

## Forgiven: Con (The Four Book 3)

**Author: Sloane Kennedy**

### Con

**I have everything I've ever wanted... so why do I still feel like the kid who came from nothing?**

*Please help him...*

Three little words that have haunted me for years.

Three little words that I know I'll take to my grave.

It was supposed to be just another fight. Another few minutes of using my fists and my so-called natural "gift" for fighting to raise the cash I needed to save my little brother's life.

But it *wasn't* just another fight.

Yes, I *had* walked away with the prize money and yes, I *had* saved my brother, but I'd also destroyed not one, but two lives. I'd left my opponent broken on the ground with his eight-year-old brother begging the onlookers around him for help.

Begging *me* for help.

But I'd walked away...

Fifteen years later and that little boy is now a bitter, broken young man standing over his brother's grave; the grave I might as well have put him in. I want nothing more than to help Micah Fox escape the hell his life has become, the life I condemned him to, but he wants nothing to do with me.

But I can't walk away this time.

I won't.

### Micah

**I'm so close to escaping my ugly little world that I can practically taste it. No way in hell am I letting the man who put me there try to play hero now.**

That night was supposed to change my life.

It did.

Just not in any way I could have ever conceived of.

Fifteen years ago, the man known only as Zeus to his fans left my brother a broken man who wanted nothing to do with the world around him. I couldn't save my brother, but I sure as hell can make sure my niece and nephew have a future... the one their father should have had.

Zeus or Con or whatever the hell his name is wants to help me now? Not happening. He might know how to turn on the charm and play to his legions of adoring fans, but he and I both know what kind of monster lurks inside him.

Okay, so what if strange things happen in my belly when he touches me? What if I feel a little stronger when he wraps his arms around me and promises me that everything will be okay?

It's not real.

It can't be.

Because hate is all I have right now. If I let Con take that from me...

Like I said... it can't be real.

I won't let it be.

## Line Mates & Study Dates (CU Hockey Book 4)

**Author: Eden Finley**

### **ASHER**

Hockey, studying, and school runs. That's my life now.

After a tragic accident that took our parents' lives, it's up to me and my big brother to take care of our five younger siblings.

In between burning their meals and keeping them from killing each other, I'm supposed to get a college degree. It's hard when I don't have time to breathe let alone study, and if I don't get my grades up, I'm in danger of losing the one thing that makes me happy: my spot on the hockey team.

Which is why when the new equipment manager offers to tutor me, I really can't afford to say no. Even though I should.

He's Coach's son and way too tempting.

### **KOLE**

As this year's equipment manager for Dad's hockey team, I'm expected to deal with sweaty jock straps and herding hockey players to their rooms at away games.

The job is easy, but babysitting Asher Dalton is not supposed to be a part of it.

So why, when his brother asks me to keep an eye on him, do I agree?

Why, when he's struggling in classes, do I offer to help?

And why, when we're studying, do I suggest a reward system that lands us squarely in bed?

Asher's trouble, I know he is. But there's something about him that makes it impossible to stay away.

## **Good Intentions (Intentions Duet Book 2)**

**Author: Ella Frank**

***Gabriel Romero made me hungry for things I'd never wanted, and starved of the things I didn't think I'd ever need.***

***Until now...***

***Until him...***

I was never the man who believed in love, romance, or happily ever afters. I was married to my work, and happy to be that way. Until one night, not too long ago, when an audacious young man lied his way into my life and showed me what I'd been missing.

Bold and sexy, with a face that could melt through the iciest of exteriors, Gabriel Romero is the one factor I never saw coming. There are so many reasons we shouldn't work—my age, his, our career goals in life—and yet we are drawn together by a passion for music, and each other, that neither of us can deny.

I've always been the one to think things through, to follow my head instead of my heart. But if I don't open myself to what's possible, instead of thinking of all the ways this seems *impossible*, I might miss out on the best thing that has ever happened to me.

So I'm taking a chance, and laying myself at his mercy, opening my heart with nothing but good intentions. Only time will tell if Gabriel Romero decides to let me back in.

**Good Intentions is the second book in the Intentions Duet.**

## Scratch The Surface

**Author: Mary Calmes**

***Sometimes things look one way, but when you scratch the surface, there's more than meets the eye.***

Jeremiah Wolfe has always done what was necessary to survive. On top of working two jobs, he's going to school to become a social worker so he can give kids the help he never got when his mother left years ago. When a rare night off finds him with the chance to make a quick buck, he jumps on it. But his evening goes sideways, and he's about to head home when he's propositioned by a stranger. A meaningless one-night stand is simple and easy, so he steps into the hotel room—as he has many—without expectation. But the man behind the door is a surprise, as is the instant connection that builds along with passion and a glimpse of his heart. Small wonder that Jere can't get the nameless man out of his head.

Cameron Gallagher has never been accused of being spontaneous. He's an introvert whose life is about schedules, plans, and lists. He's always been the careful one, so inviting a stranger into his bed on the lure of his gorgeous smile and warm brown eyes isn't only out of his comfort zone, it's entirely out of character. Surprisingly, when he wakes in the morning alone, it's not regret he feels, but the need to find the man who held him in his arms all night. It seems crazy, but he can't get the man out of his head.

When they're brought back together, each man believes it's more than luck. They feel as though they've gotten a second chance. Sure, love at first sight is just a myth, the stuff of romance novels, but the more they scratch the surface, the more they realize they've got a shot at something lasting.

*Burn Zone*

Smokejumper Lincoln Reid is speechless to see Jacob Hartman among his squad's new recruits. Linc had promised his late best friend he'd stay away from his little brother. And yet here Jacob is...and almost instantly, the same temptation Linc has always felt around him is causing way too many problems.

Jacob gets everyone's concerns, but he's waited years for his shot at joining the elite smokejumping team, hoping to honor his brother's memory. He's ready to tackle any challenge Linc throws his way, and senses the chemistry between them—chemistry Linc insists on ignoring —is still alive and kicking. But the closer they get, the more Linc's plan to leave at the end of the season risks him breaking another promise: the one his heart wants to make to Jacob.

*High Heat*

Smoke jumping is Garrick Nelson's life. Nothing, not severe injuries nor the brutal physical therapy that follows, is going to stop him from getting back with his crew. But when a lost dog shows up on his front porch, he can't turn her away, and he can't take care of her on his own. Thankfully, help comes in the form of his new sexy, dog-loving neighbor. As they work together, trying to re-home their little princess, Garrick can't resist his growing attraction for the other man, even though he knows this guy isn't the staying type.

