

When We Believed in Mermaids: A Novel

Author: Barbara O'Neal

An Amazon Charts, *Washington Post*, *Wall Street Journal*, and *USA Today* bestseller.

From the author of *The Art of Inheriting Secrets* comes an emotional new tale of two sisters, an ocean of lies, and a search for the truth.

Her sister has been dead for fifteen years when she sees her on the TV news...

Josie Bianci was killed years ago on a train during a terrorist attack. Gone forever. It's what her sister, Kit, an ER doctor in Santa Cruz, has always believed. Yet all it takes is a few heart-wrenching seconds to upend Kit's world. Live coverage of a club fire in Auckland has captured the image of a woman stumbling through the smoke and debris. Her resemblance to Josie is unbelievable. And unmistakable. With it comes a flood of emotions—grief, loss, and anger—that Kit finally has a chance to put to rest: by finding the sister who's been living a lie.

After arriving in New Zealand, Kit begins her journey with the memories of the past: of days spent on the beach with Josie. Of a lost teenage boy who'd become part of their family. And of a trauma that has haunted Kit and Josie their entire lives.

Now, if two sisters are to reunite, it can only be by unearthing long-buried secrets and facing a devastating truth that has kept them apart far too long. To regain their relationship, they may have to lose everything.

She wrote him a letter...and he stole her heart.

Sir Phillip knew that Eloise Bridgerton was a spinster, and so he'd proposed, figuring that she'd be homely and unassuming, and more than a little desperate for an offer of marriage. Except . . . she wasn't. The beautiful woman on his doorstep was anything but quiet, and when she stopped talking long enough to close her mouth, all he wanted to do was kiss her . . . and more.

Did he think she was mad? Eloise Bridgerton couldn't marry a man she had never met! But then she started thinking . . . and wondering . . . and before she knew it, she was in a hired carriage in the middle of the night, on her way to meet the man she hoped might be her perfect match. Except . . . he wasn't. Her perfect husband wouldn't be so moody and ill-mannered, and while Phillip was certainly handsome, he was a large brute of a man, rough and rugged, and totally unlike the London gentlemen vying for her hand. But when he smiled . . . and when he kissed her . . . the rest of the world simply fell away, and she couldn't help but wonder . . . could this imperfect man be perfect for her?

This novel includes the 2nd epilogue, a peek at the story after the story.

How to Stop Time: A Novel

Author: Matt Haig

"A quirky romcom dusted with philosophical observations....A delightfully witty...poignant novel." —*The Washington Post*

"She smiled a soft, troubled smile and I felt the whole world slipping away, and I wanted to slip with it, to go wherever she was going... I had existed whole years without her, but that was all it had been. An existence. A book with no words."

Tom Hazard has just moved back to London, his old home, to settle down and become a high school history teacher. And on his first day at school, he meets a captivating French teacher at his school who seems fascinated by him. But Tom has a dangerous secret. He may look like an ordinary 41-year-old, but owing to a

rare condition, he's been alive for centuries. Tom has lived history--performing with Shakespeare, exploring the high seas with Captain Cook, and sharing cocktails with Fitzgerald. Now, he just wants an ordinary life.

Unfortunately for Tom, the Albatross Society, the secretive group which protects people like Tom, has one rule: Never fall in love. As painful memories of his past and the erratic behavior of the Society's watchful leader threaten to derail his new life and romance, the one thing he can't have just happens to be the one thing that might save him. Tom will have to decide once and for all whether to remain stuck in the past, or finally begin living in the present.

How to Stop Time tells a love story across the ages—and for the ages—about a man lost in time, the woman who could save him, and the lifetimes it can take to learn how to live. It is a bighearted, wildly original novel about losing and finding yourself, the inevitability of change, and how with enough time to learn, we just might find happiness.

Soon to be a major motion picture starring Benedict Cumberbatch.

