

## Maid for the Beast (Interstellar Brides® Program: The Beasts Book 2)

**Author: Grace Goodwin**

**An Atlan Warlord in Mating Fever with two choices:** Be the latest bachelor beast on an Earth reality television show to find his perfect mate or face certain death in an Atlan prison. Braun's not sure which is worse... until a female enters his hotel suite with towels and cleaning supplies.

She isn't part of the television show.

She isn't available.

She isn't interested in mating with an alien.

She isn't *his*.

Try telling that to his beast, because one look at the maid and Braun knows he will do anything... *anything*, to claim her.

## House of Earth and Blood (Crescent City Book 1)

**Author: Sarah J. Maas**

**A #1 New York Times bestseller!**

**Sarah J. Maas's brand-new CRESCENT CITY series begins with House of Earth and Blood: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance.**

Bryce Quinlan had the perfect life-working hard all day and partying all night-until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths.

Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose-to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach.

As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they'd only let it.

With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom-and the power of love.

## Alien AI's Marine (Warriors of the Lathar Book 14)

**Author: Mina Carter**

**He's the lone human male in a sea of lethal alien warriors. He's either gifted or suicidal...**

Kidnapped by aliens, rescued, and now on a secret base in a system he can't even pronounce, Major Jay Stephens has given up on a wing and a prayer... he's now on kicking butt and taking names. Especially when it comes to the alien AI who's risked everything, even her 'life' to protect him.

The only problem... she's gone and gotten herself a body. Beautiful and delicate, she evokes reactions in him that should be illegal. The REAL problem? An AI in physical form is totally illegal and against just about every law in Latharian society. Which means lots of lethal aliens want to kill it, and by extension, his AI.

And that's going to be a problem. Because Jay thinks... no, he *knows* he's in love with her, and no little (large) green (totally not green) men are going to draanth up the best thing he ever had...

**She never wanted a body. Until she met her human marine.**

One of the most advanced AI's in the empire, Keris is used to being so much more than any biological could dream of. She never expected that saving a lone human would lead to her taking physical form...

But a new form comes with a whole host of new problems. She's gone from being able to run a ship single-handed to struggling to co-ordinate her own two legs. And when Jay is around, her new brain quits functioning. All she can think about is the handsome human, and what his lips would feel like on hers...

But when the chips are down and Jay is taken from her, she'll show them that any woman scorned is a dangerous thing, AI or not...

## The Segonian (Aldebarian Alliance Book 2)

**Author: Dianne Duvall**

**A USA TODAY Bestseller and Barnes&Noble Press Top 5 Favorite Indie eBooks Pick**

**New York Times bestselling author Dianne Duvall brings readers the second stand-alone novel in a thrilling new sci-fi romance series full of action, humor, and happily-ever-afters.**

Eliana's life has never been what one might term ordinary. At least, it hasn't been for a very long time. As a powerful Immortal Guardian, she spends her nights hunting and slaying psychotic vampires that most of humanity doesn't even realize exist. Then an opportunity arises that instantly makes her extraordinary existence seem downright boring. The leader of the Immortal Guardians asks her to guard a group of mortals who are embarking upon a voyage across the galaxy to the planet Lasara. How could she possibly say no?

In no time at all, Eliana is hurtling through space on board a Lasaran battleship and getting to know not one but *two* alien races. It's the most exciting adventure of her long life... until the ship is unexpectedly attacked. Amid the chaos and destruction that follow, she valiantly helps everyone she can before an explosion renders her unconscious. When Eliana awakens, she finds herself alone, floating in space, clad only in a spacesuit, with no ship in sight. Alone--that is--except for the warm, deep voice that carries over the comm in her helmet.

Commander Dagon and the crew of the Segonian battleship *Ranasura* respond to a distress call from their Lasaran allies and join a massive Alliance-wide search-and-rescue mission. He quickly achieves communication with a lone Earthling female and races toward her. Every time they speak, his fascination with her grows and he becomes more desperate to reach her before her oxygen supply runs out. Her strength, bravery, and humor entice him, even more so when she defies all odds and they meet in person.

As he and Eliana embark upon a quest to find her missing friends, a bond swiftly grows between them that deepens with every laugh and smile and tender touch they share. But they are not the only ones searching for Earthling survivors. When Eliana herself becomes the hunted and their enemies begin to close in, can the two of them fight their way to victory, or will their enemies take everything?

## Playing Their Parts: Kindred Tales 31

**Author: Evangeline Anderson**

**Two detectives, hot on the heels of a killer...**

**Undercover as adult actors on the wild planet of Bachanalius**

**Will Steel and Cassie find passion while...**

**PLAYING THEIR PARTS?**

Cassandra Steel and Commander Stone are a unique pair. Together, they comprise the first human/Kindred detective team on the Tampa PD. Their caseload is pretty normal until a heinous new crime is committed--a woman is murdered and it appears that the culprit is a Kindred.

Knowing that a Kindred warrior would never hurt a female, Cassie and Stone start following the trail of the murderer. But it leads them all the way to Bachanalius, a planet devoted entirely to the production of all kinds of alien adult entertainment.

Undercover as "actors," can Cassie and Stone keep their partnership intact? Will making naughty vids together bring them closer together...or drive them apart entirely? And what about the murderer they are stalking? Will they catch him before he kills again?

You'll have to read *Playing Their Parts* to find out.

## **Decadence (Darkstar Mercenaries Book 4)**

***Author: Anna Carven***

The retrieval mission was supposed to be simple. Get in, get the human females, kill the slavers, and get out. As a former High Commander of the Kordolian Imperial Military, Ikriss Peturic has seen--and done--much worse.

But one female in particular has been treated a lot more badly than all the others.

As he took her away from her tormentors, carrying her in his arms, she hovered between life and death.

Now she is safe. He should be able to forget about her. A new threat has appeared, and he has work to do.

So why is he so angry and restless all of a sudden?

Why can't he focus?

Why do the bases of his horn-buds throb?

What *is* this cursed madness?

*Decadence is Book 4 in the Darkstar Mercenaries series. It's a full-length novel (110 000 words) featuring a lethal silver-skinned alien hero, a human heroine, and the usual action, violence, steamy sex scenes, and HFN ("happy for now") ending. It will probably make more sense if you've read the previous books first, especially Sanctuary.*

## **Noxx: Alien Adoption Agency #1**

***Author: Tasha Black***

**The Alien Adoption Agency is going to make all of Luna's dreams come true.**

At least, that's what Luna believes when she boards a rickety space craft headed for a frontier moon to meet the child she will raise in exchange for 100 acres of land and a modest stipend. But she doesn't count on the dangerous animals, the short but lonely nights, or the big blue warrior who informs her he is on permanent security duty for the baby.

Noxx is a proud dragon warrior of the Invicta, dedicated to use his strength, strategy and endurance to protect his homeland. When his commander assigns him guard duty for a baby, he resents the interruption of his career. It's bad enough that he's starting to bond with the little whelp, but the instant he sees the child's adoptive mother, he knows she is his fated mate. Noxx will have to deny his desperate craving for the dark-haired beauty if he wants to hold on to his chance at redemption.

When a last-minute trek through the forest of Clotho gets them entangled in a dangerous battle, Luna will have to learn to trust the hunky blue warrior. But can the dragon let go of his duty long enough to let himself love someone, and be loved in return?

## **Class Zero (Stellar Born Book 3)**

***Author: Viola Grace***

Growing up in the shadow of one of Terra's champions was a comfortable place to be. Padana was the third child of the Empress Amanda Tyrell of the Haldis Imperium, and she was a very requested bride.

Being a class zero like her mother, Padana has nothing to offer the next generation. Any child she bears will breed true to the father. This attracts a certain type of suitor who has every interest in her position as princess and none as her descendant of a champion. Padana finds this annoying.

Yomin is the heir to an empire, a guardian, and a descendant of a class zero himself. It is a requirement for his line that the aspects of Hredu breed true. Getting a portrait from the artist Rhoda had given him a woman to find, and locating her in the Haldis Imperium had meant some high-level negotiation. Fortunately, he had just met an excellent negotiator.

## **Chameleon: Alien Castaways (Intergalactic Dating Agency)**

**Author: Cara Bristol**

When you wish upon a falling star, er, UFO...

Young widow Kevanne Girardi catches sight of a meteorite streaking across the sky and wishes for a good handyman to help make her rundown lavender farm a big success. Instead, she gets a shapeshifting alien who apparently has never seen a leaky faucet before. But his loving and noble spirit make him just the man to fix her wounded heart. He hasn't promised her forever, but a girl can hope, can't she? Maybe she'll make another wish...

When his ship tumbles out of the sky and lands on Earth, Chameleon never expects to fall for a human woman. Unfortunately, he can't stay. He made a mistake that led to the devastation of an entire planet, and now the survivors are depending on him to get them to safety. He must repair his ship and leave before the Xen Consortium finds him and Earth becomes endangered, too. But oh, he wishes he could stay with Kevanne forever...

Can a twist of fate make their wishes come true?

## **Storm of Eon (Eon Warriors Book 7)**

***Author: Anna Hackett***

**When a Terran weapons scientist finds herself the target of deadly alien assassins, only one fierce alien warrior can keep her safe.**

Weapons scientist Dr. Finley Delgado wants to get her new laser defense weapon operational to protect Earth from the insectoid Kantos invasion. She *has* to make this work. She's failed in the past and people paid with their lives, and she won't fail again. What she doesn't need is a big, brawny warrior that Space Corps orders her to work with getting in her way. Finley wants her solitude, not a massive distraction in the shape of a tall, hard Eon warrior.

