Best Friends with the Girl Dad

Author: Kali Hart

Lilian

Ten years ago, my best friend confessed he was in love with me.
I thought he was joking.
He wasn't.
He didn't take the rejection well.
He disappeared.
A decade later, he shows up unannounced at my family's ranch with a daughter.
He thinks we're just going to be friends again.
Well, he's wrong.
Except I'm having a helluva time resisting him.
He's not some lanky, nerdy boy any more.
He's all sexy muscle and melt-your-panties hot.
I'm in big trouble.
I know I should keep my distance, but the harder I fight it, the more I want him.

Josh

After years of living the city life in the fast lane, I decide to move my daughter back to my hometown.
I give up the corporate life for the ranch life.
That I'm working—and living—on Lily's dad's ranch isn't a coincidence.
I selfishly want to see how my former best friend's life has turned out.
Though I decided at six years old that she was the most beautiful woman there ever was, I'm not prepared for the curvaceous beauty she's become.
The attraction between us burns hotter than the scorching sun.
It's not just my daughter who's falling in love with her.
I am too.
This time, I'm not running away.
I'm going to do whatever it takes to prove that the fire blazing between us is the forever kind.

Kim & Skip (Men of Memphis Blues)

Author: Sam E Kraemer

★Kimber “Kim” Donlyn★

Mistakes... I can't say I've made any. I couldn't have imagined some of the things that came my way, but I wouldn't change them for anything because if I did, I wouldn't be the man I am, nor would I have the people I love. I live my life without regrets because life is too short... That's a lesson I would prefer to skip, but that's not possible.

I'm a drag queen—Gimme Dong—and I co-own a drag club, Ben Dover's Dragtime Cabaret. I've had men come and go in my life, but one stuck around—in a most peculiar way. Our relationship isn't for everyone, but it works for us. I'll never find another man like mine. Here's how my grand love affair started...

◆◆◆◆◆

I'm a baseball scout for the Miami Sharks, and I'm a cliché—I find a boy in every port. One night I get some life changing news, and I don't want to be alone with it. Down the block from my apartment, there's a bar, and lo-and-behold—there's a stool that fits me well. The bartender is just the eye candy I need, but he becomes much more than I can imagine I'd want... or need.

Finding the person who is made for me is a blessing. I find my priorities change in ways I'd have never believed. This is the beginning of a story I never thought I'd tell.

Talon: Brothers in Arms in Alaska Book 4
A Mountain Man Curvy Woman Second Chance Romance

Macy

I never expected to see Talon again.
After the way we left things, I figured it was for the best.
Until my brother begs me to track down my ex-husband and get him to come to his wedding.
I try everything I can think of, but all my summons go ignored.
Which leaves me with only one choice: go to Alaska and drag Talon on a plane.
It doesn't matter that he doesn't want to see me.
Or that he's refusing to go to the wedding.
The old feelings—and flames—ignite immediately.
We might irritate each other, but we can't seem to keep our hands to ourselves.
The chemistry between us has always been off the charts.
I could so easily fall in love again with the man who drives me up the wall.
But I've kept a secret from Talon.
One I know he won't forgive.

Talon

Macy and I have been married and divorced twice.
After the way things ended the last time, I never expected to see her again.
I tried to move on.

The chemistry is undeniably sizzling.
I could easily fall for the only woman I've ever loved—*again*.
But her secret might just destroy our last chance at happiness.

The six of us made a pact. We've survived basic together, shared duty stations, and gone to war together. But the needs of the Army have separated us multiple times. That's why we agreed that when each of us got out, we'd each settle down in the same mountainside town of Three Rivers. It was a favorite place to get away on holiday weekends when the six of us were stationed together in Alaska, and as veterans now we can't imagine anywhere better. A place filled with fresh mountain air, friendly people who are there when you need them but happy to keep to themselves when you don't, and unexpected love none of us saw coming.

And traveling is a serious challenge for Dabney, for reasons she'd prefer not to discuss, reasons having to do with her mother (or lack thereof). But with the big Harvard-Yale game coming up, Dabney is determined to make the trek to New Haven to see Clen. She's even borrowed a sexy black outfit from a classmate down the hall.

But when she arrives at the tailgate to see sparks flying between Clen and Jocelyn, a girl with dark blue eyes and luscious black hair, Dabney fears the collapse of a bond she has never questioned before, a bond so important that she'll be lost without it. To learn the fates of Dabney and Clen, read Elin Hilderbrand's novel, *The Matchmaker*.
