

Infinite

Author: Brian Freeman

From bestselling author Brian Freeman comes an explosive new psychological thriller that pushes the limits of reality as we know it.

One rainy night, the unthinkable happens: Dylan Moran's car plunges off the road into a raging river, his beautiful wife drowning as he struggles to shore.

In the aftermath, through his grief, Dylan experiences sudden, strange visions: wherever he goes, he's haunted by glimpses of *himself*. Dylan initially chalks it up to trauma, but that changes when he runs into a psychiatrist who claims he's her patient. She says he has been undergoing a unique hypnotherapy treatment built on the idea that with every choice, he creates an infinite number of parallel universes.

Now those parallel universes are unlocked—and Dylan's doppelgänger has staked a claim to his world. Can Dylan use these alternate realities to get a second chance at the life that was stolen from him? Or will he lose himself...to himself?

The Midnight Library: A Novel

Author: Matt Haig

"A feel-good book guaranteed to lift your spirits."—*The Washington Post*

A *New York Times* bestseller | Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick!

"Between life and death there is a library, and within that library, the shelves go on forever. Every book provides a chance to try another life you could have lived. To see how things would be if you had made other choices . . . Would you have done anything different, if you had the chance to undo your regrets?"

A dazzling novel about all the choices that go into a life well lived, from the internationally bestselling author of *Reasons to Stay Alive* and *How To Stop Time*.

Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better?

In *The Midnight Library*, Matt Haig's enchanting new novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

Two Novels of Far-Future Apocalypse: The Winter of the World and Twilight World

Author: Poul Anderson

Experience the end of the world as we know it in two classic novels from "one of science fiction's most revered writers" (*USA Today*).

Now in one volume: two post-apocalyptic adventures from the visionary mind of Grand Master of Science Fiction and Hugo and Nebula Award-winning author Poul Anderson.

The Winter of the World

A second Ice Age has destroyed civilization. From its ruins arises the powerful Rahidi empire, bent on seeking world domination and leaving devastation in its wake. But its invasion of the primitive Rogaviki may not go as planned, for at the head of their forces is the indomitable Donya of Hervar, a woman of courage and conviction who will not let her people perish without a fight . . .

"An intriguing mystery about the Rogaviki people . . . Quite a worthwhile read. Certainly [Anderson] put a lot of thought into this novel and he's achieved something worthwhile and exhilarating." —SFReviews.net

Twilight World

After the nuclear holocaust of World War III, humanity has to rebuild in the midst of famine, savagery, and chaos. Residual radiation has resulted in an increasing rate of mutant births. But as the human race faces its own extinction, some of the so-called abnormal children may have just what it takes to survive . . .

Praise for Science Fiction Grand Master Poul Anderson

"Anderson has produced more milestones in contemporary science fiction and fantasy than any one man is entitled to." —Stephen Donaldson

"The great canvas of interstellar space comes alive under Anderson's hand as it does under no other." —Gordon R. Dickson

"One of science fiction's most influential and prolific writers." —*The Daily Telegraph*

Annihilation: A Novel (The Southern Reach Trilogy Book 1)

Author: Jeff VanderMeer

The Southern Reach Trilogy begins with this Nebula Award-winning novel that "reads as if Verne or Wellsian adventurers exploring a mysterious island had warped through into a Kafkaesque nightmare world" (Kim Stanley Robinson).

Area X has been cut off from the rest of the continent for decades. Nature has reclaimed the last vestiges of human civilization. The first expedition returned with reports of a pristine, Edenic landscape; the second expedition ended in mass suicide; the third expedition in a hail of gunfire as its members turned on one another. The members of the eleventh expedition returned as shadows of their former selves, and within weeks, all had died of cancer. In *Annihilation*, the first volume of Jeff VanderMeer's Southern Reach trilogy, we join the twelfth expedition.

The group is made up of four women: an anthropologist; a surveyor; a psychologist, the de facto leader; and our narrator, a biologist. Their mission is to map the terrain, record all observations of their surroundings and of one another, and, above all, avoid being contaminated by Area X itself.

They arrive expecting the unexpected, and Area X delivers—they discover a massive topographic anomaly and life forms that surpass understanding—but it's the surprises that came across the border with them and the secrets the expedition members are keeping from one another that change everything.

Split Second (Split Second Book 1)

Author: Douglas E. Richards

A stunningly original twist on time travel. Amazon's #1 novel in both the "thriller" and "science fiction" categories for over seven months.

What if you found a way to send something back in time? But not weeks, days, or even minutes back. What if you could only send something back a fraction of a second? Would this be of any use? You wouldn't have nearly enough time to right a wrong, change an event, or win a lottery.

Nathan Wexler is a brilliant physicist who thinks he's found a way to send matter a split second back into the past. But before he can even confirm his findings, he and his wife-to-be, Jenna Morrison, find themselves in a battle for their very lives. Because while time travel to an instant earlier seems useless, Jenna comes to learn that no capability in history has ever been more profound or far-reaching.

Now, as Jenna fights to defeat the powerful forces arrayed against her, nothing less than the fate of humanity hangs in the balance . . .

SPLIT SECOND is a roller-coaster ride of a thriller, one that will have readers pondering the nature of time, and of reality, long after they've read the last page.

"Richards is a worthy successor to Michael Crichton." (SF Book.com)

The Other Emily

Author: Dean Koontz

Number one *New York Times* bestselling master of suspense Dean Koontz takes readers on a twisting journey of lost love, impossible second chances, and terrifying promises.

A decade ago, Emily Carlino vanished after her car broke down on a California highway. She was presumed to be one of serial killer Ronny Lee Jessup's victims whose remains were never found.

Writer David Thorne still hasn't recovered from losing the love of his life, or from the guilt of not being there to save her. Since then, he's sought closure any way he can. He even visits regularly with Jessup in prison, desperate for answers about Emily's final hours so he may finally lay her body to rest. Then David meets Maddison Sutton, beguiling, playful, and keenly aware of all David has lost. But what really takes his breath away is that everything about Maddison, down to her kisses, is just like Emily. As the fantastic becomes credible, David's obsession grows, Maddison's mysterious past deepens—and terror escalates.

Is she Emily? Or an irresistible dead ringer? Either way, the ultimate question is the same: What game is she playing? Whatever the risk in finding out, David's willing to take it for this precious second chance. It's been ten years since he's felt this inspired, this hopeful, this much in love...and he's afraid.

Elsewhere

Author: Dean Koontz

The fate of the world is in the hands of a father and daughter in an epic novel of wonder and terror by Dean Koontz, the #1 *New York Times* bestselling master of suspense.

Since his wife, Michelle, left seven years ago, Jeffy Coltrane has worked to maintain a normal life for himself and his eleven-year-old daughter, Amity, in Suavidad Beach. It's a quiet life, until a local eccentric known as Spooky Ed shows up on their doorstep.

Ed entrusts Jeffy with hiding a strange and dangerous object—something he calls “the key to everything”—and tells Jeffy that he must never use the device. But after a visit from a group of ominous men, Jeffy and Amity find themselves accidentally activating the key and discovering an extraordinary truth. The device allows them to jump between parallel planes at once familiar and bizarre, wondrous and terrifying. And Jeffy and Amity can't help but wonder, could Michelle be just a click away?

Jeffy and Amity aren't the only ones interested in the device. A man with a dark purpose is in pursuit, determined to use its grand potential for profound evil. Unless Amity and Jeffy can outwit him, the place they call home may never be safe again.

A TIME AND NPR BEST BOOK OF 2020

HIGHLY RECOMMENDED BY PEOPLE MAGAZINE · THESKIMM · KATIE COURIC'S "WAKE UP CALL" · ENTERTAINMENT WEEKLY · VOGUE.COM · MARIE CLAIRE · PARADE.COM · BITCH MEDIA · HELLO GIGGLES · BUSTLE · BOOKLIST

An electrifying story of two ambitious friends and the dark choices they make to become internet famous.

Orla Cadden is a budding novelist stuck in a dead-end job, writing clickbait about movie-star hookups and influencer yoga moves. Then Orla meets Floss—a striving, wannabe A-lister—who comes up with a plan for launching them both into the high-profile lives they dream about. So what if Orla and Floss's methods are a little shady—and sometimes people get hurt? Their legions of followers can't be wrong.

Thirty-five years later, in a closed California village where government-appointed celebrities live every moment of the day on camera, a woman named Marlow discovers a shattering secret about her past. Despite her massive popularity—twelve million loyal followers—Marlow dreams of fleeing the corporate sponsors who would do anything to keep her on-screen. When she learns that her whole family history is based on a lie, Marlow finally summons the courage to run in search of the truth, no matter the risks.

Followers traces the paths of Orla, Floss and Marlow as they wind through time toward each other, and toward a cataclysmic event that sends America into lasting upheaval. At turns wry and tender, bleak and hopeful, this darkly funny story reminds us that even if we obsess over famous people we'll never meet, what we really crave is genuine human connection.

Winter World (The Long Winter Trilogy Book 1)

Author: A.G. Riddle

**A new ice age...
and a shocking discovery...**

will change humanity forever.

From the Amazon Charts and *Wall Street Journal* bestselling author with over FOUR MILLION COPIES sold worldwide comes an epic novel with an unforgettable twist.

*** Longlisted for the Wilbur Smith Award for best published novel. ***

In the near future, a new ice age has begun.

Humanity stands on the brink of extinction.

Desperate for answers, scientists send probes into the solar system to take readings. Near Mars, they identify a mysterious object moving toward the Sun. Is it the cause of the ice age? Or could it be humanity's only hope of survival?

With time running out, NASA launches a mission to make contact. But the object isn't what anyone thought. In the dark of space, alone, the team makes a discovery that will change the course of human history—and possibly end it.

Filled with real science and fascinating details, *Winter World* is that unique blend of fact and fiction that could completely change how you see our planet—and humanity's future. For those intrepid souls starting this bestselling trilogy, be warned: you may well be up late into the night turning the pages.

Praise for A.G. Riddle

"...reads like a superior collaboration between Dan Brown and Michael Crichton."

An Extended Look at *Winter World*

Each month, Earth grows colder.

Snow falls in summer. Glaciers trample cities across North America, Europe, and Asia. The new ice age shows no signs of stopping.

Chaos erupts.

Around the world, people abandon their homes and flock to regions where they can survive. Nations prepare to go to war for the world's last habitable zones.

