## Big Bad Wolf (The Lycans, 1)

**Author: Jenika Snow**

- **\*An Amazon top 50 bestseller, and #1 bestseller in Paranormal Erotica.\***

Mikalina

It was spur of the moment, maybe reckless, definitely a shock to everyone I knew when I decided to take a trip across the ocean to a foreign country and stay for an undetermined amount of time.

Renting out a cottage in a tiny European village whose residents barely spoke English was the perfect escape from overbearing parents, fake friends, and a future that seemed bleak. And helping out an elderly woman with her shopping to earn some extra cash seemed easy enough.

Mindless, hour-long walks through the thick woods that surrounded said village also sounded ideal. No Internet. No television. And just the bare basics to get me by.

Perfection. Stress-free. Exactly what I needed.

Or maybe I was wrong about it all.

I felt someone or something watching me from the darkened, dangerous woods.

I felt someone--something--stalking me. I didn't know what or who it was, but I knew with certainty it wasn't human... and that it wanted me.

Ren

I wasn't human, not completely.

A Lycan--a centuries-old wolf-like creature that was feared by all, stronger than anything on the planet, and who was only ever after one thing.

My mate.

For over three hundred years, I had one purpose in life. Find her, the one female born to be mine. My female who'd cause the Linking Instinct--that supernatural connection that told me she was mine and I hers--to finally take root and make me whole.

And for hundreds of years, I'd been alone, saving myself for my mate, never stopping the search.

Until I scented her, saw her, finally felt my heart beat and the blood rush through my veins with hope and anticipation.

Mine.

She didn't see me, but she sensed me. And she ran. She couldn't possibly know how much the chase turned me on.

I didn't know how I'd make her understand I could never let her go, that nothing and no one would stop me from making her mine.

Because once a Lycan found his mate... nothing in this world, nothing supernatural or human, could keep him from her.

He tasted like mint and fresh water, and I let my tongue dance with his, whimpering when he finally pulled away.

"Max, are you sure this is what you want? I'm a lot older than you are-"

I pulled him to me again, this time tugging at his buttons, wanting to see what was under that shirt of his. He unbuttoned the top button and yanked it over his head, and I gasped in delight as the firelight played over his washboard abs. He hands worked my buttons now, and in a flash, I felt the flannel shirt slipping off my shoulders, then over my hips. It pooled on the floor below me, and I watched as Zach took me in, drinking in the sight of my slender naked body, my curved hips, and upswept breasts.

He kissed me again, and I reached down and felt him, rock hard, his cock straining against his zipper. He hissed through his teeth as I cupped him, running my fingers over his length, tracing him through the denim.

**Author: Charlie Richards**

Enforcer Delanrue Drudeson is a komodo dragon shifter who's known as the intense brother, the unapproachable one, but he has his reasons. Keeping his brothers safe from a sadistic alpha while growing up meant he'd had to be a careful, manipulative adult...from a very early age. Then he walks into a secure room where he's supposed to question the occupant by any means necessary—Midget Suvergy, a guinea pig shifter.

Except, one sniff tells Delanrue that Midget is his mate—the other half of his soul. Knowing the mate-pull could easily compromise his judgment, he immediately assigns the interrogation duties to another. That doesn't stop him from walking back into that room to be with him. Midget claims just to have been in the wrong place at the wrong time, and to Delanrue's relief, his words scent true.

Then word comes down that Midget is wanted for the murder of a member of his guinea pig muddle. Delanrue isn't stupid. It's easy to see that Midget is no killer, no matter what anyone says. Can Delanrue's connections keep Midget safe long enough to clear him from the conspiracy dogging his steps?

## He Saw Me First (Age & Innocence Book 1)

**Author: M Johnson**

Across an empty laneway in Paris, through my hotel window,

**He saw me first.**

I stopped undressing . . . but only for a moment.

The next night, he was waiting for me.

He sat there in his expensive suit and watched.

No participation.

My only acknowledgement was the look of lust in his eyes.

It continued until the night before I left,

when I found a card under my door.

No words. Just a number.

So, I texted him.

I'd never done anything like it before.

It felt so dirty and wrong, but at the same time, I felt alive.

He was much older than me, so intimidating and sexy.

He made me feel things no man ever has.

I was under his spell.

**The last thing I expected was to ever see him again.**

Which leaves me one choice--make my sweet fiancée so miserable during our engagement festivities that she calls it quits. **Operation Prince Charmless will get her out of my hair. And then I'm back to Sexy Single Ruler business-as-usual.**

Or that's the plan...

