## **Reborn (Shadow Beast Shifters Book 3)**

***Author: Jaymin Eve***

#1 in the entire kindle store!

**The epic conclusion to the Shadow Beast Shifters.**

*I finally have the life I always dreamed of. So why does it taste like ash on my tongue?*

Growing up in Torma, the strongest of the shifter packs, I wanted nothing more than to find my true mate and live my best life. Of course, that dream existed before my father betrayed the pack and turned me into their punching bag.

I'd all but given up, until a quirk of true mate genetics gifted me a true mate like no other. My childhood dreams were finally a reality. Funny how quickly dreams turn into nightmares.

I'm being lied to, missing weeks and months of time. Someone messed with me and no matter how often I'm told to forget it and move on as Torin's mate, there's no way I can. Whoever did this to me should have known I'd pick at it until it bled. It's my nature after all.

As I search out random growls, flutters in my chest, and a suspicion that there's so much more going on than I could even imagine, I sense that I'm racing against an unknown clock.

I need to get to the bottom of this mystery.

And when I figure out who stole my memories, they're going to wish they never messed with Mera Callahan.

Game on.

\*If you like sexy, dark paranormal romances, with humor, steam, action, a tough heroine and an antihero, this is for you.

Reborn is full length (115k) words, and is the final in the Shadow Beast Shifters series, and does NOT end on a cliffhanger. It's recommended for 18+ due to language and sexual situations.

## **Pack of Lies (Shadow Guild: Wolf Queen Book 3)**

***Author: Linsey Hall***

## **My Alpha mate and I are running out of time**

In a world where magic is power, I should consider myself blessed. I'm loaded with the stuff. Except I have no control over my new magic, and no idea what I really am. All I know is that I'm running out of time before my magic tears me apart.

When a series of thefts reveals clues about my past, I must follow them. Unfortunately, the only way to save myself is to work side by side with Lachlan, the Alpha werewolf who is also my mate.

The chemistry between us is insane, but if we fall for each other, the Dark Moon curse will steal his sanity. The only problem is—we can't seem to resist each other. It seems we're damned if we do and damned if we don't.

## **Darkest Moon (Shadow Guild: Wolf Queen Book 1)**

**Author: Linsey Hall**

**I'm supposed to be the Alpha's mate. Screw that.**

Since I was born, I was destined to be one thing—the Alpha's Mate. It should be every girl's dream. Not mine, though. He's too dark and damaged, and I've got a secret he can never know: I'm not a true wolf.

Instead of waiting for him to figure out I'm an abomination, I left on my fifteenth birthday. But I didn't go far. No way in hell would I let fate drive me from the town I love.

Ten years later, I'm still hiding in plain sight. When I occasionally see him on the street—deadly, sexy, powerful—I just walk by. Keep my head down.

Until that night. Wrong place, wrong time, and suddenly I'm accused of murdering someone from my old pack. And he's there. Blaming me. I've got one chance to prove my innocence and find the real killer, or I'm dead by shifter law.

Fortunately, the Alpha doesn't recognize me because I'm no longer the same ugly duckling. He senses I'm special though, and he won't stop until he figures out the truth. But when he does, I'll be in danger from more than just the murderer.

There's a killer after me. Multiple killers, if our source is to be believed. As much as I want to run a hundred miles from Lachlan to avoid the mate bond, it's too dangerous. I need his help to find the people who are after me, and there's no way he'd let me go, anyway.

As much as I hate it, we're going to have to team up to stop a madman. The hunt forces us together, and despite our best efforts to resist each other, it becomes harder every day. It's going to take everything I have not to fall to temptation, but I must--especially if I want to survive.

**Author Interview**

**Why did you choose to write a fantasy book that heavily involves a cell phone?**

Phones are a huge part of everyday life. Smart phones are these tiny pieces of massive technology we use everyday without really thinking about how astounding they are. But what if phones could be used for more than just scrolling through social media? What if an entire magical library could be hidden in your pocket? I wanted modern convenience to meet magic in a new way.