Scientists search the cause of the new ice age. They send probes into the solar system to collect readings. Near Mars, a probe finds a mysterious object, drifting toward the Sun. Is it responsible for the new ice age? Or is it merely an observer? Or neither? Could it be a relic from a long-extinct civilization? One thing is certain: investigating the object is humanity's best hope of survival.

As the ice age claims more lives and the world slides into anarchy, an international consortium launches a mission into space to make contact. But the first contact mission doesn't go as planned. What the crew discovers out there is beyond anyone's imagination.

Two members of the first contact mission may hold the keys to humanity's salvation.

Dr. Emma Matthews is the commander aboard the International Space Station. For months, she has watched the world below freeze and civilization unravel. The headlines tell only half of the story. The messages from her sister tell the rest, of a world witnessing mass migrations, fighting for survival, struggling to provide a future for their children. When a catastrophe strikes the ISS, Emma faces her own fight for survival.

Dr. James Sinclair is one of the greatest scientists alive. A mind before his time. Years ago, he invented something with the potential to change the world—an invention that would upset the balance of power in the world forever. Fearing that change, his enemies sent him to prison for a crime he didn't commit. But with humanity's future at stake, NASA asks him to join the first contact mission. His expertise is vital to the mission's success—and to saving Emma. With the clock ticking down to humanity's final days on Earth, James makes a decision that will change his life forever and may determine the fate of the entire human race.

Serial Killer Z: Volume One

Author: Philip Harris

For some, the zombies are a good thing.

Dexter meets The Walking Dead in the first three volumes of this gripping new horror series.

Serial Killer Z: Infection

Edward Taylor just killed a man. It wasn't the first time but it could be the last. For the last twenty years, he's been careful, hiding his true self behind a mask of humanity. But now someone out there knows what Edward is, and he has no idea what they're planning to do with that knowledge.

When he's approached by a journalist working to bring down a controversial research lab, Edward's personal and work life collide. Cornered, and with his paranoia growing, he's forced to take action and triggers a sequence of events that might just unleash a plague of the dead on the world.

Serial Killer Z

The man who calls himself Marcus Black spent years hiding his true identity from the world, killing to feed the shadow that lives inside him. Now the dead walk the earth and he's just trying to survive.

With the dead a constant threat, Marcus is forced to suppress his true self and fight against the shadow that lives inside him. Losing that fight will leave him exposed and could cost him his life.

When he discovers an abandoned camp deep in the forest Marcus believes he's finally found a home. A place where he can once again unleash the shadow. Isolated. Quiet. Safe. It's perfect. Until the outside world intrudes and Marcus finds himself caught between the living and the dead.

Hiding behind a veneer of humanity, Marcus struggles to find a way to get rid of the new arrivals. But as his mask begins to slip, he discovers that he may not be the only one with a deadly secret.

Serial Killer Z: Sanctuary

When a chance encounter with a group of scavengers turns violent, Marcus flees to a nearby town. Sanctuary is a safe haven for those lucky enough to survive the swarms of zombies that roam the landscape, but the cracks are beginning to show.

As life in Sanctuary unravels, Marcus is caught between two factions vying for control in a cold war that threatens to spill over into violence at any moment. Forced to take sides, and with tensions rising, Marcus must decide which is more important - revenge or freedom.

Mindbridge

Author: Joe Haldeman

A remarkable alien technology could have devastating consequences for humanity in this novel by the Hugo and Nebula Award-winning author of *The Forever War*.

In the far future, the accidental scientific breakthrough known as the Levant-Meyer Translation changes everything. Suddenly people can leap instantaneously across the universe, albeit temporarily, enabling teams of Tamers to explore far-flung worlds and prepare them for possible human habitation. But one expedition doesn't make it back alive.

Jacque Lefavre achieves his lifelong dream of becoming a Tamer when he joins the Agency for Extraterrestrial Development. On his first exploratory mission to a planet known as Groombridge, Lefavre and his team encounter something truly extraordinary: a small, nonsentient creature that, when joined with another of its kind, creates a telepathic "bridge." But exploiting this psychic link could bring unanticipated perils, for it is about to bring Lefavre and his team into dangerously close contact with the L'vrai, an ancient, advanced, and hostile race of star travelers—an encounter that could prove to be the first step in humankind's salvation . . . or its doom.

This ebook features an illustrated biography of Joe Haldeman including rare images from the author's personal collection.

The Handmaid's Tale

Author: Margaret Atwood

Now a Hulu Original Series

The Handmaid's Tale is a novel of such power that the reader will be unable to forget its images and its forecast. Set in the near future, it describes life in what was once the United States and is now called the Republic of Gilead, a monotheocracy that has reacted to social unrest and a sharply declining birthrate by reverting to, and going beyond, the repressive intolerance of the original Puritans. The regime takes the Book of Genesis absolutely at its word, with bizarre consequences for the women and men in its population.

The story is told through the eyes of Offred, one of the unfortunate Handmaids under the new social order. In condensed but eloquent prose, by turns cool-eyed, tender, despairing, passionate, and wry, she reveals to us the dark corners behind the establishment's calm facade, as certain tendencies now in existence are carried to their logical conclusions. *The Handmaid's Tale* is funny, unexpected, horrifying, and altogether convincing. It is at once scathing satire, dire warning, and a tour de force. It is Margaret Atwood at her best.

The Princess Trials: A young adult dystopian romance

Author: Cordelia K Castel

Thirty young women. A handsome prince. A battle to the death

Water is scarce. Deserts have taken over the land. Nuclear war has devastated humanity. Humans live in walled super cities to keep out the irradiated. The land that was formerly known as America is divided into kingdoms ruled by royal elites.

Born into the lowest Echelon of the Kingdom of Phangloria, sixteen-year-old Zea Calico faces a life of hunger, thirst, and toil. The only way out of this drudgery is revolution, and Zea is desperate to help the cause.

When the palace calls for candidates to compete to marry Prince Kevon, Zea joins the Princess Trials to search the palace for weaknesses.

The trials should be a fairytale of sumptuous meals, ballgowns, and romance, but one misplaced word causes Zea to attract the Prince's attention. When Zea uncovers the man beneath Prince Kevon's public facade, she is at risk of falling in love and losing sight of her mission.

But the televised beauty pageant turns deadly, and Zea must fight for survival.

Perfect for fans of The Hunger Games and The Selection, this exciting tale of courage, intrigue, and betrayal will have you turning pages.

Damaged: A Sci-Fi Alien Romance (Fated Mates of the Kalixian Warriors Book 7)

Author: Presley Hall

I know the mate bond can never happen for me. But that doesn't stop my heart from wanting Druvik...

When King Khrelan gets word of a group of human women held captive on a trading planet, he decides to send a team to rescue them—led by the hotshot pilot, Druvik.

I've never considered myself particularly brave or daring, so I'm as surprised as anyone when I find myself volunteering to join the warriors on their mission.

As frightening as it is to be heading to a dangerous black-market planet, it gives me a sense of purpose. But with our close proximity aboard the ship, it also becomes harder and harder to deny my attraction to Druvik.

I know it can't be the mate bond. And I know letting myself fall for him will only end in a broken heart.

But when disaster strikes, everything changes in the blink of an eye.

Mate bond or no, Druvik needs me, and I'll do everything I can to help him.

Damaged is a full-length standalone sci-fi romance featuring hot alien gladiators with huge... horns, a heroine with a painful secret, and a wounded hero whose life is turned upside down.

If you like hot aliens, sweeping adventure, and steamy romance, you'll love this series. No cheating, no cliffhanger, and a happily ever after guaranteed!

Note: each book in the series can be read as a standalone, but for maximum enjoyment, it's recommended that the series be read in order.

The Power of Hades: A Fated Mates Fantasy Romance (The Hades Trials Book 1)

Author: Eliza Raine

I've been kidnapped by Zeus. Plucked from the streets of Manhattan and frightened half to death by a freaking Olympian god.

And now I'm trapped in the Underworld, being forced to compete in a series of deadly trials for the position of Queen of the Underworld. Which would mean marrying Hades, the utterly terrifying Lord of the Dead. Who the hell wants a husband at all, let alone one made of smoke and riddled with death?

I have to get back home, to New York and my brother. But I can't leave without completing the trials and they've been designed for a godly Queen, not Persephone - barista and botanical garden enthusiast.

I'm surrounded by lethal, all-powerful maniacs. Sexy-as-hell maniacs, sure, but as dangerous as they come. And I'm going to have to prove to all of them that there's a goddess of hell inside me. It's the only way I'll survive the Hades Trials. But then what? And *why, why, why* am I so desperate to see under Hades smoky exterior and find out what he's hiding from me?

If I win the trials, I have to marry the devil himself. But losing might mean losing my life.

*The Power of Hades is book 1 in the Hades Trials, which is intended for adults and is packed with magic, mythology and slow-burn soulmate romance! *Contains swearing and mature themes.**

Broken Council: A Space Opera, Post-Apocalyptic LitRPG (The System Apocalypse Book 10)

Except the dragons are dying out. And I'm going to bring them back.

But no one knows how I can do it. After all, how do you breed dragons?

The answer lies within Drako Academy and the stunning female dragonmancers inside its crystal walls.

Maid For An Alien Prince: A SciFi Alien Romance (Intergalactic Exchange Program Book 1)

Author: Roxie Ray

I won't be forced into alien servitude.

I've spent my life mucking out the houses of the rich and famous. I know what they're really like.
They think they can take whatever they want.
I learned that the hard way.

Royalty? They have got to be worse.
I'm not interested in any of them, not even an alien prince.
I was supposed to be heading to another planet for a one-year housekeeping contract.
Instead he bought me out.
Does he think he can own me?
I don't want him.
I won't submit to him.
So why is he so ... nice?

Niall is unlike any rich guy I've ever known, but I still can't trust him.
Not even when he treats me well.
He calls me his fated mate!
But he's an alien prince and I'm a housekeeper.
We don't belong together.
So why do I want to kiss him more than I want my next breath?

I Have No Mouth & I Must Scream: Stories

Author: Harlan Ellison

Seven stunning stories of speculative fiction by the author of *A Boy and His Dog*.

In a post-apocalyptic world, four men and one woman are all that remain of the human race, brought to near extinction by an artificial intelligence. Programmed to wage war on behalf of its creators, the AI became self-aware and turned against humanity. The five survivors are prisoners, kept alive and subjected to brutal torture by the hateful and sadistic machine in an endless cycle of violence.

This story and six more groundbreaking and inventive tales that probe the depths of mortal experience prove why Grand Master of Science Fiction Harlan Ellison has earned the many accolades to his credit and remains one of the most original voices in American literature.

