

# Zodiac Academy: The Awakening

**Author: Caroline Peckham**

I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae.

But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could.

The school they've sent me to is both dangerous as sh\*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy.

Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates – which is actively encouraged by the way.

My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell.

All I've got to do is survive. But fate might have other ideas.

Dammit, why couldn't I have gotten a letter to Hogwarts?

*\*\*\*This is a dark, bully romance – don't go expecting a sweet school for magic with friends around every corner. Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18+ where only the strongest prevail. There's no Dumbledore here to save anyone's ass and Lionel Acrux will give Voldemort a run for his money in the evil dictator category. So hold onto your stardust (broomsticks not required) and get ready for a bumpy ride\*\*\**

## From Blood and Ash (Blood And Ash Series Book 1)

**Author: Jennifer L. Armentrout**

***Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa.***

A Maiden...

Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers.

A Duty...

The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden.

A Kingdom...

Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.

## Never His Mate: a Rejected Mates Shifter Romance (Claws and Fangs Book 1)

**Author: Sarah Spade**

**After my mate rejected me, I wanted to kill him. Instead, I ran away—which nearly killed me...**

A year ago, everything was different. I had just left my home, joining the infamous Mountainside Pack. The daughter of an omega wolf, I've always been prized—but not as prized as I would be if my new packmates found out my secret.

But when my fated mate—Mountainside's Alpha—rejected me in front of his whole pack council and my secret got out, I realized I had one choice. Going lone wolf was the only option I had, and I took it.

Now I live in Muncie, hiding in plain sight. If the wolves ever left the mountains surrounding the city, I'd be in big trouble. Good thing that the truce between the vampires and my people is shaky at best and Muncie? It's total vamp territory. Thanks to my new vamp roomie, I get a pass, and I try to forget all about the call of the wolf. It's tough, though. I... I just can't forget my embarrassment—and my anger—from that night.

And then *he* shows up and my chance at forgetting flies out the damn window.

Ryker Wolfson. He was supposed to be my fated mate, but he chose his pack over our bond. At least, he *did*—but now that he knows what I've been hiding, he wants me back.

But doesn't he remember?

I told him I'll never be his mate, and there isn't a single thing he can do to change my mind.

To Ryker, that sounds like a challenge. And if there's one thing I know about wolf shifters, it's that they can never resist a challenge.

Just like I'm finding it more difficult than I should to resist *him*.

\*\*

***Never His Mate*** is a new release (68,000+ words) featuring Gemma Swann, a wolf shifter who is hiding a damning secret. Luckily for her, she not only manages to survive the local vamps, but she makes friends with one. Things are looking up for her: she has a place with her roommate, a new job she loves, and the certainty that she'll never have to look at Ryker Wolfson's handsome face ever again.

Until he stalks into Muncie and, suddenly, Gem is confronted by his rejection all over again. So what if he says he had a good reason? If he thinks she's going to take him back now, he has another think coming.

The woman who is saving him could also be the broken king's undoing.

Cora Peterson is just a regular girl working a unique job. She's drawn to birds, and crows in particular because of her long history with them. On the day she discovers crow shifters exist, there is no time for shock. The man she's thrown in with is dying, and she's the only one who can help. And his Crow Blooded people have made her a promise. If Krome lives, she lives, too. What starts as a project for survival turns personal when Krome shows her surprising respect and care. All of the pieces of her past seem to be coming together, but there is danger in bonding to a man at the top of the food chain. If she lets him slip, she becomes the target in a war that the humans don't even know about...and eventually, she will have to choose between his life, or hers.

The Oath of Bane was just the beginning.  
It's the crows' war now.

Content Warning: Explicit love scenes, naughty language, and piles of sexy shifter secrets. Intended for mature audiences.

## Once Bitten (Shadow Guild: The Rebel Book 1)

**Author: Linsey Hall**

**Vampires aren't real, right?**

People say I'm a weirdo. Sure, my idea of a party is a mini box of wine and hanging out with a feral raccoon, but it works for me.

When I'm accused of murder, things get crazy. One, I learn that I have magic. Two, there's a secret magical city hidden right in London itself. And three, my only hope is a vampire who's sexy as sin and scary as the devil himself. He's called the Devil of Darkvale, and he all but owns Guild City.

