## Reborn (Shadow Beast Shifters Book 3)

**Author: Jaymin Eve**

#1 in the entire kindle store!

**The epic conclusion to the Shadow Beast Shifters.**

*I finally have the life I always dreamed of. So why does it taste like ash on my tongue?*

Growing up in Torma, the strongest of the shifter packs, I wanted nothing more than to find my true mate and live my best life. Of course, that dream existed before my father betrayed the pack and turned me into their punching bag.

I'd all but given up, until a quirk of true mate genetics gifted me a true mate like no other. My childhood dreams were finally a reality. Funny how quickly dreams turn into nightmares.

I'm being lied to, missing weeks and months of time. Someone messed with me and no matter how often I'm told to forget it and move on as Torin's mate, there's no way I can. Whoever did this to me should have known I'd pick at it until it bled. It's my nature after all.

As I search out random growls, flutters in my chest, and a suspicion that there's so much more going on than I could even imagine, I sense that I'm racing against an unknown clock.

I need to get to the bottom of this mystery.

And when I figure out who stole my memories, they're going to wish they never messed with Mera Callahan.

Game on.

\*If you like sexy, dark paranormal romances, with humor, steam, action, a tough heroine and an antihero, this is for you.

Reborn is full length (115k) words, and is the final in the Shadow Beast Shifters series, and does NOT end on a cliffhanger. It's recommended for 18+ due to language and sexual situations.

## Darkest Moon (Shadow Guild: Wolf Queen Book 1)

**Author: Linsey Hall**

I'm supposed to be the Alpha's mate. Screw that.

Since I was born, I was destined to be one thing—the Alpha's Mate. It should be every girl's dream. Not mine, though. He's too dark and damaged, and I've got a secret he can never know: I'm not a true wolf.

Instead of waiting for him to figure out I'm an abomination, I left on my fifteenth birthday. But I didn't go far. No way in hell would I let fate drive me from the town I love.

Ten years later, I'm still hiding in plain sight. When I occasionally see him on the street—deadly, sexy, powerful—I just walk by. Keep my head down.

Until that night. Wrong place, wrong time, and suddenly I'm accused of murdering someone from my old pack. And he's there. Blaming me. I've got one chance to prove my innocence and find the real killer, or I'm dead by shifter law.

Fortunately, the Alpha doesn't recognize me because I'm no longer the same ugly duckling. He senses I'm special though, and he won't stop until he figures out the truth. But when he does, I'll be in danger from more than just the murderer.

dangerous. I need his help to find the people who are after me, and there's no way he'd let me go, anyway.

As much as I hate it, we're going to have to team up to stop a madman. The hunt forces us together, and despite our best efforts to resist each other, it becomes harder every day. It's going to take everything I have not to fall to temptation, but I must--especially if I want to survive.

**Author Interview**

**Why did you choose to write a fantasy book that heavily involves a cell phone?**

Phones are a huge part of everyday life. Smart phone are these tiny pieces of massive technology we use everyday without really thinking about how astounding they are. But what if phones could be used for more than just scrolling through social media? What if an entire magical library could be hidden in your pocket? I wanted modern convenience to meet magic in a new way.

**What does Bryant Adams bring to the world of wizards that readers haven't seen before?**

Bryant Adams is not your standard hero. He is not the chosen one, and the world may be doomed if he's in charge of saving us all.

Bryant is a geek—the nerdy sidekick of the coolest kid in high school—who's trying really hard to survive being a wizard but is too terrified to talk to the girl of his dreams.

He's just a boy trying to get through his teen years without too much emotional damage...and then magic happens.

**Who would enjoy this book?**

If you like humor with a touch of snark, romance with a hint of wit, and magic that might destroy the world as we know it, Bryant Adams is the wizard for you.

## Children of the Stars Boxset

**Author: Juanita Coulson**

**Children of the Stars Boxset collects the complete epic saga from award winning Juanita Coulson**

### Tomorrow's Heritage

2041. When the first alien was approaching Earth, it found itself in the grip of the all-powerful Saunder Family. Every member of this dynasty seemed at war with the other.

In the quest for the Chairmanship of the people, the Saunders must struggle and fight in a contest over Earth's very future. Project Search is in action, while brave pilots take to the stars.

Can human civilization survive with the coming of alien life, and can the Saunders find a way to listen to one another and lead humanity to that survival?

### Outward Bound

Brenna Foix Saunder is the Martian-reared daughter of Earth's dynastic Saunder family.