**What does Bryant Adams bring to the world of wizards that readers haven't seen before?**

Bryant Adams is not your standard hero. He is not the chosen one, and the world may be doomed if he's in charge of saving us all.

Bryant is a geek—the nerdy sidekick of the coolest kid in high school—who's trying really hard to survive being a wizard but is too terrified to talk to the girl of his dreams.

He's just a boy trying to get through his teen years without too much emotional damage...and then magic happens.

**Who would enjoy this book?**

If you like humor with a touch of snark, romance with a hint of wit, and magic that might destroy the world as we know it, Bryant Adams is the wizard for you.

“Cleverly crafted...*The Vine Witch* is a grown-up fairy tale with a twisty-turn-y story line of magic, love, and betrayal that holds your attention...Pure escapism.” —*Forbes*

**A young witch emerges from a curse to find her world upended in this gripping fantasy set in turn-of-the-century France.**

For centuries, the vineyards at Château Renard have depended on the talent of their vine witches, whose spells help create the world-renowned wine of the Chanceaux Valley. Then the skill of divining harvests fell into ruin when *sorcière* Elena Boureau was blindsided by a curse. Now, after breaking the spell that confined her to the shallows of a marshland and weakened her magic, Elena is struggling to return to her former life. And the vineyard she was destined to inherit is now in the possession of a handsome stranger.

Vigneron Jean-Paul Martel naively favors science over superstition, and he certainly doesn't endorse the locals' belief in witches. But Elena knows a hex when she sees one, and the vineyard is covered in them. To stay on and help the vines recover, she'll have to hide her true identity, along with her plans for revenge against whoever stole seven winters of her life. And she won't rest until she can defy the evil powers that are still a threat to herself, Jean-Paul, and the ancient vine-witch legacy in the rolling hills of the Chanceaux Valley.

Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it.

The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other.

Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts.

Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

## **Rhapsodic (The Bargainer Book 1)**

**Author: Laura Thalassa**

Callypso Lillis is a siren with a very big problem, one that stretches up her arm and far into her past. For the last seven years she's been collecting a bracelet of black beads up her wrist, magical IOUs for favors she's received. Only death or repayment will fulfill the obligations. Only then will the beads disappear.

Everyone knows that if you need a favor, you go to the Bargainer to make it happen. He's a man who can get you anything you want ... at a price. And everyone knows that sooner or later he always collects.

But for one of his clients, he's never asked for repayment. Not until now. When Callie finds the fae king of the night in her room, a grin on his lips and a twinkle in his eye, she knows things are about to change. At first it's just a chaste kiss—a single bead's worth—and a promise for more.

For the Bargainer, it's more than just a matter of rekindling an old romance. Something is happening in the Otherworld. Fae warriors are going missing one by one. Only the women are returned, each in a glass casket, a child clutched to their breast. And then there are the whispers among the slaves, whispers of an evil that's been awoken.

If the Bargainer has any hope to save his people, he'll need the help of the siren he spurned long ago. Only, his foe has a taste for exotic creatures, and Callie just happens to be one.

*A contemporary dark romance with a vampire twist, from the New York Times bestselling author of A Nordic King and Sins & Needles*

All Lenore Warwick wants for her 21st birthday is to hang out with her friends, finish her second year at Berkeley with flying colors, and maybe catch the eye of a hot musician playing a show at a club that she can now (legally) get into.

Unfortunately, fate has other plans for her.

A week before her birthday, she's kidnapped by the brooding and dangerous stranger with cold eyes and a lethal touch, who has been stalking her on San Francisco's fog-shrouded streets. Absolon "Solon" Stavig isn't your average criminal though. He's a centuries-old vampire who's caught between wanting to kill Lenore and wanting to save her.

You see Lenore, too, is a vampire.

She just doesn't know it yet.

