**Author: Charlotte MacLeod**

Family ties draw Boston's art sleuths into an island murder mystery in this "unalloyed pleasure" from the international bestselling author (*Publishers Weekly*).

Though a few years past sixty, Sarah Kelling's Aunt Emma is as vigorous as a girl of twenty-two. She sings, she dances, and when the local fire department needs a fundraising boost, she's happy to jump out a window for charity. This summer, she decamps to Maine, to beat the heat at an island retreat for artists and great thinkers. There are writers, painters, a psychic, and a historian, and their company promises to be great fun—until a few of them go treasure-crazy. Sensible people have long dismissed rumors of the Pocapuk Island treasure as myth, but artists are seldom sensible. When their rampant digging stirs up buried trouble, it leads to theft, drugging, and a murder. And although Sarah and her husband Max give investigative advice by phone, it's up to Aunt Emma to save the islanders from themselves.

Major Heathcliff Lennox, ex-WW1 war pilot, six feet 3 inches, unruly dark blond hair, age around 30 - named after the hero of Wuthering Heights by his romantically minded mother - much to his great annoyance. **amazon reviews Kindle Customer Sally Hutcheson** 5 stars Excellent Mystery Don't pick up unless you have time to read it all She does not give away "who done it" until the very end and it still makes sense. I love her characters and hopes she finds time to write a lot more books. **Kindle Customer** 5 stars Fast paced mystery Very well written and fast paced. A very good page turner. Did not see the end coming. Highly recommend this series. I read book three before this in error which led to a small bit of confusion but no real problem. **Kindle Customer Kathryn Loewenstein** What fun this book was! Delightful story...kept me laughing at times and thoroughly entertained. Really if one wants an entertaining mystery, this is it! Hope everyone will enjoy this book as much as I did! **Cat100** 5 stars Terrific cozy English house mystery!! absolutely loved this book! It was really hard to put down. The characters were all so great. I can't get enough of the old fashioned English house party mystery. **Kindle Customer** 5 stars An Agatha or Dorothy Sayres style that I thought went out of fashion In these days Well done, satisfying, wanting the next one! I will heartedly recommend. Puzzle without gore, depressive scenes, or bodily fluids. Well done! **Vicki Oliver** 5 stars Well done second mystery with Heathcliff Lennox Karen Baugh Menuhin's second mystery with WWI veteran Heathcliff Lennox is perfect for fans of traditional detective mysteries. The waning life of post-war England is spot on--the loyal servants, some of whom served as bat men in the war, the ambiance of old crumbling manor houses, the dialogue--all make the book a delightful read. Mr. Fogg, Lennox's sweet dog, is joined by Mr. Tubbs, an orphaned cat. Inspector Swift re-appears, much to both men's dismay. Ms. Menuhin has a way of incorporating touches of Downton Abbey with war details along with humor. I read this book via Kindle Unlimited but have added it permanently to my library for re-reading again (and again).

## Fatal Breach (A Sydney Rye Mystery, Book #14) (Sydney Rye Mysteries)

**Author: Emily Kimelman**

***I am desperate for freedom, for peace, and for justice.***

As I leave captivity and step into the bright sun-filled day, a wave of relief washes over me. I am not free yet, though. Walking between barbed wire topped walls toward the exit gate, I breathe in fresh air, preparing for the next challenge. An enemy posing as a lover waits for me.

*I will evade him, though.*

Robert Maxim meets me at the prison gate, his smile predatory and victorious. I blank my mind. If I think about my plan, Robert will see it on my face. He expects me to do something—it's part of the fun for him.

*Is this fun for me, too?*

His hand cups my upper arm as he bends to brush a kiss against my cheek. Robert's scent engulfs me: low notes of sandalwood and fine leather balanced by a sharp tang of cold metal.

"You look lovely," Robert says.

I'm wearing lightweight black cargo pants, unbuttoned to make room for my growing pregnancy, and tucked into my boots which are laced tight at my ankles—they keep spiders out when in the jungle. Under the parka that Special Agent Consuela Sanchez gave me when we flew back to the States all I have on is a thin tank top. It's cold here in DC, not so much in Costa Rica.