But my fiancée is feistier than I remembered. Sexier, too. And she loves spur-of-the-moment adventures as much as I do. But did I mention that she hates my guts?

## **Bull (Desert Rebels MC Book 5)**

***Author: Tory Richards***

Bull plays as hard as he works in the MC, and he likes his life just the way it is. No commitments and a different woman in his bed every night. But a sweet little nurse catches his attention and before he knows it he's dealing with more than just trouble in the club.

Excerpt

I found his crooked grin a turn-on, and I scolded myself for letting my libido get out of hand. The waitress showed up with our beers, and I noticed that a couple more buttons had been undone on her uniform. I watched Bull to see if he noticed, and just as I'd expected, his eyes dropped from her smiling face to the deep cleavage she had on display. When she bent over to set his beer down her boobs practically popped out of her top.

I rolled my eyes internally and brushed off the mild unexpected jealousy I felt. The man was not even my type, but then my type hadn't been working out for me so well lately. The waitress moved to set my beer down, all the while keeping her eyes on Bull.

"Thanks for the beer," I said, because I'd been taught to be polite. "And the view."

Bull had just taken a drink and practically snorted out his first mouthful. The woman's smile dropped and her head snapped my way. Our eyes met as she straightened up. I kept the friendly smile on my face, undaunted by the sharpness turning her eyes to stone. What, did she think she wasn't being obvious?

"I'll be right back with your meals." She spun around and left.

I caught the humor in Bull's eyes. "She doesn't know that we're not together. What gives her the right to come on to you like that?" I laughed softly, reaching for my beer. "She'll probably spit in my food now."

His deep chuckle caused goose bumps to run down my spine. "Hate to burst your bubble, Sprite, but she knows we're not together."

My smile disappeared. "Why? Is she your girlfriend?"

He shook his head. "She knows my type."

"And what's your type?"

"Not you."

This thing had been going on for a year now. The thing where they'd meet up at this quaint little bed and breakfast to spend a steamy weekend together. It had started last Christmas when they'd both been in Temptation. They'd agreed to the no strings attached occasional trysts, but this holiday season—after all she'd gone through in the past months—Gemma Taylor might need something else; and if Myles Donovan doesn't agree, she'll take just six more minutes in his arms.

This novella is part of the New Year Bae-Solutions Series. It is 1 of 8 short stories that are connected by the New Year's Eve theme.

Kara is a junior librarian at the law library of a religious college frustrated with the need to cover the body she's so proud of. Forced to dress and act modestly at work, she makes lewd videos and posts them to a web site to wallow in the admiration of the men there. Wearing a mask is a necessity, of course, and following the suggestions of her 'fans' she winds up pretending to be in bondage, and acting submissive. When her videos are seen by the new Dean of Law, however, Kara is in for an awakening. Dean North is determined to cure her of her sinful ways through stern punishment – or so it seems. Yet his punishments seem to only arouse her more, and cause her more fascination with the ideas of bondage and submission. She learns he was a member of a secret club at the university when he was a student, and now other members of that club join him in training her to make proper use of her beautiful body – as God intended. It seems wicked and sinful to Kara, but if the Dean approves, who is she to feel shame?

## **Sins of a Saint (Crowne Legacy Book 2)**

**Author: Sherelle Green**

**Ever lock eyes with someone from across the room and know it was sinful?**

### **HIM**

Deliciously dangerous and addictive. That's how I felt when I kissed her. My gut knew she was trouble before my heart did, but she betrayed both. I swore on my Crowne family, that trust was something I'd never give twice. But with the past creeping back to light - and her along with it - it seems my world might fall victim to the messy kind of secrets I'm usually so good at cleaning up.

### **HER**

If sin had a taste, it would be him. But in our world, trust isn't given, it's only received once you've proven your loyalty. I doubt he'll ever look at me the same again, but he's the only person I can turn to. The only one for the job. It takes one look from him to know I'm in more trouble than I thought. He might be a saint, but sinful is his nature. Unfortunately for me, I've always been the sinning type.

*Please Note: Sins of a Saint contains sex, violence, and profanity and is the thrilling introduction into the Crowne family. It is not required to read the sexy, fast-burn prelude - Face Down Fridays - first, but highly recommended for overall enjoyment.*

## **Nathaniel Lachlan: Billionaire Brothers Series 1**

### ***Author: Irresistibly Me***

Elizabeth Paige

Flashback

AGAIN...

I was running late for my class. As I walked through the corridors with books in my hand I silently prayed hoping Danika Williams and her minions were not around, even if they were, hopefully Nathaniel Lachlan was around.

