AUGGIE

Growing up, I always wanted to go into the family business and follow in Dad's footsteps.

Until in my senior year of high school when he told me to find a new dream.

No one would let a small, clumsy guy like me on a construction site.

And after trying and failing for years, I was starting to believe him.

Then LJ Constructions calls me for an interview and when I meet Leon, he becomes my new dream.

He's hot as hell, self made, and instead of putting me down, he sees what I've always seen in myself.

But I'm not dumb enough to throw away this one chance, not even for him.

Not even if I really, really want to.

**Getting Friendly is a low angst friends-to-lovers romance with spa dates, a size difference, and an adorably awkward MC.**

All books in the Never Just Friends series are stand alones. Series number refers to recommended reading order.

## Exploring Daddy (Love in LA Book 2)

**Author: Mia Monroe**

*I've never had a Daddy. Can he teach me how to be the perfect boy?*

I have three problems.

No job

No direction

No clue what I'm doing next.

Following my best friend to LA is the only thing that makes sense. I'll start a new life, figure out a career, and learn how to be an adult. Meeting Matteo is intimidating but exciting. I know he wants a boy. I also know I'm far from what he's looking for. How can I go to him when I don't even know how to balance a bank account? I'm determined to stand on my own two feet before letting a Daddy take over my life.

As usual, life has other plans for me, and I find myself needing the one thing I tried to avoid. I can't imagine what the gorgeous, older man could want with me, but I'm done fighting. I have a lot to learn about life and love, but exploring Daddy is turning out to be one of my better decisions. If he thinks I can be the perfect boy for him, maybe I can.

*Exploring Daddy* is a delicious Daddy/boy romance with a pining Daddy ready for a special boy, a stubborn young man fighting his own wishes, exploring new ground, and learning that sometimes asking for help is the bravest thing you can do. It is book 2 in the Love in LA series featuring doting Daddies and sweet boys finding love in Los Angeles.

## **Temptation (Rent A Spouse Book 1)**

**Author: Jason Collins**

**ASHLEY:**

When Axel opens the door, it's obvious: he expected "Ashley" to be a woman when he hired me from the spouse rental agency. But I can still make this work. Sure, I've never cooked or cleaned, but that's what YouTube educational videos are for, right? Best of all, my new boss is, in a word, hot. And not as straight as I first thought.

He's divorced from a woman, but the way he touches me tells me he's intrigued.

Little did I know, we're connected in more ways than one. My father's business is moving into town—and putting Axel out of business. Telling Axel could ruin everything between us, but my heart is in too deep to back out now. I want more than a work contract with Axel, but our relationship may not survive the truth.

**AXEL:**

After my divorce from my ex-wife, I'm done with love and marriage. So I decide to "rent a spouse" to handle the cooking and cleaning while I focus on my business—which is how I'm paired with Ashley. When my new spouse shows up at the door, I certainly don't expect the hottest man I've ever seen to waltz in.

Ashley's all sunshine and sass, and he makes me never want to leave the house.

I've never been attracted to another man, but he breaks through all my barriers. My heart wants more with him, but my business is in trouble, and soon I'll have to cut costs—including my spouse. Worse yet, Ashley seems to know more about my business than he lets on. He's hiding something, and if we're going to be real partners, I need a real answer.

*This is the first book in the Rent A Spouse series. It can be read as a standalone with no cliffhanger.*

## **How to Catch a Vet: an opposites attract MM Romance (Chester Falls Book 6)**

**Author: Ana Ashley**

**The first thing I learned at Vet school was to always expect the unexpected.**

Well, I sure never saw Santiago Torres or his adorable Great Dane coming.

Santi is everything I'm not. Tall, confident, overbearing, and if I'm to believe his advances, he's also very experienced in...well, you know what.

I always play safe, but it's time to ditch the v-card. We couldn't be more different, but that doesn't matter because this is just a one time thing.

I'm not going to want more, right?

I'm not going to fall for him, right?

*How to Catch a Vet* is the sixth book in the Chester Falls series and features an opposites attract story between a virgin and a player, a Great Dane with a tendency to rescue- read kidnap- other people's pets, and a small town like no other.

## **Care: A Daddy Gay Romance (White House Men Series Book 5)**

**Author: Nora Phoenix**

**Kenn wants Warrick to be his teacher, his boyfriend...and his Daddy.**

Being the president's son was never something Kenn wanted, but it's the reality nonetheless. Home from college with nothing to do, he's elated when his father hires a tutor to prepare him for law school.

Professor Warrick Duvall is kind, smart, and he has time for Kenn when no one else does. When the unthinkable happens and Kenn's world is rocked to its core, it's Warrick who is there for him, and the friendship with him is the only thing that keeps Kenn going. Warrick takes care of him, helps Kenn find his footing again, and they grow even closer.

When others start to notice and warn him, it's time for Kenn to be honest about who he is and what he wants. But how will his father react when he learns Kenn doesn't want Warrick to be merely his teacher and his boyfriend...but his Daddy?

*Care is a slow burn MM gay romance with an age gap and daddy kink (no age play), featuring a Daddy who doesn't know he's a Daddy and a needy boy who soaks up all Daddy's care. It's the fifth book in the White House Men series, a continuing MM romantic suspense series set in the White House that needs to be read in order. Care ends with a happily ever after, but the suspense plot ends on a cliffhanger and will be continued in the rest of the series.*

## The Swap Masquerade

**Author: Annabella Michaels**

"A night of passion and pleasure awaits you. No names, no faces, just the chance to live out your wildest fantasies. Leave your keys in the bowl and let fate decide who you'll end up with." After years of hiding his sexuality from his family and teammates, Elliott Stone is tired of living a lie. However, with only three months left until the baseball season is over and he graduates from college, he's determined to keep his secret for a little bit longer. But the words written on a party invitation offer another option. One that might allow him to finally explore what it's like to be with another man. Gavin Holt loves being a college professor, but living and working in a small, conservative town makes discretion essential when it comes to his sexuality. That's why he likes going to Swap Masquerades. Hiding his identity under a mask is the only way he can truly feed all of his desires without anyone finding out. Behind a mask, is the one place they can both let their inhibitions go, but what happens if the person finally revealed is someone who's off limits?

*"An incredibly brilliant and unique romance. It was everything I wanted in a sequel and more. Gavin and Elliott were perfection." - Author Nicky James*

*"The Swap Masquerade will have you fanning yourself one minute, and smiling so big the next...Add that to the romance Annabella writes so well, and you've got the best of both worlds" - Author Jaclyn Quinn*

*"The Swap Masquerade reminded me why I fell in love with Annabella Michael's writing. It has everything I love, passion, emotion, outstanding plot, and characters with chemistry so strong it flew off the page and into my heart." - Author Davidson King*

*"As a huge fan of voyeur scenes, this steamy, sexy read was hot! hot! hot! Add in the loving characters and the sweet story line, the Swap Masquerade is everything I expect from Annabella Michaels. Five breathtaking stars. - Author Sammi Cee*

## Brother-in-Law Material

**Author: Crystal Lacy**

**Can his sister's fake boyfriend become his real one?**

When Kendall O'Hara catches his boyfriend cheating, he runs to his sister--the only person he can rely on in the city. But she's on a business trip, so Kendall finds himself temporary roomies with her super hot and equally kind live-in boyfriend.