Robert is wearing a camel hair overcoat a few shades yellower than the copper in his beard. The collar is pulled up and his cheeks are tinged pink from the cold. A soft wind plays with his dark hair gone silver at the temples.

Behind Robert, a black SUV with tinted windows idles. Brock, his head of personal security opens the back door. Brock is big and broad with weathered skin the color of brushed brass. His dark coat captures the sunlight, seeming to hide it somewhere it will never be found.

"Good to have you back, Ms. Rye," Brock says as I get into the back seat.

"Thanks, Brock. It's good to be back." Robert joins me. "Where are we going?" I ask. "To *my* apartment?"

Robert smiles. "Yes."

When Robert faked his own death he really went the extra mile by leaving me most of his worldly possessions, including his apartment in Washington DC. Now that he is forcing me to marry him to avoid prosecution—a husband can choose not to testify against his wife—he'll be getting his wealth back.

"I may need you to sign a prenup," I say. "You realize I'm a very wealthy woman."

Robert laughs as we merge onto the highway. "Your wish is my command."

"Yeah, right," I grumble, looking out the window. The industrial area we're leaving slides by in a smear of speed.

Robert captures my hand, pulling it into his lap. "Sydney," his voice is serious and I turn to look at him. "I recognize this isn't what you wanted."

I huff a laugh. "You're so observant Robert, was it the threat of giving birth in prison, or just the regular old forcing me to marry you?" I hold my chin with my free hand, pretending to be *really* thinking. "I wonder if I'm being triggered by the fact that you're treating me like an object rather than a person."

"Sydney," his voice is lower now, a warning. I have to look away to keep the thoughts bubbling up in my mind hidden from him.

***You will learn that I am not an object. Only a thinking, feeling, sentient being can ruin you the way I plan to.***

P.S. The dog does not die.

And she'd come to identify the family she couldn't remember but knew in her heart she'd once belonged to.

The missing scientist is brilliant yet eccentric so when the group approached the police about the missing physicist they were assured that the man had simply forgotten about the symposium he'd signed up to participate in and had gone off on one of his research trips. After an initial investigation Ainsley has reason to believe that either explanation could be true but she doesn't want to take the chance that the man could actually be in trouble, so she agrees to help the teens track down the elderly scientist in exchange for their help with the annual haunted house for which she'd been recruited to line up volunteers.

Meanwhile, Parker, Josie, and Jemma, are all involved in the annual Halloween festivities, Ainsley continues to look for Avery, and Adam begins making plans for changes in his own routine.

“Solid proof that a book can rely on good storytelling and good writing without needing blood or sex.” ~Amazon reviewer

“The characters feel like old friends.” ~Amazon reviewer

Have you met Inspector David Graham?

Graham is a Detective Inspector with London's Metropolitan police force. He's a career police officer, an educated, reserved, thoughtful, some might say, complex man.

He has suffered tragedy in his life that serves to exaggerate his more introspective characteristics and, like many of us, has to look his demons in the eye from time to time and make tough choices.

This box set contains the first four mysteries in this bestselling series:

**The Case of the Screaming Beauty:** Detective Inspector Graham is still reeling from a tragedy of his own when he is called in to investigate a murder at the prestigious Lavender Bed and Breakfast. It has a rich, Tudor atmosphere, an enviously manicured lawn... And a deadly problem.

**The Case of the Hidden Flame:** Inspector David Graham is hoping for peace and quiet when he leaves city life behind for a quaint island village — but a suspicious death soon derails his plans. Will eccentric characters, roiling sea undercurrents, and deceptive coincidences unravel to reveal the secrets of his latest mystery?

**The Case of the Fallen Hero:** As he walks around the imposing Orgueil castle, Graham's peaceful life comes to a shuddering halt when he finds a woman kneeling beside the body of a stricken man. Does the castle hold clues to the puzzle?

**The Case of the Broken Doll:** A missing girl. A broken doll. Dark, deviant secrets. What Inspector finds as he investigates will rock the town, stirring memories long buried and forgotten. There are painful truths to face. Can he uncover what happened? Could the missing schoolgirl still be alive?