He was the most feared guy in our city. He was the quarterback in football and also a genius in each and every aspect. I knew and liked him since kindergarten. He was a very friendly kid back then but after his parents died in an accident he has been aloof. He lived with his grandfather, Joseph Lachlan who was one of the richest men listed by Forbes.

Nathaniel never talked much but always stood up against the bullies who targeted weak people. His one menacing look made the bullies question their existence. I sighed in relief when I saw my classroom from my peripheral vision.

I almost jumped out of excitement becau-

"Wait up Fatso, Where is my assignment, essay or whatever the hell you were supposed to complete? I turned around ready to be grilled. I saw Danika Williams and her minions.

"I didn't do it" I murmured looking down.

"Why the fuck not?" She sneered and her minions smirked at me which obviously said that 'YOU ARE DEAD'. I really wanted the ground to just open up and swallow me, not because I was scared of her but I really wasn't in a mood for this.

I looked at her face as I saw her smile vanish and I felt a presence behind me which explained the situation very well.

Turning around towards him and I swallowed hard.

He was very tall as he took a step towards me and towered my height of 5'5. He was well-built anybody could tell he works out daily. His muscles were quite prominent in his loose white shirt and faded blue jeans. For the first time in my life I saw his eyes. They were steel gray and made me feel extremely intimidated. Don't even get me started with his unruly brown hair.

In conclusion, he was a smoking tower of blazing hotness. He was A GREEK GOD.

"Nathan!! I was just helping her out with her homework." Danika's voice pulled me out of my trance. Her voice sounded like her vocal cords were soaked in maple syrup.

Nathan looked at her and raised his eyebrow.

"Seriously! Trust me! Tell him Fats-I mean Elizabeth" She whined and nudged me in my stomach. Nathan bent down low till his eyes met mine.

My eyes widened and I forgot how to breathe. "I will ask you only once and let me tell you this that I hate liars". As soon as I heard his voice shivers ran down my spine.

Never in my life did I even dream of Nathaniel Lachlan talking to me. He backed me up against the locker and rested his hand near my head. "Were they troubling you?!" He asked or rather stated.

I don't even know why he bothered asking me because the way he said it he was almost compelling me to say yes. I bit my lip hard and nodded. He stood up straight and I looked at Danika.

She looked pale, all the colors drained out of her face. Well, I can't complain. I was all flustered up and probably looked like a tomato.

"You! Leave for your class. They won't bother you again. I give you my word." I quickly nodded without looking at him and ran down the hallway.

True to his word I was never bothered by Danika or any of her minions. They just looked at me and sneered but never did anything harmful. I didn't see Nathan again either.

After high school was over I heard he started attending some kind of military school. I missed seeing him around. I tried looking him up but to no avail. Meeting him ever again in my life was a wish I had to give up on.

They wouldn't have bet on me having someone else on my side, or in my bed.

These rich boys haven't seen anything yet.

Their pretty lies are nothing compared to what's coming though, and I'm going to need them to anchor me when I finally break.

Death is coming to those who deserve it, and I don't care if I lose myself in the process.

Did I mention the local street crew being on my side?

No one will ever see me coming.

My name's Rory Donovan, and I'm about to paint the walls red.

\*Pretty Lies is a 75k word dark romance reverse harem novel. This is the first book in the series and it must be read in order. The first four books are Rory's, and the harem grows over those books, so other guys will be added as the story goes. It contains abuse and rape content, and the series will have m/m. If you are triggered by sensitive content, this series is not for you.

**Author: JJ Argus**

Tori is not a happy girl. The world is not beating a path to her door. She's living at home while her parents go on a round-the-world cruise, and trying to get tech jobs. They're only gigs, really, for no one seems to be hiring permanently. Then she finds out her new next door neighbor has a camera pointed at her back yard – where she swims nude, and that there's nothing legal she can do about it. Soon after that she has a job interview, a very promising one, with her next door neighbor, who turns out to be a partner in an investment firm. He's big, powerfully built, handsome, and way too old. But he knows his stuff, both in investments and in tech. And despite an uncomfortable start, she accepts the gig. She knows he's after more than her tech skills, of course, but she quickly softens on the thought of letting him have what he wants. He's awfully confident and smart, after all. Soon enough she's giving her oral reports in a bikini, and then in less than that as his new project seems to be dominating her and teaching her to submit to his skillful and scalding expertise in bed. Mister MacDonald is going to find her a new job once she's properly trained and disciplined, and Tori is too darkly thrilled to refuse.
