Reborn (Shadow Beast Shifters Book 3)

Author: Jaymin Eve

#1 in the entire kindle store!

The epic conclusion to the Shadow Beast Shifters.

I finally have the life I always dreamed of. So why does it taste like ash on my tongue?

Growing up in Torma, the strongest of the shifter packs, I wanted nothing more than to find my true mate and live my best life. Of course, that dream existed before my father betrayed the pack and turned me into their punching bag.

I'd all but given up, until a quirk of true mate genetics gifted me a true mate like no other. My childhood dreams were finally a reality. Funny how quickly dreams turn into nightmares.

I'm being lied to, missing weeks and months of time. Someone messed with me and no matter how often I'm told to forget it and move on as Torin's mate, there's no way I can. Whoever did this to me should have known I'd pick at it until it bled. It's my nature after all.

As I search out random growls, flutters in my chest, and a suspicion that there's so much more going on than I could even imagine, I sense that I'm racing against an unknown clock.

I need to get to the bottom of this mystery.

And when I figure out who stole my memories, they're going to wish they never messed with Mera Callahan.

Game on.

*If you like sexy, dark paranormal romances, with humor, steam, action, a tough heroine and an antihero, this is for you.

Reborn is full length (115k) words, and is the final in the Shadow Beast Shifters series, and does NOT end on a cliffhanger. It's recommended for 18+ due to language and sexual situations.

An isolated mansion. A chillingly charismatic aristocrat. And a brave socialite drawn to expose their treacherous secrets. . . . From the author of *Gods of Jade and Shadow* comes “a terrifying twist on classic gothic horror” (*Kirkus Reviews*) set in glamorous 1950s Mexico.

After receiving a frantic letter from her newly-wed cousin begging for someone to save her from a mysterious doom, Noemí Taboada heads to High Place, a distant house in the Mexican countryside. She’s not sure what she will find—her cousin’s husband, a handsome Englishman, is a stranger, and Noemí knows little about the region.

Noemí is also an unlikely rescuer: She’s a glamorous debutante, and her chic gowns and perfect red lipstick are more suited for cocktail parties than amateur sleuthing. But she’s also tough and smart, with an indomitable will, and she is not afraid: Not of her cousin’s new husband, who is both menacing and alluring; not of his father, the ancient patriarch who seems to be fascinated by Noemí; and not even of the house itself, which begins to invade Noemí’s dreams with visions of blood and doom.

Her only ally in this inhospitable abode is the family’s youngest son. Shy and gentle, he seems to want to help Noemí, but might also be hiding dark knowledge of his family’s past. For there are many secrets behind the walls of High Place. The family’s once colossal wealth and faded mining empire kept them from prying eyes, but as Noemí digs deeper she unearths stories of violence and madness.

And Noemí, mesmerized by the terrifying yet seductive world of High Place, may soon find it impossible to ever leave this enigmatic house behind.

“It’s as if a supernatural power compels us to turn the pages of the gripping *Mexican Gothic*.”—*The Washington Post*

Black Sun (Between Earth and Sky Book 1)

Author: Rebecca Roanhorse

From the *New York Times* bestselling author of *Star Wars: Resistance Reborn* comes the first book in the *Between Earth and Sky* trilogy, inspired by the civilizations of the Pre-Columbian Americas and woven into a tale of celestial prophecies, political intrigue, and forbidden magic.

*A god will return
When the earth and sky converge
Under the black sun*

In the holy city of Tova, the winter solstice is usually a time for celebration and renewal, but this year it coincides with a solar eclipse, a rare celestial event proscribed by the Sun Priest as an unbalancing of the world.

Meanwhile, a ship launches from a distant city bound for Tova and set to arrive on the solstice. The captain of the ship, Xiala, is a disgraced Teek whose song can calm the waters around her as easily as it can warp a man's mind. Her ship carries one passenger. Described as harmless, the passenger, Serapio, is a young man, blind, scarred, and cloaked in destiny. As Xiala well knows, when a man is described as harmless, he usually ends up being a villain.

Crafted with unforgettable characters, Rebecca Roanhorse has created an epic adventure exploring the decadence of power amidst the weight of history and the struggle of individuals swimming against the confines of society and their broken pasts in the most original series debut of the decade.

