

## Thick as Thieves: An Aster Valley Novel

**Author: Lucy Lennox**

**Julian:**

I've been in love with my best friend since forever. Okay, fine. Like, kindergarten. It started out platonic, obviously, but then became... *nope*. Still platonic. The problem is that Parker Ellis has been *straight* since forever. And that makes it difficult to convince him the two of us are meant to be together.

And now there's no point. All is lost. He's gone and gotten engaged to his high-school sweetheart which means I have to grin and bear it while pretending to be the happy, supportive best man while he prepares to commit his life to a woman I can't even fault. She's great. We've all been friends forever. I know he'll be happy with Erin, just not... just not as happy as he could be with me.

**Parker:**

I'll admit. Sometimes I press the easy button. Like when Julian Thick had offered me half his sandwich back in grade school after noticing I didn't have any food. Or when I'd needed a date to homecoming in tenth grade and Erin told me she was it. Or when I'd used the one thing that came easy to me, skiing, to get my college tuition paid for. Or when Erin had showed back up in my life six months ago and told it was time to marry and start a family...

But for the first time in my life I'm facing something that's not at all easy. It's my wedding weekend and I've just been left at the altar. Not only that, but when my best friend whisks me away to drown my sorrows in a snowy cabin in Aster Valley, I accidentally discover Julian's been keeping secrets. *Big* secrets.

The kind of secrets that lead to hot experimental kisses in front of a blazing fire, tentative physical exploration in a way I'd never imagined before, and the kind of intimate, true confessions I'd never even dreamed of between me and the one person who's always been my true home.

But after twenty-plus years of thinking of Jules as my friend *without* benefits, is it truly possible to change who we are to each other? There's no easy button this time, but I'm willing to do the work. I only wonder if Julian is ready to trust I really mean it.

*Thick as Thieves can be read on its own or enjoyed as part of the Aster Valley series.*

## Jilted: Jaren (The Foster Brothers Book 1)

**Author: Nora Phoenix**

**USA Today bestselling author Nora Phoenix kicks off a new contemporary gay romance series with the story of a tattoo artist who finally has a shot at winning the heart of the one man he never thought he could have.**

Years of pining.  
Years of keeping his distance.  
Years of lusting after Jaren, the one man Reid couldn't have.

Because Jaren is straight.

Worse, he's engaged to Reid's sister. In other words: he's off limits. Impossible.

But a day before the wedding, she calls it off, leaving Jaren with nowhere to go.

So what's a man to do? Well, offer Jaren a place to stay, of course.  
A shoulder to cry on.  
A bed to sleep in.

And maybe someone to share that bed with?

*Jilted is the first book in The Foster Brother series, a contemporary MM romance series about four men who chose to be brothers. It has hurt/comfort, found family, bisexual awakening, first time gay, and a guy who finally realizes that what he wanted most was right in front of him the whole time.*

## The Hitman's Guide to Righting Wrongs While Causing Mayhem

**Author: Alice Winters**

**Leland**

Growing up, I was taught that getting too close to someone would be my downfall. But I've proven that wrong now that I'm happily married to Jackson, the greatest man in the world. The issue is that mayhem always seems to find me (which is definitely not my fault), and this time, it comes in the form of a woman looking for her daughter. What starts as a simple missing persons case turns into so much more, forcing me to rely on my found family and others, including a

muscle "bear" who will definitely not whisk away my husband with his irritatingly sexy accent—I mean, yes, I'm very focused on this case... Jackson, don't look at me like that.

### **Jackson**

While Leland is "code potatoing" (whatever that means on his strange cheat sheet), I'm left questioning what he's gotten himself into this time. At least he's willing to let me assist him, even if he's still positive that I should just "sit pretty" and let him handle everything. But with the girl missing, he knows we need to work together to determine whose game we're playing because not everything is as it seems. Of course, when one gets involved with Leland, nothing is ever simple. But maybe that's just the way I like it.

*Contains: speed walking up way too many stairs while holding pointy objects, feel-better cookies that didn't turn out quite right, Spanish that definitely isn't Spanish, and lots of long-suffering people being swept up in Leland's shenanigans once more.*

## **Don't You Dare**

### **Author: CE Ricci**

**It was never meant to be more than a dare.**

A party game. A dare. A single kiss.

That's all it took to flip my world upside down.

I've always classified myself as straight, and as far as I can tell, so has he.

I didn't think one kiss would change that, but I was so wrong.

Now, I can't stop thinking about him. In all the ways I shouldn't.

My best friend.

Aspen.

His taste is branded in my memory, his touch seared in my skin.

And I want more.

This simmering attraction I feel only grows with passing time.

Which is why I start tossing out new dares.

Riskier ones that toe lines we never thought we'd cross.

I'm gambling with our friendship, knowing it could ruin us.

But there's so much more at stake here.

Like my heart.

*\*Don't You Dare is a new adult college romance featuring two best friends, too many baseball puns, scorching dirty talk, and a whole lot of bi-curious exploration. Not suitable for anyone under 18 years of age.\**

## Code Blue

**Author: N.R. Walker**

Steve Frost had dreams of wearing the national championship belt in mixed martial arts, maybe even going pro, but instead, finds himself working as a security guard for the rich and famous in LA.

Quickly earning a reputation for his blunt and precise *people management skills*, he lands a position on the security team for an up-and-coming boyband, Atrous. Years later, he's head of security. He knows these boys, and with countless tours, flights, car trips, public events, concerts, he's closer to one band member in particular.

Jeremy's been a pillar for Atrous since day one, but even more so these last few months. Now the face of the band more than ever, he's also got himself the attention of a delusional stalker-fan.

When the fame and stress become too much, when Jeremy's health takes a hit, Steve becomes Jeremy's lifeline. But as Jeremy knows already, and as Steve is about to learn, not even the brightest star can shine forever.

## Wicked Heat (Chicago Heat Book 1)

**Author: Ella Frank**

**Ryan**

Kind, caring, and protective. Those are the three qualities I'm looking for when it comes to my dream man. In a city as big as Chicago, you wouldn't think he would be that hard to find, right?

Wrong.

Sure, my boss found a super-sexy detective and my best friend fell madly in love with the most eligible bachelor around. But the only person I've met recently is a broody bad boy who saved me at a sketchy pub.

He's grumpy, rude, and honestly, not that likeable at all. Hardly my "dream" guy.

So why can't I stop thinking about him?

**Jameson**

I don't do friendships. I don't do relationships either. The very last thing I'm looking for in life is to fall in love and live happily ever after.

So saving some rich guy from losing his wallet is the last thing I want to do on a Friday night. Especially when he looks like someone who just stepped off the cover of GQ.

Fate seems to have other ideas, though, and every time I turn around, he's there.

A wicked heat simmers between us, threatening to ignite, and though I've been trained to put out the flames, I can't help but think: *What's the worst that could happen if I let this desire burn out of control?*

**Wicked Heat is book 1 of 2 in Ryan Carrigan & Jameson Clarke's story.**

## Moth: MM Monster Romance (Monstrous Book 5)

**Author: Lily Mayne**

**When I—along with my best friend and his big purple monster boyfriend—come across a fortress-like raider camp while journeying across the monster-infested Wastes, we stop to deliver a message.**

Somehow, that simple pit stop turns into a seemingly impossible quest to get this camp's missing leader out of the prison where he's being held and forced to fight monsters and other humans. And I know exactly where it is, because I've been there.

Problem is, I'm making this journey with the prickliest and most arrogant guy I've ever met, who seems to immediately hate me on sight. Oh, and he's also half monster. So there's that. *And* he's in love with a raider who definitely does *not* love him back, and he seems determined to take it out on me. So there's also that.

But I'm not going to rise to his childish insults and barbed words. I'm not.

I'm also going to try very hard to ignore how mindnumbingly beautiful he is, even when he's scowling at me.

But the longer we're out here together, the more I learn about my prickly half monster companion Moth. I realise there's a reason he's so closed off and angry. There's a reason he hates everyone.

There are secrets he's been keeping, and when I find out what they are, I want to do everything in my power to help him—even though he's telling me he can't be helped.

*Moth is Book Five of the Monstrous series, a post-apocalyptic m/m fantasy series that features monsters and human men falling in love. It is best to read the series in order. **Warning:** This m/m love story contains explicit sexual content and is not suitable for young readers. It also contains graphic depictions of death and violence.*

## The Real Baxter: MM Romance/ Age Gap-Fake Boyfriend (The Baxter Chronicles Book 1)

**Author: Lane Hayes**

*The silver-fox and the faux bodyguard...*

**Sebastian**

Who's the true hero behind the Hollywood heartthrob, crime-fighting, adventure-seeking international man of mystery? Me. I'm the real Baxter.

Well, I wear the suit and let the action play out onscreen. You want to know the secret of my success? Sell the story you want to tell. Even if you have to bend the truth a little.

Okay...a lot.

Trust me, no one will notice. Except Trent, who seems to notice everything. And for some reason, I like that. I like *him*. I'm just not sure what to do about it.

**Trent**

Look, I'm not exactly killing it. I'm a typical struggling actor-slash-waiter, hoping for a break. And *boom...*in walks Sebastian Rourke. He's a cutthroat, wickedly charming silver fox, a Hollywood legend in the making. No joke. You've got to sell a piece of your soul to get in this man's orbit. Or fake a British accent, then take a job playing bodyguard to fool the press. As one does.

I know I should take advantage of the very strange situation I find myself in, but I'm not sure I'm cut out for it. However, I'm willing to take a chance, 'cause I want the real Seb.

Even though it might cost me everything.

## Roommate Arrangement (Divorced Men's Club Book 1)

**Author: Saxon James**

**Payne:**

*In search of: room to rent.*

*Must ignore the patheticness of a forty-year-old roommate.*

*Preferably dirt cheap as funds are tight (nonexistent).*

There's nothing sadder than moving back to my hometown newly divorced, homeless, and lost for what my next move is.

When my little brother's best friend offers me a place to stay in exchange for menial duties, I swallow my pride and jump at the offer.

I need this.

I also need Beau to wear a shirt. And ditch the gray sweatpants. And not leave his door ajar when he's in compromising positions ...

