## The Judge's List: A Novel (The Whistler Book 2)

**Author: John Grisham**

**#1 NEW YORK TIMES BEST SELLER • Investigator Lacy Stoltz follows the trail of a serial killer, and closes in on a shocking suspect—a sitting judge—in “one of the best crime reads of the year.... Bristling with high-tech detail and shivering with suspense.... Worth staying up all night to finish” (Wall Street Journal).**

In *The Whistler*, Lacy Stoltz investigated a corrupt judge who was taking millions in bribes from a crime syndicate. She put the criminals away, but only after being attacked and nearly killed. Three years later, and approaching forty, she is tired of her work for the Florida Board on Judicial Conduct and ready for a change.

Then she meets a mysterious woman who is so frightened she uses a number of aliases. Jeri Crosby's father was murdered twenty years earlier in a case that remains unsolved and that has grown stone cold. But Jeri has a suspect whom she has become obsessed with and has stalked for two decades. Along the way, she has discovered other victims.

Suspicious are easy enough, but proof seems impossible. The man is brilliant, patient, and always one step ahead of law enforcement. He is the most cunning of all serial killers. He knows forensics, police procedure, and most important: he knows the law.

He is a judge, in Florida—under Lacy's jurisdiction.

He has a list, with the names of his victims and targets, all unsuspecting people unlucky enough to have crossed his path and wronged him in some way. How can Lacy pursue him, without becoming the next name on his list?

The Judge's List is by any measure John Grisham's most surprising, chilling novel yet.

**Author: Michael Connelly**

**LAPD detective Renée Ballard and Harry Bosch work together to hunt the killer who is Bosch's "white whale"—a man responsible for the murder of an entire family.**

A year has passed since LAPD detective Renée Ballard quit the force in the face of misogyny, demoralization, and endless red tape. Yet, after the chief of police himself tells her she can write her ticket within the department, Ballard takes back her badge, leaving "the Late Show" to rebuild the cold case unit at the elite Robbery-Homicide Division.

For years, Harry Bosch has been working a case that haunts him but that he hasn't been able to crack—the murder of an entire family by a psychopath who still walks free. Ballard makes Bosch an offer: come work with her as a volunteer investigator in the new Open-Unsolved Unit, and he can pursue his "white whale" with the resources of the LAPD behind him.

**Homicide detective Eve Dallas must untangle a twisted family history while a hostage's life hangs in the balance—in *Abandoned in Death* by New York Times bestselling author J. D. Robb.**

The woman's body was found in the early morning, on a bench in a New York City playground. She was clean, her hair neatly arranged, her makeup carefully applied. But other things were very wrong—like the tattoo and piercings, clearly new. The clothes, decades out of date. The fatal wound hidden beneath a ribbon around her neck. And the note: *Bad Mommy*, written in crayon as if by a child.

Eve Dallas turns to the department's top profiler, who confirms what seems obvious to Eve: They're dealing with a killer whose childhood involved some sort of trauma—a situation Eve is all too familiar with herself. Yet the clues suggest a perpetrator who'd be roughly sixty years old, and there are no records of old crimes with a similar MO. What was the trigger that apparently reopened such an old wound and sent someone over the edge?

When Eve discovers that other young women—who physically resemble the first victim—have vanished, the clock starts ticking louder. But to solve this case she will need to find her way into a hidden place of dim light and concrete, into the distant past, and into the cold depths of a shattered mind.

**NEW YORK TIMES BESTSELLER • The past comes back to haunt psychologist Alex Delaware and Detective Milo Sturgis when they investigate a grisly double homicide and uncover an even more unspeakable motive in this riveting thriller from the bestselling master of suspense.**

Los Angeles is a city of sunlight, celebrity, and possibility. The L.A. often experienced by Homicide Lt. Detective Milo Sturgis and psychologist Alex Delaware, is a city of the dead.

