A Kingdom of Flesh and Fire (Blood and Ash Book 2)

Author: Jennifer L. Armentrout

From #1 *New York Times* bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series...

Is Love Stronger Than Vengeance?

A Betrayal...

Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her.

A Choice....

Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation.

A Secret...

But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolvern are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

The epic conclusion to the Shadow Beast Shifters.

I finally have the life I always dreamed of. So why does it taste like ash on my tongue?

Growing up in Torma, the strongest of the shifter packs, I wanted nothing more than to find my true mate and live my best life. Of course, that dream existed before my father betrayed the pack and turned me into their punching bag.

I'd all but given up, until a quirk of true mate genetics gifted me a true mate like no other. My childhood dreams were finally a reality. Funny how quickly dreams turn into nightmares.

I'm being lied to, missing weeks and months of time. Someone messed with me and no matter how often I'm told to forget it and move on as Torin's mate, there's no way I can. Whoever did this to me should have known I'd pick at it until it bled. It's my nature after all.

As I search out random growls, flutters in my chest, and a suspicion that there's so much more going on than I could even imagine, I sense that I'm racing against an unknown clock.

I need to get to the bottom of this mystery.

And when I figure out who stole my memories, they're going to wish they never messed with Mera Callahan.

Game on.

By the way his dragon growls 'mine' and 'mate', Beck knows it might be safer for them both if he stays away. Until he finds out Sierra's in danger, and a monster might be just what she needs.

When a huge, gorgeous mountain of a man fell unconscious on Sierra's land, she didn't hesitate to ride out and finally meet her intimidating neighbors at Dragonclaw ranch. They all live up to their legends, with gorgeous, silver-eyed Beck catching her eye most of all. But after a grumpy stand-off with Beck, Sierra heads back home, not wanting to cause more trouble. But when Beck shows up and saves her, insisting on staying around, she can hardly say no to the mountain of a man. Especially when all her body wants to say is 'yes' to him.

As Beck guards Sierra and helps on her ranch, heat explodes between them under the beautiful western night sky. But Beck knows that even though this is the most happiness he has ever known, Sierra deserves more than a monster with a past soaked in blood. There's a killer after me. Multiple killers, if our source is to be believed. As much as I want to run a hundred miles from Lachlan to avoid the mate bond, it's too dangerous. I need his help to find the people who are after me, and there's no way he'd let me go, anyway.

As much as I hate it, we're going to have to team up to stop a madman. The hunt forces us together, and despite our best efforts to resist each other, it becomes harder every day. It's going to take everything I have not to fall to temptation, but I must--especially if I want to survive.

Certainly not with the lovely kindergarten teacher whose scent drives me wild.

But she needs a fake boyfriend for a weekend wedding trip. A big guy to intimidate her ex.

How can I refuse?

I won't be directly disobeying an order, because it won't be a real date.

Muscle and Bone

Author: Mary Calmes

You belong to me and I know it down deep, in muscle and bone, where my wolf lives.

Avery Rhine isn't an average homicide detective with the Chicago PD. In fact, Avery isn't an average anything. Sure, as an omega he knows he's at the bottom of the food chain, but that's never slowed him down. He's got a great life, complete with a loving family and a best friend who'd take a bullet for him, so what more could he possibly want or need? Except, maybe, for the world to change. And to find someone to spend more than one night with, but that isn't high on his list of priorities. He's never been one to believe in destiny or whatever else the fantasies sell about there being someone special out there meant just for him.

Then a chance encounter at a party changes everything.

Graeme Davenport has no delusions about finding his true mate. The consensus is that if an alpha doesn't find their other half by the time they're thirty, the chances of it ever happening go from slim to none. He's not a mere alpha, though; Graeme is a cyne who sits at the pinnacle of lupine hierarchy, so he's obligated by tradition and duty to choose an omega now, sign a contract, and bond with him. Love is not part of the equation.

When Graeme and Avery meet, their fierce attraction to each other flies in the face of reason and logic. Avery's intense physical reaction to the alpha is something he's never experienced before, while Graeme, who has always been the soul of discretion, loses all his inhibitions to desire for the man he wants to possess. They are two very different men trying to navigate expectations, separate reason from innate primal drive, and do it while working together to solve a murder.

It will take everything they are to find a middle ground, and to learn to trust in a fated kind of love.