Luke Hale's family has made him so jaded regarding relationships that he's had no problem pretending to be his best friend's boyfriend. It's never been a problem, until her sweet, adorable brother arrives. Kendall's passion for his food channel is contagious and his openness and vulnerability are intoxicating.

They both know the other should be off-limits, but spending time together--cooking, talking, laughing--is so easy and wonderful. Their attraction is undeniable and once Kendall learns that Luke is actually available, all bets are off. Sizzling chemistry quickly gives way to real feelings. But Kendall's stay is temporary. Can their friends with benefits arrangement blossom into a forever love or will they both wind up alone again?

*Brother-in-Law Material is a 57,000-word M/M romance including the following tropes: fake boyfriend, temporary roommates, friends with benefits, best friend's brother.*

## **The Mage's Game (Wild Magic Book 3)**

**Author: Claire Cullen**

**The love between an alpha and a mage is not easily forgotten. Even if one is a headstrong wolf and the other an untrustworthy sorcerer.**

Five years after he walked out of Declan's life, Jasper returns to Samhain Pack begging for help. Declan doesn't believe a word of the tale his ex is spinning. He wants Jasper gone from the pack before he brings trouble down on them. His head is telling him Jasper can't be trusted, but his heart has never quite let go of his love for the mage. Is he willing to risk everything for Jasper?

For five long years, Jasper has destroyed pack after pack at his family's behest. He bonds with an alpha, blinds them to the truth, and strikes at the heart of their pack. But Samhain isn't just any pack, and Declan is more than just an alpha. He is Jasper's first—and only—love. Torn between loyalty to his family and following his heart, who is he going to choose?

*The Mage's Game is a m/m paranormal romance featuring a stubborn hunter, a world-weary sorcerer, and a pack that's finally getting back on its feet. It's the third book in the Wild Magic series, which should be read in order. It contains mature and somewhat dark themes but is not an mpreg story.*

## **King's Gambit (Road To Redemption Book 1)**

**Author: Aiden Bates**

I'm done with falling for bad boys ...

I've got a simple plan: bartend at King's Gambit until I have enough cash to start my own yoga studio. I'm not supposed to fall for King in the process.

Whoops.

I'm over bad boys, and ex-gangster King is badder than most, but I can't resist.

When trouble at the bar threatens what we're building together, I will stand by King through thick and thin. But he's not the only one haunted by his past.

All this time, he's been worried he'll bring me down. But I could be the pawn that brings down the king.

## **Rookie Mistake (Sugar Land Saints)**

**Author: Baylin Crow**

**The straight rich jock would never date his family's gay hired help, right?**

Colton:

Crushing on the town's star football player is a bad idea for a few reasons. One, Logan's straight. And has a girlfriend. That alone makes anything between us impossible.

Two, living in the guesthouse with my family on his parents' estate, I'm really just the unnoticed lawn guy. Our social status difference is night and day.

Those reasons are now irrelevant, because I'm determined to get over this pointless infatuation I've harbored for Logan Kelley for years. He's more of a jerk than I realized.

Logan:

There are three things people know about me. I'm a Saints tight end. My bank account stays fat with cash. I have a girlfriend, Jules.

What they don't know is that I'm gay, and Jules is actually my childhood best friend who's been doing me a solid in a mutually beneficial arrangement.

Colton Lockhart has been the one person I've wanted, but he doesn't know that. When I come home for a week during the summer, I'm ready to tell him and have it all planned out. Except I immediately blow my shot with him.

It's safe to say that although years of playing on the field have made me a seasoned athlete, in relationships... Well, I have zero experience in dating. Or anything else for that matter.

**I hope he'll chalk it up to a rookie mistake and give me another chance.**

Rookie Mistake is a low angst, high heat Sugar Land Saints novella that takes place where book three ended

## Husband Material

**Author: Alexis Hall**

**Wanted:**

**One (very real) husband**

**Nowhere near perfect but desperately trying his best**

In BOYFRIEND MATERIAL, Luc and Oliver met, pretended to fall in love, fell in love for real, dealt with heartbreak and disappointment and family and friends...and somehow figured out a way to make it work. Now it seems like everyone around them is getting married, and Luc's feeling the social pressure to propose. But it'll take more than four weddings, a funeral, and a bowl full of special curry to get these two from I don't know what I'm doing to I do.

Good thing Oliver is such perfect HUSBAND MATERIAL.

## Coldburgh Train Station: RIPP (Researchers In Paranormal Phenomenon) Book 1

**Author: Michele Notaro**

***Do you hear bumps in the night? Get unexplained chills? Feel like someone's watching you when you're all alone? Don't stay scared! Shoot RIPP a message for all your spooktacular needs!***

*Dane*

I only go along with Rory and Thad's crazy plan of checking out an abandoned train station because they seem so excited, and I honestly don't care what we do for our film class project. Transferring colleges was supposed to be my escape from reality, anyway, so there's no harm in doing a little ghost hunting, right? It's not like we'll find anything. I really just want to go through the motions, but these guys have a way of making me care—ugh. Even Rory's older brother is able to get under my skin in ways I wish he couldn't. I should stay away, but his sweet and caring nature keeps pulling me in—damn him.

*Brooks*

Helping Rory and Thad with RIPP is just something I do to spend time with them. Bless their little hearts, they really believe in ghosts and are determined to prove it to the world. When Dane gets assigned to their group for their class project, my worry they won't need me anymore is overshadowed by my desire to spend as much time as possible getting to know the mysterious new man. I get my wish when we have an encounter that seems... unbelievable. As scary as it is, my life becomes less aimless when Dane and I team up to protect my brother and his best friend when they insist on returning to the train station again... *and again*.

What happens when two men experience something no one else sees? Can they stay alive long enough to fall in love or is seeing what lives at Coldburgh Train Station the beginning of the end?

*Coldburgh Train Station* is book one in the *RIPP* (Researchers In Paranormal Phenomenon) series. It's a 93K word standalone MM romance with spooky fun, cute guys, apparitions, a hyper younger brother that won't stay away from the coffee pot, a friend that cares way too much about his tan, spirits, a crazy mom, amazing friendships, love, and did we mention ghosts?

Intended for audiences 18 years and older.

## The Soldier and the Spy: A Gay Regency Romance (Society of Beasts Book 2)

**Author: Annabelle Greene**

*A beholden man finds himself falling for the war hero he's destined to double-cross.*

Three hundred pounds for one night of protection. It's a job offer, but it's also a ruse. Captain Benjamin Frakes, war hero and de facto head of the Society of Beasts—a club for gentlemen who prefer gentlemen—is tempted to turn it down. But August Weatherby, the sexy, brazen stranger making the offer, has captivated him completely.

August is hardly the flush flirt he claims to be, however. An indebted man, desperate to save his infirm sister, August makes an ideal pawn for a lord eager to bring down the Society of Beasts once and for all. But August's charge to find evidence against Frakes is at odds with his own virginal desire to entice the captain into showing him the true meaning of pleasure.

As August's infiltration pushes him deeper into the beguiling world of delights behind the Society's closed doors, he and Frakes discover new ways to push the boundaries of their own cravings. But with mounting pressure to complete his devious mission, August finds himself torn between the man his heart yearns for and the sister whose life depends on his betrayal.