Rain Fisher doesn't take anything too seriously. He dances through life, one adventure at a time, never settling in one place for too long. When his hot, conveniently buff, neighbor shows up on his doorstep, dog in tow, Rain's determined to not just save the adorable puppy, but her reluctant owner as well. He never expects their flirtation might tempt him into stay put once and for all...

The former child star and wannabe action hero is the hottest thing I've ever seen. He's also a snarky party animal with legions of adoring fans and attitude for days.

Or so I thought.

The longer the film crew stays in town, the more I begin to wonder if Finn is hiding his true self, one that's as beautiful inside as out. He's a star alright, but the kind that shines bright enough to light up the night sky... the kind I want to make a wish on.

A wish Finn will find a way to make things work with me, even if it means his next role is my very own leading man.

***The first in a new series of standalone stories where our lovely men find their mates in the strangest of circumstances. It has to be Fate, right?***

Edward Rosen, level ten mage, hadn't reached the end of his tether – he was hanging from it. Talon - I cocked up. But it wasn't like my normal cock ups, which happen way more often than I'd like to admit; this was the cock up of a lifetime. I was feeling restless and frustrated, and decided to blow off a little steam with a random hookup in the bathroom of a gay club. That's not so bad, right? Well, it wouldn't have been, if my mate didn't choose that exact moment to walk in.

Yep, my mate, the man I'd waited my entire lifetime to meet, the one whom I was destined to love and protect for all eternity, caught me in the act with a stranger. Talk about a great first impression. And when I tried to approach him to apologize, he pepper sprayed me and ran away.

I can track him easily enough, but how do I explain myself when he won't speak to me? How do I show him that we're meant to be, or that I'm loyal and trustworthy when he probably thinks I'm just a dirty man-whore? Oh, and as if that isn't difficult enough, I need to tell him that I can turn into a lion. Time is running out to claim my mate and luck is certainly not on my side.

## Rookie Mistake (Sugar Land Saints)

**Author: Baylin Crow**

**The straight rich jock would never date his family's gay hired help, right?**

Colton:

Crushing on the town's star football player is a bad idea for a few reasons. One, Logan's straight. And has a girlfriend. That alone makes anything between us impossible.

Two, living in the guesthouse with my family on his parents' estate, I'm really just the unnoticed lawn guy. Our social status difference is night and day.

Those reasons are now irrelevant, because I'm determined to get over this pointless infatuation I've harbored for Logan Kelley for years. He's more of a jerk than I realized.

Logan:

There are three things people know about me. I'm a Saints tight end. My bank account stays fat with cash. I have a girlfriend, Jules.

What they don't know is that I'm gay, and Jules is actually my childhood best friend who's been doing me a solid in a mutually beneficial arrangement.

Colton Lockhart has been the one person I've wanted, but he doesn't know that. When I come home for a week during the summer, I'm ready to tell him and have it all planned out. Except I immediately blow my shot with him.

It's safe to say that although years of playing on the field have made me a seasoned athlete, in relationships... Well, I have zero experience in dating. Or anything else for that matter.

**I hope he'll chalk it up to a rookie mistake and give me another chance.**

Rookie Mistake is a low angst, high heat Sugar Land Saints novella that takes place where book three ended

## Galen (Sons of the Fallen Book 1)

Galen is charged with protecting humanity from dark forces. Cursed with Wrath, he's hot-tempered and spends his days fighting demons and trying not to kill his six brothers when they irritate him.

His number one rule? Never fall in love. But then he meets Simon, a clumsy human who asks way too many questions and is—unfortunately—a total demon-magnet, and he starts breaking his own rules.

What's inside the box, and why do the demons want it so badly? One thing is for sure... Simon can kiss his peaceful, ordinary life goodbye.

*Book 1 in the Sons of the Fallen series. A low-angst urban fantasy MM romance featuring a grumpy half-angel and the human he swears he doesn't like (he's lying), seven warriors representing the deadly sins, a seaside mansion where they all live, banter, a snarky demon, and a HEA.*

That's what I keep telling myself, but it doesn't make it any easier to sleep at night... or to drown out the words he kept repeating over and over the day we'd met: I just want to go home.

That was eight long years ago and I'd only known him as Billy, a terrified fourteen-year-old I'd had to leave behind to save someone else.

But his name wasn't Billy and he's no longer a frightened kid lost in a world where he was nothing more than a possession. His name is Remy, and while I didn't recognize him upon meeting him again, he sure as hell remembers me.

It would be easier just to turn my back on him a second time, especially since that's exactly what he wants, but there's no way I can let the tormented young man go. At least not without trying to make things right first. The problem is, even if I can make up for leaving Remy behind so long ago, I'm not sure I'll be able to walk away from him twice.

I don't know what that means, but I do know that it scares the hell out of me.

Because needing in my world comes at a heavy price... one that not even I can afford to pay.

He gave me hope when I'd had none left, but he forgot about me just like all the others...

I fight. That's what I do. It's who I am.

But when Luca Covello walked into the dark, dirty room my captors were keeping me in so long ago, I'd already decided to do the one thing I hadn't in the three years since I'd been taken from my home and family.

Give up.

Then he'd been there, like a bright light in a sea of darkness, and I'd had something new to fight for, to stay alive for... the day Luca came back to get me like he'd promised.

Except he never came.

And now, eight years later, he's decided he wants to play the hero and save me. Well, I don't need saving.

Not anymore... not ever.

Along with two years of sobriety under my belt, I've got a good job, a decent apartment, and I've managed to put my past where it belongs... in the past. No one,

not even the gorgeous, mysterious businessman, is going to mess things up for me. If he's come seeking forgiveness, I'm fresh out.

And if he's come seeking something else... well, let's just say that when I'm done with him, there's no way he'll forget me this time around.

***Author: Tal Bauer***

*It was just one moment.*

*It was just one mistake.*

For years, men have been disappearing. A father in North Carolina. A boater in California. A hiker in Arkansas. And more, scattered across the United States. The FBI knows who's responsible: a serial killer they caught, a man they sent young profiler Cole Kennedy to interrogate. But then the killer escaped, leaving the FBI in chaos and Cole's psyche in tatters.

Eight years later, Cole's life has changed. He's found the man of his dreams, and he's moved to Iowa to be with Special Agent Noah Downing, leaving the FBI's Behavioral Analysis Unit and the murderers behind.

Or so he thought.

An attack on the backroads of Iowa shatters the FBI, and in the aftermath, they uncover the signature of the last man they expect: the killer who got away. Now he's hunting Noah, and the BAU descends on Des Moines, sending Cole back on the psychological chase.