The Slaughtered Lamb Bookstore and Bar (Sam Quinn Book 1)

Author: Seana Kelly

A "master class in storytelling and survival." —*Publisher's Weekly* (starred review)

Welcome to The Slaughtered Lamb Bookstore and Bar. I'm Sam Quinn, the werewolf book nerd in charge. I run my business by one simple rule: Everyone needs a good book and a stiff drink, be they vampire, wicche, demon, or fae. No wolves, though. Ever. I have my reasons.

I serve the supernatural community of San Francisco. We've been having some problems lately. Okay, I'm the one with the problems. The broken body of a female werewolf washed up on my doorstep. What makes sweat pool at the base of my spine, though, is realizing the scars she bears are identical to the ones I conceal. After hiding for years, I've been found.

A protection I've been relying on is gone. While my wolf traits are strengthening steadily, the loss also left my mind vulnerable to attack. Someone is ensnaring me in horrifying visions intended to kill. Clive, the sexy vampire Master of the City, has figured out how to pull me out, designating himself my personal bodyguard. He's grumpy about it, but that kiss is telling a different story. A change is taking place. It has to. The bookish bartender must become the fledgling badass.

I'm a survivor. I'll fight fang and claw to protect myself and the ones I love. And let's face it, they have it coming.

The reviews are in:

"Kelly (Welcome Home, Katie Gallagher) introduces fierce, lovable heroine Sam Quinn with this master class in storytelling and survival. Seven years ago, Sam was attacked, raped, and forcibly turned into a werewolf, putting an end to her life as she knew it. She's since made a home for herself in San Francisco, opening a combination bookstore/bar catering exclusively to the supernatural community. A loner by nature and still contending with her trauma, she's content to lie low without a wolf pack of her own. But when dead bodies begin piling up across the city and Sam receives a threat from an unknown source, she finds herself surrounded by a phalanx of friends she never realized she had. Among them is Clive, the leader of the city's vampire community, whose good looks attract Sam "like a zombie to brains." Kelly pulls off an impressive feat, weaving the sensitively handled story of Sam's emotional recovery through a rollicking adventure. The

unique setting and endearingly quirky side characters only add to the charm. Readers will delight in both the humor and the heartache of this powerful urban fantasy, and they'll be eager to see where Sam goes next." (Publisher's Weekly (**starred review**))

"This action-packed paranormal series launch will appeal to readers who enjoy a plot-driven, female-centric journey of growth with a side of romance. Great for fans of Patricia Briggs's Alpha and Omega series." (Book Life (Editor's pick))

Hellishly Ever After (Infernal Covenant Book 1)

Author: Nadine Mutas

Ever held a seance and accidentally trapped a demon into marriage? No takers? Just me? Crap.

Marriage is my idea of hell, at least until the day an unfairly hot demon shows up in my apartment and drags me to actual Hell—as his wife.

I'd honestly rather have a root canal without sedation than marry anyone, least of all a surly—even if damnably attractive—demon. But I'm bound to the contract stupid Teenage Me made with Azazel when I accidentally summoned and trapped him into marriage, to be consummated if I were still single at twenty-five.

I'd forgotten all about it.

He hasn't.

And now he's here to claim me.

Neither of us is thrilled about this marriage-of-inconvenience, but what I hate even more than the idea of being married...is being ignored. So when Azazel intends to park me out of sight and mind at the other end of his estate in Hell, I make it my newly eternal life's mission to be as much of a real inconvenience to him as possible.

It's all fun and games, until I find a soul that shouldn't be in Hell, stumble smack-dab into the middle of a demon family feud...and the banter between me and Azazel turns so hot it might consume me.

Hellishly Ever After is the first installment in a new paranormal romance series by award-winning author Nadine Mutas. It will follow the same heroine, Zoe, for several books, and tell her love story with Azazel and her adventures in Hell (and beyond), but this first book does NOT end in a cliffhanger.

If you love laugh-out-loud funny enemies-to-lovers stories with enough heat to burn up the pages, you don't want to miss this book!