## **The Ghost in the Emerald Cabin: RIPP (Researchers In Paranormal Phenomenon) Prequel**

**Author: Michele Notaro**

***Wanna check out early? Blame the ghost. Get your money back? Sure, ghost. Imagine your best friend naked? Yeah, ghost—no, wait a minute.***

When my best friend, Tate, called a few years ago to ask me to help him run the Narrow Peaks Ski Resort, I jumped at the chance. Skiing is one of the things I'm most passionate about—that and pretending not to notice how hot Tate is. This is my dream job, but never in a million years did I think I'd be fielding demands from guests trying to check out early because they claim their cabin is *haunted*. I can't deny how creepy some of their stories are, though.

Even while being spooked every time I turn around, I can't seem to keep my eyes off of Tate. The guy that put me in the friend zone years ago. *Kill me now.*

When the two men end up sharing a cabin together, will they finally take a chance on each other? Or will the dangers inside break them for good?

*The Ghost in the Emerald Cabin* is a prequel in the *RIPP* (Researchers In Paranormal Phenomenon) series. It's a 21K word standalone MM romance novella with creepy fun, two guys who are completely clueless, icky ski hats, a spooktastic cabin, snowballs, and don't forget there might be a ghost!

Intended for audiences 18 years and older.

## **Luca (Gentlemen of the Emerald City Book 1)**

**Author: L.A. Witt**

#### **Ethan**

Hockey season is over, and that means one thing—returning home to my empty condo. With nothing to distract me from this loneliness, it's going to be a miserable summer.

Then I hire Luca for one night.

At least, it was supposed to be one night.

#### **Luca**

Ethan isn't like my other clients (not that I have many these days). He's nice. He's genuine. He doesn't treat me like I'm here to earn my pay.

When he asks me to make this a regular thing for the summer, my wallet doesn't leave me much choice.

But I'm pretty sure my heart isn't supposed to get involved.

#### **Gentlemen of the Emerald City**

*Luca* is Book 1 of *Gentlemen of the Emerald City*, a sexy series centered around the high class, high-dollar *Gentlemen of Seattle's* most exclusive escort service. Each book is full of snark, sass, and sweetness, and like any *Emerald City* client, you're guaranteed a happy ending.

## **Fourth Point of Contact (Legends of Lobe den Herren Book 1)**

**Author: AJ Sherwood**

Ren's fantasy wishlist includes:

A sexy lover (preferably of the male variety)  
Peace inside of the palace  
Possibly an onsen  
His best friend never deployed again, and always beside him

It does not include:

Assassins inside of his palace  
Far too many conspiracies  
Being proposed to while hungover. In bed. By his straight best friend.

Arman Brahms falling in love with him is a fantasy Ren's buried for over six years, so to have it come true seems unreal. He has questions. All the questions. Mainly because Arman is bad at using his words.

But the most important question?

Is the fantasy worth risking everything?

Tags:

## **Power Plays & Straight A's (CU Hockey Book 1)**

**Author: Eden Finley**

**FOSTER:**

"Look out for Zach and don't hit on him."

My brother's request sounds easy enough. Keep an eye out for his best friend on campus and keep my hands to myself.

Easy.

Even if Zach is a quintessential nerd, who I've always thought was cute, I don't have the time to think with my ... stick.

There's only one stick I should be focused on this year, and that's my hockey stick. My goal once I graduate is to get an NHL contract.

The last thing I need is a distraction. On or off the ice.

Only, keeping to the rules is harder than I thought it would be.

**ZACH:**

People confuse me.

And no one more than Foster Grant.

I've barely spoken two words to him in the whole time I've known him, but the second I step foot on campus, he's impossible to shake.

I can never anticipate his next move. And whenever we're together, my next move is a total mystery as well.

I want to give in to him, but that might mean coming clean about something I've never been bothered about before.

I'm still carrying my V-card.

And I think it's time to turn it in.

## **The Alpha and His King (Kincaid Pack Book 1)**

**Author: Kiki Clark**

**When Kai flies out of a shed, swinging a rake, Rick's life flips upside down.**

As alpha, Rick's dedication to his pack has never wavered—until Kai. The pull he feels toward the younger man is more than a simple distraction, but Rick won't let himself lose focus. Not while a hidden enemy is drawing near.

Moving in with the grumpy alpha who saved him is a big change for Kai, and it isn't long before he begins to ache for something he can't have. As a half-human shifter responsible for his three younger siblings, he knows he can never be Rick's mate.

Pushing aside their doubts and insecurities, they grow closer. But when the pack's enemies strike, bringing their fears to fruition, Rick and Kai have to decide if they're willing to risk it all to be together.

*The Alpha and His King is the first book in the Kincaid Pack series and features a quick-tempered and possessive alpha; a sweet and feisty alpha-mate; shifters, seers, and witches galore; massive amounts of hurt/comfort; and a happily ever after.*

## **Muscle and Bone**

**Author: Mary Calmes**

You belong to me and I know it down deep, in muscle and bone, where my wolf lives.

Avery Rhine isn't an average homicide detective with the Chicago PD. In fact, Avery isn't an average anything. Sure, as an omega he knows he's at the bottom of the food chain, but that's never slowed him down. He's got a great life, complete with a loving family and a best friend who'd take a bullet for him, so what more could he possibly want or need? Except, maybe, for the world to change. And to find someone to spend more than one night with, but that isn't high on his list of priorities. He's never been one to believe in destiny or whatever else the fantasies sell about there being someone special out there meant just for him.

Then a chance encounter at a party changes everything.

Graeme Davenport has no delusions about finding his true mate. The consensus is that if an alpha doesn't find their other half by the time they're thirty, the chances of it ever happening go from slim to none. He's not a mere alpha, though; Graeme is a cyne who sits at the pinnacle of lupine hierarchy, so he's obligated by tradition and duty to choose an omega now, sign a contract, and bond with him. Love is not part of the equation.

When Graeme and Avery meet, their fierce attraction to each other flies in the face of reason and logic. Avery's intense physical reaction to the alpha is something he's never experienced before, while Graeme, who has always been the soul of discretion, loses all his inhibitions to desire for the man he wants to possess. They are two very different men trying to navigate expectations, separate reason from innate primal drive, and do it while working together to solve a murder.

It will take everything they are to find a middle ground, and to learn to trust in a fated kind of love.

## **Peregrine: A Forbidden Desires Spin-Off Story**

**Author: Piper Scott**

**1508**

Sebastian Drake, stoic protector of the Drake family, always gets what he wants—and there is nothing he wants more than the half-starved Pedigree omega named Peregrine he comes across on his travels. It doesn't matter that Peregrine is a Disgrace. Sebastian will do whatever it takes to keep him... and somehow, as impossible as it might be, find a way to be his mate.

**Present Day**

For hundreds of years, Peregrine has enjoyed life as Sebastian's mate. Sure, as one of the only bonded omegas in recent history he's been kidnapped more times than he can count, but with Sebastian there to save him it's little more than an inconvenience. And attacks from hostile clans? That's just a typical Tuesday.

But there is one thing Peregrine fears, yet desperately wants.

One thing that has hurt him time and time again.

One thing Sebastian can't save him from.