Early one morning, the two of them find themselves in a neighborhood of pretty houses, pretty cars, and pretty people. The scene they encounter is anything but. A naked young man lies dead in the street, the apparent victim of a collision with a moving van hurtling through suburbia in the darkness. But any thoughts of accidental death vanish when a blood trail leads to a nearby home.

Inside, a young woman lies butchered. The identity of the male victim and his role in the horror remain elusive, but that of the woman creates additional questions. And adding to the shock, Alex has met her while working a convoluted child custody case. Cordelia Gannett was a self-styled internet influencer who'd gotten into legal troubles by palming herself off as a psychologist. Even after promising to desist, she's found a loophole and has continued her online career, aiming to amass clicks and ads by cyber-coaching and cyber-counseling people plagued with relationship issues.

But upon closer examination, Alex and Milo discover that her own relationships are troublesome, including a tortured family history and a dubious personal past. Has that come back to haunt her in the worst way? Is the mystery man out in the street collateral damage or will he turn out to be the key to solving a grisly double homicide? As the psychologist and the detective explore L.A.'s meanest streets, they peel back layer after layer of secrets and encounter a savage, psychologically twisted, almost unthinkable motive for violence and bloodshed.

This is classic Delaware: Alex, a man Milo has come to see as irreplaceable, at his most insightful and brilliant.

Making her feel hotter than any future brother-in-law should.

Elena may be the Sweet Abelli on the outside, but she's beginning to learn she has a taste for the darkness, for rough hands, cigarettes, and whiskey-colored eyes.

## **Apples Never Fall**

**Author: Liane Moriarty**

## #1 New York Times Bestseller

From Liane Moriarty, the #1 New York Times bestselling author of *Big Little Lies* and *Nine Perfect Strangers*, comes *Apples Never Fall*, a novel that looks at marriage, siblings, and how the people we love the most can hurt us the deepest.

*The Delaney family love one another dearly—it's just that sometimes they want to murder each other . . .*

If your mother was missing, would you tell the police? Even if the most obvious suspect was your father?

This is the dilemma facing the four grown Delaney siblings.

The Delaneys are fixtures in their community. The parents, Stan and Joy, are the envy of all of their friends. They're killers on the tennis court, and off it their chemistry is palpable. But after fifty years of marriage, they've finally sold their famed tennis academy and are ready to start what should be the golden years of their lives. So why are Stan and Joy so miserable?

The four Delaney children—Amy, Logan, Troy, and Brooke—were tennis stars in their own right, yet as their father will tell you, none of them had what it took to go all the way. But that's okay, now that they're all successful grown-ups and there is the wonderful possibility of grandchildren on the horizon.

One night a stranger named Savannah knocks on Stan and Joy's door, bleeding after a fight with her boyfriend. The Delaneys are more than happy to give her the small kindness she sorely needs. If only that was all she wanted.

Later, when Joy goes missing, and Savannah is nowhere to be found, the police question the one person who remains: Stan. But for someone who claims to be innocent, he, like many spouses, seems to have a lot to hide. Two of the Delaney children think their father is innocent, two are not so sure—but as the two sides square off against each other in perhaps their biggest match ever, all of the Delaneys will start to reexamine their shared family history in a very new light.

## Haunting Adeline (Cat and Mouse Duet Book 1)

**Author: H. D. Carlton**

The Manipulator

I can manipulate the emotions of anyone who lets me.  
I will make you hurt, make you cry, make you laugh and sigh.  
But my words don't affect him. Especially not when I plead for him to leave.  
He's always there, watching and waiting.  
And I can never look away.  
Not when I want him to come closer.

The Shadow

I didn't mean to fall in love.  
But now that I have, I can't stay away.  
I'm mesmerized by her smile, by her eyes, and the way she moves.  
The way she undresses...  
I'll keep watching and waiting. Until I can make her mine.  
And once she is, I'll never let her go.  
Not even when she begs me to.
