**Author: Kelly Harms**

**Two moms as opposite as a Happy Meal and a quinoa bowl. What a difference a week makes in a heartfelt, laugh-out-loud novel by the *Washington Post* bestselling author of *The Overdue Life of Amy Byler*.**

Celeste Mason is the Pinterest stay-at-home supermom of other mothers' nightmares. Despite her all-organic, SunButter-loving, free-range kids, her immaculate home, and her volunteering awards, she still has time to relax with a nice glass of pinot at the end of the day. The only thing that ruins it all is her workaholic, career-obsessed neighbor, who makes no secret of what she thinks of Celeste's life choices every chance she gets.

Wendy Charles is a celebrated productivity consultant, columnist, and speaker. On a minute-by-minute schedule, she makes the working-mom hustle look easy. She even spends at least one waking hour a day with her kids. She's not apologizing for a thing. Especially to Celeste, who plays her superior parenting against Wendy whenever she can.

Who do Celeste and Wendy think they are? They're about to find out thanks to one freaky week. After a neighborhood potluck and too much sangria, they wake up—um, what?—in each other's bodies. Everything Celeste and Wendy thought they knew about the "other kind of mom" is flipped upside down—along with their messy, complicated, maybe not so different lives.

## Zodiac Academy: The Awakening

**Author: Caroline Peckham**

**I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae.**

But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could.

The school they've sent me to is both dangerous as sh\*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy.

Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates - which is actively encouraged by the way.

My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell.

All I've got to do is survive. But fate might have other ideas.

Dammit, why couldn't I have gotten a letter to Hogwarts?

The only saving grace is never having to see him again.

Wishful thinking is a fickle beast.

My boss just announced that Landon is my latest client.

I'll need to impress him or kiss my promotion goodbye.

Revenge is all I see.

The price for redemption is steep.

Landon will pay a small fortune in humiliation.

And I'll walk away filthy rich in vindication.

**Author: Karla Sorensen**

You know the hot neighbor boy you crushed on all your teenage years? Imagine seeing him ten years later and he turns out to be a complete jerk, then you know how I feel.

Our last encounter was awkward, given I'd climbed into his bedroom window to turn my unrequited crush into something ... required. That day was bad enough, but things just got worse.

Noah Griffin turned himself into one of the best football players in the country and a transfer to the Washington Wolves—the team I work for—lands him on my doorstep. The timing couldn't be worse, because my boss just handed me the opportunity of a lifetime. And that promotion rides squarely on Noah's big, muscular, condescending shoulders.

He wants nothing to do with me, and the feeling is so very mutual. But for the sake of my career, I can ignore all those things about him that drive me insane. His eyes. His mouth. His big, big ... hands. Until one day, we can't ignore them anymore.

You know what they say about the line between love and hate though? They're so very right.

She’ll only speak to one person, **ex-FBI profiler Eva Rae Thomas**. The problem is, Eva Rae Thomas has no interest in talking to her.

**★★★★★** What a delight to read a book with such great twists! Truly holds a reader's interest.

This is a dark story because it’s a dark subject and many kudos to Willow Rose for tackling it. Especially when you learn that it’s based on her own experience! Rape is much more common than we would realize, and I agree with the author that this story needed to be told.

**★★★★★** ***“The women you used, the ones you destroyed, we are still here, and there are many of us. And now, we’re coming for you.”***- Quote from the book.

Eva Rae is pulled into a dangerous situation once again... An unsavory acquaintance, from a devastating relationship in Eva Rae's past, comes back to haunt Eva Rae when she's contacted regarding an ongoing homicide investigation. Her refusal to assist becomes the catalyst for what follows...

I was totally immersed in this brilliantly written story. Much respect to Willow for her strength and bravery in penning this story.

**★★★★★** OMG, Willow! I wished we had the option to give you more stars. I would certainly give you much more!

This book hits on a subject that gets swept under the rug more times than we can count and it is really sad that it does!

**Author: Emilia Finn**

Though he's the youngest of five brothers, Lieutenant Nixon Rosa is the protector of his family. He isn't afraid of the heat, and when he's working as a small town fire fighter, he's always the first on site, and once his crew is safe and accounted for, the last to leave.

But what happens when he meets Idalia Mazzi, the Italian beauty with too much baggage and a little boy who suffers from a traumatic past?

Idalia has a hotel to run, business to see to, and a high-needs son to care for. She has zero interest in a hotdogging fire chaser who's quick to smile, and even quicker to tempt fate.

Idalia would rather be alone than date a man who seeks danger on a daily basis. But fate has a way of stepping in and pushing a single mom in the direction she had no clue she needed to go.

The problem is, Idalia isn't sure she can trust her heart to a man a second time, when she's already been burned in the past.

## Barbarian's Taming: A SciFi Alien Romance (Ice Planet Barbarians Book 9)

**Author: Ruby Dixon**

As a newcomer to the alien tribe, I've struggled to find my place. It might be because I'm a tad headstrong at times. And yes, I might have thrown a few things at people's heads. But I had a good reason to pitch a fit - my shy sister was stolen away right under my nose. Of course, now she's back and mated. Everyone's happy...except me.

