

# Six Nights Of Sin: The Complete Series (Books 1-6): A Hot, Sexy Read about second chances and six steamy nights

**Author: Ellis O. Day**

Two strangers.

Six nights exploring their deepest, darkest fantasies.

Whatever he wants, she'll try.

Whatever she wants, he'll submit.

But when the sixth night ends will either be able to walk away?

"Is this book hot, yes, is it sexy, yes, is it steamy, yes but there is also a love story." – Rosemary M.

"Hot. Sexy. Erotic. Fun. Playful. Touching. Imaginative. This was a series of emotional encounters between two people with powerful attraction and personal issues. -- Kae

Interview with the Author

Q. – So, why should someone read the Six Nights Of Sin series?

Because it's hot – really, really hot and it's well written.

The story is kinky and erotic but at the core is love. The two main characters must journey to find that love but it's there waiting for them if they're willing to take a chance. For Sarah, this is her second chance and perhaps her last if she doesn't discover how to move on from the past.

This series also has a rich, alpha male and who doesn't love to read about handsome, billionaires with hearts of gold? I know I love reading these kinds of books and writing them. I truly believe that one of the cornerstones of a great relationship is fabulous sex and my books have that and more.

On top of all those reasons, you'll get your first glimpse into La Petite Morte Club—a sex club where almost anything goes as long as the participants are willing. There will be at least four additional series surrounding this club and possibly more, depending on what characters pop out of the woodwork as we wander deeper into the club and its activities.

Q. – Who should read the Six Nights Of Sin series?

These books are packed full of kinky, explicit sex with some bondage, bdsm and submission scenes. So, they're meant for mature readers of 18 years and older. I don't gloss over the emotions or the actions. It's all there in hot, graphic detail, so get your glass of wine and a fan, and enjoy Sarah and Nick's adventure. Anyone college age and older who likes contemporary romance, new adult and erotic should love this series.

## He Saw Me First (Age & Innocence Book 1)

**Author: M Johnson**

Across an empty laneway in Paris, through my hotel window,

**He saw me first.**

I stopped undressing . . . but only for a moment.

The next night, he was waiting for me.

He sat there in his expensive suit and watched.

No participation.

My only acknowledgement was the look of lust in his eyes.

It continued until the night before I left,

when I found a card under my door.

No words. Just a number.

So, I texted him.

I'd never done anything like it before.

It felt so dirty and wrong, but at the same time, I felt alive.

He was much older than me, so intimidating and sexy.

He made me feel things no man ever has.

I was under his spell.

**The last thing I expected was to ever see him again.**

"You are mine, Bast. You'd do well to remember that." He purred, as he licked the blood off his lips. "No other man make take your innocence, but me." he said, looking down at my nearly naked form, the lust in his eyes making me squirm.

"Yes, Damien." I whispered in response, covering myself in the sheet, and looking over at the body of Jacob with a whimper.

## **The Virgin and the Beast: a Dark Beauty and the Beast Tale (Stud Ranch Standalone Book 1)**

**Author: Stasia Black**

They say good things come to those who wait.

Bullsh\*t%!

My whole life has been about waiting. Playing it safe. Be the good girl, don't color outside the lines. Put in the hard work trying to prove myself to Dad, then to my college professors, then to my boss at New World Media. Just waiting for the day when it will all pay off.

And right when it was all starting to—I finally had the house, the job, I was even thinking about getting a cat—boom!—my life explodes and suddenly now I'm here and—

"All done," the doctor interrupts my thoughts, pulling off her gloves with a loud snap.

Even from the bed where I'm lying, my legs spread like the Thanksgiving turkey, I can hear the impatient growl of the man standing in the doorway. If you can even call him a man. More like a beast out of a friggin' fairytale. "Well?"

Her pronouncement echoes throughout the room while the speculum is still inside me. "She's a virgin."

Intended for mature audience. Steamy romance with dark themes.

INTERVIEW WITH THE AUTHOR:

Q – Where did you get the idea for this book?