**Beau:**

*In search of: roommate.*

*Must be non smoker and non douchebag.*

*Room payment to be made in meal planning, repairs, and dumb jokes.*

Since my career took off, I barely have time to breathe, let alone keep my life in order. I'm naturally chaotic, make terrible decisions, and scare off potential dates with my "weirdness".

So when Payne gets back into town and needs somewhere to stay, I offer him my spare room with one condition: while he's staying with me, I need him to help me become date-able.

And while he does that, I can focus on my other plan: ignoring that Payne is the only man I've ever wanted to date.

## Something Fabulous

**Author: Alexis Hall**

**From the acclaimed author of *Boyfriend Material* comes a delightfully witty romance featuring a reserved duke who's betrothed to one twin and hopelessly enamoured of the other.**

Valentine Layton, the Duke of Malvern, has twin problems: literally.

It was always his father's hope that Valentine would marry Miss Arabella Tarleton. But, unfortunately, too many novels at an impressionable age have caused her to grow up...romantic. So romantic that a marriage of convenience will not do and after Valentine's proposal she flees into the night determined never to set eyes on him again.

Arabella's twin brother, Mr. Bonaventure "Bonny" Tarleton, has also grown up...romantic. And fully expects Valentine to ride out after Arabella and prove to her that he's not the cold-hearted cad he seems to be.

Despite copious misgivings, Valentine finds himself on a pell-mell chase to Dover with Bonny by his side. Bonny is unreasonable, overdramatic, annoying, and...beautiful? And being with him makes Valentine question everything he thought he knew. About himself. About love. Even about which Tarleton he should be pursuing.

## More Than Enough (Pelican Bay, Book 4)

**Author: Sloane Kennedy**

### **Sawyer**

***Hiding and running, that's what I'm good at. It's who I am. It's who I have to be...***

For Sawyer Brower, the picture-perfect town of Pelican Bay was just supposed to be another place to take refuge for a few months before moving on. One year later finds the seemingly unflappable wildlife veterinarian settling into what's supposed to be the quiet life of contentment he's always wanted.

But there's nothing quiet about the arrival of the gorgeous but very bitter ex-soldier who seems intent on destroying what's left of his life after losing his legs to an IED.

### **Jett**

***I didn't just lose my legs in that godforsaken desert, I lost the man I used to be... the man I should've been. How the hell am I supposed to come back from that? I can't. I won't...***

While it took years of hard work and determination for Jett Sharpe to prove he deserved a spot in a prestigious military academy followed by an illustrious career in the army, it took just seconds for it to all be over. With nearly all of his brothers-in-arms lost to a roadside bomb and his own future irrevocably changed, Jett's got little left to live for.

So when his best friend shows up in Oklahoma with an ultimatum—go freely with him to Minnesota or by court order— Jett knows he has little choice in the

matter. But hell if he's going to make it easy on any of the men who keep trying to convince him he's family.

***Two men running, one from the past, the other from the future...***

Nothing about Sawyer and Jett makes sense. Not after their disastrous first meeting and most certainly not the white-hot chemistry that keeps pulling them together. Scarred minds and wounded souls are forgotten when desire takes over, but masks have a way of settling back into place for two men who have nothing real to hang on to.

Can Sawyer and Jett let the walls that are keeping them safe within themselves fall or will they miss out not only on each other, but the very thing the town of Pelican Bay is offering them?

A place to call home.

## **Ambrosius : Paranormal Council Enforcers Book One**

***Author: Taylor Rylan***

***When you're the created vampire, and discover your fated mate is a dominant dragon alpha, what could go wrong?***

Master Ambrosius was created over a millennium ago and had come to terms with spending his life alone. He has his coven, his second, and a few close friends, but he continues to be haunted by the memory of his fated mate running from him in terror. That is, until the goddess sends him to Montana, and he discovers his body reacting to a sexy alpha with wide shoulders and dark eyes. Surely there's some mistake though, right?

Emmerich was born on Treasure Ridge, the mountain his grandparents claimed several centuries ago for a reason that wasn't yet known. Like his brother, he longs for his mate and children but knows they aren't on their mountain. Emmerich's dragon insisted he would find his mate in Sicily, but after weeks of searching, he comes back to Treasure Ridge, where his dragon scents the most amazing thing. *Mate*. When he discovers the scent is coming from the created vampire, he's not sure about the pairing but is more than willing to accept the match.

Together, they discover a desire for unexpected things. But while they are happy switching roles at certain times, the council is still forming, and they discover an evilness none expected. Will they be able to stop the threat before their family is harmed?

*Ambrosius* is Book One in the *Paranormal Council Enforcers* series. Each book in this series will focus on a different couple, but these books are not standalones and should be read in order as there is an ongoing backstory that won't be resolved quickly. This is a fated mate MPreg story in an MPreg world, and you should expect all the normal vampire shenanigans, and remember that love bites in unexpected places. Especially when your beloved is a sexy dragon.

## **The Trouble with Trying to Date a Murderer (Murder Sprees and Mute Decrees Book 1)**

***Author: Jennifer Cody***

**Romily:**

Third time's the charm, right? At least that's what I tell myself when I witness the same hot guy commit mass murder three times in a few days. I'm either the luckiest mute boy ever or possibly the unluckiest. Who knows, maybe him kidnapping me will turn into the greatest love story ever told? Hey, it could happen! You never know how these things will turn out. I happen to believe in love and soulmates, and if nothing else, Arlington Fox doesn't treat my disability like a nuisance. It's not everyday you find someone who just gets you, and I'm not going to look a gift horse in the mouth even if the horse in question is a man so good at killing people that I should probably introspect a bit about why that skews my moral compass and possibly my kinks. But c'mon, competence is sexy, amiright?

The Trouble with Trying to Date a Murderer is an MM Paranormal Romance with lots of sass, humor, a ridiculous 3000 year age-gap, and an inordinate number of tables.

Praise for The Trouble with Trying to Date a Murderer:

"Arlington Fox is so smexy, but if he accidentally gets blood on one of my suits again, we're going to have words." —Romily Butcher, aka the narrator.

"I'd never *accidentally* get blood on any of his suits." —Arlington Fox, aka Future Husband.

"Murder? Check. Shenanigans? Double Check. Mute guy with a heart-on for a paranormal assassin? Triple Check. The Trouble With Trying to Date a Murderer is a guffaw-inducing, demented rom-com that will leave you with warm, fuzzy feelings you weren't expecting, and a tingle that will have you saying, "I'll be in my bunk."" —Cameron Craig, MM Author

"Fox and Romily are hysterical. I couldn't stop reading. Love the unexpected connection between two such different people and their relationship journey." —Carol H.

**EZRA**

Partying, dudes, and hockey. What more could a gay NHL player want?

If it weren't for Anton Hayes, my life would be perfect.

Not that he affects my life in any way. At all. That would imply I care what the winger from Philly thinks of me.

Which I don't.

Not even a one-night stand with him can thaw his misplaced animosity toward me.

He says I'm the one with the ego, but he can talk. He rivals me for most egotistical puck boy in the league.

I hate him as much as he hates me. Even if I crave a repeat.

**ANTON**

When it comes to hockey, I'm all about the game.

I've worked for years to be one of the best in the league, and I've done it without splashing my orientation all over the tabloids.

My hockey image is one I've carefully cultivated, and after one night with Ezra Palaszczuk, I risk it all.

He's cocky, obnoxious, and has an ego bigger than Massachusetts. And okay, maybe he's the sexiest man I've ever known.

We'll never get along. Not when we sleep together. Not even when my possessive streak awakens.

That doesn't stop us from falling into bed together over and over again.

**I can't have Elijah Iverson.**

I can't have him because he's my older brother's best friend. I can't have him because I broke his heart five years ago; because he's now engaged to someone else—someone kind and dependable who deserves his whiskey eyes, his soft mouth, his fierce intellect.

**I can't have Elijah because I've chosen God instead.**

The Bell brothers, though . . . well, we don't exactly have the greatest track record with vows. But I'm determined to do this monk thing right—to pledge myself to a cloistered life and spend the rest of my years in chastity and prayer. But now Elijah's here. He's here and he's coming with me on my European monastery road trip, and between the whispered confessions and the stolen kisses and the moments bent over an ancient altar, my vows are feeling flimsier by the day.

And vows or not, I know in my heart that it would take more than a good and holy monk to resist Elijah Iverson right now. It would take a saint.

**And we all know that I'm no saint.**

## Unhinged (Necessary Evils Book 1)

**Author: Onley James**

**Adam Mulvaney** lives a double life. By day, he's the spoiled youngest son of an eccentric billionaire. By night, he's an unrepentant killer, one of seven psychopaths raised to right the wrongs of a justice system that keeps failing.

**Noah Holt** has spent years dreaming of vengeance for the death of his father, but when faced with his killer, he learns a daunting truth he can't escape. His father was a monster.

Unable to ignore his own surfacing memories, Noah embarks on a quest to find the truth about his childhood with the help of an unlikely ally: the very person who murdered his father. Since their confrontation, Adam is obsessed with Noah, and he wants to help him uncover the answers he seeks, however dark they may be.

The two share a mutual attraction, but, deep down, Noah knows Adam's not like other boys. Adam can't love. He wasn't born that way. But he refuses to let Noah go, and Noah's not sure he wants him to.

Can Adam prove to Noah that passion, power, and protection are just as good as love?

**Unhinged** is a fast-paced, roller coaster ride of a romance with an HEA and no cliffhangers. It features a dirty-talking, possessive psychopath and a sweet cinnamon roll of a boy with Daddy issues and a core of steel. There's gratuitous violence, very dark humor, enough steam to fog up a hundred car windows, and something a lot like love. This is **book one** in the Necessary Evils series. Each book follows a different couple.

## Extradition (Mobsters + Billionaires Book 1)

**Author: Kelly Fox**

**Fun fact:** You can take the man out of the Mafia, give him an MBA, and put him in a Manhattan high-rise, but some part of him will always be a mobster. Which probably explains why I told off my billionaire CEO in front of the entire company.

After a video of our exchange goes viral, I can either let my father's men toss Rand Wolfe's disrespectful ass into the Hudson or help him escape. Long story short, I'm hiding out in the billionaire's penthouse with my father's extradition order hanging over my head.

