**Author: Katee Robert**

He was supposed to be a myth.

But from the moment I crossed the River Styx and fell under his dark spell...he was, quite simply, mine.

**\*A scorchingly hot modern retelling of Hades and Persephone that's as sinful as it is sweet.\***

Society darling Persephone Dimitriou plans to flee the ultra-modern city of Olympus and start over far from the backstabbing politics of the Thirteen Houses. But all that's ripped away when her mother ambushes her with an engagement to Zeus, the dangerous power behind their glittering city's dark facade.

With no options left, Persephone flees to the forbidden undercity and makes a devil's bargain with a man she once believed a myth...a man who awakens her to a world she never knew existed.

Hades has spent his life in the shadows, and he has no intention of stepping into the light. But when he finds that Persephone can offer a little slice of the revenge he's spent years craving, it's all the excuse he needs to help her—for a price. Yet every breathless night spent tangled together has given Hades a taste for Persephone, and he'll go to war with Olympus itself to keep her close...

**"Deliciously inventive...Red-hot."—Publishers Weekly STARRED**

**"I get shivers just thinking of their interactions. SHIVERS."—Mimi Koehler for *The Nerd Dailey***

## Sugar Daddies

**Author: Jade West**

A sugar daddy website doesn't seem a sound basis for an A1 life plan, but I'm a small town girl with big dreams, and there's this one advert, this one crazy advert I can't stop thinking about...

Two hot guys seeking their Little Miss Right.

Someone who can entertain them, amuse them, fit in with their corporate schedule.

And sex. They want sex.

Lots of sex.

Bonus, right? One major dose of epic win.

Of course, guys like Carl and Rick have their conditions. One being that they come together, or not at all.

Hell, I can live with that.

And there are no skeletons in their designer closet, none that I can find.

Just two hot sugar daddies, with particular tastes, nothing to worry about.

Until Carl and Rick spill the big one, the one that sends the girls running. A whole string of them before me, running to the hills without so much as a backward glance.

Maybe I should run, too. Thanks but no thanks, see you around, guys, nice knowing you.

But I'm already in way too deep for that.

Warning – as with every other Jade West book, reader discretion is highly advised. This novel contains vivid depictions of MMF / MM relationships, and Jade's characters, as always, have very filthy mouths. Mature readers only, please.

## Her Soul to Take (Souls Trilogy)

**Author: Harley Laroux**

**Leon**

I earned my reputation among magicians for a reason: one wrong move and you're dead. Killer, they called me, and killing is what I'm best at.

Except her.

The one I was supposed to take, the one I should have killed - I didn't.

The cult that once controlled me wants her, and I'm not about to lose my new toy to them.

**Rae**

I've always believed in the supernatural. Hunting for ghosts is my passion, but summoning a demon was never part of the plan. Monsters are roaming the woods, and something ancient - something evil - is waking up and calling my name.

I don't know who I can trust, or how deep this darkness goes.

All I know is my one shot at survival is the demon stalking me, and he doesn't just want my body - he wants my soul.

*Her Soul to Take* is book 1 in the *Souls Trilogy*. Although all the books are interconnected, they are *stand-alone* and can be read in any order.

**Author: E L James**

E L James revisits the world of *Fifty Shades* with a deeper and darker take on the love story that has enthralled millions of readers around the globe.

"I've never felt this desire, this . . . hunger before. It's a new feeling, new and shiny. I want so much from her: her trust, her obedience, her submission. I want her to be mine, but right now . . . I'm hers."

Christian Grey exercises control in all things; his world is neat, disciplined, and utterly empty—until the day that Anastasia Steele falls into his office, in a tangle of shapely limbs and tumbling brown hair. He tries to forget her, but instead is swept up in a storm of emotion he cannot comprehend and cannot resist. Unlike any woman he has known before, shy, unworldly Ana seems to see right through him—past the business prodigy and the penthouse lifestyle to Christian's cold, wounded heart.