And now it's happening again.

He's pregnant.

*Peregrine is an 85,000 word omegaverse mpreg romance set prior to as well as following the events of the Forbidden Desires series. It has answers to questions you've been dying to know and contains heartache, laughter, origin stories, meddling reptilian families with huge hearts, exotic locales, a dash of danger, and a love story five hundred years in the making. For maximum enjoyment, Peregrine is best read following the events of Clutch, Bond, Mate, Swallow, Magpie, and Finch.*

## Reckless (Leather & Chrome Book 1)

**Author: Kiki Clark**

**Ride hard. Love harder. Live recklessly.**

Tank is done with his old life. All it's brought him is trouble and misery in the form of a four-year prison term. Though he did find one good thing while behind bars: Charles "CJ" Crane, pen pal extraordinaire.

After months of exchanging increasingly personal letters, Tank knows exactly where he's headed as soon as the prison gates open. CJ doesn't know he's coming, and he's not sure what he'll say when he gets there, but he knows one thing for certain.

The promises he and his boy made to each other in their letters may have been reckless, but he's willing to risk everything he's got on finding out if what they have could be real.

*Reckless is the first book in the Leather & Chrome series and features a motorcycle club's annual charity ride, a possessive biker whose new favorite color is pink, a twenty-four-year-old overly eager to experience his first time, and an excessive appreciation for perfectly lined tattoos.*

**Please see Author's Note for additional information.**

## Off Key (Whispering Key)

**Author: May Archer**

I'm about to sing you the saddest song in the universe, and it's called "The Man of My Dreams Married My Sister."

It's kinda my theme song. And trust me when I tell you, it's heavy on the violins.

Because the man in question? He's not just any guy, he's *Rafe* freakin' *Goodman*.

My former best friend.

The boy who made my summers on Whispering Key magical. The guy who inspired every love song that led to the chart-topping music career I have today. The man I always sort of figured would wait for me, while I pursued my dreams and finally found a way to tell the world I was gay...

But instead of waiting, he married Aimee.

Rafe and Aimee's marriage has been over for a while now, but it doesn't really matter. He doesn't love me even though I feel like I'll love him until the day I die. Trying to be "just friends" would tear me apart.

We're a broken chord. A blue note. Hopelessly out of tune.

Or so I thought.

But when circumstances throw us back together on a crazy cross-country road trip, suddenly all kinds of secrets come to light that make it seem like maybe our show's not over yet.

If I want a life with the man of my dreams, though, I'll have to be honest--with Rafe and the rest of the world, too--and find the courage to write us a new song.

One that's exactly like us: perfectly imperfect... and a little off key.

## **Pretenders: MM Fake Boyfriend/Opposites Attract Romance**

**Author: Alexa Land**

Doctor Wesley Bennett is desperate to find a date for his ex-fiancé's destination wedding. So desperate, in fact, that he's decided to hire an escort to pose as his boyfriend.

That's what he thinks, anyway.

My roommate's the actual escort, not me. He wasn't available, so I stepped in. This job was just way too sweet to pass up.

It should be easy. All we have to do is convince everyone Wesley and I are a couple without getting emotionally involved. He's adorable though, in a nerdy and endearingly awkward kind of way, and the attraction between us is undeniable. I have a feeling things are about to get complicated. And what's going to happen when the job is over? Can we stop pretending and build something real? Or are a straight-laced pediatrician and a lavender-haired DJ too different to make it work?

*Pretenders is a stand-alone, opposites attract gay romance, set in the world of Alexa Land's best-selling Firsts and Forever Series.*

## **Obsession (Rent A Spouse Book 2)**

**Author: Jason Collins**

**JOSH:**

My love life is on the backburner—or so I thought. I moved to this small town to escape my overbearing ex, and I became a rent-a-spouse to pay the bills. But I didn't plan for Keaton, my ridiculously handsome new boss.

I'll be Mr. Thornhill's husband any day of the week.

Keaton's attracted to me, too, and he wants a real relationship. Our chemistry is too strong to ignore and being in his arms makes me feel safe again. But when my ex reappears and won't stop harassing me, I'm tempted to run. Except that would mean leaving Keaton behind.

**KEATON:**

It all started when my new rent-a-spouse walked through the door. Josh is charmingly soft-spoken, witty, and full of mystery. I needed someone to cook, clean, and make the house a little less lonely in this mountain town. Instead, my new "husband" has the physique of an underwear model.

I'm not complaining.

Around Josh, I'm happier than I've ever been. He's addictive, and our relationship becomes more than just a contract. But Josh carries a sadness in his eyes I can't explain, and he refuses to talk about his past. If he won't let me in, I can't protect him from the ghosts that still haunt him.

*This is the second book in the Rent A Spouse series. It can be read as a standalone with no cliffhanger.*

## Feral (The Wrong Alpha Book 2)

**Author: Alessandra Hazard**

**Sometimes kissing the Beast doesn't turn it into a Prince Charming—instead, he's a charming prince you want to punch...**

Jules is an ordinary nineteen-year-old omega from a perfectly respectable family. He's not the most beautiful, or the smartest, or the strongest of the four Blake siblings. And he's fine with it, really. He isn't ugly or anything, but by omega standards, he's nothing special. "Nothing special" describes Jules's whole life. It's utterly boring.

So when strange things start happening in their house, it piques Jules's curiosity. There's a beast in the Blake family mansion; Jules is sure of it. He sometimes hears growls and screams coming from the basement, and the men guarding the door look positively terrified.

What could terrify grown alphas? Jules will have to investigate!

But his investigation comes with surprises...like the Beast's overwhelming effect on Jules's omega nature. It doesn't mean anything. Of course it doesn't. Jules is just curious; that's all.

Curiosity can change a life, but when you're attracted to a feral alpha whose real face you haven't even seen...will it change for the better? What if the Beast is no Prince Charming but a cold-hearted, cynical bastard? A bastard Jules shouldn't want—but does. A bastard Jules should stay away from—but can't.

*This novel is a steamy alpha/omega enemies-to-lovers MM romance with a happily ever after. While mpreg exists in this world, it is only mentioned and does not appear on-page. This book can be read on its own or as part of the series The Wrong Alpha.*

## The Best Friend: Red's Tavern, Book 1

**Author: Raleigh Ruebins**

**My best friend's a former quarterback, and I'm a nerdy math teacher.  
He has no idea how badly I want him.**

Back in high school, Mitch protected me from bullies and was at my side through tragedy. It didn't matter that he was a football star and I was a mathlete, or that I was gay and he was straight. We stuck together like glue—until he married a girl and ran away.

Now Mitch is back home, and he's a divorced single dad. His son is in my math class, and I collide with Mitch everywhere in this small town. When he starts bartending at the only local gay bar, I'm screwed. Red's Tavern is my haven, but how can I fake it for other guys when I'm in love with the big jock behind the bar?

Then Mitch invites me into his bed, saying it's just for fun. But I'm addicted to him the second his body is on mine.

I've done the math a million times. I know the odds are bad, but I know I want him.

And now that he's given me a taste, I can't stop begging for more.