A – Who doesn't love a Beauty and the Beast story? I've been in love with this fairytale since I was a kid and read all sorts of different variations on it. Now that I'm grown up, well, I couldn't help but imagining some darker twists and turns the story could take. A tortured hero, kidnap, and a girl falling for her captor—hello, this is the stuff dark romance is made of!

Q – Why should I read this book?

A – I write the kind of books I love to read, which is dark romantic erotica. I want stories that steam things up in the bedroom but not if those scenes don't go hand in hand with three-dimensional characters, can't-stop-flipping-the-pages suspense, and quality writing. I like alpha males, (doesn't hurt if they happen to be billionaires)!, bad boys, BDSM, contemporary, urban settings, and fiction where women can be strong while also exploring all sides of their sexuality. My favorite books are ones that dare to go into the darkest and most taboo places in the human psychological experience, leaving you wrung out on the other end.

## **His Big Package (Mistletoe Montana)**

**Author: Jenika Snow**

Blythe

I'd felt arousal for the first time in my life when I spotted him across the room.

Logan Marsh was a big, burly man, towering over everyone and everything, his size almost inhuman, his masculinity having me keenly aware I was very much female.

And he watched me... God, he watched me like there was nothing else in the world that fascinated him but me.

We'd been thrown together for the holidays, him playing Santa and me Mrs. Claus. It was a professional relationship that turned out to be anything but. And my inexperience should have had me frightened by the way he looked at me... like he imagined me naked and spread eagle just for him.

But instead of running, which would have been the smart move, I found myself wanting all of it. With him.

Logan

The world tilted under my feet the moment I saw her. This tiny little thing who was half my size but called out to every protective, possessive instinct in my body.

She was the woman I'd been waiting for, and there was no deviating from my path to claim her.

Blythe was so very female to everything in me that was male, and I wanted to memorize every inch of her body with my hands, lips, and tongue.

Whatever primal need rode me, it did it hard and without apology. I'd probably frighten Blythe with my need for her, but better she found out now what kind of man I was when it concerned something I wanted.

And I'd never wanted anything as much as her.

## Still Beating

**Author: Jennifer Hartmann**

*WARNING: This book contains subject matter that may be sensitive for some readers, including rape, as well as strong language and explicit sex. 18+ only. Please read responsibly.*

When Cora attends her sister's birthday party, she expects at most a hangover or a walk of shame. She doesn't anticipate a stolen wallet, leaving her stranded and dependent on Dean—her arch nemesis and ultimate thorn in her side.

And she really doesn't anticipate waking up in shackles in a madman's basement.

To make matters worse, Dean shares the space in his own set of chains.

After fifteen years of teasing, insults, and practical jokes, the ultimate joke seems to be on them. The two people who always thought they'd end up killing each other must now work together if they want to survive.

But Cora and Dean have no idea their abductor has a plan for them. A plan that will alter the course of their relationship, blur the line between hate and love, and shackle them together with far more than just chains.

### REVIEWS:

*"This book will have you sitting on the edge of your seat and turning pages like mad crazy! I have never read another story that holds a candle to Cora and Dean's. The author of this book literally blew my mind. I fell in love with these characters and the horrific circumstances that they went through, brought me to tears, more than once. I truly feel that this book is going to sail to number one and could very well end up being a movie. I have read several books by Jennifer Hartmann and have loved everyone of them, but this book is the one that sets her apart from all other authors." - Vanessa, Goodreads reviewer*

*"WOW. Jennifer Hartmann's emotional brand of writing leaves me breathless, every.stinking.time. This book is a roller coaster... you find yourself laughing at the banter and antics between the H and h, but then you're crying on the next page. I cried so many ugly tears during the reading of this book...prepare yourselves. One of the best I've read in a while." - E. R. Whyte, author of 'Reclaiming Heaven Series'*

*"Intense, twisted, and stunning. Beautiful messages of love and hope shine through the darkness in Hartmann's new novel. This story addresses some difficult issues, like PTSD and sexual violence, in a heartfelt and inspiring way. It was such an emotional rollercoaster for me: I laughed, I cried, and I sat on the edge of my seat, struggling to put the book down. The chemistry between Cora and Dean is hot and explosive and these characters really came to life for me." - L. Starla, author of 'From Prying Eyes'*