Only...Wolfe's nothing like I thought he'd be. This wealthy, powerful man is surprisingly human, and his alpha-hole façade falls apart completely when we're alone.

*God, he comes alive under my hands.*

With other families getting involved and my father's threats looming in the background, *am I mob enough to save the man I'm falling for?*

**Extradition** is a Manhattan romance that features an ex-mobster with a heart of gold, a billionaire who'll take control in the boardroom but likes to give it up in the bedroom, and a snarky cast of criminals, reprobates, and other corporate types.

This is the first book in the **Mobsters + Billionaires** series. #dangerswoon

## An Alpha Bear For Lucian: An MM Shifter Mpreg Romance (Bruin Ridge Bear-Ginnings Book 1)

**Author: Lorelei M. Hart**

**Aspen didn't know you could accidentally become Alpha of a Den, but that's exactly what he just did.**

Alpha bear shifter Aspen was ready to begin his new life in the big city. He has a job lined up, a lease signed, and his truck packed. All he has left is to get there. Too bad that's easier said than done, because his truck picked the middle of nowhere to break down—alongside a bear den's land of all places. When Aspen seeks permission to spend the night, he plans to keep his head down and just mind his own business and he does, until he hears the scream that changes everything.

Omega bear shifter Lucian hates his den. No, that isn't fair. It isn't the den he hates as much as the leadership. When the Alpha he had most of his life died, he crossed his fingers the new one would bring their den into this century. He didn't—the new Alpha is not only old-school, but also cruel. When rumors of an alpha bear seeking refuge until his truck is repaired reach him, Lucien forms a plan. If he can convince the shifter to take him when he leaves, he can escape this horrible life.

Sneaking out to find the new bear sounded like a great idea, until Lucian gets caught. His den Alpha is a strike first kind of guy, and strike he does. Lucien knows better than to scream, as it only makes the punishments worse, but scream he does, the pain too much to hold inside. A flurry of fur and teeth, a dead Alpha, and the scenting of his fated mate leaves the visiting shifter as their new Alpha.

So much for best laid plans.

*An Alpha Bear for Lucian is the first book in the anticipated Bruin Ridge Bear-ginning series, a sweet with knotty heat M/M Mpreg Shifter Romance by the popular writing team of Colbie Dunbar and Lorelei M. Hart. It features an alpha bear thrown into a role he is woefully unprepared for, an omega whose plans for the future very much did not include being his den's Alpha Omega, a pack on the verge of collapse, the challenge that changes everything, true love, fated mates, and of course, an adorable baby. If you love your shifters hawt, your omegas strong, and your mpreg with heart, download your copy of An Alpha Bear for Lucian today.*

## The Tight End: Red's Tavern, Book 6

**Author: Raleigh Ruebins**

**He's an introverted nerd, and I'm the football player everybody wants.  
But I only want to drag his shy, adorkable, irresistible self into my bed.**

All I've ever been good at is running fast with a football clutched tight to my side. As a star football player for the KMU Wolves, I've had any guy I wanted for years, and I'm more muscle than smarts. My new roommate, Logan, is something else completely. He's the bookworm I never was, and it seems like the closest thing he's had to a love life is with his books.

I don't do relationships, and I sure as hell don't fall for anyone. But when I'm close to Logan, I'm pulled to him like a damn magnet.

He's been hurt in the past, and I want to prove to him that there's more to me than just physical strength. When he finds out I'm totally screwing up my senior year classes, Logan offers to help. It turns out there's a whole lot I can teach him, too—and not just about football. I feel myself falling for every part of him: his brilliant mind, his big heart... and every inch of his body.

Being out and proud as a football player means I get more attention than I deserve, both good and bad. There's no chance I'm letting Logan get dragged into the headlines and picked apart like I am.

But I'm used to scoring. Winning. Getting what I want.

And now all I want is *him*.

## A Matter of Fact (Two Truths and a Lie Book 3)

**Author: Kate Hawthorne**

**Name** – Rhys St. George

**Age** – 37

**Relationship status** – Single

**Looking for** – A way to make all of this right

**Biggest regret** – Callahan McMillian

**Hobbies** – Having money, making money, spending money, and wine.

**Name** – Beckett Thatcher

**Age** – 27

**Relationship status** – Super Single!

**Looking for** – The kind of man who knows what I'm worth

**Biggest regret** – Being hesitant to form meaningful relationships after moving

**Hobbies** – Cooking, baking, and being a good plant dad

Rhys doesn't know what he wants anymore, but he knows he wants to be in Myers Bluff and he wants to make things right with his brother, and maybe his ex-boyfriend too. The only problem is... he doesn't know how to do any of that.

Beckett has a bad job and big dreams, and he's not going to let either of those things hold him back. He definitely doesn't have time to deal with a man like Rhys St. George, but there's something magnetic about the way too-rich-for-his-own-good man that Beckett can't deny.

Rhys is used to buying whatever he wants, but finds Beckett cannot be bought. For the first time in his life, Rhys isn't two steps ahead; he's half a pace behind. But maybe that's exactly where he needs to be to find what he's always been looking for--a purpose, personal redemption, and love.

## Submission: Lions of Locust Falls 2

**Author: Jayda Marx**

Cedric was thrown away by his family on his 18th birthday because of his omega status. He isn't as strong or quick as other lion shifters, and was therefore seen as useless by his old pride. He may also bear children, which his family saw as a crime against nature. When he was cast out, he found a new family made up of a rag-tag group of men who were all shunned by their old prides, but who loved each other fiercely.

Cedric is a sweet soul who loves to take care of the people he's close to. He's a bit of a 'mother hen', fussing over his friends and making sure everyone is fed and happy. He's as bright and bubbly as his pink hair, though a sassy streak runs deep within him.

When Fate puts him in the path of his mate, Cedric is quick to meet his needs, from keeping his man fed to boosting his confidence. But sweet Cedric has a need as well - he loves to spoil his mate, but he craves for a man to take control of his body and make him feel cherished in a very special way. His mate Asher is just the man for the job.

Asher, once a Dom-extraordinaire, is battling a bout of bad luck. He was laid off from his job and is having trouble finding employment. He's being hard on his physical appearance, doubting his abilities, and his flirt game is all but non-existent. He hasn't had the confidence to even approach a boy for some time.

But lucky for him, a sassy, beautiful boy approaches Asher one day, looking like an animal. Asher needs to dig deep, remember who he is, and trust his bubble-gum-pink-haired beauty to finally claim his forever happiness.

\*This insta-love M/M book is full of laughs, sweetness, and steamy BDSM elements. It features a sweet and sassy lion shifter and his Dom who needs a confidence boost. It has no cheating or cliffhangers, and a very happy HEA!

## Fall Guy: A Bodyguard M/M Romance

**Author: Felice Stevens**

*I hired him to protect my body, but who will protect my heart?*

He's a thief, a convicted felon.

A cocky guy with tattoos and a smirk for days.

He needs a bodyguard and I need a job, so here we are.

And the more time I spend with Ronan Michaels, the more I realize maybe he isn't the bad guy after all.

But why do I feel like he's hiding something or protecting someone?

Or both?

My Angel Gabriel has a devil on his shoulder.

He's not a sinner—but certainly no saint.

He's been lied to and abandoned. Hurt by people who should love him no matter what.

Gabriel's discovered my secrets, yet the more I push him away, the closer he stands by my side.

And when his past crumbles, leaving him searching for answers, I'm right there for him, holding his hand.

Holding him up.

Because love is catching someone when they fall.

And never letting go.

**From Lambda Literary Award-winning author Felice Stevens, comes an irresistible bodyguard romance about two men busy fighting the demons of their past—and their attraction to each other.**

## Uniquely Average

**Author: Susan Hawke**

*A twenty year age gap, a neurodivergent 'boy' and a gray ace of a 'Daddy', both lonely and unable to find their match... until now.*

Ethan Humboldt is a cocky, confident chef with zero filter and even less humility. He's also a very good, neurodivergent boy who's been searching far too long for the perfect Daddy. At thirty, Ethan knows what he wants—and what he needs. The only problem? Finding a caregiving type of Daddy to provide it.

Danvers Jones has more money than he knows what to do with and nobody to spend it on. He's not looking for a fling, Dan needs someone to pamper. To romance... to adore. As a romantic gray ace, nothing else will do it for him.

Newly retired, Dan has one final mission—to find his former best friend's long lost son and deliver a trust fund. After that, Dan's determined to start fully living his life, which starts with the right partner. Only problem? Dan requires the type of person who'll need his unique brand of Daddy.

Danvers and Ethan aren't expecting to meet their perfect match in a random meet cute gone wrong, but when does life ever go according to plan?

*This stand-alone novel is a full-length, 43k non-age play Daddy romance. The core of this story was previously published as a 15k short in the USA Today bestselling "Dirty Daddies 2021 Anthology." It's now been reworked and lengthened to provide the tale as originally intended.*

## Spirited Situation (Ghostly Guardians Book 1)

**Author: Louisa Masters**

*When you can talk to ghosts, things are bound to get spirited.*

The ghosts have been there since before I can remember. When I was a kid, they doted on me, but as I got older, they got more demanding. I've spent my whole life seeing and talking to dead people and trying to pretend I'm not, because the living just don't understand. Nobody wants to be around the freak who claims to see ghosts.

Until I go to Mannix Estate.

Once a private country home, then a posh hotel, it was closed after a suspicious incident but is now an immersive historic experience. It's also haunted AF, and everyone knows it. Finally, I've found a place to work and live where I can be useful. Where I'm actually wanted.

There are only two problems: I spent a hot, sweaty, satisfying night with Ewan the blacksmith before I knew we'd have to work together. Everyone knows sex with colleagues is a bad idea, right? Even if he's the world's most ripped cinnamon roll.

Plus, the ghosts are keeping secrets. There's something going on that's not normal, even for a haunted estate. And I suspect that when the truth comes out, I'm the one who'll have to deal with it... and it won't be good.

## **Edin: M/M Fantasy Romance (Monstrous Book 2)**

**Author: Lily Mayne**

I was just a boy when the monsters rose on earth, forcing humans to flee to the coastlines and live in cramped, dirty, military-controlled cities. I enlisted as soon as I could to escape.

