

Wolf Queen (Shadow Guild: Wolf Queen Book 5)

Author: Linsey Hall

I'm a hero. And I'm locked in a cell. Fantastic.

A week ago, it took everything I had to save the werewolves from the Dark Moon curse, but I did it. Unfortunately, it left me with a nasty case of the curse myself. To make matters worse, I'm the most powerful werewolf who ever lived. And I'm apparently a goddess. As a result, I'm stuck in a cell because I'm a danger to everyone around me.

Even though I don't want to be locked up, I know it's the best thing for everyone. If I were to get out and succumb to the curse, I would destroy us all. The only way to save myself is to find a cure and defeat the Maker, something that has proved impossible so far.

My fated mate Lachlan is determined to help me, but we're still haunted by our own curse. According to our most powerful seer, if I fall for him, I'm dead. So yeah, let's just say things are complicated.

The final book in the bestselling Wolf Queen series by Linsey Hall.

Zodiac Academy: The Awakening

Author: Caroline Peckham

I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae.

But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could.

The school they've sent me to is both dangerous as sh*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy.

Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates – which is actively encouraged by the way.

My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell.

All I've got to do is survive. But fate might have other ideas.

Dammit, why couldn't I have gotten a letter to Hogwarts?

****This is a dark, bully romance – don't go expecting a sweet school for magic with friends around every corner. Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18+ where only the strongest prevail. There's no Dumbledore here to save anyone's ass and Lionel Acrux will give Voldemort a run for his money in the evil dictator category. So hold onto your stardust (broomsticks not required) and get ready for a bumpy ride****

Since I was born, I was destined to be one thing—the Alpha's Mate. It should be every girl's dream. Not mine, though. He's too dark and damaged, and I've got a secret he can never know: I'm not a true wolf.

Instead of waiting for him to figure out I'm an abomination, I left on my fifteenth birthday. But I didn't go far. No way in hell would I let fate drive me from the town I love.

Ten years later, I'm still hiding in plain sight. When I occasionally see him on the street—deadly, sexy, powerful—I just walk by. Keep my head down.

Until that night. Wrong place, wrong time, and suddenly I'm accused of murdering someone from my old pack. And he's there. Blaming me. I've got one chance to prove my innocence and find the real killer, or I'm dead by shifter law.

Fortunately, the Alpha doesn't recognize me because I'm no longer the same ugly duckling. He senses I'm special though, and he won't stop until he figures out the truth. But when he does, I'll be in danger from more than just the murderer.

There's a killer after me. Multiple killers, if our source is to be believed. As much as I want to run a hundred miles from Lachlan to avoid the mate bond, it's too dangerous. I need his help to find the people who are after me, and there's no way he'd let me go, anyway.

As much as I hate it, we're going to have to team up to stop a madman. The hunt forces us together, and despite our best efforts to resist each other, it becomes harder every day. It's going to take everything I have not to fall to temptation, but I must—especially if I want to survive.

Growing up in Torma, the strongest of the shifter packs, I wanted nothing more than to find my true mate and live my best life. Of course, that dream existed before my father betrayed the pack and turned me into their punching bag.

I'd all but given up, until a quirk of true mate genetics gifted me a true mate like no other. My childhood dreams were finally a reality. Funny how quickly dreams turn into nightmares.

I'm being lied to, missing weeks and months of time. Someone messed with me and no matter how often I'm told to forget it and move on as Torin's mate, there's no way I can. Whoever did this to me should have known I'd pick at it until it bled. It's my nature after all.

As I search out random growls, flutters in my chest, and a suspicion that there's so much more going on than I could even imagine, I sense that I'm racing against an unknown clock.

I need to get to the bottom of this mystery.

And when I figure out who stole my memories, they're going to wish they never messed with Mera Callahan.

A year ago, everything was different. I had just left my home, joining the infamous Mountainside Pack. The daughter of an omega wolf, I've always been prized—but not as prized as I would be if my new packmates found out my secret.

But when my fated mate—Mountainside's Alpha—rejected me in front of his whole pack council and my secret got out, I realized I had one choice. Going lone wolf was the only option I had, and I took it.

Now I live in Muncie, hiding in plain sight. If the wolves ever left the mountains surrounding the city, I'd be in big trouble. Good thing that the truce between the vampires and my people is shaky at best and Muncie? It's total vamp territory. Thanks to my new vamp roomie, I get a pass, and I try to forget all about the call of the wolf. It's tough, though. I... I just can't forget my embarrassment—and my anger—from that night.

And then *he* shows up and my chance at forgetting flies out the damn window.

Ryker Wolfson. He was supposed to be my fated mate, but he chose his pack over our bond. At least, he *did*—but now that he knows what I've been hiding, he wants me back.

But doesn't he remember?

I told him I'll never be his mate, and there isn't a single thing he can do to change my mind.

To Ryker, that sounds like a challenge. And if there's one thing I know about wolf shifters, it's that they can never resist a challenge.

Just like I'm finding it more difficult than I should to resist *him*.

Lord Gabriel Phel wants one thing: to rebuild the shattered fortunes of his people and restore his ruined house to its former station in the Convocation's highest tiers of elegant society. Fortunately, through a wild chance of birth, he was born with powerful wizard magic, the first in his family in generations. If he can obtain a familiar to amplify his magic, a highborn daughter he can marry, to be mother to his children, he'll be that much closer to saving his family. With her by his side, he can ascend to such a position of power in the Convocation that he can destroy it forever.