Resisting His Mate: Braeden & Paisley (Protected by the Pack Book 2)

Author: Christa Wick

Braeden: For five agonizing years now, I've tried to push the lush, far-too-sweet woman out of my life, and my dreams. She's a human, which makes her a danger to all the shifters in Night Falls. She's also untouched, which makes her a danger to what little restraint I possess around her with each passing day. But seeing as how she's my little sister's best friend, avoiding her hasn't been easy. And now that there's a shooter targeting the pack, the only way I can keep Paisley safe is to keep her close. As if that weren't impossible enough, the pack alpha goes and makes a decree. For her protection, Paisley needs to be mated to someone in the pack by the end of the month. *Damn it all to hell.*

Paisley: I'm pretty sure the man hates me. To Braeden, I've always been the human he wished his sister would stop being friends with--literally a different species from him, being that he and his sister are wolf-shifters and all. After years watching him blatantly keep his distance, no one is more shocked than I am over his reaction when the shooter that's after the pack takes aim at me.

How It Has to Be (Oath of Bane Book 2)

Author: T. S. Joyce

Mercy. This was a word Brick Bane had never understood until his brother spared his life three weeks ago. As bear shifter with a failed mission, he's watching his brother's every move to try and discover what has changed him so much. The only thing that makes sense? The girl his brother has broken the rules with. There's a waitress in town who is paying a little too much attention to Brick, and now he's wondering why she's calling so strongly to him. The rules are simple: Never touch a human's skin, never fall for a woman, and never, ever let a human find out what he is. But this beguiling creature is slowly making him want to break the rules of the Oath of Bane too. The only problem? The consequence is complete annihilation...for both of them.

Trinity is just trying to get her head above water right now, but when a big, burly, sexy-as-fire mountain man starts frequenting her restaurant, she can't help but be distracted. He's rough around the edges, and blunt, and has these crazy rules, but he's also protective, and kind to her in surprising moments. After the year she's had, she sure could use the feeling of safety he provides. The issue with that? Brick Bane's life is anything but safe. There's a big bad bear in the woods hunting them, and the crows in the sky say something is very, very wrong. She has two options. One, go back to the safe life, or two, stand beside Brick and weather the storm that is barreling toward them.

Destiny is coming for the Bane brothers, and Trinity is determined not to let Brick hide from it any longer. Only her love can awaken the monster.

Don't miss this exciting second installment in T. S. Joyce's bestselling Oath of Bane novella series.

The Monster MASH: A dead funny romantic comedy (The Monster MASH Trilogy Book 1)

Author: Angie Fox

Ancient gods. Modern war. And a star-crossed couple who could use some divine intervention.

The day I was drafted into the army of the gods, all I knew about being a MASH surgeon was what I'd learned from Hawkeye Pierce and Hot Lips Houlihan. Now here I am, Dr. Petra Robichaud, in the middle of an immortal war, assigned to a MASH camp with a nosy sphinx, a vegetarian werewolf, and an uptight vampire who really needs to get a life.

At least they're all too busy with their own dramas to discover my secret: I can see the dead. It's a forbidden gift, *one that can get me killed*, so I haven't told a soul.

Until the arrestingly intense Galen arrives on my operating table, half-dead and totally to-die-for. When his spirit tries to slip out of his fatally wounded body, I impulsively slip it back in. Call it a rash resurrection. One I'll live to regret.

Now Commander Galen of Delphi knows my secret, and he's convinced I'm part of an ancient prophecy—one that can end the war for good. But taking a chance could cost me everything. And it would be easier to convince him to leave me alone, except now the prophecies are starting to come true...

Warning: This novel contains a hefty dose of danger, drama, practical jokes, pet swamp lizards, brooding demigods, adventure, romance, and heart—in a MASH camp where everybody knows your business.

What Reviewers are saying...

5 Stars! "Yet another Angie Fox book that is impossible to put down."

5 Stars! "This was a cross between MASH and a grown up, sexy version of a Percy Jackson novel—lots of fun and a highly recommended read!"

5 Stars! "Can I give it 10 stars? This reminded me of the MASH TV shows that I watched growing up, only better."

5 Stars! "Read this one fast only if you can afford the rest of the series, because you ARE going to want to read on."

5 Stars! "Angie's humor is perfectly on par with MaryJanice Davidson's Undead Series, so if you have enjoyed those then you will love this."

*The core of this book was originally called Immortally Yours, published by St. Martin's Press in 2012. The author has rewritten it into the way she always envisioned the story to be, which means it is now a romantic comedy instead of an angsty book. Oh, and there are a lot more pet swamp lizards, too.