Now, I've been in the military for twelve years and have the scars—and missing body parts—to prove it. As a hardened soldier who's spent his fair share of time out in the Wastes—the dangerous place where monsters roam free—I didn't think anything could surprise me anymore.

But then circumstance forced me together with a big, annoying purple monster who's arrogant and bossy and pushes all my buttons in the worst—and best—ways. I need his help, and I *hate* needing anyone's help. But the more time I spend with him, the more I realise that maybe there's more from him that I need. And that he might need things from me too.

But I'm still a soldier. I still have responsibilities. It doesn't matter how I feel about Edin, because we can't be together. It's too dangerous.

That doesn't stop me wanting him, though.

## The Rycke: M/M Fantasy Romance (Monstrous Book 3)

**Author: Lily Mayne**

**Life as a raider in the Wastes, where monsters roam and the military lurks, is as easy as it sounds.**

I've been out here for a long time, and the fear that courses through my blood every time I have to step outside our camp walls to scavenge never fades. No matter how many monsters you face—and have to run for your life from—it doesn't ever get easier.

But when I come across a bound and injured monster in an abandoned military base, I can't leave him behind. His presence in our camp is causing tension, but I can't bring myself to care when I get to see a different side to him—when he starts to show me who he is, beneath the pain and lingering trauma.

But despite his gentle nature, I soon discover why others are so desperate to own him. Why the military, and now this stranger lurking outside our camp, want to put him back in chains and take him away from me.

There's something hiding under his skin. Something that threatens to upend my entire life, the one I've spent my years carefully protecting out here.

There's a reason why all other monsters fear him.

*The Rycke is Book Three of the Monstrous series, a post-apocalyptic m/m fantasy series that features monsters and human men falling in love. It is best to read the series in order. **Warning:** This m/m love story contains explicit sexual content and is not suitable for young readers. ## Breathless (The Game Series Book 3)

**Author: Cara Dee**

*Breathless is the third standalone novel in The Game Series.*

"Will you beat me without knowing the reason?"

That's the question I ask when I go to clubs to seek out Sadists.

Most men say no immediately. They see the flags my question raises and walk away. They're the good guys. They're the guys who adhere to safe, sane, and consensual. They wanna be aware of the risks and cause no harm. But I'm not looking for a good guy. I'm looking for punishment.

The strobe lights hit me as I reach their table. The heavy, industrial music is deafening, and my head is swimming with images of grief, fire, and accusation. I hear the piercing tone of a machine letting me know that I have to tell my two kid brothers that our sister's heart will never beat again.

Maybe these two twin Sadists will help me. The only thing bigger than River and Reese Tenley is their reputation. They better not let me down.

I ask my question. I ask if they'll beat me without knowing why I want it.

They give me a stone-cold onceover, and I don't know if it's River or Reese who responds. He has a menacing-looking tattoo on his neck.

"Sure. It's your funeral."

*The Game Series is a BDSM series with gay pairings where romance meets the reality of kink. ## Doll Parts (The Game Series Book 4)

**Author: Cara Dee**

*The Game Series, #4 [Standalone.]*

I have the best boyfriend in the whole world, but there's one thing I won't tell him. It's that I don't believe in absolute happiness anymore. Not with the cards we've been dealt. I mean, come on! Why do we fall for people who don't want us back? While he's been pining after Lucian, one of the Masters in his kink community, I'm the lovesick monster-puppy Little who can't forget my former stepdad KC. Or the kinky porn I once found on his computer...but that's beside the point!

It's complicated, to be honest. I try not to think about it. I have Cameron, and I love him so damn much. Why can't we try to make it on our own? Why does he want us to find a Top that's just ours? It won't work. Our stupid hearts refuse to move on.

What's even stupider is that Cameron insists we seek out a Dom for our relationship in the very kink community where we can find both KC and Lucian.

Ohhh crap. I think he's got a plan.

## Only for Ollie (Star Crossed Book 3)

**Author: Lisa Henry**

Xander Finch is a top-ranked MotoGP rider, desperate to get back to the circuit after an injury. He's going stir-crazy in his parents' house in Ventura while he works on his recovery. Xander has tunnel vision when it comes to his sport—it's all he's ever wanted to do in life. When he hires a massage therapist to help speed up his recovery, he's not expecting the guy to completely flip his universe on its head.

Ollie Baker is living in his car after a disastrous break-up, and jumps at the chance to earn some extra cash through massage. Xander Finch might be hot as hell, but Ollie's not going there. He's never going to let some rich guy screw him over again. Besides, Xander's straight. Isn't he?

When their friendship deepens into something more, Xander discovers that Ollie makes him feel a way that nobody ever has before, and maybe motorbikes aren't his only passion after all. Navigating Xander's newly discovered demisexuality isn't the only challenge they'll have to face if they're going to be together, because Ollie's been burned before. It's hard for him to trust Xander, to believe that he's really willing to make room in his life for Ollie as well as his racing—assuming he recovers enough to race at all.

\* GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 \*

\* BEST BOOK OF THE YEAR\* for VOGUE, NPR, VANITY FAIR, and more! \*

*What happens when America's First Son falls in love with the Prince of Wales?*

When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when

the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse.

Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic.

"I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, *New York Times* bestselling author of *The Unhoneymooners*

## Strings Attached

**Author: Riley Hart**

I spent college worrying about responsibilities and earning my teaching degree, so before graduation and moving to Atlanta with my best friend, Ross, I figure I deserve a little fun. I've never been with an older man, but the guy at the bar grabs my attention and doesn't let go...for multiple rounds, all night long.

The next day, when Ross introduces me to his dad, the last thing I expect is for him to be my hookup from the night before, in town from Atlanta for his son's graduation.

The best thing would be to pretend it never happened, which is easier said than done. The more I talk to Harrison, the more I like him. We enjoy teasing each other, spending time together, and despite how successful he is, we both know what it's like to have nothing. Neither of us wants a relationship, so when Harrison suggests a no-strings-attached fling, it's perfect.

But between bills, worrying about Mom, and wondering how I thought I had what it takes to be a good teacher, Harrison's always there, even when it's hard for me to accept help.

Falling for Harrison wasn't part of the agreement.

I don't know how to trust, there's a seventeen-year age difference, and he's my best friend's dad.

No strings attached has never been so difficult, because I'm pretty sure I want to be tied to Harrison for good.

## Better Than Sweets (Hellhound Collar Series Book 1)

**Author: Lisa Oliver**

***With lives forged in Hades' Underworld, a hellhound's pack bonds are never broken. They might have separate territories on earth, but when the pack need each other, they are only ever a mind tug away.***

Java didn't understand why his packmate Raoul was the first to find his mate. In the hellhound pack, they were all equal, and it didn't help that Raoul was so smug about it, snuggling and hugging on the friendly Jason every chance he had. But, Java was determined to find out what Raoul did - there had to be something - and Java was just as capable of doing anything Raoul could've done. It was time. Java had a collar box, just like Raoul had, and his hound was keen to be wearing the contents. They just had to find their mate to get the box open first.

Cyril was finding his feet, enjoying his new life in Plaka, as a local shop owner. His sweets were finding favor among locals and tourists alike, and he was busy enough that he didn't notice a lack of a mate too often. He had a crush - the sexy hotel owner from down the road, who strode past his store almost every day,

and that was enough to fuel Cyril's dreams, even if it meant he spent his nights alone. He never dreamed that same crush would be the one to save him from a mugging.

Hexes and hellhounds from different packs, a collar, a fae, and a naked man falling out of a hotel window. Nothing in their first few days of mating was like Cyril had dreamed of, and even Java wondered how much work it was going to be, keeping his mage mate safe. Especially when the one hunting him had the same sized fangs Java did.

Better Than Sweets is the official book one of a new series, The Hellhound Collar series. It is 41,300 words long and includes an HEA. The prequel to this story, **Collar and Scruff**, is currently part of the Prolific Works Your Book Boyfriend's Boyfriend giveaway (2022). A link for that giveaway can be found in this book.

## Gloom: Gay Monster Romance (Monstrous Book 4)

**Author: Lily Mayne**

**When a strange woman shows up outside our camp in the Wastes with monsters chained up to her RV, it feels like I'm the only one who actually wants to help them.**

That big, grey-skinned monster with the cage on his head and the chain hanging from his back—something is telling me I need to help him. I need to free him. But I have absolutely no idea how I'm supposed to do that, especially when he can't even talk to me to tell me how.

Collector Mary is finally leaving our camp to head back to her monster menagerie, so I do the only thing I can think of to help him. I go with her.

Now, this big beastie and I are travelling companions for the foreseeable future. Now I just have to think of a way to get that cage off his head, which seems like an impossible task. But I'm not giving up. He has no one else, and when I start to discover who he is beneath the cage, my motivation to free him becomes far more than just a desire to help.

This is so dangerous. The military is lurking. Vicious monsters are lurking. And when Mary turns out to be even worse than we could have ever imagined, my desperate bid to save this monster turns into a deadly game of cat and mouse.

I'm pretty sure I'm going to die out here.

*Gloom is Book Four of the Monstrous series, a post-apocalyptic m/m fantasy series that features monsters and human men falling in love. It is best to read the series in order. **Warning:** This m/m love story contains explicit sexual content and is not suitable for young readers. ## Always: An M/M College Romance (Indigo Falls College Book 1)

**Author: Loren Leigh**

*I avoid him.*

Every time Kepler Quinn steps into a room, I get the hell out.

He does . . . something to me. When those discerning gray eyes flick towards me, his brow rising in a silent greeting, there's a tightening of my abs. A zapping hum quivering low along my spine.

There are about a million reasons it shouldn't be what the little voice in the back of my head insists . . . a *crush*.

Because Kepler isn't just some random guy. He's my brother's best friend. He's also my TA for physics this semester. And also . . . a guy. I've never held strongly onto being straight, but I've also never had this sun-scorching need for another guy before.

But I can't avoid him when we're suddenly in the back stacks of the library—*alone*—nothing but the smell of old books and softly falling dust around us. And instead of walking away from him, I let out the two words that burn in my throat:

"Kiss me."

**Always** is a swoony M/M college romance with a bisexual awakening and sizzling chemistry. It's the first in the Indigo Falls College series, a standalone, and features a happy ending.