I Have No Mouth and I Must Scream also includes "Big Sam Was My Friend," "Eyes of Dust," "World of the Myth," "Lonelyache," Hugo Award finalist "Delusion for a Dragon Slayer," and Hugo and Nebula Award finalist "Pretty Maggie Moneyeyes."

The Stand

Author: Stephen King

This is the way the world ends: with a nanosecond of computer error in a Defense Department laboratory and a million casual contacts that form the links in a chain letter of death.

And here is the bleak new world of the day after: a world stripped of its institutions and emptied of 99 percent of its people. A world in which a handful of panicky survivors choose sides -- or are chosen. A world in which good rides on the frail shoulders of the 108-year-old Mother Abigail -- and the worst nightmares of evil are embodied in a man with a lethal smile and unspeakable powers: Randall Flagg, the dark man.

In 1978 Stephen King published *The Stand*, the novel that is now considered to be one of his finest works. But as it was first published, *The Stand* was incomplete, since more than 150,000 words had been cut from the original manuscript.

Now Stephen King's apocalyptic vision of a world blasted by plague and embroiled in an elemental struggle between good and evil has been restored to its entirety. *The Stand: The Complete And Uncut Edition* includes more than five hundred pages of material previously deleted, along with new material that King added as he reworked the manuscript for a new generation. It gives us new characters and endows familiar ones with new depths. It has a new beginning and a new ending. What emerges is a gripping work with the scope and moral complexity of a true epic.

For hundreds of thousands of fans who read *The Stand* in its original version and wanted more, this new edition is Stephen King's gift. And those who are reading *The Stand* for the first time will discover a triumphant and eerily plausible work of the imagination that takes on the issues that will determine our survival.

From the Hardcover edition.

The Solar War (The Long Winter Trilogy Book 2)

Author: A.G. Riddle

*** Now a *Wall Street Journal* bestseller! ***

We thought the war was over.

We were wrong.

They decimated Earth during the Long Winter. Now the grid has returned, and they won't stop until the human race is extinct.

On a ruined world, humanity's last survivors fight against impossible odds. In their darkest hour, they discover a new hope for survival. But it comes at an unthinkable price, with consequences that will change everything.

"This is apocalyptic sci-fi at its best."

—Daily Mail

Note: *The Solar War* is the second book in *The Long Winter* trilogy (which began with *Winter World*).

Filled with real science and shocking twists readers have come to love in the series, *The Solar War* will keep you up late into the night turning the pages—and leave you pondering the revelations long after it's over.

Selected Praise For A.G. Riddle

"...reads like a superior collaboration between Dan Brown and Michael Crichton."

—The Guardian on *Pandemic*

"I finished the book fast because I just couldn't wait..."

—WIRED GeekDad on *Departure*

"Riddle... keep(s) the focus on his characters... rather than the technological marvels"

—Publisher's Weekly on *Departure*

"Well-constructed and tightly-wound as a fine Swiss watch—*DEPARTURE* has non-stop action, an engaging plot and, of course, wheels within wheels."

—Diana Gabaldon, #1 *New York Times* bestselling author of *Outlander*

An Extended Look at *The Solar War*

After the Long Winter, Emma Matthews and James Sinclair hoped life would get back to normal. They've settled down in Camp Seven and welcomed their first child, a daughter. And they have waited and watched the sky for any signs of the grid's return.

When NASA discovers that several asteroids have broken from the Kuiper Belt and are headed for Earth, James instantly realizes the truth: the grid is back. And this battle will be one to the very end.

As he and his team prepare for humanity's last stand in space and on the ground, Emma makes a discovery closer to home, one that will change life for her and James once again.

With war raging around them, Emma and James fight to keep their family alive. In the cold darkness, humanity splinters. New alliances emerge. At every turn, Emma and James face new dangers—and question whom to trust.

Just when it seems that all hope is lost, James uncovers what may be the key to humanity's survival. But it comes with enormous risks. To implement his plan, he and Emma will have to survive the grid and another, even more deadly enemy. One thing is certain: their gambit will change the future of the human race forever.

About the Author

1984

Author: George Orwell

A new edition of Orwell's timeless dystopian classic, introduced and annotated by his biographer, D.J. Taylor

Since its first publication in 1949, Orwell's devastating expose of the totalitarian mind has established itself as the most influential political satire of the modern age. Winston Smith's doomed rebellion against the all-seeing eye of Big Brother, and a world corrupted by technology and the perversion of language, is as relevant now as it ever was.

This new edition includes an introduction and extensive end-notes, and an appendix containing original responses to the novel and several of Orwell's essays from the period in which *Nineteen Eighty-Four* was written.

Dune

Author: Frank Herbert

SOON TO BE A MAJOR MOTION PICTURE directed by Denis Villeneuve, starring Timothée Chalamet, Josh Brolin, Jason Momoa, Zendaya, Rebecca Ferguson, Oscar Isaac, Javier Bardem, Dave Bautista, Stellan Skarsgård, and Charlotte Rampling.

Frank Herbert's classic masterpiece—a triumph of the imagination and one of the bestselling science fiction novels of all time.

Set on the desert planet Arrakis, *Dune* is the story of the boy Paul Atreides, heir to a noble family tasked with ruling an inhospitable world where the only thing of value is the "spice" melange, a drug capable of extending life and enhancing consciousness. Coveted across the known universe, melange is a prize worth killing for....

When House Atreides is betrayed, the destruction of Paul's family will set the boy on a journey toward a destiny greater than he could ever have imagined. And as he evolves into the mysterious man known as Muad'Dib, he will bring to fruition humankind's most ancient and unattainable dream.

A stunning blend of adventure and mysticism, environmentalism and politics, *Dune* won the first Nebula Award, shared the Hugo Award, and formed the basis of what is undoubtedly the grandest epic in science fiction.

Alien King Crashes the Wedding: A Paranormal SciFi Romance (Lumerian Knights Book 1)

Author: Becca Brayden

Art dealer Sasha Montgomery is both nervous and thrilled to be invited to the Caldorian Earth Base for her best friend's wedding to an alien warrior. One, she's never seen an alien up close, and two, she made a promise to be there, no matter how much the idea of being surrounded by hundreds of huge alien warriors frightens her.

She thinks she's got it all under control, until Dagan, the groom's best friend, crashes the wedding. He's smoking hot—way too hot to be an alien—and determined to seduce her.

Sasha gives in to passion with unexpected consequences. Ancient power rises in response to their new-found bond, and the once innocent Sasha discovers that Dagan has been keeping secrets. He's not just another warrior, he's a king, and the power rising between them hasn't been seen in a millennium.

Sasha must learn to control the force clawing its way through her body...or destroy them all.

The Farm Book 1: Behind The Curve (Behind The Curve - The Farm)

Author: Boyd Craven III

People Started Getting Sick

When the pandemic hit, nobody was expecting it to be as bad as it was. The economy barely survived the lockdowns, but it staggered along until civil unrest shattered people's hope of better times to come. With it being an election year, more and more Americans were waking up to the idea that they truly were behind the curve. The hope was; if they did not get sick, run out of money, or they could avoid violent mobs, they would be fine. The collapse happened so gradually; nobody saw it coming but the very few.

Life-long friends

Three doctors, a realtor, a contractor, and a pro shooter/model, make up the couples who had been lifelong friends and pooled their money to prepare for hard times. They soon find out money cannot buy you everything, even safety and security.

A jealous rancher wants to buy their land and does not want to take "no" for an answer. More than once, Lyle and his family are found on the wrong side of the fence. With human remains found on the new property, the mystery deepens, as the world around them slowly descends into chaos.

An Extended Look at *The Lost Colony*

The last survivors of the human race escaped a ruined Earth. Their new homeworld—Eos—seemed perfect at first. Warm. Hospitable. Safe from the grid. But everything isn't as it seems.

The first colony of settlers—from the Carthage—have disappeared. Their settlement is still there, but everyone is gone. As James digs into the mystery of the lost colony, he discovers a series of spheres, buried on Eos. Are they the key to finding the lost colonists? Or are they responsible for their deaths?

Just as James is unraveling the secrets of the spheres, a storm hits Jericho City. Emma, recently elected mayor, struggles to lead her people to safety while James tries to make his way home. In the middle of the chaos, a new danger emerges—a threat no one saw coming.

With time running out to save the colonists, James and Emma face their hardest choice yet.

An Extended Look At *The Atlantis Gene*

70,000 years ago, the human race almost went extinct.
We survived, but no one knows how.

Until now.

The countdown to the next stage of human evolution is about to begin, and humanity might not survive this time.

Off the coast of Antarctica, a research vessel discovers a mysterious structure buried deep within an iceberg. It has been there for thousands of years, and something is guarding it. Could it be the fabled city of Atlantis? Or is it something more dangerous?

At the same moment, in Jakarta, Indonesia, a brilliant geneticist named Kate Warner has just discovered a breakthrough treatment for autism. Or so she thinks. What she has found is far more deadly—for her and for the entire human race. Her work could unleash the next stage of human evolution. It might also hold the key to unlocking the mysterious structure off the coast of Antarctica.

On the other side of Jakarta, Agent David Vale is racing to uncover a conspiracy with far-reaching implications. But he's out of time. His informant inside the conspiracy is dead. His own organization has been infiltrated—and his enemy has turned the hunt on him. Now he's on the run. But when he receives a coded message related to an imminent attack, he risks everything to save the one person that can help him stop it: Dr. Kate Warner.

Together, Kate and David race to unravel a global conspiracy and learn the truth about the Atlantis Gene... and human origins. Their journey takes them to the far corners of the globe and into the secrets of their pasts. Their enemy is close on their heels and will stop at nothing to obtain Kate's research and force the next stage of human evolution—even if it means killing 99.9% of the world's population. David and Kate can stop them... if they can trust each other. And stay alive.

Heaven's River

Author: *Dennis E. Taylor*

Civil war looms in the Bobiverse in this brand-new, epic-length adventure by best seller Dennis E. Taylor.

More than a hundred years ago, Bender set out for the stars and was never heard from again. There has been no trace of him despite numerous searches by his clone-mates. Now Bob is determined to organize an expedition to learn Bender's fate—whatever the cost.

But nothing is ever simple in the Bobiverse. Bob's descendants are out to the 24th generation now, and replicative drift has produced individuals who can barely be considered Bobs anymore. Some of them oppose Bob's plan; others have plans of their own. The out-of-control moots are the least of the Bobiverse's problems.

Undaunted, Bob and his allies follow Bender's trail. But what they discover out in deep space is so unexpected and so complex that it could either save the universe—or pose an existential threat the likes of which the Bobiverse has never faced.

