

Ice Planet Barbarians: A SciFi Alien Romance

Author: Ruby Dixon

You'd think being abducted by aliens would be the worst thing that could happen to me. And you'd be wrong. Because now, the aliens are having ship trouble, and they've left their cargo of human women - including me - on an ice planet.

And the only native inhabitant I've met? He's big, horned, blue, and really, really has a thing for me...

Project Hail Mary: A Novel

Author: Andy Weir

NEW YORK TIMES BESTSELLER • From the author of *The Martian*, a lone astronaut must save the earth from disaster in this “propulsive” (*Entertainment Weekly*), cinematic thriller full of suspense, humor, and fascinating science—in development as a major motion picture starring Ryan Gosling.

“An epic story of redemption, discovery and cool speculative sci-fi.”—*USA Today*

“If you loved *The Martian*, you’ll go crazy for Weir’s latest.”—*The Washington Post*

Ryland Grace is the sole survivor on a desperate, last-chance mission—and if he fails, humanity and the earth itself will perish.

Except that right now, he doesn't know that. He can't even remember his own name, let alone the nature of his assignment or how to complete it.

All he knows is that he's been asleep for a very, very long time. And he's just been awakened to find himself millions of miles from home, with nothing but two corpses for company.

His crewmates dead, his memories fuzzily returning, Ryland realizes that an impossible task now confronts him. Hurling through space on this tiny ship, it's up to him to puzzle out an impossible scientific mystery—and conquer an extinction-level threat to our species.

And with the clock ticking down and the nearest human being light-years away, he's got to do it all alone.

Or does he?

An irresistible interstellar adventure as only Andy Weir could deliver, *Project Hail Mary* is a tale of discovery, speculation, and survival to rival *The Martian*—while taking us to places it never dreamed of going.

The Midnight Library: A Novel

Author: Matt Haig

The *New York Times* bestselling WORLDWIDE phenomenon

Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | *Independent* (London) Ten Best Books of the Year

“A feel-good book guaranteed to lift your spirits.”—*The Washington Post*

The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of *How To Stop Time* and *The Comfort Book*.

Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better?

In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

Barbarian Alien: A SciFi Alien Romance (Ice Planet Barbarians Book 2)

Author: Ruby Dixon

Twelve humans are left stranded on a wintry alien planet. I'm one of them. Yay, me.

In order to survive, we have to take on a symbiont that wants to rewire our bodies to live in this brutal place. I like to call it a cootie. And my cootie's a jerk, because it also thinks I'm the mate to the biggest, surliest alien of the group.

BARBARIAN ALIEN is a sequel to ICE PLANET BARBARIANS. You do not have to read both in order to understand the plot, but the story will be richer if you do!

Seventh Realm Part 1: A LitRPG Fantasy series (The Ten Realms Book 8)

Author: Michael Chatfield

War has come to the Willful Institute. It has come to the first realm.

For years Alva has trained, developed weapons and tactics never seen in the ten realms. Now Alva moves in the background, supporting the Adventurer's Guild. No band of fighters, no sect looking to gain individual honors.

The armies of Alva were forged together in Alva dungeon. Tempered in body, in mind, in mana. Supported by Alvan traders, crafters, they reclaimed the lost floors of their home. They captured Vuzgal and defended it in the vicious battlefield realm.

Now Alva is going to war. Their abilities, their skills tested head on.

One individual is strong. A nation focused, a nation brought together for a single goal. It is something that could shake the very foundations of the ten realms.

A beast stirs in the Beast Mountain Range, raising their eyes to the higher realms. It is time Erik and Rugrat stepped out of the shadows.

Barbarian Lover: A SciFi Alien Romance (Ice Planet Barbarians Book 3)

Author: Ruby Dixon

As one of the few humans stranded on the ice planet, I should be happy that I have a new home. Human women are treasured here, and one alien in particular has made it clear that he wants me. It's hard to push away the sexy, flirtatious Aehako, when all I want to do is grab him by his horns and insist he take me to his furs.

But I've got a terrible secret - the aliens who abducted me are back, and thanks to the translator in my ear, they can find me. My presence here endangers everyone...but can I give up my new life and the man I want more than anything?

Barbarian Mine: A SciFi Alien Romance (Ice Planet Barbarians Book 4)

Author: Ruby Dixon

The ice planet has given me a second lease on life, so I'm thrilled to be here. Sure, there's no cheeseburgers, but I'm healthy and ready to be a productive member of the small tribe. What I didn't anticipate? That there'd be a savage stranger waiting nearby, watching me. And when he takes me captive, the unthinkable happens...I resonate to him.

Resonance means mating, and children...but I don't know if this guy's ever been around anyone before. He's truly a barbarian in all ways, right down to clubbing me over the head and claiming me as his own.

So why is it that I crave his touch and hunger for more?

Ice Planet Holiday: A SciFi Holiday Alien Romance (Ice Planet Barbarians Book 5)

Author: Ruby Dixon

All this snow and no holidays? What's a stranded human to do?

Create a new holiday, of course. Georgie and the other women decide to bring some new traditions and cheer to the sa-khui. More babies are born, presents are exchanged, and a new romance blossoms between a human woman desperate for a change, and the alien determined to protect her.

This 25,000 word novella is NOT intended as a stand-alone. Looking for a place to start? Try ICE PLANET BARBARIANS, book one in the series.

Barbarian's Mate: A SciFi Alien Romance (Ice Planet Barbarians Book 7)

Author: Ruby Dixon

'Resonance' is supposed to be a dream - that's when your soulmate is chosen for you. And everyone on the ice planet has hooked up with a big, hunky soulmate of their own...except me. So do I want a mate? Heck yeah. More than anything, all I've ever wanted is to be loved by someone.

Except that the soulmate chosen for me? My least favorite person on the darn ice planet. Haeden's the most cranky, disapproving, unpleasant, overbearing male alien...so why is it that my body sings when he gets close? Why is he working so hard to prove to me that he's not as awful as I think he is?

I hate him...don't I?

"[An] electrifying debut."—*O, The Oprah Magazine*

"The real-life parallels will make you shiver."—*Cosmopolitan*

Set in a United States in which half the population has been silenced, *Vox* is the harrowing, unforgettable story of what one woman will do to protect herself and her daughter.

On the day the government decrees that women are no longer allowed more than one hundred words per day, Dr. Jean McClellan is in denial. This can't happen here. Not in America. Not to her.

Soon women are not permitted to hold jobs. Girls are not taught to read or write. Females no longer have a voice. Before, the average person spoke sixteen thousand words each day, but now women have only one hundred to make themselves heard.

For herself, her daughter, and every woman silenced, Jean will reclaim her voice.

This is just the beginning...not the end.

Barbarian's Prize: A SciFi Alien Romance (Ice Planet Barbarians Book 6)

Author: Ruby Dixon

It's hard being the most popular girl on the ice planet. The alien men are falling all over themselves to impress me in the hopes that I'll take them to my furs. But they don't know my secrets – none of them do. And they don't realize that behind my smile, I just wish they'd go away.

I don't want any of them. I want someone else – someone with a gorgeous blue body, big horns, and the most intense gaze ever. He's the only one that knows the truth. Maybe with him, I can work through my fears of the past....but I'm pretty sure he wants more than just friendship.

He wants forever, and I'm not sure I can give it.

This is book 6 in the Ice Planet Barbarians series.

Barbarian's Touch: A SciFi Alien Romance (Ice Planet Barbarians Book 8)

Author: Ruby Dixon

When I wake up on the ice planet, I'm scared of everything: this place is cold, silent, and the locals look more like blue devils than aliens. To make matters worse, one of the strangers decides I'm going to be his girlfriend and kidnaps me away from my sister. I'm completely and utterly alone. What's a girl to do?

Well, this girl escapes.

Of course, that means I go from frying pan into the fire, and my situation gets even more dangerous. Just when I have no hope left, a new hero appears. Sure, he's blue, horned, and has a tail. He's also fierce, protective, makes me purr...and thinks I'm perfect.

But is what we have real or just a mating instinct?

Barbarian's Taming: A SciFi Alien Romance (Ice Planet Barbarians Book 9)

Author: Ruby Dixon

As a newcomer to the alien tribe, I've struggled to find my place. It might be because I'm a tad headstrong at times. And yes, I might have thrown a few things at people's heads. But I had a good reason to pitch a fit - my shy sister was stolen away right under my nose. Of course, now she's back and mated. Everyone's happy...except me.

I need...affection.

Attention.

Okay, I'm lonely. *Really* lonely.

Strangely enough, the only person that I think understands what I'm going through is the same blue-skinned brute that stole my sister. It's wrong to hook up with him, even as a mindless fling.

Except...I'm not so good with the whole 'rules' thing.

And he's not so great with the 'fling' thing.

The Q Continuum: Book One: Q-Space (Star Trek: The Next Generation 47)

Author: Greg Cox

The unpredictable cosmic entity known only as Q has plagued Captain Jean-Luc Picard and the crew of the *Starship Enterprise*[™] since their very first voyage together. But little is known of Q's mysterious past or that of the unearthly realm from which he hails. Now Picard must learn Q's secrets—or all of reality may perish!

Ever since its discovery, the great galactic barrier has impeded humanity's exploration of the universe beyond the Milky Way. Now a brilliant Federation scientist may have found a way to breach the barrier, and the *Enterprise* is going to put it to the test. The last thing Picard needs is a return visit from an omnipotent

troublemaker so, naturally, Q appears.

But Q has more in mind than his usual pranks, and while the *Enterprise* struggles to defeat a powerful inhuman foe, Captain Picard must embark on a fantastic odyssey into the history of the Q Continuum itself, with the fate of the galaxy hanging in the balance.

The Other Emily

Author: Dean Koontz

An Amazon Charts, *Wall Street Journal*, and *USA Today* bestseller.

Number one *New York Times* bestselling master of suspense Dean Koontz takes readers on a twisting journey of lost love, impossible second chances, and terrifying promises.

A decade ago, Emily Carlino vanished after her car broke down on a California highway. She was presumed to be one of serial killer Ronny Lee Jessup's victims whose remains were never found.

Writer David Thorne still hasn't recovered from losing the love of his life, or from the guilt of not being there to save her. Since then, he's sought closure any way he can. He even visits regularly with Jessup in prison, desperate for answers about Emily's final hours so he may finally lay her body to rest. Then David meets Maddison Sutton, beguiling, playful, and keenly aware of all David has lost. But what really takes his breath away is that everything about Maddison, down to her kisses, is just like Emily. As the fantastic becomes credible, David's obsession grows, Maddison's mysterious past deepens—and terror escalates.

Is she Emily? Or an irresistible dead ringer? Either way, the ultimate question is the same: What game is she playing? Whatever the risk in finding out, David's willing to take it for this precious second chance. It's been ten years since he's felt this inspired, this hopeful, this much in love...and he's afraid.

The Handmaid's Tale

Author: Margaret Atwood

Now a Hulu Original Series

The Handmaid's Tale is a novel of such power that the reader will be unable to forget its images and its forecast. Set in the near future, it describes life in what was once the United States and is now called the Republic of Gilead, a monotheocracy that has reacted to social unrest and a sharply declining birthrate by reverting to, and going beyond, the repressive intolerance of the original Puritans. The regime takes the Book of Genesis absolutely at its word, with bizarre consequences for the women and men in its population.