## Right as Raine: An Aster Valley Novel

**Author: Lucy Lennox**

**Tiller:**

As the first openly gay professional football player, I can't afford to make any mistakes, on or off the field. And the absolute biggest mistake I could make right now would be to fall for Mikey Vining, my best friend, employee and, more importantly, Coach's baby boy. I might fantasize about Mikey at night—*every* night—but actually touching him would be a serious personal foul.

And falling for him? That's completely out of bounds.

**Mikey:**

I've learned my lesson about falling for one of my dad's players. They're a bunch of spoiled jocks with more muscles than brains. I've spent years learning to keep my eyes, and my hands, to myself. But resisting the temptation becomes nearly impossible when Tiller Raine and I end up together in a small cabin in a remote Colorado town.

Suddenly, there's not much to do but look at each other. And talk. And hopefully, *hopefully* touch.

But what happens when our stay in Aster Valley is over and it's time to return to the real world? Will Coach blow the whistle on our relationship? Or will Tiller admit there might actually be something he loves more than football after all?

## Straight Battle (Heroes at Home Book 1)

**Author: Willow Dixon**

"I've always been interested in women, so why can't I stop thinking about Tyler?" - Gage

Buying a house was supposed to be a good investment. Too bad I bit off more than I can chew. Between my job at the bank and my utter lack of home improvement skills, I'm in way over my head. Then a friend suggests I hire a handyman. Enter Tyler.

Tyler is down on his luck after a recent divorce, and we strike a deal that he fixes my house while I give him room and board as part of his pay. He's the perfect roommate, amazing at his job, and he quickly becomes one of my closest friends. But there's something there, something I've never felt for another man before.

Tyler and I both thought we were straight, but that doesn't stop the attraction that grows between us. Is it possible I found the person who could finally show me what love is?

*\*\*\*Straight Battle is double bi-awakening, opposites attract, hurt/comfort story featuring a former soldier with trust issues, a divorced handyman looking for a connection, a found family, and accidental feels. It is Book 1 in the Heroes at Home series, but can be read as a standalone.*

## Mike Bravo Ops: Iris

**Author: Eden Finley**

**Mike Bravo. Knights in shining ... camo.**

## **Iris**

I live for adrenaline. The thrill of the chase. And because I work for Mike Bravo, a private black-ops firm, it's my job to go into dangerous situations.

But when we're called in to extract a military team from a hostile situation, the thrill is so much better. Because one of those men happen to be the golden boy from my basic training days.

Brock "Saint" Harlow was a walking Captain America in the flesh. The perfect soldier.

Now my boss wants to recruit him, and I can't wait to rub it in his face that he was rescued by me. The class clown.

I'm not called Iris "I require intense supervision" for nothing.

## **Saint**

Military life is all I've known since I was born. I was raised to be a soldier.

But when a top-secret mission fails, I find myself suddenly discharged with nowhere to go.

Mike Bravo saved my life, and they want me to join them, but there's one small problem.

Isaac "Iris" Griffin.

He's as irresistibly snarky as he always was, only there's a big difference this time. I'm no longer closeted or scared to live my truth. And the truth is, I've always wanted him.

It's against Mike Bravo's rules to fraternize with other team members, and I always follow orders.

But something tells me Iris might be worth the insubordination.

## **New Daddy at Forty-Seven (Forty-seven Duology Book 2)**

***Author: Nora Phoenix***

**I've never been a Daddy before, but now it's all I want to be...**

I've always thought Kinsey was hot AF, but now that I've come to know him, he's so much more than a super sexy silver fox. He's kind and caring, and so damn courageous.

He's also vulnerable and needy, and it lights me up like nothing else. I know I'm twenty years younger, but I want to take care of him.

I want to be his protector, his strong man, his knight in shining armor.

I want to be his *Daddy*.

*New Daddy at Forty-Seven is part two of a duology, an emotional and yummy romance with an age gap, loads of hurt/comfort, and a beautiful Daddy/boy relationship that ends with an HEA. It contains themes of addiction and religious homophobia.*

## Bad Habits (Wages of Sin Book 1)

**Author: Neve Wilder**

**Jonah taught Cas a million ways to protect his body but not one to protect his heart.**

Smart-mouthed hacker Caspian escaped an abusive home at sixteen. Now he's one of the most sought-after black hatters in the world.

Jonah is a ruthless contract killer with only one weakness, the vibrant runaway he took in years ago: Caspian.

But Cas bailed when he turned eighteen, and Jonah has maintained a steady diet of eat, kill, sleep since then.

***Jonah had always been the fatal flaw in Cas's code, the bug that froze the part of his brain separating logic from emotion.***

A threat to Cas's life brings him back years later—not as the boy Jonah remembers, but as a hardened computer hacker with a price on his head and a list of names everybody wants.

The chemistry between them is as undeniable as it is dangerous.

In a world of secrets and murder, trust is a liability and feelings can get you killed. But Jonah let Cas go once, and he's not willing to do it again. Even if it means confronting his past, solving a twisted puzzle, and taking out half of New York City's seedy underbelly to keep Cas safe.

*Bad Habits is a steamy, action-packed thrill ride of a romance with a HEA and no cliffhangers. It features morally ambiguous men, pancakes drizzled with snark, chosen family, drive-in movies, and the kind of love that drives a guy to murder in order to protect. In short: all the emo, heat, and sarcasm you'd probably expect from an Onley/Neve collaboration. This is book 1 in the Wages of Sin series. Each book will follow a new couple.*

## The Alien's Kidnapped Omega: a scifi alien m/m romance (The Alien's Omega Book 1)

**Author: Sienna Sway**

*Alex*

My job was supposed to be easy; meet the dominant Alien race of Mukhana, negotiate an alliance, and leave. Being literally carried away into the night changes everything. Kidnapping a human is asking for trouble. Every alien in the galaxy should know that by now, but the nassa are more barbaric than expected.

Despite some small similarities with humans, their culture is hard to comprehend. They're kind yet controlling, warm yet stern. Even though he literally kidnapped me and will fight to keep me, Saar seems to respect me and maybe even care for me. Most confusing of all, everyone keeps calling me an omega...

*Saar*

Humans are confusing creatures. They send their most delicate and vulnerable through the universe unattended.

The moment I saw Alex, I knew he was an omega. Even though I was furious that he was being paraded around, unmated and unprotected, I was also thrilled because I knew at once; he was mine.

I will save my omega from his difficult life. I will keep him safe and protected, even if it means war...

**The Alien's Kidnapped Omega is a lighthearted sci-fi m/m romance featuring a unique alien race, a sweet and confused human, a very well-meaning and equally misguided alien and a forced marriage.**

**What happens when a quiet boy with a secret falls for his best friend?**

Finn has always kept people at arm's length. Being quiet and shy doesn't get you many friends outside your family, and it's even harder when you're running a spicy, secret side project.

But Gem might be the exception to the rule. The game designer is clever, self-deprecating, and appreciates Finn's affection for all things nerdy. He's the one man who can find the real Finn... if Finn lets him in.

When Gem asks for Finn's help opening a new board game store, it brings the two of them closer than ever before. Soon things become complicated as lines of friendship blur between them, and Finn begins to worry Gem will find out his secret.

But maybe that wouldn't be as bad as it seems. Maybe Gem already knows the secret Finn's keeping. All he has to do is convince Finn to share...

*Finding Finn is a 78,000-word contemporary MM romance featuring late-night shop shenanigans, far too many nosy siblings with no boundaries, two best friends, and some steamy audio fantasies. It contains no love-triangle, no cheating, and no angst.*

## Wrath: An Enemies to Lovers MM Sports Romance Standalone

**Author: Ellis James**

From *USA Today* Bestseller Ella James—writing MM romance under the pen name Ellis James—comes an addictive, enemies-to-lovers MM romance that readers are calling one of the best love stories of the year.

*It's true, I'm keeping secrets.  
But I just found out one of his...*

My new stepbrother is insufferable.

You'd think it wouldn't matter since I won't be here for long, but this guy gets under my skin like no one ever has. All-American, baby-faced, blue-eyed band dork and star soccer player. Everything about him is the picture of perfection—unlike me.

I don't think Do Gooder knows I'm starting senior year late. And he definitely doesn't know why. I've got secrets I'm taking with me to the grave.

Everyone thinks I moved to my dad's small town to play varsity football, but I've got other plans, and DG's trying to thwart them all. He's making my life worse than it already is.

Having him around is a damn plague. But I can fight back.

I found out a little secret about Mr. Perfect. He plays for the "other" team. That ball bat he's got stuffed into his gray sweatpants—it swings "that" way. The best part about this twisted game is when I find out it gets hard for me.

The Do Gooder...he wants me. I don't know why. But I know how to make him pay.

--

\* This story is emotional and so romantic, but it has some dark parts. Triggers include mental health struggles, trauma, abuse, drug use, and some themes that may be difficult for LGBTIQ+ readers struggling with faith issues. All these things are handled as gently as possible.

## Headcase (Necessary Evils Book 4)

**Author: Onley James**

**Asa Mulvaney** is half of a psychopathic whole. He and his twin brother live together, party together...kill together. In the Mulvaney family, murder is the family business and business is good. So, when an experiment separates Asa and his brother, Asa is forced to navigate the world on his own for the first time in his life.

**Zane Scott** is a small-time crime blogger, but he dreams of a byline in a major paper and his suspicions surrounding Thomas Mulvaney are about to make that dream a reality. When an invitation to a boring fundraiser lands him not beside Thomas, as he had hoped, but Asa Mulvaney, they share an intensely passionate encounter that leaves Zane trapped in a cage of his own making.

At a nearby college, a cluster of suicides isn't what it seems. When Asa's father asks him to look into it, he sees the perfect opportunity to exploit his little crime reporter and make him fall in line. And Asa needs him to fall in line. Zane is suspicious of Asa's motives and half-convinced he's dead either way, but he won't say no to a chance to peek behind the Mulvaney family curtains.

As the two unravel a sinister plot, Asa's obsession with Zane grows and Zane finds being Asa's sole focus outweighs almost anything, maybe even his career—which is good for Asa because loving a Mulvaney is a full-time job. Can he convince Zane that he's worth navigating a family of psychopaths and tolerating an almost too close for comfort twin? Or will Zane learn the hard way that the Mulvaney boys always get what they want? Always.