The Warded Man: Book One of The Demon Cycle (The Demon Cycle Series 1)

Author: *Peter V. Brett*

As darkness falls after sunset, the corelings rise—demons who possess supernatural powers and burn with a consuming hatred of humanity.

For hundreds of years the demons have terrorized the night, slowly culling the human herd that shelters behind magical wards—symbols of power whose origins are lost in myth and whose protection is terrifyingly fragile. It was not always this way. Once, men and women battled the corelings on equal terms, but those days are gone. Night by night the demons grow stronger, while human numbers dwindle under their relentless assault. Now, with hope for the future fading, three young survivors of vicious demon attacks will dare the impossible, stepping beyond the crumbling safety of the wards to risk everything in a desperate quest to regain the secrets of the past. Together, they will stand against the night.

Look for Peter V. Brett's complete Demon Cycle:

Picking up from *A Discovery of Witches*' cliffhanger ending, *Shadow of Night* takes reluctant witch Diana Bishop and vampire geneticist Matthew Clairmont on a trip through time to Elizabethan London, where they are plunged into a world of spies, magic, and a coterie of Matthew's old friends, the School of Night. As the search for Ashmole 782--the lost and enchanted manuscript whose mystery first pulled Diana and Matthew into one another's orbit--deepens and Diana seeks out a witch to tutor her in magic, the net of Matthew's past tightens around them. Together they find they must embark on a very different - and vastly more dangerous - journey.

"A captivating and romantic ripping yarn,"** *Shadow of Night* confirms Deborah Harkness as a master storyteller, able to cast an "addictive tale of magic, mayhem and two lovers."**

USS Hamilton: Broadsides

Author: Mark Wayne McGinnis

Hold tight . . . things are about to get bumpy

Sitting in his oppressively small 10 x 10 cell at the Norfolk Naval Station's Brig, Captain Galvin Quintos awaits his impending court-martial. That's when he has a most unexpected contact by Fleet Commander Admiral Block. He's proposing an off-book, secret operation—one coming at the request of the Pleidian Weonan Empress Shawlee Tee. For Quintos, telling Shawlee “no” was never an option. Unfortunately, according to the admiral, this very well could be a mission of no return. The war with the Grish has turned desperate and the Alliance is tallying far more losses than wins. To complicate matters, all other US Space-Navy warship assets have been deployed to various hot spots within the quadrant. As for the mission, Fleet Commander Twinwon and his crew are on the run from a fleet of eighteen Grish Warships somewhere out within the farthest reaches of frontier space. The Empress knows she has no right to ask, but she has no one else to turn to—she needs Quintos and the USS Hamilton's crew—and she needs them now. Sure, this rescue may be coming too late—but no one ever said being a hero was easy.

First problem—how the hell will Quintos escape from a Norfolk high-security detention facility...

Reviews:

USS Hamilton Sequel

Broadsides is an outstanding sequel to the USS Hamilton series. Hardcore military science fiction from Mark Wayne McGinnis. I'm a big fan. Carson Wheeler

Just as Good as Scrapyard Ship

I've been a fan of Mark's since he wrote Scrapyard Ship. It was one of the best space opera books I've ever read. USS Hamilton Broadsides, and the USS Hamilton series is just as good. I love a great military scifi story, and McGinnis delivers every time.

Terrence B.

Great Military Science Fiction

Mark Wayne McGinnis has done it again. Space opera and military scifi come together in the USS Hamilton (3rd book in the series). Broadsides is fun, exciting, and just a purely entertaining book. As long as Mark keeps writing, I will continue to devour his books. Phillip Raskin

This makes scifi fun again!

Very enjoyable read. TIRED of reading books where the main character is always conflicted and overwhelmed. This was refreshing, enjoyable, fun, surprising, and a darn good read. Thanks Mark! Greg

Great Book!

Book 2 of the USS Hamilton series is even better than the first. Plenty of well-written action and character development. Great plot and resolution. I can't wait for the next book in the series. It is a fast read it is so entertaining. David A. Kickbusch

Better than Star Watch

I love Mark Wayne McGinnis. Always fun and entertaining. I've read his books from the beginning: Scrapyard Ship, Star Watch, Ship Wrecked, and the rest. The USS Hamilton Boadsides a great blend of military scifi and space opera, and I whole-heartedly recommend the USS Hamilton series who wants to kick back and get lost in a good story. Well done.

Kevin Newbury

Mark Wayne McGinnis

I love good science fiction and I've read many authors including BV Larson and Craig Alanson. Mark is the best. If you don't believe me, pick up Scrapyard Ship or Star Watch or Ship Wrecked and read them. The USS Hamilton is just as good, if not better than his earlier works.

KPM

Well-Written Space Opera

This is an enjoyable romp. The never say die crew on a sure be one-way mission grabbed me and never let go. I read it in one sitting. This was fun; not as much fun as sex with a black-haired woman or a wild child redhead in her early twenties. But easily besting spending a night with a massively self-involved blond. Buy it and enjoy the ride. Edward R. Hanson Jr.

Wow! What a Book!!

I can believe how exciting this book was! I'm taken aback at how clever this book was written. Great adventure, wonderful characters, thrilling action. First-rate sci-fi. I'm ready for the next one! Warren W. Ward

Nurse For An Alien Warrior: A SciFi Alien Romance (Intergalactic Exchange Program Book 2)

Author: Roxie Ray

I'm supposed to care for a kid, not make one!

Space needs nurses.

That's what they told me, and that's why I agreed to go.

They say Raider is the last place I want to end up, but I'm up to the challenge.

I'll care for the warlord's child.

One problem.

He wants me to make said child.

With him.

No. Not happening. Never.

I'm not selling my body to some brute!

But Kain isn't the brute I imagined. And the longer I'm on Raider, the longer I wonder if belonging to him would be so bad...

The Farm Book 2 : Behind The Curve (Behind The Curve - The Farm)

Author: Boyd Craven III

Securing Their Sanctuary

The Sheriff's Department is forced to hand the investigation of the bones to the state police. The case has become too big for the department to investigate alone. The group complies and tries their best to mend fences within the law enforcement community and the neighbors. Surprisingly, their generosity is much appreciated.

A man with a heart set on revenge

As the virus ravaged US businesses, the effects could be felt all the way down to the supermarket. The USDA and FDA started imposing purchasing limits on essentials, especially food. They have volunteered to buy any excesses that do not get sold while they attempt to stop people from 'hoarding' food and necessities so they can be redistributed to those in greater need.

A President who had enough

With the POTUS's proclamation that Antifa and those who would loot and burn down the country be arrested, the violence only intensified. Agent Sullivan and Jake Kendricks both have their shots at the Langtry farm, who just will not comply. Will their efforts work, or will they be behind the curve?

Star Wars: Light of the Jedi (The High Republic) (Star Wars: The High Republic Book 1)

Author: Charles Soule

#1 NEW YORK TIMES BESTSELLER • Long before the First Order, before the Empire, before even *The Phantom Menace* . . . Jedi lit the way for the galaxy in The High Republic

It is a golden age. Intrepid hyperspace scouts expand the reach of the Republic to the furthest stars, worlds flourish under the benevolent leadership of the Senate, and peace reigns, enforced by the wisdom and strength of the renowned order of Force users known as the Jedi. With the Jedi at the height of their power, the free citizens of the galaxy are confident in their ability to weather any storm. But the even brightest light can cast a shadow, and some storms defy any preparation.

When a shocking catastrophe in hyperspace tears a ship to pieces, the flurry of shrapnel emerging from the disaster threatens an entire system. No sooner does the call for help go out than the Jedi race to the scene. The scope of the emergence, however, is enough to push even Jedi to their limit. As the sky breaks open and destruction rains down upon the peaceful alliance they helped to build, the Jedi must trust in the Force to see them through a day in which a single mistake could cost billions of lives.

Even as the Jedi battle valiantly against calamity, something truly deadly grows beyond the boundary of the Republic. The hyperspace disaster is far more sinister than the Jedi could ever suspect. A threat hides in the darkness, far from the light of the age, and harbors a secret that could strike fear into even a Jedi's heart.

Malac: A Sci-Fi Alien Dragon Romance (Brides of Driegon Book 1)

Author: Ava Ross

An alien dragon king meets his fated mate in a woman from Earth. With conflict brewing in the kingdom, will he be forced to make a heart-breaking choice?

Bella: When I came to the subterranean kingdom of Driegon as a mail-order bride, I didn't expect the dragon king to sweep me off my feet, take flight, and claim me as his mate. He says a mythical mating ritual called the Torrent proves we're fated. Yeah, sure. Then I find out he's almost engaged. He insists he'll find a way for us to be together, but I've fallen for pretty lies before, and I won't give my heart again easily.

Malac: To end a war among the factions of my Driegon people, I must marry the daughter of a rival warlord. I've accepted my fate. Until I meet Bella, one of three Earthlings brought to my kingdom as mail-order brides. One touch, and my blood roars through me--the first sign of the Torrent. We're fated and I ache to claim her, yet I cannot betray my people. But the heart of a dragon will not be denied.

Malac is Book 1 in the Brides of Driegon Series. This standalone, full-length story has on-the-page heat, aliens who look and act alien, a guaranteed happily ever after, no cheating, and no cliffhanger. Look for the rest of the series on Amazon.

Edge of Collapse: A Post-Apocalyptic EMP Survival Thriller

Author: Kyla Stone

In the dead of winter, an EMP attack destroys the U.S. power grid.

No electricity. No cars or phones. The country is plunged into instant chaos.

But for Hannah Sheridan, it's the best day of her life. For the last five years, she's been the captive of a sadistic psychopath--until the EMP releases the lock of her prison.

Battered but not broken, she emerges from her underground cell into a hostile winter wilderness with nothing but her determination to survive.

Reclusive ex-soldier Liam Coleman is headed nowhere fast. He believed he was prepared for any disaster, until the EMP took everything he'd ever cared about in a matter of seconds.

Two hundred frozen, perilous miles stand between them and their destination in rural Michigan. But the killing cold isn't the only threat, for Hannah's captor isn't about to let her go...

When the country goes dark, ordinary people find themselves facing the end of the world as they know it. With society collapsing before their eyes, they'll have to risk everything to protect their home and the people they love.

From USA Today Bestselling Author Kyla Stone comes the *Edge of Collapse* series, a gripping EMP apocalypse story featuring flawed, complex characters and high-octane action adventure. A survival thriller perfect for fans of Ryan Schow, Boyd Craven, and Jack Hunt.