## Finding Ky (Custos Securities Series Book 4)

**Author: Luna David**

Partners in every sense of the word, Sawyer and Jackson have been a unit since they were young teenagers. Growing up together in the same foster home, they learned they could depend only on each other. But when Kyler—a boy barely half their age—arrived heartbroken and scared, the young men took him under their wings, vowing to take care of him and protect him.

But then an unimaginable nightmare tears their world apart, separating Sawyer and Jackson from Kyler. Doing their best to keep their vow, even after disaster strikes, Sawyer and Jackson try to ensure Kyler is safe as he grows up without them.

Kyler always thought running from his past was his only option, until his past catches up with him in the form of Sawyer and Jackson. He finally realizes, maybe the only way forward is to go back to the past. But in doing so, the three of them find themselves embroiled in a family vendetta that spans decades, threatening to upend their world once again.

Will Sawyer and Jackson finally be able to fulfill their promise to keep Kyler safe— while proving they accept and love him for who he is—or will the odds always be stacked against them?

**Author's Note:** Kyler is genderfluid, for more specifics and/or if you prefer trigger warnings, please use the "Look Inside" feature to find them within the first several pages of the book. Ignore them, otherwise. Happy reading!

## Stud (Four Bears Construction Book 5)

**Author: K.M. Neuhold**

**Stud: A boss, knob, or nail head...or, you know, the hot guy who's way too young to keep asking me out with that adorably earnest smile...**

It's been three years since West walked into my bar and asked me out for the first time. I was relieved he stopped asking after the first few "no"s and a way-too-good-to-be-real kiss. He's fifteen years younger than I am; it can only lead to trouble.

Of course, now he's running through people off dating apps like it's his job and wearing these lace panties that look really unfair on someone as furry and muscular as he is, and, um...what was I talking about?

I probably shouldn't sabotage his dates, but I'm only human. I might not be ready to admit that I want him, but I'm definitely not ready to let anyone else have him either.

He's too perfect, too hot, and I am in way too much trouble...

\*\*\* Stud is a friends-to-lovers, construction-worker-in-panties, omg-so-much-swoon story that happens to be the fifth book in the Four Bears Construction Series. Every book in this series CAN be read as a stand alone, but they're a lot more fun together!

## The Unicorn Union (Fairytale Mates Book 1)

**Author: Hawke Oakley**

**Magic wishes only come true in fairytales... Or do they?**

Raising a toddler is hard enough, but it's even harder if you're a single omega like Ryan. He's not sure how much longer he can stand being alone, especially when he's surrounded by happy couples everywhere he goes. Maybe he should take a page from his son's favorite story, *Magic the Unicorn*, and make a wish for a happily-ever-after of his own.

Enter Ulysses the real life unicorn. A shifter. AKA, a being that shouldn't even exist, as far as Ryan knows. Not only is Ulysses 100% real, but he's kind, compassionate, and smoking hot. The best part is that he adores Ryan's son, Andrew, as if he were his own.

Could fairytales be true after all?

*The Unicorn Union is a sweet and fluffy 20k mpreg novella featuring a human omega, an alpha unicorn shifter, and an adorable toddler. It is a standalone with no cheating and a HEA.*

## You Are Cordially Invited: Auckland Med #5

**Author: Jay Hogan**

There's a wedding in the air at Auckland Med, but Reuben wonders if they'll survive the stress long enough to say, 'I do'. Cam is directing the entire operation with his combat eyeliner in place, whilst the wedding party is doing its best to ignore him. The pressure is mounting and the cracks are beginning to show.

There's a bachelor party to survive.  
The paparazzi to outrun.  
A wedding outfit to confirm.  
A rugby game to win.  
A jerk of a father to cope with.  
A stunning opportunity to consider.

A relationship to untangle.  
And a shocking event that could derail everything.

With the universe conspiring against them, Reuben and Cam will have to summon every scrap of belief they have in each other to make it to their vows.

## Legendary Daddy (Love in LA Book 1)

**Author: Mia Monroe**

*I knew he would be my Daddy one day. Now I have to convince him.*

My vision board has three things on it:

Move to LA  
Become a popular director  
Meet my idol and make him fall for me

What can I say, I'm a dreamer.

My chances of making that last one happen were slim to none, until one day, fate shined upon me and I was standing face to face with the man himself, Legend. A scandal took him out of the spotlight and the dating world, but I'm determined to make him mine AND return him to his rightful spot as the adult industry's top Daddy.

He's been wronged in the past, but I know I can be his perfect boy. Convincing him to give his career and love life another chance isn't going to be easy, but if fate is still on my side, our life together could be: Legendary.

Legendary Daddy is a steamy, age gap, Daddy/boy romance with a tenacious aspiring director, a scandal weary performer, a dash of hurt/comfort, and learning that it's never too late to live life on your own terms. It is book 1 in the Love in LA series featuring doting Daddies and sweet boys finding love in Los Angeles.

## The Alpha's Warlock (Mismatched Mates Book 1)

**Author: Eliot Grayson**

**Cursed, mated, and in for the fight of their lives...**

Warlock Nate Hawthorne just wants a cup of coffee. Is that too much to ask? Apparently. Because instead of precious caffeine, all he gets is cursed by a pack of werewolves who want to use him for his magic. Now the only way to fix the damage is a mate bond to a grumpy and oh-so-sexy alpha in the rival pack, who happens to hate him. This is so not how he wanted to start his day.

Ian Armitage never intended to take Nate as his mate. The Hawthorne family *can't* be trusted. Ian knows that better than anyone. The fact that he's lusted after the way-too-gorgeous man for years? Totally irrelevant. Ian's just doing what is necessary to protect his pack. This whole mating arrangement has nothing to do with love and never will. That's his story and he's sticking to it.

Nate and Ian will have to work together if they have any hope of staving off the pack's enemies and averting disaster. That's assuming they can stop arguing (and keep their hands off each other) long enough to save the day...

*The Alpha's Warlock is an explicit M/M paranormal romance featuring a snarky warlock, a brooding alpha werewolf, knotting, enchanted socks (long story), and a guaranteed happily ever after. This series does not contain mpreg.*

## Torn Apart: a New Adult Why Choose Romance (Torn and Bound Duet Book 1)

**Author: K Webster**

From USA Today bestselling author K Webster and Nikki Ash comes Torn Apart: an angsty, new adult, why choose romance.

I've spent the past three years in college terrorizing the dean, also known as my father.  
I'm everything he hates.

Troublemaker.  
Slacker.  
Gay.

But I'm only getting started.  
I'm about to make Dad really proud with my newest life choices...

I fall for my best friend, Mia, who's a freaking chick.  
I'm dying to make out with my enemy, dude bro Brayden.  
And best of all, I want to bone my new roomie, Drew, who happens to also be the school's new hockey coach.

Senior year's great.  
I'm still the world's worst human.  
I've made all the wrong decisions, and when Dad gets wind of my newest mess, he might actually disown me this time.

But I can't stop.  
I don't want to stop.

In typical Ashton Carter fashion, I wreck my life in the worst possible way.  
It isn't until it's all torn apart, I realize I have a problem.  
Me.

Authors' note: Torn Apart is a full-length mature, new adult, why choose romance between friends to lovers, enemies to lovers, with a bit of taboo thrown in. This story contains MF/MFMM/MM scenes. It's the first book in the Torn and Bound duet and ends with a cliffhanger.

