Hades, God of the Dead, has built a gambling empire in the mortal world and his favorite bets are rumored to be impossible. But nothing has ever intrigued him as much as the goddess offering him a bargain he can't resist.

After her encounter with Hades, Persephone finds herself in a contract with the God of the Dead, and his terms are impossible: Persephone must create life in the Underworld or lose her freedom forever. The bet does more than expose Persephone's failure as a goddess, however. As she struggles to sow the seeds of her freedom, love for the God of the Dead grows—a love that is both captivating and forbidden.

## **Mine (Blood Ties Book 1)**

***Author: A.K. Rose***

But the moment he took Elle Castlemaine and her pathetic daughter into our home, barely a month after our mom died, he unleashed something savage inside me.

I didn't care they lost their home. Didn't care their father was behind bars.

Didn't care he betrayed the notorious Stidda Mafia boss, Benjamin Rossi, and now their lives were in danger.

All I cared about was her.

*Ryth.*

I wanted to hurt her. Wanted to make her squirm.

I wanted to make her pay for the moans coming from my father's bedroom.

When he slipped a ring onto her mother's finger, Ryth became mine.

Mine to bully.

Mine to break.

And I'll use my brothers to do it.

Jackson.

Charging through the crowd like a nuclear bomb about to go off.

Then, I feel his hands on me, grabbing me, throwing me over his shoulder, stealing me away.

Saving me.

He's the rich owner of the hotel and he's not having any of this.

It's not the wet t-shirt contest that he's against.

It's the hundreds of people watching.

That's a contest I don't mind entering.

Dear Heart,

I can't believe I am even writing this.

I wanted a fresh start, to follow a new dream that I had to find after I lost Elijah.

Moving to New York was the best thing for me.

I had it all planned out.

New Friends, New Job and a New Adventure.

It was supposed to be a taboo fling... but it was so much more.

We were tied together by more than a mutual connection.

It ran deeper than blood.

The thought of starting over again petrified me, but here I am, ready for a new beginning and the new adventure I craved, it just wasn't the one I had planned.

Dear Heart, you screwed me.

## **The Virgin and the Beast (Stud Ranch Standalone Book 1)**

**Author: Stasia Black**

**They say good things come to those who wait.**

**Bullsh\*t!**

My whole life has been about waiting. Playing it safe. Be the good girl, don't color outside the lines.

Put in the hard work trying to prove myself to Dad, then to my college professors, then to my boss at New World Media. Just waiting for the day when it will all pay off.

And right when it was all starting to—I finally had the house, the job, I was even thinking about getting a cat—boom!—my life explodes and suddenly now I'm here and—

"All done," the doctor interrupts my thoughts, pulling off her gloves with a loud snap.

Even from the bed where I'm lying, my legs spread like the Thanksgiving turkey, I can hear the impatient growl of the man standing in the doorway.

If you can even call him a man. More like a **beast out of a friggin' fairytale.**

"Well?" Her pronouncement echoes throughout the room while the speculum is still inside me.

"She's a virgin."

Intended for mature audience. Steamy romance with dark themes.

INTERVIEW WITH THE AUTHOR:

Q – Where did you get the idea for this book?

A – Who doesn't love a Beauty and the Beast story? I've been in love with this fairytale since I was a kid and read all sorts of different variations on it. Now that I'm grown up, well, I couldn't help but imagining some darker twists and turns the story could take. A tortured hero, kidnap, and a girl falling for her captor—hello, this is the stuff dark romance is made of!

Q – Why should I read this book?

A – I write the kind of books I love to read, which is dark romantic erotica. I want stories that steam things up in the bedroom but not if those scenes don't go hand in hand with three-dimensional characters, can't-stop-flipping-the-pages suspense, and quality writing. I like alpha males, (doesn't hurt if they happen to be billionaires)!, bad boys, BDSM, contemporary, urban settings, and fiction where women can be strong while also exploring all sides of their sexuality. My favorite books are ones that dare to go into the darkest and most taboo places in the human psychological experience, leaving you wrung out on the other end.

## **Jace (Her Monster Book 1)**

**Author: Sam Hall**

**Sloane:**

Desparion. The place where they put men with an inner monster.

A place no sensible citizen goes unless they're seeking a dark, unrestrained kind of thrill.

Only I love my little sister. It's her birthday, and despite being the sensible, dependable, boring one, I end up in the alpha zone surrounded by the kind of men only mentioned in hushed whispers with a sneer of distaste.

That's when I met him.

Nearly seven feet tall, all muscle and a devilish smile that promises a night of pleasure. I can do this. I can escape the drudgery for a night, enjoy the wild side, then slink back to my small sensible life.

But his touch does more than light a fire inside me, it reveals a part of me I didn't know existed.

**Jace:**

Every monster has a match. A female who is weak and yet strong. One who responds to pheromones and is driven by instincts every bit as beastly as the monster inside me.

Those women should be protected, not touched. After what I saw my sister go through, I kept my animal side on a tight leash.

Then I saw her, the cute little citizen taking a walk on the wild side.

But fate has other plans, and she's not the ordinary I expected.

*Mine*, the beast inside me says.

I want to protect her.

I want to ruin her for everyone but me.

And I can't have it both ways.

But if I want to save her, I might not have a choice.

He was leaving regardless, and I couldn't hang on tight enough for the both of us.

Olly had always been the boy I could never have, but I couldn't help losing myself in him.

A searing affair, the guarantee of a broken heart, and the desperation of careless promises.