Will being with Ana dispel the horrors of his childhood that haunt Christian every night? Or will his dark sexual desires, his compulsion to control, and the self-loathing that fills his soul drive this girl away and destroy the fragile hope she offers him?

## Just One Night

**Author: Kyra Davis**

**In this *New York Times* bestselling erotic novella trilogy, a buttoned-up businesswoman takes her friend's advice and has a fling with a stranger on a trip to Vegas—only to find herself under his mysterious, sexy power both in the boardroom and the bedroom.**

Kasie Fitzgerald knows who she's supposed to be. She's a rising-star-workaholic at a global consulting firm. She's the fiancée of a well-connected man who's won the approval of her parents. People know that she's reliable, serious, proper, cautious, pragmatic, and yes, a little predictable. She's who Dave and her family *want* her to be.

But as her thirtieth birthday looms, buried feelings begin to resurrect. Her friend takes her to Vegas for one last wild and crazy night. In a dress much shorter and sexier than anything she has ever dared to wear before, she hits the blackjack tables. And meets *him*. Under the tailored clothes it's clear that this is a man who is intense, powerful, and maybe even a little dangerous. With a touch of trepidation she accepts his invitation to get a drink, and before long, she's in his hotel room.

She never gets his full name. Perhaps his anonymity is one of the reasons she's able to give herself over to him and to the moment so completely. Perhaps it's why she's just had the most exquisite and passionate sex of her life. Shaken by her own behavior, Kasie tries to chalk it up to one crazy night. But when the mysterious gentleman she's just had a fling with shows up in her office—as the CEO of a firm her company does a billion dollars of business with a year, demanding that *she* handle his account, and so much more—things will never be the same again. And there's no telling where this will go...

## A Lady of Rooksgrove Manor (Tempting Monsters Book 1)

**Author: Kathryn Moon**

On the brink of losing her position as a maid and with no prospects to go on, the offer of a place at Rooksgrove Manor—a house of ill and unusual repute—sounds like a perfect fit for a young woman with Esther's inclinations. Even better, the invitation comes by the hand of the handsome Dr. Underwood, a delicate gentleman with a ferocious alter ego who knows exactly what he wants from Esther.

Upon arrival, the men and the daily decadence of the manor feel too good to be true for a girl of Esther's station. There are rules to be followed, expectations to meet, and Esther is afraid she might be too wicked even for a place like Rooksgrove.

Temptations lurk around every shadowy corner and Esther has never been a girl able to resist. But the risk of disappointing her new gentlemen isn't all that's threatening Esther's new position. Rooksgrove Manor's protections for its unusual patrons are failing, the wards are crumbling, and Esther's new and exquisitely pleasurable life may all come tumbling down.

Tensions at work are at a tipping point and after taking the role of management's spy, Lola's in the crossfire if anything goes wrong.

As romances between Lola and the pack members are developing left and right, the woman who swore she wanted nothing to do with alpha is turning to them like a bloom to the sun. If only it weren't just one monstrous alpha that twisted her own thoughts. Lola is quickly realizing that her worst enemy is herself, and it's like walking the tightrope to find a balance with the pack that gives her strength rather than sends her toppling to the ground.

But Indy won't be ignored. One way or another, he's determined to get his hands on her again. Lola needs more than a pack to shield her. She needs to be ready to fight.

## The Virgin and the Beast (Stud Ranch Standalone Book 1)

**Author: Stasia Black**

**They say good things come to those who wait.**

**Bullsh\*t!**

My whole life has been about waiting. Playing it safe. Be the good girl, don't color outside the lines.

Put in the hard work trying to prove myself to Dad, then to my college professors, then to my boss at New World Media. Just waiting for the day when it will all pay off.

And right when it was all starting to—I finally had the house, the job, I was even thinking about getting a cat—boom!—my life explodes and suddenly now I'm here and—

"All done," the doctor interrupts my thoughts, pulling off her gloves with a loud snap.