**The British governess-turned-sleuth cracks the case in four puzzling mysteries from the “timelessly charming” series (Charlotte MacLeod).**

Retired governess and teacher Maud Silver has a new profession: private detective. And though she may seem a kindly and demure pensioner, she can solve crimes right alongside the best Scotland Yard has to offer in this charming series from “a first-rate storyteller” (*The Daily Telegraph*).

*Out of the Past:* Alan Field is a charming, handsome young man with a predilection for causing trouble and breaking hearts. But when he learns that an author is writing a biography of his late father, it's up to Alan to go through his father's letters—where he finds a bundle of scandalous correspondence and forms a plan. It begins as blackmail and ends with a dead body. And that's where Miss Silver comes in.

*The Silent Pool:* Actress Adriana Ford is afraid—and with good reason. Someone is trying to kill her. So she goes to Miss Silver for help finding out who wants her dead. It could be anyone: a stalker, an obsessed fan, even her own family. Then, a body is found at Adriana's estate, and Miss Silver travels to the countryside where she learns that Adriana may not have been telling her the whole truth—and that the truth may get her killed.

*Vanishing Point:* Jenny Maxwell is a bright, young disabled child who writes stories of fantasy. But they are only barely fictional. Trapped in her room for hours at a time, Jenny hears all. She knows about the young woman who disappeared from town, and about the strange young man who works at the nearby military research center. What sounds like harmless gossip could actually be a grave threat to national security—one which only Miss Silver is capable of unearthing.

*Benevent Treasure:* As a WWII orphan, Candida Sayle has never considered that she might have a family somewhere. Then she receives a letter from an unheard-of aunt, inviting Candida to rejoin the Benevent family. The young woman ventures to the country, and the environment comforts Candida—as do the attentions of her aunt's handsome young secretary. But her vacation goes off the rails when death strikes the house, and the brilliant detective Maud Silver joins the party to investigate the possible murder.

These charming traditional British mysteries featuring the unstoppable Miss Silver—whose stout figure, fondness for Tennyson, and passion for knitting disguise a keen intellect and a knack for cracking even the toughest cases—are sure to delight readers of Agatha Christie, Ellis Peters, and Dorothy L. Sayers.

## **The Asylum Aberration (A Charlie Rhodes Cozy Mystery Book 9)**

***Author: Amanda M. Lee***

Charlie Rhodes has spent her entire life wondering who she is, why she was abandoned as a child, and what’s behind the magical powers she can wield in the blink of an eye.

She’s finally getting her answers.

Now that she’s been reunited with her birth mother and brother, the search is on for her father. He’s supposed to be somewhere in Boston ... but where? He’s fallen out of touch and finding him is virtually impossible.

Thankfully for Charlie, the Legacy Foundation’s next assignment is in a suburb of the very city where she lives, which means there’s plenty of time to find her father and solve the mystery of a haunted former hospital that’s apparently eating construction workers on a regular basis.

Heavenstone Asylum was considered the height of sophistication in psychiatric circles back in the day. In the years since the facility closed, the main doctor’s legacy has been tarnished by horror stories of treatments gone wrong and disappearing patients.

The second Charlie walks into the building, she recognizes that the past is hardly buried within the walls. There are tortured souls at every turn, and it’s her job to help them.

Heavenstone’s history makes for interesting reading but the harder Charlie digs, the more horrifying the story. Somehow she needs to uncover the truth ... and survive the ghosts long enough to free them.

It’s going to take everything she’s got to see things through until the end.

All Charlie wants are answers. She’s going to get them. Surviving long enough to do anything with them is another story.

It’s about to be the Legacy Foundation’s finest hour ... or is it?

## **Eve Lloyd's A Deadline Cozy Mystery - Books 1 to 5**

**Author: Sonia Parin**

Eve Lloyd's A Deadline Cozy Mystery Series  
(Clean read: no graphic violence, sex, or strong language)

### **Sunny Side Up**

With her bitter divorce behind her, Eve Lloyd wants to relax and think about her next step. Paying her aunt, Mira Lloyd, a.k.a. Elizabeth Lloyd, renowned historical romance author, a long overdue visit, she plans on spending a month on Rock-Maine Island lounging around and plotting the launch of her new life. Her ex-husband, however, has other ideas. As for her aunt... she's gone missing. And now there's a dead body to contend with and a murder weapon with her fingerprints on it. A mantle of suspicion hangs over Eve and everyone she encounters has a reason to want her out of the way. Unwilling to leave matters in the hands of swoon worthy Detective Jack Bradford... only because it's her civic duty to provide a new perspective, Eve Lloyd engages the assistance of her new friend and fellow suspect, Jill Saunders. They both stumble their way through a long list of possible motives and suspects in a race to find the killer before either one turns into the next victim.