Security Commander Sabin Solann-Ath is a warrior through and through, like his entire family before him. He's disciplined, dedicated, and hiding a dark secret he'd prefer to keep buried. He won't allow anyone or anything to disrupt his control. When he's ordered to Earth to help with a secret weapon, he vows to do everything he can to help their allies, even work with a statuesque, prickly scientist. He and Finley get off to a rocky start...but when the Kantos send a team of assassins after Finley, Sabin will do anything to protect her.

Sent to a secret facility deep in the Australian desert, Finley and Sabin are drawn closer and closer. She sees beyond the warrior to the man, and he uncovers a passionate woman. But Finley threatens everything Sabin has fought hard to control, and as they fight off the devious Kantos, they both will face the demons of their pasts.

## **Bachelor Beast (Interstellar Brides® Program: The Beasts Book 1)**

***Author: Grace Goodwin***

Warlord Wulf thought nothing could be worse than being tortured and contaminated by the Hive. That was before he's ordered to transport to Earth and represent The Colony in an unfamiliar horror... a human reality show. The Bachelor Beast is the hottest new program on Earth, but being set up with two dozen clingy females is not his idea of a good time. When his Beast refuses to show the slightest interest in any of the show's potential mates, he knows he must choose one or die due to his raging mating fever.

His Beast prefers execution to claiming anyone but his true mate. Wulf is resigned to his fate, a one-way trip to Atlan, a prison cell and execution. It is the only honorable thing left to do.

Until one glance, one sweet, feminine scent lingering in the air and his beast rages for a female who is not supposed to be his.

But try telling that to his Beast when his entire body transforms on live television and one simple word thunders from his lips...MINE.

## **Kade: Alien Adoption Agency #2**

***Author: Tasha Black***

**She's the target of an intergalactic bounty hunt. But he's going to capture her heart.**

Aurora Day is running from a crime she didn't commit – or at least, she didn't *mean* to commit. But the intergalactic soldiers on the hunt for the woman known as *the Fox* don't care about the details. Hiding out on the remote frontier moon of Clotho is her only hope for survival. But to gain access, she has to adopt an alien baby. Aurora is shocked when she learns that a dragon warrior of the Invicta is part of the package.

Kade knows two things about Aurora. The bright-eyed Terran is going to be the mother of the child he has pledged to guard and grown to love. And the mysterious woman is fated to be his mate. But Aurora has no interest in his love, and she doesn't even seem to be that interested in adorable baby Lyra. She's clearly hiding some secrets, and Kade is determined to unearth them before his dragon's wild lust for her burns them both alive.

When Kade runs afoul of the local law enforcement, only Aurora can save him. The perfect life she's dared to dream of is almost in her grasp, and now it's all

about to come crashing down around her. Will she stand her ground and fight for her new family? Or will the Fox keep running for freedom?

## Skin Walkers: Mason

**Author: Susan Bliler**

Mason EnemyHunter is a Skin Walker who's only had time for work and hunting for his sister. Hell, he didn't even know he had a sister until a siege on the facility where his parents were once captives produced a file verifying her birth. Distracted beyond measure, his treatment of a human female visiting StoneCrow Estates is unforgivable. Never had he physically harmed a female, until now. His inexcusable manhandling of Amanda Chandler leaves him needing to make amends. When his efforts at making things right pulls him from his sole-minded purpose of finding his sister, Mason realizes that he's put his happiness on hold. That's about to change.

Amanda Chandler doesn't know why Mason attacked her. A friend and ally to Skin Walkers, she'd always felt safe in their presence until now. Worse, Mason's guilt over the situation has him turning up every time she turns around. His insistence at making amends has him doing more for her than any man has done in a long time. It's got strange emotions filling her head and a longing tugging at her heart. But Mason isn't for Amanda. He's too consumed with finding his sister, and Amanda's too preoccupied trying to end things with Skin Walker Sentry, Remy McCabe. Mason couldn't have arrived at a worse time, but Amanda can't seem to shake him or the idea of what if.

\*This is book 4 in the Skin Walkers series; however, each book focuses on a different couple and can be read as a standalone.

\*\*\*

Canting his head, Mason watched as wisps of black hair with blue undertones that reminded him of midnight licked around Amanda's face. The wind was harsh, and she wasn't wearing a coat, but he couldn't imagine how she'd manage the feat with the sling that held her injured arm.

Eyes scanning the tree-line, Mason sought out any evidence that Remy had been here recently. Someone had been. With his keen animal eyesight, he picked up large footprints in the snow, but they only skirted the perimeter of Amanda's property, never coming any closer than a few hundred feet. Odd. Why would Remy be spying on his girlfriend?

From what Mason had learned, Amanda and Remy had been dating for four months. It was an on and off relationship that had turned mostly off lately. If rumors were true, Amanda intended to end things with Remy. He smirked at that. Remy was well known at StoneCrow as a lady's man, and Mason knew it would be a blow to the Walker Sentry's ego to be dismissed, especially by a human female. Maybe that's why Remy was slinking around. He was probably trying to find a way back into Ms. Chandler's heart.

Amanda's hissed, "Shhhhit," drew his attention back to her.

He watched as she used a booted foot and her good arm to pry her axe free from the log she'd failed to split. Splitting wood would be difficult for a woman in peak physical condition, so watching Amanda struggle at the task knowing it was his fault she was having such a hard time, filled him with guilt.

Eyes locked on Amanda, they narrowed when she cursed some more and then ripped the sling from around her neck. Gingerly removing it from her injured arm, she tossed the sling into the snow, and then, to Mason's shock, she gripped the axe handle with both hands.

Surely, she's not going to...

A wince claimed her delicate features an instant before she lifted the ax and steadied it in front of her with both hands.

Son of a bitch!

Mason dove from his branch and shot straight for Amanda, but it was too late. Before he could get to her, she was swinging the axe up and over her head with a pain-filled grunt. In a blink and with a jarring thud, the axe buried about six inches into the log and then toppled to the side as Amanda screamed and released the handle. Falling to her knees, her hand shot up to her injured shoulder and clamped onto it in a white-knuckled grip. Eyes pinched shut, Amanda Lamaze-breathed through the pain that Mason could scent before he even landed.

## Age of Deception (The Firebird Chronicles Book 2)

**Author:** *T.A. White*

**War hero and daughter to two Houses, Kira is just beginning to learn how deep the rabbit hole goes.**

Agreeing to accompany her father's people back to their homeworld, Kira Forrest prepares for the fight of her life. She's agreed to undertake the Trial of the Broken, a rite of passage every member of her father's House must pass. It offers a path to independence and freedom that is too tempting to deny.

Not everyone welcomes this lost daughter of Roake. There are those who fear what her presence might bring to light. Betrayal stalks the halls of Kira's birthplace—its roots embedded deep in the events that claimed her parent's lives and set her on her current path.

Walking the wire's edge between truth and deception will test the person Kira has become as she separates ally from betrayer. An old enemy has put into motion a plan that could topple the balance of power in the universe. Letting them succeed spells doom—but the price might be more than Kira is willing to pay.

## **When She's Bold: A Risdaverse Tale**

**Author: Ruby Dixon**

On Risd III, it's custom for women to marry for convenience. It provides safety and security in a universe that offers none for humans.

Me, I don't really \*need\* a husband. I just want one. And I want one man in particular. There's a new guy in town, a by-the-books military man named Rektar. Every day I show up to his office and flirt with him. I bring pies. I twirl my hair. I make it very, very obvious what I want.

Rektar is patient, and gentle for all his hulking form. He'd be a great husband. He's also completely clueless that I'm flirting with him.

So it's time for me to be a little bit bolder...

## **Maid For An Alien Prince: A SciFi Alien Romance (Intergalactic Exchange Program Book 1)**

**Author: Roxie Ray**

**I won't be forced into alien servitude.**

I've spent my life mucking out the houses of the rich and famous. I know what they're really like. They think they can take whatever they want. I learned that the hard way.

Royalty? They have got to be worse.  
I'm not interested in any of them, not even an alien prince.  
I was supposed to be heading to another planet for a one-year housekeeping contract.  
Instead he bought me out.  
Does he think he can own me?  
I don't want him.  
I won't submit to him.  
So why is he so ... nice?

Niall is unlike any rich guy I've ever known, but I still can't trust him.  
Not even when he treats me well.  
He calls me his fated mate!  
But he's an alien prince and I'm a housekeeper.  
We don't belong together.  
So why do I want to kiss him more than I want my next breath?

## **Radoo (SciFi Alien Dragon Romance) (Dragons of Preor Book 13)**

**Author: Celia Kyle**

**The Preor came to Earth with open arms and hopes that they'd find their mates. They were greeted with closed fists and utter hatred.**

Livvy holds no love for the Preor. They said they came in peace, but she didn't believe them for a hot second. They claimed they wished to work together for a greater future for both races. Yeah, she didn't buy that one *at all*.

And yet, when they told her she was fated for one of the dragon-shifting aliens... she knew in her heart that it was *true*.

It was not the Choosing that Radoo had anticipated through the centuries with anxiety-laden hope. Besides, while he fields most of the command duties of the Preor Third Fleet, he has no time for a mate. *Or so he believes.*

Radoo's world is rocked when he comes into contact with Livvy and the Knowing affects him. But what happens when the human fated to be his hates him and everything he stands for? When she belongs to the Resistance who will stop at nothing to drive the Preor aliens from Earth?

Truly, what is Radoo to do when he discovers that his *mate* is his *enemy*?

## **Tyro: Alien Adoption Agency #3**

**Author: Tasha Black**

**Phoebe has nothing but her secrets. Her alien protector is determined to lay them bare.**

Phoebe arrives on the moon of Clotho with a trunk full of secrets and an imagination filled with preconceived notions about life on the frontier. She's more than ready to scrap and fight for her own piece of farmland, and a future for the little one she is adopting. When her new land turns out to be underwater, and the baby shows up in the strapping arms of an Invicta dragon-guard, Phoebe doubles down on her promise to herself to live free, or die trying.