The story is told through the eyes of Offred, one of the unfortunate Handmaids under the new social order. In condensed but eloquent prose, by turns cool-eyed, tender, despairing, passionate, and wry, she reveals to us the dark corners behind the establishment's calm facade, as certain tendencies now in existence are carried to their logical conclusions. *The Handmaid's Tale* is funny, unexpected, horrifying, and altogether convincing. It is at once scathing satire, dire warning, and a tour de force. It is Margaret Atwood at her best.

Barbarian's Hope: A SciFi Alien Romance (Ice Planet Barbarians Book 11)

Author: Ruby Dixon

Seasons ago, I resonated to the quietest of tribesmates, a male content to love me from afar while I was the center of attention. We could have been happy. Despite our differences, I loved him and he loved me.

But then a terrible thing happened...and my world was never the same again.

Now resonance is giving us a second chance, but...I'm afraid. What if what I have with my mate is too broken to be fixed? What if there's no hope left for us at all?

Barbarian's Heart: A SciFi Alien Romance (Ice Planet Barbarians Book 10)

Author: Ruby Dixon

I've never spent a day without my mate since arriving on the ice planet. I'm happy and in love, and we have a beautiful child together. All that changed when the world shook.

My mate nearly died.

He wakes up from his coma...and he can't remember me. Or our son. Every memory of the past two years is gone. And that changes everything between us. How can I love someone that doesn't remember me?

How can I not, when I know he's still my mate underneath it all?

Night of Fire: A Novel

Author: Colin Thubron

Award-winning, bestselling novelist and travel writer Colin Thubron returns to fiction with his first novel in more than a decade, a searing, poetic masterwork of memory.

A house is burning, threatening the existence of its six tenants—including a failed priest; a naturalist; a neurosurgeon; an invalid dreaming of his anxious boyhood; and their landlord, whose relationship to the tenants is both intimate and shadowy. At times, he shares their preoccupations and memories. He will also share their fate.

In *Night of Fire*, the passions and obsessions in a dying house loom and shift, from those of the hallucinating drug addict in the basement to the landlord training his rooftop telescope on the night skies. As the novel progresses, the tenants' diverse stories take us through an African refugee camp, Greek Orthodox monasteries, and the cremation grounds of India. Haunting the edges of their lives are memories. Will these remembrances be consumed forever by the flames? Or can they survive in some form?

Night of Fire is Colin Thubron's fictive masterpiece: a novel of exquisite beauty, philosophical depth, and lingering mystery that is a brilliant meditation on life itself.

Barbarian's Choice: A SciFi Alien Romance (Ice Planet Barbarians Book 12)

Author: Ruby Dixon

I might be the only unmated female in my tribe, but it doesn't mean I've given my heart. I'm waiting. I want resonance, and I won't settle for anything less.

But when an alien ship lands and a handsome stranger steps out, I know he's the one. His name's Mardok and he's fascinatingly different – and distractingly appealing. But Mardok can't stay on the ice planet, and he says he can take me with him.

Now, I must make a choice. Do I stay and lose my mate forever? Or do I follow him to the stars and leave behind everything I know?

Barbarian's Redemption (Ice Planet Barbarians Book 13)

Author: Ruby Dixon

For seasons, I have waited for her - my perfect mate.

In a tribe full of happy couples, I am alone. But I am not content to remain this way. There are no eligible unmated females left, so I will do whatever it takes to bring females back to our tribe...even if it means doing something wrong. Even if it means I must purchase my mate on the intergalactic black market. I will do anything to possess her, to claim her as my own.

But will my ruthless move turn my female against me before we ever meet? Can she ever forgive a male that bought her freedom?

The Enigma Cube (Alien Artifact Book 1)

Author: Douglas E. Richards

To secure a dazzling future they must travel to a perilous past. A riveting science-fiction thriller from the million-copy *NY Times* bestselling author.

"Richards is an extraordinary writer," (Dean Koontz) who can "keep you turning the pages all night long." (Douglas Preston)

An alien object with breathtaking capabilities. And a life-and-death struggle for the future of humanity.

Dr. Kelly Connolly is part of a top-secret team studying the most important find in human history, the Enigma Cube, an alien artifact of incomprehensible power. A cube whose technology can catapult civilization to dizzying heights--or destroy it entirely.

After years of failed attempts to unlock the cube's secrets, all hell suddenly breaks loose. Kelly and a black-ops commando, Justin Boyd, are soon fighting against all odds to stay alive, and to keep the cube out of enemy hands.

As the situation quickly goes from bad to worse, Kelly discovers that the cube is far more dangerous than even she had imagined. And that her actions could lead to nightmarish changes to the nature of reality itself.

The Enigma Cube is a masterful thriller. One crammed with breakneck action, unexpected twists, mind-blowing science, and ethical dilemmas readers will be contemplating long after they've read the last page.

"Richards is a worthy successor to Michael Crichton." (SF Book dot com)

Nuclear Winter Desolation: Post Apocalyptic Survival Thriller (Nuclear Winter Series Book 5)

Author: Bobby Akart

As Nuclear Winter wrapped its gloomy arms around the planet, man experienced a state of anguished misery and desolation. In order to survive, some became territorial, shunning outsiders. Those in positions of leadership wielded it like a club. While others resisted.

International bestselling author, Bobby Akart, one of America's favorite storytellers, delivers up-all-night thrillers to readers in 245 countries and territories worldwide.

"Masterful and suspenseful!"

This is how the world ends. Not with a bang, but with many nuclear bombs detonated around the planet. It was no longer a topic of conversation around the dinner table as in years past.

Nuclear winter enveloped the planet with its relentless barrage of dark, sooty air. With each passing day, more and more people died. In a desperate attempt to give people a chance to survive, some government leaders chose to marshal the assets of their community. It was a polite way of saying *take from those who have and give to those who have not*.

Hank Albright and his family were not selfish people. However, they were survivors and they'd prepared for the worst.

"Bobby's uncanny ability to take a topic of what could happen and write an epic story about it is short of preternatural!"

What happens when an all-powerful government sets its sights on what you own? Will you willingly give away the food and necessary to keep your family alive? Or, will you fight for what is yours?

For the Albright's, they stood shoulder to shoulder and declared, *I would rather die on my feet than live on my knees*.

Akart's new Nuclear Winter series depicts a world on the edge of nuclear Armageddon. Nuclear Armageddon became reality and ordinary Americans are paying the price.

"I never would have believed that Mr. Akart could outdo himself! Well, he has! This series is quite possibly the best he has ever written."

This is more than the story of nuclear conflict. It's about the devastating effects wrought by Nuclear Winter. Our possible future is seen through the eyes of the Albright family whose roots stretch back to the early settlement of the Florida Keys.

While they fight for survival, they trek across a rapidly deteriorating landscape wrought with danger from both the elements and their fellow man.

It was not our fight, but it became our problem.

"I am speechless. By far the most edge of your seat, acrylic nail biting book ever. E V E R."

Bobby Akart has delivered intense, up-all-night thrillers that have you whispering just one more chapter until the end.

Citadel : A LitRPG Adventure (UnderVerse Book 5)

Author: Jez Cajiao

With the God of Death out for his life, Jax has a choice to make, and it's time for the brothers to face each other...

Nimon, The God of Death, has named Jax and all who follow him 'Apostate' decreeing their death and has dispatched his Dark Legion, the Imperial Legion's

antithesis, to see the job done once and for all.

Hundreds march on the Great Tower, the seat of Jax's power and home to his resurgent Empire. Unbeknownst to Nimon, Jax and the vast majority of his people are far out to sea, aboard ships that are only partially operational, and the enemy's forces are drawing closer to his home by the hour.

Jax must choose... Protect the refugees and risk the Dark Legion reaching his home first, or take a far smaller force and intercept the threat head on. Can Jax risk it all on a single roll of the dice?

What Jax doesn't know is that he's not the only one of Imperial Blood to have skin in the game. It's time for the brothers to finally meet on the field of battle...

This is Book 5 of the UnderVerse Series. Please Note: As with all my books, this story is a Dark Fantasy, filled with violence, sexual references, swearing and bad jokes, but no harems...

Klara and the Sun: A novel

Author: Kazuo Ishiguro

NEW YORK TIMES BESTSELLER

The magnificent new novel from Nobel laureate Kazuo Ishiguro—author of *Never Let Me Go* and the Booker Prize-winning *The Remains of the Day*.

"The Sun always has ways to reach us."

From her place in the store, Klara, an Artificial Friend with outstanding observational qualities, watches carefully the behaviour of those who come in to browse, and of those who pass in the street outside. She remains hopeful a customer will soon choose her, but when the possibility emerges that her circumstances may change forever, Klara is warned not to invest too much in the promises of humans.

In *Klara and the Sun*, Kazuo Ishiguro looks at our rapidly changing modern world through the eyes of an unforgettable narrator to explore a fundamental question: what does it mean to love?

Star Wars: The Rising Storm (The High Republic) (Star Wars: The High Republic Book 2)

Author: Cavan Scott

The heroes of the High Republic era return to face a shattered peace and a fearsome foe, following the dramatic events of *Light of the Jedi*.

In the wake of the Great Hyperspace Disaster and the heroism of the Jedi, the Republic continues to grow, bringing more worlds together under a single unified banner. Under the leadership of Chancellor Lina Soh, the spirit of unity extends throughout the galaxy, with the Jedi and the newly established Starlight Beacon station at the vanguard.

In celebration, the chancellor plans The Republic Fair, a showcase of the possibilities and the peace of the expanding Republic—a peace the Jedi hope to foster. Stellan Gios, Bell Zettifar, Elzar Mann, and others join the event as ambassadors of harmony. But as the eyes of the galaxy turn toward the Fair, so too does the fury of the Nihil. Their leader, Marchion Ro, is intent on destroying this unity. His storm descends on the pageantry and celebration, sowing chaos and exacting revenge.

As the Jedi struggle to curb the carnage of the rampaging Nihil, they come face-to-face with the true fear their enemy plans to unleash across the galaxy—the kind of fear from which even the Force cannot shield them.

—*WIRED* GeekDad on *Departure*

"Riddle... keep(s) the focus on his characters... rather than the technological marvels"
—*Publisher's Weekly* on *Departure*

"Well-constructed and tightly-wound as a fine Swiss watch—*DEPARTURE* has non-stop action, an engaging plot and, of course, wheels within wheels."
—Diana Gabaldon, #1 *New York Times* bestselling author of *Outlander*

An Extended Look At *The Atlantis Gene*

70,000 years ago, the human race almost went extinct.
We survived, but no one knows how.
Until now.

The countdown to the next stage of human evolution is about to begin, and humanity might not survive this time.

Off the coast of Antarctica, a research vessel discovers a mysterious structure buried deep within an iceberg. It has been there for thousands of years, and something is guarding it. Could it be the fabled city of Atlantis? Or is it something more dangerous?

