**Author: J.K. Rowling**

*Turning the envelope over, his hand trembling, Harry saw a purple wax seal bearing a coat of arms; a lion, an eagle, a badger and a snake surrounding a large letter 'H'.*

Addressed in green ink on yellowish parchment with a purple seal, they are swiftly confiscated by his grisly aunt and uncle. Then, on Harry's eleventh birthday, a great beetle-eyed giant of a man called Rubeus Hagrid bursts in with some astonishing news: Harry Potter is a wizard, and he has a place at Hogwarts School of Witchcraft and Wizardry. An incredible adventure is about to begin!

## Zodiac Academy: The Awakening

**Author: Caroline Peckham**

**I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae.**

But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could.

The school they've sent me to is both dangerous as sh\*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy.

Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates – which is actively encouraged by the way.

My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell.

All I've got to do is survive. But fate might have other ideas.

Dammit, why couldn't I have gotten a letter to Hogwarts?

*\*\*\*This is a dark, bully romance – don't go expecting a sweet school for magic with friends around every corner. Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18+ where only the strongest prevail. There's no Dumbledore here to save anyone's ass and Lionel Acrux will give Voldemort a run for his money in the evil dictator category. So hold onto your stardust (broomsticks not required) and get ready for a bumpy ride\*\*\**

## Harry Potter and the Chamber of Secrets

Harry Potter's summer has included the worst birthday ever, doomy warnings from a house-elf called Dobby, and rescue from the Dursleys by his friend Ron

Weasley in a magical flying car! Back at Hogwarts School of Witchcraft and Wizardry for his second year, Harry hears strange whispers echo through empty corridors - and then the attacks start. Students are found as though turned to stone... Dobby's sinister predictions seem to be coming true.

## Sunshine

**Author: Robin McKinley**

**A small-town baker uses her magic to confront a post-vampire apocalypse world in this award-winning fantasy Neil Gaiman called “pretty much perfect.”**

Although it had been mostly deserted since the Voodoo Wars, there hadn't been any trouble out at the lake for years. Rae Seddon, nicknamed Sunshine, head baker at her family's busy and popular café in downtown New Arcadia, needed a place to get away from all the noise and confusion—of the clientele *and* her family. Just for a few hours. Just to be able to hear herself think.

She knew about the Others, of course. Everyone did. And several of her family's best regular customers were from SOF—Special Other Forces—which had been created to deal with the threat and the danger of the Others.

She drove out to her family's old lakeside cabin and sat on the porch, swinging her feet and enjoying the silence and the silver moonlight on the water.

She never heard them coming. Of course, you don't when they're vampires.

Fans of *Buffy the Vampire Slayer* and Sookie Stackhouse will cheer for this tough and quirky heroine. In *Sunshine*, which won the Mythopoeic Fantasy Award for Adult Literature, McKinley has a vampire novel that is “a smart, funny tale of suspense and romance” (*San Francisco Chronicle*).

After my mate rejected me, I wanted to kill him. Instead, I ran away—which nearly killed me...

A year ago, everything was different. I had just left my home, joining the infamous Mountainside Pack. The daughter of an omega wolf, I've always been prized—but not as prized as I would be if my new packmates found out my secret.

But when my fated mate—Mountainside's Alpha—rejected me in front of his whole pack council and my secret got out, I realized I had one choice. Going lone wolf was the only option I had, and I took it.

Now I live in Muncie, hiding in plain sight. If the wolves ever left the mountains surrounding the city, I'd be in big trouble. Good thing that the truce between the vampires and my people is shaky at best and Muncie? It's total vamp territory. Thanks to my new vamp roomie, I get a pass, and I try to forget all about the call of the wolf. It's tough, though. I... I just can't forget my embarrassment—and my anger—from that night.

And then *he* shows up and my chance at forgetting flies out the damn window.

Ryker Wolfson. He was supposed to be my fated mate, but he chose his pack over our bond. At least, he *did*—but now that he knows what I've been hiding, he wants me back.