Even from the bed where I'm lying, my legs spread like the Thanksgiving turkey, I can hear the impatient growl of the man standing in the doorway.

If you can even call him a man. More like a **beast out of a friggin' fairytale.**

"Well?" Her pronouncement echoes throughout the room while the speculum is still inside me.

"She's a virgin."

Intended for mature audience. Steamy romance with dark themes.

INTERVIEW WITH THE AUTHOR:

Q – Where did you get the idea for this book?

A – Who doesn't love a Beauty and the Beast story? I've been in love with this fairytale since I was a kid and read all sorts of different variations on it. Now that I'm grown up, well, I couldn't help but imagining some darker twists and turns the story could take. A tortured hero, kidnap, and a girl falling for her captor—hello, this is the stuff dark romance is made of!

Q – Why should I read this book?

A – I write the kind of books I love to read, which is dark romantic erotica. I want stories that steam things up in the bedroom but not if those scenes don't go hand in hand with three-dimensional characters, can't-stop-flipping-the-pages suspense, and quality writing. I like alpha males, (doesn't hurt if they happen to be billionaires!), bad boys, BDSM, contemporary, urban settings, and fiction where women can be strong while also exploring all sides of their sexuality. My favorite books are ones that dare to go into the darkest and most taboo places in the human psychological experience, leaving you wrung out on the other end.

## **PUSH**

**Author: Nyla K**

To the unassuming observer, Ben Lockwood is your typical, suburban dad. Aside from the fact that he's only thirty-six and his daughter is a sophomore in college. He and his wife, Jessica, had their only daughter, Hailey, when they were in high school. So you can imagine the unease Ben is feeling when said daughter brings her new boyfriend home for Thanksgiving... To stay, in their house, for the whole weekend.

Ryan Harper, otherwise known as The Boyfriend, is every dread Ben's ever had in his daughter dating come to fruition. There's nothing wrong with Ryan. He's polite, smart, and charming... He doesn't have any neck tattoos or facial piercings, and he drives a BMW. But still, he's dating Ben's daughter. That makes him a threat.

It's in Ben's best interest to keep an eye on the kid. You know, to make sure there's no funny business going on under his roof. Unfortunately for him, the tension in the house is less about Ryan being his daughter's boyfriend, and more about him being a strangely intriguing human.

And soon enough, Ben can't tell if he's watching Ryan to protect his daughter's innocence, or obliterate his own. It seems like the boring married-guy image isn't going to hold up for long... Not after this bizarre, life-changing weekend.

What are these new, strange feelings and desires? Where did they come from? And why do they have to center around what belongs to his daughter?

Ben and Ryan's situation couldn't get much more complicated... Until Jessica steps into the mix.

An unexpected push is all it took for their lives to change forever.

\*\*\*PUSH by Nyla K is a label-free HEA love story. It contains infidelity triggers, which do work themselves out, so I urge you to give it a shot. MM turns to MMF, in a very steamy, unexpected romance that will make you laugh, maybe cry, and definitely swoon. The theme of love is love is key here, so there aren't many defining, or coming out moments. That being said, this book does explore male-male bisexuality, pansexuality and polyamory, but in a very casual, unassuming way. If MM and MMF are not your cup of tea, then steer clear. However, if you're looking for an open-minded tale of taboo and forbidden romance that ultimately works out for its characters, then this book is for you!\*\*\*

**Author: Jenika Snow**

**\*A top 50 Amazon bestseller.\***

I wasn't human, not completely.

A Lycan—a centuries-old wolf-like creature that was feared by all, stronger than anything on the planet, and who was only ever after one thing. My mate.

For over three hundred years, I had one purpose in life. Find her, the one female born to be mine. My female who'd cause the Linking Instinct—that supernatural connection that told me she was mine and I hers—to finally take root and make me whole.