At the same moment, in Jakarta, Indonesia, a brilliant geneticist named Kate Warner has just discovered a breakthrough treatment for autism. Or so she thinks. What she has found is far more deadly—for her and for the entire human race. Her work could unleash the next stage of human evolution. It might also hold the key to unlocking the mysterious structure off the coast of Antarctica.

On the other side of Jakarta, Agent David Vale is racing to uncover a conspiracy with far-reaching implications. But he's out of time. His informant inside the conspiracy is dead. His own organization has been infiltrated—and his enemy has turned the hunt on him. Now he's on the run. But when he receives a coded message related to an imminent attack, he risks everything to save the one person that can help him stop it: Dr. Kate Warner.

Together, Kate and David race to unravel a global conspiracy and learn the truth about the Atlantis Gene... and human origins. Their journey takes them to the far corners of the globe and into the secrets of their pasts. Their enemy is close on their heels and will stop at nothing to obtain Kate's research and force the next stage of human evolution—even if it means killing 99.9% of the world's population. David and Kate can stop them... if they can trust each other. And stay alive.

NOTE: this novel is available as an eBook on Kindle Fire and Kindle eReader, an Audible audiobook, and in print (paperback and hardcover). It's also in Kindle Unlimited where subscribers can read for free.

Dune

Author: Frank Herbert

SOON TO BE A MAJOR MOTION PICTURE directed by Denis Villeneuve, starring Timothée Chalamet, Josh Brolin, Jason Momoa, Zendaya, Rebecca Ferguson, Oscar Isaac, Javier Bardem, Dave Bautista, Stellan Skarsgård, and Charlotte Rampling.

Frank Herbert's classic masterpiece—a triumph of the imagination and one of the bestselling science fiction novels of all time.

Set on the desert planet Arrakis, *Dune* is the story of the boy Paul Atreides, heir to a noble family tasked with ruling an inhospitable world where the only thing of value is the "spice" melange, a drug capable of extending life and enhancing consciousness. Coveted across the known universe, melange is a prize worth killing for....

When House Atreides is betrayed, the destruction of Paul's family will set the boy on a journey toward a destiny greater than he could ever have imagined. And as he evolves into the mysterious man known as Muad'Dib, he will bring to fruition humankind's most ancient and unattainable dream.

A stunning blend of adventure and mysticism, environmentalism and politics, *Dune* won the first Nebula Award, shared the Hugo Award, and formed the basis of what is undoubtedly the grandest epic in science fiction.

Tear Me Apart: A Novel

Author: J.T. Ellison

The follow-up to her critically acclaimed *Lie to Me*, J.T. Ellison's *Tear Me Apart* is the powerful story of a mother willing to do anything to protect her daughter even as their carefully constructed world unravels around them.

One moment will change their lives forever...

Competitive skier Mindy Wright is a superstar in the making until a spectacular downhill crash threatens not just her racing career but her life. During surgery, doctors discover she's suffering from a severe form of leukemia, and a stem cell transplant is her only hope. But when her parents are tested, a frightening truth emerges. Mindy is not their daughter.

Who knows the answers?

The race to save Mindy's life means unraveling years of lies. Was she accidentally switched at birth or is there something more sinister at play? The search for the truth will tear a family apart...and someone is going to deadly extremes to protect the family's deepest secrets.

With vivid movement through time, Tear Me Apart examines the impact layer after layer of lies and betrayal has on two families, the secrets they guard, and the desperate fight to hide the darkness within.

Don't miss *Her Dark Lies*, the next page-turning thriller from *New York Times* bestselling author J.T. Ellison!

Choosing Theo: The Clecanian Series Book 1

Author: Victoria Aveline

Being kidnapped by aliens is only the start of Jade's problems. Thankfully, her rescuers, an alien race known as the Clecanians, are willing to protect her, but she has to stay on their planet for one year and respect the rules of their culture—including choosing a husband. Jade refuses at first but decides to play along until she can find a way back to Earth. Theo, a scarred mercenary who prefers a life of solitude, is stunned when Jade selects him as her husband. After years of being passed over, he never imagined he would be chosen and neither did anyone else. Only one explanation makes sense...the curvy enticing female must be a spy, and Theo's determined to break her cover using any means necessary. As Jade and Theo are forced to spend time together, their chemistry becomes undeniable. But neither can afford to bring love into the equation, especially since Jade seems determined to go home. After all, she can't possibly stay here, right?

Tamed by an Alien Warlord (Fated Mates of the Ferlaern Warriors Book 2)

Author: Ava Ross

He's shy and scarred and thinks no one will ever love him. She's determined to show him he's the hottest alien in the universe.

Durrant: The Earthling females are settling into our clan, finding new homes high in the forest's canopy. Matches are being made, but not for me. Scarred as I am,

none will ever glance my way. But one Earthling... Rayne's sweet and funny, and I want to scoop her up in my arms and kiss her until she moans my name. To protect my heart, I'll keep busy with my investigation into a new threat to our clan. Someone's harming our trees, and I need to stop them before our way of life is destroyed.

Rayne: To distract myself from my ongoing lust for Durran, I'm focusing on researching the substance poisoning the clan's trees and raising my five-year-old daughter. She's bonding with a trundier, and I'm worried she'll fly off into the sunset on the creature that pretty much looks like a giant hornet. But when Durran and I kiss, and kisses lead to other things, I'm thrown for a loop. Can a gruff alien trundier trainer and a single mom find true love on a planet far from Earth?

Tamed by an Alien Warlord is Book 2 in the Fated Mates of the Ferlaern Warriors Series. This standalone, full-length romance has on-the-page heat, aliens who look and act alien, a guaranteed happily ever after, no cheating, and no cliffhanger. Look for the series on Amazon.

Foundation

Author: Isaac Asimov

The first novel in Isaac Asimov's classic science-fiction masterpiece, the Foundation series

SOON TO BE AN APPLE TV+ SERIES, COMING 9/24/21 • Nominated as one of America's best-loved novels by PBS's *The Great American Read*

For twelve thousand years the Galactic Empire has ruled supreme. Now it is dying. But only Hari Seldon, creator of the revolutionary science of psychohistory, can see into the future—to a dark age of ignorance, barbarism, and warfare that will last thirty thousand years. To preserve knowledge and save humankind, Seldon gathers the best minds in the Empire—both scientists and scholars—and brings them to a bleak planet at the edge of the galaxy to serve as a beacon of hope for future generations. He calls his sanctuary the Foundation.

The Foundation novels of Isaac Asimov are among the most influential in the history of science fiction, celebrated for their unique blend of breathtaking action, daring ideas, and extensive worldbuilding. In *Foundation*, Asimov has written a timely and timeless novel of the best—and worst—that lies in humanity, and the power of even a few courageous souls to shine a light in a universe of darkness.

Delphi Embassy (Delphi in Space Book 11)

Author: Bob Blanton

After the Delphi League defeats the Fazullan invasion of Onisiwo, Catie is tasked with managing the Onisiwoen transition to the Delphi League as well as the repatriation of all the salvages from the Faluzan fleet. She has to navigate the complex diplomatic circles as different interests compete for advantage in the new age of interstellar trade.

Pyresouls Apocalypse: Futures Grave: A Dark Fantasy LitRPG/Gamelit Story (Pyresouls Apocalypse, Book 2)

Author: James T. Callum

Embrace the flame's rage or leave the future in ruins.

The tutorial is over. The rules of Pyresouls have changed for the worse. Defeating the Burgon Beast should've been the end of it, but it was only the beginning.

Beating the next boss monster that invades Earth will only stave off the Collapse, not prevent it. The future devoid of all life but a single Pyre proves that.

Jacob refuses to accept that future. He's done playing their games. Even if he must walk through the fires of despair and glory to be rid of them.

Back in the past, the Gnawing Hunger roams free, monsters run unchecked between the shards, and abominations of unfathomable power lurk beneath the surface of Lormar.

Otherworldly beings pull the strings behind Pyresouls, twisting the challenges Jacob faces at every turn to exploit his weaknesses and thwart his progress.

Trapped between two timelines, having lived a second life he can't remember, can Jacob find the dark truth behind Pyresouls and uncover the secrets of Lormar's demise, or will he leave the future a grave and Earth a long-rotten corpse?

Or somehow, something even worse?

With leveling and gear progression mechanics, Pyresouls Apocalypse: Futures Grave is the second novel in the bestselling Dark Fantasy LitRPG/gamelit series, Pyresouls Apocalypse. Perfect for fans of the Dark Souls games, Powder Mage, and cosmic horror

Winter World (The Long Winter Trilogy Book 1)

Author: A.G. Riddle

**A new ice age...
and a shocking discovery...
will change humanity forever.**

From the Amazon Charts and *Wall Street Journal* bestselling author with over FOUR MILLION COPIES sold worldwide comes an epic novel with an unforgettable twist.

*** Longlisted for the Wilbur Smith Award for best published novel. ***

In the near future, a new ice age has begun.

Humanity stands on the brink of extinction.

Desperate for answers, scientists send probes into the solar system to take readings. Near Mars, they identify a mysterious object moving toward the Sun. Is it the cause of the ice age? Or could it be humanity's only hope of survival?

With time running out, NASA launches a mission to make contact. But the object isn't what anyone thought. In the dark of space, alone, the team makes a discovery that will change the course of human history—and possibly end it.

Filled with real science and fascinating details, *Winter World* is that unique blend of fact and fiction that could completely change how you see our planet—and humanity's future. For those intrepid souls starting this bestselling trilogy, be warned: you may well be up late into the night turning the pages.

Praise for A.G. Riddle

"...reads like a superior collaboration between Dan Brown and Michael Crichton."
—*The Guardian* on *Pandemic*

"I finished the book fast because I just couldn't wait..."
—*WIRED* GeekDad on *Departure*

"This is apocalyptic sci-fi at its best."
—Daily Mail on *The Solar War*

An Extended Look at *Winter World*

Each month, Earth grows colder.

Snow falls in summer. Glaciers trample cities across North America, Europe, and Asia. The new ice age shows no signs of stopping.

Chaos erupts.

Around the world, people abandon their homes and flock to regions where they can survive. Nations prepare to go to war for the world's last habitable zones.

Scientists search the cause of the new ice age. They send probes into the solar system to collect readings. Near Mars, a probe finds a mysterious object, drifting toward the Sun. Is it responsible for the new ice age? Or is it merely an observer? Or neither? Could it be a relic from a long-extinct civilization? One thing is certain: investigating the object is humanity's best hope of survival.

As the ice age claims more lives and the world slides into anarchy, an international consortium launches a mission into space to make contact. But the first contact mission doesn't go as planned. What the crew discovers out there is beyond anyone's imagination.

Two members of the first contact mission may hold the keys to humanity's salvation.

Dr. Emma Matthews is the commander aboard the International Space Station. For months, she has watched the world below freeze and civilization unravel. The headlines tell only half of the story. The messages from her sister tell the rest, of a world witnessing mass migrations, fighting for survival, struggling to provide a future for their children. When a catastrophe strikes the ISS, Emma faces her own fight for survival.