*"This book was equally devastating, soul crushing, hard to read at times, HOT, and beautifully crafted. Jennifer Hartmann writes words like pure poetry and knows exactly how to invest you into every scene. These characters are so well developed and their CHEMISTRY is out of this world! I couldn't put this book down. This is a new best selling author right here, just watch!" - Autumn, Goodreads reviewer*

*"My heart was shattered a thousand times over when I read this. I cried ugly tears and reread parts to just numb and become unnumbed from my own inner disarray. Jennifer is so artful in her use of words that she can make you feel everything without going into explicit details. There were points that I found myself marveling at the complete lack of detail and the way I seemingly had ALL the detail in my mind as the words drifted through through my subconscious." - Charity, Goodreads reviewer*

"Jennifer has a very rare gift. It doesn't matter how dark the subject matter is, she has a way of drawing you in and making you feel every emotion that the characters are feeling. I didn't feel like I was reading a book. I was so immersed in the story and the characters, it felt more like I was sitting with two people who were recounting their experience to me. It's absolutely amazing." - Stephanie, Goodreads reviewer

Bennett has returned to Chicago from France to take a vital role in his family's massive media business. He never expected that the assistant who'd been helping him from abroad was the gorgeous, innocently provocative--*completely infuriating*--creature he now has to see every day. Despite the rumors, he's never been one for a workplace hookup. But Chloe's so tempting he's willing to bend the rules--or outright smash them--if it means he can have her. All over the office.

As their appetites for one another increase to a breaking point, Bennett and Chloe must decide exactly what they're willing to lose in order to win each other.

Originally only available online as *The Office* by tby789--and garnering over 2 million reads on fanfiction sites--*Beautiful Bastard* has been extensively updated for re-release.

## **Her Primal Mate (Badlands Territory, 1)**

***Author: Jenika Snow***

He was mine.

I was his.

There is no denying it, my primal polar bear shifter who was linked to be my fate, destiny, the very laws of our kind.

Fated mates.

That's what it was called, that one person who was meant to solely be yours.

I just hadn't known who my fated mate was until he came into my life like a storm ready to destroy everyone and everything in his path.

When Kasias Stone walked into the bar I worked at and our gazes clashed, I swore the ground opened up. Every part of my body came alive for the first time. My mating heat kicked into overdrive, and all I could think about was needing that male to take me to his bed and ease the desperation.

He was the biggest, strongest male I'd ever seen, his height towering, his muscles severe. He made even the strongest shifters look weak. I didn't even hesitate when he all but threw me over his shoulder and said he'd ease me, that he'd make sure I was sated, that I wouldn't walk straight the next day.

I also knew once I gave myself over to him, there would be no going back. He'd never let me go.

\*Welcome to the Badlands Territory ... where it's so bad it's good. Eight of your favorite romance authors have joined forces to bring you a sexy world full of possessive, growly alpha shifters. All standalone, all addicting, and all filled with those over-the-top heroes we love. Each short and steamy story promises a happily-ever-after, with plenty of bites and growls to satisfy all of your cravings!

## **Enemies with Benefits (A Real Man, 27)**

***Author: Jenika Snow***

-All stories in the Real Man series can be read as complete standalone titles-

It was hate at first sight. That's what I told myself anyway, because wanting Malachi, who was my brother's best friend, probably wasn't the smartest move.

He got under my skin in the worst kind of way... and I was pretty sure he got off on it.

I could have ignored my desire, an arousal that was at war with my annoyance with Mal, but then we found each other alone at my parents' house and everything changed.

He taunted, teased... pushed me to the point I couldn't stop myself from acting out, letting my arousal take control.

I started showing Mal exactly how much I wanted him, even if it was the worst idea of my life.

Or maybe it wasn't.

What I didn't anticipate was him giving me a night I'd never forget, a night that would shake all other experiences in my life. It was after that when I realized I didn't hate Malachi. I was hopelessly, madly, and irrevocably in love with him.