To catch the only man who has ever beaten him, Cole will have to delve inside the killer's mind. It's a place he barely survived before, and the deeper he goes, the more horrors await. And though Noah is ordered to back off the investigation, he won't leave Cole to face this darkness alone.

If Cole has any hope of saving the man he loves, he must unravel the killer's twisted profile and follow his trail of death... even when it leads him into the marrow of his worst nightmares.

## **Goal Lines & First Times (CU Hockey Book 3)**

***Author: Eden Finley***

### **COHEN**

It turns out making out with my best friend in high school could be considered gay. Who knew? Apparently, everyone but me.

Now that it's been pointed out, I can't help reliving it in my head. Repeatedly. Goodbye Denial Town, hello Confusionville.

When my path leads me down the gay dating app route, I don't expect to meet anyone I like, but then I meet him.

He can't be more opposite than me. He's smart, he hates hockey, and he identifies as demi—something I've never heard of.

Yet I can't deny something's there. Something I want to explore in person. If only I could get him to agree.

### **SETH**

All my life, I've felt broken.

Sick of being asked if I could be gay by ex-girlfriends, friends, and even my parents, I join a gay dating app to prove a point.

I don't expect to find what's always been missing. A real connection.

The problem is, I'm too scared to meet him in person. He's a hockey player, and I fear when he finds out my twin plays for the NHL, I'll be overshadowed by my overachieving brother. Again.

Worse yet, what happens if we meet and that connection isn't the same?

When I tell him I'm not ready, he's disappointed but supportive. Fate, on the other hand, isn't as accepting.

I had no idea the person I've been falling for is someone I already know.

## Head Games (Wages of Sin Book 3)

**Author: Neve Wilder**

*“You’re a vigilante in an argyle sweater.”*

Straight-laced psychologist Tobias is an expert in the deviant behavior of others but a novice when it comes to his latest endeavor: serial killer.

After years of high-profile kills and mentoring numerous other assassins, laid-back Soren lives his life in a state of semi-permanent vacation. He comes out of an early retirement to help out a friend, only to set off sparks with the renowned psychologist when they discover they’re hunting the same man.

One shaky truce and a whole lot of blood later, Soren has a new mentee in Tobias.

Soren finds Tobias and his dark impulses fascinating. Tobias finds Soren’s relaxed attitude infuriating. They have nothing in common except their ability to kill and chemistry neither can deny. But a kill list, a rage room, the Irish mob and the ghosts of their past all stand in the way of their happily ever after.

***Head Games is a steamy, thrill ride of a romance with a HEA and no cliffhangers. It features an uptight, sweater-loving psychologist with a taste for blood and a soft spot for his murderous yorkie, the most zen contract killer to ever mosey the earth, plenty of dark humor, and true love. Because even bad dudes deserve their soulmates. This is book 3 in the Wages of Sin series. Each book follows a different couple.***

## Celebrating Sanctuary (Magical Mischief at the B&B Book 5)

**Author: Susi Hawke**

**Sanctuary B & B—Our wards are strong and our door is open!**

Hey, y’all. It’s me, Darcy Valentine. I’m still enjoying a fabulous, never-ending first date with my sexy vampire boyfriend Storm. Can you believe we’re celebrating a year together? Yep, we go together like toast and jam. He’s still helping me with the B&B I run inside the warded walls of the quirky, ancestral castle I call home with the rest of the special family my mama and I built with the motley group of weirdos who live here with us.

Lordy, do I ever have a crazy tale for you this time. I’m a huge fan of not just Storm but so many other authors. Imagine my thrill when Storm gets the invite to appear at a reader con right here in Austin. You only know I have to go with him, right? It’s the perfect way to celebrate things getting back to normal, our first

anniversary, and... did I mention there'd be book signings?

Just one thing... Nobody told me these conventions can be deadly. Life-changing, in fact. Remember how I said I'm a huge fanboy? Y'all... I ain't got nothin' on the Storm Chasers. Who are they, you ask? Ha! Have a seat. This one might take a few to tell.

*This 24k novella is the fifth and final book in the Magical Mischief at the B&B series. This book does not contain mpreg, and if you're looking for serious literature, this ain't it. But if you want to laugh so hard you'll wake the neighbors, this should get you there. There might be a few tears this time, but it's mostly full of all the fluffy, happy feels you'd expect from a Susi Hawke book. It could also be a choking hazard due to a ridiculous amount of awful jokes, so maybe don't eat or drink while reading, okay?*

Anson  
I've always known I'm gay, but never acted on it. Pretending isn't easy, but it means I can keep playing football. No one has ever guessed my secret until the gorgeous man at a bar in DC. At least he doesn't know who I am—the best tight end in the NFL, playing for the Atlanta Lightning. Though my identity doesn't stay a secret from him for long.

Between texts and late-night phone calls, we get to know each other. West's the only person who knows all the parts of me, just like I know his. ## **Hitman Daddy (Russian Protectors Book 1)**

## **Ben's Boss: Maine Men, Book Two**

**Author: K.C. Wells**

*"Pearson's a common name."*

*"It can't be him."*

*"God wouldn't be that cruel."*

**A painful history**

Walking into the job interview confirms Ben White's worst fears. It's been eight years since high school, yet he can still recall Wade Pearson's taunts.

There's always a chance Wade isn't the same homophobic asshole Ben knew. Yeah right.

Except the boy Ben remembers has grown into one seriously hot, brooding man. In another life, Ben would have climbed him like a tree. Wade's gaze still makes Ben shiver – although now for entirely different reasons.

### **A secret longing**

As soon as Wade read Ben's application, he knew he had to see him. Ben's still as gorgeous as Wade remembers. It's obvious he doesn't expect to get the job, given their history.

But Wade has an agenda. He has to make it up to Ben for treating him so badly – not that Ben will ever know why he acted like he did. Seeing him every day only heightens Wade's regret. If he'd had more courage back then, maybe he and Ben could have been something.

The least he can do is show Ben he's changed.

There's no way Wade can get what he really wants – Ben's heart.

## Worship (On My Knees Series Book 1)

**Author: Ella James**

**Book One in an epic, forbidden MM romance duet from USA Today Bestselling Author Ella James...**

You think you know me.

That's the way I want it.

Making you feel like we know each other--like we could go grab a beer sometime--is part of my job. Maybe the most vital part. It doesn't hurt that I'm easy on the eyes, single at 35, and born richer than sin.

My aesthetic matters much more than it should, but all the better for my worthy cause.

And it's a worthy cause. I've made an art of making you feel good, and my influence makes you want to be good. Good like me.

