Charming Cinderella: A BBW & Boss Fairy Tale Valentine's Romance (My Curvy Valentine)

Author: Lana Love

One bad boy music executive + His curvy new temp admin + The Rockin' Hearts Ball = The beginning of a lifetime of beautiful music

When one of my executive assistants (now former) eloped with her boyfriend and left me high and dry, I have no choice but to bring in a temp. Little do I expect the curvy beauty I find in the copy room, humming a song that is familiar but obscure.

Abby looks at me with daggers in her eyes, but when I find out who she is, I know I have to make things right (even if it's years too late).

Every year, I take one of my assistants to the ball as my date. This year, I'm taking Abby. She seems to think I'm pulling a prank on her, but that's the last thing I'd do. I have a plan to win her over, but she might also slap me and walk out on me.

But it's a gamble I have to make. I'm famously single and have never had a reason to change....but I do now. Abby's the one and I need her in my life forever.

Can a heroic firefighter yank a love-jaded florist out of harm's way...and keep her in his arms?

Alicia

Let's be honest: Valentine's Day sucks. Hard. Three V-Days ago, I walked in on my boyfriend of four years getting it on with his hot personal trainer. Since then, I've focused on my floral shop business. And Valentine's Day is one of the biggest days of the year. Which means I'm the butt of Cupid's joke yet again.

Daniel

I'm having lunch with my sister when the most beautiful curvy woman walks up with a special delivery. Unfortunately, she's not looking where she's going and almost gets hit by a car. It's instinct for me to pull her out of harm's way...maybe because I do it for a living as a fireman. I know she feels the attraction too, but one look at my sister and she runs the other way. Saving Her: A Mountain Man Cop Curvy Woman Friends to Lovers Short Romance (Magnolia Mountain PD Book 4)

Author: Mazzy King

Book 4 in the Magnolia Mountain PD series!

Malcolm Andrews doesn't consider himself a hero—just a guy who does his job, and does it well. But when an emergency call comes in from Magnolia Mountain PD late one night about a prowler, Malcolm doesn't hesitate to rush there...because he knows nightshift front desk worker Alyssa Morello is there and in danger. They've always been friendly, but now something has changed, and they're about to become closer than ever.

Malcolm

One of the good things about being a cop in a small town is that there's always a break from the action. And one of the bad things is that you can never tell when that break is going to end.

I'm working the late shift one night when I get a call that there's a prowler up at the lodge.

There's only one person I know who works the nightshift like me...and she's in danger.

Alyssa has always been a friend, the girl I've had a secret crush on, but now something's shifted, and I hope it's the start of something new...and forever.

Because she's the only woman I want, and I always get what I want.

Alyssa

I came to the mountains for a fresh start after a bad breakup, and I love my slow life. I only answer to myself, and I've grown in ways I never dreamed of.

The only thing missing is love...not that I'm eager to get my heart broken again.

It's easy to make friends with the gorgeous cop who always stops in to say hello on his nighttime rounds. It's easy to trick myself into thinking that maybe he does it because he likes me...and maybe I like it because I like him.

I only wanted to keep things surface-level and easy...but when I get an unexpected visit from a prowler one night that scares me to death, Malcolm is there to save me.

And as we grow closer, it becomes apparent that he's saved me in more ways than one.

My promise to you, the reader: This steamy, sweet romance contains no cheating, no cliffhangers, and has a guaranteed HEA.

I can escape to the mountains for a bit and take in some quality girl time, a total win-win!

I didn't expect for her older brother, Salem, to reject my design suggestions entirely.

The man is so stuck in his ways.

Forget the fact that he's a muscular giant with the warmest eyes I've ever seen.

Or that when I'm around him I lose all common sense.

Salem is so traditional that I can't get him to see things from my point of view.

I've lived in Burly Creek most of my life and I'm ready to get out.
Is it so bad that I'm a little envious of my brothers?
They've all found the loves of their lives and here I am, single and *not* loving it.
And worse, there are no prospects here...well, except for Anthony Hunter, the gorgeous, quiet cop.
Clearly, he's not interested though. I see him all the time and he's never given me a clue.
I need to get out and explore the world, or else I'll end up a lonely townie.
That would be a fate worse than death.