Without Law 17

Author: Eric Vall

Tav, his girls, and their allies have come south to Virginia to save the beleaguered American military that is under attack by North Korean forces.

Unbeknownst to the U.S. military in Virginia, the Korean expeditionary force from Boston is marching south to surround and wipe out the Americans. Tav and his team are in a race against time, because if the Americans in Virginia fall, all of the Eastern seaboard falls, too.

Unfortunately, the military situation in Virginia is dire, and Tav and company will have their work cut out to rally the demoralized troops and turn the tide.

Holy Ground

Author: Evan Currie

Mankind may be just about ready to reach for the stars, but before the Odyssey can begin... there was a war that had to be won.

In this explosive novel traditional claims, modern borders, and the dreams for a better tomorrow clash when the IndoChina backed Eastern Alliance takes a new and aggressive stance on the world stage, ushering in the last great World War.

A long patient wait is rewarded after over a century when the Chinese portion of the Eastern Alliance Bloc makes their move in the Pacific. For decades, only the US Navy has held them back from reclaiming what they believe to be theirs, but now the American forces are tired after decades of small wars, underfunded, and unprepared for what is coming. Additionally, the Bloc has an ace that shifts the balance of power and they intend to play it for all it is worth.

As the world plunges into the fires of war, a ragtag force of American, Japanese, and a smattering of other nationalities, sent fleeing across the ocean from Japan with aggressors nipping at their heels, are presented with a choice. Keep running, or choose a battleground and face their fate.

No more running. They will make their stand... on Holy Ground.

This explosive military thriller from Evan Currie, author of the best selling Odyssey One series, introduces readers to a world on the cusp of something more... a world ready to step beyond the problems of history... but first, there is one final war to be fought.

Breakthrough

Author: Michael C. Grumley

**ONE OF THE GREATEST BREAKTHROUGHS IN HUMAN HISTORY.
A SECRET THAT WAS NEVER SUPPOSED TO BE FOUND.
AND A CRISIS THAT CANNOT BE STOPPED.**

Deep in the Caribbean Sea, a nuclear submarine is forced to suddenly abort its mission under mysterious circumstances. Strange facts begin to emerge that lead naval investigator, John Clay, to a small group of marine biologists who are quietly on the verge of making history.

With the help of a powerful computer system, Alison Shaw and her team are preparing to translate the first two-way conversation with the planet's second smartest species. But the team discovers much more from their dolphins than they ever expected when a secret object is revealed on the ocean floor. One that was never supposed to be found.

Alison was sure she would never trust the military again. However, when an unknown group immediately becomes interested in her work, Alison realizes John Clay may be the only person she *can* trust. Together they must piece together a dangerous puzzle, and the most frightening piece, is the trembling in Antarctica.

To make matters worse, someone from the inside is trying to stop them. Now time is running out...and our understanding of the world is about to change forever.

"A masterpiece." - R.O. Kwon

***The Crucible* meets *True Grit* in this riveting adventure story of a fugitive girl, a mysterious gang of robbers, and their dangerous mission to transform the Wild West.**

In the year of our Lord 1894, I became an outlaw.

The day of her wedding, 17 year old Ada's life looks good; she loves her husband, and she loves working as an apprentice to her mother, a respected midwife. But after a year of marriage and no pregnancy, in a town where barren women are routinely hanged as witches, her survival depends on leaving behind everything she knows.

She joins up with the notorious Hole in the Wall Gang, a band of outlaws led by a preacher-turned-robber known to all as the Kid. Charismatic, grandiose, and mercurial, the Kid is determined to create a safe haven for outcast women. But to make this dream a reality, the Gang hatches a treacherous plan that may get them all killed. And Ada must decide whether she's willing to risk her life for the possibility of a new kind of future for them all.

Featuring an irresistibly no-nonsense, courageous, and determined heroine, *Outlawed* dusts off the myth of the old West and reignites the glimmering promise of the frontier with an entirely new set of feminist stakes. Anna North has crafted a pulse-racing, page-turning saga about the search for hope in the wake of death, and for truth in a climate of small-mindedness and fear.

Lt. Reilly 2321: (Lt. Reilly book #1)

Author: Matthew Duncan

Jack Reilly's luck ran out just before the war did. Resigning his commission in the Alliance shortly after the end of the war with the Serkins, he went out into the galaxy looking for a job. Signing onto the *Glacier Runner 17*, an old and rundown cargo ship, Reilly finds himself working for a clueless captain, mixed-up in an intergalactic conspiracy, on the run from assassins, and involved with two women in relationships that he could only call "complicated".

Revised on November 25, 2020

What people are saying about Lt. Reilly 2321 -

Don't mess with the Engineer.

Really fun story. I loved how the humble retired-ish Reilly stayed one step ahead of everyone throughout the entire story. Well, maybe not his relationships, but the enemy at least. Lots of mystery, action, and pulling victory from the jaws of defeat. If I'm going to space, I'd like him in the engine room!

Please say there is a book two!

This was easily one of my most enjoyable books this year!! I loved the main character, Jack Reilly!! He was smart, military, older, and wiser. And he kept saving the day!!!! The two main females were equal parts soft and hard. Together they rounded out all the rough edges for Jack and made for some very interesting interplay. The narrator was something special. This book was non-stop action with a variety of characters. Everything was performed to perfection.

A Hard-Boiled Sci-fi

This was a great story with the main character you could get behind. I am looking forward to the next book in the series to see what happens next.

The Bounty Hunter (Cade Korbin Chronicles Book 1)

Author: Jasper T. Scott

BY MILLION COPY-BESTSELLER JASPER T. SCOTT

FROM OUTLAW TO BOUNTY HUNTER TO VIGILANTE: REVENGE IS JUST THE BEGINNING

Cade Korbin became a bounty hunter because he knew what it was like to be hunted. What he didn't know was who he'd end up hunting.

When it suited the Coalition, Cade was a Paladin, a member of their elite special forces. He did their dirty work and cleaned up their messes. Until his dark ops went public, and Cade was drummed out of the service with a dishonorable discharge. As if he'd ever been doing anything but following orders.

Forced to the fringes of society by his service record, Cade broke the law just to survive. Then the Enforcers caught him, and he served his time. Sick of the hypocrisy in the supposedly utopian Coalition, he crossed over to the other side and made a life among his former enemies in the Free Systems Alliance. Now he hunts the galaxy's worst lowlifes, for a fee, and the only orders he takes are his own.

But when his past catches up with him, Cade is forced to fight for more than just credits...

This time, he's in it for revenge.

New Madrid Earthquake: A Disaster Thriller

Author: Bobby Akart

**In the not too distant past, along the Mississippi River,
North America tried to tear itself in half.
It failed. It won't the second time.
New Madrid.**

A standalone disaster thriller from international bestselling author, Bobby Akart, one of America's favorite storytellers, who delivers up-all-night thrillers to readers in 245 countries and territories worldwide.

"Akart is a master of suspense, keeping us on the edge of our seats. But, he does it with fact-based fiction that would scare even the most hardened readers."

Two hundred years ago, several faults within the New Madrid seismic zone along the Mississippi River ruptured triggering some of the largest earthquakes in American history. The three massive quakes ripped open America's Heartland, shaking residents as far away as New York City and Washington, DC while ringing church bells in Boston and Charleston, South Carolina.

"No one can research like Bobby Akart and then turn this meticulous research into one exciting thrill ride."

Akart's standalone novel, New Madrid, is based on actual events. It just hasn't happened yet, until now. 200 years after the historic quake sequence of 1811-12, it's reawakened.

"This is a story of fortitude and love for family - do you have what it takes to survive and make it back to your loved ones."

The New Madrid fault zone, six times larger than the San Andreas in California, has generated a series of massive earthquakes thrusting the Atwood and Chandler families in a fight to survive. Attorney Jack Atwood and his brother-in-law Tony Chandler are winding up their year-end tax planning presentation atop The Met, a skyscraper in St. Louis, before returning to Memphis for their family's Christmas celebration. Jill Atwood, her daughter Emily and teenage son Tate, are in a downtown Memphis performing arts theater attending the dress rehearsal for Emily's Christmas pageant. Beth Chandler, 28 weeks pregnant, together with her 3-year old autistic son, are traveling from Louisiana to join the rest of the family in Memphis.

Will they arrive for Christmas? Will they arrive at all? Their lives are about to change forever.

"You are there. Feeling what they feel. Anger, joy, love, mourning. You feel it all. Not everyone can write a book like this. It takes a special writer to make you feel a book."

Bobby Akart has delivered intense, up-all-night thrillers causing you to whisper just one more chapter until the end.

Prepare to be shaken.

Maid for the Beast (Interstellar Brides® Program: The Beasts Book 2)

Author: Grace Goodwin

An Atlan Warlord in Mating Fever with two choices: Be the latest bachelor beast on an Earth reality television show to find his perfect mate or face certain death in an Atlan prison. Braun's not sure which is worse... until a female enters his hotel suite with towels and cleaning supplies.

She isn't part of the television show.

She isn't available.

She isn't interested in mating with an alien.

She isn't *his*.

Try telling that to his beast, because one look at the maid and Braun knows he will do anything... *anything*, to claim her.

Between Worlds (The Occupation Saga Book 1)

Author: J.L. Williams

Inspired by the likes of James Galloway's Subjugation and John Scalzi's Old Man's War, Between Worlds is a thrilling military sci-fi set in a strange new universe...

Jason had thought about punching a Shil'vati.

Who hadn't?

Not only had the aliens conquered Earth with almost trivial ease, the seven-foot purple amazons had also had the audacity to start running the planet better than Humanity ever had.

He'd never actually act on that desire though. He was a reasonable guy, just trying to his finish engineering degree and get on with his life. Preferably without attracting any attention from his new alien overlords.

At least, that had been the plan...

Warning: This novel contains adult themes.

These Times of Abandon: A Post-Apocalyptic EMP Survivor Thriller (The Abandon Series Book 1)

Author: Ryan Schow

From the USA Today Bestselling Author of *The Last War*, *The Age of Embers*, and *Dark Days of the After* comes a BRAND NEW post-apocalyptic survival saga, *The Abandon Series*.

Leighton McDaniel is in her first year at Northern Kentucky University when an EMP detonates above the US. The lights are out, the grid is down, and electronics have failed, including Leighton's new hearing aids. Unbeknownst to the town of Highland Heights, the weather warning system is down and tornados are forming. As Leighton heads for her boyfriend's farm, an admirer of hers quietly takes chase. Nothing covers one's tracks better than shadows and chaos, but some battles turn quickly, leaving one to wonder, who is the wolf, and who becomes the prey?