You think you know me, but you don't.

Everyone has secrets. Mine could cost me everything. So I'm a fortress. No one's ever gotten close.

Until tonight.

See that man, the tall guy dripping on the bow of my yacht? The one I just pulled from the ocean?

He's the one who's going to cost me everything.-----

Find out why reviewers are raving about the bestselling On My Knees Duet...

## The Single Dad: Red's Tavern, Book 4

**Author: Raleigh Ruebins**

**As a newly single dad, I had hard rules. And a sensitive, smoking hot military vet is breaking every last one....**

I've always had everything figured out. Dream job? Check. Three beautiful kids? Check. Married my high school sweetheart? Check.

...Until my marriage fell apart. Now I only see my kids for half of each week, and for the other half I'm left alone in my big, empty house, figuring things out all over again in my thirties. My rules were simple: no hookups for two months, no dating for a year, and nobody meets my kids.

I blew right through that first rule with Luke.

He's got deep eyes, beautiful tattoos, and a big, wounded military vet's heart. At night I'm also chatting online with a guy that feels kind of like home, but is totally off limits. I find myself wishing... hoping?... that he might even *be* Luke.

Before long Luke is flexing his handyman skills, helping me fix up my house and transform my life into something that feels like home again, too.

We have baggage the size of mountains, and pasts that haunt us.

But we both know that nothing is serious... so what's the harm?

## Messy Love (Stumbling into Love Book 3)

**Author: Riley Hart**

**Danny**

I'm not a guy who's looking for a serious relationship. I love the chase, and the one time I thought I wanted more, the guy bailed. When my buddy Will mentions his recently out, older brother is looking for a place to stay, I offer the spare room in my apartment. It's clear Jonathan's past did a number on him, and he's locked up tight. I make it my mission to show him how to have a little fun. What I don't expect is to start to like him...or get jealous when he goes on a date...and hooking up with him is a terrible idea...right?

## Jonathan

When Dad caught me kissing a boy as a teenager, he made it clear such behavior was unacceptable, and I've been messed up about it ever since. I'm over thirty, yet from Danny's viewpoint, I'm a *baby gay*, which should be more annoying than it is. He's got me playing on a queer baseball team, making friends, and wanting things I never thought I'd want, like pursuing my art—and him. I definitely want him.

Problem is, I can't get rid of the unwanted voices in my head, my relationship with most of my family is a disaster, and every time Danny touches me, I come apart, finding myself wanting more. Danny doesn't do relationships, he's my brother's friend, and I have a slew of hang-ups. All of this makes things...*messy*.

So then why can't we keep our hands off each other? Why is he taking me on dates and looking at me like we could have more? To get there, we'll need to put our pasts away for good, and have a lot of trust, not just in ourselves, but each other.

## Sweet as Honey: An Aster Valley Novel

**Author:** *Lucy Lennox*

When I rode my bike into Aster Valley, it was supposed to be temporary. A quick, relaxing visit with friends. No entanglements. Zero drama.

But then I saw the bumblebee being harassed on the side of the highway.

More specifically, I saw Truman Sweet, Aster Valley's resident botanist, spice merchant, and bee-costume enthusiast, being harassed. And the second I got involved, all my plans for a quick departure scattered like pollen on the breeze.

It turns out that Truman—adorkably shy, relentlessly sunshiny, hot as all heck, reluctantly-still-a-virgin Truman—has secrets. Secrets someone in this charming small town doesn't want brought to light. Secrets that rouse every one of my protective instincts just as surely as his kisses rouse... other parts of me.

And before I know it, I'm thinking being entangled might not be so bad... if it's Truman I'm tangled up with.

I'll do whatever it takes to protect Truman from the dangers in his past, but after a lifetime of loneliness and disappointment, how can I possibly convince him to trust me with his future?

## Lost and Bound (Mismatched Mates Book 6)

**Author:** *Eliot Grayson*

Kidnapped, imprisoned, and experimented on for two years, Jared Armitage has lost the will to live. When his captors give him to another prisoner, one who can and probably will take Jared's life, he comes face to face with the most terrifying thing of all: hope.

Calder's warlock captors meant to turn him into a monster, and they nearly succeeded. Starved, desperate, and filled with rage, Calder hasn't cared about anyone in years. Until Jared. Together they have a chance at escape and Calder has someone to fight and kill for. To cherish. Someone he doesn't want to hurt.

Life after captivity isn't easy. Jared never wanted a mate like Calder, but he craves Calder's intense attention, his ability to take Jared apart...and then put him back together again. Even if their mate bond is only temporary.

But Calder's made a promise—one he'll die before he breaks—never to hurt Jared or let him be hurt. Unexpected enemies are lurking, targeting Jared, Calder's one weakness. Their intense bond—and maybe even love—are worth everything, and they're both willing to fight for it...or die trying.

*Lost and Bound contains dubcon and graphic violence. It also includes a monster who torments his mate by being too gentle, the werewolf who can't stop craving him, and knotting—and a guaranteed HEA. The book has new main characters, but it is best read in series. This series does not contain mpreg.*

**Cinnamon Spiced Omega** — Christian is an alpha who can't help but be drawn to the homeless, pregnant omega he literally bumps into in the alley behind his shop. Liam is fighting to survive and afraid to trust another alpha. A little angelic help from the stogie smoking, crusty old man who keeps poking into their lives nudges these two together.

**Peppermint Spiced Omega** — Omega, please. “Ginger boy” Tom is a flamboyant omega who prefers to speak in the third person... partially because Tom loves drama, but also because Tom has suffered major pain in the past that he prefers not to think about, thank you very much. When he meets Colin, aka his hot alpha daddy, Tom is smitten. A surprise from the past helps heal Tom's heart, with a little help from a kooky elf named Tofer, a little ginger-haired girl who will steal your heart, and an alpha who is Tom's perfect match.

**Champagne Spiced Omega** — Cecil is not your average omega, and he definitely does not have any plans to ever have one of those sticky fingered, screaming little womb rats of his own. Playboy alpha Ian goes home with him for a night, then sticks around to help when Cecil suddenly finds himself the guardian of a newborn infant. Two guys who never thought past a one-night stand discover that falling in love is the ultimate adventure.

**Chocolate Spiced Omega** — Sometimes what happens in Vegas doesn't always stay there. Kent is happy to see the omega again who slipped out after their one steamy night together... until the little recipe thief starts stealing business away from the candy shop he works for and pulling them across the street to his snooty French bakery. Pierre is a single dad with zero desire for an alpha. Lovers to enemies to... making a family? This book will leave you smiling and cheering for this stubborn couple who need more than little help from Amor, a chubby hippie who may not be quite as simple as he seems.