**Headcase** is a high heat, intense, lovers-to-frenemies, psychopath romance with an HEA and no cliffhangers. It features an obsessive, calculating psychopath and a wannabe reporter who will stop at nothing to earn himself a major byline. As always, there's gratuitous violence, very dark humor, enough killers to fill an auditorium, and enough heat to melt your kindle. This is **book four** in the Necessary Evils series. Each book follows a different couple.

## Sweet as Honey: An Aster Valley Novel

**Author: Lucy Lennox**

When I rode my bike into Aster Valley, it was supposed to be temporary. A quick, relaxing visit with friends. No entanglements. Zero drama.

But then I saw the bumblebee being harassed on the side of the highway.

More specifically, I saw Truman Sweet, Aster Valley's resident botanist, spice merchant, and bee-costume enthusiast, being harassed. And the second I got involved, all my plans for a quick departure scattered like pollen on the breeze.

It turns out that Truman—adorably shy, relentlessly sunny, hot as all heck, reluctantly-still-a-virgin Truman—has secrets. Secrets someone in this charming small town doesn't want brought to light. Secrets that rouse every one of my protective instincts just as surely as his kisses rouse... other parts of me.

And before I know it, I'm thinking being entangled might not be so bad... if it's Truman I'm tangled up with.

I'll do whatever it takes to protect Truman from the dangers in his past, but after a lifetime of loneliness and disappointment, how can I possibly convince him to trust me with his future?

## Redemption: Lions of Locust Falls 1

**Author: Jayda Marx**

Talon - I cocked up. But it wasn't like my normal cock ups, which happen way more often than I'd like to admit; this was the cock up of a lifetime. I was feeling restless and frustrated, and decided to blow off a little steam with a random hookup in the bathroom of a gay club. That's not so bad, right? Well, it wouldn't have been, if my mate didn't choose that exact moment to walk in.

Yep, my mate, the man I'd waited my entire lifetime to meet, the one whom I was destined to love and protect for all eternity, caught me in the act with a stranger. Talk about a great first impression. And when I tried to approach him to apologize, he pepper sprayed me and ran away.

I can track him easily enough, but how do I explain myself when he won't speak to me? How do I show him that we're meant to be, or that I'm loyal and trustworthy when he probably thinks I'm just a dirty man-whore? Oh, and as if that isn't difficult enough, I need to tell him that I can turn into a lion. Time is running out to claim my mate and luck is certainly not on my side.

\*This M/M paranormal romance is a fun, light and fluffy quick read, and contains a misguided but endearing lion shifter and his adorkable fated mate. It is low to no angst, has no cliffhangers or cheating, and features a very happy HEA. Look out for a healthy dose of humor, heartwarming moments, and steamy scenes!

## Scapegoat (Working Dogs Book 1)

**Author: J.R. Gray**

**Special Agent Nolan Hudson**

At seventeen, I ran. I joined the military and planned to never step foot in my home town again. Nothing could make me return to that hellhole and the pain I buried there, or so I thought— until I found myself on a plane to that very place.

Almost two decades later, I'm forced home to help find a missing nine year old. As a member of the most elite K9 special unit in the country, it was my job and you can't exactly say no to the FBI. It should be easy, and I won't have to face what I ran from.

However, the case is anything but simple and to make matters worse, I'm faced with the last person I ever wanted to see again: Officer Callum Stone— the sheriff's son and the town's golden boy. Only he's not anymore—he's a ruin of what he once was.

It's Callum's kid who's missing, and all the feelings I'd spent almost twenty years running from rise to the surface.

As secrets come to light, we realize our small town is hiding a lot more than we thought, and we'll have to follow the trail of deception to get justice and maybe a second chance at love.

Scapegoat is a second chance MM romantic suspense, featuring a small town, some FBI K9 fun, and hurt/comfort vibes. It is the first book in J.R. Gray's Working Dogs series, which will be packed with action, suspense, and humor.

## Hot as Heller: An Aster Valley Novel

**Author: Lucy Lennox**

*The man asked me to valet his damn car.*

Look, I left LA for a reason. I've had my fill of big Hollywood stars and their even bigger egos. I want something genuine. Something *real*. And it doesn't get any realer than being the new sheriff of Aster Valley, Colorado.

That is, until entitled Finn Heller appears on the scene, handing me the keys to his convertible like I'm his personal servant.

The former child star and wannabe action hero is the hottest thing I've ever seen. He's also a snarky party animal with legions of adoring fans and attitude for days.

Or so I thought.

The longer the film crew stays in town, the more I begin to wonder if Finn is hiding his true self, one that's as beautiful inside as out. He's a star alright, but the kind that shines bright enough to light up the night sky... the kind I want to make a wish on.

A wish Finn will find a way to make things work with me, even if it means his next role is my very own leading man.

## Bound to Him

**Author: Ki Brightly**

### The Billionaire Who Wins at All Costs

Texan Alton Bouchard *always* gets what he wants. There's not much money can't buy, and for everything else he bulldozes his way to victory. The moment he sees Noah Divine, the heir of the Divine Conglomerate, Alton knows he wants him. Alton digs up enough dirt to scare Noah's father, and before Noah realizes what is happening, he's contracted to be married to Alton for six months.

### The Artist Minted by Money

Noah Divine wants nothing to do with his family's business. His dream to be a painter has made him his father's number-one disappointment. When he is asked to marry Alton to smooth over the dark splotches on his family's reputation, Noah can't see a solution to the problem except to comply, if only to keep life normal for his younger siblings.

### The Marriage Plot

Alton has a plan—a short marriage to Noah, which will give him business as well as personal opportunities. The hitch is that he doesn't expect Noah to be so pure and innocent, especially since he'd grown up in the moneyed world of Vert Island. Noah wants to hate Alton, but he discovers there is more to the billionaire than he shows. As they navigate their arrangement, they find their feelings for each other grow deeper than they anticipated. Once six months is over, their lives will go back to the way they were before the wedding. But what if they don't want to be alone again? Can a marriage started with a contract ever become more?

*At the beginning of Bound to Him, Alton has a complete lack of morals, but never fear, Noah wins him over, and there is a happily ever after.*

## Nothing Ordinary: A Hit And Run Novel

**Author: E.M. Lindsey**

Ezra Mandel is many things:

A culinary genius.

A first-time teacher.

An anxious mess.

And helplessly attracted to the rudest, most grumpy man he has ever had the misfortune of meeting.

Ezra knows his first semester ever teaching at a private school is going to be a disaster. What he doesn't expect is to get into a rivalry with the volleyball coach who can't stand him. But the more he gets to know Gabriel Bassani, the more he starts to realize his pain is a lot deeper than the surface of his skin.

And Gabriel is a complicated man. He's lived in the shadow of his MLB star brother for most of his life, his past marriage was a disaster, and he's long-since stopped believing in love. But Ezra—persistent, beautiful, irritating Ezra—is the kind of man who refuses to give up, and Gabriel isn't sure if he wants to beg him to stop, or beg him to keep going.

Whatever they have isn't ordinary, but then again, ordinary isn't something either of them has ever wanted.

**This book features a low-angst, slow burn, enemies to lovers romance with a nervous sunshine culinary professor in his first year of teaching, a grumpy ex MLB player with a chip on his shoulder the size of Wrigley Field, a gaggle of students who enjoy making bets on the teacher's lives, and a happily ever after that just might feel like a world record breaking home run.**

*Nothing Ordinary is a previously released serial novel in the Hit and Run series, now with 15,000 words of revised and additional content.*

## Atlas's Accident: A M/M Mpreg Shifter Romance (Darlington Pack Series Book 2)

**Author: Dylan Reece**

**David Freeman is an honorable ex-soldier who hasn't had a heat in years... So why does he wake up pregnant after one date with a bad boy alpha in the middle of a shifter war?**

Sensible and stoic, David can't believe his impossible dream of fatherhood is coming true. Turning into a wolf shifter to keep the unexpected baby is an easy decision... even if it means bonding with the pup's father, Atlas Doran, the newly crowned pack Alpha and David's fated mate.

But *raising* a pup with the smoking hot wolf shifter? Nuh-uh. David can spot a restless playboy ten clicks away, and Atlas's dimple-popping smirk and cocky attitude scream "unreliable". Fated or not, David is ready for a single parent lifestyle far, far away from small town Darlington... until Atlas's pack needs the omega more than he ever expected.

A battle is threatening to destroy Darlington. The pack desperately needs a military strategist. And when it matters most, Atlas is proving himself to be loyal, courageous and... precisely the type of man David wants to raise kids with.

**Will David rule beside his fated mate and save the Darlington pack? Or will Atlas's recklessness cost them everything?**

## The Hitman's Guide to Making Friends and Finding Love: (The Hitman's Guide 1)

**Author: Alice Winters**

*What happens when a snarky hitman and a by-the-book PI cross paths?*

### Leland

Being a hitman has its perks, but I never thought getting an accidental mooning by an attractive PI while he's caught on a fence would be one of them. While it's not exactly love at first sight, he's captured my interest and won't let go.

Suddenly, I find myself caught in a game of cat and mouse, determined to attract the attention of Jackson, the PI who should be my enemy. He pretends like he's not flattered by my flowers and the mentions of my totally-not-fictitious blow-up doll Randy (or was it Dandy?), but I know better. Why else would he be teaming up with me to bring down Hardek, one of the city's most ruthless criminals?

### Jackson

Even though the cops are telling me that the hitman is a notorious contract killer, I can't help but admit that I'm drawn to him. He's funny, charismatic, and attractive. There's no way this ridiculous man can be the person the cops are after.

But when Leland ends up at my doorstep injured, I'm faced with a tough choice. It's my duty to hand him over to law enforcement, but my heart has other plans. I want to keep him. To protect him. To be with him.

Though one question remains: why in the world does the man have so many d\*mn guns?

*Contains: shenanigans on a swing that you would NOT find at a playground, a car chase that sadly doesn't have flips or explosions, a horsey ride sans horse, cuddles, an exuberant mutt, a suspicious chief of police, and lots and lots of laughs.*

## Locked in Silence (Pelican Bay, Book 1)

**Author: Sloane Kennedy**

I've spent years hoping someone would finally hear me. It's easier not to try anymore...