But doesn't he remember?

I told him I'll never be his mate, and there isn't a single thing he can do to change my mind.

To Ryker, that sounds like a challenge. And if there's one thing I know about wolf shifters, it's that they can never resist a challenge.

Just like I'm finding it more difficult than I should to resist *him*.

## **Zodiac Academy 6: Fated Throne**

***Author: Caroline Peckham***

Fate has torn us apart and sometimes I believe the stars have given up on us altogether.

Without my sister, the world seems darker than ever before and the shadows loom thicker, rising up to answer the call of the Shadow Princess and changing the face of Solaria for good.

Now Lionel Acrux has the strength to make a move for the throne, I'm not sure how much time we have left to stop him.

Our only hope is to find the Imperial Star before he does. We made the sacrifice the stars called for and we're paying the price for that decision so it can't be for nothing.

But with the stars turning against us at every move, and the last light in the world seeming to fade, I'm afraid we're almost out of time.

Hope is a dangerous thing. It's the key to us fighting on. But it could be what destroys us in the end.

One thing is for certain, I won't stop until I have been reunited with my other half and together we will fight to take our crowns.

A war is coming.

The throne is calling for a new monarch.

And someone must answer its call.

**Author: Jaymin Eve**

#1 in the entire kindle store!

**The epic conclusion to the Shadow Beast Shifters.**

*I finally have the life I always dreamed of. So why does it taste like ash on my tongue?*

Growing up in Torma, the strongest of the shifter packs, I wanted nothing more than to find my true mate and live my best life. Of course, that dream existed before my father betrayed the pack and turned me into their punching bag.

I'd all but given up, until a quirk of true mate genetics gifted me a true mate like no other. My childhood dreams were finally a reality. Funny how quickly dreams turn into nightmares.

I'm being lied to, missing weeks and months of time. Someone messed with me and no matter how often I'm told to forget it and move on as Torin's mate, there's no way I can. Whoever did this to me should have known I'd pick at it until it bled. It's my nature after all.

As I search out random growls, flutters in my chest, and a suspicion that there's so much more going on than I could even imagine, I sense that I'm racing against an unknown clock.

I need to get to the bottom of this mystery.

And when I figure out who stole my memories, they're going to wish they never messed with Mera Callahan.

Game on.

\*If you like sexy, dark paranormal romances, with humor, steam, action, a tough heroine and an antihero, this is for you.

Reborn is full length (115k) words, and is the final in the Shadow Beast Shifters series, and does NOT end on a cliffhanger. It's recommended for 18+ due to language and sexual situations.

## **Mave Fortune: A Rejected Mates Story (Blackstone Academy Book 1)**

**Author: Elizabeth Dear**

When my family left our small, ultra-conservative pack back in Utah to join a giant pack in Northwest Louisiana, I thought I'd be able to coast through my last year of high school in semi-anonymity, then get the fuck away from wolf pack politics and just live my life for awhile. But the Moon decided to prolong my torture by placing my fated mate in front of my face on my first day at Blackstone Academy. He's the Alpha's son and king of a school crawling with shifters, and it turns out he doesn't care to be saddled with a Moon-chosen mate who he thinks is a nobody omega wolf.

When he rejects me in front of every shifter in school, I vow to harden my heart, become impervious to the constant, deep hurt of the rejection, and figure out how to be the first wolf in known history to shake the taint of a rejected fated mate bond.

I'm also becoming closer to a new student—a smoking hot and intriguing human, who I can't manage to scare off even with the drama that surrounds me and the poisonous pack politics that I can't seem to escape. **Author: Patricia Briggs**

**Mercy Thompson, car mechanic and shapeshifter, must face her greatest fears in this chilling entry in the #1 *New York Times* bestselling series.**

The vampire Wulfe is missing. Since he's deadly, possibly insane, and his current idea of "fun" is stalking Mercy, some may see it as no great loss. But when he disappears, the Tri-Cities pack is blamed. The mistress of the vampire seethe informs Mercy that the pack must produce Wulfe to prove their innocence, or the loose alliance between the local vampires and werewolves is over.