Ten years later, I'm still hiding in plain sight. When I occasionally see him on the street—deadly, sexy, powerful—I just walk by. Keep my head down.

Until that night. Wrong place, wrong time, and suddenly I'm accused of murdering someone from my old pack. And he's there. Blaming me. I've got one chance to prove my innocence and find the real killer, or I'm dead by shifter law.

Fortunately, the Alpha doesn't recognize me because I'm no longer the same ugly duckling. He senses I'm special though, and he won't stop until he figures out the truth. But when he does, I'll be in danger from more than just the murderer.

A Deadly Education: A Novel (The Scholomance Book 1)

Author: *Naomi Novik*

NEW YORK TIMES BESTSELLER • From the author of *Uprooted* and *Spinning Silver* comes the first book of the Scholomance trilogy, the story of an unwilling dark sorceress who is destined to rewrite the rules of magic.

"The dark school of magic I've been waiting for." Katherine Arden, author of *Winternight Trilogy*

I decided that Orion Lake needed to die after the second time he saved my life.

Everyone loves Orion Lake. Everyone *else*, that is. Far as I'm concerned, he can keep his flashy combat magic to himself. I'm not joining his pack of adoring fans.

I don't need help surviving the Scholomance, even if they do. Forget the hordes of monsters and cursed artifacts, I'm probably the most dangerous thing in the place. Just give me a chance and I'll level mountains and kill untold millions, make myself the dark queen of the world.

At least, that's what the world expects. Most of the other students in here would be delighted if Orion killed me like one more evil thing that's crawled out of the drains. Sometimes I think they want me to turn into the evil witch they assume I am. The school certainly does.

But the Scholomance isn't getting what it wants from me. And neither is Orion Lake. I may not be anyone's idea of the shining hero, but I'm going to make it out of this place alive, and I'm not going to slaughter thousands to do it, either.

Although I'm giving serious consideration to *just one*.

With flawless mastery, Naomi Novik creates a school bursting with magic like you've never seen before, and a heroine for the ages—a character so sharply realized and so richly nuanced that she will live on in hearts and minds for generations to come.

Praise for *Deadly Education*

"The can't-miss fantasy of fall 2020, a brutal coming-of-power story steeped in the aesthetics of dark academia. . . . *A Deadly Education* will cement Naomi Novik's place as one of the greatest and most versatile fantasy writers of our time."—**BookPage (starred review)**

"A must-read . . . Novik puts a refreshingly dark, adult spin on the magical boarding school. . . . Readers will delight in the push-and-pull of El and Orion's relationship, the fantastically detailed world, the clever magic system, and the matter-of-fact diversity of the student body."—**Publishers Weekly (starred review)**

Wild Hunt (Shadow Guild: Wolf Queen Book 2)

Author: Linsey Hall

My secret is out, and the Alpha knows what I am.

Despite ten years of secrecy, Lachlan has realized that I'm his mate. He is *not* pleased that I've been hiding from him. And the fact that I escaped from his cell? Yeah, he hates that too. It's hardly my worst problem, though.

There's a killer after me. Multiple killers, if our source is to be believed. As much as I want to run a hundred miles from Lachlan to avoid the mate bond, it's too dangerous. I need his help to find the people who are after me, and there's no way he'd let me go, anyway.

As much as I hate it, we're going to have to team up to stop a madman. The hunt forces us together, and despite our best efforts to resist each other, it becomes harder every day. It's going to take everything I have not to fall to temptation, but I must—especially if I want to survive.

The Slaughtered Lamb Bookstore and Bar (Sam Quinn Book 1)

Author: Seana Kelly

A “master class in storytelling and survival.” —*Publisher's Weekly* (starred review)

Welcome to The Slaughtered Lamb Bookstore and Bar. I'm Sam Quinn, the werewolf book nerd in charge. I run my business by one simple rule: Everyone needs a good book and a stiff drink, be they vampire, wicche, demon, or fae. No wolves, though. Ever. I have my reasons.

I serve the supernatural community of San Francisco. We've been having some problems lately. Okay, I'm the one with the problems. The broken body of a female werewolf washed up on my doorstep. What makes sweat pool at the base of my spine, though, is realizing the scars she bears are identical to the ones I conceal. After hiding for years, I've been found.