Some say I should just quit and turn myself in. Not a chance. I'm going to solve this murder myself, which means surviving in a new world of witch parties, magical guilds, and a vampire with a tortured past. The vampire and I are like colliding stars, and the heat is irresistible. I should avoid him, but if I want to save my own life, he's my only hope.

## Rancher Dragon (Texas Dragons Book 2)

**Author: Terry Bolryder**

## Save a horse, ride a rancher dragon...

Beck is a big, growly mountain of a man with a monster of a dragon inside him. He keeps to himself, only leaving Dragonclaw Ranch when his inner beast feels unsafe for his friends. But when a brush with death makes Beck give a stranger his dragon's talon coin, he wakes up to a pretty, curvy woman that he now owes a favor. By the way his dragon growls 'mine' and 'mate', Beck knows it might be safer for them both if he stays away. Until he finds out Sierra's in danger, and a monster might be just what she needs.

When a huge, gorgeous mountain of a man fell unconscious on Sierra's land, she didn't hesitate to ride out and finally meet her intimidating neighbors at Dragonclaw ranch. They all live up to their legends, with gorgeous, silver-eyed Beck catching her eye most of all. But after a grumpy stand-off with Beck, Sierra heads back home, not wanting to cause more trouble. But when Beck shows up and saves her, insisting on staying around, she can hardly say no to the mountain of a man. Especially when all her body wants to say is 'yes' to him.

As Beck guards Sierra and helps on her ranch, heat explodes between them under the beautiful western night sky. But Beck knows that even though this is the most happiness he has ever known, Sierra deserves more than a monster with a past soaked in blood. But when danger from multiple quarters comes calling, including a titanic, ancient beast, Beck must make peace with the possessive, giant monster inside him...or lose everything.

## Shadow Mate (Wolf Moon Academy Book 1)

**Author: Jen L. Grey**

**One little party turned my world upside down.**

After I challenged the Blood Council's four shifter heirs at a college party, the last thing I expected was to receive a full scholarship and an admittance letter from the exclusive Wolf Moon Academy.

Despite never desiring to be an alpha, this was an opportunity of a lifetime... or so I thought.

I soon learned that there was more behind my admission to the Academy than my education. I was there to be a lesson to the heirs -- in particular, the sexiest and strongest one, Liam Hale.

As if that wasn't bad enough, it turns out that he is my true mate. A fact that should be treasured, but he makes it clear that we will never be together.

However, things aren't always what they seem, and we all have secrets— some bigger than others. When the truth comes out it'll either set me free or set me up for disaster.

## **The Magic of Betrayal: Emerald Lakes Book Two**

***Author: Britt Andrews***

**I thought I had a lot of questions before.**

Finding myself back in Besmet with the demon from my dreams, I'm finding it hard to deny the connection I feel toward him, despite the fact that he's certifiably insane.

When did my life get so chaotic?

My green magic isn't stable. My moods aren't stable. My ex isn't stable. Gran's not stable... oh who am I kidding? She's *never* been stable, so at least one of us is consistent.

Luckily, I still have my guys; Cam, Fischer, Kai, and maybe Sloane. Honestly, I'm not sure that Sloane is capable of letting someone claim him, but he certainly makes my heart race.

Secrets, lies, and prophecies are coming to light. Hopefully I put my trust in the right people because betrayal on its own is terrible, but to be betrayed by those who swore to protect you? That would be devastating...

**This is a full-length RH romance, intended for adults 18 and over, which includes MMFMMM content. It ends on a cliffhanger and contains domestic violence including physical, mental, and sexual abuse and other themes that readers may find triggering.**

FOR ALL THE EVERYDAY HEROINES OVER FORTY WHO KNOW IT'S **NOT TOO LATE** FOR MAGIC!

The day after my forty-third birthday, my husband announced he was trading me in. His words, not mine. The news was unwelcome at the time, but honestly? I needed a good goosing to get up and find my way to the door.

So. I was freed from the manual of expectations authored by my ex that had, over the years, grown into an encyclopedia of what a wife "should" be and do. The freedom was the good news. The flip side was less happy. Due to living in a state not friendly to discarded wives, I was also relieved of the financial 'security' I'd spent a lifetime accruing.

Starting over? I didn't plan on it. Didn't see it coming. But pulling a sheet over my head and waiting for the end didn't seem like my style. Granted. I wasn't sure what my style was because I hadn't thought about freedom of expression since I was twenty.