Bonus Short:

**Strawberry Spiced Omega** — Dr. Hank and Ezra are like ships passing in the night. They could be great together, but the timing just isn't right. A surprise pregnancy and a little help from Amor is the only thing that can save this pair who might just find they're each other's perfect match.

*These books are all intended for 18+ readers only. They contain adults adulating in naughty, knotty ways and occasional potty mouth language that might make a sailor blush. Keep an eye out for supernatural characters, businesses with a serious innuendo naming issue, and enough feels to make the grinch himself reach for a tissue. This bundle contains five books and one short story for over 125,000 words of sweet fluffy heat. Possible triggers for mentions of past sexual trauma, abuse, and a sick child who's fighting for her life.*

## Foreseen: Lex (The Four Book 2)

**Author: Sloane Kennedy**

LEX

**Even if I wasn't losing my sight, I never would have seen him coming...**

I've known my fate for years, but I wasn't willing to accept it. But as the light in my eyes dims a little more each day, I have no choice but to adapt.

Or not.

The secluded cabin in the north woods of Maine is supposed to be an escape... a place where I can figure out how to move forward with my life... to find out if I even can.

But then he shows up and suddenly I'm facing a new fight...

GIDEON

**He wants to be left alone? Fine by me. But I'm not going to watch him just give up...**

Wanting to be left alone, that's something the guy and I have in common. But that's about it. As far as I'm concerned, he's just another rich city boy playing at living off the grid for a while. He's got no idea what it really means to be alone.

My job is to take care of the cabin he's staying in and that's it. It doesn't matter that I can't stop thinking about why he looks so damn broken or wondering why he stirs something inside of me I thought long dead.

But try as I might, I can't stay away from him, just like I can't watch him give up on himself. He may be losing his sight, but I won't let him lose himself.

I won't let him become like me...

\*\*\*Although this book is part of a series, it can be read as a stand-alone\*\*\*

## Power Plays & Straight A's (CU Hockey Book 1)

**Author: Eden Finley**

**FOSTER:**

"Look out for Zach and don't hit on him."

My brother's request sounds easy enough. Keep an eye out for his best friend on campus and keep my hands to myself.

Easy.

Even if Zach is a quintessential nerd, who I've always thought was cute, I don't have the time to think with my ... stick.

There's only one stick I should be focused on this year, and that's my hockey stick. My goal once I graduate is to get an NHL contract.

The last thing I need is a distraction. On or off the ice.

Only, keeping to the rules is harder than I thought it would be.

**ZACH:**

People confuse me.

And no one more than Foster Grant.

I've barely spoken two words to him in the whole time I've known him, but the second I step foot on campus, he's impossible to shake.

I can never anticipate his next move. And whenever we're together, my next move is a total mystery as well.

## Brave Boy (Perfect Boys Book 2)

**Author: K.M. Neuhold**

**As long as LonelyDaddy is on the other side of the computer screen, there's a chance he could be the man Emerson has been dreaming of.**

I've gotten used to being alone, to disappearing inside the fictional worlds between the pages of a book and letting my lonely life fade away. Books have never judged me for the stutter I can't control. Books have never abandoned me. Books have never let me down. Then again, books have never hugged me or told me they loved me either, so my plan is far from perfect.

The first time I lay eyes on the tall, red-haired Kiernan with a beard for days and shoulders made for scratch marks, I wanted to crawl onto his lap and call him Daddy. The only problem is, I can never seem to string two words together around him... Heck, I'd be happy to manage to get even one word out, like maybe "yes," preferably over and over again.

I thought making an online dating profile would be the hardest part, but it turns out getting up the courage to meet the man I've been messaging is even more difficult.

Could LonelyDaddy be Kiernan? And if he is, is there any chance he'll want to keep me? Can I be his brave boy?

\*\*\*Brave Boy is the online love-sweet, ginger Daddy—totally swoony—second book in the Perfect Boys series and can be read as a stand-alone.

## Right as Raine: An Aster Valley Novel

**Author: Lucy Lennox**

**Tiller:**

As the first openly gay professional football player, I can't afford to make any mistakes, on or off the field. And the absolute biggest mistake I could make right now would be to fall for Mikey Vining, my best friend, employee and, more importantly, Coach's baby boy. I might fantasize about Mikey at night—*every* night—but actually touching him would be a serious personal foul.

And falling for him? That's completely out of bounds.

**Mikey:**

I've learned my lesson about falling for one of my dad's players. They're a bunch of spoiled jocks with more muscles than brains. I've spent years learning to keep my eyes, and my hands, to myself. But resisting the temptation becomes nearly impossible when Tiller Raine and I end up together in a small cabin in a remote Colorado town.

Suddenly, there's not much to do but look at each other. And talk. And hopefully, *hopefully* touch.

But what happens when our stay in Aster Valley is over and it's time to return to the real world? Will Coach blow the whistle on our relationship? Or will Tiller admit there might actually be something he loves more than football after all?

## **The Eagle Soul (The Soul Stones Book 7)**

**Author: Amy Sumida**

**Everything changed the day a faerie fell into my tomatoes.**

I thought I had my life planned out. My farm was prosperous, and I was on the verge of proposing to my childhood sweetheart. I'd have a family. A normal life. And then the Eagle Lord crashed into my crops—a giant bird with a broken wing. I foolishly tried to save him from the monster who was stalking him, and he repaid me by giving me immortality. Sounds good, doesn't it? Except immortality isn't free, even when it's a gift. Taryn Savagas wants me to fight beside him. To give up everything I have and everything I am to be his valorian. A weapon to end the Farungal War. No, thank you; I'd rather fight a drought than the Farungal. Even the searing hot passion that ignited between us—forbidden desire that I've denied my entire life—can't sway me. Sex isn't worth dying for. But the Eagle Lord has the stubbornness of a mule and the attitude of an ass. To secure me as his valorian, he'll do anything, even jeopardize the bond that's been forged between us. All he cares about is ending this war, and if I continue down this path with him, I have a horrible feeling that my heart will become collateral damage.

Trigger Warning: This book contains scenes of bondage that may upset some readers.

**“This love story is heartrending, swoon-worthy, and extremely well-told.” — Publishers Weekly, starred review**

*A man who's been moving his whole life finally finds a reason to stay put.*

Charlie Matheson has spent his life taking care of things. When his parents died two days before his eighteenth birthday, he took care of his younger brother, even though that meant putting his own dreams on hold. He took care of his father's hardware store, building it into something known several towns over. He took care of the cat he found in the woods...so now he has a cat.