Fiercely ambitious, beautiful and determined, she puts an untried and dangerous experimental star drive above her own life. Stifled by the media frenzy surrounding the Saunder family, she has utter contempt for newshunters. Charlie Dahl is one such newshunter.

Brenna must seek refuge in the arms of her lover Derek, but trouble brews when he tries to stand in the way of her dreams.

To reach the stars by passing long years in frozen sleep is the only safe and sure way to complete her star drive mission. But Brenna Saunder can't wait. She meant to conquer the light barrier — and to hell with everything her family and her lover could do to stop her.

### Legacy of Earth

Aliens are aliens, and humans are humans, and never the twain shall meet — or shall they?

Faster-than-light gravel to the stars was a discovery of the great Saunder family, and the vast Saunder fortune helped in the colonizing of alien worlds, among strange, nonhuman races.

But Anthony Saunder had no share in that fortune of heritage. He was only a clone, not truly human. And the business he had started on Procyon Four was on the brink of failure.

Then the catlike humanoid Whimeds came, asking him to use his skill in directing a presentation for the coming Interspecies Conference. And once he saw Yrae, the beautiful, almost human-seeming star, he could not refuse, though the job seemed impossible and led to endless trouble.

But all that was simple, compared to what he found at the Conference. There he ran squarely into the middle of a secret war between Whimeds and equally alien Vahnaj...

### The Past of Forever

Dan McKelvey is a simple indie-hauler turned tech-mech, until a delivery leads him to a strange new planet.

His whole life he has had to live up to the legacy of his Saunder-McKelvey ancestors, but now, on this strange world, he has the chance to uncover the tragic past of a near-extinct race.

Joining Dr Juxury's multi-racial xenoarchaeology team, Dan becomes their resident xenomechanician, helping them to restore the technologies of the native race

of old.

But when Dan learns that he must travel to present the team's scientific findings at the Twelfth Xenoarchaeological Assembly, he realizes that his journey could never have been that simple.

Will Dan and his friends discover the sordid truth behind the downfall of an entire race?

## Rabid: The Savage Spirit of Seneca Rain

**Author: Ivy Asher**

I've been waiting my whole life to get my wolf. But now that the time is here, I need to *run*. ■

■

Three years ago, a nightmare of an alpha took over my pack by force, and ever since, he's been trying to do the same to me.

■

I can't let that happen. ■

■

I need to escape him before he can lay a claim, flee from what I've always wanted, or risk getting a wolf that will submit to him. ■

But nothing goes to plan. When I'm forced to take on my wolf spirit, my alpha attacks, and the fight shatters us in ways we never knew possible. ■

■

Now we're broken. Jagged. *Rabid*. ■

■

To punish me, punish *us* for not submitting, my new wolf and I are thrown away to a savage pack, where we come face to face with Ruin Falls and the biggest monster of them all. ■

■

Alpha Tyran. ■

■

But...maybe a monster is exactly what a rabid bitch like me needs. ■

■

Will my wolf and I snap, lost to our fractured savagery? Or will this ferocious alpha teach us just what our broken nature is capable of? Maybe we can get our revenge.

...That is, if we're rabid enough to take it.

**A *Washington Post* and Amazon Charts bestseller.**

**"Cleverly crafted...*The Vine Witch* is a grown-up fairy tale with a twisty-turn-y story line of magic, love, and betrayal that holds your attention...Pure escapism." —*Forbes***

**A young witch emerges from a curse to find her world upended in this gripping fantasy set in turn-of-the-century France.**

For centuries, the vineyards at Château Renard have depended on the talent of their vine witches, whose spells help create the world-renowned wine of the Chanceaux Valley. Then the skill of divining harvests fell into ruin when *sorcière* Elena Boureau was blindsided by a curse. Now, after breaking the spell that confined her to the shallows of a marshland and weakened her magic, Elena is struggling to return to her former life. And the vineyard she was destined to inherit is now in the possession of a handsome stranger.

Vignerons Jean-Paul Martel naively favors science over superstition, and he certainly doesn't endorse the locals' belief in witches. But Elena knows a hex when she sees one, and the vineyard is covered in them. To stay on and help the vines recover, she'll have to hide her true identity, along with her plans for revenge against whoever stole seven winters of her life. And she won't rest until she can defy the evil powers that are still a threat to herself, Jean-Paul, and the ancient vine-witch legacy in the rolling hills of the Chanceaux Valley.

**Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta.**

Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it.

The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other.

Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts.

Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance—and healing—in each other's arms.