Taken by a pair of vampire slayers when she was just an infant, Lenore was raised never knowing her true nature. All Lenore knows is that she has (normal) parents who love her, that she's exceptionally smart, and she's squeamish around blood. But once she turns twenty-one, she'll fully turn into a vampire, and Solon hopes he'll be there to guide her, opening her eyes to her deepest hunger...both sexual and otherwise.

But this turning can't be kept a secret. Soon both slayers and vampires are hunting Lenore, with only Solon and his unpredictable motley crew of vampires to save her.

If they don't kill her first.

I'm a fugitive of the fae city of Windhelm, framed for a murder I didn't commit. I only made it out of their dungeons by luck, and now I'm on the run—but so is the Prince.

Nobody knows where he is, but my instincts pull me toward the Veridian; a roaring tempest of dark magic that roams the land of the winter fae.

Our trip through the forest is cut short, though, by a group of fae that seize our carriage and bring us to their village as their prisoners. The mark on my hand, the

mark of the white wolf, is the only thing that keeps them from killing us outright, but if I can't prove my mark is real, I'm only prolonging the inevitable.

I don't have time for these people. I need to find Cillian before he does something stupid, but I don't have a lot of options.

## **The Kiss of Death (The Demons' Muse Book 1)**

**Author: Auryn Hadley**

**I always imagined Death's final kiss would be cold. It wasn't.**

Four years later, I can still remember the exact shade of his skin: a blue so pale it looked like moonlight. I dream of his touch. Mostly, I paint the man under the heavy cowl, including those perfect lips which ruined mine for anyone else.

I'm obsessed with him.

The doctors say he's nothing more than a hallucination caused by a mixture of head trauma and emergency pain medications. I think he's a really sexy figment of my imagination. I mean, who besides an artist would dream up the Grim Reaper for their hero?

Now, something's changed and my drawings are taking on a life of their own. As if college wasn't hard enough, trying to keep this a secret is going to be impossible. Keeping my sanity might be worse. And that's not the worst of my problems.

**Death is back.**

**He wants another kiss.**

**And he's not alone.**

*The Kiss of Death* is a 156,000 word, full-length novel with NO cliffhanger ending. This series includes multiple love interests, some M/M themes, and graphic scenes of sex, violence, and language.

## **Rejected Wolf: A Rejected Mate Shifter Romance (Virga's Doom Book 1)**

**Author: Savannah Rose**

*I'm the outcast who dared to bond with the Alpha's sons. Not on purpose, of course.*

I knew better than to think a motherless, fatherless, half-wolf would ever be welcomed within their ranks. What I also knew was that I'd be punished. A lashing, five days on my knees, no food or water, something like that.

Boy was I wrong.

The alpha insisted our bond be rejected.

This was old world magic. Dark magic. Strong magic. And yet, it didn't work.

We all knew I was nothing like them. A mut. Half wolf. Half unknown.

But what we didn't know was that when they put death on the table, the unknown half would be the one to save my life.

Because sometimes the unknown is stronger than a thousand men.

Stronger than magic.

Stronger than death.

## Elemental Summoner 1: A Chakra Cultivation Harem Portal series

**Author: D. Levesque**

Alex was living the life. His life. He worked as a convenience store clerk to pay for his games and books. At 26 years old, he was living the high life of a loner. But a bullet hole in the head ended all that. There was only one problem: he wasn't supposed to die that day.

Everyone has a time and a day that they are meant to die. That was not supposed to be Alex's day. So God gave him a choice. Option 1: Soul for soul. He could take the life of the person who was meant to die that day, become that person, and completely forget who "Alex" was. Or option 2: Keep being Alex, and transition to a world where magic was real, a world where God would give him the tools to survive.

Alex, who loved fantasy stuff like a crack addict, picked Option 2. So God threw him through a black portal. Once on the other side, and on another world, little did Alex know that those tools would be the ability to use all five Elemental magics. Earth, Fire, Water, Air and Mind. The kicker? The English language seems to trigger them.