After a lifetime of chasing women, of smiling slyly as they chased him, of allowing himself to be caught but never permitting his heart to become engaged, he took one look at Francesca Bridgerton and fell so fast and hard into love it was a wonder he managed to remain standing. Unfortunately for Michael, however, Francesca's surname was to remain Bridgerton for only a mere thirty-six hours longer—the occasion of their meeting was, lamentably, a supper celebrating her imminent wedding to his cousin.

But that was then . . . Now Michael is the earl and Francesca is free, but still she thinks of him as nothing other than her dear friend and confidant. Michael dares not speak to her of his love . . . until one dangerous night, when she steps innocently into his arms and passion proves stronger than even the most wicked of secrets . . .

The Invitation

Author: Vi Keeland

A new, sexy standalone from #1 *New York Times* Bestseller, Vi Keeland.

The first time I met Hudson Rothschild was at a wedding. I'd received an unexpected invitation to one of the swankiest venues in the city.

Hudson was a groomsman and quite possibly the most gorgeous man I'd ever laid eyes on. He asked me to dance, and our chemistry was off the charts.

I knew it wasn't a good idea to get involved with him, considering the wedding I was at. But our connection was intense, and I was having a great time.

Though the fun came to a screeching halt when Hudson figured out I wasn't who I'd said I was. You see, that unexpected invitation I received? Well, it hadn't actually been addressed to me—it was sent to my ex-roommate who'd bounced a check for two months' rent and moved out in the middle of the night. I figured she owed me an expensive night out, but I guess, technically, I was crashing the wedding.

Once caught, I couldn't get out of there fast enough. As I bolted for the door, I might've plucked a few bottles of expensive champagne off the tables I passed, all while the gorgeous, angry groomsman was hot on my tail.

Outside, I jumped into a taxi. My heart ricocheted against my ribs as we drove down the block—but at least I'd escaped unscathed.

Or so I thought.

Until I realized I'd left my cell phone behind at the table.

Take one guess who found it?

This is the crazy story of how Hudson Rothschild and I met. But trust me, it's only the tip of the iceberg.

Love at First Fight

Author: Carrie Aarons

An Amazon Top 10 Bestseller, #1 in Contemporary Romance

This summer was supposed to be spent lounging on the beach, madly in love with my boyfriend. Until he decided to move to Singapore, and break up with me an hour before his plane left. Now I'm stuck in a Hamptons house share with six of his closest pals, including his best friend ... who despises me.

Since the moment Smith Redfield laid eyes on me, he's hated my guts. I'm serious, I think the raven-haired restaurateur gets physically sick just being in my presence. And he's never been shy about hiding that fact.

There was the time he cackled when I landed face first in a pile of Manhattan trash bags. Or the night I tried to throw my ex-boyfriend a surprise party, and Smith had strippers crash the bash. Or maybe it was New Year's Eve, when he got in my face and called me a sheltered goody two-shoes who wouldn't know passion if it smacked me in the lips.

He's rooming right next door for the summer months, and I don't think more animosity could exist than in the hallway of our vacation rental. As if I wasn't already sporting a bruised ego and broken heart from the way his best friend left me.

But the more midnight run-ins we have, the more I can't help but think about the way his mouth would feel against mine. With each heavy-eyed glance over the dinner table, I'm starting to wonder if the damaged alpha male doesn't harbor more than just loathing towards me.

After all, they say hate is the closest emotion to love.
And with the way we're skating that thin line, it's bound to burn this whole house down.

The Hot Mess and the Heartthrob (Bro Code Book 4)

Author: Pippa Grant

He could have the world, yet he's looking at me like I *am* his world.

You don't know me, but you *do* know me. I'm your neighborhood hot mess single mom, doing my best to keep my head above water while running my little slice of heaven and keeping my youngest from shoving marbles up his nose, which is exactly what he's doing the first time Levi Wilson, pop star god, world's sexiest man, and my all-time number one celebrity obsession, walks into my bookstore.