## Hell Breaks Loose: Hellhound Champions Book Four

**Author: Macy Blake**

Safe to say Achim's life wasn't going as planned. First, his mission for the fire goddess ended up with him—a hellhound who'd never actually been to hell—being sent precisely there. Worse, he found himself stuck in the strange hellscape with Ozias, a guy who's a) hotter than the fire of both suns in the hell-realm, b) really, really likable, despite his arrogance, and c) oh yeah, the *actual* prince of hell.

Their connection comes in handy, though, when a demon escapes into the human realm and Ozias is sent to track it down. With magic fluctuating wildly around them, the hellhound pack is run ragged trying to keep the supernatural world a secret from the humans... especially since Achim is just a wee bit distracted keeping his mind and hands off the gorgeous-but-cocky prince. But when the strange forces wreaking havoc on the human realm attempt to drive Achim and Ozias apart... well, that's when things get really messed up.

Because if they think they're gonna keep a hellhound from the guy who might just be his mate... They're gonna watch all hell break loose.

## Goal Lines & First Times (CU Hockey Book 3)

**Author: Eden Finley**

**COHEN**

It turns out making out with my best friend in high school could be considered gay. Who knew? Apparently, everyone but me.

Now that it's been pointed out, I can't help reliving it in my head. Repeatedly. Goodbye Denial Town, hello Confusionville.

When my path leads me down the gay dating app route, I don't expect to meet anyone I like, but then I meet him.

He can't be more opposite than me. He's smart, he hates hockey, and he identifies as demi—something I've never heard of.

Yet I can't deny something's there. Something I want to explore in person. If only I could get him to agree.

**SETH**

All my life, I've felt broken.

Sick of being asked if I could be gay by ex-girlfriends, friends, and even my parents, I join a gay dating app to prove a point.

I don't expect to find what's always been missing. A real connection.

The problem is, I'm too scared to meet him in person. He's a hockey player, and I fear when he finds out my twin plays for the NHL, I'll be overshadowed by my overachieving brother. Again.

Worse yet, what happens if we meet and that connection isn't the same?

When I tell him I'm not ready, he's disappointed but supportive. Fate, on the other hand, isn't as accepting.

I had no idea the person I've been falling for is someone I already know.

## **Played (Auctioned Book 4)**

**Author: Cara Dee**

### **Book 4 of 5 Romantic Suspense Hurt/Comfort Action Family**

*The Auctioned Series is a journey packed with action, nail-biting suspense, family, and love. In Gray and Darius's fight for freedom and a future where they aren't haunted by the ghosts of their pasts, they'll make you laugh, cry, possibly yell at your e-reader, and swoon just a little bit.*

One last mission. One last operation—and the stakes had never been higher. Truth be told, Darius was exhausted. He didn't want his past mingling with the life he was building with Gray and the kids, but he had no choice.

They were facing their biggest threat yet, and in order to even stand a chance, Darius had to revert to the man he'd once been. He had to set aside fatherhood and love and be the grunt, the private contractor, the soldier who went deep behind enemy lines.

It was time to rally the troops. With Gray by his side, Darius cashed in the last of his favors and put together a crew that would hopefully help them bring an end to this chaotic year. The desert waited for them. Again. So did Las Vegas.

The problem with Vegas...?

Just when you thought you knew how to play the game, it played you.

*This story takes place in Cara Dee's Camassia Cove Universe, a fictional town where all books/series' stand on their own, unless otherwise stated. The Auctioned Series should be read in the following order: Auctioned, Stranded, Deserted, Played, and Finished.*

## **Lovers (A MMF/MM romance) (Voyeur series Book 2)**

**Author: Fiona Cole**

I loved him first.

Jake was my best friend in college—my very straight best friend, until one night he was more. He may have ran after what happened between us, but I never forgot him.

When fate puts us in the same place, five years later, he has a fiancée by his side. Carina is beautiful, driven, and draws my attention almost as much as he still does.

A game of truth or dare leads to a wild night and a relationship that has all our feelings growing into something bigger than any of us intended.

But what happens when our feelings deepen? Can I handle being with two people?

If it means I can have him, I'll love them both.

## **Finn's Fantasy: Maine Men, Book One**

**Author: K.C. Wells**

### **A secret desire**

By day, Finn builds houses on the coastline of Maine. Afterhours, Finn dreams of the hot older guy who walks his chocolate lab on Goose Rocks Beach. The man of his dreams ticks all his boxes. Salt and pepper hair. Strong jawline. Blue eyes.

His dream man is perfect fantasy material. As for actually speaking to him?

As if. Their paths won't ever cross, and the guy is probably straight.

### **A new chapter**

Recently divorced Joel is finally living as a gay man, but he's not sure he's ready to jump into a relationship. That doesn't stop him from noticing his new contractor's muscular build, hewn from hard, physical work, or his storm-colored eyes. Or the way he wears his tool belt slung low on his hips. The icing on the cake? There's more to Finn than good looks. Maybe he's the perfect guy to share long walks on the beach and warm nights in front of a fire.

But it's been twenty years since Joel was with a man. While he's not forgotten how to flirt, he's nervous about making a move.

Especially with Finn.

## **The Alpha Experiment (Mismatched Mates Book 5)**

**Author: Eliot Grayson**

Studying shifter genetics takes brains, patience...and sometimes simulating mating rituals with your alpha-werewolf bestie. You know, for science...

Brilliant geneticist Newton McEwen, the only human in a family of werewolves, has devoted his life to researching the scientific key to shifter magic. Now he's being blackmailed and his life's work is threatened if he can't produce results.

Alpha werewolf Colin Kimball is a newly-minted pack leader with a mountain of responsibilities, but when his lifelong best friend tells him he needs help, Colin drops everything to run to his aid. But Newt's not just looking for a brawny bodyguard to watch his back—he needs help with an experiment, one he can't carry out alone.

Out of academically approved methods, and desperate to accelerate his research, Newt's trying a last-ditch approach, with himself as the test subject. And the very alpha Colin as the catalyst.

Determined to succeed, Newt's willing to get up close and personal with Colin as many times as it takes. Only feelings weren't a variable logic-minded Newt took into account. Now not only is Newt's career on the line, his most important relationship is at stake. Can they outwit Newt's blackmailer and move on from their experimentation...or will they lose the friendship that means everything to them?

The Alpha Experiment *features not-so-scientific mating rituals, magical handcuffs, some very inappropriate outdoor activities, knotting, and a guaranteed happily ever after. Even though it's number five in the Mismatched Mates series, it can be read as a standalone. The series does not contain mpreg.*

## **Probably Maybe Omega: An M/M Mpreg Small Town Romance (Maybe Mine Book 2)**

**Author: A.W. Scott**

**A clueless Omega + An Alpha with a need to breed = A fast-paced, dirty talking tale.**

Bradley Pine loved his work as a librarian. He was paid to spend his days in the one place he truly loved - the stacks. Being nice to the patrons comes easy to him. Well, all except for one guy.

The new-to-town recluse managed to get under Bradley's skin and he can't figure out why.

Colin Krafter left the big city life three months ago to escape to the mountain town of Silver Springs. He came hoping the fun little town and its townspeople would revive his muse. It's been months since he could find anything to inspire him.