Dr. James Sinclair is one of the greatest scientists alive. A mind before his time. Years ago, he invented something with the potential to change the world—an invention that would upset the balance of power in the world forever. Fearing that change, his enemies sent him to prison for a crime he didn't commit. But with humanity's future at stake, NASA asks him to join the first contact mission. His expertise is vital to the mission's success—and to saving Emma. With the clock ticking down to humanity's final days on Earth, James makes a decision that will change his life forever and may determine the fate of the entire human race.

He Who Fights with Monsters: A LitRPG Adventure

Author: Shirtaloon

Jason wakes up in a mysterious world of magic and monsters.

It's not easy making the career jump from office-supplies-store middle manager to heroic interdimensional adventurer. At least, Jason tries to be heroic, but it's hard to be good when all your powers are evil.

He'll face off against cannibals, cultists, wizards, monsters...and that's just on the first day. He's going to need courage, he's going to need wit, and he's going to need some magic powers of his own. But first, he's going to need pants.

After cementing itself as one of the best-rated serial novels on Royal Road with an astonishing 13 million views, He Who Fights with Monsters is now available on Kindle.

About the series: Experience an isekai culture clash as a laid-back Australian finds himself in a very serious world. See him gain suspiciously evil powers through a unique progression system combining cultivation and traditional LitRPG elements. Enjoy a weak-to-strong story with a main character who earns his power without overshadowing everyone around him, with plenty of loot, adventurers, gods and magic. Rich characters and world-building offer humor, political intrigue and slice-of-life elements alongside lots of monster fighting and adventure.

Edge of Collapse: A Post-Apocalyptic EMP Survival Thriller

Author: Kyla Stone

In the dead of winter, an EMP attack destroys the U.S. power grid.

No electricity. No cars or phones. The country is plunged into instant chaos.

But for Hannah Sheridan, it's the best day of her life. For the last five years, she's been the captive of a sadistic psychopath--until the EMP releases the lock of her prison.

Battered but not broken, she emerges from her underground cell into a hostile winter wilderness with nothing but her determination to survive.

Reclusive ex-soldier Liam Coleman is headed nowhere fast. He believed he was prepared for any disaster, until the EMP took everything he'd ever cared about in a matter of seconds.

Two hundred frozen, perilous miles stand between them and their destination in rural Michigan. But the killing cold isn't the only threat, for Hannah's captor isn't about to let her go...

When the country goes dark, ordinary people find themselves facing the end of the world as they know it. With society collapsing before their eyes, they'll have to risk everything to protect their home and the people they love.

Series Now Complete! From USA Today Bestselling Author Kyla Stone comes the *Edge of Collapse* series, a riveting apocalyptic saga featuring flawed, complex characters and high-octane action adventure. A survival thriller perfect for fans of Bobby Akart, Boyd Craven, and Jack Hunt.

This is the first book in a series. Rated PG-13 for mild language and moderate violence

Oh Great! I was Reincarnated as a Farmer: A LitRPG Adventure : (Unorthodox Farming: Book 1)

Author: Benjamin Kerei

What do you have when you blend a pinch of litrpg, a touch of farming simulator, a sprinkle of epic fantasy, a whole cup of Isekai, and a dash of Home Alone?

You have Arnold's life.

Accidentally murdered by a cleric in another universe during a botched resurrection, Arnold, a semi-pro gamer, wakes upon an altar to find himself incarnated into the overweight body of a farmer who could have been his fatter twin. He's not the hero. He's not the villain. He's certainly not the chosen one who is there to save the world. He's a clerical error.

It could be a bad joke, but apparently, it happens so often that they have a standard procedure for returning you. That standard procedure doesn't apply to Arnold.

Now stuck on a new earth, in a new universe, with no way home, Arnold must use his gaming skills to figure out how to level his farmer class to 100 and gain a second class which doesn't make him want to beat his head against the wall. There is just one small problem: farmers don't gain experience from killing monsters. Like at all.

Follow Arnold on his hilarious journey as he stubbornly comes to grips with his new reality and tries to change his destiny from that of your typical farmer.

Before the Coffee Gets Cold: A Novel

Author: Toshikazu Kawaguchi

OVER ONE MILLION COPIES SOLD

NOW AN INTERNATIONAL BESTSELLER

If you could go back, who would you want to meet?

In a small back alley of Tokyo, there is a café that has been serving carefully brewed coffee for more than one hundred years. Local legend says that this shop offers something else besides coffee—the chance to travel back in time.

Over the course of one summer, four customers visit the café in the hopes of making that journey. But time travel isn't so simple, and there are rules that must be followed. Most important, the trip can last only as long as it takes for the coffee to get cold.

Heartwarming, wistful, mysterious and delightfully quirky, Toshikazu Kawaguchi's internationally bestselling novel explores the age-old question: What would you change if you could travel back in time?

Cupcakes & Brimstone (Celestial Falls Book 1)

Author: Loni Ree

The curvy, little, human baker is too sweet for me but that doesn't matter. I want a taste.

The bad boy dragon meets the good girl human. It's a match made in heaven or maybe hell. A crazy twist of fate brought me to her bakery, The Cupcake Fairy, and I'm thanking my lucky stars. The first time I see her, the beauty steals my burning heart. The first time I breathe in her sweetness, my dragon roars "Mine," and seals the deal.

Now, I have my work cut out for me. My human mate is suspicious of my motives and decides to fight the pull between us. She fears I'm going to burn her. Things are about to heat up and I'm going to make sure my little love enjoys every second of it.

Look out little Cupcake, your fiery dragon is coming for you.

Take Me Home (Bob and Nikki Book 17)

Author: Jerry Boyd

The time has come for Bob and the fleet to head back to Earth, and see if they can get along with the people there. The band puts on a concert to celebrate. Get ready for the Bottish Invasion!

I Married A Lizardman

Author: Regine Abel

Scaly, grumpy, but oh so cuddly...

As a third daughter on the farming colony of Meterion, Susan's future prospects aren't too promising. A pretty face, top-notch skills, and hard work mean nothing if your dowry doesn't include fertile lands. With her twenty-fifth birthday approaching, and no suitors even remotely sniffing in her general direction, Susan will be forced to leave the family lands to work as an indentured servant in the capital city. Her only way out is to settle for an arranged marriage through the PMA – the Prime Mating Agency. She just never expected to be paired to a grumpy, massive lizardman, and above all not to grow so fond of his scales and quirky ways.

With everything going on, the last thing Olix needs is a mate, especially a squishy, scaleless, off-worlder with strange ways, and an obsession with farming. He is a Hunter, not a dirt digger. The Seer must have been mistaken when she insisted that, for the sake of the people, he take a mate from the stars. How can such a tiny thing be their salvation? And yet, his Susan's softness is disturbingly addictive while hiding a surprising resilience.

With his ancestral lands on the line and the future of the clans threatened, could this wisp of a woman turn their fate around?

Genesis: A Military Sci-Fi Series (Holy War Book 1)

Author: Rick Partlow

First contact gone wrong...

It was every starship captain's nightmare, and for Travis Miller, it was his own personal hell.

Viper (Naga Brides Book 1)

Author: Naomi Lucas

Long have we been alone.

Without brides, without females to warm us during the long nights. Without sweet mates.
But we see them, from afar, brides that could be ours. Kept away from us by walls and weapons. Females we long for greatly.

Obsessively.

Human females.

And the one with red hair? I want her. I saw her first. I will fight to the death for her.

She is MINE.

So, we'll come together and make an exchange with their men that will benefit us all.
After that?
To the winner goes the spoils...
Let the hunt begin.

But the red-headed female is MINE.

Viper is the first book in a series of Bride Hunting Aliens. With the charm of a snake, and the wiles of a devil, these males will do anything, and I mean anything, for their females.

The Fifth Season (The Broken Earth Book 1)

Author: N. K. Jemisin

At the end of the world, a woman must hide her secret power and find her kidnapped daughter in this "intricate and extraordinary" Hugo Award winning novel of power, oppression, and revolution. (*The New York Times*)

This is the way the world ends. . .for the last time.

It starts with the great red rift across the heart of the world's sole continent, spewing ash that blots out the sun. It starts with death, with a murdered son and a missing daughter. It starts with betrayal, and long dormant wounds rising up to fester.

This is the Stillness, a land long familiar with catastrophe, where the power of the earth is wielded as a weapon. And where there is no mercy.

Read the first book in the critically acclaimed, three-time Hugo award-winning trilogy by *NYT* bestselling author N. K. Jemisin.

WOLF TAMER: A Wolf Shifter Romance (Claiming My Pack Series Book 1)

Author: Avery Song

An Orphan Girl. A Group of Wolves. A Destined Fate for War.

Don't you ever wish to find where you belong? A place where you can rest your head without worrying about being jumped or your possessions being taken from you? Not like I had much, to say the least.

A pendant, an ancient blade, and a picture of my murdered family were all I had left when I was five years old. Foster homes to homeless shelters, I never found a place of refuge. I simply didn't belong, and everyone made it their duty to remind me of my predicament. Until I finally came across a place that felt like home.

Sacred Moon Shelter for Endangered Wolves.

I'd stumbled upon the sanctuary when I was near death, but I was miraculously saved.

Since then, I've become a Wolf Tamer; the only one who can get close to touching the six rare breeds. When I'm with them, I feel safe and sometimes wish I could be like one of them and escape this cruel world.

But such inhumanity strikes home, a group of hunters shows up, ready to take my wolves to an unknown place or murder them in cold blood. I won't allow them to kill the only true family I'd ever known.

My name is Harper Blake, and I vow to claim and protect my own.

WOLF TAMER is the official **2021 REVAMPED** edition of the OCTOBER 2018 release.

The new edition has been extended from the 60,000-word novel to 150,000+ words. With more than double the size, comes new content/extension of the thrilling #1 International Bestselling Wolf Shifter Series.

This book is a New Adult Series and recommended for 17+.

The Q Continuum: Book Two: Q-Zone (Star Trek: The Next Generation 48)

Author: Greg Cox

The puckish super-being called Q has bedeviled Captain Jean-Luc Picard and the crew of the *Starship Enterprise*™ since their first encounter at Farpoint Station. But little was known of Q's enigmatic past or that of the transcendent plane where he sometimes dwells. Now Picard must discover Q's secrets—for the sake of all that exists.

While the *Enterprise* struggles to survive an alien onslaught, Captain Picard has been kidnapped by Q and taken on an astounding journey back through time to that immeasurably distant moment when the Continuum faced its greatest threat. But far more is at stake than simply the mysteries of the past, for an ancient menace is stirring once more, endangering the future of the galaxy, and neither Q nor Starfleet may be able to stop it!

Elsewhere

Author: Dean Koontz

The fate of the world is in the hands of a father and daughter in an epic novel of wonder and terror by Dean Koontz, the #1 *New York Times* bestselling master of suspense.

Since his wife, Michelle, left seven years ago, Jeffy Coltrane has worked to maintain a normal life for himself and his eleven-year-old daughter, Amity, in Suavidad Beach. It's a quiet life, until a local eccentric known as Spooky Ed shows up on their doorstep.