**Author: Laura Thalassa**

Callypso Lillis is a siren with a very big problem, one that stretches up her arm and far into her past. For the Bargainer, it's more than just a matter of rekindling an old romance. Something is happening in the Otherworld. Fae warriors are going missing one by one. Only the women are returned, each in a glass casket, a child clutched to their breast. And then there are the whispers among the slaves, whispers of an evil that's been awoken.

## The Handmaid's Tale

**Author: Margaret Atwood**

**Now a Hulu Original Series**

*The Handmaid's Tale* is a novel of such power that the reader will be unable to forget its images and its forecast. Set in the near future, it describes life in what was once the United States and is now called the Republic of Gilead, a monotheocracy that has reacted to social unrest and a sharply declining birthrate by reverting to, and going beyond, the repressive intolerance of the original Puritans. The regime takes the Book of Genesis absolutely at its word, with bizarre consequences for the women and men in its population.

The story is told through the eyes of Offred, one of the unfortunate Handmaids under the new social order. In condensed but eloquent prose, by turns cool-eyed, tender, despairing, passionate, and wry, she reveals to us the dark corners behind the establishment's calm facade, as certain tendencies now in existence are carried to their logical conclusions. *The Handmaid's Tale* is funny, unexpected, horrifying, and altogether convincing. It is at once scathing satire, dire warning, and a tour de force. It is Margaret Atwood at her best.

## **Elemental Summoner 1: A Chakra Cultivation Harem Portal series**

***Author: D. Levesque***

Alex was living the life. His life. He worked as a convenience store clerk to pay for his games and books. At 26 years old, he was living the high life of a loner. But a bullet hole in the head ended all that. There was only one problem: he wasn't supposed to die that day.

Everyone has a time and a day that they are meant to die. That was not supposed to be Alex's day. So God gave him a choice. Option 1: Soul for soul. He could take the life of the person who was meant to die that day, become that person, and completely forget who "Alex" was. Or option 2: Keep being Alex, and transition to a world where magic was real, a world where God would give him the tools to survive.

Alex, who loved fantasy stuff like a crack addict, picked Option 2. So God threw him through a black portal. Once on the other side, and on another world, little did Alex know that those tools would be the ability to use all five Elemental magics. Earth, Fire, Water, Air and Mind. The kicker? The English language seems to trigger them.

Now, Alex is in for a world of adventure as he jokingly called himself "The Elemental Summoner," but he didn't know that title was feared by everyone in the world of Boromour. Because once every thousand years, an Elemental Summoner was born who could wield all five Elementals magics and usually ended up destroying everything around them in their quest for power. Except, for Alex, the power is changing him as well.

But, Alex meets sexy, and powerful in their own rights, monster girls who might just be able to temper his power to not become evil.

This series contains the unabridged text (Meaning adult), mayhem, monster girls, fluffy tails, and just plain lots of magic.

The alpha insisted our bond be rejected.

This was old world magic. Dark magic. Strong magic. And yet, it didn't work.

## **The Witching Hour (Lives of Mayfair Witches Book 1)**

***Author: Anne Rice***

From the author of the extraordinary Vampire Chronicles comes a huge, hypnotic novel of witchcraft and the occult through four centuries.

Demonstrating, once again, her gift for spellbinding storytelling and the creation of legend, Anne Rice makes real for us a great dynasty of witches--a family given to poetry and to incest, to murder and to philosophy; a family that, over the ages, is itself haunted by a powerful, dangerous, and seductive being.

On the veranda of a great New Orleans house, now faded, a mute and fragile woman sits rocking . . . and **The Witching Hour** begins.

It begins in our time with a rescue at sea. Rowan Mayfair, a beautiful woman, a brilliant practitioner of neurosurgery--aware that she has special powers but unaware that she comes from an ancient line of witches--finds the drowned body of a man off the coast of California and brings him to life. He is Michael Curry, who was born in New Orleans and orphaned in childhood by fire on Christmas Eve, who pulled himself up from poverty, and who now, in his brief interval of death, has acquired a sensory power that mystifies and frightens him.

As these two, fiercely drawn to each other, fall in love and--in passionate alliance--set out to solve the mystery of *her* past and *his* unwelcome gift, the novel moves backward and forward in time from today's New Orleans and San Francisco to long-ago Amsterdam and a château in the France of Louis XIV. An intricate tale of evil unfolds--an evil unleashed in seventeenth-century Scotland, where the first "witch," Suzanne of the Mayfair, conjures up the spirit she names Lasher . . . a creation that spells her own destruction and torments each of her descendants in turn.