Actually, that's a lie. A certain Omega has captured his eye recently, but the guy wants nothing to do with him.

*Probably Maybe Omega is book two of my new fluffy, Omegaverse **Maybe Mine** novella series. These books can be read as standalone, though the stories and characters do overlap. Expect humor, heat, and my HEA guarantee with this one.*

## **Zach's Secret Pregnancy: An M/M Mpreg Wolf Shifter Romance**

**Author: Nika Lucas**

***What do you do when you meet the man of your dreams, but it's too late? Because you're carrying another man's baby?***

That's what's happened to omega wolf shifter Zach Prince. He thought he'd found his Happily Ever After – until his boyfriend tells him that the baby isn't his. It is, but Zach isn't going to stay with an alpha that doesn't want him.

Four months into his pregnancy, he meets alpha wolf shifter Marshall Booth, a catcher for the Portland Predators professional football team. Zach knows that he's the one, his true mate.

But can Marshall love an omega who is knocked up with another alpha's child?

**Zach's Secret Pregnancy** is a sweet and spicy m/m wolf shifter mpreg romance, with male pregnancy, no cheating, and a HEA.

Around 16,000 words, or about 90 minutes to two hours of reading pleasure.

## Under the Udala Trees

**Author: Chinelo Okparanta**

Inspired by Nigeria's folktales and its war, *Under the Udala Trees* is a deeply searching, powerful debut about the dangers of living and loving openly.

Ijeoma comes of age as her nation does; born before independence, she is eleven when civil war breaks out in the young republic of Nigeria. Sent away to safety, she meets another displaced child and they, star-crossed, fall in love. They are from different ethnic communities. They are also both girls.

When their love is discovered, Ijeoma learns that she will have to hide this part of herself. But there is a cost to living inside a lie.

As Edwidge Danticat has made personal the legacy of Haiti's political coming of age, Okparanta's *Under the Udala Trees* uses one woman's lifetime to examine the ways in which Nigerians continue to struggle toward selfhood. Even as their nation contends with and recovers from the effects of war and division, Nigerian lives are also wrecked and lost from taboo and prejudice. This story offers a glimmer of hope — a future where a woman might just be able to shape her life around truth and love.

Acclaimed by *Vogue*, the *Financial Times*, and many others, Chinelo Okparanta continues to distill "experience into something crystalline, stark but lustrous" (*New York Times Book Review*). *Under the Udala Trees* marks the further rise of a star whose "tales will break your heart open" (*New York Daily News*).

## Show Me (Extracurricular Activities Book 3)

**Author: Neve Wilder**

**Two Roommates. One Camera. A whole lot of action.**

I get crushes the way some people get seasonal allergies.  
And sharing a house with four hot roommates is like being stuck in permanent spring.  
Too bad I keep getting friend-zoned.

But it's senior year now, and I'm done pining for the impossible.  
Time to live it up and go out with a bang.  
Or a lot of bangs.

And I'm definitely, *definitely* not getting attached to anyone.  
Especially not my straight, gym-loving, football-player roommate Sam whose impressively large... *smile* I caught a glimpse of once.  
Or several times.

That's why, when Sam asks me for help with a very special, very NSFW project so he can make a little cash, of course I agree. In the name of *friendship*.

And if it turns out that Sam's more than just muscles—that he's sweet, and smart, and a little bit filthy, and a whole lot less straight than I thought—well, that's neither here nor there, because this time I'm gonna be smart. This time, I'm friend-zoning *myself*.

We've got a list of deliciously hot scenarios, a camera, and Sam's huge... *smile*. What could possibly go wrong?

From the author of **Want Me** comes the third new adult college romance in the Extracurricular Activities series. Expect low angst, high heat, plenty of laughs, a flustered redhead, a gentle giant of a football player, and enough BDE to power a mid-size city.

## Beautifully Unexpected

**Author: Lily Morton**

Sometimes love comes when you least expect or want it.

Magnus Carlsen is determined to grow old disgracefully. At fifty-two, he doesn't believe in keeping anything. Men, sofas, books—everything gets jettisoned, eventually. He's divided his life into happy compartments. A successful trial lawyer, he spends his days lecturing jurors, exasperating judges, and striding

arrogantly around courtrooms. He fills his nights with a parade of handsome young men who want to make him happy. Why date someone his own age to discuss back pain, retirement-planning, and corns, when he can date men who don't care to discuss anything at all?

However, when one of these sunny young men shows an inclination for dramatic scenes, Magnus meets his new neighbour. And his whole world implodes.

Laurie Gentry is nearly the same age as Magnus, but that's where the similarity ends. He's messy and creative and nosy and mysterious. He's everything that Magnus has spent a lifetime avoiding. So, why can't he get Laurie out of his head?

Luckily, Laurie is only in London for the summer. Magnus can uncover Laurie's mysteries and indulge their annoyingly hot attraction, and Laurie will be gone before complications arise. A few months isn't long enough to lose his heart. Is it?

From bestselling author, Lily Morton comes a romantic comedy about two footloose older men and how one summer in London brings something quite beautifully unexpected into their lives.

## **Rule of Law (The Goode Life Book 3)**

***Author: Isla Olsen***

### **Lawson**

I have one rule when it comes to my sex life: I only hook up with guys who identify as straight. It's a tried and tested way of avoiding the cling factor, which I've found to be a huge problem in the past. A one-night stand with a curious 'straight' guy is the perfect situation: no strings, no mess, no dodging unwanted texts and phone calls.

Is it the most healthy way to handle my commitment issues? Probably not, but it's what I've got right now.

Of course, there's one straight guy who's completely off-limits. And because irony's a bitch, he's the one guy I just can't stop thinking about...

George Goode is sweet, charming, hilarious, and sexy as hell. And he's also become one of my best friends since I moved to the tiny town of Finchley about a year ago.

But let's make one thing clear: I do not have feelings for him. I don't get feelings. I'm not wired that way. I just think about him all the time, I miss him when he's not around, and I seem to spend a lot of my time daydreaming about snuggling on Sunday mornings and visiting farmers markets together. All totally, one hundred percent normal stuff to be thinking about one of your best friends...right?

You'd think, given everything, that when George decides to express a little curiosity, I'd be a hundred percent on board. But for some reason it's not quite as simple as all that...

*Come visit Finchley, CA, where the sun's always shining, the locals are always gossiping, and you won't walk two steps without bumping into a member of the Goode family. If you're lucky you might find gold; or, even better...true love.*

## **Radio Static: An MM Romantic Mystery**

***Author: Nicky James***

***Two single dads.***

***Two headstrong teenagers.***

***One dead body.***

A cabin in the middle of nowhere, nature all around, peace and serenity. It was supposed to be a vacation to help Nova reconnect with his son.

But he didn't expect to fall for his neighbor in the cabin across the lake.

He didn't expect an erratic and unusual broadcast on a radio station no longer in existence.

And he definitely didn't expect a dead body in the water.

Mercy likes his mysteries to stay within the pages of his novels. When strange things start to happen at his summer cabin, he and his daughter team up with the man and his son on the other side of the lake to get to the bottom of it. A little amateur sleuthing won't hurt anyone, right?

Someone out there knows the truth.

Who is the man on the radio?

What does he know?