And for hundreds of years, I'd been alone, saving myself for my mate, never stopping the search.

Until I scented her, saw her, finally felt my heart beat and the blood rush through my veins with hope and anticipation.

Mine.

She didn't see me, but she sensed me.

And she ran. She couldn't possibly know how much the chase turned me on.

I didn't know how I'd make her understand I could never let her go, that nothing and no one would stop me from making her mine.

Because once a Lycan found his mate... nothing in this world, nothing supernatural or human, could keep him from her.

If you believe the hype, Christmas is supposed to be a time to spend with loved ones.

And up until a few days ago, I was blissfully happy, in full holiday mode and planning to visit my family in Iowa with my lovely new boyfriend, Adam.

But rather than the engagement ring I expected and the happy introduction to my family, Adam dumps me.

Via *email*.

I did *not* handle it well.

Seven-ish Margaritas and half a box of tissues later, and I've somehow accidentally agreed to spend Christmas in **Alaska**.

To make matters worse, when I touch down in Anchorage, it's not my sweet old college roommate, Cindy waiting for me with more tissues, but her smoking hot brother, Ryder.

I'm supposed to be writing a review of Cindy's retreat for the travel magazine I work for, and getting over Adam, not fantasizing about smooching a broody ex MMA fighter under the mistletoe.

As if the three-hour drive back to the retreat with him wasn't awkward enough, knowing Cindy's broken her ankle and can't show me around makes it even worse.

My reluctant tour guide has made it clear I'm an inconvenience, so wandering off to take photos of The Northern Lights and falling through the ice, only makes him resent my intrusion more.

But after we're forced to spend a night snuggled together in his cabin to stave off hypothermia, and he lets slip why he hates Christmas, I'm pretty sure there's warmth under his icy exterior.

If I can get just get him to let his guard down long enough to tell me why he lives like a cross between a prepper and a hermit in the wilderness, there's a chance I might still be here come New Years...

## Cute But Psycho: Paranormal Asylum Reverse Harem

**Author: Beatrix Hollow**

**I'm certifiably insane. Just ask my amazing therapist. He's my soulmate and a *vampiric serial killer*. There's no one I'd rather stalk more.**

Except no more late night slinking for me. I'm in The Asylum, committed as a danger to myself and others. They tell me I'm delusional, which they aren't wrong...except about what.

See, this place is made for supernaturals too dangerous to let roam free. The doctors, the staff, the family members that helped put us here are all in on it, trying to convince us magic is just another delusion. They plan to keep us here forever--sedated and docile.

Aren't we all just perfect test subjects for inhumane experiments? Well, the doctors think so at least.

Yeah... it's time to bust out of the loony bin. Unfortunately for our zookeepers we're the most dangerous supernaturals there are and we haven't been taking our medicine.

A genetically modified super alpha wolf monster. An ultra rare basilisk, so venomous he can't leave any skin exposed. My dreamy serial killing vampire therapist. Oh, and me. A genetic marvel, one of the few dhamphyr to ever exist and probably, just a little... more crazy than most.

Nighty, night Asylum. Don't let the nightmares bite.

*Author Note: Full-length STANDALONE! This is a why choose/reverse harem dark paranormal romance where the female lead does not need to choose between her three male love interests. There are m/m scenes, steam, and mature themes including: violence, language, and etc..*

## Bare Ride: An Older Hero Possessive Alpha Romance (Men of Valor MC)

**Author: Lena Lucas**

Moving to the small mountain town of Fairhaven, Wyoming was my escape from the monotonous life I lived. I wanted something new, an experience I'd remember for the rest of my life.

After a week in my new home, I'd gotten a waitressing job and associated myself with the residents and the lay of the land.

Things weren't... complicated, and I knew I made the right decision.

Conflict, indecision, and shifting emotions were definitely not what I needed or wanted.

Until I met him. Cyrus "Bear" Grille was big and strong, an MC Nomad who made every feminine part of me come alive like a fire burned brightly in my body.