Tyro never asked to be made guardian to a baby. But little Atlas has his heart, and he is shocked to find that the baby's adopted mother has his soul. His inner dragon roars triumphant, but his human side must fight to win her over. If only the headstrong little Terran would slow down long enough to let him claim her before mad desire pushes his restraint to the limit.

When the farm is threatened, the two must work together to protect Atlas's future. But then Phoebe's past comes back to find her, and she has a decision to make that could derail even the best laid plans. Tyro is willing to bet the farm on their future together. Will Phoebe run, or will she decide to land herself an alien?

## **Containing Malice: A SciFi Cyborg Romance (Rebel Cyborgs Book 1)**

**Author: Cynthia Sax**

This tormented cyborg craves vengeance...and her.

\*\*\*

Malice, a C Model cyborg, has spent his long lifespan enslaved by the Humanoid Alliance. His cruel manufacturers have hurt him in all the ways a male could be hurt.

His enemy has now added a new weapon to their arsenal—a tiny human medic with soft hands and a delectable scent. She experiments on him multiple times a shift, delivering pain...and frustration.

He wants her. He also seeks retribution.

Once Malice frees himself, he plans to achieve both of his goals, taking Medic Illona captive and ending her research...permanently.

Illona is as much a prisoner as the cyborgs she experiments on. Since her arrival at the Human Alliance's secret laboratory, she has carefully, stealthily, crafted a plot to free her test subjects. To conceal her covert activities, the medic has been forced to harm beings rather than heal them.

The being she has damaged the most is also the cyborg she fiercely desires— Malice, a huge, gray-skinned, blue-eyed C Model with massive hands and a voice deeper than space. He hates her, has good reason to do so, and, when he's freed, there's a high probability he'll kill her.

Illona will take that risk to ensure he survives.

\*\*\*

Containing Malice is a STANDALONE enemies-to-lovers Cyborg SciFi Romance set in a dark, gritty, sometimes-violent universe.

It is the first of five core stories in the Rebel Cyborgs Series.

Book 1: Containing Malice

Book 2: Under Strain

Book 3: Baring Grudge

Book 4: B Free

Book 5: Seizing Power

## **Mission: Planet Biter (Veslor Mates Book 4)**

***Author: Laurann Dohner***

When his Veslor grouping answers a distress call on planet Biter, Roth discovers a sole survivor. The little female isn't rational and latches onto him like a lifeline. That surprises Roth, since most humans fear him. This one won't let him go, but he must resist his desire for her. It's the only honorable thing to do.

Stuck on an alien planet, her facility sabotaged and all her coworkers dead or dying, Vera Wade isn't sure she'll make it out alive. They've all been exposed to a drug that is making them crazy. She's slowly losing all hope, until an alien shows up. He feels real, but he's probably just another hallucination. A sexy one who seems too good to be true.

Now she just needs to convince Roth that their attraction is definitely real, once the drugs leave her system...before the unknown person trying to kill her finishes the job.

## **The Lasaran (Aldebarian Alliance Book 1)**

***Author: Dianne Duvall***

**New York Times bestselling author Dianne Duvall brings readers the first novel in a thrilling new sci-fi series full of action, intrigue, humor, and romance.**

Taelon searches the galaxy for his younger sister, who mysteriously disappeared while on a diplomatic mission. When an ally reveals that she was seized and is being held prisoner on Earth, Taelon descends upon the blue planet, intent on freeing her and exacting vengeance. However, all does not go as planned. Before he can find her, Taelon is captured and becomes the subject of torturous experiments. For what feels like an eternity, all he knows is pain and fury... until a mind tentatively touches his own and a woman's voice forever changes his world.

After suffering tragic losses, Lisa is finally beginning to carve out a future for herself when chance sends her to the Anomalous Cognition Research Institute. What at first appears to be a benign organization seeking participants for a psychic study instead turns out to be a government facility harboring a much darker intent. Lisa discovers this too late and soon becomes the unwilling subject of a terrifying experiment. Just as fear and desperation threaten to consume her, a deep, compelling voice penetrates the looming insanity and lends her hope.

Having seen only the worst of humanity, Taelon is shocked when Lisa risks everything to free him. Together the two make their escape, and Taelon finds himself fascinated by the small human woman who--despite all she's suffered--can still laugh and tease and lure smiles from him. Friendship swiftly grows between them as they work together to evade soldiers intent on capturing them and find themselves hunted by mystifying preternatural beings. Through it all, Lisa steadfastly remains by his side, stealing more of his heart each day while she helps him unravel the mystery of his sister's fate. Can they find his sister before the hunters find them? If they survive their quest, will Taelon have to bid Lisa farewell... or can he coax her into leaving her planet and joining him for the adventure of a lifetime?

## **Given to the Highlander**

**Author: Amelia Smarts**

Marisol Adams grew up aboard the space station which has served as humanity's refuge since the great cataclysm, and when she is sent to join a recently established colony in the Scottish Highlands she quickly discovers that her new life will be quite different. Not only has she been given to the future clan chief as his bride, her new husband will have complete authority over her and will enforce that authority with a firm hand applied to her bare bottom as often as necessary.

Though it doesn't take long for Marisol to find herself over the stern, handsome Scotsman's knee for a sound spanking, she cannot help longing for his touch even after her already bright red backside is paddled until she is well past tears. Her desire for him and her love for him grow with each passing day, but can she make a place for herself among the rugged people of this land?

**Publisher's Note:** *Given to the Highlander* includes spankings and sexual scenes. If such material offends you, please don't buy this book.

## **Ripples in Time (Maji Book 2)**

**Author: L.A. Casey**

Escaping Earth for twenty-one-year-old Levi meant fleeing a monster who caged her and abandoning a mother who loved her. Elation and misery were her constant companions. Bred a slave, Levi had only ever known hardship ... but on Ealra, home to the Maji species that saved her from a fate worse than death, she was free.

Existing from day to day for the past few decades had become the norm for Ezah. He didn't know happiness, and he didn't want to either. Ever since he'd failed to protect his intended mate from a vicious beast, he found himself drifting further into despair.

In the midst of their inner darkness, their lives intertwine and put them onto a path of light. Levi soon imagines a future filled with possibilities while Ezah prays history doesn't repeat itself.

When a monster from his little human's life emerges from her past, he vows not to make the same mistake twice.

## **Hunted: A SciFi Alien Romance (The Legion: Savage Lands Sector)**

**Author: Eva Priest**

## SOLANA

Doing the work I love in an exotic jungle locale should have been the highlight of my career. But being the only woman in a good ole boy's club is more stressful than I anticipated. So, when I dream of the sexiest lover ever, I figure I earned it.

But the morning brings its own set of complications when I discover my team is missing, and I'm being smuggled off planet.

## CADE

My latest op from Legion command has me traveling to the trash pile of the galaxy to run down a petty thief. Reaper units usually find the unfindable—no matter who or what we need to look for. On this mission? I end up finding the impossible: my fate-mate. Worse, I find her being stolen by the smuggler I've been hunting.

The universe only reveals our fate-mates once in a Rodinian's lifetime, if that, and I'm not about to let a lowlife smuggler take what's mine.

*Hunted* is a stand-alone sci-fi romance and the first book set in The Legion: Savage Lands Sector universe. This series is full of fated mates, instalove, happily-ever-afters, overprotective males, and the headstrong females that love them.

---

## Earth Husbands are Odd (Earth Fathers)

**Author: Lyn Gala**

Max, the stranded Earth pilot, and Rick, his tentacled partner in love, are forced to return to a universe that dismisses Rick as an asymmetrical, loud outcast. But Rick hasn't told Max the whole story. Max wants to live in a universe where his children and his lover are respected and given a chance to shine. He doesn't know the odds are stacked against them. Max is going to have to catch up fast if he wants to win a battle that is less about weapons than manipulating the rest of the universe into being fair.

To protect his sweet, belchy partner in love and their three offspring, Max will change the universe, one stubborn alien at a time, and he might have to start with the one he loves.

## Alien Mercenary's Bride (Lathar Mercenaries: Warborne Book 2)

**Author: Mina Carter**

**Stowing away on an alien ship? Idiiotic. Stowing away on the Warborne's ship? Suicidal.**

Marika Ingrassia is desperate. To escape another wedding arranged by her father, she runs. Between a homicidal groom and a ship full of trained killers, she'll take her chances with the mercenaries, thank you very much.

Only things don't go quite to plan. Her idea to force them to help her at gunpoint seemed a stroke of brilliance until she's on board and facing down the sexiest mercenary she'd ever seen. She can't think straight, never mind shoot straight. She's doomed for a long walk out of a short airlock until Mr. tall, muscled, and growly agrees to help her escape her father's clutches... by marrying her.

Just one problem. This time she wants the wedding to be for real...

**She's the prettiest thing he's ever seen. And everything a killer like him doesn't deserve.**

Skinny has been a mercenary most of his life. One of the legendary Warborne, he's killed more men than he's had hot dinners and he's damn good at it. When he finds a scared human female, he doesn't expect his reaction to her, or for her to clock him over the head with a pipe.

Unpleasantness aside, when he realizes she needs help, he's all ears. And everything else she needs. Up to and including his hand in marriage to protect her...

**No plan survives first contact with the enemy. Between an assassination attempt and his past catching up with them... can Skinny convince Marika he's the alien for her, or will he lose her forever?**

## Madness of the Horde King (Horde Kings of Dakkar Book 3)

**Author: Zoey Draven**

**They call him the Mad Horde King for a reason. Now, she's *his*...**

Over a year ago, I was ripped away from my human village to serve the Ghertun, a brutal enemy alien race. With the lives of my family at risk, I am tasked to deliver a message to the one place no human has ever gone before: the capital city of Dakkar.