Ed entrusts Jeffy with hiding a strange and dangerous object—something he calls "the key to everything"—and tells Jeffy that he must never use the device. But after a visit from a group of ominous men, Jeffy and Amity find themselves accidentally activating the key and discovering an extraordinary truth. The device allows them to jump between parallel planes at once familiar and bizarre, wondrous and terrifying. And Jeffy and Amity can't help but wonder, could Michelle be just a click away?

Jeffy and Amity aren't the only ones interested in the device. A man with a dark purpose is in pursuit, determined to use its grand potential for profound evil. Unless Amity and Jeffy can outwit him, the place they call home may never be safe again.

USS Jefferson: Charge of the Symbios (USS Hamilton Book 4)

Author: Mark Wayne McGinnis

"McGinnis has pulled another rip-roaring page-turner out of his hat," *Ben Strat*

After the recent near-destruction of the USS Hamilton, Captain Galvin Quintos has been lying low, getting the USS Jefferson ready for service. In the midst of refurbishing the vessel, he gets a call for help from his former XO, new starship captain Gail Pristy. The Varapin have lured the 9th Fleet into a devious trap, and it's not long before Quintos has his orders to hurry to the rescue. But the Varapin have a colossal new warship—one that puts anything the US Space-Navy has to shame. Even after Quintos assembles a crew, he'll still need to pull a few rabbits, along with a few Symbio Pothe, out of a hat to have any chance of surviving the coming battle. And Quintos' one last hope—reuniting with a past enemy—may prove as dangerous as fighting the Varapin themselves.

Reviews:

Great Military Science Fiction!

I have now read all four books in this series. I literally could not put them down, which meant it took me a while to go to sleep the last couple of weeks. I highly recommend these books. If you like BV Larson or Craig Alanson books you will like these. - Roger D.

One Of My Favorite Authors!

Mark Wayne McGinnis become one of my favorite authors. The Hamilton series has been really enjoyable. He has a way with his characters and a good story. You end up with a smile on your face when you reach the end of a book. The next thing you do is look for another MWM book to enjoy! - Seabus

Fun SciFi Adventure Story!

Strong and wildly swirling adventure story that's a great capstone for the first two... I love to feel myself developing affection for the characters and the plot. Can't wait for the next in the series!

Thank you MWM - VIC

Entertaining Military SciFi.

It's a great story. Could hardly put it down. Already got number 2 and didn't put it down. All characters in the story are great but Hardy is the best. Looking for

number 4. Mark McGinnis, you need to coordinate with Marco Kloos so that I have no lag time on my SciFi. Two great authors. Thanks -Wm. F. Hogsten

Great Sci-Fi Thriller!

Truly awesome in word and deed. Captain Quintos and crew pull out all the stops and made it happen for Earth and the USS Hamilton. Nonstop action, excitement, and dueling Chronobots. What else could you ask for in a Sci-Fi thriller. I can't wait to get into the next book in the series. Thanks for a good read. - Kindle Customer

Fun Space Opera Science Fiction!

Honestly, this is the most fun I had reading a scifi book in a long time. Mind you I'm just a simple man with simple tastes though. It was a honest really fun read and I found myself sneaking away so I could see what was going to happen next. Needless to say as soon as I finished this book I order the second. Great job keep it up and I look forward to other works.

- S. Springer

Humorous Military Science Fiction!

Just the right touch of realistic action, intrigue and humor. The characters are real, the dialogue smooth and the outcome very much up in the air until the end. I'm hooked. Rock on Dude. - DaveTucker

Entertaining Space Opera!

Will award FIVE stars for this book. I did enjoy the story. A complete change in a story line. Just the right amount of Twists to keep the readers on their toes. I recommend this book to all readers of space opera. A good book. - Hardcore

Loved it!

Absorbed in the book from beginning to end. The book started well, rose to heights and ended on a very good note. Suspenseful and exciting character development without the usual death and rebirth or unacceptable probabilities of other bad authors. In contrast, this book was a home run. Loved every bit of it. If sci-fi is a possibility read, then this is it. -Rab

The Troop: A Novel

Author: Nick Cutter

WINNER OF THE JAMES HERBERT AWARD FOR HORROR WRITING

“*The Troop* scared the hell out of me, and I couldn’t put it down. This is old-school horror at its best.” —Stephen King

Once every year, Scoutmaster Tim Riggs leads a troop of boys into the Canadian wilderness for a weekend camping trip—a tradition as comforting and reliable as a good ghost story around a roaring bonfire. But when an unexpected intruder stumbles upon their campsite—shockingly thin, disturbingly pale, and voraciously hungry—Tim and the boys are exposed to something far more frightening than any tale of terror. The human carrier of a bioengineered nightmare. A horror that spreads faster than fear. A harrowing struggle for survival with no escape from the elements, the infected...or one another.

Part *Lord of the Flies*, part *28 Days Later*—and all-consuming—this tightly written, edge-of-your-seat thriller takes you deep into the heart of darkness, where fear feeds on sanity...and terror hungers for more.

Ready Player Two: A Novel (Ready Player One Book 2)

Author: Ernest Cline

#1 NEW YORK TIMES BESTSELLER • The highly anticipated sequel to the beloved worldwide bestseller *Ready Player One*, the near-future adventure that inspired the blockbuster Steven Spielberg film.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *THE WASHINGTON POST* • “The game is on again. . . . A great mix of exciting fantasy and threatening fact.”—*The Wall Street Journal*

AN UNEXPECTED QUEST. TWO WORLDS AT STAKE. *ARE YOU READY?*

Days after winning OASIS founder James Halliday’s contest, Wade Watts makes a discovery that changes everything.

Hidden within Halliday's vaults, waiting for his heir to find, lies a technological advancement that will once again change the world and make the OASIS a thousand times more wondrous—and addictive—than even Wade dreamed possible.

With it comes a new riddle, and a new quest—a last Easter egg from Halliday, hinting at a mysterious prize.

And an unexpected, impossibly powerful, and dangerous new rival awaits, one who'll kill millions to get what he wants.

Wade's life and the future of the OASIS are again at stake, but this time the fate of humanity also hangs in the balance.

Lovingly nostalgic and wildly original as only Ernest Cline could conceive it, *Ready Player Two* takes us on another imaginative, fun, action-packed adventure through his beloved virtual universe, and jolts us thrillingly into the future once again.

All Systems Red (Kindle Single): The Murderbot Diaries

Author: Martha Wells

Winner: 2018 Hugo Award for Best Novella

Winner: 2018 Nebula Award for Best Novella

Winner: 2018 Alex Award

Winner: 2018 Locus Award

One of the Verge's Best Books of 2017

A New York Times and USA Today Bestseller

A murderous android discovers itself in *All Systems Red*, a tense science fiction adventure by Martha Wells that interrogates the roots of consciousness through Artificial Intelligence.

"As a heartless killing machine, I was a complete failure."

In a corporate-dominated spacefaring future, planetary missions must be approved and supplied by the Company. Exploratory teams are accompanied by Company-supplied security androids, for their own safety.

But in a society where contracts are awarded to the lowest bidder, safety isn't a primary concern.

On a distant planet, a team of scientists are conducting surface tests, shadowed by their Company-supplied 'droid — a self-aware SecUnit that has hacked its own governor module, and refers to itself (though never out loud) as "Murderbot." Scornful of humans, all it really wants is to be left alone long enough to figure out who it is.

But when a neighboring mission goes dark, it's up to the scientists and their Murderbot to get to the truth.

Judgment Day: A Military Sci-Fi Series (Holy War Book 2)

Author: Rick Partlow

We've won a battle...but we're losing the war.

Travis Miller, his image reformed from the moron who screwed up our first contact with aliens to one of the heroes of the Battle for Eden, is given a new assignment: retake the occupied colony of Brigantia. Losing it would be a glancing blow to the Tahni Imperium, but it would Earth's first solid strike against them, a chance to go on the offensive.

Ryan Hendrix and the Fleet Marines will be the tip of the spear, outfitted with their new Aegis powered armor, while Jessica Leer and her Fleet Strike fighter squadron clears the way for the Marines and their landers, sacrificing their lives to get boots on the ground.

But even a victory on Brigantia won't mean the end of the war.

And it might just make the Tahni angry enough to do something desperate, to strike deep into the heart of the Commonwealth, where we least expect it...

Once again, Travis is forced to choose between his orders and what he knows is right and, win or lose, for him it's judgment day...

Book 2 in the next explosive series from the #1 Amazon Bestselling author of Contact Front, Rick Partlow.

Parable of the Sower

Author: Octavia E. Butler

A New York Times Notable Book: In 2025, with the world descending into madness and anarchy, one woman begins a fateful journey toward a better future.

"A stunner." —Flea, musician and actor, *TheWall Street Journal*

Lauren Olamina and her family live in one of the only safe neighborhoods remaining on the outskirts of Los Angeles. Behind the walls of their defended enclave, Lauren's father, a preacher, and a handful of other citizens try to salvage what remains of a culture that has been destroyed by drugs, disease, war, and chronic water shortages. While her father tries to lead people on the righteous path, Lauren struggles with hyperempathy, a condition that makes her extraordinarily sensitive to the pain of others.

When fire destroys their compound, Lauren's family is killed and she is forced out into a world that is fraught with danger. With a handful of other refugees, Lauren must make her way north to safety, along the way conceiving a revolutionary idea that may mean salvation for all mankind.

This ebook features an illustrated biography of Octavia E. Butler including rare images from the author's estate.

The Q Continuum: Book Three: Q-Zone (Star Trek: The Next Generation 49)

Author: Greg Cox

The mischievous creature who calls himself Q has subjected Captain Jean-Luc Picard and the crew of the *Starship Enterprise*™ to many of their strangest experiences. But little had been known of Q's curious existence or that of the advanced dimension from which he comes. But now Picard knows more than he ever dreamed about an ancient conflict whose consequences might spell the doom of the entire galaxy.

The galactic barrier has fallen and Q's oldest enemy is free once more. Captain Picard and his crew find themselves in the middle of a cosmic war between vastly powerful entities. The future of the Federation may be at stake, but how can mere mortals turn the tide in such a superhuman battle? Picard has to find a way, or neither the Q Continuum nor the galaxy will survive.

The Naturalist

Author: Andrew Mayne

An Amazon Charts bestseller.

Professor Theo Cray is trained to see patterns where others see chaos. So when mutilated bodies found deep in the Montana woods leave the cops searching blindly for clues, Theo sees something they missed. Something unnatural. Something only he can stop.

As a computational biologist, Theo is more familiar with digital code and microbes than the dark arts of forensic sleuthing. But a field trip to Montana suddenly lands him in the middle of an investigation into the bloody killing of one of his former students. As more details, and bodies, come to light, the local cops determine that the killer is either a grizzly gone rogue...or Theo himself. Racing to stay one step ahead of the police, Theo must use his scientific acumen to uncover the killer. Will he be able to become as cunning as the predator he hunts—before he becomes its prey?

CyberStorm: A Novel

Author: Matthew Mather

The incredibly realistic and uplifting story of one family's struggle to survive the destruction of New York. GoodReads Award winning million-copy international bestseller now in development with NETFLIX.