Related: I'm writing this from beyond the grave, because I've died of mortification and am now residing in an alternate universe.

I have to be.

Because Levi Wilson *came back*.

And we had a moment.

Like, a *moment* moment. The kind that makes me remember that adult pleasure isn't all about hoping the lock holds in the bathroom so your kids don't interrupt on the rare occasion you feel like taking an extra-long mommy-time shower.

So when he proposes a no-strings fling?

Count. Me. In.

Thrill of a lifetime, right?

Surely, nothing will go wrong...

The Hot Mess and the Heartthrob is a rockin' fun, sexy romantic comedy featuring a celebrity party-melter who doesn't know what he's been missing, a sassy single mom hanging on by a string, three adorable children who would never burst in on a woman when she's on a toilet (ha!), and shameless ovary-busting moments between a guy who never thought he'd be a dad and a family who thought they got along just fine without him. It stands alone and comes complete with a happily-ever-after.

Longbourn

Author: Jo Baker

• *Pride and Prejudice* was only half the story •

If Elizabeth Bennet had the washing of her own petticoats, Sarah often thought, she'd most likely be a sight more careful with them.

In this irresistibly imagined belowstairs answer to *Pride and Prejudice*, the servants take center stage. Sarah, the orphaned housemaid, spends her days scrubbing the laundry, polishing the floors, and emptying the chamber pots for the Bennet household. But there is just as much romance, heartbreak, and intrigue downstairs at Longbourn as there is upstairs. When a mysterious new footman arrives, the orderly realm of the servants' hall threatens to be completely, perhaps irrevocably, upended.

Jo Baker dares to take us beyond the drawing rooms of Jane Austen's classic—into the often overlooked domain of the stern housekeeper and the starry-eyed kitchen maid, into the gritty daily particulars faced by the lower classes in Regency England during the Napoleonic Wars—and, in doing so, creates a vivid, fascinating, fully realized world that is wholly her own.

This ebook edition includes a Reading Group Guide.

I don't usually fang and tell, but she earned an exception.

The hapless woman who accidentally released me.

The one who nearly got herself killed mere hours later.

So I saved her, but my help came with a price.

Her impossible to crush perky outlook. Her big eyes that never seem to dim, no matter how far into my blackened soul they saw.

I thought I'd lost the ability to care centuries ago, but it appears I was wrong.

A Court of Silver Flames (A Court of Thorns and Roses Book 5)

Author: Sarah J. Maas

Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta.

Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with

Hybern and all she lost in it.

The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other.

Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts.

Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

Make Me Yours: A Small Town Single Dad Romance

Author: Melanie Harlow

He's my brother's best friend.

The hot single dad next door.

And one accidental sext later, my massive crush on him is no longer a secret.

It's my own damn fault. I'm thirty years old, for heaven's sake. I'm a kindergarten teacher and a (reasonably) responsible adult. I should know better than to get tipsy and draft a fake text listing all the dirty things I wish Officer Cole Mitchell would do to me.

I wasn't supposed to hit send.

He wasn't supposed to see it.

And he definitely wasn't supposed to text back telling me to go on . . .

Because after that, things escalate quickly.

Cole is everything I've ever wanted. He's sexy and protective. A devoted father to his little girl. A dedicated cop the whole town adores. The kind of guy you can trust to keep his hands to himself, even when you're desperately hoping he won't.

I'm not the girl he thought he'd end up with, but after all this time, I might finally get the chance to say the words I've always dreamed of . . . make me yours.

Big Bad Wolf (The Lycans, 1)

Author: Jenika Snow

- ***An Amazon top 50 bestseller, and #1 bestseller in Paranormal Erotica.***

Mikalina

It was spur of the moment, maybe reckless, definitely a shock to everyone I knew when I decided to take a trip across the ocean to a foreign country and stay for an undetermined amount of time.