So Mercy goes out to find her stalker—and discovers more than just Wulfe have disappeared. Someone is taking people from locked rooms, from the aisles of stores, and even from crowded parties. And these are not just ordinary people but supernatural beings. Until Wulfe vanished, all of them were powerless loners, many of whom quietly moved to the Tri-Cities in the hope that the safety promised by Mercy and Adam's pack would extend to them as well.

Who is taking them? As Mercy investigates, she learns of the legend of the Harvester, who travels by less-trodden paths and reaps the souls that are ripe with a great black scythe. . . .

## **The Desert Cursed Series Boxset (Books 1-3)**

**Author: Shannon Mayer**

*The Desert Cursed Series should be read by people who can root for an underdog, have a good sense of humor, a love for high-paced action, and a taste for a blend of magic that even a Muggle could love. With over half a million copies sold, when you indulge in the Desert Cursed series, you're in good company.*

### **Witch's Reign (Book 1)**

**They think her an underdog against impossible odds... And she will fight tooth and nail to prove them wrong.**

The Witch's Reign...a land of eternal, unnatural winter ruled by the Ice Witch. In turn, she is guarded by three supernatural creatures who wander her lands hunting for unwary souls, killing any who cross their paths.

To get to the Witch's Reign, you first must pass through the Dragon's Ground. Full of dragons, who for the record, do not like trespassers.

This is where I am headed, though my mentor has forbidden me.

My best friend was sent with a team into the Witch's Reign to recover a powerful jewel that belongs to our mentor, and they are long overdue to come back.

That leaves me, Zamira “Reckless” Wilson to go after my friend. Forbidden or not.

Somehow, I get saddled with a human male tagging along for the ride. A human that is as weak and useless as my own shifting abilities.

Throw in a sentient magical weapon that tries to kill me every time I touch it, and a small dragon that has a penchant for Shakespearean insults, and you've got my journey in a nutshell.

May the sands of the desert swallow me whole because this is going to be a damn bumpy ride.

### **Dragon's Ground (Book 2)**

**Dragons and danger and magic collide... And it's only Monday.**

We survived the land of the Witch's Reign, that much is true. But our arrival home is far from welcome.

My idiot brother has taken it upon himself to ride off in search of a mythical healer, someone who might help him walk again. Assuming she doesn't eat him first. Because said healer is a dragon and happens to reside in the deepest reaches of the Dragon's Ground. Like I said, idiot.

I'd go after him myself, but his leave-taking is not the only problem I face. My mentor has yet again forbidden me to leave the safety of the Stockyards. Her reasoning?

That I am too weak to weather the coming storms.

With my pride wounded in more ways than one, I must gather the few allies I have left. My ex-husband's new girlfriend at the top of the list and a goat bleating, oversexed Satyr.

FML.

If I'm lucky I'll find a small dragon and a Jinn whose blue eyes still haunt my dreams along the way.

Buckle up, buttercup, this ride is about to take a seriously unforeseen twist.

### **Jinn's Dominion (Book 3)**

**There was nothing that could have prepared me for Dragon's Ground. And I thought that nothing could be worse than what I faced there.**

Just my black cat bad luck, the world is set to prove me wrong.

South lies the Jinn's Dominion and within it the members of my Pride who need my help. The further south we go, the more danger comes not only from outside our group but from within.

Ishtar's new hunters.

Marsum leader of the Jinn.

And the Emperor himself.

All three want something from me. All three claim they can give me the world on a silver platter, to give me my deepest desires.

Color me cautious, but I think all three are lying. Or so it seems until I reach the Jinn's Dominion and discover the truth...  
About who I really am.

And what that means for my fate and the fate of those I love.

The worst part is, they think I'm fae, and I'm supposed to participate in some competition against a host of other women who have been training their whole lives for this. The prize? The winner is to marry the Prince.