Mercy and Nova are determined to solve the mystery, but are they willing to risk life and limb for answers? Because someone doesn't want their secrets revealed.

*\*\*Radio Static is an MM romantic mystery involving two single dads in their midforties.\*\**

## **Hostile Takeover**

**Author: Lucy Lennox**

It was supposed to be a prank. A silly frat boy dare.

One hot moment in a hidden storage closet. One kiss. No consequences.

But if you get that close to a man with fire in his eyes, you're gonna get burned, and I was no exception. One taste of Grey Blackwood ruined me for life.

The way Grey sees it, I was the one who did the ruining. I humiliated him. Wrecked his life. Destroyed his future.

Doesn't matter that he's clawed his way back and then some. Doesn't matter that he's already top of the Wall Street food chain. The man's ruthless. Heartless. And he likes his revenge served cold.

Now he's taking down the companies owned by every frat boy who did him wrong. And when he comes for my family's company, the quiet life I've built for myself far away from Manhattan comes crumbling down, too.

But when Grey's standing in our boardroom, threatening a hostile takeover and demanding I negotiate on behalf of my family, I don't see an enemy. I see the chance I've been waiting for.

The chance for another night in his arms, and hopefully a whole lot more.

Let the negotiations begin.

*Hostile Takeover is a full-length, standalone novel.*

## **Remington: An M/M Mafia Romance (The Theriot Family Book 1)**

**Author: Silvia Violet**

**A mobster rescued me, and I rescued him right back.**

I should never have approached Remington's car. I knew he was dangerous, but he needed help and I was sure he could pay well for it.

When he offers me an astronomical sum to stay with him for two weeks, I can't say no. Even then, I know when our time is up, I'll wish we had forever.

Remington cares for me like no man ever has, and I can't help falling for him. But how could a crime boss be my Prince Charming or give me the fairytale happily ever after I've always dreamed of?

---

## **Pretty Boy (Perfect Boys Book 1)**

**Author: K.M. Neuhold**

**Once upon a time, in a little Texas town in the middle of nowhere, there lived a boy who everyone called ugly...**

When half your face is covered in a big, blotchy birthmark, you get used to the staring and the whispers. You get used to feeling unwanted.

Until he walks into my bar...

Tall, gorgeous, and all kinds of out of place. And the way he looks at me ain't like no way I've ever seen before.

Does he mean it when he says he wants to take me away from here? Nobody's ever wanted me around for long. Can I believe Barrett when he says that's what he wants?

Something about the word Daddy on my lips makes it all seem possible. Even if I don't really believe anyone would want to keep an ugly boy like me forever...

\*\*\* Pretty Boy is a low-ish angst, steamy, sweet Daddy story with NO age play.

## Following the Rules: Nerd/Jock MM Romance (The Script Club Book 1)

**Author: Lane Hayes**

**The geek, the jock, and a new set of rules...**

Topher-

My friend's brother needs an academic assistant and I need a job. Problem...jocks are my weakness. Seriously. I lose my ability to speak coherently around muscle-bound hotties. Oh yeah, I lose my inhibitions too—not a good look for a guy with a genius IQ. So what am I going to do about Simon?

Simon-

Finishing college isn't high on my list of priorities, but my future in professional football is looking bleak. I need a plan B or C, and I could use some help navigating life as an undergrad. Topher is perfect. He's also a little strange...but in a good way. And I like the way I feel when I'm around him—as though anything is possible. Maybe if we follow our hearts, we'll find what we're looking for. But that means changing the rules...

*Following the Rules is a MM, bisexual awakening romance starring a lovable nerd, a cool jock, and some extracurricular fun.*

## Bad Habits (Wages of Sin Book 1)

**Author: Neve Wilder**

**Jonah taught Cas a million ways to protect his body but not one to protect his heart.**

Smart-mouthed hacker Caspian escaped an abusive home at sixteen. Now he's one of the most sought-after black hatters in the world.

Jonah is a ruthless contract killer with only one weakness, the vibrant runaway he took in years ago: Caspian.

But Cas bailed when he turned eighteen, and Jonah has maintained a steady diet of eat, kill, sleep since then.

***Jonah had always been the fatal flaw in Cas's code, the bug that froze the part of his brain separating logic from emotion.***

A threat to Cas's life brings him back years later—not as the boy Jonah remembers, but as a hardened computer hacker with a price on his head and a list of names everybody wants.

The chemistry between them is as undeniable as it is dangerous.

In a world of secrets and murder, trust is a liability and feelings can get you killed. But Jonah let Cas go once, and he's not willing to do it again. Even if it means confronting his past, solving a twisted puzzle, and taking out half of New York City's seedy underbelly to keep Cas safe.

*Bad Habits is a steamy, action-packed thrill ride of a romance with a HEA and no cliffhangers. It features morally ambiguous men, pancakes drizzled with snark, chosen family, drive-in movies, and the kind of love that drives a guy to murder in order to protect. In short: all the emo, heat, and sarcasm you'd probably expect from an Onley/Neve collaboration. This is book 1 in the Wages of Sin series. Each book will follow a new couple.*

## Face Offs & Cheap Shots (CU Hockey Book 2)

**Author: Eden Finley**

**JACOBS:**

For the last three years, I've lived and breathed hockey with one goal: team captain. There's only one thing standing in my way.

TJ Beckett.

Beck is irresponsible and immature, and I've hated him since the moment we met freshman year. Yet, the coaches see something in him I obviously can't, and they refuse to choose between us.

The captain spot is going to a team vote.

And the team thinks that what we need are a bunch of challenges to prove our worth. Challenges that have nothing to do with hockey. Challenges that are throwing me and Beck together.

And he's still as infuriating as ever.

**BECK:**

I have no idea why Christopher Jacobs hates me, and I can't say I care.

I like pushing his buttons, but the guy needs to loosen up. I'm going to win these stupid challenges easily and spend my senior year as hockey king on this campus.

Tormenting Jacobs at the same time will just be a bonus.

Even if I'm getting confusing feelings toward him, I won't let it hold me back.

When it comes to competing, I'm all in, and nothing will get between me and the W.

---

**Just Friends (Never Just Friends Book 1)****Author: Saxon James****Roo**

Five years ago, I walked away from Sunbury, Oregon, and left my best friend behind.

The move was supposed to get my life on track. I even had a list.

*Life changing epilepsy surgery. Check.*

*See the world. Check.*

*Get over my straight best friend ... Not exactly.*

No matter where I go or who I meet, I can't let Tanner go.

I'm back to tell him how I feel. To get the closure I need once and for all.

Only now I'm here and falling for him all over again, it's getting harder to say the words.

Because once I have my closure, I'll be gone.

And this time it will be for good.

**Tanner**

When my best friend, Roo, left for Australia, it was the worst day of my life.

I thought we'd have each other always.

But Roo needed the surgery so I let him go, thinking he'd come straight back.

*Five years is a long time.*

Now he's here, all I want is to hold on tight.

I need to show him what he means to me.

The problem is, I'm not exactly sure what that is.

My draw to him has always been confusing and different—everyone in town says so. But I struggle to understand it.

All I know is I won't survive him leaving again.

And I'll do anything to make him stay.

**Just Friends is a best friends-to-lovers romance with an oblivious MC, only one bed, and terrible kangaroo jokes.**