Now, Alex is in for a world of adventure as he jokingly called himself "The Elemental Summoner," but he didn't know that title was feared by everyone in the world of Boromour. Because once every thousand years, an Elemental Summoner was born who could wield all five Elementals magics and usually ended up destroying everything around them in their quest for power. Except, for Alex, the power is changing him as well.

But, Alex meets sexy, and powerful in their own rights, monster girls who might just be able to temper his power to not become evil.

This series contains the unabridged text (Meaning adult), mayhem, monster girls, fluffy tails, and just plain lots of magic.

**No one has ever heard of a female alpha... until me.**

Now I'm on a journey to see some Oracle I didn't know existed, accompanied by the four most eligible males in the clan—go figure, they're the other clan alphas.

The trip gives me an opportunity to learn more about the strangers who wish to claim me as their mate: brooding Rowan, serene Taika, jovial Stig, and flirtatious Mateo all appeal to me, and my wolf, in different ways.

And right now they're all seriously pissing me off.

As they each try and fail to dominate me, the only person who remains on my side is my best friend and former lover, Emory.

But as the trip wears on, I begin to suspect even Emory's keeping secrets.

Plus, lest I forget, there are still the blood-drinking monsters that dog our steps and leave a few nasty surprises along our journey.

I can only hope that the Oracle has a solution that works for all of us.

Otherwise, all five clan alphas are as good as wraith-meat.

Pack Claimed is the second book in The Alpha Queen Legacy, featuring a badass heroine, a dark fantasy world, and loads of sexy wolf shifters. Be warned: This is a slow burn, reverse harem romance. Once you pick this story up, you won't be able to stop devouring it until the very last page.

## **Lucifer's Bride (Married To The Devil Book 1)**

***Author: Roxie Ray***

You know the story, love. It's a tale as old as time itself.

Boy meets girl.

Boy loses girl.

Girl meets devilishly charming guy who tempts with her everything she's ever dreamed of—and the Devil doesn't make promises he can't keep.

You see, darling, that boy never deserved you to begin with.

You, my treasure, you deserved the entire world laid out at your dainty little feet—and so much more.

No ungrateful, simple-minded boy could ever give you that.

But I could.

I will.

My Evie. My eternal love. Only creature on God's green earth, Heaven above it or even Hell below, who could ever stir the flames of desire into my cold, sinner's heart.

I stole you from that pathetic moron you were calling a fiancé again, it's true.

But after what he did to you—frankly, this time, it was like he was asking for it.

You were never really his, love. He might have put his ring on your finger, but he never owned your body. Your heart. Your mind.

Your soul.

No matter where you are, what you look like, the name you wear, or the color of that fire dancing in your eyes, you're mine. Always mine.

You've been mine before, more times than you'll ever remember.

You've been torn away from me more times than you'll ever know.

Now that you're finally mine again, here's a new promise for you:

This time, it's forever.

I have an army of the damned at my beck and call, more gold to my name than even kings can fathom, the powers of a fallen angel at my fingertips and the command of the Inferno itself in the palm of my hand.

Never fear, love. I'll protect you. I'll keep you safe.

Whether you want it or not.

And this time, if anyone dares to try and take you away from me again...

This time, there'll be hell to pay.

## **The Witching Hour (Lives of Mayfair Witches Book 1)**

**Author: Anne Rice**

From the author of the extraordinary Vampire Chronicles comes a huge, hypnotic novel of witchcraft and the occult through four centuries.

Demonstrating, once again, her gift for spellbinding storytelling and the creation of legend, Anne Rice makes real for us a great dynasty of witches--a family given to poetry and to incest, to murder and to philosophy; a family that, over the ages, is itself haunted by a powerful, dangerous, and seductive being.

On the veranda of a great New Orleans house, now faded, a mute and fragile woman sits rocking . . . and **The Witching Hour** begins.