★★★★ "Shows how dangerous our transition to an interconnected infrastructure has become." —Keric Allega, **Joint Military Cyber Command, US NAVY**

**New York goes dark in the dead of winter...
A terrifying mystery begins...
But who is the enemy?**

Mike Mitchell is an average New Yorker struggling just to keep his family together and take care of his two-year-old son when a string of disasters shreds the bustling city around them. The Internet and communication networks go down, just as a monster snowstorm cuts New York off.

Days go by without contact to the outside world. Then weeks.

In the chaos, conspiracy theories rage about a foreign cyberattack. Was it the North Koreans? The Russians? The Chinese? Might it be the first shockwave of a global shift in power? But even these questions become unimportant as Mike and his family struggle for survival in the wintry tomb of a doomed New York.

★★★★★ "BRILLIANT..." —Wired Magazine

FROM THE BACK COVER

Based on real-world wargame scenarios, *CyberStorm* could forever change the way you look at the modern world we live in. Be warned, this gripping bestseller may keep you up late into the night turning pages.

The author, Matthew Mather, is a leading cybersecurity expert who presented in Washington to the FBI and CIA, warning of the impending danger of possible cyberattacks like the one that "hobbled Atlanta" in March of 2018 as reported by The New York Times. Translated and published in over twenty-four countries, *CyberStorm* is a new apocalyptic disaster classic that will appeal to fans of A.G. Riddle, Michael Crichton and Tom Clancy.

Award-winner in the GoodReads Choice Awards (nominee as science fiction finalist), millions of readers voted *CyberStorm* into the top of its categories. It has ranked as the number one bestseller in Amazon's technothrillers, conspiracy, military, post-apocalyptic, terrorism, and science fiction categories.

The Fossil: Science Fiction Thriller (Secrets Of Mars Book 1)

Author: Joshua T. Calvert

"An intriguing, character-driven mystery/thriller with 'science-fictional awe and' outer-space trappings." (*Kirkus Reviews*) A human fossil on Mars. An astronaut who lost her memory and a powerful organization that keeps a secret in Antarctica—one that will change the world forever. "Joshua T. Calvert has a gift for making nail-biting science fiction that you can't put down. Get ready for some sleepless nights!" - *M.A. Rothman, USA Today bestselling author*

In 2018, Canadian archaeologist Ron Jackson makes a mind-boggling discovery in Antarctica—right before disappearing without a trace, leaving behind only his controversial theory that humans have lived on Earth far, far longer than we think they have.

Decades later, in 2042, when Jackson's wife dies under mysterious circumstances, an unlikely pair of investigators, Agatha Devenworth and Pano Hofer, begin investigating whether her death might be connected to Jackson's disappearance. What exactly was it he found before he vanished? Why is the Human Foundation, a hyper-powerful business empire built on an endless series of game-changing inventions it has been rolling out, one after another, for over twenty years, trying to hide the truth from the two investigators? And what could it possibly have to do with the first manned mission to Mars, which ended in disaster leaving countless conspiracy theories in its wake?

How Long 'til Black Future Month?: Stories

Author: N. K. Jemisin

Three-time Hugo Award winner and *NYT* bestselling author N. K. Jemisin challenges and delights readers with thought-provoking narratives of destruction, rebirth, and redemption that sharply examine modern society in her first collection of short fiction, which includes never-before-seen stories.

"Marvelous and wide-ranging." -- *Los Angeles Times* "Gorgeous" -- *NPR Books* "Breathtakingly imaginative and narratively bold." -- *Entertainment Weekly*

Spirits haunt the flooded streets of New Orleans in the aftermath of Hurricane Katrina. In a parallel universe, a utopian society watches our world, trying to learn from our mistakes. A black mother in the Jim Crow South must save her daughter from a fey offering impossible promises. And in the Hugo award-nominated short story "The City Born Great," a young street kid fights to give birth to an old metropolis's soul.

Wild (Alpha Brotherhood Book 4)

Author: Sara Fields

She's going to scream for me and I don't care who hears it.

I traveled to this city to disrupt the plans of the Brotherhood's enemies, not tame a defiant omega, but the moment Revna challenged me I knew punishing her would not be enough.

Despite her blushing protests, I'm going to bare her beautiful body and mark her quivering bottom with my belt, but she won't be truly put in her place until I put her flat on her back.

I'm her alpha and I will use her as I please.

Publisher's Note: *Wild* is a stand-alone novel which is the fourth entry in the *Alpha Brotherhood* series. It includes spankings, rough sexual scenes, intense and humiliating punishments, and strong D/s themes. If such material offends you, please don't buy this book.

House of Earth and Blood (Crescent City Book 1)

Author: Sarah J. Maas

Think *Game of Thrones* meets *Buffy the Vampire Slayer* with a drizzle of E.L. James - *Telegraph*

Perfect for fans of *Jessica Jones* and *True Blood*, this is a blockbuster modern fantasy set in a divided world where one woman must uncover the truth to seek her revenge.

Half-Fae, half-human Bryce Quinlan loves her life. Every night is a party and Bryce is going to savour all the pleasures Lunathion – also known as Crescent City – has to offer. But then a brutal murder shakes the very foundations of the city, and brings Bryce's world crashing down.

Two years later, Bryce still haunts the city's most notorious nightclubs – but seeking only oblivion now. Then the murderer attacks again. And when an infamous Fallen angel, Hunt Athalar, is assigned to watch her every footstep, Bryce knows she can't forget any longer.

As Bryce and Hunt fight to unravel the mystery, and their own dark pasts, the threads they tug ripple through the underbelly of the city, across warring continents, and down to the deepest levels of Hel, where things that have been sleeping for millennia are beginning to stir ...

With unforgettable characters and page-turning suspense, this richly inventive new fantasy series by #1 *New York Times* bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom – and the power of love.

Early Reviews From Followers

*I have read this a few times because I really like the story and the pacing. This story explores an interesting question of what do high level characters do in their happily ever afters. Personally it resonated with me because if you have ever played an MMO you get to a point where people quit because there's no more content and you are left trying to find something to do. The characters are really good and overall I really liked this. Looking forward to more from the author. - K N

For the readers who want a simple slice of life story, The Retired S Rank Adventurer is not the story for you. However, for those readers who want to read a story with a vast world and want twists and turns in their story, read at the very least to chapter 24. I will not spoil the story, but chapter 24 completely caught me off guard. It truly surprised me, but I can't say there were not hints along the way looking back now. It is a slow burn, but it definitely is worth the wait. - John Plume

Cataclysmic Mistakes (McFadden and Banks Book 7)

Author: Michael Anderle

The ZOO has pushed and pushed hard. What will the response be?

Not everyone is happy about rumblings of the wall going up faster.

Frustration abounds for everyone. The ZOO has changed tactics and moved the goalposts.

Who is going to win, humanity or the Zoo?

Niki needs to vent, and Taylor does his best to show her a good time.

Will Taylor be able to get them out without being arrested?

The ZOO has a new tactic, one so devious no one was expecting it.

A local gang grabs a member of Taylor's group.

In the Czech Republic, the enemy explodes into action, surprising everyone. They need help desperately, but who to call?

Before McFadden and Banks can help anyone in the ZOO, they will unleash a scorched earth policy on anyone who dares touch one of their friends.

Will Taylor and Niki get their friend back? Will the ZOO finally break out of the walls keeping it contained in Africa?

Lost Souls

Author: Shawn Keys

James Rearden knew what he was: a career officer dedicated to advancing in the Royal Australian Navy to the ranks of Command. He has already enjoyed his time in charge of a patrol ship, and believes himself well situated to take his place among the captains of the country's larger warships. But a political foe changes his destiny and diverts him to a duty for which he is ill-suited, hoping he will fail.

James isn't one to accept failure. And as it turns out, the new assignment is both intellectually challenging and with an unexpectedly pleasant feature of working with people he admires in many ways. While his career might be stalled, at least he might make a difference helping a scientist to achieve her dream.

On the eve of her success, a religious zealot disrupts the process and threatens to destroy them all. What followed... no one could have expected. Forced into a journey that James would never have expected to find outside a work of Science Fiction, him and the small group of survivors will need to use every tool and technique at their disposal to stay alive... and hopefully, find their way home.

The Immortality Code

Author: Douglas E. Richards

Allie Keane's breakthrough in quantum computing holds the key to unlocking eternity. But can she survive long enough to use it? A riveting science-fiction thriller from the million-copy NY Times bestselling author.

"Richards is a worthy successor to Michael Crichton." (SF Book dot com)

When Allie Keane makes a revolutionary discovery in quantum computing, she kicks the ultimate hornets' nest. She doesn't know it, but a hidden battle for tech supremacy is raging around the world, and whoever controls her discovery will dominate the globe. Soon, Allie is being hunted by ruthless forces desperate to learn her secret, and only Zachary Reed, a gifted operative within a shadowy government agency, stands in their way.

But as extraordinary as Allie's breakthrough is, it holds the key to unleashing something far bigger. An unrelated technology thousands of years beyond current science. A staggering advance capable of bringing about a utopia, rewriting the laws of life and death, and helping humanity spread throughout the stars.

As long as it doesn't wipe out all life on Earth before that can happen . . .

The Immortality Code is a masterful thriller. One crammed with breakneck action, unexpected twists, mind-blowing science, and ethical dilemmas readers will be contemplating long after they've read the last page.

"Richards is an extraordinary writer," (Dean Koontz) who can "keep you turning the pages all night long." (Douglas Preston)

Post-Apocalyptic Fiction by Sean Liscom

"Tell me, Tara. You do know you can't win now. The only ending here is gonna be a bullet to the head when I'm done messing you up. Trust me, you'll beg for it to end," he let a broad grin play across his face.

"Right now, you're just boring me to death."

"See! There's that spunk again! Death is staring you in the face and yet, you're defiant! I love that! Too bad we couldn't have met under different circumstances. I'm betting we could have been good friends and associates!" he lunged forward but stopped short of getting within engagement range. Instead, he started circling.

"Are your knees getting weaker? I think they are. You're as white as a ghost. Honestly, I don't know how you're still standing," his taunts weren't far from the truth. The knife in my hand was growing heavy, my feet were slow to move, and my vision was beginning to blur.

My legs finally buckled, no longer able to support my weight I collapsed to my knees. My blade clattered to the pavement. I was done. I knew I'd lost too much blood; I couldn't take enough oxygen into my lungs. I raised my head and tried to focus on Keith. He walked toward me, kicking the knife well out of my reach. He put the tip of the bat in the middle of my chest and pushed. Unable to resist either him or gravity, I toppled over backward.

Excerpt

January 12th, 2023

I remember the day the gates closed and stayed closed. I remember it like it was only yesterday. Standing on the sidewalk in front of the medical building, the American flag gently flapping in the breeze behind us, my father's hand on my shoulder. I'll never forget the way he apologized to me, the sadness in his eyes. He said he wished he could have done more to prevent what happened; he felt a horrible guilt about the way things turned out.

While the ranch had been a virtual beehive of activity, when that front gate closed with a metallic clang, everyone froze. There was a silence casting a pall over the entire ranch. No one spoke nor did they dare move. Even the livestock were unusually quiet. It was as if they too had sensed what had happened. The dire consequences of human actions had stunned every living thing at the ranch into silence.