Nightfall (Grim Gate Book 1)

Author: Emily Goodwin

If you have a ghost problem, who you gonna call?

Not me. Seriously.

Been there, done that, and the short time I worked as a professional medium was nothing like what you see on TV. Things are way too heavy when you're talking to actual ghosts, and I'm pretty sure I'm the first and only person to be fired from what turned out to be a string of con-artists and fake psychics. That's life, and after twenty-four years of being able to see and hear spirits, I've grown used to it.

But when demonic bounty hunters start coming after me, I realize that maybe there's more to me than being a medium...that maybe my entire life has been nothing but fabricated memories and lies.

Right as everything is unraveling around me, I meet Ethan. I'm drawn to him as much as he scares me, as there's no denying the darkness hiding in his hazel eyes. He knows more about my powers than I do and can help me, yet I can't ignore how the timing of our meeting is too perfect for a mere coincidence.

As the demons close in, I'm forced to make a choice: trust Ethan or face the demons alone. One is certainly more dangerous than the other, and if I don't choose correctly, it will cost me everything...including my heart.

Bewitched: A Paranormal Women's Fiction Novel : Betwixt & Between Book Two

Author: Darynda Jones

A Paranormal Women's Fiction with a bit of class, and a lot of sass, for anyone who feels like age is just a number!

Forty-something Defiance Dayne only recently discovered she comes from a long line of powerful witches. Added to that was the teensy, infinitesimal fact that she is what's called a charmling. One of three on the entire planet. And there are other witches who will stop at nothing to steal her immense

power, which would basically involve her unfortunate and untimely death.

No one told her life after forty would mean having to learn new lifeskills—such as how to survive a witch hunter dead set on killing her—or that the sexiest man alive would be living in her basement.

Whoever said life begins at forty was clearly a master of the underappreciated and oft maligned understatement.

Simon's Runaway Mate (James Pack Book 5)

Author: Lacey Thorn

Cici...

I've been fascinated with shifters since my father married one and I inherited a big brother named Hannibal. Following him on the hunt for rogue wolves was fun and exciting. Right up to the minute it wasn't. Waking up in a hospital bed with a large golden god looming over me wasn't on my radar either. Falling for him? Out of the question. Now, I'm running because no matter how much I yearn for his touch, I'm not who he wants. But Simon? I'm learning he's the wolf those tall tales warn you about.

Simon...

I've always had a fascination with humans. So fragile as they go about their day to day lives never knowing what lurks around them. Then there was her. I spilled blood for her. I'd do it again. I claimed her when I carried her to safety. My mate. I'll forgive her for not understanding. She is human. But running from me should have never crossed her mind. Now, I'll have to chase her down and show her exactly who she belongs to.

The Dead Don't Drink at Lafitte's (Sam Quinn Book 2)

Author: Seana Kelly

I'm Sam Quinn, the werewolf book nerd owner of the Slaughtered Lamb Bookstore and Bar. Things have been busy lately. While the near-constant attempts on my life have ceased, I now have a vampire gentleman caller. I've been living with Clive and the rest of his vampires for a few weeks while the Slaughtered Lamb is being rebuilt. It's going about as well as you'd expect.

My mother was a wicche and long dormant abilities are starting to make themselves known. If I'd had a choice, necromancy wouldn't have been my top pick, but it's coming in handy. A ghost warns me someone is coming to kill Clive. When I rush back to the nocturne, I find vamps from New Orleans readying an attack. One of the benefits of vampires looking down on werewolves is no one expects much of me. They don't expect it right up until I take their heads.

Now, Clive and I are setting out for New Orleans to take the fight back to the source. Vampires are masters of the long game. Revenge plots are often decades, if not centuries, in the making. We came expecting one enemy, but quickly learn we have darker forces scheming against us. Good thing I'm the secret weapon they never see coming.

Enticing His Mate: Joshua & Clover (Protected by the Pack Book 3)

Author: Christa Wick

Clover: The man may be my brother's new second in command, but to me, Joshua's just the bossy pain in the ass who's way too good at getting under my skin. To be fair, I suppose my less-than-sunny disposition when he's around can take some of the credit for provoking him. I can't help it. He's the pack's alpha cat--a hulking, hot mountain lion shifter, and thus the bane of my existence on principle. Cats and I, we don't mix. A pride of lions from California had slaughtered my parents when I was a kid, making sport of hunting me nearly to death as well. Then not too long ago, a psycho she-cat shot me with a poisoned dart. Seriously. Give me a skunk over a cat *any* day.