Before I succeed, however, I am captured by a Horde King. A Horde King of the Dakkari, a merciless barbaric race, bred for war and violence, that rule over the hostile and unforgiving planet of Dakkar.

And this Horde King? He's the most ruthless and insane of them all—with his scarred face, glowing red eyes, and his wicked, dark grin that hides an even darker past.

I am no one. I am quiet, meek, and fearful...and yet this fearsome king wants me in his furs. I tremble when he touches me but he awakens my desire, something I fear I'll *crave*...all while I struggle to save my family.

Now the Mad Horde King has me in his possession...

I fear he never intends to let me go.

## **Corsairs: Adiron: A SciFi Alien Romance (Corsair Brothers Book 1)**

**Author: Ruby Dixon**

It's not easy being a space pirate...

Actually, wait.

Yes it is. It's keffing awesome.

The three va Sithai brothers — that's us — cruise the universe looking for abandoned ships, treasure, and other pirate ships to rob. Right now, we're on the hunt for the Buoyant Star, an abandoned cruiser rumored to have a massive treasure inside. The ship's been found at the edge of an ice field at the far reaches of space.

That treasure? About to be all ours.

But the ship's not all that abandoned. The Star is crewed by a few lonely, attractive human females who are thoroughly grateful at being rescued...

Actually, wait.

They're not grateful at all.

They've set us a trap, and their leader, a beautiful human female named Jade, gives me a smile just before she captures me.

It's official. I'm in love.

## **Dark Secrets Absolved (The Children Of The Gods Paranormal Romance Book 46)**

**Author: I. T. Lucas**

**"Waiting for each next book in series is always torture :)** Just finished reading this latest installment in the series and that was after going back and reading the entire series for the second time. To give this some context - although I am a voracious reader from the classics to contemporary, I can count on one hand how many books I have ever read a second time and those were primarily classics - Jane Austin, Dickens, etc. With that said, I absolutely love this series - it is so much fun! Lucas does an excellent job of character development and easily form a clear picture of the characters in my mind. I'll be going through withdrawal until book 47 is released :)

-----  
Absolution.

David had given and received it.

The few short hours since he'd emerged from the coma had felt incredible. He'd finally been free of the guilt and pain, and for the first time since Jonah's death, he had felt truly happy and optimistic about the future.

He'd survived the transition into immortality, had been accepted into the clan, and was about to marry the most wonderful woman on the face of the planet, his true love mate, his salvation, his everything.

What could have possibly gone wrong?

Just about everything.

## **Taken by the Alien Warrior: A Sci Fi Alien Romance (Warriors of Agron Book 1)**

**Author: Hope Hart**

### **The aliens who stole me made a mistake.**

The Grivath have sold us on Gule- a planet where hope goes to die.

The women who are imprisoned with me are in high demand and they all look like models. Me? I'm 5'2 shy, curvy, and a kindergarten teacher. Maybe they really meant to take my pageant queen sister?

If that's not bad enough, our ship has crashed and half of the women are missing. Did I mention the locals want to eat us? Insert the tall, incredibly-built warrior aliens, who saved us. Things are looking up, except that one of them is eyeing me like a snack, and not in a cannibalistic way-- if you catch my drift.

Terex is tough, fierce, and bossy, and doesn't seem to understand that I can't stay and be his snuggle bunny. I'm not quite sure why he isn't chasing after one of the other women when every man I've ever known has overlooked me.

But not Terex. When he looks at me, he doesn't seem to see chubby, awkward Ellie. And his gaze burns brighter instead of shifting away.

Now, I've just got to convince him to help me find the other women and get back to Earth.

Should be a piece of cake... Right?

*Taken by the Alien Warrior is a full-length romance with no cliffhanger and a guaranteed HEA. While this is a spin-off series from the hugely popular Arcav Alien Invasion series, this is a standalone series.*

If you like hot aliens and kick-ass heroines, you'll love Warriors of Agron- Hope Hart's new sci-fi romance series.

**Read it Now.**

## **Nurse For An Alien Warrior: A SciFi Alien Romance (Intergalactic Exchange Program Book 2)**

**Author: Roxie Ray**

### **I'm supposed to care for a kid, not make one!**

Space needs nurses.

That's what they told me, and that's why I agreed to go.

They say Raider is the last place I want to end up, but I'm up to the challenge.

I'll care for the warlord's child.

One problem.

He wants me to make said child.

With him.

No. Not happening. Never.

I'm not selling my body to some brute!

But Kain isn't the brute I imagined. And the longer I'm on Raider, the longer I wonder if belonging to him would be so bad...

## **Alpha Night (Psy-Changeling Trinity Book 4)**

**Author: Nalini Singh**

**New York Times bestselling author Nalini Singh returns to her breathtaking Psy-Changeling Trinity series with a mating that shouldn't exist...**

Alpha wolf Selenka Durev's devotion to her pack is equaled only by her anger at anyone who would harm those under her care. That currently includes the empaths who've flowed into her city for a symposium that is a security nightmare, a powder keg just waiting for a match.

Ethan Night is an Arrow who isn't an Arrow. Numb and disengaged from the world, he's loyal only to himself. Assigned as part of the security force at a world-first symposium, he carries a dark agenda tied to the power-hungry and murderous Consortium. Then violence erupts and Ethan finds himself crashing into the heart and soul of an alpha wolf.

Mating at first sight is a myth, a fairytale. Yet Selenka's wolf is resolute: Ethan Night, broken Arrow and a man capable of obsessive devotion, is the mate it has chosen. Even if the mating bond is full of static and not quite as it should be. Because Selenka's new mate has a terrible secret, his mind surging with a power that is a creature of madness and death...

## Dragon's Devotion (Dragons of Mount Atrax Book 4)

**Author: Riley Storm**

**His devotion might be her undoing...**

Alana Egall never fit in with her dragon clan or with other humans like her. Caught between two worlds, yet belonging to neither, she's shocked when her dragon family summons her home. She's immediately confronted by her stepbrother, a purist jerk, who doesn't hide his disgust for her heritage. When Klass, the new clan leader, steps in to make her stepbrother leave her alone, she starts to wonder if she might belong with the dragons after all. Kladd's touch sets her body on fire. But she's not sure if she's ready to leave her life behind for him.

Kladd Atrax is the newest leader of his clan, and he's already having to put out fires on his inauguration night. It's the first time he's laid eyes on Alana in over a decade and he can't believe his eyes. The girl who turned her back on the dragons has become a *woman*. One he can't get off his mind. Clan duties or not, he *has* to see her again, and convince her to return home. His dragon won't tolerate anything else.

Although she tells herself she's leaving the dragons behind, Alana knows she's lying to herself. Her job has her working directly for them, managing their charity fund. It's an intense job, and she doesn't have time for distractions. Unfortunately for her, Kladd's insistence at being a part of her life has made her a target. The vampires haven't been dormant, and from within their midst, a terrifying new figure has emerged. An evil that threatens to destroy their love before it's allowed to blossom.

## Damaged: A Sci-Fi Alien Romance (Fated Mates of the Kalixian Warriors Book 7)

**Author: Presley Hall**

**I know the mate bond can never happen for me. But that doesn't stop my heart from wanting Druvik...**

When King Khrelan gets word of a group of human women held captive on a trading planet, he decides to send a team to rescue them—led by the hotshot pilot, Druvik.

I've never considered myself particularly brave or daring, so I'm as surprised as anyone when I find myself volunteering to join the warriors on their mission.

As frightening as it is to be heading to a dangerous black-market planet, it gives me a sense of purpose. But with our close proximity aboard the ship, it also becomes harder and harder to deny my attraction to Druvik.

I know it can't be the mate bond. And I know letting myself fall for him will only end in a broken heart.

But when disaster strikes, everything changes in the blink of an eye.

Mate bond or no, Druvik needs me, and I'll do everything I can to help him.

*Damaged is a full-length standalone sci-fi romance featuring hot alien gladiators with huge... horns, a heroine with a painful secret, and a wounded hero whose life is turned upside down.*

*If you like hot aliens, sweeping adventure, and steamy romance, you'll love this series. No cheating, no cliffhanger, and a happily ever after guaranteed!*

Note: each book in the series can be read as a standalone, but for maximum enjoyment, it's recommended that the series be read in order.

## Defying Fate (Veredian Chronicles Book 6)

**Author: Regine Abel**

**No more secrets. No more lies.**

For the past eight years, Tevek has searched for his missing mother and sister. But as a top technological mind of Guldar, he is closely watched. And as one of the secret leaders of the rebellion, he must tread carefully. When the Emperor sends him on an urgent mission that will allow him to reunite with his family, the last thing he expects is to cross paths again with the breathtaking Veredian weapons expert that had captured his heart the very first time he saw her.

Ashara cannot believe the Goddess' twisted sense of humor. Her entire life, she has waited to meet her soulmate, and he's not only a freaking Guldan but also the son of one of the cruelest slavers to have oppressed her people. And yet, he's everything she could want: smart, strong, heroic, drop-dead gorgeous, and completely crazy about her. However, his bloodline soon becomes the least of their concerns as countless assassins escalate their efforts to eliminate Tevek and thwart the prophecy surrounding him.

As every dark secret is revealed, families and friendships tested, and alliances reshaped, will Ashara be forced to choose between her mate and her people in this final showdown to defy Fate?

## **Alien Paladin's Redemption (Warriors of the Lathar Book 13)**

**Author: Mina Carter**

**She knew aliens existed. She didn't expect them to be so damn HOT!**

Indra has survived the worst human society can throw at her. Being rescued by aliens was the last thing she expected.