It would be months before the cloak would begin to lift. It was an abnormally harsh and early winter that followed the mellow days of September. Over the course of the winter, we finally began to understand the magnitude of the devastation outside of our walls. One by one, our contacts on the HAM radio fell silent as the plague took its hefty toll on humanity. Before they went dark, the HAM stations all reported the same frightful conditions. While things had been bad for most, those not immune to the plague were about to have a much harder time.

The plague, as it had been dubbed, spared very few who came in contact with it. Those who were spared were left wishing for death to come. When January rolled around, the only contacts left on the airwaves were other immune outposts.

When it was finally time to plant the spring crops, the farmers were only allowed through the gate under heavy guard. It was the same when the cowboys went out to bring in the cattle or the wild horses. Hunting parties, scavenging parties, they were all heavily guarded. You see, to have the blood of an immune meant you had a target on your back. There were groups of survivors who held the belief that our blood could bring them the same immunity from the plague. However false their beliefs, it was the last shred of hope they had, and they clung to it ferociously, violently even.

My father told you of the *Legacy* that was left to him. I shall tell you the tale of the *Darkness* that followed. After all, this is the only way to make sure the historical account is accurate. My name is Tara Sterling, and I will tell you about life after the *Legacy*.....

The Testaments: A Novel

Author: Margaret Atwood

NEW YORK TIMES BESTSELLER • WINNER OF THE BOOKER PRIZE • A modern masterpiece that "reminds us of the power of truth in the face of evil" (*People*)—and can be read on its own or as a sequel to Margaret Atwood's classic, *The Handmaid's Tale*.

"Atwood's powers are on full display" (*Los Angeles Times*) in this deeply compelling Booker Prize-winning novel, now updated with additional content that explores the historical sources, ideas, and material that inspired Atwood.

More than fifteen years after the events of *The Handmaid's Tale*, the theocratic regime of the Republic of Gilead maintains its grip on power, but there are signs it is beginning to rot from within. At this crucial moment, the lives of three radically different women converge, with potentially explosive results.

Two have grown up as part of the first generation to come of age in the new order. The testimonies of these two young women are joined by a third: Aunt Lydia. Her complex past and uncertain future unfold in surprising and pivotal ways.

With *The Testaments*, Margaret Atwood opens up the innermost workings of Gilead, as each woman is forced to come to terms with who she is, and how far she will go for what she believes.

Wild King: A Dark Alien Abduction Romance (Royal Aliens)

Author: Loki Renard

My name's Blaire Wilson. I was born in the saddle.
The old family ranch has fallen on hard times, but I'm not the kind of girl to sell up.
I came to Epona Prime where the best horses in the universe run free.
My goal: to catch a stallion, bring it home, and make a fortune from stud fees.

What I didn't know before I got here is that all Epona Prime's horses belong to King Equus, the stallion king.
He conquered his world on horseback, and I've just been caught trying to steal one of his favorite mounts.
That makes me a horse rustler, and the penalty for theft on Epona Prime is harsh.
But King Equus takes pity on me, and saves me from the noose.

This harsh warlord king owns me.
He's going to break me in the old fashioned way.
But I'm one fiery filly who won't submit without a fight.
I know how to throw a buck when he least expects it - and he knows how to ride me through it.

Pestilence (The Four Horsemen Book 1)

Author: Laura Thalassa

They came to earth—Pestilence, War, Famine, Death—four horsemen riding their screaming steeds, racing to the corners of the world. Four horsemen with the power to destroy all of humanity. They came to earth, and they came to end us all.

When Pestilence comes for Sara Burn's town, one thing is certain: everyone she knows and loves is marked for death. Unless, of course, the angelic-looking horseman is stopped, which is exactly what Sara has in mind when she shoots the unholy beast off his steed.

Too bad no one told her Pestilence can't be killed.

Now the horseman, very much alive and very pissed off, has taken her prisoner, and he's eager to make her suffer. Only, the longer she's with him, the more uncertain she is about his true feelings towards her ... and hers towards him.

And now, well, Sara might still be able to save the world, but in order to do so, she'll have to sacrifice her heart in the process.

Enticed by an Alien Warlord (Fated Mates of the Ferlaern Warriors Book 1)

Author: Ava Ross

He has tusks and a tail and insists she's his fated mate. She's enticed, but determined not to get involved. Can a burly alien warrior and a single mom find love together on a planet far from Earth?

Garek: With my clan threatened, I don't have time for romance with a pesky Earth female. Until I meet Piper. She and her youngling son are part of our planet's new settlement. Soon, I find myself helping her plan her home and talking about odd Earthling activities. What is a square dance, and must I do it? She's soft and lush in all the right places, and I could pick her up and carry her around with one arm. And her son... I ache to show him how to tame a mighty winged trundier. Piper may say she doesn't need love, but I'll do whatever it takes to win her heart.

Piper: I brought my eight-year-old son to Ferlaern to start anew--the new wild west, we're calling this planet. The other women want romance but not me. Then I meet Garek, a seven-foot-tall, gruff warrior who's out to steal my heart. Burned in the past, I'm afraid to trust. Never mind that he makes my son laugh for the first time in forever or that his kisses... Not going there. But when our settlement's attacked by vicious creatures, it'll take both of us to survive the threat.

Enticed by an Alien Warlord is Book 1 in the Fated Mates of the Ferlaern Warriors Series. This standalone, full-length romance has on-the-page heat, aliens who look and act alien, a guaranteed happily ever after, no cheating, and no cliffhanger. Look for the series on Amazon.

Song of Redemption (Sentenced to War Book 3)

Author: J.N. Chaney

In the midst of humanity's greatest fight for survival, old rivalries threaten to pull allies apart in a rush for rumored alien tech.

With the newly weaponized Sergeant Reverent Pelletier and his Marine Raiders at the tip of the spear, only they stand a chance at holding the shaky alliance together long enough to meet the enemy.

The Centaurs are on their way to destroy the very birthplace of human civilization: Mother Earth itself.

Humanity's end may be upon us. . . but only if Rev and his team fail to do the impossible.

Experience the thrilling third installment in the international bestselling series from USA Today Bestselling Authors J.N. Chaney and Jonathan Brazee. If you're a fan of gritty military sci-fi action and characters who refuse to quit, you'll love this series.

Randomize (Forward collection)

Author: Andy Weir

Audible narration by Janina Gavankar (*True Blood*)

In the near future, if Vegas games are ingeniously scam-proof, then the heists have to be too, in this imaginative and whip-smart story by the *New York Times* bestselling author of *The Martian*.

An IT whiz at the Babylon Casino is enlisted to upgrade security for the game of keno and its random-number generator. The new quantum computer system is foolproof. But someone on the inside is no fool. For once the odds may not favor the house—unless human ingenuity isn't *entirely* a thing of the past.

Andy Weir's Randomize is part of Forward, a collection of six stories of the near and far future from out-of-this-world authors. Each piece can be read or listened to in a single thought-provoking sitting.

OCTOBER FALL (October Fall series Book 1)

Author: Mark Loren

Just as the nation was getting over the virus, everything went dark.

All modern electronic technology - toast. All communications and the Internet - down.

The police, FEMA, nor anyone in the government showed up for work any more.

Help was not coming. Everyone was on their own. The rule of law . . . lost.

Jake strongly suspected a massive EMP had completely destroyed the power grid. But he's a prepper, right? He and his MAG are ready for this, right? He's a retired Army Major, his wife Samantha a retired Army Captain. Other members of the MAG are retired military too, and they've been getting ready for something like this for over a decade. They have experience.

Their kids were off to college 90 miles away, and Jake was volunteering at the VA hospital when the SHTF, but he'd planned for that too. He felt confident his plans and his preps would save his family and friends. They were very well-prepared . . . but their neighbors weren't.

WARNING: There is some harsh cursing by some of the characters. There are some scenes depicting extreme violence. If you can't handle that—this is NOT the story for you.

Bad Guy: A Science Fiction Romance

Author: Ruby Dixon

Crulden the Ruiner is the name of a fierce gladiator who's broken the rules...and broken anyone that approaches.

It's *my* name.

It's a name that strikes fear into the hearts of all...all except the small human female who comes to clean my cell and glares at me the entire time.

My new owners want things from me. They want me to play in their games. They want me to win battles for them.

Well, I know what I want in return.

I want her.

And I don't care who I have to destroy to get her.

But Mina doesn't want to be owned...and certainly not by one as terrible as me. How does a bad guy woo the girl when all he knows is death and destruction?

Artemis: A Novel

Author: Andy Weir

The bestselling author of *The Martian* returns with an irresistible new near-future thriller—a heist story set on the moon.

Jasmine Bashara never signed up to be a hero. She just wanted to get rich.

Not crazy, eccentric-billionaire rich, like many of the visitors to her hometown of Artemis, humanity's first and only lunar colony. Just rich enough to move out of her coffin-sized apartment and eat something better than flavored algae. Rich enough to pay off a debt she's owed for a long time.

So when a chance at a huge score finally comes her way, Jazz can't say no. Sure, it requires her to graduate from small-time smuggler to full-on criminal mastermind. And it calls for a particular combination of cunning, technical skills, and large explosions—not to mention sheer brazen swagger. But Jazz has never run into a challenge her intellect can't handle, and she figures she's got the 'swagger' part down.

The trouble is, engineering the perfect crime is just the start of Jazz's problems. Because her little heist is about to land her in the middle of a conspiracy for control of Artemis itself.

Trapped between competing forces, pursued by a killer and the law alike, even Jazz has to admit she's in way over her head. She'll have to hatch a truly spectacular scheme to have a chance at staying alive and saving her city.

Jazz is no hero, but she is a very good criminal.

That'll have to do.

Propelled by its heroine's wisecracking voice, set in a city that's at once stunningly imagined and intimately familiar, and brimming over with clever problem-solving and heist-y fun, *Artemis* is another irresistible brew of science, suspense, and humor from #1 bestselling author Andy Weir.

Edge of Madness: A Post-Apocalyptic EMP Survival Thriller (Edge of Collapse Book 2)

Author: Kyla Stone

In a world without power, can one man protect his son?

On the five-year anniversary of his wife Hannah's disappearance, small-town cop Noah Sheridan takes his son Milo to a local ski resort for some much needed father-son time.

In a blink, the power grid goes out. Phones and cars stop working. What starts as a day of holiday fun soon turns into a deadly fight for survival.

And when an impending blizzard cuts off the town from the rest of civilization, it'll take everything Noah has to keep his family and friends alive.

When the country goes dark, ordinary people find themselves facing the end of the world as they know it. With society collapsing before their eyes, they'll have to risk everything to protect their home and the people they love.

From USA Today Bestselling Author Kyla Stone comes the *Edge of Collapse* series, a gripping EMP apocalypse story featuring flawed, complex characters and high-octane action adventure. A disaster/survival thriller perfect for fans of Ryan Schow, Grace Hamilton, Harley Tate, Jack Hunt, and Franklin Horton.

Rated PG-13 for mild language and moderate violence

Sentenced to War

Author: J.N. Chaney

Sit in prison or join the military. The choice is yours.