On the surface that sounds almost like a fairytale, only this competition is brutal and bloody, and the Prince is the jerk that kidnapped me. I need to fight the pull and survive long enough to find a way out of here, but these winter fae won't make that easy.

FOR ALL THE EVERYDAY HEROINES OVER FORTY WHO KNOW IT'S **NOT TOO LATE** FOR MAGIC!

The day after my forty-third birthday, my husband announced he was trading me in. His words, not mine. The news was unwelcome at the time, but honestly? I needed a good goosing to get up and find my way to the door.

So. I was freed from the manual of expectations authored by my ex that had, over the years, grown into an encyclopedia of what a wife "should" be and do. The freedom was the good news. The flip side was less happy. Due to living in a state not friendly to discarded wives, I was also relieved of the financial 'security' I'd spent a lifetime accruing.

Starting over? I didn't plan on it. Didn't see it coming. But pulling a sheet over my head and waiting for the end didn't seem like my style. Granted. I wasn't sure what my style was because I hadn't thought about freedom of expression since I was twenty.

I'd never been a fan of optimistic adages like 'it's not too late', but that was before my life was divided into two parts; everything that came before the mysterious package and everything after. Fate shot me with a lightning bolt of attitude adjustment and thrust me head first into an adventure that was unforeseeable to say the least. If you'd told me what my life was going to be like, I would have used every synonym for crazy you've ever heard.

I 'inherited' a curious antique store in a tiny, picturesque English village where the world of fae magic lives side by side with the mundane. But that's far from all. Eight times a year, I receive magical dignitaries and magical lowborn alike and mediate their disputes; some comical, some deadly serious.

It may be too late for super shiny hair, going without a bra, or sleeping eight hours without a potty break. But it seems that it's not too late for navigating magical politics, expatriating, romance, and saving the world.

*Perfect for fans of everyday heroines over forty.*

**Author: Savannah Rose**

*I'm the outcast who dared to bond with the Alpha's sons. Not on purpose, of course.*

I knew better than to think a motherless, fatherless, half-wolf would ever be welcomed within their ranks. What I also knew was that I'd be punished. A lashing, five days on my knees, no food or water, something like that.

Boy was I wrong.

The alpha insisted our bond be rejected.

This was old world magic. Dark magic. Strong magic. And yet, it didn't work.

We all knew I was nothing like them. A mut. Half wolf. Half unknown.

But what we didn't know was that when they put death on the table, the unknown half would be the one to save my life.

Because sometimes the unknown is stronger than a thousand men.

Stronger than magic.

Stronger than death.

## **Harry Potter and the Cursed Child - Parts One and Two: The Official Playscript of the Original West End Production**

***Author: J.K. Rowling***

**The official playscript of the original West End production of Harry Potter and the Cursed Child.**

It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children.

While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places.

The playscript for *Harry Potter and the Cursed Child* was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller.

This definitive and final playscript updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the Wizarding World prior to the beginning of *Harry Potter and the Cursed Child*.

## **Fireborne (Raven Cursed Book 1)**

***Author: McKenzie Hunter***

I wouldn't say my life is a dumpster fire—but it's far from typical. I'm frenemies with the local werewolves' Alpha, my clients are shady as hell, and my magic falls firmly in the WTF category. Mephisto, my mysterious and powerful client, is more interested in my magic than the jobs he's hired me for. And I'm pretty sure my court-ordered therapist thinks I'm an ass.

Maybe it's not a dumpster fire, but it *is* a hot mess.

That said, I'm good at my job. Anytime a curse goes wrong, a magical object is lost, or a rogue supernatural needs apprehending, I'm the person you call.

My new assignment is supposed to be simple: Just find a coveted magical object. Instead my client is abducted, I'm pulled into the underbelly of the magical world, and a spell is cast on me that reveals a mark of the raven.

Now I'm being hunted by the people I used to hunt. I've piqued the interest of the magical elite. And I don't know who wants me as an ally and who wants me dead.

I *have* to fix this.

Because if I don't, I won't survive.