Ten years after leaving his small Minnesota hometown in his rearview mirror for what Nolan Grainger was sure would be the last time, life has decided to throw the talented musician a curveball and send him back to the town he lived in but was never really home.

At twenty-eight, Nolan has traveled the world as a successful concert violinist with some of the best symphonies in the country. But success breeds envy, and when Nolan's benefactor and lover decides Nolan has flown high enough, he cruelly clips Nolan's wings. The betrayal and ensuing scandal leaves the violinist's career in shambles and with barely enough money to start fresh somewhere beyond his vindictive ex's powerful reach. But just as he's ready to get his life back on track, Nolan gets the call he's been dreading.

After a stroke leaves his father a partial invalid, duty-bound Nolan returns to Pelican Bay and a life he's spent years trying to forget. When he's forced to use the last of his own money to keep from losing the family home, desperation has him turning to the one man he'd hoped never to see again...

Even if I could speak, there wouldn't be anyone there to listen...

Pelican Bay's golden boy, Dallas Kent, had the quintessential perfect life. Smart, gorgeous, and popular, the baseball phenom was well on his way to a life filled with fame and fortune. But more importantly, he had a one-way ticket out of Pelican Bay and far away from the family who used love as currency and whose high expectations were the law of the land. But a stormy night, sharp highway curve and one bad decision changed everything, leaving Dallas with nothing.

Because the accident that took his parents, his future and his crown as the boy who could do no wrong, also stole his voice.

Despised for the horrific wreck that ended the lives of two of Pelican Bay's most respected residents, Dallas has retreated to a secluded stretch of land where he's found refuge in a menagerie of unwanted animals that don't care that he once had the world at his feet or that he'll never speak again.

But when the quiet, bookish boy he wasn't allowed to notice in school suddenly reappears ten years later at Dallas's wildlife rehab center in desperate need of a job, Dallas is thrust back into a world he's worked hard to escape.

Dallas's silence was supposed to send Nolan scurrying, but what if Nolan ends up being the one person who finally hears him?

Will two men who've been fleeing from the past finally come home to Pelican Bay for good or will the silence drive them apart forever?

## The Phoenix Fling (Fairytale Mates Book 7)

**Author: Hawke Oakley**

**Two badly-matched opposites won't attract, and they certainly can't be fated mates...**

Stan is the most drab omega in the world, and he likes it that way. He's content in his unkempt appearance, even if his coworkers think he'd look better with a bit of effort. But what's the point? Alphas never showed any interest in him all his life, even before he let his looks fall into disarray. Why should they start now?

When Stan is unknowingly entered into a makeover contest and wins the grand prize, his life turns upside-down. He never asked for a makeover, but now he's stuck with a flamboyant and annoying makeup artist for a week. Great.

Fabian is simply the *best* at what he does. Makeup, clothing, you name it. He can turn any beast into a beauty. But when a shabbily dressed omega with a major attitude problem is thrown at his feet, Fabian is faced with his biggest challenge ever. How can he help someone who refuses to be helped?

Oh, and one more problem: did he mention the "ugly" omega is his fated mate?

*The Phoenix Fling is a sweet and fluffy 21k enemies-to-lovers novella featuring a human omega, an alpha phoenix shifter, and a lot of makeup glitter. It is a standalone with no cheating and an HEA.*

**For the first time *New York Times* bestselling author Christopher Rice writes as C. Travis Rice. Under his new pen name, Rice offers tales of passion, intrigue, and steamy romance between men. The first novel, SAPPHIRE SUNSET, transports you to a beautiful luxury resort on the sparkling Southern California coast where strong-willed heroes release the shame that blocks their heart's desires.**

Logan Murdoch is a fighter, a survivor, and a provider. When he leaves a distinguished career in the Marine Corps to work security at a luxury beachfront resort, he's got one objective: pay his father's mounting medical bills. That means Connor Harcourt, the irresistibly handsome scion of the wealthy family that owns Sapphire Cove, is strictly off limits, despite his sassy swagger and beautiful blue eyes. Logan's life is all about sacrifices; Connor is privilege personified. But temptation is a beast that demands to be fed, and a furtive kiss ignites instant passion, forcing Logan to slam the brakes. Hard.

Haunted by their frustrated attraction, the two men find themselves hurled back together when a headline-making scandal threatens to ruin the resort they both love. This time, there's no easy escape from the magnetic pull of their white hot desire. Will saving Sapphire Cove help forge the union they crave, or will it drive them apart once more?

Reviews for Sapphire Sunset:

"Spectacular! Rice has delivered a romance that manages to be both fresh and timeless, full of charismatic yet vulnerable characters, captivating heat, and a delicious, escapist setting. I never wanted to check out of Sapphire Cove!"

~ Christina Lauren, *New York Times* and internationally bestselling authors of *The Unhoneymooners*

"SAPPHIRE SUNSET is a total treat. Christopher Rice, writing as C. Travis Rice, creates a world of luxury, passion and wit, as his swoonworthy heroes triumph. The book is a 5-star hotel suite stocked with champagne, a gorgeous view of the Pacific and the most beautifully crafted romance – who would ever want to leave?" ~ Paul Rudnick

## Mortal Skin: MM Fae Romance (Folk Book 1)

**Author: Lily Mayne**

I first saw the Folk when I was a little boy. When they started appearing in my garden, with their unnatural, cruel beauty and honeyed words and veiled taunts. I grew up with big green eyes watching me from the forest. Whispers from the trees. Shimmering skin darting between the bushes. Black creatures always lurking in the shadows.

While they were here, I thought nothing of them. It wasn't until they were gone that I realise it wasn't... normal.

But it isn't until I'm twenty-one, when my life is in ruins, that they come back to take me away.

They say I'm not fully mortal. They say I should be among them. The Unseelie Ruler wants me on her land for reasons no one will explain to me, but it's her aloof, painfully beautiful son who captures my attention and refuses to let go.

The cold, black-eyed assassin prince who strikes fear into the hearts of all Folk. Who I've been warned about, repeatedly.

Who watches me always.

I don't trust the Folk, so I ignore their fearful advice to stay away from him. I ignore all of them except him, despite everything telling me that he can't be trusted—that he's just as bad as the rest of them, that he's playing games with me, the clueless mortal held here against his will.

But I want him.

*Mortal Skin* is the first in a mm fae romance trilogy about a dark fae assassin prince and a mortal who is thrown into the cruel world of the Folk.

**Warning:** *This m/m love story contains explicit sexual content and is not suitable for young readers. It also contains depictions of violence and deals with the death of a close family member. This trilogy will follow the same couple who get their HEA eventually, but book one ends on a cliffhanger.*

## Their Boy (The Game Series Book 2)

**Author: Cara Dee**

*The Game Series, #2 [Standalone.]*

Left all alone in the world—and in a very big house—after the loss of his parents, Kit Damien has struggled to find his place in society and in the kink community he longs to be a more active part of.

Daddy Doms Colt and Lucas have been a happy, committed couple for eight years. But two Tops need a bottom, and their quest for a Little to make their lives complete has led them to Kit's empty doorstep.

But just as with his physical wounds, Kit's emotional scars won't heal overnight. Colt and Lucas must challenge him at every turn to force him to open up and let them in, to let them use their own individual methods to make him whole again. Together, the three will embark on a journey to learn about true love, growing up, the importance of sprinkles, and the rules of The Game that can make them all winners.

*The Game Series is a BDSM series with gay pairings where romance meets the reality of kink. Sometimes we fall for someone we don't match with, sometimes vanilla business gets in the way of kinky pleasure, and sometimes we have to compromise and push ourselves to overcome trauma and insecurities. No matter what, two things are certain. This is not a perfect world, and life never turns out the way you planned.*

## Night Tricks (Midnight Magic Book 1)

**Author: Richard Amos**

**They say warlocks are lesser beings. I'm about to prove them wrong.**

The streets have been my home for as long as I can remember. To get by, I use my magic tricks, bringing smiles to the faces of adults and children alike.

As a warlock, my powers are limited. Nothing like a witch's magical skills. Basically, I'm a glorified magician as well as a second-class citizen. Fine. It doesn't get me down. I have my cat Fizz and Kylie Minogue's music to keep me going as I dream big.

I know there's a better life out there for me.

**When I accidentally summon the lost magic of arcana, something not even a powerful witch can do, my world is turned upside down.**

Enter Tae Frost. Mysterious billionaire vampire. Deliciously handsome and brooding. Able to set my pulse racing with just one look. A man who offers to change my life for the better. I just have to move into his penthouse and help him hunt demons first.

Hmmm. I have a big decision to make. Do I take this Cinderella-like opportunity? Especially with the dangerous secret I'm hiding from the world. And if the witches discover I've summoned arcana... Well, it won't be fun to be me if they do.

There's a demon making a big impression—a creepy, button-eyed man spilling blood across London. Seemingly uncatchable, as well as unhinged. The city is trembling in the wake of his shadow.

With my new powers, I'm the only one to stop him.

Damn.

**Night Tricks is the first book in an Urban Fantasy Romance series packed with magic, demons, action, and steamy moments. Step into the world of a warlock who always tries to see the sunny side of life, and the sexy vampire who makes his knees go weak.**

## **Moonstruck (Necessary Evils Book 3)**

**Author: Onley James**

**Atticus Mulvaney** is the eldest son of eccentric billionaire, Thomas Mulvaney—a role he takes very seriously. Atticus takes everything seriously. Like his brothers, Atticus is a psychopath, raised to right the wrongs of a broken justice system. Unlike his brothers, he's not very good at it.

**Jericho Navarro** is no psychopath, but he is a vicious killer. Like Atticus, he also has a secret life. To most, he's just a mechanic. But to a ragtag group of social misfits, he's Peter Pan, teaching them to eliminate those who prey on the weak with extreme prejudice.

When Atticus and Jericho come face to face over a shared enemy, their accidental meeting ends in an explosively hot hookup neither can forget. But they have nothing in common. Atticus is a buttoned-up closeted scientist and Jericho is a man on a mission, determined to find and punish those responsible for the death

of his sister. Still, Jericho can't stay away. And, truthfully, Atticus doesn't want him to.