From the coffee plantations of Port au Prince, where the great Mayfair fortune is made and the legacy of their dark power is almost destroyed, to Civil War New Orleans, as Julien--the clan's only male to be endowed with occult powers--provides for the dynasty its foothold in America, the dark, luminous story encompasses dramas of seduction and death, episodes of tenderness and healing. And always--through peril and escape, tension and release--there swirl around us the echoes of eternal war: innocence versus the corruption of the spirit, sanity against madness, life against death. With a dreamlike power, the novel draws us, through circuitous, twilight paths, to the present and Rowan's increasingly inspired and risky moves in the merciless game that binds her to her heritage. And in New Orleans, on Christmas Eve, this strangest of family sagas is brought to its startling climax.

## Lucifer's Bride (Married To The Devil Book 1)

**Author: Roxie Ray**

You know the story, love. It's a tale as old as time itself.

Boy meets girl.

Boy loses girl.

Girl meets devilishly charming guy who tempts with her everything she's ever dreamed of—and the Devil doesn't make promises he can't keep.

You see, darling, that boy never deserved you to begin with.

You, my treasure, you deserved the entire world laid out at your dainty little feet—and so much more.

No ungrateful, simple-minded boy could ever give you that.

But I could.

I will.

My Evie. My eternal love. Only creature on God's green earth, Heaven above it or even Hell below, who could ever stir the flames of desire into my cold, sinner's heart.

I stole you from that pathetic moron you were calling a fiancé again, it's true.

But after what he did to you—frankly, this time, it was like he was asking for it.

You were never really his, love. He might have put his ring on your finger, but he never owned your body. Your heart. Your mind.

Your soul.

No matter where you are, what you look like, the name you wear, or the color of that fire dancing in your eyes, you're mine. Always mine.

You've been mine before, more times than you'll ever remember.

You've been torn away from me more times than you'll ever know.

Now that you're finally mine again, here's a new promise for you:

This time, it's forever.

I have an army of the damned at my beck and call, more gold to my name than even kings can fathom, the powers of a fallen angel at my fingertips and the command of the Inferno itself in the palm of my hand.

Never fear, love. I'll protect you. I'll keep you safe.

Whether you want it or not.

And this time, if anyone dares to try and take you away from me again...

This time, there'll be hell to pay.

But the Day Realm king has other plans.

Zander says I'm his fated mate. I don't believe him. That doesn't stop him from tricking me into marrying him, though. It doesn't matter if I argue or run—he won't let me go.

I should hate him. Instead, I find myself ridiculously attracted to the stubborn, broody man. Sometimes he terrifies me, so I don't know why his rare smiles give me warm tingles or why his arms make me feel safe.

Everything about Valora is confusing, but after just a short time here, I realize something—this place is full of dangers that are way more frightening than my new husband, and staying by his side just might be my only option.

## **Devil in the Hold: A Scifi Alien Romance (Fated Mates of Breeder Prison Book 3)**

**Author: Tammy Walsh**

**He's pushed every Prize beyond her limit. And today he chose me.**

I'm not new to this game. I was abducted and made to work as a Prize for the past year. Dozens of alien fighters have claimed me. None scare me.

None... other than the prisoner known as the "Devil."

When a riot kicks off and the prison is hurled into chaos, no one knows what they're doing... or how high the stakes are.

No one except the Devil.

He has a plan to escape and takes me with him.

With the prison guards hot on our tail and closing fast, will the Devil trade me for a shuttlecraft and freedom? Or will he accept the burning passion growing between us and our destiny as fated mates?

*Devil in the Hold is a full-length, standalone alien sci-fi romance. It features a possessive, alpha alien in intense, steamy scenes with his human mate. There are no cliffhangers or cheating, and a happily ever after is guaranteed!*

## **Fire & Rescue Shifters: Coyote in the Sea (Fire & Rescue Shifters: Friends and Family)**

**Author: Zoe Chant**

**She found her happy ending.**

**Now if she can just help these young fools find theirs...**

*Sea dragons.* Sometimes you just want to grab 'em by the gills and *shake* some sense into those thick, honor-stuffed skulls.

And there's one cranky old coyote shifter who's not afraid to do just that.

Martha knows that youngsters have to learn for themselves... but that doesn't mean you can't give them a nudge in the right direction. If, that is, you can make the darn idiots *listen*. With three headstrong whippersnappers diving straight into trouble, this might take more than a sharp word and a sugar cookie to solve.

Fortunately, she can always call on the help of the biggest shark in the sea...

**Author's Note: This is not a standalone story! *Coyote in the Sea* takes place in between *Fire & Rescue Shifters* and *Fire & Rescue Shifters: Wildfire Crew*, and features characters from both series. It is intended to be read after those books.**