Now a guest of the latharian empire, she's looking forward to eating her bodyweight in chocolate cake and creating her very own army out of the ship's cleaning bots. What she didn't expect was a stuffed-shirt paladin of a second officer, or the fact she'd find his freaky level of control so fascinating and sexy.

Sent on a 'road trip' to recover an experimental artificial intelligence unit, she's stuck in a shuttle with her by the book, alien warrior. Determined to get under his skin, she discovers that beneath all that controlled restraint, her alien paladin is the sexiest alpha hero...

Can she play the game, without losing her heart? Or will she succumb to the passion of her alien paladin?

**He seeks redemption for his sins. Love and a mate are not on the cards...**

An atoned warrior with the scars of his shame marked in his skin, Nyek S'Vaen doesn't expect to be anything more than a garrison officer somewhere in the outer reaches. Until a surprise assignment on the empire's newest war cruiser brings him in contact with rare human females.

They are as fascinating as they are beautiful, even if one, Indra, drives him to distraction. When she is almost killed aboard, desperate measures are called for. A top-secret mission gets the humans away from the ship but then puts them in danger from pirates.

**When Indra is taken, Nyek must face the shame of his past. He must face his demons and be prepared to kill to bring back the woman he loves, even if it means sacrificing himself in the process...**

## **Close Up**

**Author: Amanda Quick**

**Welcome to Burning Cove, California where 1930s Hollywood glamour conceals a ruthless killer...**

Vivian Brazier never thought life as an art photographer would include nightly wake-up calls to snap photos of grisly crime scenes or headshots for aspiring male actors. Although she is set on a career of transforming photography into a new art form, she knows her current work is what's paying the bills.

After shooting crime scene photos of a famous actress, the latest victim of the murderer the press has dubbed the "Dagger Killer," Vivian notices eerie similarities to the crime scenes of previous victims—details that only another photographer would have noticed—details that put Vivian at the top of the killer's target list.

Nick Sundridge has always been able to "see" things that others don't, coping with disturbing dreams and visions. His talent, or as he puts it—his curse—along with his dark past makes him a recluse, but a brilliant investigator. As the only one with the ability to help, Nick is sent to protect Vivian. Together, they discover the Dagger Killer has ties to the glitz and glamour of Hollywood royalty and high society. It is a cutthroat world of allure and deception that Vivian and Nick must traverse—all in order to uncover the killer who will stop at nothing to add them to their gallery of murders.

It's a match made in... oh no.

At first, being abducted on her way to work seems like a lucky break to Katie.

Swept off her feet, and then off the planet by a muscular winged king who wants to pamper, protect, and procreate with her, she's the luckiest girl in the universe.

But the king's love comes with, well, not strings. More like chains. And collars. And leashes.

And expectations of obedience, and submission.

And...

Well.

Anyway.

Beats working for tips, right?

*Step into the world of Alien Kings! These dominant, possessive, powerful aliens claim their human mates as is their royal right.*

## **Swallow it Down**

**Author: Addison Cain**

*"A love story as passionate and intelligent as it is beautiful."- Alta Hensley, USA TODAY bestselling author*

**I've seen the way he looks at me.**

The Captain. The unquestioned leader of this ship.

A ship I wish to be free of. A man I want to be as far away from as my legs might carry me.

The society he's designed, the rules, the endless battle of wills...

Yes, I've seen the way he looks at me.

I've felt his fingertips brush my skin. Heard his laugh. Experienced his smile.

One that's only for me, and only in secret.

And I know what he wants.

He told me himself that everyone has to pay; that all who survived the fall of civilization were culpable. That's how he justifies the decisions he's made, the necessary evils he allows to take place on this ship... all in the name of a greater good.

And it's why I resist the starved way his gaze drinks me down. Why I can't be had at any price.

*SWALLOW IT DOWN is an angst-ridden, enemies to lovers romance, boasting a strong female lead and a swoon worthy hero. This standalone features an HEA that will keep you turning the page all night.*

## **Bridget's Bane: A SciFi Alien Romance (Icehome Book 13)**

**Author: Ruby Dixon**

A'tam is the worst.

Sure, he's the prettiest man on the beach, but he's a terrible listener. I've told him a dozen times that we're not compatible - in SO many ways - and he refuses to take no for an answer. He had his chance with me, and he blew it.

But A'tam thinks we should be mates. He thinks he can just woo me enough to change my mind. He thinks that sultry kisses and soft touches are the way to a girl's heart. He thinks that if he shows me that he can be everything I need, I'll just fall right back into his arms and forget the past.

And....sigh.

He might be right.

Because I want him again and I really, really shouldn't.

## **Kyrzon Breeding Auctions: A SciFi Alien Warrior Romance Collection**

**Author: Luna Voss**

**Six human brides find their warrior mates in this hit sci-fi romance series! Now available to binge-read all in one place.**

"50,000 power units!"

Every single Kyrzon in the auction house gasps. It's obvious that this is a much, *much* higher price than any of them would usually consider paying for a mate. All of them are looking at the handsome, bearded warrior, waiting to see what he'll do next.

The bearded Kyrzon steps forward, his expression fierce. "100,000 power units for Cleopatra."

The entire room falls silent.

For the price of 100,000 power units, I now belong to the war chief.

*On the Planet Kyrzon, powerful alien warlords compete for the right to breed with a human female. Each story follows a different human bride as she is purchased at auction by a fearsome warrior and claimed as his mate. There's action, adventure, twists and turns, and more than a little steam as these plucky young women go from shivering on the auction block to owned, cherished, and pregnant by their muscular, doting Kyrzon mates. No cheating, and happy ending guaranteed!*

**This collection includes:**

*Sold to the Babymaker*

*Claimed by the Babymaker*

*Property of the Babymaker*

*Auctioned to the Babymaker*

*Captured by the Babymaker*

*A Curvy Gift for the Alien Warrior*

## **A Mate to Treasure (Dragons of Mount Aterna Book 1)**

**Author: Riley Storm**

**Sometimes, the real prize can't be measured in bars of gold...**

When a member of a reclusive rich family destroys her house, Emma Starling isn't just looking for money to repair it. She wants the hunky stranger to know that he can't just buy his way out of trouble. The local cops don't seem to care, but she isn't going to stop until he understands that there are consequences for actions. Even if that means launching a lawsuit against one of the most powerful families in Five Peaks.

Asher Aterna just wants the problem to go away. He has other things to worry about. Dragon things. He's going to have to find a way to get the strong-willed, determined, and more than slightly gorgeous woman to back down. Even if that means spending some of his own personal fortune to do so. That could be a problem though...

After the two agree to settle out of court, they arrive to find Asher's treasure vault empty. Words fly as both accuse the other of being untruthful. He thinks she stole his gold. She thinks he lured her out there to silence her. Forced to work together to find out what happened, the pair slowly come to realize that maybe, just maybe, they've misjudged each other. If they want to explore their new feelings, however, they're going to have to deal with the real thief first...

## **Fractured Chances (Shattered Stars Book 6)**

**Author: Viola Grace**

Life as a caretaker was her fate. Crashing on an alien world and being given an ultimatum gave her something she didn't expect, a lover who had her back. She takes a chance and is swept away.

Nan has spent her life making a place for herself by taking care of those around her. Holding onto the controls of a falling shuttle with the unconscious pilot next to her, she began to regret some of her impulses.

After the asteroid, she had gathered up close to two dozen kids who had been touring the same national park that she had, and she had tried to bring them home. When their city was found to be a collapsed crater filled with water, she has to take them on the road and try to keep them alive until she can find a settlement to take them.

Eventually, the call came out for the evacuation under the contract circumstances. The kids were exempt from the contract, and as caretaker, so was Nan. That exemption holds until they are on their way to the world Abix. There is a meteor shower, a wounded pilot, and Nan manages to take the controls, leaving a scar on the landscape in a restricted area. She feels bad, but when the overseer of Abix comes in through the shuttle front screen and gives her an ultimatum, she feels nervous and a weird tension. If they make it out of the restricted area in time, everything will just resume the normal plan.

There is one thing about the overseer. When he sets a timeline, he cheats. She has no chance.

## **Malac: A Sci-Fi Alien Dragon Romance (Brides of Driegon Book 1)**

**Author: Ava Ross**

**An alien dragon king meets his fated mate in a woman from Earth. With conflict brewing in the kingdom, will he be forced to make a heart-breaking choice?**

*Bella:* When I came to the subterranean kingdom of Driegon as a mail-order bride, I didn't expect the dragon king to sweep me off my feet, take flight, and claim me as his mate. He says a mythical mating ritual called the Torrent proves we're fated. Yeah, sure. Then I find out he's almost engaged. He insists he'll find a way for us to be together, but I've fallen for pretty lies before, and I won't give my heart again easily.

*Malac:* To end a war among the factions of my Driegon people, I must marry the daughter of a rival warlord. I've accepted my fate. Until I meet Bella, one of three Earthlings brought to my kingdom as mail-order brides. One touch, and my blood roars through me--the first sign of the Torrent. We're fated and I ache to claim her, yet I cannot betray my people. But the heart of a dragon will not be denied.

Malac is Book 1 in the Brides of Driegon Series. This standalone, full-length story has on-the-page heat, aliens who look and act alien, a guaranteed happily ever after, no cheating, and no cliffhanger. Look for the rest of the series on Amazon.

## **Tina (Clans of Europa)**

**Author: Tracy St. John**

To be loved is all Tina ever wanted. She never dreamed her prayers would be answered by the enemy.

Aspirant Tina Novak, living on Europa's convent colony, has no place to call her own. First rejected by her father, now being sent away by Mother Superior, where can a young woman with no prospects go?