Joshua: I'm well aware of how easily I can rile up my boss's little sister. Who can blame me? The feisty she-wolf is like my own personal catnip. With claws. So when a rare second heat sends Clover running for the hills--*my* hills--there's no way in hell I'm going to let the opportunity to finally claim my mate pass me by. Her head may have her convinced she can't trust me, but the rest of her sure isn't listening anymore.

Previously published as Desired by the Wicked Woodsman (c) 2016--same yummy shifter story, just with minor edits throughout and a fresh title/cover.

Shifter Kings: A Romantic Fantasy Collection

Author: Lisa Blackwood

Heroes still learning to be human...

Master of the Hunt and Night Huntress:

In a land of three warring kingdoms, a centaur huntsman and a warrior priestess might be the only hope for peace. If the two enemies don't kill each other first, they might even find love.

Seira of Blackstone has fought in many border skirmishes against the centaurs of the lowlands, but when she comes upon a massacre, it's soon apparent the centaur and human dead weren't fighting each other.

Toryn, a centaur huntsman, is following the trail of a new enemy when he encounters Seira, the most exquisite female he's ever beheld. She's majestic, battle-hardened, strong-willed, and her sharp tongue fires his blood more than any other female he's ever met.

While Seira's natural instinct is to kill the horseman, she's also swift to see they have a better chance of success if they work together.

Dragon Archer

When a fierce huntress meets a fire-breathing dragon, enough sparks fly to start an inferno.

Warrior-Priestess Rhavana of High Rock owes her freedom to Seira of Blackstone and Crown Prince Toryn of the centaurs, so when duty requires them to journey into the homeland of the dragons in order to discover how deep the soul-mage conspiracy runs, Rhavana joins them.

But trouble meets them at the border in the form of a big red dragon calling himself Kolaith.

First Queen of the Gryphons:

When the Goddess Ishtar orders King Hillalum of the Gryphons to watch over a human shepherdess, he thinks he'll find the sheep more interesting than the woman, but once he meets Amata, he soon realizes she's his perfect match.

Ishtar's Blade:

The court of the gryphon king has ever been a dangerous and seductive place. Yet as the childhood companion of King Ditanu, Iltani never doubted her place in either his kingdom or his heart.

Then duty called her away to complete her training.

Now, a woman grown and a sword-maiden to the goddess Ishtar, Iltani returns and takes up her sacred destiny to protect the royal line. But so much has changed. Ditanu most of all.

The youth she knew is gone. A stoic, untouchable king now sits the throne.

Blade's Honor

Rescued from her grandfather's dungeon by the King of the Gryphons, Enkara only wishes to repay that great debt by serving as one of the elite Shadow Guards tasked with protecting the royal line. Unfortunately, the gods have other plans...

Betrayal's Price

Warrior-Scout Ashayna Stonemantle has no awareness of her fate until her sentient magic manipulates her into seeking out one of the enemy—Sorstar, Crown Prince of the Phoenix. If she dare trust the word of an enemy prince who is also an avian shape-shifting mage, their souls and futures are eternally linked.

Herd Mistress

From the moment Shadowdancer encountered Sorsha, he knew she was a Herd Mistress—a rare worker of magic, key to the Santhyrian nation's survival. His first obligation is to protect her and bring her back to the safety of the herd, but when Sorsha is threatened by Lord Master Trenslar and his priesthood, they soon discover Trenslar serves a darker master, one willing to devour all magic until the world dies. And that evil wants Shadowdancer and Sorsha.

Maiden's Wolf:

Beatrice, a young healer living on the outskirts of the human port settlement of River's Divide, simply wishes to hide herself from the searching eyes of the Priesthood of the Revealing Light.

Her already complicated life grows more perilous when a lupwyn scout stumbles into a trap set by the priesthood. If she sits back and does nothing, the wolf-like shapeshifter will be drained dry by the priests until he is an empty, soulless slave.

Shifter Kings contains Master of the Hunt, Night Huntress, Dragon Archer, First Queen of the Gryphons, Ishtar's Blade, Blade's Honor, Betrayal's Price, Herd Mistress and Maiden's Wolf.