Sleeping with the enemy never felt so good.

## Stuffed (Mistletoe, Montana, 7): A Possessive Alpha Holiday Romance

**Author: Lena Lucas**

Beau

I'd wanted Wellsie Ander for as long as I'd lived in Mistletoe, Montana. And that was saying something since I'd lived here my whole life.

She was the only woman who ever made me want... more out of life. But I'd always kept my distance, too afraid of rejection if I bared my heart and soul. Because I knew if she wasn't mine, there would never be anyone else for me.

But before I made her mine I'd wanted certain things. I wanted to be successful with my own home and a thriving business. I wanted those things so I had something to offer the woman I loved, the girl of my dreams.

And now was the time for me to stake my claim on her, and make Wellsie see that she'd been mine before she'd even known my name.

Wellsie

I knew Beau watched me constantly. I felt his eyes on me like a physical touch. And I wanted him, too, but of course I was a coward in making the first move.

I pined and wanted, fantasized and dreamed of being his. But I was tired of the fear that controlled me at the thought of him turning me down. So I told myself now was the time. I'd tell Beau that I was in love with him.

And when the perfect opportunity arose, I was taking it. So I scheduled a private baking class with him and knew there would be no going back. I'd been prepared for rejection from him, maybe even a soft blow to my ego as I confessed, but what I didn't expect was him to love me back.

What I didn't expect was for Beau to tell me he'd been waiting for me his whole life.

Lena's note: I know you like them fast and right to the point so don't worry, this one gives you all the goods but with a healthy dose of romance (and holiday cheer) thrown in. A double virgins story to whet your appetite and burn up the pages! Enjoy this good old-fashioned safe smut-fest.

And walk away with a bundle of cash.

It was the perfect plan with the perfect man.  
He was Greek God Level Gorgeous and absolutely charming.  
Plus what made him *the one*... he was gay.  
That would equal zero drama,  
And zero worries about sharing my bed with a stranger.

See what I mean by all-round perfect.  
The absolute perfect guy to bring home to my parents for my sister's wedding,  
And thwart their crazy plans of getting me hooked up with someone else.

Except... my fake boyfriend does not feel so fake anymore.  
His hot gazes are weak-knees triggers.  
His every touch is total dynamite.

## Hard Mated (Badlands Territory, 4): A Possessive Alpha Shifter Romance

**Author: Lena Lucas**

The plan was only supposed to be temporary—to go to my grandmother's house in Badlands Territory and help my cousin pack up her items. I hadn't meant to stay more than a few days, but then I found my mate, a possessive, growly lion shifter who brought a whole new meaning to the term "alpha."

As a human, I'd never felt the pull to find my fated mate, but when I first saw Axel, it was like something finally clicked. I'd never felt arousal of any kind; that was, until I saw him.

He's the biggest male I'd ever seen, and as much as I should be frightened, all I felt was this connection to him that resonated deep.

He said I was his and he was mine, that he'd never let me go... that he'd been searching for me his whole life. And I found myself giving in. It was so easy, as easy as breathing.

To my utter shock, Axel was just as inexperienced as me, never having known the touch of another, never wanting anyone else but me.

Our first time was frantic, heated, and consuming. And by the end of it, I knew one thing for certain. I didn't want to leave. Good thing he refused to let me.

Lena's note: I know you like them fast and right to the point so don't worry, this one gives you all the goods but with a healthy dose of romance thrown in. A double virgins fated mate shifter story to whet your appetite! Enjoy this good old-fashioned safe smut-fest.

## **Hard Mated (Badlands Territory, 4): A Possessive Alpha Shifter Romance**

**Author: Lena Lucas**

The plan was only supposed to be temporary—to go to my grandmother's house in Badlands Territory and help my cousin pack up her items. I hadn't meant to stay more than a few days, but then I found my mate, a possessive, growly lion shifter who brought a whole new meaning to the term "alpha."

As a human, I'd never felt the pull to find my fated mate, but when I first saw Axel, it was like something finally clicked. I'd never felt arousal of any kind; that was, until I saw him.