As the winds begin to whip and Kentucky descends into lawlessness, the former Golden Gloves boxer, Hudson Croft, is forced to defend his home from violent opportunists. Hudson is ready for the anarchy, but he never anticipated the tornado heading his way or the war Leighton McDaniel brought with it. Although Hudson is anxious to return to the fight, he remains haunted by his past boxing injuries, for one blow to the head, and it's lights-out on his life.

Amid such an unprecedented attack, a handful of citizens will fight to survive the many storms bearing down upon them. Those clinging to the old world will perish while those who abandon the former world will dig in and fight, proving the might and strength of America are not found solely in her military or her commerce, but in the heart of her people.

Fire up your kindle, grab some caffeine, and prepare yourself for a roller-coaster ride through the apocalypse with Kentucky's finest!

To The Center Of The Earth

Author: Greig Beck

An old woman locked away in a Russian asylum has a secret—knowledge of a 500-year-old manuscript written by a long-dead alchemist that will show a passage to the mythical center of the Earth.

She knows it's real because 50 years ago, she and a team traveled there. And only she made it back.

Today, caving specialist Mike Monroe leads a crew into the world's deepest cave in the former Soviet Union. He's following the path of a mad woman, and the words of an ancient Russian alchemist, that were the basis of the fantastical tale by Jules Verne.

But what horrifying things he finds will tear at his sanity and change everything we know about evolution and the world, forever.

In the tradition of Primordia, Greig Beck delivers another epic retelling of a classic story in an electrifying and terrifying adventure that transcends the imagination.

"Down there, beyond the deepest caves, below the crust and the mantle, there is another world."

Shadeslinger (The Ripple System Book #1) - A Fantasy LitRPG series

Author: Kyle Kirrin

Corporate flameout Ned Altimer dreams of leaving his world behind. So when Earthblood Online splashes onto the VRMMO scene, he dives in and never looks back.

His advantages are twofold: exclusive access to the game's three-day Head Start period, and a ridiculously handsome talking axe named Frank who has knowledge of the game's deepest secrets...if the magnificent Frank ever feels like sharing them.

But those advantages also make Ned a target. Once the Head Start period ends, his fellow players will stop at nothing to rip that suave, violent-yet-disarmingly-charismatic axe right out of his hands.

In seventy-two hours, the greatest manhunt in gaming history is set to begin.

It's gonna be a lot of fun.

In the year 2035, humanity broke the dimensional barrier and attached its world to another. Unfortunately, something was waiting on the other side.

Nearly 150 year later, humanity is in a never-ending war to hold what is left of its world. Vic is a military asset for the United Forces of Humanity (UFH) and his job is to kill the Invader orcs and their kin. While on a mission, he is exposed to an advanced technology which grants him powers beyond anything he has known. How can he grow and use those powers serve humanity and its hope to take back the world?

Travel with Vic as he uncovers strange happenings throughout human cities, strengthens himself and his allies, and breaks rules set in place a century and a half ago. Watch as he allies himself with elves, dwarves, gnomes and beastkin to battle the Invaders using a mix of ancient magic and futuristic technology.

This story is a mix of fantasy and sci-fi with an OP main character, magic, guns, crafting, violence, sarcasm, love, betrayal, swearing, blood, gore and some sexual innuendo (Fades to black with no explicit sex scenes).

Storm of Eon (Eon Warriors Book 7)

Author: Anna Hackett

When a Terran weapons scientist finds herself the target of deadly alien assassins, only one fierce alien warrior can keep her safe.

Weapons scientist Dr. Finley Delgado wants to get her new laser defense weapon operational to protect Earth from the insectoid Kantos invasion. She *has* to make this work. She's failed in the past and people paid with their lives, and she won't fail again. What she doesn't need is a big, brawny warrior that Space Corps orders her to work with getting in her way. Finley wants her solitude, not a massive distraction in the shape of a tall, hard Eon warrior.

Security Commander Sabin Solann-Ath is a warrior through and through, like his entire family before him. He's disciplined, dedicated, and hiding a dark secret he'd prefer to keep buried. He won't allow anyone or anything to disrupt his control. When he's ordered to Earth to help with a secret weapon, he vows to do everything he can to help their allies, even work with a statuesque, prickly scientist. He and Finley get off to a rocky start...but when the Kantos send a team of assassins after Finley, Sabin will do anything to protect her.

Sent to a secret facility deep in the Australian desert, Finley and Sabin are drawn closer and closer. She sees beyond the warrior to the man, and he uncovers a passionate woman. But Finley threatens everything Sabin has fought hard to control, and as they fight off the devious Kantos, they both will face the demons of their pasts.

Each book in this action-packed science fiction romance series can be read as a **standalone.

Junkyard Pirate

Author: Jamie McFarlane

Knocking at death's door. Bargaining for a second chance. Seems like a heck of a way to find out about an alien invasion...

Vietnam vet Albert Jenkins is battling a bulging waistline and a passion for drink. So when a towering pile of scrap rocket parts falls and crushes the stubborn curmudgeon, he thinks it's finally the end. But just as he's about to take one final breath, a snarky alien parasite offers him a deal: his life in return for sharing his body.

With a little coaxing from his new pop-culture-loving inner resident, AJ's broken carcass improves so much that even an old flame is impressed. But his bright outlook fizzles when he discovers he's at ground zero of a galactic conspiracy to strip Earth of precious resources humans don't even know exist.

Can the unlikely partners join forces and use AJ's rusty military skills to raise the alarm? Or, will the alien invaders put him down once and for all?

Junkyard Pirate is the first book in an imaginative space opera series. If you like grizzled soldiers, clever twists and turns, and intergalactic tactical pairings, then you'll love Jamie McFarlane's fast-paced alien adventure.

We are not alone.

On Ganymede, breadbasket of the outer planets, a Martian marine watches as her platoon is slaughtered by a monstrous supersoldier. On Earth, a high-level politician struggles to prevent interplanetary war from reigniting. And on Venus, an alien protomolecule has overrun the planet, wreaking massive, mysterious changes and threatening to spread out into the solar system.

In the vast wilderness of space, James Holden and the crew of the *Rocinante* have been keeping the peace for the Outer Planets Alliance. When they agree to help a scientist search war-torn Ganymede for a missing child, the future of humanity rests on whether a single ship can prevent an alien invasion that may have already begun . . .

Iron Prince (Warformed: Stormweaver Book 1)

Author: Bryce O'Connor

Reidon Ward will become a god.

He doesn't know it yet, of course. Reidon was born weak, sickly and small. Afflicted with a painful disease and abandoned by his parents because of it, he has had to fight tooth and nail for every minor advantage life has allowed him.

His perseverance has not gone unnoticed, however, and when the most powerful artificial intelligence in human history takes an interest in him, things began to change quickly. Granted a CAD—a Combat Assistance Device—with awful specs but an infinite potential for growth, Reidon finds himself at the bottom of his class at the Galens Institute, one of the top military academies in the Collective. Along with his best friend, Viviana Arada, Reidon will have to start his long climb through the school rankings, and on to the combat tournament circuits that have become humanity's greatest source of excitement and entertainment.

So begins the rise of a god. So begins the ascent of the Stormweaver.

The Messenger Box Set: Books 1-6

Author: J.N. Chaney

Dash never asked to be a mech pilot, but fate has other plans.

On the run and out of chances, he guides his ship and crew into the heart of a relic older than the galaxy itself—and find himself on the edge of an eternal war he never knew existed.

The relic is a mech, lost to history and forgotten by all who remain. Built by an ancient race to be the ultimate weapon, the machine is capable of unspeakable destruction, and its discovery could unhinge the balance of power throughout known space.

Worse still, the A.I. inside the machine speaks of an ancient evil that will soon arrive—a race whose power far exceeds anything humanity has ever witnessed.

Only the Messenger can stand against them, the A.I. tells its new pilot. Only you can do what must be done.

Dervishes Don't Dance: A Paranormal Suspense Novel with a Touch of Romance (Valkyrie Bestiary Book 2)

Author: Kim McDougall

Sometimes you just need to hug your dervish.

Like when he protects you from brownies.

Or goes down into the scary basement with you because he's proud to be your apprentice.

Or when he saves the world.

Kyra Greene, pest controller to the extraordinary is back with a new adventure!

A Guardian is dead. Fae are missing. And someone has let a golem loose in town. Ride along with Kyra Greene, the only pest controller qualified to deal with the strange and wonderful creatures that come out of the shadows when magic flares.

Dervishes Don't Dance is the second book in the Valkyrie Bestiary series.

Claimed: A Sci-Fi Alien Romance (Fated Mates of the Kalixian Warriors Book 1)

Author: Presley Hall

Recently jobless and homeless, now I've been kidnapped by aliens.

I thought my day couldn't get any worse... until the disgusting Orkun warlords who abducted me tell me I'm meant to be a "bride" for their commander.

No! No freaking way.

But before I can figure out a way off this spaceship, I find myself caught in the middle of an uprising by their other captives: a breathtakingly masculine gladiator race called Kalixians.

With their bronze skin, horns, and rippling muscles, the Kalixians look like gods.

Their leader, Tordax, is the most stunning of all. His touch sets off fireworks in my body, and I'm drawn to him in a way I can't understand—especially considering we don't even speak the same language.

But am I really safer now, or have I just traded one captor for another?

What does this powerful alien want with me?

And why does he keep looking at me like I'm his?

Claimed is a full-length standalone sci-fi romance featuring hot alien gladiators with huge... horns, a sassy heroine who finds her courage in space, and a possessive alpha hero who would do anything to protect his fated mate.

If you like sexy aliens, sweeping adventure, and steamy romance, you'll love this series. No cheating, no cliffhanger, and a happily ever after guaranteed!

Jack Flint: Mountain Man: A Frontier Mountain Man Novel (A Jack Flint Mountain Man Western Book 1)

Author: William H. Joiner Jr.

This is the brand new high-octane Mountain Man adventure from William H. Joiner, Jr. Are you ready for Jack Flint: Mountain Man?

Jack's parents were killed in an Apache raid when he was an infant. Jack was raised as an Apache until his village was destroyed by a rival tribe. Jack was prepared to go to war to avenge his Apache kin. An appearance by the Great Spirit convinced him to take another path. Jack went west and met mountain man and trapper Kit Bridger, who became his best friend. Eventually Jack became chief of the Shoshone in the Wind River Mountains in Wyoming.