He was the last thing I need, a complication that would surely twist up my emotions and tangle with my heart.

But I couldn't stop my interest or curiosity where he was concerned. And it looked like fate was ready to make the decision for me.

When a snowstorm causes me to crash, he's the one to rescue me. I found myself in his cabin, isolated from everything, the snow sealing us in indefinitely, and I couldn't find anything wrong with the situation.

It felt right. I knew I was on a new path, one where I'd experience things that would rival the former ones. And I was going to jump headfirst into whatever this electrical chemistry was that claimed both of us.

He wanted me, and I was going to give myself to Bear in every way he wanted.

Lena's note: I know you like them fast and right to the point so don't worry, this one gives you all the goods but with a decades long celibate hero, a virgin heroine, and all the romantic filth to whet your appetite! Enjoy this good old-fashioned safe smut-fest.

## You Are Mine (The Lycans, 2)

**Author: Jenika Snow**

**\*A top 100 Amazon bestseller.\***

Luca I'd lost my mind, was more animal than man. More crazed than sane. And all because I hadn't found my mate, that one female born to be mine and mine alone.

As an over four-hundred-year-old Lycan, a supernatural being who was able to shift from human to my inner wolf, my kind was known as fearsome beasts with unimaginable power. All feared us, and rightfully so.

I had given up hope of ever finding my mate and because of that had let my inner beast reign supreme, control me. I was far more rabid than anything else.

But then it happened. I saw her, my halfling mate. Part Lycan. Part vampire. She was perfect and made just for me.

I craved her like no other, and I'd have her as mine no matter what.

For there was nothing more dangerous than a male of the Otherworld finding his mate and keeping her close.

But she had protectors, brothers and a father who saw me for the beast I was, and were ready to go to war with me... to keep her from me.

I'd been waiting my entire life for her, and they'd soon realize I'd level anything and anyone who thought to stand in the way of claiming my prize, no matter the consequences or repercussions.

By submitting to the darkest, cruelest, and most beautiful man I've ever known.

**"5 dark ★★★★★s!** Pearl clearly has gone through hell and more... this story is so breathtaking !!!! I am awed by her defiance, gallantry, and great fortitude! As far as Crow is concerned, under his savageness, there are shreds of compassion and humanity" -*Goodreads Reviewer*

**“Haunting, disturbing, emotionally tormenting and oh so dark!** I loved Pearl’s strength and bravery. I got lost in Crow’s complexity and fell in love with the man behind the mask. Being a fan of the dark, this definitely ticked all the right boxes for me.” -*Goodreads Reviewer*

**“I read A LOT of books and this series will always be my favorite.** Crow and Pearl. I fell in love with both of them. Penelope Sky knows how to develop her characters and does it very well. The story never gets boring. This would make a great mini-series for television!” -*Amazon Reviewer*

**“Good golly, Miss Molly!** At first, I was apprehensive about reading this book, but ... it is truly a work of art. When I find a book that’s this good I end up staying awake till 4 in the morning because I just can’t put it away till my hubby makes me. This book makes you a little stronger and gives worth to the reason why you should never stop fighting for yourself. **I would recommend it to anyone.**” -*Amazon Reviewer*

**Trigger Warning: Not for the faint of heart.**

## **Echo: A Reverse Harem & Age Gap Novel**

**Author: Seven Rue**

Echo

No one would be looking for me. Or so I thought.

I ran away from the vile man my mother left me with, hoping to start over again in a different town. But deep in the Alaskan wilderness, where I chose to run off to, there wasn’t a place I could settle down.

After days of walking and getting lost, I found shelter in a cabin, far away from civilization.

Until one day, they arrived.

Three brothers, one stronger and more complex than the other. They let me stay, and the more time that past, the closer I got to each of them.