I'd never been a fan of optimistic adages like 'it's not too late', but that was before my life was divided into two parts; everything that came before the mysterious package and everything after. Fate shot me with a lightning bolt of attitude adjustment and thrust me head first into an adventure that was unforeseeable to say the least. If you'd told me what my life was going to be like, I would have used every synonym for crazy you've ever heard.

I 'inherited' a curious antique store in a tiny, picturesque English village where the world of fae magic lives side by side with the mundane. But that's far from all. Eight times a year, I receive magical dignitaries and magical lowborn alike and mediate their disputes; some comical, some deadly serious.

It may be too late for super shiny hair, going without a bra, or sleeping eight hours without a potty break. But it seems that it's not too late for navigating magical politics, expatriating, romance, and saving the world.

*Perfect for fans of everyday heroines over forty.*

## **Wrangler Dragon (Texas Dragons Book 3)**

**Author: Terry Bolryder**

Save a horse, ride a wrangler dragon...

Clancy, head wrangler for the notorious Dragonclaw Ranch, never thought he'd have a mate. After all, swamp dragons like him are infamous for being monstrous killers. But as badly as he wants to keep his past behind him, an unexpected encounter with a curvy store owner puts him face to face with his complex history. In spite of that, her strong personality and cute reactions to him immediately make the beast inside Clancy growl "mate".

Billie Palmer has finally gotten her hands on the dragon's talon coin that belonged to Clancy long ago. So when a tall, sexy man comes into her store hoping to take the precious antique off her hands, her answer is no. Even if he has eyes the colors of emeralds and a body that she can't stop thinking about.

But a brush with danger brings Clancy rushing to Billie's aid. And the nearer he gets to Billie, the more possessive his dragon is becoming. Clancy can't stop wanting to hold and protect her, and Billie can't stop the feeling that she's fast falling for the mysterious man. Together, they experience exciting adventures by day that turn into unforgettable pleasures at night. But something is coming for them both. And if they don't learn to overcome the demons from their past, nothing will be able to stop the savage creature intent on destroying everything they both care about.

Wrangler Dragon is book 3 in the Texas Dragons series!

## **The Secrets in Shadow and Blood: An Enemies to Lovers Fantasy Romance (Fae Guardians, Season of the Vampire Book 1)**

**Author: Lana Pecherczyk**

**In the shadows, vision can turn blurry. Truths can become lies. Enemies can become lovers.**

When Violet inexplicably wakes thousands of years after a nuclear holocaust, she finds the world very different. Fae exist now. They're vicious, animalistic monsters who pervert magic and can morph into any shape—including vampires. They hoard the bounty of the new world, and keep humans banished to the wasteland. At least, that's what the humans of today have told her. Determined to make up for an unforgivable mistake in her past, she becomes a covert assassin and seeks revenge for her human brethren. And she's good at it. But when the thing she hunts saves her life, injuring himself in the process... her crystal clarity suddenly becomes blurry.

**Vampires are meant to be monsters, not protectors... not charismatic, annoyingly handsome and loyal and... everything.**

Indigo is a Fae Guardian, and a ruthless vampire protector of Elphyne. The Order has tasked him with finding a human with deadly secrets before the unhinged Unseelie Queen, or the fanatical human leader, can exploit her. They chose him for one reason, and one reason only – the taste of human blood does things to him. Addictive, dark, insatiable things. And when he catches Violet's scent, they know he'll do everything in his power to possess her and keep her safe. But Indigo hides his own shameful secret in the shadows of his heart, and if it ever comes to light, Violet will never trust him. She'll kill him.

***The Secrets in Shadow and Blood* is the next installment in the Fae Guardians series, and the first in the *Season of the Vampire* Trilogy. Each book features a separate couple with a satisfying HEA, but to enjoy the full benefits of the over arching plot, start the Fae Guardian journey with book one of Fae Guardians: Season of the Wolf. All Fae Guardian books include steamy romance, a splash of time travel, monster hunting, a band of brothers, fated mates, growly fae protectors, and their strong willed women from our time. If you love your books full of page turning action, romantic tension, and world building you can get lost in, then this series is for you. Warning: Trusting these seductive fae will lead to sleepless nights. But it will be worth it.**