Renting out a cottage in a tiny European village whose residents barely spoke English was the perfect escape from overbearing parents, fake friends, and a future that seemed bleak. And helping out an elderly woman with her shopping to earn some extra cash seemed easy enough.

Mindless, hour-long walks through the thick woods that surrounded said village also sounded ideal. No Internet. No television. And just the bare basics to get me by.

Perfection. Stress-free. Exactly what I needed.

Or maybe I was wrong about it all.

I felt someone or something watching me from the darkened, dangerous woods.

I felt someone--something--stalking me. I didn't know what or who it was, but I knew with certainty it wasn't human... and that it wanted me.

Ren

I wasn't human, not completely.

A Lycan—a centuries-old wolf-like creature that was feared by all, stronger than anything on the planet, and who was only ever after one thing.

My mate.

For over three hundred years, I had one purpose in life. Find her, the one female born to be mine. My female who'd cause the Linking Instinct—that supernatural connection that told me she was mine and I hers—to finally take root and make me whole.

And for hundreds of years, I'd been alone, saving myself for my mate, never stopping the search.

Until I scented her, saw her, finally felt my heart beat and the blood rush through my veins with hope and anticipation.

Mine.

She didn't see me, but she sensed me. And she ran. She couldn't possibly know how much the chase turned me on.

I didn't know how I'd make her understand I could never let her go, that nothing and no one would stop me from making her mine.

Because once a Lycan found his mate... nothing in this world, nothing supernatural or human, could keep him from her.

Gwen Huffman is wealthy, elegant, comforted by her handsome fiancé as she sheds tears over the trauma of finding the body—but why did it take an hour to report it? Firefly Lane: A Novel

Author: Kristin Hannah

From the *New York Times* bestselling author of *On Mystic Lake* comes a powerful novel of love, loss, and the magic of friendship. . . .

In the turbulent summer of 1974, Kate Mularkey has accepted her place at the bottom of the eighth-grade social food chain. Then, to her amazement, the "coolest girl in the world" moves in across the street and wants to be her friend. Tully Hart seems to have it all---beauty, brains, ambition. On the surface they are as opposite as two people can be: Kate, doomed to be forever uncool, with a loving family who mortifies her at every turn. Tully, steeped in glamour and mystery, but with a secret that is destroying her. They make a pact to be best friends forever; by summer's end they've become *Tully and Kate*. Inseparable.

So begins Kristin Hannah's magnificent new novel. Spanning more than three decades and playing out across the ever-changing face of the Pacific Northwest, *Firefly Lane* is the poignant, powerful story of two women and the friendship that becomes the bulkhead of their lives.

From the beginning, Tully is desperate to prove her worth to the world. Abandoned by her mother at an early age, she longs to be loved unconditionally. In the glittering, big-hair era of the eighties, she looks to men to fill the void in her soul. But in the buttoned-down nineties, it is television news that captivates her. She will follow her own blind ambition to New York and around the globe, finding fame and success . . . and loneliness.

Kate knows early on that her life will be nothing special. Throughout college, she pretends to be driven by a need for success, but all she really wants is to fall in love and have children and live an ordinary life. In her own quiet way, Kate is as driven as Tully. What she doesn't know is how being a wife and mother will change her . . . how she'll lose sight of who she once was, and what she once wanted. And how much she'll envy her famous best friend. . . .

For thirty years, Tully and Kate buoy each other through life, weathering the storms of friendship---jealousy, anger, hurt, resentment. They think they've survived it all until a single act of betrayal tears them apart . . . and puts their courage and friendship to the ultimate test.

Firefly Lane is for anyone who ever drank Boone's Farm apple wine while listening to Abba or Fleetwood Mac. More than a coming-of-age novel, it's the story of a generation of women who were both blessed and cursed by choices. It's about promises and secrets and betrayals. And ultimately, about the one person who really, truly knows you---and knows what has the power to hurt you . . . and heal you. *Firefly Lane* is a story you'll never forget . . . one you'll want to pass on to your best friend.