The question is delayed by a Kalquorian invasion that takes the aspirants and nuns prisoner. The enemy Kalquorians are teetering on the brink of an extinction disaster, and Earther women are always welcome spoils of war.

Chosen by the young and ambitious clan of Dramok Tukui, Imdiko Yorso, and Nobek Osopa, Tina can't imagine what her shattered future might bring. When she discovers the gentler side of the fierce Kalquorians, her fear of them becomes fear of losing them.

Can it last? Or will they turn her away in the end, as everyone else has? When the war reaches its unthinkable, violent end, Earther and Kalquorian alike find their lives altered forever. With the lives of Tina's most vulnerable family members at stake, she and Clan Tukui must set aside what they thought they wanted and embrace what's possible.

## **Claimed as Theirs**

**Author: Kryssie Fortune**

When she is captured and thrown into a cage filled with ravenous vampires, Gwen assumes she will be devoured. But among the horde is a huge, terrifyingly powerful berserker who has other plans for her. She will belong not only to him, but to all of the vampires of his triad, and her beautiful body will be theirs to use and enjoy as thoroughly and shamefully as they please.

Gwen soon learns that her new masters will demand obedience from their little human, and it isn't long before her defiance has earned her a painful, humiliating spanking. But even with tears still running down her blushing cheeks, her helpless arousal cannot be denied, and as she is claimed and ravaged again and again her pleas for mercy are soon lost amid her cries of pleasure.

**Publisher's Note:** *Claimed as Theirs* is a stand-alone novel set in the same world as *Taken as Theirs*. It includes spankings and rough, intense sexual scenes. If such material offends you, please don't buy this book.

## **Acquainted With the Night**

**Author: Lesli Richardson**

*I hated the military...and now I'm an alien's pet.*

I hated the Terran military. I didn't volunteer, either. Like so many others, I was drafted as cannon fodder in the senseless Terran war against the Algonquans. Not like I had much of a future ahead of me, though, without a rich family to pave my way or even pay for me to have a wife.

Now, my entire ship's been captured. If what we've been told about the alien race is true, I'll never be seen again. I hope they don't eat me.

Turns out the truth is far different than we were led to believe. The Algonquans aren't vicious, insectoid monsters, either.

We're now their pampered pets...and they're using us to help replenish their population to win the war.

You know, maybe this isn't the worst life after all.

*(MMMM, sci-fi romance, humans as aliens' pets, m-preg.)*

Note: This book was previously published under my Tymber Dalton pen name. It has been revised and expanded for re-release.

## **His Human Assistant (Monsters Love Curvy Girls Book 3)**

**Author: Michele Mills**

I'm a corporate whistleblower running for my life, so I take the first job I can find off planet.

Now I'm a lowly assistant for some rich devil named Hannibal Hellstone? And when I say "devil," I mean DEVIL. As in this guy's skin is dark red, he has shiny black horns, sharp fangs, silver-tipped claws and a barbed tail. This Hyrrokin is scary AF and his eight-year-old son looks just like him. And, he has a sharp-toothed, three-headed, fire-breathing "dog" at his side.

\*gulp\*

I'm supposed to live with my new boss?

I don't know anything about kids. And I don't like pets. But, jeez, this guy is hawt. And his kid is sweet too. My heart cracks open for them—and their "dog."

Hannibal starts throwing heated glances my way. But if this honorable soldier knew the real me, the girl with the checkered past, would he still want me? Oh well, it's not like this is going to get serious—he's told everyone he's never, ever, going to marry anyone ever again.

This is good, right?

That's what I want too...right?

## **The Priestess and the Thief: Kindred Tales 30**

**Author: Evangeline Anderson**

*A Thief who has no honor...*

*A Priestess who has broken her vow of chastity...*

*Can the two of them complete a quest at the treacherous Tenebrian Court?*

■ **Read *The Priestess and the Thief* to find out.**

Ellilah is a priestess...but not a very good one. She doesn't seem to have the right temperament for quiet meditation. And even worse, she broke her vow of chastity at the Christmas party after a dark stranger drugged her punch. Now she's being sent to the Priory of Extreme Atonement—an ominous place with no windows and daily beatings.

But Elli has always had a mind of her own. Instead of handing herself over for punishment, she goes on a quest to find a cure for the old Priestess Superior who is dying.

Elli's quest will take her to the Tenebrian Court and put her in great danger...which is why the Goddess sends her some help in the form of the very same dark stranger who drugged her punch in the first place.

Roke is half Havoc—a Kindred-like race of males who refuse to bond with females. He is none too pleased at being sent to protect the little priestess, but he doesn't dare disobey the Goddess. Once he meets Elli again, however, he feels an instant attraction to her. He goes with her to the dangerous Tenebrian Court to protect her from the predatory nobles—especially the rapacious Crown Prince who insists that everyone "Mirror" his erotic activities at supper every night.

Will the two of them be able to complete their quest and leave the Court alive? Will Roke admit he wants to bond with Elli, even though he has sworn never to take a bride? And will Elli ever forgive herself for breaking her vow of chastity with the dark warrior?

Read The Priestess and the Thief and find out!

## Claiming His Unexpected Baby (Assassins Guild Book 2)

**Author: Michelle Howard**

His baby?

Not possible. Assassin Sulen Czen wouldn't trust a woman outside the bonding vow to bear his child and he had no plans on settling down any time soon.

Until the day pain and terror unlike anything he'd ever known before resonated along a connection that shouldn't exist. Now he's willing to fight for the family he didn't know he had or needed.

Her mate?

Actions have consequences and falling in love with the wrong man was just the first mistake of many. After the man she loved denied the baby she carried and threatened her life, Amelie Haven did something she knew was wrong. Now she has to deal with an assassin who's stolen her heart and a cruel ex who won't stay out of her life. Both are claiming her daughter as their own.

Amelie would do whatever it took to protect her child. Even if it meant pretending a relationship that shouldn't even be possible.

## Mikko: A Scifi Alien Warrior Romance (Stolen Warriors Book 2)

**Author: Ella Maven**

**Hide and seek is a lot less fun in an alien prison where the winner gets... me.**

Rian: I'm not a stranger to being behind bars, but this prison leaves a lot to be desired. There are zero communal showers, minimal locking cells, and the other prisoners are extremely hostile. That could be because they are aliens and this is a prison in another galaxy. Add in the fact that I'm a human female, and my life span has just dropped some serious time.

I'm about to go down fighting when a scary blue alien with spikes decides he's my rescuer. Except he doesn't seem happy about my presence and, well, join the club, buddy.

Mikko: After spending a third of my life in the Pit, I returned for some payback but instead find a human female fighting for her life. She's small, snarly, and irritatingly beautiful.

When a coveted reward is offered to the prisoners for our capture, the game changes. My enemies thought I was unpredictable with anger issues before? They haven't seen anything yet. I'll escape again with my female, and then the real payback begins.

*Mikko is a SciFi Alien Warrior Romance featuring a prickly, snarky hero with a heart of gold and a heroine who loves as hard as she fights.*

## Pillaged: A Sci-Fi Alien Warrior Romance (Raider Warlords of the Vandar Book 3)

**Author: Tana Stone**

**I was promised against my will to an imperial general. . .so I escaped. Right into the arms of an even more ruthless Vandar warlord.**

I'd thought things had been bad when I'd been ordered to marry the repulsive Zagrath general. But then I'd been captured by the empire's most deadly enemy--the Vandar raiders. With their battle kilts and tails, the raiders are known for being fierce warriors who never take prisoners. Until now.

The fear I feel when I'm taken by the menacing Vandar warlord is confirmed when I discover why he treats me like an honored guest. Taking the general's bride is one thing, but to strike the most personal blow the Vandar must claim me as his, taking me to his bed until his mating marks appear on my skin and mark me as his true mate.

But he has no intention of forcing me. He wants to make a deal—become his willingly and I will get what I've always wanted—my freedom from a loveless, arranged marriage. Can I agree to a deal with the darkly dominant warlord who stokes both my fear and desire? Even if being claimed by the Vandar is only revenge for him and freedom for me, will my heart remain untouched as he pillages my body? And will the general give me up so easily, or will he come for both of us with all the firepower of the empire?

*Pillaged* is a full-length sci-fi romance novel with an HEA and no cheating. It features steamy scenes on a raider warship, alien horde space battles, and some serious heat.

If you like dominant and dangerous alien warriors, alien abduction to seduction, and marriage of convenience romance, you'll love *Pillaged*, the third book in Tana

Stone's sci-fi romance Raider Warlords of the Vandar series. Each book can be read as a standalone.

## **Saving Verakko: The Clecanian Series Book 3**

**Author: Victoria Aveline**

When Lily is freed from alien captivity, she refuses to wait for rescue—or recapture. She'll take her chances in the forest. Navigating the exotic terrain won't be easy, but it beats the alternative. Then, an enormous alien falls into her camp and makes her question everything. He's rude, grumpy, and annoyingly sexy. Trusting him would be a mistake. And yet...the idea of leaving him behind hurts way more than it should.

Verakko was supposed to liberate the kidnapped humans, then return home to fulfill his obligations. Getting dropped into the forest at the feet of the most confounding female he's ever met was not on the agenda. So, he'll help her, then they'll go their separate ways. That's the plan...until he starts to suspect that Lily is his mate.

She doesn't trust easily. He has secrets and responsibilities he can't avoid forever. Only one thing is clear. If Lily and Verakko want their happily ever after, they'll have to fight more than the dangers of the forest to get it.

## **Possessed: A Sci-Fi Alien Warrior Romance (Raider Warlords of the Vandar Book 1)**

**Author: Tana Stone**

**I sacrificed myself to save my sister's ship. Now the raider warlord owns me.**

It was my own fault. I was the navigator of our ship, and I'm the one who led us straight into Vandar territory.