Trenton

Rebel had been called to the US when she'd been informed that her brother was dying, but she arrived too late. He left behind a devastated wife, two small children, and a load of debt. Rebel stayed to help out as best she could, taking a job at the local hospital, but working conditions there were unbearable, and she had no choice but to quit or kill someone—namely the head nurse. And as a doctor, she had taken an oath to save lives, not take them.

Rodney ran a small practice. He handled the medical care for the local schools and worked at the hospital when needed for emergencies. And when a little boy came into his office to get stitched up from being ambushed by bullies, Rodney knew he had to get to the bottom of the problem. When the boy's Aunt Rebel shows up and takes over, Rodney instantly knows who she is to him—his mate. Having to approach her with the subject had his cat curling up inside him. He had watched his brothers flounder around with their new mates, and he didn't want to start off on the wrong foot.

It didn't take but a minute for Rebel to assess the new situation, and she wasn't sure how she felt about it. She also needed a job, not a handout. She was a doctor, damn it, and a good one. No man, especially one she didn't know, was going to order her around. If he thought he could, she'd let him know fast that she was no pushover.

But even as she learns to stand on her own, the vampire who kept her captive is desperate to claim her again, threatening the song Elisabeta and Ferro are writing together.

And there's one cranky old coyote shifter who's not afraid to do just that.

Martha knows that youngsters have to learn for themselves... but that doesn't mean you can't give them a nudge in the right direction. If, that is, you can make the darn idiots *listen*. With three headstrong whippersnappers diving straight into trouble, this might take more than a sharp word and a sugar cookie to solve.

Fortunately, she can always call on the help of the biggest shark in the sea...

Midlife Muse: A Paranormal Women's Fiction Novel: Nine Heirs and a Spare, Book 1

Author: Donna McDonald

Midlife Muse is a paranormal women's fiction novel and a new action and adventure tale from USA Today Bestselling Author, Donna McDonald.

I may look like a 40-year-old woman, but inside I'm a goddess.

My name is Goddess Atlanta. Haven't you heard of me? No? Bet you've heard of my twin sister, Athena, the Goddess of War. Sure. Everyone's heard of her.

Shunned by my birth family, I grew up with the Muses as sisters and friends. Being a Muse sucked, though, and I failed at inspiring others.

What can I say? Being a warrior is the song that sings in my blood. Just hand me a sword and move back while I call down lightning. Be careful though because my aim's not what it used to be. Becoming a 40-year-old and mostly mortal woman has taken a toll, especially on my knees.

Because of my father, my entire pantheon is also mortal and dying. I have to find a worthy champion to help me save us all. Failure is not an option no matter how old or mortal I get.

My name is Atlanta, Goddess of the Doomsday Prophecy. And this is my Mortal Midlife Story.

WARNING: This new story is both paranormal (think Trolls, Pegasi, and Dragons) and women's fiction (think about growing older). Some fantasy and romantic elements are also included. This is the first book in my new series, *Nine Heirs and a Spare*, which has its roots in Greek mythology. You can count on the good guys winning some of their battles, but that's the only promise I can make. As with all my writing, there will also be lots of laughs along the way.

It's just another Monday.

Dark Flame is the first pulse-pounding book in the Flame Born LGBT urban fantasy series. If you like enemies to lovers, shifters, sexy vampire princes, and scorching heat, you'll love this smoldering tale of bloodlust and magic. The Quiet House (Black and Blue Series Book 2)

Author: Lily Morton

Levi Black has mostly recovered from the events of a year ago. The only lingering effects are that he's much more well known in York than he'd like to be, and he's a lot more cautious about walking around his house naked. However, those events brought him the capricious and fascinating Blue, so he's not complaining. On the contrary, he's happy, in love, and looking forward to Blue finally moving in with him. And if sometimes he wonders what Blue sees in a boring cartoonist, he keeps that to himself.

Blue Billings is finally ready to throw off the memories of his past and move in with the person who means the most in the world to him. His psychic abilities have grown in the last year to his mentor Tom's consternation, but Blue is determined to look on the bright side. He's also focused on ignoring all the warning signs that he's received lately.

Wraith Of Fire: A Vampire King Paranormal Romance (Transfusion Book 11)

Author: Stephanie Hudson

I knew the moment my soul burned.

I knew the moment the Wraith of Fire had touched me.

And now...

Was it really so hard for the Heavens to produce some white light?