I need...affection.

Attention.

Okay, I'm lonely. *Really* lonely.

Strangely enough, the only person that I think understands what I'm going through is the same blue-skinned brute that stole my sister. It's wrong to hook up with him, even as a mindless fling.

Except...I'm not so good with the whole 'rules' thing.

And he's not so great with the 'fling' thing.

## **Flock (The Ravenhood Book 1)**

**Author: Kate Stewart**

**An AMAZON TOP 50 BESTSELLER!**

**Can you keep a secret?**

■

I grew up sick.■

■

Let me clarify.■

■

I grew up believing that real love stories include a martyr or demand great sacrifice to be worthy.■

■

Because of that, I believed it, because I made myself believe it, and I bred the most masochistic of romantic hearts, which resulted in my illness.■

■

When I lived this story, my own twisted fairy tale, it was unbeknownst to me at the time because I was young and naïve. I gave into temptation and fed the beating beast, which grew thirstier with every slash, every strike, every blow.■

■

Triple Falls wasn't at all what it seemed, nor were the men that swept me under their wing. But in order to keep them, I had to be in on their secrets.■

■

Secrets that cost us everything to keep.■

■

That's the novelty of fiction versus reality. You can't re-live your own love story, because by the time you've realized you're living it, it's over. At least that was the case for me and the men I trusted my foolish heart to.■

■

Looking back, I'm convinced I willed my story into existence due to my illness.■

■

**And all were punished.**

## **Our Way**

**Author: T L Swan**

Nathan Mercer, the only man in my life.

Loving him was never an option.

We met ten years ago, when we started at the same company on the same day.

Both new in town and with nobody else to rely on, we quickly became friends.

And while Nathan went on to rule San Francisco, I'm still doing the same job with the same people.

We finish each other's sentences, we spend Christmas together and he sleeps at my house more than his.  
He's beautiful.... beyond belief.  
In another life, he's probably my soul mate.

However, lately things have changed.  
He's started looking at me differently.  
His eyes drop to my lips as I speak.  
His hugs are tighter.... longer.  
Our fights are more passionate, his jealousy insane.  
I know it's all in my head....it has to be.

They say to never love someone who treats you like you're ordinary.  
I don't. To him I'm a queen.  
But our story is complicated.

And as much as I love Nathan Mercer with all of my heart. . . He's the one man I can never have.

## **Break Up with Him, for Me: A Friends to Lovers Romance**

**Author: Whitney G.**

From New York Times bestselling author, Whitney G. comes a **contemporary, friends to lovers romance**.

**Please leave your message at the sound of the beep...**

Penelope, I know that it's three o'clock in the morning, but I need to get this off my chest.

I can't give you any more advice on landing this other guy, can't tell you another "sexy" thing that you should do, or suggest a new set of filthy words that you should text him late at night.

As your best friend, I've reached my limit, and I can honestly say that he doesn't deserve you.

I'm not saying all of this because I'm fucking jealous, or because he had the audacity to say that he makes more money than me. (I still can't find his name on the Forbes 500 list, and I know damn well that he's renting that Ferrari, but that's a story for a different day.)

He's not who you think he is, and the better man has always been right in front of you...

You have every reason to never give me a chance since you know me better than anyone, and you agree with all the tabloids calling me *The Cocky King of New York*, and the *Untamed Playboy of Manhattan*. But I honestly believe that you're better off with someone else, and I need you to see.

I'm not asking for too much...

I just want you to break up with him, *for me*.

## Game of Inches (MAKING THE SCORE FOOTBALL ROMANCE Book 3)

**Author: Tawdra Kandle**

**A friends-to-lovers, happily-ever-after steamy football romance.**

***Football is our life, but love is what will save us.***

Our one-night hook-up somehow morphed into friendship. Neither of us wants anything more involved . . . or do we?

*Sarah*

I swore off dating athletes years ago. I'm completely committed to my career in politics and public relations, and I love being a single woman, thank you very much.

When I met Gideon Maynard at our friends' engagement party, the attraction between us was instant and undeniable. Still, I'm smart enough to know that a relationship isn't in the cards for us. Being friends is enough for me . . . until it isn't. And that scares the hell out of me.

*Gideon*

People call me football royalty. Generations of my family have played this game, owned the teams, run the leagues . . . and as starting quarterback for the Richmond Renegades, I guess I'm fulfilling some kind of destiny. But I don't care about any of that. I live and breathe football because the rest of my life is broken and empty.

The moment I spotted Sarah Jenkins at that party, I knew she was trouble for me. One night might not have been enough to get her out of my system, but it's all I can risk . . . even if I can't stop myself from wanting her.

When steamy nights and passionate kisses aren't enough anymore, I'm tempted to try for something deeper, even if that means believing in scary ideas like trust and forgiveness.

If only love were as simple as football.