It begins in our time with a rescue at sea. Rowan Mayfair, a beautiful woman, a brilliant practitioner of neurosurgery--aware that she has special powers but unaware that she comes from an ancient line of witches--finds the drowned body of a man off the coast of California and brings him to life. He is Michael Curry, who was born in New Orleans and orphaned in childhood by fire on Christmas Eve, who pulled himself up from poverty, and who now, in his brief interval of death, has acquired a sensory power that mystifies and frightens him.

As these two, fiercely drawn to each other, fall in love and--in passionate alliance--set out to solve the mystery of *her* past and *his* unwelcome gift, the novel moves backward and forward in time from today's New Orleans and San Francisco to long-ago Amsterdam and a château in the France of Louis XIV. An intricate tale of evil unfolds--an evil unleashed in seventeenth-century Scotland, where the first "witch," Suzanne of the Mayfair, conjures up the spirit she names Lasher . . . a creation that spells her own destruction and torments each of her descendants in turn.

From the coffee plantations of Port au Prince, where the great Mayfair fortune is made and the legacy of their dark power is almost destroyed, to Civil War New Orleans, as Julien--the clan's only male to be endowed with occult powers--provides for the dynasty its foothold in America, the dark, luminous story encompasses dramas of seduction and death, episodes of tenderness and healing. And always--through peril and escape, tension and release--there swirl around us the echoes of eternal war: innocence versus the corruption of the spirit, sanity against madness, life against death. With a dreamlike power, the novel draws us, through circuitous, twilight paths, to the present and Rowan's increasingly inspired and risky moves in the merciless game that binds her to her heritage. And in New Orleans, on Christmas Eve, this strangest of family sagas is brought to its startling climax.

## **The Fae King's Curse (Between Dawn and Dusk Book 1)**

**Author: Jamie Schlosser**

Kirian and I were just twelve years old when I pulled him from the icy waters of the creek behind my house. As he looked in my direction with unseeing lavender eyes, I quickly realized our age was just about the only thing we had in common. He spoke with an accent, he had pointy ears, and he was so beautiful it made my heart ache. Oh, and he claimed to be a fae prince cursed by witches who stole his sight.

I thought he was crazy from hypothermia. Turns out, he wasn't, and for some reason he keeps coming back. But a day in my world is a year in his. Every time I see him, he's older. Wiser. Hotter.

Over the past six years, I've tried not to fall in love with him because the terms of the curse are clear: If he doesn't wait for his fated mate in all ways, including an innocent (or not-so-innocent) kiss, he'll be blind forever.

So when Kirian kisses me and pulls me through the portal to his realm, I make it my mission to do some damage control. It'd be a whole lot easier if he wasn't determined to marry me... And if someone wasn't trying to murder me every step of the way.

#### **An Extended Look at *The Atlantis Plague***

In Marbella, Spain, Dr. Kate Warner awakens to a horrifying reality: the human race stands on the brink of extinction. A pandemic unlike any before it has swept the globe. Nearly a billion people are dead—and those that the Atlantis Plague does not kill, it transforms at the genetic level. A few rapidly evolve. The remainder devolve.

As the world slips into chaos, radical solutions emerge. Industrialized nations offer a miracle drug, Orchid, which they mass produce and distribute to refugee camps around the world. But Orchid is merely a way to buy time. It treats the symptoms of the plague but never cures the disease.

Immari International offers a different approach: do nothing. Let the plague run its course. The Immari envision a world populated by the genetically superior survivors—a new human race, ready to fulfill its destiny.

With control of the world population hanging in the balance, the Orchid Alliance and the Immari descend into open warfare. Now the last hope for humanity is to find a cure. Kate alone holds the key to unraveling the mystery surrounding the Atlantis Plague. The answer may lie in understanding pivotal events in human history—events when the human genome mysteriously changed. Her journey takes her across the barren wastelands of Europe and northern Africa, but it is her research into the past that takes her where she never expected to go. She soon discovers that the history of human evolution is not what it seems—and setting it right may require a sacrifice she never imagined.