But no, not even just a warm glow at the end of some graffitied tunnel and as for Pearly Gates, well they wouldn't be opening for me any time soon!

Because I wasn't where I was supposed to be. And I could forget all my jokes about falling into Wonderland and Oz and seeing any of those fuzzy fellas from Narnia, because no amount of wishing that my life was a fairy tale would make it so.

Not when I was caught in this nightmare world. One where I was to be terrorised by its ruler for an eternity.

A tyrant King that wanted a new game to play.

One I had no chance of winning.

Not when it was my heart, that was on the line.

Wolf Girl

Author: Leia Stone

When my parents were banished from Wolf City before I was born, I thought there was no way I would ever live in a pack again. Cuffed, with my shifter magic bound, I was forced to go to school with witches and vampires in order to keep my true nature from coming out.

Then I met him.

Sawyer Hudson.

The Alpha's son was visiting the Delphi College for Magically Banished Youth and spotted me. He took one look at me, and an hour later, I was being pulled out of school, taken into Wolf City and leaving my parents and everything I knew behind.

It's the Alpha's son's selection year, the year he must pick a mate, and every female aged 18-22 must be in attendance.

I've landed myself in the middle of Werewolf Bachelor, and just when I think I've got a handle on things, Sawyer releases my cuffs, unbinds my magic, and sees what I really am.

The problem is, I don't know what this creature is that I transform into. It's not an ordinary werewolf, that's for damn sure.

Author: Sawyer Bennett

I always knew I was different.

From a young age, my mind has been plagued with things only I could see. Some hauntingly beautiful, others completely terrifying. Never knowing if these visions were real or just hallucinations, I learned how to lock them down and ignore them. I learned to take solace in the relative anonymity of city life and find peace in the rainy days my city of Seattle is known for.

But just when I think my life is getting on track and my dreams are achievable, a moment of weakness causes me to learn a hard and fast lesson.

My entire existence has been a lie.

Now I'm faced with a new reality that's as implausible as it is fantastical. Filled with realms and veils, light and dark, fae and daemons, gods and angels--things I don't understand but am forced to acknowledge. It doesn't help that the man teaching me about my unique gifts is the gorgeously handsome Carrick Byrne, one of Seattle's richest and most powerful men. He intimidates, annoys, and intrigues me all at the same time. I don't trust him and yet there's no one else to help me. No longer certain who to put my faith in, what to believe, or how I fit into it all, one revelation is clear...

It's a straight-up kidnapping, and before I know it, I'm brought to this wintry place of cold hearts and beautiful nightmares, but that's not the worst part.

The worst part is, they think I'm fae, and I'm supposed to participate in some competition against a host of other women who have been training their whole lives for this. The prize? The winner is to marry the Prince.

On the surface that sounds almost like a fairytale, only this competition is brutal and bloody, and the Prince is the jerk that kidnapped me. The Legacy of a Vampire Witch: The Complete Urban Fantasy Boxset

Author: Theophilus Monroe

5 books and 1200+ pages of vampires, witches, and New Orleans Voodoo fill this complete urban fantasy boxset.

Because you can't stake a heartless vampire...

Book 1: Bloody Hell

It had been almost a century and a half since I last encountered anyone from the Order of the Morning Dawn. They were religious fundamentalists with the dual goal of eliminating vampires and witches.

Being both a vampire and a witch I was the embodiment of everything the Order hates. Their first attempt to eliminate me failed. Thanks to the fact that my mentor in the Craft was also a necromancer.

When they burned my heart they didn't kill me. They unwittingly completed a spell that tied my existence to the soul of one who took my place in hell.

Now I'm heartless, literally.

Not having a heart has some advantages. It means I'm pretty resilient, especially when it comes to wooden stakes.

So long as the soul bound to my existence remained in hell, I was virtually invincible.

But the Order figured it out. They hope to redeem the soul who was damned in my stead. If they do that, I'll meet the true death for sure. I have to capture the one damned in my place before the Order manages to liberate him from perdition. If they free him, I will die.

I have to go to bloody hell.

Also included...

Book 2: Bloody Mad: *A Vampire in an asylum? Like that's going to end well...*

Book 3: Bloody Wicked: *Taking on a horde of demon possessed vampires? Time to get wicked!*

Book 4: Bloody Devils: *We were the terrors of New Orleans. And humanity's only hope.*