We'd heard rumors about the Vandar raiders—everyone in the galaxy had. Terrifying and ruthless, they were a scourge on the Zagrath empire and destroyed everything in their path.

Few had actually laid eyes on the Vandar or the notorious warlords who led their fleets of warships—and survived to talk about it. So, when the ruthless aliens boarded our ship intent on destroying it and killing the crew, I did the only thing I could do.

I gave myself to the dark and menacing warlord. In exchange for allowing my sister's ship passage out of the Vandar territory, I must share his bed and travel with his crew of deadly raiders. Even though the sight of the huge, battle-scarred alien terrifies me.

But as I adjust to my new life on a savage warship, I discover that the dominant alien warrior wants more than just my body. He wants to possess my soul. And he'll make a new deal with me to get it.

*Possessed* is a full-length sci-fi romance novel with a HEA and no cheating. It features steamy scenes on a raider warship, alien horde space battles, and some serious enemies-to-lovers heat.

If you like dominant and dangerous alien warriors, alien abduction to seduction romance, and hot scenes with a happily ever after, you'll love *Possessed*, the first book in Tana Stone's sci-fi romance Raider Warlords of the Vandar series. Each book can be read as a standalone.

## Love Code: An AI + Alien romance (Galactic Love Book 2)

**Author: Ann Aguirre**

He's cute. He's cranky. His code is sleek as hell.

What's an amnesiac AI doing in a place like this? Helix has no idea. He knows he planned to build a life for himself on Gravas Station, but he has no clue what he's been doing for the last half cycle. Nor does he understand why his ship crashed. A genius Tiralan scientist saved him by copying his code into an organic host, and after meeting her meddling mothers, it seems like his problems have only just begun...

She's clever. She's creative. She claims that he's her mate.

Calu has no interest in relationships. She'd much rather be working in her lab, innovating instead of socializing. Problem is, the Tiralan believe that one cannot be happy alone. When a solution literally falls from the sky, she leaps at the opportunity to advance her research and teach Helix how to be Tiralan while calming her mothers' fears. It might be unconventional, but she's ready to break all the rules for a little peace.

They agree to pose as each other's mates for the most logical reasons, but love always finds a way.

## Dragon's Fake Wedding Date (Dragons of Mount Atrox Book 3)

**Author: Riley Storm**

**She's a disaster. He's determined to claim her anyway.**

Gayle Weber's life is a mess. She's turning thirty in two days. Her long-term boyfriend just left her for her best friend. And, as if that wasn't enough, she absolutely hates her job. She has zero interest in flirting with the stranger sitting next to her at the bar, but she can't ignore the fact that he's scorching hot. She's not interested in a relationship right now. So why is her stomach tying itself in knots whenever she catches him looking at her?

Shameless playboy and fire dragon Rann Atrox hasn't been able to stop staring at the human woman since she entered the bar. He should be using his devilish tongue to seduce her, but it just feels wrong. She's hurting, and his dragon is telling him help her, whatever it takes. If that means holding back his true feelings and being her pretend date to a wedding, then so be it. Anything for his mate.

Gayle still can't believe her ex-boyfriend invited her to the ceremony. She's going to be there though, with Rann sitting next to her. Everyone is going to see her upgrade and she *knows* the bride will be jealous. Gayle has to keep reminding herself that it's all fake though. Rann doesn't *actually* want to date her. Does he? She's confused by her own life, terrified of the dangers in his, and feeling utterly lost. By the time Gayle realizes she's been lying to herself about her feelings, it may be too late...for both of them.

## Frankenstein

**Author: Mary Shelley**

Mary Shelley began writing Frankenstein when she was only eighteen. At once a Gothic thriller, a passionate romance, and a cautionary tale about the dangers of science, Frankenstein tells the story of committed science student Victor Frankenstein. Obsessed with discovering the cause of generation and life and bestowing

animation upon lifeless matter, Frankenstein assembles a human being from stolen body parts but; upon bringing it to life, he recoils in horror at the creature's hideousness. Tormented by isolation and loneliness, the once-innocent creature turns to evil and unleashes a campaign of murderous revenge against his creator, Frankenstein.

Frankenstein, an instant bestseller and an important ancestor of both the horror and science fiction genres, not only tells a terrifying story, but also raises profound, disturbing questions about the very nature of life and the place of humankind within the cosmos: What does it mean to be human? What responsibilities do we have to each other? How far can we go in tampering with Nature? In our age, filled with news of organ donation genetic engineering, and bio-terrorism, these questions are more relevant than ever.

A masterpiece. —Phillip Pullman

One of the most original and complete productions of the day. —Percy Bysshe Shelley

The greatest paradox and most astonishing achievement of Mary Shelley's novel is that the monster is more human than his creator. This nameless being, as much a modern Adam as his creator is a modern Prometheus, is more lovable than his creator and more hateful, more to be pitied and more to be feared, and above all able to give the attentive reader that shock of added consciousness in which aesthetic recognition compels a heightened realization of self. —Harold Bloom

## **A Mother's Night Gift (Ragoru Romance Book 1)**

***Author: S.J. Sanders***

Mother's Night had passed unmarked for many years for Betani and her children. After all, there was little to celebrate when living on the streets. This year was different. For the first time they are going to celebrate Mother's Night and holiday cheer fills their small apartment despite the tight control of the warders who have risen to power in the poor districts. Despite her limited means, when a triad shows up on her doorstep during a snowstorm with their poisoned lead male, she can't turn them out. Having a triad in her home makes her dream for the impossible, of just maybe having her family grow...if one of them would just make a move.

With a triad who longs for a family, and a clash of cultures where the males wait on their female's desires, will this triad and their hoped-for human mate and offspring find their holiday wishes come true? Love and a bit of holiday magic is in their air.

## **The Emperor's Decree (Emperor War Lords Book 1)**

***Author: Serena Douglas***

**Olivia doesn't need or want a man, she just wants the story. So, why does she feel drawn to Emperor Axelsson?**

The year is 2943. After the third world war twenty years ago, Earth is now run by Emperors who operate like Mafia War Lords after the countries were carved in to Empires as the spoils of war. Ten years ago, a virus wiped out most of the planet's female population, leaving the planet on the brink of extinction, and has only recently been eradicated. Olivia Jaxon is an English journalist. She travels to Skiptavegr, the seat of the mighty Emperor of Scandinavia. She wishes to interview the Emperor about his new initiative to encourage population growth and protect the dwindling numbers of women being stolen by international slavers and sold to the highest bidder at an alarming rate.

Emperor Gabriel Axelsson does not expect to fall for the beautiful woman who is determined to uncover all of his secrets and challenge the way he leads his people. He quickly finds the feisty, reckless journalist is in need of some stern discipline over his knee and a firm guiding male hand in her life before she gets herself killed pursuing another story. The War Lord discovers she hides a secret from her past she would rather die than reveal. But slowly, with tender loving care, he exposes her vulnerability and lays her bare finding an emotionally wounded woman requiring his love and protection. When one of the underworld Emperor's attempts to take her from him, he brings the full might of his wrath down upon his enemy and stops at nothing to get her back.

This is book one in the Emperor War Lords series and can be enjoyed independently.

Publisher's Note: This dystopian, sci-fi romance is intended for adults only. It contains elements of action, adventure, mystery, suspense, possible triggers for

some readers, power exchange, and sensual scenes. If any of these offend you, please do not purchase.

## **Alien Mercenary's Heart (Lathar Mercenaries: Warborne Book 1)**

**Author: Mina Carter**

**Return to the worlds of the Lathar, as you've never seen them before...**

**She wanted a coffee and an easy shift. Instead, she got a smart-alec mercenary and commandos trying to kill her...**

Medically discharged from the military over a decade ago, Station Chief Eris Archer just wants a quiet life. But life on a frontier station like Tarantus is never dull. The wild west of space, she's used to less than scrupulous characters crossing her path.

So when handsome cyborg, Zero, charms her with fantastical tales of being non-human, she takes it with a pinch of salt. When commandos storm the base, trying to kill her and she ends up with a price on her head, she has to trust him with her life... but can she trust him with her heart?

**He doesn't know where he came from, but he knows one thing... his destiny is with her.**

Zero is a mystery, even to himself. Since waking up badly damaged in a wrecked shuttle, he's made his home with the Warborne, a band of Latharian Mercenaries with a lethal reputation. He lives fast and he expects to die young...

Until he meets her. Eris Archer captures the attention of all his instincts, human and cyborg. Drawn to her like a targeting lock... he wants to get to know her better. But his plans for a date in the station's brig are foiled by people with guns and they have to get off the station. Fast.

**Between murderous commandoes, betrayals and an unexpected rescue mission; can Zero prove to her that he's all the man, or machine, she'll ever need...**

## **A Family for the Alien Warrior (Treasured by the Alien Book 4)**

**Author: Honey Phillips**

**A grumpy alien warrior. A pregnant librarian. A ready-made family?**

Wanda has never hankered after excitement - or romance. A quiet life as a small town librarian suits her just fine. But while she doesn't need a man, she does want a child. Just as her hard-earned dreams come true, she is abducted by aliens.

Now she's been abandoned by her captors and assumed responsibility for two orphaned children, a pregnant alien, and a misplaced socialite. When their lifeboat is intercepted by a very large, very green, and disturbingly attractive alien, she isn't sure if her situation has gotten better or worse.

Knowing that his race is doomed, Mganak has built a peaceful, solitary life for himself. When the lifeboat he salvages turns out not to be deserted after all, he is determined to pass on the responsibility for its inhabitants - no matter how much the curvy little female and her brood arouse his protective instincts.