Anthony:

The minute I laid eyes on Phoebe strong, I was smitten.
I've always believed that actions speak louder than words, which is why I find it so difficult to talk to her.
But I've hit a breaking point. I can't let things go on like this anymore.
Every time I see her it gets more difficult to hide my feelings, and my tongue gets tied.

I had to push the light she radiated out of my life.

Love had been nonexistent in my mind; the kind she gave me was dangerous.

Being near her felt a lot like destroying everything good in the world.

I had to get rid of her, not for me but for her, I'd been destined for darkness either way.

The only thing she had going for her was that she had never betrayed me...

It was why I had let her walk away with her soul still intact.

But God help her if I ever found out otherwise.

Heather

When I inherit Gran's house, I think it's a miracle.

My shoddy apartment was in a sketchy part of town.

I rarely slept through the night.

But now, I'm in a cute little house in a safe neighborhood.

I even have a crazy hot handyman neighbor.

I think I'm falling for him.

Hard.

Ethan

Before my sweet elderly neighbor passed, she made me promise to look after her granddaughter.

To keep her safe.

To keep any unworthy man from taking advantage.

It seems like an easy request.

Until I meet Heather.

She's stunning, sassy, and stealing my heart.

My promise is a lot harder to keep now because I can't seem to stay away.

Claire

I'm not thrilled to be moving into an apartment.

But things start to look up when I realize my neighbor across the hall is smokin' hot.

And single.

I think there may even be a spark between us.

Then Evan asks me to go with him to sister's wedding.

Not as a date—as a fake girlfriend.

I should say no.

If Evan isn't interested in more, I'm just going to get hurt.
So why do I say yes?

Evan

The last thing I want to do is go to my sister's wedding without a plus one.
Not when my ex will be there too.
She cheated on me, and it's unforgivable.
But my mom seems dead set on us getting back together.
So I do the only thing I can last minute.
I ask my neighbor to come as my girlfriend so we can put on a show.
Except, my feelings for her are anything but fake.
But with my mom furious and my ex determined to win me back, it might be harder than I bargained to convince Claire that she really is the only one for me.

Be My Burly Bartender

Author: Barbra Campbell

When the marketing manager of my bar effectively turned me into a piece of meat by having women pay to pose with me, I went along with it. Turning the profits into a charity fundraiser calendar was the way I consoled myself that I was more than eye candy.

Then Alena walked in the door and her curves were the only ones I wanted tucked against my body ever again. Could I convince her I wasn't an arrogant jerk who wanted nothing more than to feed my ego?

And even if I could, would she be able to convince her boss that my reputation was nothing more than a marketing gimmick?

If Alena had to choose between me and the upstanding role-model pretense her boss expected, I feared she'd break my heart.

Without nearly enough time, I was determined to show Alena that if she trusted me with her heart, I'd prove myself worthy to be her Burly Valentine.

Ava

When my beloved grandma passed away, she left me a once-in-a-lifetime gift: a trip to Alaska. It had always been our dream to go and see the Northern Lights, but we kept putting it off. Now, with a ticket for an all-expenses-paid trip, I'm going to fulfill that dream.

There's just one problem: A mix-up at the lodge has me sharing close quarters with an insanely handsome man. We agree to share the space. But based on the sparks flying between us, I think we'll be sharing more before this trip is over.

Orion

I'm a man of science. That's why I came to Alaska: to research the local wood frogs. My life is based on facts and explanations. But there's no explaining this immediate pull I feel toward Ava.

I came here for a reason. To uncover more facts. But one fact quickly becomes clearer than the rest: she's the only woman for me. And I'm going to make her mine.

Jules

There's no one better at making sales than this girl. After being the top saleswoman at my athletic-wear company four quarters in a row, I've won an all-inclusive two-week stay to an Alaskan resort.

Only, all-inclusive means something totally different here. And resort is a fancy word for roughing it in the middle of nowhere. If I don't end up mauled by a bear or a moose, it'll be a miracle.