I soon realized that all three had an effect on me, and I couldn’t deny the feelings I felt when I was around them. Our bond grew strong, and before leaving the cabin to go home with them, they promised me to keep me safe forever.

But when the two people I wanted to leave behind came looking for me, promising me to be a family again, I had to decide if I wanted to spend the rest of my life with them, or the three men who took care of me.

This is a reverse harem romance with detailed sex scenes and age gaps up to nineteen years.

## **Take (Temptation Series Book 2)**

**Author: Ella Frank**

TAKE – verb: to reach for and hold in one's hands or get into one's possession, power or control.

Logan Mitchell is a man who's always been more than happy to take what he wants. It's a philosophy that's proven lucrative in both his business and personal life, and never was it more apparent than the night he laid eyes on Tate Morrison. After pulling out all the stops and convincing the sexy bartender to give him a try—he's hooked.

Now, Logan finds himself in a predicament that demands more from him than a smart-ass answer and his innate ability to walk away when things get too deep. He has a choice to make, and it'll force him to do something he's never done before—take a chance.

Tate Morrison knows all about taking a chance. He took the biggest one of his life the night he showed up at Logan's apartment to explore his unexpected reaction to the man.

Ever since then, he's thought about little else.

At first he was convinced his attraction was based solely on his body's curiosity. But the more time he spends with the silver-tongued lawyer, the more Tate realizes that their physical chemistry is only the beginning.

He's starting to catch a glimpse of what life with Logan would be like, and it's one full of excitement and satisfaction—a far cry from what he had in the past with his soon to be ex-wife.

Each man will face their fears as they begin to understand the true meaning of give and take. Their feelings for one another will be tested, as will their very beliefs. But now that they've found love where they least expected it, will they be brave enough to reach out and take it?

She shares her body, her heart, and her soul with each one of them.

Paxton is the leader, covered in tattoos, and cocky as hell.  
Michael is the bad boy determined to change his ways.  
Ransom is the scarred one, dark and beautiful.  
Muse is the practical one, the enigma with a silver mohawk.  
Copeland is the boy next door with a penchant for reading romance novels.

Together, these six twisted souls make up one beautiful whole.  
But can one woman really love five different men?  
What if they're all tattooed, pierced, scarred, and broken?  
And what if they all need her as much she needs them?

Their love is as unconventional as their music.  
Rock 'n' roll, romance, redemption.  
A story about finding beauty everywhere ... even in a lie.

Lonely and afraid, she retreats to Mystic, the small Washington town where she grew up, hoping that there she can reclaim the woman she once was—the woman she is now desperate to become again.

In Mystic, she is reunited with her first love, Nick Delacroix, a recent widower unable to cope with his grieving, too-silent six-year-old daughter, Izzie. ## Ashes of Chaos (Legacy of the Nine Realms Book 2)

**Author: Amelia Hutchins**

Creating a new House of Magic is hard work. Aria knew she had a tall task ahead of her, cleaning up the mess her family had made in the Nine Realms, but nothing could have prepared her for the horrors that awaited within the Nine Realms.

Dark magic has taken hold of the lands as Aria finds herself in the middle of an ongoing war while playing cat and mouse with Knox, who hunts her relentlessly.

To make matters worse, Aria's creature has grown impatient and is doing everything she can to get back to the monster within Knox, even knowing that Aria's heart is on the line.

How far will Aria go to protect those she loves from Knox's wrath? How long can she evade the man stalking her every waking hour as her body and mind fight against the growing need for him to claim her? Can she break the curse that has plagued the Hecate bloodline for over 500 years while protecting her heart?

Maybe the answers lie with the mysterious silver-haired men that have come to Aria's aid, or perhaps they are just like everyone else wanting to kill or claim her, realizing she is the key to winning the war. Aria intends to bring the Nine Realms and the male stalking her to their knees in this fast-paced, action-packed, and sexy epic fantasy adventure.

Action packed epic fantasy that will leave you breathless, and cheering on the underdog.