He's the biggest male I'd ever seen, and as much as I should be frightened, all I felt was this connection to him that resonated deep.

He said I was his and he was mine, that he'd never let me go... that he'd been searching for me his whole life. And I found myself giving in. It was so easy, as easy as breathing.

To my utter shock, Axel was just as inexperienced as me, never having known the touch of another, never wanting anyone else but me.

Our first time was frantic, heated, and consuming. And by the end of it, I knew one thing for certain. I didn't want to leave. Good thing he refused to let me.

Lena's note: I know you like them fast and right to the point so don't worry, this one gives you all the goods but with a healthy dose of romance thrown in. A double virgins fated mate shifter story to whet your appetite! Enjoy this good old-fashioned safe smut-fest.

\*Welcome to the Badlands Territory ... where it's so bad it's good. Eight of your favorite romance authors have joined forces to bring you a sexy world full of possessive, growly alpha shifters. All standalone, all addicting, and all filled with those over-the-top heroes we love. Each short and steamy story promises a happily-ever-after, with plenty of bites and growls to satisfy all of your cravings!

**The bedroom.**

"Let's go in," Liam said, taking the hotel keycard Calla had been clutching. She looked confused until Liam eyed Mack and said, "All of us."

Calla's eyes widened and her mouth dropped open slightly. But when the door unlocked, she stepped inside and held it open wide.

In invitation.

F\*ck him. Mack felt it in his chest and his balls—the wanting. She doesn't know what she's inviting in.

Liam stepped right over the threshold, but still, Mack hesitated. She deserves a million times better than either of you horny f\*cks.

Mack was about to turn around and leave. He really was.

But then Calla reached over and took his hand. With her other, she reached out to Liam. When she started tugging them inside, Mack let himself be pulled forward.

He didn't know if he was heading into heaven or hell. But as the door closed behind him, Mack knew there was no other place he'd rather be.

## **My Best Friend's Ex (The Binghamton Series Book 2)**

**Author: Meghan Quinn**

My Best Friend's Ex is a small town, roommates to lovers romance that can be read as a standalone romantic comedy. See why readers are falling in love with these blue collar heroes.

When I found an eviction notice taped on my apartment door, I had two options: find a comfortable cardboard box to call home, or move in with Tucker Jameson.

Seeing that cardboard makes me feel itchy, I chose the latter. Which shouldn't be that big of a deal since Tucker is one of my good friends. And because he's still pining after his ex-girlfriend and I'm trying to finish my nursing degree, there is nothing to worry about in the romance department, making my last semester an easy one to conquer.

Boy, was I wrong.

Rules are set, dinners are made, conversations are had, and a shirtless, swoony roommate walks around in nothing but a pair of black briefs, ruining me for every other man.

Before I know it, I turn into a panting, lust-filled woman begging for Tucker to kiss me, touch me, and show me exactly what is hiding under those briefs.

But with great orgasms, comes great consequences.

Tucker might be my friend and roommate but he's also my best friend's ex-boyfriend, making him completely off-limits. At least that's what my brain is telling me, my heart is speaking an entirely different language.

\*\*\* This is a full length novel , 100,000 words, with a happily ever after, no cliffhanger, no cheating, and full of heart, humor and, steamy heat. \*\*\*

## **One Wild Weekend With Ryder**

**Author: Lexi Hart**

**He's the only gift she wants to unwrap this Christmas...**

If you believe the hype, Christmas is supposed to be a time to spend with loved ones.

And up until a few days ago, I was blissfully happy, in full holiday mode and planning to visit my family in Iowa with my lovely new boyfriend, Adam.

But rather than the engagement ring I expected and the happy introduction to my family, Adam dumps me.

Via *email*.

I did *not* handle it well.

Seven-ish Margaritas and half a box of tissues later, and I've somehow accidentally agreed to spend Christmas in **Alaska**.

To make matters worse, when I touch down in Anchorage, it's not my sweet old college roommate, Cindy waiting for me with more tissues, but her smoking hot brother, Ryder.