When the man comes in for the fifth time in a week, Charlie can't resist intervening.

Rye Janssen has spent his life breaking things. Promises. His parents' hearts. Leases. Not everyone listens.

So far this place is different. There has been a warm bed and soft clothes. There's filling food and, blessings indeed, a hot shower. For once he is clean, and Micah, when he curls around him, doesn't smell like dirt and sweat and tears.

## The End Zone (Atlanta Lightning Book 2)

**Author: Riley Hart**

### Jeremy

Seeing my best friend West, happy with his fiancé opened my eyes to things I've been missing in my own marriage. My divorce, which was amicable, followed. Strangely, at West's wedding, I find myself confiding in Darren, the straight, confirmed bachelor and star quarterback of the Atlanta Lightning. Darren is a *full-steam-ahead* kind of guy, and one talk leads to hanging out, swapping phone numbers, and pranking West and Anson while they're on their honeymoon. When I head back to California, I expect our chats to end, but I couldn't be more wrong.

### Darren

I still can't say how it happened, how a random decision to strike up a conversation with Jeremy turned into...whatever this is. All I know is, months later, my days aren't complete until we tell each other good night. Whether it's on our calls or when he flies to Atlanta, we talk about everything, lying awake together half the night. Jeremy's got me feeling...*different*. If it was just my newly discovered bisexuality, that'd be one thing. I'm not one to stress about being into a man for the first time. It's the other stuff, the way he makes my pulse race and my heart swell, that's throwing me for a loop.

I didn't think I was made for relationships, thought something inside me was broken, but I want it all with him. Except, it feels like as soon as we make it past one obstacle, there's an even bigger one waiting for us. We just have to keep our heads in the game and our eyes on the prize, to make it to the end zone, before one last tackle takes us down for good.

## Reservation (Rent A Spouse Book 3)

**Author: Jason Collins**

### THOMAS:

Status: single dad—for the rest of time. After my ex-husband up and left, I take a full-time job as a rent-a-spouse in a mountain town. It keeps the bills paid, my daughter and I afloat, and our life uncomplicated.

But then there's my gorgeous boss, Palmer.

He's rugged and great with his hands—and I'm doomed. When a fire leaves my daughter and me homeless, he brings us in with no questions asked. I could fall in love with this man, but it would upend our world if Kelly and I were abandoned again. Trusting once is hard, but trusting again can wreck you.

### PALMER:

My hands are always full, but my personal life is empty. I built this big house and all the furniture in it, but when I return from my woodworking shop at the end of the night, it's too quiet. Nothing but echoing rooms and an emptier bed.

Then I meet my rent-a-spouse, Thomas.

I wasn't expecting intimacy, but Thomas is single and downright seductive. When an apartment fire displaces him and his adorable daughter, I offer my house as a place to stay. The three of us share the same roof, and as Thomas and I grow closer, I know I want this life forever—but he's holding back. His walls are so high I wonder who hurt him, and how I can convince him I won't do the same.

*This is the third book in the Rent A Spouse series. It can be read as a standalone with no cliffhanger.*

## Face Offs & Cheap Shots (CU Hockey Book 2)

**Author: Eden Finley**

**JACOBS:**

For the last three years, I've lived and breathed hockey with one goal: team captain. There's only one thing standing in my way.

TJ Beckett.

Beck is irresponsible and immature, and I've hated him since the moment we met freshman year. Yet, the coaches see something in him I obviously can't, and they refuse to choose between us.

The captain spot is going to a team vote.

And the team thinks that what we need are a bunch of challenges to prove our worth. Challenges that have nothing to do with hockey. Challenges that are throwing me and Beck together.

And he's still as infuriating as ever.

**BECK:**

I have no idea why Christopher Jacobs hates me, and I can't say I care.

I like pushing his buttons, but the guy needs to loosen up. I'm going to win these stupid challenges easily and spend my senior year as hockey king on this campus.

Tormenting Jacobs at the same time will just be a bonus.

Even if I'm getting confusing feelings toward him, I won't let it hold me back.

When it comes to competing, I'm all in, and nothing will get between me and the W.

## Muscle and Bone

**Author: Mary Calmes**

You belong to me and I know it down deep, in muscle and bone, where my wolf lives.

Avery Rhine isn't an average homicide detective with the Chicago PD. In fact, Avery isn't an average anything. Sure, as an omega he knows he's at the bottom of the food chain, but that's never slowed him down. He's got a great life, complete with a loving family and a best friend who'd take a bullet for him, so what more could he possibly want or need? Except, maybe, for the world to change. And to find someone to spend more than one night with, but that isn't high on his list of priorities. He's never been one to believe in destiny or whatever else the fantasies sell about there being someone special out there meant just for him.

Then a chance encounter at a party changes everything.

Graeme Davenport has no delusions about finding his true mate. The consensus is that if an alpha doesn't find their other half by the time they're thirty, the chances of it ever happening go from slim to none. He's not a mere alpha, though; Graeme is a cyne who sits at the pinnacle of lupine hierarchy, so he's obligated by tradition and duty to choose an omega now, sign a contract, and bond with him. Love is not part of the equation.

When Graeme and Avery meet, their fierce attraction to each other flies in the face of reason and logic. Avery's intense physical reaction to the alpha is something he's never experienced before, while Graeme, who has always been the soul of discretion, loses all his inhibitions to desire for the man he wants to possess. They are two very different men trying to navigate expectations, separate reason from innate primal drive, and do it while working together to solve a murder.

It will take everything they are to find a middle ground, and to learn to trust in a fated kind of love.

## Reckless (Leather & Chrome Book 1)

**Author: Kiki Clark**

**Ride hard. Love harder. Live recklessly.**

Tank is done with his old life. All it's brought him is trouble and misery in the form of a four-year prison term. Though he did find one good thing while behind bars: Charles "CJ" Crane, pen pal extraordinaire.

After months of exchanging increasingly personal letters, Tank knows exactly where he's headed as soon as the prison gates open. CJ doesn't know he's coming, and he's not sure what he'll say when he gets there, but he knows one thing for certain.

The promises he and his boy made to each other in their letters may have been reckless, but he's willing to risk everything he's got on finding out if what they have could be real.