Convicted of a minor traffic violation, Rev Pelletier is conscripted into the Perseus Union Marine Corps . . . for up to a thirty-year term of service.

Anxious to get back to his civilian life and job, Rev opts for a shorter term as a Marine Raider taking the fight to the enemy.

But with extremely high mortality rates, can he and his friends survive until their term of service is over?

Download *Sentenced to War* now to follow Rev through perilous battles as he fights to hold back the alien invasion. If you're a fan of *Old Man's War*, *Starship Troopers*, or *Armor*, you'll love this military sci-fi thrill ride.

Conquest: SSG Vanhorn Series Book 4

Author: Toby Neighbors

Things are dire for the survivors on Leonis B

The Orrkasi army is focused on only one thing...

Finding and killing Staff Sergeant Eli Vanhorn.

Since being stranded on the planet Leonis B, Staff Sergeant Eli "Van" Vanhorn has worked tirelessly to protect the people he cares about. But his attacks on the Orrkasi aliens who are working to exploit the planet's resources have forced his hand. The only real hope for the survivors of the *Rihla* is the arrival of Fleet, and it's up to Staff Sergeant Vanhorn to keep his people alive until help can reach them.

In the most action packed book of the series, *Conquest* is a high octane military sci-fi adventure that you won't be able to put down. With all the ups and downs you've come to expect from this bestselling series, *Conquest* is the book you've been waiting for. From the mind of master storyteller Toby Neighbors, comes the Staff Sergeant's biggest adventure yet. If you loved *First Blood*, *Ender's Game*, and the Frontline series, you'll love *Conquest*.

Alone: A Paranormal Mystery Thriller (The Girl in the Box Book 1)

Author: Robert J. Crane

The first edge-of-your-seat novel in the *million-selling* Girl in the Box Series by Robert J. Crane.

Sienna Nealon was a 17 year-old girl who had been held prisoner in her own house by her mother for twelve years. Then one day her mother vanished, and Sienna woke up to find two strange men in her home. On the run, unsure of who to turn to and discovering she possesses mysterious powers, Sienna finds herself pursued by a shadowy agency known as the Directorate and hunted by a vicious psychopath named Wolfe, each of which is determined to capture her for their own purposes...

What readers are saying:

"...The right mix of history, mystery, romance, excitement, who-dunnits & yeah, sci-fi." ★★★★★

"...I haven't been drawn in this much since *The Hunger Games*." ★★★★★

"A thrill ride with a kick butt heroine. When you find a writer that gives you everything you want in a book: emotion, mystery, humor, and of course, some kick ass fight scenes, you have to become a fan." ★★★★★

Fugitive Telemetry (The Murderbot Diaries Book 6)

Author: Martha Wells

The *New York Times* bestselling security droid with a heart (though it wouldn't admit it!) is back in *Fugitive Telemetry!*

Having captured the hearts of readers across the globe (Annalee Newitz says it's "one of the most humane portraits of a nonhuman I've ever read") Murderbot has also established Martha Wells as one of the great SF writers of today.

No, I didn't kill the dead human. If I had, I wouldn't dump the body in the station mall.

When Murderbot discovers a dead body on Preservation Station, it knows it is going to have to assist station security to determine who the body is (was), how they were killed (that should be relatively straightforward, at least), and why (because apparently that matters to a lot of people—who knew?)

Yes, the unthinkable is about to happen: Murderbot must voluntarily speak to humans!

Again!

A new standalone adventure in the *New York Times*-bestselling, Hugo and Nebula Award winning series!

At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Doomsday Hunter 3

Author: Eric Vall

Hunter Bragg: 2, Doomsdays: 0

Two whole dimensions have been saved, and the pay isn't bad either. Life is great.

Hunter and his two impregnated Wayfarer mates are settling into their new roles quite nicely, but there is no rest for heroes, so they're off to save another dimension.

This world was plunged into darkness a century ago, and monsters lurk in the shadows.

It's up to Hunter and the other Wayfarers to save a certain engineer from certain death, and if they fail, Dimension 3012 will succumb to the creatures in the dark.

The Solar War (The Long Winter Trilogy Book 2)

Author: A.G. Riddle

*** Now a *Wall Street Journal* bestseller! ***

**We thought the war was over.
We were wrong.**

They decimated Earth during the Long Winter. Now the grid has returned, and they won't stop until the human race is extinct.

On a ruined world, humanity's last survivors fight against impossible odds. In their darkest hour, they discover a new hope for survival. But it comes at an unthinkable price, with consequences that will change everything.

**"This is apocalyptic sci-fi at its best."
—Daily Mail**

Note: *The Solar War* is the second book in *The Long Winter* trilogy (which began with *Winter World*).

Filled with real science and shocking twists readers have come to love in the series, *The Solar War* will keep you up late into the night turning the pages—and leave you pondering the revelations long after it's over.

Selected Praise For A.G. Riddle

"...reads like a superior collaboration between Dan Brown and Michael Crichton."
—**The Guardian** on *Pandemic*

"I finished the book fast because I just couldn't wait..."
—**WIRED GeekDad** on *Departure*

"Riddle... keep(s) the focus on his characters... rather than the technological marvels"
—**Publisher's Weekly** on *Departure*

"Well-constructed and tightly-wound as a fine Swiss watch—*DEPARTURE* has non-stop action, an engaging plot and, of course, wheels within wheels."
—**Diana Gabaldon**, #1 *New York Times* bestselling author of *Outlander*

An Extended Look at *The Solar War*

After the Long Winter, Emma Matthews and James Sinclair hoped life would get back to normal. They've settled down in Camp Seven and welcomed their first child, a daughter. And they have waited and watched the sky for any signs of the grid's return.

When NASA discovers that several asteroids have broken from the Kuiper Belt and are headed for Earth, James instantly realizes the truth: the grid is back. And this battle will be one to the very end.

As he and his team prepare for humanity's last stand in space and on the ground, Emma makes a discovery closer to home, one that will change life for her and James once again.

With war raging around them, Emma and James fight to keep their family alive. In the cold darkness, humanity splinters. New alliances emerge. At every turn, Emma and James face new dangers—and question whom to trust.

Just when it seems that all hope is lost, James uncovers what may be the key to humanity's survival. But it comes with enormous risks. To implement his plan, he and Emma will have to survive the grid and another, even more deadly enemy. One thing is certain: their gambit will change the future of the human race forever.

Genesis

Author: Robin Cook

New York Times-bestselling author Robin Cook takes on the ripped-from-the-headlines topic of harnessing DNA from ancestry websites to catch a killer in this timely and explosive new medical thriller.

When the body of twenty-eight-year-old social worker Kera Jacobsen shows up on Chief New York City Medical Examiner Laurie Montgomery's autopsy table, at first it appears she was the victim of a tragic yet routine drug overdose. But for Laurie and her new pathology resident, the brilliant but enigmatic Dr. Aria Nichols, little things aren't adding up. Kera's family and friends swear she never touched drugs. Administrators from the hospital where Kera worked are insisting the case be shrouded in silence. And although Kera was ten weeks pregnant, nobody seems to know who the father was--or whether he holds the key to Kera's final moments alive.

As a medical emergency temporarily sidelines Laurie, impulsive Aria turns to a controversial new technique: using genealogic DNA databases to track down those who don't want to be found. Working with experts at a start-up ancestry website, she plans to trace the fetus's DNA back to likely male relatives in the hopes of identifying the mystery father. But when Kera's closest friend and fellow social worker is murdered, the need for answers becomes even more urgent. Because someone out there clearly doesn't want Kera's secrets to come to light . . . and if Aria gets any closer to the truth, she and Laurie might find themselves a killer's next targets.

Black Autumn: Surviving the Crash (The Black Autumn Series Book 1)

Author: Jeff Kirkham

A Special Forces commando returns home from combat to America on the edge of apocalypse. He and his family land a gig running security for a wealthy clan of survivors, yet most of the group struggles to make peace with the sudden death of modern sensibilities and woke culture.

Can a few salty warfighters convince plastic surgeons, realtors and human resource managers that they must pick up their guns and **fight** or their families will die?

Green Beret, Jeff Kirkham, and his buddies think they're locked and loaded for yet another war, **but nothing can prepare them for the runaway violence of America** after a cascade of terrorism, government blunder and Facebook nastiness strips away the urban dreamscape.

At what point do everyday people turn the corner and become warriors?

Co-written by a 28-year Green Beret and a lifelong survivalist, Black Autumn proves that common, everyday glitches in our system can add up to the total collapse of Western Civilization.

Jump on the five book action series today, starting with **Black Autumn: a Post-apocalyptic Saga**.

WHAT READERS ARE SAYING...

"A gripping, genuine story of a group of survivors...The writing is top notch, the twists and turns come fast, and the action scenes are terrifyingly well written."

Highlander's Captive: A Scottish Historical Time Travel Romance (Called by a Highlander Book 1)

Author: Mariah Stone

She's lost in the past. He's a powerful Scottish warrior. Can star-crossed love find a future between the ages?

Search-and-rescue officer Amy MacDougall fears being trapped — both in small, dark places and in a relationship. But while chaperoning a high school trip to Scotland, she's forced to confront her claustrophobia to save a student in a castle dungeon. And when a magical rock in the ruins catapults her through time to 1307 AD, she's alarmed to come face-to-face with a handsome Scottish warrior.

Highlander Craig Cambel refuses to trust anyone after the MacDougall clan kidnapped and assaulted his sister. So when he discovers a beautiful woman in a secret tunnel in the stronghold he's infiltrating, he locks her up to prevent her from warning the enemy. But when she proves helpful to his people despite being a MacDougall, he can't stop his icy mistrust melting into desire.

As Amy searches for a way back home, she finds her phobia of commitment fading and falls for the brave Scot. But when Craig learns the mysterious woman isn't who he thought she was, all his dark doubts reignite.

Will the distance of centuries shatter their hearts forever, or will they give in to destiny and build a happy future?

Highlander's Captive is the enchanting first book in the Called by a Highlander time travel romance series. If you like courageous warriors, quick-witted heroines, and lush historical details, then you'll adore Mariah Stone's passionate story.

Depraved: A Sci Fi Alien Romance (Society of Savages Book 2)

Author: Hope Hart

What do you do when the man you want the most is also the one man you can trust the least?

When I distracted the security forces in Teevor so my friends could escape, I expected to be reunited with them a few hours later.

I should've known my opportunist boss would use my fast hands and predilection for deception to achieve his nefarious goals.

But there's one element he didn't factor into his plans. That element is huge, lethal, and his hands may even be faster than mine.

My future has only ever held three concrete walls and a row of steel bars. Love isn't a possibility for someone like me, and the sexy, overprotective Thesian is a distraction I can't afford.

But the higher I build the reinforced walls around my heart, the higher Bavix will climb over those walls in the biggest heist imaginable.

Unless I teach him that my father had it right. There's no honor amongst thieves.

And there's no love either.

Depraved is a full-length romance with no cliffhanger and a guaranteed HEA. Society of Savages is a spin-off from the hugely popular Warriors of Agron series and features characters from the Arcav Alien Invasion series. You'll enjoy Depraved more if you start with Wicked— book 1 in the Society of Savages Series.