Lady Veronica Elal, captive in her tower, has only one way out. To her bitter disappointment, she will never be a wizard. Instead, through a twist of fate, and despite her expensive Convocation Academy education, Nic is doomed to be a familiar like her mother. Forced to participate in the Betrothal Trials, she receives a wizard suitor for one night each month. Whichever man impregnates her will bond her to them forever. With no choice but to serve the one who wins her, Nic has one hope for control over her life: a wizard she can manipulate.

Gabriel Phel seems like the perfect choice for Nic's gambit—he's desperate and untutored in wizardry—but within moments of meeting him, she feels the bonds of magic tying them together. Afraid of losing her will to the compelling wizard who touches her heart like no other, Nic does the unthinkable: she runs. Pregnant and alone, Nic eludes monstrous hunters, searching for a safe haven. But when Gabriel catches up to her, their adventure has only begun.

Is Love Stronger Than Vengeance?

A Betrayal...

Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her.

A Choice....

Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation.

A Secret...

But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolveren are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

What do a heartless Dragon Shifter, a cold-blooded Basilisk, an arrogant Lion Shifter and a brooding, tattooed Harpy have in common...?

Me.

Elise Callisto. Vampire. Angel of vengeance. And a girl on a mission to destroy one of them for murdering my brother. I just don't know which one did it yet.

Aurora Academy isn't a place for the faint of heart. To put it lightly, my town is the cesspit of Solaria where the **most cutthroat Fae in the kingdom** reside. The school itself is divided by the **two gangs** who run this city. The Lunar Brotherhood and the Oscura Clan. And guess what? Two of the kings run the gangs at the academy, their hatred for each other so fierce **I hear a day doesn't go by without blood being spilled in the halls.**

I might be a petite, lilac-haired girl who looks like I couldn't hurt a fly, but they haven't been introduced to my fangs yet. And they don't know why I'm really here. Or that **I'll do whatever it takes to bring down the Fae who took my flesh and blood from me.**

I don't believe in fate, but I do know this... **the King who killed my brother is a dead man walking.** And I'm prepared to sacrifice my heart, body and soul to ensure I get my **revenge.**

This is a gritty, college age, steamy series set in a world where Fae fight to take whatever they want. You've been mine before, more times than you'll ever remember.

You've been torn away from me more times than you'll ever know.

Now that you're finally mine again, here's a new promise for you:

This time, it's forever.

I have an army of the damned at my beck and call, more gold to my name than even kings can fathom, the powers of a fallen angel at my fingertips and the command of the Inferno itself in the palm of my hand.

Never fear, love. I'll protect you. I'll keep you safe.

Whether you want it or not.

And this time, if anyone dares to try and take you away from me again...

This time, there'll be hell to pay.

Demigods & Dragons Complete Series Box Set

The Complete Six Book Demigods & Dragons Series!

J. S. Striker's best selling books all in one box set!!

BOOK 1: Dragon Bodyguard (bodyguard/fake relationship):

He makes my skin hum ...

But not for the reasons you'd think. No, it's because he's a shifter, and while I'm just a human, I can detect supernatural creatures. They all make my skin hum.

This one, though ...

He's something else, that's for sure.

High handed. Blunt. Arrogant. Lucas thinks he knows what's best for me, and doesn't really seem to care much for my opinion, as evidenced by the fact that he kidnaps me. For my own protection, he says.

Apparently, I've become an object of interest for two demigod brothers—one who believes he's destined to marry me, and the other, Lucas's employer, who doesn't want me marrying into the family. I guess a lowly human isn't good enough for the likes of a demigod.

I can't marry someone else if I'm already married, though, right? And that's where things get really crazy. Because after spending so long with this overprotective shifter, I start to see his good qualities. Loyalty. Honesty. Protectiveness. And soon my skin starts humming when Lucas is around for a very different reason.

But there are more sinister forces at work, and threats abound on every side. Will my sham marriage with Lucas turn into something more? Or will his duty to his demigod win out and tear us apart in the end?

Author: Lana Pecherczyk

In the shadows, vision can turn blurry. Truths can become lies. Enemies can become lovers.

When Violet inexplicably wakes thousands of years after a nuclear holocaust, she finds the world very different. Fae exist now. They're vicious, animalistic monsters who pervert magic and can morph into any shape—including vampires. They hoard the bounty of the new world, and keep humans banished to the wasteland. At least, that's what the humans of today have told her. Determined to make up for an unforgivable mistake in her past, she becomes a covert assassin and seeks revenge for her human brethren. And she's good at it. But when the thing she hunts saves her life, injuring himself in the process... her crystal clarity suddenly becomes blurry.

Vampires are meant to be monsters, not protectors... not charismatic, annoyingly handsome and loyal and... everything.

Indigo is a Fae Guardian, and a ruthless vampire protector of Elphyne. The Order has tasked him with finding a human with deadly secrets before the unhinged Unseelie Queen, or the fanatical human leader, can exploit her. And when he catches Violet's scent, they know he'll do everything in his power to possess her and keep her safe. But Indigo hides his own shameful secret in the shadows of his heart, and if it ever comes to light, Violet will never trust him. She'll kill him.

The Secrets in Shadow and Blood is the next installment in the Fae Guardians series, and the first in the Season of the Vampire Trilogy. If you love your books full of page turning action, romantic tension, and world building you can get lost in, then this series is for you. Warning: Trusting these seductive fae will lead to sleepless nights. But it will be worth it.