### **Snuffed Out**

Eve Lloyd, a death knell? Eve refuses to believe her choice of words had something to do with inviting a killer to the island, but just to be on the safe side, she agrees to avoid all use of any and all words related to killing. However, it might already be too late... Her run in with a local artist, Reginald Bryant Burns, has put her in an awkward position. Trying to make amends, Eve resorts to bribery, but that only makes matters worse and now...She's a prime suspect in a murder investigation. The timing couldn't be worse. She has a date with Detective Jack Bradford and the killer is threatening to ruin it for her.

### **All Tied Up**

It's no accident. Eve Lloyd is a magnet for trouble. On the brink of settling into an uneventful existence, Eve Lloyd turns her attention to a new venture. She's going to open an inn and she thinks she's found the perfect house. It should all be smooth sailing from there, but she's developed a knack for landing right in the thick of it. This time, she stumbles on a body in the least likely place and her fingerprints are all over the handcuffs found on the murder victim. As the suspects list grows, and the dream of running an inn evaporates, she becomes a target of the killer's rage. Despite trying to keep her nose out of other people's business, it seems the only way she can get her life back on track is if she sets a trap for the killer.

### **The Last Bite**

Eve Lloyd's childhood nemesis, Charlotte McLain, is getting married. Nothing will induce Eve to attend. Nothing except... blackmail. From the start, everything

about this wedding rings alarm bells for Eve. The location, the groom, the guests. The bride. But that's nothing unusual. The odds of everything going right are stacked in the bride's favor. There have already been several deaths on the island. Lighting surely wouldn't strike again...When the groom suddenly dies, all fingers of blame are pointed directly at Eve. After all, she had opportunity and plenty of motives. She's been framed and despite trying to keep her nose out of trouble, she's now been dragged right back into the thick of it. The list of suspects is extensive, but she's sure she can narrow it down to... at least a half dozen people.

The Final Cut

"...What sort of business person would I be if I start killing off my guests?"

Eve Lloyd has settled into her new life in Rock-Maine Island and is about to open up an inn - a costly venture now that she has her heart set on getting an expensive custom made stove. Leasing her new house to a film director takes care of the extravagant expense. It should now be all smooth sailing. However, the director and movie star's endless arguing gives her a taste of what she might be in for when she opens the doors to the public. What if she gets an inn full of squabbling couples who use arguing as foreplay? But that is the least of her concerns.

## Whispering Pines Mysteries Box Set: Books 1-3: Whispering Pines Mysteries

**Author: Shawn McGuire**

**Meet Jayne O'Shea and all the quirky characters in the village you'll never want to leave ... despite the dead bodies ...**

*This digital box set contains books one, two, and three.*

### Family Secrets

Former detective Jayne O'Shea goes to prepare her grandparents' lake house for sale and finds a dead body in the backyard. When it becomes obvious the sheriff isn't going to investigate the death, Jayne jumps right in. Her list of suspects grows faster than the plants in the village commons' pentacle garden. Could it be the local Wiccan green witch with her stash of deadly plants? The shopkeeper who foretells death? Or maybe the visitor determined to learn black magic?

### Kept Secrets

One month after arriving in the Northwoods, Jayne has settled comfortably into small-town life. Then one of the circus performers is found dead, and the villagers look to Jayne for help. The last thing she wants is to get involved but when a second carney dies, and the newly hired sheriff dismisses the death as an accident, Jayne has no choice but to step in.

### Original Secrets

Exhausted from being the only law enforcement official on duty while also trying to open a bed-and-breakfast, Jayne escapes into her grandmother's journals. Each entry gives her a deeper understanding of why her grandparents moved to such a remote location. But as questions are answered, deeply hidden secrets are unearthed. Such as, a killer has been wandering the village for forty years.