But Wanda's alien captors are hot on their trail, his ship is damaged, and the more time he spends with Wanda, the less he wants to let her leave. Could it be that his quiet life is not so perfect after all?

*Each book in the Treasured by the Alien series can be read as a standalone romance. This sweet and steamy HEA is intended for mature readers.*

## **Her Cyborg Warriors (Interstellar Brides® Program: The Colony Book 8)**

**Author: Grace Goodwin**

Professional surfer Mikki Tanaka didn't want to leave her beloved Hawaii, the ocean waves, or the vibrant sea life she's worked so hard to protect. But her protests and aggressive tactics didn't mesh with the law and she's found herself behind bars. Her choice? Ten years in jail or life as an Interstellar Bride. Never one to shy away from adventure, she decides to take her chances in the stars—with not one, but two sexy-as-hell alpha warriors on The Colony.

Surnen, a Prillon Warrior and trusted doctor, has been waiting for a bride for years. Banished to The Colony, he's given up all hope, until a black-haired Earth beauty instantly steals his heart and his breath. But the highly disciplined doctor likes protocols and control, in bed and out of it. His second and an equally ruthless warrior, Captain Trax, agrees. Unfortunately, their new mate has a wild streak, a thirst for danger, and an appetite for violence that both shocks and thrills them. When her penchant for stirring up trouble brings danger to The Colony, they'll stop at nothing to save her.

Nothing at all.

## **Lion's Mate: Paranormal Menage Protector Romance**

**Author: Lilly Wilder**

### **Two Alpha Males Fighting To Be Top Dog (Cat?) And Willing To Protect Me If I Joined Their Pride...And Mate**

I go for guys that are all big swingers and hard hitters.  
They tend to be shallow and direct.  
They don't mess around, because they're not complicated enough to promise me forever.  
Problem is, they tend not to mind where their swings hit.

One night, my current leading asshole got a little too rough.  
And then two incredibly attractive men came in to rescue me...who happen to be lion shapeshifters.

*Leo and Jackson are both big, protective, hard-hitting – totally my type.*

But uncomplicated?  
Abusive?  
Just like every other guy in my life?  
I guess I'll find out.

Lion's Mate is a standalone paranormal romance with a HEA and NO cheating!

## **Damaged Control (Shattered Stars Book 4)**

**Author: Viola Grace**

She would do anything to survive, including getting herself damaged and off the companion list. A Hmrain finds her in an unlikely place for an unlikely partnership.

Athena made it to a pickup point, past the physical, and up to the education station. Her training was difficult, but when she found out she was a likely candidate for companionship to a Hmrain, she took drastic action. Being disfigured was the one situation that the station would accept to lower her classification and position her in the bulk-purchase category. Her bond would be purchased as part of a group acquisition, and she would be able to earn out her price on some alien world before she swept out to travel the stars, working as she went.

With her goal in mind, she put herself in the path of the most toxic creature on the station, and she ticked it off. The resulting scar across her face did the job. She was out.

It was just her luck that when she was on her new planet, she was very good at her job. Her team comes to the attention of the Hmrain overseer, and her planning has come to naught.

## **Tempted: A Sci Fi Alien Romance (Fated Mates of the Kalixian Warriors Book 8)**

**Author: Presley Hall**

**I promised myself I would never trust an alien. But with Zhori, I may not have a choice.**

After being kidnapped by aliens, nearly rescued, and then snatched back by my captors, I don't have much hope of getting rescued again. Still, I'm determined to fight back on my own, to break free and find some way off this horrible planet.

But when I'm put up for auction, my heart nearly stops when I see *him* in the crowd—the bronze-skinned alien who tried to free me before.

What is he doing here? Why did he come back?

My instinct is to assume the worst. Maybe he returned because he wants to steal me for himself. Maybe he plans to use me just like every other alien has.

But he keeps helping me. He keeps *protecting* me. And every time he does, it gets harder and harder to deny the truth.

**This alien warrior may be the hero I need... and a temptation I can't deny.**

*Tempted is a full-length standalone sci-fi romance featuring hot alien gladiators with huge... horns, a heroine fighting for her freedom, and a daring hero who will risk everything for her.*

*If you like hot aliens, sweeping adventure, and steamy romance, you'll love this series. No cheating, no cliffhanger, and a happily ever after guaranteed!*

## **Fever Fae: a shifter Fae fantasy romance (Dark Fae Kings Book 1)**

**Author: Meg Xuemei X**

**Yes, to the hottest, baddest Fae Kings. No, to being their bitch.**

When my parents mysteriously disappear, leaving me to raise my six crazy, younger siblings, my dreams for college are dashed.

It gets worse when someone sends a slew of monster assassins after me. Their untimely arrival is followed by three devastatingly hot Fae who stalk me.

Baron, the pompous and dominating Summer King, thinks I'm a dark Fae and wants my head. Then he changes his mind and declares me his fated mate. Hells-a-no. Especially now that he wants me to prove my worth. Really?

Then there's Rowan, the possessive and cruel Winter King, who offers to protect me from the assassins, but only if I accept his obnoxious courtship requests.

And finally, there's Night King Rydstrom, a dangerous and mysterious Fae with an ass that doesn't quit, who thinks he has every right to play me like a fiddle.

Too bad for them, I'm not the docile type they're used to commanding. I might want them, but I have no intention of joining the trail of broken hearts and bodies in their wake.

For I hold a deep, dark secret. Their arrival has woken in me the very forbidden magic they've been hunting, and I, Evelina, am going to have a wicked good time teaching these Fae kings a lesson.

## **Wingman: Alien Castaways (Intergalactic Dating Agency)**

**Author: Cara Bristol**

He has wings, but this alien is no angel...

Traumatized by the deaths of his family and the destruction of his planet, Wingman lands on Earth in search of a haven and the solitude to nurse his emotional wounds. When a chance decision foils a kidnapping, he's drawn into the life of a young widow and her daughter. He's shocked to discover the human woman is his genmate, the one he's genetically bonded to.

To escape a stalker, Delia and her imaginative, impressionable daughter flee to a small town where nobody can find them. She's concerned, but not overly so, when her daughter says she's invited an angel to her birthday party.

Until the winged alien actually shows up. After a rocky start, Delia begins to see Wingman for what he really is—one of the kindest, most protective, sexiest men she's ever met.

But just as passion deepens their bond, dangers resurface to threaten Delia and her child. Will Wingman be able to confront the demons of his past to make the sacrifice necessary to protect them?

## **The Queen's Triumph (Rogue Queen)**

**Author: Jessie Mihalik**

Queen Samara Rani knows she's likely walking into a trap, but agreeing to meet with Commander Adams is the fastest way to get within striking distance of the Quint Confederacy's biggest traitor and her sworn enemy. Adams attacked her home and destroyed her ship, and if he's not stopped, he will ruin the tentative peace between the Kos Empire and the Quint Confederacy—and Samara's chance at future with Emperor Valentin Kos.

Samara is determined to serve up some well-deserved payback, but she is no longer a lone assassin, and despite her protests, her friends and allies refuse to let her undertake such a perilous mission without them. Even Valentin, usually the voice of reason, refuses to stay behind. Samara is loath to put her friends in danger, and taking a team carries its own risks, so she makes plans to keep them safe, no matter what the cost.

When Adams threatens that safety, and everything she holds dear, Samara vows to show him exactly how she earned her deadly reputation—and why one should never cross the Rogue Queen.

## **Claimed by the Alien Warrior: A Sci Fi Alien Romance (Warriors of Agron Book 2)**

**Author: Hope Hart**

**What's worse than being stuck on an alien planet?**

Being stuck on an alien planet when you've made an enemy of the local tribe King.

Okay, so I may have stolen his favorite mishua and snuck away to find my friends. But he should've known better than to forbid me to go. I'm a marine, and we leave no man-- or woman, behind.

Besides- putting distance between us is a good thing, especially since I'm sure he's coming after me. We're like fire and gasoline, and spending time near him is like lighting a match and waiting for the explosion.

So what if his dark eyes promise more pleasure than I've ever experienced? I'm finding my friends and getting off this planet.

Even if this alien king seems to think he owns me.

Even if a tiny part of me might like the idea of being owned... by him.

*Claimed by the Alien Warrior is book two of the Warriors of Agron series, and it's a full-length romance with no cliffhanger and a guaranteed HEA. While this is a standalone, you'll enjoy it much more if you read Taken by the Alien Warrior first.*

## **The Unexpected Bonding Vow (Assassins Guild Book 1)**

**Author: Michelle Howard**

Mated?

No. Never. The last thing Garik Denikon would do is willingly tie himself to a woman. That would require a level of trust the ruthless assassin didn't allow.

Yet, here he was.

On the run, escaping from an enemy, with his bonded mate at his side.

Saedra had one chance. Only one, to grasp freedom and escape. So she took it with both hands locked tight to the dark-haired man in her father's dungeon. She didn't care about his deadly reputation or the rumors. Garik Denikon was worth the risk if he helped her to get away.

## **King's Mate: An Alpha Shifter Romance (Alpha Beasts Book 1)**

**Author: Piper Stone**

**A king takes what is his, and she is mine.**

Her scent drew me to her, but something deeper and more powerful told me she was mine. Something that would not be denied. Something that demanded I claim her then and there.

I took her the way a beast takes his mate. Roughly. Savagely. Without mercy or remorse.

She will run, and when she does she will be punished, but it is not me that she fears. Every quivering, desperate climax reminds her that her body knows its master, and that terrifies her.

She knows I am not a gentle king, and she will scream for me as she learns her place.

**Publisher's Note:** *King's Mate* is a stand-alone novel which is the first entry in the *Alpha Beasts* series. It includes spankings and rough, intense sexual scenes. If such material offends you, please don't buy this book.