As Jericho's mission begins to bleed into Atticus's life, two separate but equally brutal families will need to learn how to fight together to take out a common enemy. But no amount of brute force can show Jericho how to scale the walls of a psychopath's heart. Can Jericho convince Atticus that, sometimes, the couple who kills together stays together?

*Moonstruck* is a high heat, intense psychopath romance with an HEA and no cliffhangers. It features a fumbling, sexually confused maniac and the dominating, unapologetic gang leader who can't stop tormenting him. As always, there's gratuitous violence, very dark humor, more killers than you can count, and enough explosive chemistry to level a city block. This is **book three** in the Necessary Evils series. Each book follows a different couple.

## Frog Fugue Fundamentals (Wolves of Stone Ridge Book 57)

**Author: Charlie Richards**

Out of the Cage: An estranged man heeds his brother's call and finds his choice blessed by Fate, if he can connect with the altered human.

Anthony Holsteen hasn't been in the same state as his brother, Dixon, in nearly a century. While they keep tabs on each other and talk a couple of times a year, they do better while far apart. All that changes when Dixon tells Anthony about the many problems his new wolf shifter pack is facing—government conspiracy, witches, humans being turned into shifters, and to top it off, a bigoted sheriff forced into retirement. While Anthony knows that living in close proximity to Dixon could create waves, he accepts the position of sheriff. After all, he would prefer to be in the know when it comes to those causing problems with paranormals.

Even though Dixon has warned Anthony that most of the wolf shifters in his new pack have found their fated mates, he doesn't expect it to happen to him. He isn't a wolf, after all. His kind are deadly and feared and rarely find their mates. The scent of one of the altered humans, however, is undeniable. Anthony realizes that Crew Kester is his mate. Except, Crew isn't gay and is just coming to terms with being a shifter. The man runs.

Can Anthony put aside his dominant nature long enough to accept aid from a pack he doesn't know so he can win the trust of a confused and wary Crew, not to mention his affection?

## Filthy Bromance (Love Unexpected Book 2)

**Author: R. Cayden**

**It's totally normal for two straight guys to do this when they're alone, right?**

That's what I keep telling myself after I meet Reggie.

I'm a pro tennis player, and I usually spend my life on the court. But an embarrassing injury in the middle of the US Open sidelined my career, landing me in the hands of my new athletic trainer.

Reggie is a big old jock with an easy smile, and my grumpy butt has never met anyone like him.

We start hanging—at the gym and at his place, on the tennis court and out at the bar.

I haven't had a real friend in years, and Reggie's big heart warms me deep inside.

He finds something I've tried to keep buried, and when we end up sweaty in a hotel bed one night, my world turns upside down.

Then comes the cabin weekend, and all the long massages at the gym... Reggie gets his big hands all over me, and I can't stop thinking about him.

It's chill, though, because we're a couple of straight guys, and this is just a bromance. A sweaty, grunty, sticky bromance. It can't be more than that, not with my tennis career waiting—and no matter what my heart insists.

*Filthy Bromance is a friends-to-lovers romance with a grumpy tennis star, his big-hearted athletic trainer, and a mess of unexpected feelings. It features dirty talk and exploration on the way to a well-earned HEA. Book two of Love Unexpected, it can be enjoyed as a standalone or read along with the series.*

## Kiss and Cry

**Author: Keira Andrews**

**Will figure skating enemies become lovers?**

### **Henry**

Everything comes easily for Theo Sullivan, whether it's jumps or figure skating world titles. Everyone loves him—judges, fans, coaches.

I hate him.

Now he's invaded my training center, and I have to see him every day as we prepare for the Olympics. I'm going to win gold if it's the last thing I do. I'm going to beat him.

But the strangest thing is happening. I'm peeking under his happy-go-lucky exterior and discovering there's more to Theo than I imagined.

This is a mistake. I can't trust him.

I can't be falling in love.

### **Theo**

My mom's convinced training with Henry Sakaguchi will distract me heading into the Olympics. No way—Henry's epically boring and cold. He might as well be carved from ice.

But when I need help, he's there. He tries to keep me at arm's length, but it's no use. He's too kind. Too generous. He's caring and gorgeous and *hot*, and I've never wanted anyone like this.

I might want Henry more than a gold medal.

Am I falling in love?

*Kiss and Cry* by Keira Andrews is a steamy gay sports romance featuring grumpy/sunshine opposites attracting, secretly soft-hearted boys, hurt/comfort, and of course a happy ending.

## **The Jock: An M|M Sports Romance (The Team - MM Sports Romances Book 1)**

**Author: Tal Bauer**

Wes Van de Hoek clawed his way off his family's West Texas ranch under the Friday night lights, earning a football scholarship to the state's best university. Three years in, he has it all: he's the starting tight end, team captain, and, according to ESPN, maybe the best college football player in the nation. But he's been keeping a secret from everyone.

Justin Swanscott has three certainties in his life: he's gay, football is overrated, and he really, really doesn't like cowboys. He should never have fallen into Wes's open-range eyes or let his heart run wild when Wes gave him that shy little smile over summer. But he couldn't stop himself.

Everyone's asking questions about Wes this season: How is he playing so well? Will Texas be undefeated this year? Will he take the team all the way to the national championship? What's next for him?

The truth? Wes isn't dreaming about an NFL contract. His heart belongs to Justin, even though the world wants it to belong to football.

Wes has stadiums packed with screaming fans, ESPN is all over him, and the NFL wants him badly. He's living under a microscope, and the pressure keeps building as the team keeps winning. Everyone wants something from him, but all Wes wants is to love Justin.

Something's gotta give.

## Hopelessly Bromantic (The Hopelessly Bromantic Duet Book 1)

**Author: Lauren Blakely**

**An irresistibly sexy, emotionally-charged, forbidden MM romance between a broody American and a charming Brit!**

My first day in London feels ripped from the pages of a rom com when I meet a charming, witty guy in a quaint bookshop. We vibe like crazy, and our chemistry is almost too good to be true because...*It is.*

Turns out he's my new roommate. For the next year, I'll be living with the English hottie in a tiny flat that's barely big enough for a mattress. That means no walking around wearing only a towel and definitely no accidental kissing. I do my best to resist the swooniest guy I've ever known.

But after a very-much-on-purpose kiss I find a loophole to the roomie rules – *we'll give in for one night as long as we promise we won't get our hearts involved.*

Too bad in the morning, I find out that hiding my true feelings is the least of my worries, compared to what fate has in store for us.

*Contents Include: Incendiary flirting, opposites attracting, forced proximity, flat-sharing antics, a broken shower that needs fixing, and the first novel in a scorching and emotional two-book epic romance that'll take you from London to New York to Los Angeles!*

## Off Limits (Secrets Kept Book 1)

**Author: Riley Hart**

It started out as a little fun. When there was a man in my building on a hookup app, why not message him?

Only we didn't meet. We just texted—one night after the other, after the other.

GoodWithHisHands was the perfect escape from my life, where pressure was always on my shoulders: my father's expectations, the worry about my sister, Maddy, getting sick again and her ex-husband, Ryder Lynwood, suddenly back and volunteering at the same hospital as me.

It would have been smart to keep my distance from the man who came out as gay, tearing our close families apart and breaking Maddy's heart. Except Ryder intrigues me. I like talking to him, same as I enjoy chatting to GoodWithHisHands.

They weren't supposed to be the same person.

I wasn't supposed to fall for him. To want him. To need him. Maddy didn't deserve to get hurt again, and I didn't need another reason to feel like an outsider in my own family. Ryder was off-limits. I knew that. Still, I couldn't make myself stay away.

*Off Limits is a sister's ex-husband romance with banter, feels, and two men who are perfect for each other, even if they shouldn't be. There's no cheating.*

## Bending the Rules : A Second Chance M/M Hockey Romance (Rules of the Game: Toronto Fisher Cats Book 1)

**Author: Brigham Vaughn**

**Rule #1: Rules are made to ... bend**

Noah Boucher loves his career as a hot-shot NHL goaltender—even after making league history as the first openly bi player. Last season's catastrophic knee injury sidelined him and ended the Toronto Fisher Cats' chance in the playoffs but now he's determined to have one final season to win the Cup before he retires.

Hockey has always come first, but when fate offers him a second chance with his college crush, he's desperate to not repeat the mistakes of his past.

**Rule #2: Don't mess with fate**

When a chance meeting on a scenic train trip puts Noah back into Simon Lawrence's life, he's wary even though their connection is as strong as ever.

Noah walked away from him once to pursue his hockey dreams and the photographer and gallery owner has been burned by long-distance relationships in the past.

A future together will require braving not only the distance and time apart, but the media scrutiny that comes with dating a pro hockey player.

**Rule #3: Trust your heart**

When a catastrophe at the gallery hits just as the pressure of the playoffs is heating up, Noah will have to bend the rules and convince Simon that this time, love comes first.

## Psycho (Necessary Evils Book 2)

**Author: Onley James**

**August Mulvaney** has always been exceptional. As the genius son of an eccentric billionaire, his off-putting behavior is often blamed on his high IQ. They say there's a thin line between genius and madness. August is both—a brilliant professor loved by his students and a ruthless, obsessive killer tasked with righting the wrongs of a failing justice system. And he's just found his latest obsession: Lucas Blackwell.

**Lucas Blackwell** was once the golden child of the FBI, using his secret talent as a clairvoyant to help put away society's worst. Until, with a touch, he discovers his co-worker is a killer and his life falls apart. Now, the world thinks he's crazy and that co-worker wants him dead. He seeks refuge at a small college, hoping to rebuild his life and his reputation. But then he runs into August Mulvaney. Literally.

August is immediately intrigued with Lucas and his backstory. He doesn't believe in psychics, but there's no missing the terror in his eyes when they collide in the hallway. Now, August has a problem. Lucas knows his secret, and August knows he wants Lucas. And August always gets what he wants.

Can he convince Lucas that not all killers are created equal and that having a psychopath in his corner—and in his life—might be just what he needs?

**Psycho** is a fast-paced, thrill ride of a romance with an HEA and no cliffhangers. It features a psychopath hell-bent on romance and a disgraced FBI agent attempting to redeem himself. As always, there's gratuitous violence, very dark humor, and scenes so hot it will melt your kindle. This is **book two** in the Necessary Evils series. Each book follows a different couple.