Jack defended the weak and oppressed. He cared nothing about the white man's law. All that mattered to Jack was the justice that could only be found in the mountains.

Pestilence (The Four Horsemen Book 1)

Author: Laura Thalassa

They came to earth—Pestilence, War, Famine, Death—four horsemen riding their screaming steeds, racing to the corners of the world. Four horsemen with the power to destroy all of humanity. They came to earth, and they came to end us all.

When Pestilence comes for Sara Burn's town, one thing is certain: everyone she knows and loves is marked for death. Unless, of course, the angelic-looking horseman is stopped, which is exactly what Sara has in mind when she shoots the unholy beast off his steed.

Too bad no one told her Pestilence can't be killed.

Now the horseman, very much alive and very pissed off, has taken her prisoner, and he's eager to make her suffer. Only, the longer she's with him, the more uncertain she is about his true feelings towards her ... and hers towards him.

And now, well, Sara might still be able to save the world, but in order to do so, she'll have to sacrifice her heart in the process.

Babylon's Ashes (The Expanse Book 6)

Author: James S. A. Corey

The sixth book in the *NYT* bestselling Expanse series, *Babylon's Ashes* has the galaxy in full revolution, and it's up to the crew of the *Rocinante* to make a desperate mission to the gate network and thin hope of victory. Now a Prime Original series.

HUGO AWARD WINNER FOR BEST SERIES

A revolution brewing for generations has begun in fire. It will end in blood.

The Free Navy -- a violent group of Belters in black-market military ships -- has crippled the Earth and begun a campaign of piracy and violence among the outer planets. The colony ships heading for the thousand new worlds on the far side of the alien ring gates are easy prey, and no single navy remains strong enough to protect them.

James Holden and his crew know the strengths and weaknesses of this new force better than anyone. Outnumbered and outgunned, the embattled remnants of the old political powers call on the *Rocinante* for a desperate mission to reach Medina Station at the heart of the gate network.

But the new alliances are as flawed as the old, and the struggle for power has only just begun.

Babylon's Ashes is a breakneck science fiction adventure following the bestselling *Nemesis Games*.

Her Alien Prince: A Sci-Fi Alien Romance (Voxeran Fated Mates Book 1)

Author: Presley Hall

I was sent to make contact with aliens... I never expected one to claim me as his mate.

When I get the chance to be part of a first-contact mission to space, I jump at it. I need a break from my life back on Earth. From the lie of my marriage. From the heartbreak of betrayal.

But after we crash on a planet far from our planned destination, everything changes. Stranded in an unforgiving wilderness, I suddenly find myself hoping extraterrestrial life *doesn't* exist.

No such luck.

As I search for a way to rejoin the other survivors, I fall—literally—into the lap of a massive alien warrior with metallic blue skin and cat-like eyes. He's... gorgeous. Mesmerizing. I can't stop staring at him, and he seems just as fascinated by me.

Actually, he seems *more* than fascinated. The way he looks at me is possessive and protective, and even though I can't understand his words, his voice sends shivers down my spine.

I don't understand what's happening between us, but I do know one thing: he's the best shot I have at finding a way back home.

The only problem is, I'm not so sure anymore that I want to leave.

Her Alien Prince is a full-length standalone sci-fi romance featuring blue-skinned alien warriors, a heroine who learns what love truly is, and a rebel prince who would move the stars for his fated mate.

If you like sexy aliens, steamy romance, and thrilling adventure, you'll love this series. No cliffhanger, and a happily ever after guaranteed!

Pandemic (The Extinction Files Book 1)

Author: A.G. Riddle

"...reads like a superior collaboration between Dan Brown and Michael Crichton."

—*The Guardian*

Now an Amazon Charts and *Wall Street Journal* bestseller.

From A.G. Riddle, the worldwide bestselling author with OVER FOUR MILLION COPIES SOLD in twenty languages, comes a groundbreaking novel that takes you inside the the CDC and WHO response to a global outbreak. It's an eye-opening journey that may well change everything you think you know about pandemics—and how to survive one.

Selected Praise for A.G. Riddle

"I finished the book fast because I just couldn't wait..."

—**WIRED GeekDad** on *Departure*

"Riddle makes an effort to keep the focus on how his characters react to each other (including to their future selves) rather than to the technological marvels that reshaped their world."

—**Publisher's Weekly** on *Departure*

"Well-constructed and tightly-wound as a fine Swiss watch—*Departure* has non-stop action, an engaging plot and, of course, wheels within wheels."
—**Diana Gabaldon**, #1 *New York Times* bestselling author of *Outlander* on *Departure*

An Extended Look at *Pandemic*

A hundred miles north of Alaska, a US Coast Guard vessel discovers a sunken submarine at the bottom of the Arctic Ocean. It has no national identification. It doesn't match the records of any known vessel. Deep within, researchers find evidence of a scientific experiment that will rewrite our basic understanding of the human race.

In Atlanta, Dr. Peyton Shaw is awakened by the phone call she has dreaded for years. As the CDC's leading epidemiologist, she's among the first responders to outbreaks around the world. It's a lonely and dangerous job, but it's her life—and she's good at it. This time, she may have met her match.

In Kenya, an Ebola-like pathogen has infected two Americans. One lies at death's door. With the clock ticking, Peyton assembles her team and joins personnel from the Kenyan Ministry of Health and the WHO. What they find in the remote village is beyond their worst fears. As she traces the origin of the pathogen, Peyton begins to believe that there is more to this outbreak—that it may be merely the opening act in a conspiracy with far reaching consequences.

In Berlin, Desmond Hughes awakens in a hotel room with no memory of how he got there or who he is. On the floor, he finds a dead security guard from an international pharmaceutical company. His only clue leads him to Peyton Shaw—a woman who seems to know him, but refuses to tell him how. With the police searching the city for him, Desmond desperately tries to piece together what happened to him. To his shock and horror, he learns that he may be involved in causing the outbreak—and could hold the only key to stopping it.

As the pathogen spreads around the world, Peyton and Desmond race to unravel the conspiracy behind the pandemic—and uncover secrets some want to keep buried. With time running out, they face an unimaginable decision.

NOTE: this novel is available as an eBook on Kindle Fire and Kindle eReader, as an Audible audiobook, and in print (paperback and hardcover). It's also in Kindle Unlimited where subscribers can borrow it for free.

Time Frame (Split Second Book 2)

Author: Douglas E. Richards

A breathtaking standalone sequel to SPLIT SECOND, the runaway bestseller that reinvented the time travel genre.

A daring attempt to go back a split second in time to destroy Kim Jong-un. A discovery so consequential it dwarfs even time travel. And a treacherous enemy bent on revenge.

Lee Cargill is the head of Q5, a secret organization that can send objects a split second back into the past. And while this seems utterly useless, it turns out to be the most powerful capability the world has ever known. Those who control it can transform civilization—or destroy it entirely.

When Cargill sends Aaron Blake, his most formidable operative, on an unauthorized mission to destroy Kim Jong-un, all hell breaks loose. As Blake battles for his life, his chances of thwarting the North Korean tyrant plummet. But they're about to get far worse. Because China has learned of Q5 technology, and they'll stop at nothing to hunt Blake down . . .

And all the while, a powerful enemy has reemerged. An enemy who seeks to use time travel technology to achieve a twisted, psychopathic vision that will leave millions dead—starting with Lee Cargill and the entire Q5 team.

TIME FRAME is a roller-coaster ride of a thriller, one packed with fascinating concepts that readers will be contemplating long after they've read the last page.

THEDEVIL'S SWORD

Across a Billion Years

Author: Robert Silverberg

A team of space archaeologists makes an astonishing discovery about an ancient alien race in this science fiction tale from “a master of his craft” (Los Angeles Times).

Graduate student Tom Rice is thrilled to embark on his first deep-space archeological expedition. He is part of a team from Earth, venturing out in search of artifacts from a civilization that ruled the universe many millennia ago. Called the High Ones, the members of this long-gone society left tantalizing clues about their history and culture scattered throughout space. One such clue, a “message cube” containing footage of the ancient ones, is more interesting than all of the others combined. It seems to indicate that the High Ones aren't extinct after all—and just like that, Tom Rice's archeological mission has become an intergalactic manhunt, one filled with ever-increasing danger that will send the explorers hurtling headlong into the greatest adventure—and peril—of their lives. *This ebook features an illustrated biography of Robert Silverberg including rare images and never-before-seen documents from the author's personal collection.*

The Enigma Cube (Alien Artifact Book 1)

Author: Douglas E. Richards

To secure a dazzling future they must travel to a perilous past. A riveting science-fiction thriller from the million-copy *NY Times* bestselling author.

"Richards is an extraordinary writer," (Dean Koontz) who can "keep you turning the pages all night long." (Douglas Preston)

An alien object with breathtaking capabilities. And a life-and-death struggle for the future of humanity.

Dr. Kelly Connolly is part of a top-secret team studying the most important find in human history, the Enigma Cube, an alien artifact of incomprehensible power. A cube whose technology can catapult civilization to dizzying heights--or destroy it entirely.

After years of failed attempts to unlock the cube's secrets, all hell suddenly breaks loose. Kelly and a black-ops commando, Justin Boyd, are soon fighting against all odds to stay alive, and to keep the cube out of enemy hands.

As the situation quickly goes from bad to worse, Kelly discovers that the cube is far more dangerous than even she had imagined. And that her actions could lead to nightmarish changes to the nature of reality itself.

The Enigma Cube is a masterful thriller. One crammed with breakneck action, unexpected twists, mind-blowing science, and ethical dilemmas readers will be contemplating long after they've read the last page.

Mason: A steamy contemporary military romance (Project Arma Book 4)

Author: Nyssa Kathryn

Falling for each other was never part of the plan...

Doctor Sage Porter has moved to Marble Falls to be the private physician for a group of men unlike any the world has ever known. But she has a second, secret reason for moving to the small town. A reason she can't share with another living soul...

Especially not the men under her care.

Mason Ross is a born guardian. Protecting his team and their families comes naturally, and he'll do anything to keep them safe—but what if the peril is less than obvious? Like the gorgeous doctor who's caught his attention. She's hiding something. And Mason is more than aware that secrets can be deadly, and sometimes the least likely threat poses the greatest danger.

Getting close is a risk; both Mason and Sage have a lot to lose...including each other, if they can't work together to survive the coming menace.

Emergency Skin (Forward collection)

Author: N. K. Jemisin

Winner of the 2020 Hugo Award for Best Novelette.