*Reckless is the first book in the Leather & Chrome series and features a motorcycle club's annual charity ride, a possessive biker whose new favorite color is pink, a twenty-four-year-old overly eager to experience his first time, and an excessive appreciation for perfectly lined tattoos.*

## Sorcerers Always Satisfy: A Hidden Species Novel

**Author: Louisa Masters**

*Just because I enjoy planning and researching doesn't mean I'm not the most dangerous badass mothercracker around.*

The world sees me as boring, dependable David. And I like it that way. I *know things* and I'm *organized*. Plus, I've seen firsthand the harm a chaotic life can inflict, and I'd rather have my lists and be called dull.

Which is what makes it all the more disconcerting when a sexy elf declares his adoration and begins to "woo" me. What am I supposed to do?

Hide, mostly. It's hard, though, because Caolan and I are supposed to be working together. And he's tough to resist: sweet, competent, and so incredibly beautiful. He sees something in me that no one else does. Would it really be such a bad thing if I gave in to temptation?

But my personal life can't be the priority right now. The bad guys are gearing up to strike, and if we don't stop them, the end of the world could be nigh. I need to focus on that, not on letting Caolan show me the benefits of spontaneity. Why don't world-ending disasters come with an instruction manual?

Chef Jake Casey has never been what you'd call *liked*. By anyone. He was the odd outcast son of the town drunk and he's spent his adult life doing everything he can to be nothing like his father. If that meant stomping on a few dozen toes on his way to the top, so be it.

When he lands a new job on the other side of the country, Jake decides he's going to change.

No matter where I go or who I meet, I can't let Tanner go.

I'm back to tell him how I feel. To get the closure I need once and for all.

Only now I'm here and falling for him all over again, it's getting harder to say the words.

And this time it will be for good.

## **Zone of Action (Legends of Lobe den Herren Book 2)**

***Author: AJ Sherwood***

Ren's homecoming wishlist includes:

- Arman not bashing everyone's heads together (at least not without him)

- Getting the fortress built before the Mongs attack (not at the rate they're going with all the thefts happening)
- Going home without incident (also, again, not likely)

What it did not include was:

- Social reform
- A child
- A raiding party
- Arman actually using his words

Life once again proved reality is better than fantasy, and Ren couldn't be happier.

Except for the Mongs. He could do without the Mongs.

## Feral (The Wrong Alpha Book 2)

**Author: Alessandra Hazard**

**Sometimes kissing the Beast doesn't turn it into a Prince Charming—instead, he's a charming prince you want to punch...**

Jules is an ordinary nineteen-year-old omega from a perfectly respectable family. He's not the most beautiful, or the smartest, or the strongest of the four Blake siblings. And he's fine with it, really. He isn't ugly or anything, but by omega standards, he's nothing special. "Nothing special" describes Jules's whole life. It's utterly boring.

So when strange things start happening in their house, it piques Jules's curiosity. There's a beast in the Blake family mansion; Jules is sure of it. He sometimes hears growls and screams coming from the basement, and the men guarding the door look positively terrified.

What could terrify grown alphas? Jules will have to investigate!

But his investigation comes with surprises...like the Beast's overwhelming effect on Jules's omega nature. It doesn't mean anything. Of course it doesn't. Jules is just curious; that's all.

Curiosity can change a life, but when you're attracted to a feral alpha whose real face you haven't even seen...will it change for the better? What if the Beast is no Prince Charming but a cold-hearted, cynical bastard? A bastard Jules shouldn't want—but does. A bastard Jules should stay away from—but can't.

*This novel is a steamy alpha/omega enemies-to-lovers MM romance with a happily ever after. While mpreg exists in this world, it is only mentioned and does not appear on-page. This book can be read on its own or as part of the series The Wrong Alpha.*

## Coldburgh Train Station: RIPP (Researchers In Paranormal Phenomenon) Book 1

**Author: Michele Notaro**

***Do you hear bumps in the night? Get unexplained chills? Feel like someone's watching you when you're all alone? Don't stay scared! Shoot RIPP a message for all your spooktacular needs!***

*Dane*

I only go along with Rory and Thad's crazy plan of checking out an abandoned train station because they seem so excited, and I honestly don't care what we do for our film class project. Transferring colleges was supposed to be my escape from reality, anyway, so there's no harm in doing a little ghost hunting, right? It's not like we'll find anything. I really just want to go through the motions, but these guys have a way of making me care—ugh. Even Rory's older brother is able to get under my skin in ways I wish he couldn't. I should stay away, but his sweet and caring nature keeps pulling me in—damn him.

*Brooks*

Helping Rory and Thad with RIPP is just something I do to spend time with them. Bless their little hearts, they really believe in ghosts and are determined to prove it to the world. When Dane gets assigned to their group for their class project, my worry they won't need me anymore is overshadowed by my desire to spend as much time as possible getting to know the mysterious new man. I get my wish when we have an encounter that seems... unbelievable. As scary as it is, my life becomes less aimless when Dane and I team up to protect my brother and his best friend when they insist on returning to the train station again... *and again.*

What happens when two men experience something no one else sees? Can they stay alive long enough to fall in love or is seeing what lives at Coldburgh Train Station the beginning of the end?

*Coldburgh Train Station* is book one in the *RIPP* (Researchers In Paranormal Phenomenon) series. It's a 93K word standalone MM romance with spooky fun, cute guys, apparitions, a hyper younger brother that won't stay away from the coffee pot, a friend that cares way too much about his tan, spirits, a crazy mom, amazing friendships, love, and did we mention ghosts?

Intended for audiences 18 years and older.

## The Alpha's Warlock (Mismatched Mates Book 1)

**Author: Eliot Grayson**

**Cursed, mated, and in for the fight of their lives...**

Warlock Nate Hawthorne just wants a cup of coffee. Is that too much to ask? Apparently. Because instead of precious caffeine, all he gets is cursed by a pack of werewolves who want to use him for his magic. Now the only way to fix the damage is a mate bond to a grumpy and oh-so-sexy alpha in the rival pack, who happens to hate him. This is so not how he wanted to start his day.

Ian Armitage never intended to take Nate as his mate. The Hawthorne family *can't* be trusted. Ian knows that better than anyone. The fact that he's lusted after the way-too-gorgeous man for years? Totally irrelevant. Ian's just doing what is necessary to protect his pack. This whole mating arrangement has nothing to do with love and never will. That's his story and he's sticking to it.

Nate and Ian will have to work together if they have any hope of staving off the pack's enemies and averting disaster. That's assuming they can stop arguing (and keep their hands off each other) long enough to save the day...

*The Alpha's Warlock is an explicit M/M paranormal romance featuring a snarky warlock, a brooding alpha werewolf, knotting, enchanted socks (long story), and a guaranteed happily ever after. This series does not contain mpreg.*

## Off Key (Whispering Key)

**Author: May Archer**

I'm about to sing you the saddest song in the universe, and it's called "The Man of My Dreams Married My Sister."