I'm supposed to be writing a review of Cindy's retreat for the travel magazine I work for, and getting over Adam, not fantasizing about smooching a broody ex MMA fighter under the mistletoe.

As if the three-hour drive back to the retreat with him wasn't awkward enough, knowing Cindy's broken her ankle and can't show me around makes it even worse.

My reluctant tour guide has made it clear I'm an inconvenience, so wandering off to take photos of The Northern Lights and falling through the ice, only makes him resent my intrusion more.

But after we're forced to spend a night snuggled together in his cabin to stave off hypothermia, and he lets slip why he hates Christmas, I'm pretty sure there's warmth under his icy exterior.

If I can get just get him to let his guard down long enough to tell me why he lives like a cross between a prepper and a hermit in the wilderness, there's a chance I might still be here come New Years...

## **Lost Boy (Daddy's Boy Book 3)**

**Author: Athena Steller**

The Boy

Mitch knew he was a boy the first time he observed a submissive over a Dom's knee getting his ass reddened. That was years ago and even though Mitch never found a Daddy of his own, he knew what he wanted. Or at least he thought he had. Now one man will change how Mitch looks at his life and what is truly important. Maybe Mitch isn't as lost as he'd thought.

The Daddy

The first time Byron laid eyes on Mitch he knew the older man was meant to be his boy. Fighting Mitch's insecurities is an even bigger job than putting up with his father. When Mitch's world starts to crumble around him, Byron is determined to show Mitch he's strong enough to earn the title Daddy.

Lost Boy is the third book in the Daddy's Boy series by Athena Steller.

This book contains MM sexual content (men having sex with each other), light BDSM elements, Age Play, Daddy/ boy relationship, age gap relations, voyeurism, public sex, light humiliation scene. This book is an exploration of a relationship between two (Male) consensual adults that are looking for love and acceptance. All characters are over the age of consent. No cheating or cliff hangers.

Each book in the Daddy's boy series will concentrate on a new couple although the characters from other books will visit often. The books can be read as standalone novels but for better enjoyment watch how the characters grow from book to book adds to the enjoyment of the series.

Each book in the Daddy's boy series ends with a HEA although we do get a peek into the earlier relationships as they progress as the series continues.

\*\*\*In November 2020 this book, Lost Boy, was professional edited, revised, and reloaded. No content was changed but the errors from the first upload should be gone.\*\*\*

## **Sugar Daddies**

**Author: Jade West**

A sugar daddy website doesn't seem a sound basis for an A1 life plan, but I'm a small town girl with big dreams, and there's this one advert, this one crazy advert I can't stop thinking about...

Two hot guys seeking their Little Miss Right.  
Someone who can entertain them, amuse them, fit in with their corporate schedule.  
And sex. They want sex.  
Lots of sex.  
Bonus, right? One major dose of epic win.

Of course, guys like Carl and Rick have their conditions. One being that they come together, or not at all.  
Hell, I can live with that.

And there are no skeletons in their designer closet, none that I can find.  
Just two hot sugar daddies, with particular tastes, nothing to worry about.

Until Carl and Rick spill the big one, the one that sends the girls running. A whole string of them before me, running to the hills without so much as a backward glance.

Maybe I should run, too. Thanks but no thanks, see you around, guys, nice knowing you.  
But I'm already in way too deep for that.

Warning – as with every other Jade West book, reader discretion is highly advised. This novel contains vivid depictions of MMF / MM relationships, and Jade's characters, as always, have very filthy mouths. Mature readers only, please.

## Warriors' Claim: A Reverse Harem Romance (The Swirl Book 2)

**Author: Michele Mills**

Wyrlic, Zaxon and Bex.

Trish can't stop staring at the three Xylan warriors who've recently moved in next door. She's supposed to be helping them upgrade their facility, but she can't keep her eyes off their sharp fangs and fierce claws.

Wanting them. All three of them.