Audible narration by Jason Isaacs (*Star Trek: Discovery*)

What will become of our self-destructed planet? The answer shatters all expectations in this subversive speculation from the Hugo Award-winning author of the Broken Earth trilogy.

An explorer returns to gather information from a climate-ravaged Earth that his ancestors, and others among the planet's finest, fled centuries ago. The mission comes with a warning: a graveyard world awaits him. But so do those left behind—hopeless and unbeautiful wastes of humanity who should have died out ages ago. After all this time, there's no telling how they've devolved. Steel yourself, soldier. Get in. Get out. And try not to stare.

N. K. Jemisin's Emergency Skin is part of Forward, a collection of six stories of the near and far future from out-of-this-world authors. Each piece can be read or listened to in a single thought-provoking sitting.

An Extended Look at *The Atlantis Plague*

In Marbella, Spain, Dr. Kate Warner awakens to a horrifying reality: the human race stands on the brink of extinction. A pandemic unlike any before it has swept the globe. Nearly a billion people are dead—and those that the Atlantis Plague does not kill, it transforms at the genetic level. A few rapidly evolve. The remainder devolve.

As the world slips into chaos, radical solutions emerge. Industrialized nations offer a miracle drug, Orchid, which they mass produce and distribute to refugee camps around the world. But Orchid is merely a way to buy time. It treats the symptoms of the plague but never cures the disease.

Immari International offers a different approach: do nothing. Let the plague run its course. The Immari envision a world populated by the genetically superior survivors—a new human race, ready to fulfill its destiny.

With control of the world population hanging in the balance, the Orchid Alliance and the Immari descend into open warfare. Now the last hope for humanity is to find a cure. Kate alone holds the key to unraveling the mystery surrounding the Atlantis Plague. The answer may lie in understanding pivotal events in human history—events when the human genome mysteriously changed. Her journey takes her across the barren wastelands of Europe and northern Africa, but it is her research into the past that takes her where she never expected to go. She soon discovers that the history of human evolution is not what it seems—and setting it right may require a sacrifice she never imagined.

About The Author

A.G. Riddle's debut novel, *The Atlantis Gene*, became a global phenomenon, topping best seller charts in the US and abroad. Every year, Amazon compiles a list of the top 100 bestselling Kindle eBooks of the year (by total sales volume). *The Atlantis Gene* has made Amazon's annual Kindle bestseller list an unprecedented five years in a row—every year since the book's release (2013, 2014, 2015, 2016, and 2017). Since then, Riddle has released eight more novels, selling millions of copies in two dozen languages. His books feature a unique mix of science, history, and suspense that has delighted fans of Michael Crichton, Dan Brown, Clive Cussler, and James Rollins and continues to sell year after year. He lives in Raleigh, North Carolina.

NOTE: this novel is available as a Kindle eBook, an Audible audiobook, and in print. It is also in Kindle Unlimited.

Brave New World: With the Essay "Brave New World Revisited"

Author: Aldous Huxley

Now a Peacock Original Series

Now more than ever: Aldous Huxley's enduring masterwork must be read and understood by anyone concerned with preserving the human spirit

"A masterpiece. ... One of the most prophetic dystopian works." —Wall Street Journal

Aldous Huxley's profoundly important classic of world literature, *Brave New World* is a searching vision of an unequal, technologically-advanced future where humans are genetically bred, socially indoctrinated, and pharmaceutically anesthetized to passively uphold an authoritarian ruling order—all at the cost of our freedom, full humanity, and perhaps also our souls. "A genius [who] who spent his life decrying the onward march of the Machine" (*The New Yorker*), Huxley was a man of incomparable talents: equally an artist, a spiritual seeker, and one of history's keenest observers of human nature and civilization. *Brave New World*, his masterpiece, has enthralled and terrified millions of readers, and retains its urgent relevance to this day as both a warning to be heeded as we head into tomorrow and as thought-provoking, satisfying work of literature. Written in the shadow of the rise of fascism during the 1930s, *Brave New World* likewise speaks to a 21st-century world dominated by mass-entertainment, technology, medicine and pharmaceuticals, the arts of persuasion, and the hidden influence of elites.

"Aldous Huxley is the greatest 20th century writer in English." —*Chicago Tribune*

Q-Gates (The Silver Ships Book 19)

Author: S. H. Jucha

Outpost One: Resistance, the peacekeeping station in alliance space, is mired in political turmoil and dangerous conditions from the Colony, a race of giant devouring insectoids. Commander Jess Cinders and Admiral Lucia Bellardo fight the troubles besieging the outpost from multiple directions.

Sand serpents, Usaanans, are suspected of undercutting outpost contracts, necessitating Major Sam Fleetfoot investigate the source of their production. His time on the Lemgart's home world, with Lieutenant Candace Weller, progresses through a series of alien contacts. When the Usaanans are exposed, the sand serpents attempt to eliminate the human pair.

Meanwhile, Chief Engineer Mickey Brandon and his teams, led by the SADEs, investigate the Messinants domes. Their aim is to duplicate the ancient race's technique of transporting individuals and goods through quantum-linked platforms, called Q-gates. The teams produce requests for console inputs that stymie them and lead to cataclysmic events.

Omnian Co-leader Alex Racine's mysterious dreams turn into nightmares, and he fears for events in alliance space. The dreams herald multiple calamities, such as the loss of the Transit Tripper. The freighter, carrying an alien drone from the Worlds of Light, was sent to Mickey to examine.

To make matters worse, the Colony has escalated its tactics against the Resistance. The alliance defenders, having had a modicum of success, recently suffered setbacks. Jess must add to Mickey's tasks, requesting the chief engineer find a way to defeat the Colony's new energy weapons before more lives and ships are lost.

Now, Then, and Everywhen (Chronos Origins Book 1)

Author: Rysa Walker

From the bestselling author of the Chronos series comes a page-turning novel of time travel, fast-paced action, and history-changing events.

When two time-traveling historians cross paths during one of the most tumultuous decades of the twentieth century, history goes helter-skelter. But which one broke the timeline?

In 2136 Madison Grace uncovers a key to the origins of CHRONOS, a time-travel agency with ties to her family's mysterious past. Just as she is starting to jump through history, she returns to her timeline to find millions of lives erased—and only the people inside her house realize anything has changed.

In 2304 CHRONOS historian Tyson Reyes is assigned to observe the crucial events that played out in America's civil rights movement. But a massive time shift occurs while he's in 1965, and suddenly the history he sees isn't the history he knows.

As Madi's and Tyson's journeys collide, they must prevent the past from being erased forever. But strange forces are at work. Are Madi and Tyson in control or merely pawns in someone else's game?

Sons of War: A Post-Apocalyptic War Thriller (The Sons of War Series Book 1)

Author: Nicholas Sansbury Smith

All empires eventually fall...

The United States is no exception...

And out of the embers, a lawless new empire will rise...

Across the world, the United States recalls troops to combat civil unrest after the biggest economic meltdown in history. Marine Sergeant Ronaldo Salvatore's platoon comes home to a powder keg that could ignite a civil war.

While some see the coming collapse as the end, others see opportunity. Fleeing Naples after rival crime lords decimated his family, Don Antonio Moretti settles in Los Angeles to rebuild his criminal empire. But he is far from alone in his ambitions--the cartel and rival gangs all want the same turf, and they will sacrifice their own soldiers and the blood of innocents to get it.

As open warfare erupts across the states, Salvatore fights his way back to LA, where his son has joined the police in the battle for a city spiraling into anarchy. Family is everything, and the Morettis and Salvatores will do what they must to protect their own. But how far will they go to survive in a new economy where the only currency is violence?

The explosive new Sons of War series is a harrowing and realistic depiction of what a second American Civil War and the aftermath might look like, from former Homeland Security Disaster Mitigation Officer and *New York Times* bestselling author Nicholas Sansbury Smith.

Old Dogs, Older Tricks (Junkyard Pirate Book 2)

Author: Jamie McFarlane

He's a Vietnam vet, with a new lease on life. To fight an out-of-this-world invasion, he'll need a little help from his friends...

Albert Jenkins never cared much for bureaucrats and politicians. So when the Galactic Congress refuses to act on the illegal invasion of Earth by parasitic aliens, he does what any self-respecting vet would do – he steals a spaceship. But when AJ and a snarky pop-culture loving alien companion are pursued by space cops, he does the only rational thing he can come up with. He strategically crash lands on a junkyard moon.

When he finally make it back home with what he hopes is a cure for the occupying parasites, he discovers the situation is worse than expected. The microscopic invaders have redoubled their efforts to strip Earth of critical resources, yet undiscovered by humanity. Knowing that time is in short supply, AJ calls on his network of crusty yet elite buddies from 'Nam. Fortunately, it does not take much convincing to get these aging patriots to saddle up one more time to kick some alien ass.

With youth restored, this elite squad of old vets will pit themselves against an unseen enemy. The question is – can they put an end to this global invasion once and for all?

Old Dogs, Older Tricks is the second book in the wild Junkyard Pirate space opera series. If you like sarcastic heroes, hilarious extraterrestrial sidekicks, and ragtag military units, then you'll love Jamie McFarlane's epic adventure.

Possessed: A Sci-Fi Alien Warrior Romance (Raider Warlords of the Vandar Book 1)

Author: Tana Stone

I sacrificed myself to save my sister's ship. Now the raider warlord owns me.

It was my own fault. I was the navigator of our ship, and I'm the one who led us straight into Vandar territory.

We'd heard rumors about the Vandar raiders—everyone in the galaxy had. Terrifying and ruthless, they were a scourge on the Zagrath empire and destroyed everything in their path.

Few had actually laid eyes on the Vandar or the notorious warlords who led their fleets of warships—and survived to talk about it. So, when the ruthless aliens boarded our ship intent on destroying it and killing the crew, I did the only thing I could do.

I gave myself to the dark and menacing warlord. In exchange for allowing my sister's ship passage out of the Vandar territory, I must share his bed and travel with his crew of deadly raiders. Even though the sight of the huge, battle-scarred alien terrifies me.

But as I adjust to my new life on a savage warship, I discover that the dominant alien warrior wants more than just my body. He wants to possess my soul. And he'll make a new deal with me to get it.

Possessed is a full-length sci-fi romance novel with a HEA and no cheating. It features steamy scenes on a raider warship, alien horde space battles, and some serious enemies-to-lovers heat.

If you like dominant and dangerous alien warriors, alien abduction to seduction romance, and hot scenes with a happily ever after, you'll love *Possessed*, the first book in Tana Stone's sci-fi romance Raider Warlords of the Vandar series. Each book can be read as a standalone.