Olly and I were never meant to be, and we had become nothing more than a pretty lie.

**Author: Meghan Quinn**

My Best Friend's Ex is a small town, roommates to lovers romance that can be read as a standalone romantic comedy. See why readers are falling in love with these blue collar heroes.

When I found an eviction notice taped on my apartment door, I had two options: find a comfortable cardboard box to call home, or move in with Tucker Jameson.

Seeing that cardboard makes me feel itchy, I chose the latter. Which shouldn't be that big of a deal since Tucker is one of my good friends. And because he's still pining after his ex-girlfriend and I'm trying to finish my nursing degree, there is nothing to worry about in the romance department, making my last semester an easy one to conquer.

Boy, was I wrong.

Rules are set, dinners are made, conversations are had, and a shirtless, swoony roommate walks around in nothing but a pair of black briefs, ruining me for every other man.

Before I know it, I turn into a panting, lust-filled woman begging for Tucker to kiss me, touch me, and show me exactly what is hiding under those briefs.

But with great orgasms, comes great consequences.

Tucker might be my friend and roommate but he's also my best friend's ex-boyfriend, making him completely off-limits. At least that's what my brain is telling me, my heart is speaking an entirely different language.

## **Boss of Mine**

**Author: Penny Wylder**

**I accidentally flashed my boss.**

It's all because that other intern spilled coffee on me.

Fate must hate me, because while I was changing into clean clothes in an empty board room, HE walked right in. Bam, full frontal.

Worse? I had to sit through the meeting in that SAME room while my boss sat across from me, his blue eyes sizzling, hands folded over his yummy lips.

I expected one of two things:

That he'd never mention it again (my preferred option)

Or to be fired (ugh)

But when he calls me into his office, he does something else...

He tells me he can't get the vision of me out of his head.

That he needs to see me (all of me) again so he can move on.

Our first encounter was an accident.

Will the second be something better... or worse?

## PUSH (Love Is Love Book 1)

**Author: Nyla K**

To the unassuming observer, Ben Lockwood is your typical, suburban dad. Aside from the fact that he's only thirty-six and his daughter is a sophomore in college. He and his wife, Jessica, had their only daughter, Hailey, when they were in high school. So you can imagine the unease Ben is feeling when said daughter brings her new boyfriend home for Thanksgiving... To stay, in their house, for the whole weekend.

Ryan Harper, otherwise known as The Boyfriend, is every dread Ben's ever had in his daughter dating come to fruition. There's nothing wrong with Ryan. He's polite, smart, and charming... He doesn't have any neck tattoos or facial piercings, and he drives a BMW. But still, he's dating Ben's daughter. That makes him a threat.

It's in Ben's best interest to keep an eye on the kid. You know, to make sure there's no funny business going on under his roof. Unfortunately for him, the tension in the house is less about Ryan being his daughter's boyfriend, and more about him being a strangely intriguing human.

And soon enough, Ben can't tell if he's watching Ryan to protect his daughter's innocence, or obliterate his own. It seems like the boring married-guy image isn't going to hold up for long... Not after this bizarre, life-changing weekend.

What are these new, strange feelings and desires? Where did they come from? And why do they have to center around what belongs to his daughter?

Ben and Ryan's situation couldn't get much more complicated... Until Jessica steps into the mix.

An unexpected push is all it took for their lives to change forever.

**\*\*\*PUSH by Nyla K is a label-free HEA love story. It contains infidelity triggers, which do work themselves out, so I urge you to give it a shot. MM turns to MMF, in a very steamy, unexpected romance that will make you laugh, maybe cry, and definitely swoon. The theme of love is love is key here, so there aren't many defining, or coming out moments. That being said, this book does explore male-male bisexuality, pansexuality and polyamory, but in a very casual, unassuming way. If MM and MMF are not your cup of tea, then steer clear. However, if you're looking for an open-minded tale of taboo and forbidden romance that ultimately works out for its characters, then this book is for you!\*\*\***

## My Mountain Man Muse (Mounting Mountain Men Book 4)

**Author: Olivia T. Turner**

I've always dreamed of renting a cottage in the mountains for a week to write a romance novel and now I'm finally here.

I have everything I need.

- Log cabin on a secluded mountain (*check*)

- A week off work to do nothing but write (*check*)

- A light snow falling outside as I sit under a blanket at the desk (*check*)

- An amazing love story that writes itself (*what's the opposite of a check?*)

It's my second day here and I haven't written one word.

Can you still get writer's block if you're not a real writer?

It's all a disaster until I'm wandering through the woods and see some much-needed inspiration.

It comes in a big, bearded, growly package.

His name is Jayden Rowe and he's a rugged mountain man who says he owns everything on this mountain.

Including me.

Suddenly, with Jayden's shirtless body to gawk at while he chops wood, the words start flowing and my book comes alive.

But when it's time to write the love scene, the words dry up and I have nothing.

What I need is a little mountain man inspiration to get the book going again.

Research. That's what I need.

Hot, sweaty, sultry research with my gorgeous new mountain man friend.

That's when I decide that I'm going to seduce Jayden...

...for research purposes of course.

*Are you ready for an ax-wielding mountain man who knows how to handle his wood? Lily will have you laughing, and Jayden will have you swooning and stopping to fan yourself with your Kindle. Grab a glass of wine, lock everyone out of the room, and get ready to have a wild time with this crazy pair!*

*No cheating, SAFE, and a wintery HEA!*