Though, I wouldn't mind being mauled by the super sexy owner of the lodge . . .

Noah

She doesn't belong here. I knew that the second she stepped off of the airplane. Polished and put together, if a bit clumsy, I'd like nothing more than to get her messy.

And I'm not just talking about rolling around in the mud.

I shouldn't want her, but I do. And the longer she stays here, the more I never want her to leave.

Dirty Valentine

Author: Jaye Diamond

My five-year-old son, Finn, has a crush on a girl from the college swim team I coach, and I don't blame him. Skye is more beautiful than a movie star—having all the wonderful curves those young women often lack—and she's sweeter than candy.

I wanted to ask her to be my Valentine for months, but Finn gets there first when she babysits him. I let them have their cute moment—but after I get home from work, I discover Skye found a dirty V-day card I bought her.

The card was a mistake. An older, single dad like me shouldn't corrupt a good girl like her—but when Skye jumps into my heated pool while wearing nothing but a wicked grin, she shows me how dirty a good girl can be.

This Valentine's Day, give yourself the gift of quick and dirty bliss (no cheating and HEA guaranteed!).

Gunnar: Wylder Mountain Heroes Book 1
An Alpha Military Mountain Man, OTT Instalove Age Gap

Gunnar

Home is my cabin in the mountains, where I decompress.

As a soldier I know I shouldn't get attached. But right now I have everything I've ever wanted—
Except a curvy beauty to share it with.

Then Natalie appears at my front door like a babe in the woods. She's exactly the kind of distraction I don't need while I'm deployed. I'll worry about her. I'll dream of her.

I can throw her out—out of these woods, out of my home, out my life.

But I can't throw her out of the spot in my heart she's carved open and crawled into.

Natalie

Confession: I'm a romance novel addict.

My favorite kind of heroes? *Mountain men*.

I realize I'm more likely to meet Sasquatch out here than a real-life, hulking, handsome recluse who will come to my rescue if I get lost.

It's just a silly fantasy...until my eyes land on him. My mountain man. *My hero*.

Cruel is the fact that Gunnar is deploying in just three days.

He says I don't have to wait for him.

But that's not how the story is supposed to go.

Dear Readers,

Ready for a whole new band of mountain men?

These alpha heroes might dwell in the shadows of the Wylder Bluffs, but when duty calls, they show up.

These are the mountains they call home. The mountains they protect.

And when their sweet, curvy women come for them, they'll walk through fire to keep them safe, too.

No cliffhangers. No cheating. HEAs guaranteed. <3

Let's Kiss

Author: Barbra Campbell

"Let's kiss." A simple challenge. If she could do it without feeling a thing, I would let her go forever.

Bronwyn--

Getting roped into a photo shoot wasn't my idea of fun. The worst part was that it turned out to be nothing like I expected.

But when I met Quinton, the guy behind the camera, I was ready to do a lot more than strike a pose.

And I did.

I found myself being uncharacteristically agreeable, relaxed my poise, and fed off the carnal craving the photographer ignited in me.

But before I embarrassed myself, I snapped to my senses.

Helping people find comfort in front of the camera was his job. I'd seen the photos adorning his studio walls. He captured personalities not just likenesses.

The best thing I could do was take the advice I gave all of my employees... Believe that the world is watching, and always keep your wits about you.

Quinton--

I'd worked with all types and had a knack for getting people to open up during photo shoots. But when Bronwyn stepped in front of my camera, I felt like an amateur. I filled my camera roll with close-up shots of her, amongst the smattering of shots I was supposed to be snapping for the school's community partnership photo shoot.

She'd captivated me. Her essence was a collage of beauty, power, and femininity.

Convinced I could make her mine, I pushed for more, but when reality reinserted itself, she shot me down.

The blow struck my ego but destroyed my heart.

Certain I hadn't misread her cues, I took another look at her proofs. It was unmistakable. We had something.

If it was the last thing I ever did, I would capture a lot more than her photograph. I was going to capture her heart.