But these males are Xylan Triumvirates, non-identical brothers who share a special bond. And they've been deemed dangerous and removed from the Xylan mating database for a valid reason: no female can withstand a claiming by three Xylan warriors at once, and come out alive. But Trish isn't just any female. She's a Cyborg, and therefore her response is:

Bring. It. On.

Trish might be the only female in the four sectors willing to take on all three of these ferocious warriors, and their shared enemy. But can an emotionally stunted

female truly claim their hearts... and their love?

Author's note: This book was originally released as a two-book serial, Warriors' Claim & Warriors' Embrace. This is a rerelease of those two books, now merged into one longer book with the same content.

## Just a Bit Gay (Straight Guys Book 9)

Except things get confusing—and frustrating—when fingers and toys aren't quite enough.

Publisher's note: This book contains explicit MM content, feminization, and strong language. Book #9 in the Straight Guys series, but it can be read as a stand alone.

## The Edge of You

**Author: H. Jewel Lohr**

I'm going to test all of your limits, but only if you let me...

**CARLY** Bloom has no time for a love life. As a medical resident of one of the nation's top neurosurgeons, she barely has time to sleep. Between his painful lack of a filter and his overly critical nature, she finds it difficult to even think straight in his presence. Or that might be due to his distracting, cut-steel jawline and insanely broad shoulders... she still isn't sure. The one thing she does know for sure is that he's off limits, despite how many times in a day she daydreams about him striking her exposed derrière with a riding crop.

**PIERCE** Anderson can't afford a distraction. He didn't get to where he is at not even forty yet by letting every hot piece of tail he meets steer him off course. If he did have time for one, though, his recently-appointed resident transfer, Carly Bloom, would be his ideal and then some. Beautiful, brilliant, and complete with a 'don't take sh\*t from anyone' attitude, he'd be lying if he said he didn't regularly fantasize about what her tempting frame would look like bound to his bed. She's almost irresistible. Almost.

Then, one night, everything changes. After running into each other at Baltimore's only BDSM club, Power Play, Pierce and Carly surrender to their burning curiosities and agree to run a scene with each other. Just one. That's it. However, one scene quickly leads to another, and soon they find themselves playing a game in which neither of them is sure of the outcome...

This is a full-length, 70,000 word novel. No cheating. No cliffhanger. Warning: This book is for mature readers only, 18+. Contains several (very detailed) BDSM scenes that include, but aren't limited to, spanking, flogging, bondage, degradation, humiliation, etc. If any of these are triggers for you, I wouldn't recommend. Otherwise, enjoy! ;)

## **Conclave: A Devil's Night Novella**

***Author: Penelope Douglas***

"Do you know what a papal conclave is?"

DAMON

Will is gone. He hasn't been seen in months, and the texts coming from his phone are almost certainly forged. Something's wrong. We need to act now.

Michael is ready to tear down The Cove, Rika's hiding something, Evans Crist is a threat, and Winter's father is still out there.

Everyone is off in a million directions, and we're vulnerable. It's time to do this.

It's time to claim our place.

RIKA

A few years ago, I never thought I'd be here. On board Pithom. Miles out at sea. At a table with Michael Crist, Kai Mori, and Damon Torrance—men I now consider family.

We've locked ourselves on this yacht for however long it takes to address our agenda, and we won't leave until everything is on the table.

Even things I don't want to talk about. Things Michael doesn't know.

We will find Will. We will solidify our plans, and we will remove any threats.

If we survive Conclave.

\*Conclave is a 27,000 word novella that takes place between Kill Switch (Devil's Night #3) and Nightfall (Devil's Night #5). It is suitable for readers 18+. Please read Corrupt, Hideaway, and Kill Switch prior to reading this story.

## **Snatch: Cerberus MC Book 5**

***Author: Marie James***

I've always been a connoisseur of the opposite sex. Tall, short, thin, thick and juicy, my tastes knew no limitations.

That became abundantly clear the night my best friend took me in his mouth.

Sure, there'd been close calls before, the slip of a hand or misplaced lips. With our propensity to share women, it was bound to happen.

That fateful night, I was met with pure intention and an experience I never want to forget.

Falling for a friend has never been so complicated.