It's kinda my theme song. And trust me when I tell you, it's heavy on the violins.

Because the man in question? He's not just any guy, he's *Rafe* freakin' *Goodman*.

My former best friend.

The boy who made my summers on *Whispering Key* magical. The guy who inspired every love song that led to the chart-topping music career I have today. The man I always sort of figured would wait for me, while I pursued my dreams and finally found a way to tell the world I was gay...

But instead of waiting, he married Aimee.

Rafe and Aimee's marriage has been over for a while now, but it doesn't really matter. He doesn't love me even though I feel like I'll love him until the day I die. Trying to be "just friends" would tear me apart.

We're a broken chord. A blue note. Hopelessly out of tune.

Or so I thought.

But when circumstances throw us back together on a crazy cross-country road trip, suddenly all kinds of secrets come to light that make it seem like maybe our show's not over yet.

If I want a life with the man of my dreams, though, I'll have to be honest--with Rafe and the rest of the world, too--and find the courage to write us a new song.

One that's exactly like us: perfectly imperfect... and a little off key.

He left at eighteen and has made a home for himself at Animals, the kind of life he never had growing up. He has a job he loves and lives in a tightknit community filled with other shifters and their growing families. He has everything he longed for...everything except a family of his own. But who would take him as a mate? He's nothing but an overgrown rodent, something his former pack reminded him of daily, only the beer-drenched wolf is looking at him as anything but.

**It all started with a blind date...** Alpha and wolf shifter Shawn left the pack where he'd spent his entire life for a job that was everything he ever wanted—or so he thought. Now, stuck in a dead-end job in a climate he doesn't love, without a pack, Shawn is second guessing all of his decisions. When a coworker invites Shawn to Animals for one of their must-attend events, he reluctantly agrees. But my body is telling me a completely different story...I just don't know if I can afford to listen.

**Axel:** Everyone at Nocturne calls me Glam, but there's nothing glamorous about me. I've got a pretty good life, which is saying something considering how it used to be. ## **PUSH**

**Author: Nyla K**

To the unassuming observer, Ben Lockwood is your typical, suburban dad. Aside from the fact that he's only thirty-six and his daughter is a sophomore in college. He and his wife, Jessica, had their only daughter, Hailey, when they were in high school. So you can imagine the unease Ben is feeling when said daughter brings her new boyfriend home for Thanksgiving... To stay, in their house, for the whole weekend.

Ryan Harper, otherwise known as The Boyfriend, is every dread Ben's ever had in his daughter dating come to fruition. There's nothing wrong with Ryan. He's polite, smart, and charming... He doesn't have any neck tattoos or facial piercings, and he drives a BMW. But still, he's dating Ben's daughter. That makes him a threat.

It's in Ben's best interest to keep an eye on the kid. You know, to make sure there's no funny business going on under his roof. Unfortunately for him, the tension in the house is less about Ryan being his daughter's boyfriend, and more about him being a strangely intriguing human.

And soon enough, Ben can't tell if he's watching Ryan to protect his daughter's innocence, or obliterate his own. It seems like the boring married-guy image isn't going to hold up for long... Not after this bizarre, life-changing weekend.

What are these new, strange feelings and desires? Where did they come from? And why do they have to center around what belongs to his daughter?

Ben and Ryan's situation couldn't get much more complicated... Until Jessica steps into the mix.

An unexpected push is all it took for their lives to change forever.

\*\*\*PUSH by Nyla K is a label-free HEA love story. It contains infidelity triggers, which do work themselves out, so I urge you to give it a shot. MM turns to MMF, in a very steamy, unexpected romance that will make you laugh, maybe cry, and definitely swoon. The theme of love is love is key here, so there aren't many defining, or coming out moments. That being said, this book does explore male-male bisexuality, pansexuality and polyamory, but in a very casual, unassuming way. If MM and MMF are not your cup of tea, then steer clear. However, if you're looking for an open-minded tale of taboo and forbidden romance that ultimately works out for its characters, then this book is for you!\*\*\*

## **Obsession (Rent A Spouse Book 2)**

**Author: Jason Collins**

**JOSH:**

My love life is on the backburner—or so I thought. I moved to this small town to escape my overbearing ex, and I became a rent-a-spouse to pay the bills. But I didn't plan for Keaton, my ridiculously handsome new boss.

I'll be Mr. Thornhill's husband any day of the week.

Keaton's attracted to me, too, and he wants a real relationship. Our chemistry is too strong to ignore and being in his arms makes me feel safe again. But when my ex reappears and won't stop harassing me, I'm tempted to run. Except that would mean leaving Keaton behind.

**KEATON:**

It all started when my new rent-a-spouse walked through the door. Josh is charmingly soft-spoken, witty, and full of mystery. I needed someone to cook, clean, and make the house a little less lonely in this mountain town. Instead, my new "husband" has the physique of an underwear model.

I'm not complaining.

Around Josh, I'm happier than I've ever been. He's addictive, and our relationship becomes more than just a contract. But Josh carries a sadness in his eyes I can't explain, and he refuses to talk about his past. If he won't let me in, I can't protect him from the ghosts that still haunt him.

*This is the second book in the Rent A Spouse series. It can be read as a standalone with no cliffhanger.*

## **The Ghost in the Emerald Cabin: RIPP (Researchers In Paranormal Phenomenon) Prequel**

**Author: Michele Notaro**

***Wanna check out early? Blame the ghost. Get your money back? Sure, ghost. Imagine your best friend naked? Yeah, ghost—no, wait a minute.***

When my best friend, Tate, called a few years ago to ask me to help him run the Narrow Peaks Ski Resort, I jumped at the chance. Skiing is one of the things I'm most passionate about—that and pretending not to notice how hot Tate is. This is my dream job, but never in a million years did I think I'd be fielding demands

from guests trying to check out early because they claim their cabin is *haunted*. I can't deny how creepy some of their stories are, though.

Even while being spooked every time I turn around, I can't seem to keep my eyes off of Tate. The guy that put me in the friend zone years ago. *Kill me now*.

When the two men end up sharing a cabin together, will they finally take a chance on each other? Or will the dangers inside break them for good?

*The Ghost in the Emerald Cabin* is a prequel in the *RIPP* (Researchers In Paranormal Phenomenon) series. It's a 21K word standalone MM romance novella with creepy fun, two guys who are completely clueless, icky ski hats, a spooktastic cabin, snowballs, and don't forget there might be a ghost!