A protection I've been relying on is gone. While my wolf traits are strengthening steadily, the loss also left my mind vulnerable to attack. Someone is ensnaring me in horrifying visions intended to kill. Clive, the sexy vampire Master of the City, has figured out how to pull me out, designating himself my personal bodyguard. He's grumpy about it, but that kiss is telling a different story. A change is taking place. It has to. The bookish bartender must become the fledgling badass.

I'm a survivor. I'll fight fang and claw to protect myself and the ones I love. And let's face it, they have it coming.

The reviews are in:

"Kelly (Welcome Home, Katie Gallagher) introduces fierce, lovable heroine Sam Quinn with this master class in storytelling and survival. Seven years ago, Sam was attacked, raped, and forcibly turned into a werewolf, putting an end to her life as she knew it. She's since made a home for herself in San Francisco, opening a combination bookstore/bar catering exclusively to the supernatural community. A loner by nature and still contending with her trauma, she's content to lie low without a wolf pack of her own. But when dead bodies begin piling up across the city and Sam receives a threat from an unknown source, she finds herself surrounded by a phalanx of friends she never realized she had. Among them is Clive, the leader of the city's vampire community, whose good looks attract Sam "like a zombie to brains." Kelly pulls off an impressive feat, weaving the sensitively handled story of Sam's emotional recovery through a rollicking adventure. The unique setting and endearingly quirky side characters only add to the charm. Readers will delight in both the humor and the heartache of this powerful urban fantasy, and they'll be eager to see where Sam goes next." (Publisher's Weekly (starred review))

"This action-packed paranormal series launch will appeal to readers who enjoy a plot-driven, female-centric journey of growth with a side of romance. Great for fans of Patricia Briggs's Alpha and Omega series." (Book Life (Editor's pick))

The Monster MASH: A dead funny romantic comedy (The Monster MASH Trilogy Book 1)

Author: Angie Fox

Ancient gods. Modern war. And a star-crossed couple who could use some divine intervention.

The day I was drafted into the army of the gods, all I knew about being a MASH surgeon was what I'd learned from Hawkeye Pierce and Hot Lips Houlihan. Now here I am, Dr. Petra Robichaud, in the middle of an immortal war, assigned to a MASH camp with a nosy sphinx, a vegetarian werewolf, and an uptight vampire who really needs to get a life.

At least they're all too busy with their own dramas to discover my secret: I can see the dead. It's a forbidden gift, *one that can get me killed*, so I haven't told a soul.

Until the arrestingly intense Galen arrives on my operating table, half-dead and totally to-die-for. When his spirit tries to slip out of his fatally wounded body, I impulsively slip it back in. Call it a rash resurrection. One I'll live to regret.

Now Commander Galen of Delphi knows my secret, and he's convinced I'm part of an ancient prophecy—one that can end the war for good. But taking a chance could cost me everything. And it would be easier to convince him to leave me alone, except now the prophecies are starting to come true...

Warning: This novel contains a hefty dose of danger, drama, practical jokes, pet swamp lizards, brooding demigods, adventure, romance, and heart—in a MASH camp where everybody knows your business.

What Reviewers are saying...

5 Stars! "Yet another Angie Fox book that is impossible to put down."

5 Stars! "This was a cross between MASH and a grown up, sexy version of a Percy Jackson novel—lots of fun and a highly recommended read!"

5 Stars! "Can I give it 10 stars? This reminded me of the MASH TV shows that I watched growing up, only better."

5 Stars! "Read this one fast only if you can afford the rest of the series, because you ARE going to want to read on."

5 Stars! "Angie's humor is perfectly on par with MaryJanice Davidson's Undead Series, so if you have enjoyed those then you will love this."

*The core of this book was originally called Immortally Yours, published by St. Martin's Press in 2012. The author has rewritten it into the way she always envisioned the story to be, which means it is now a romantic comedy instead of an angsty book. Oh, and there are a lot more pet swamp lizards, too.

"Deliciously dark, sinfully sexy, absolute must read!" - Claire Contreras, NYT Bestselling author

A contemporary dark romance with a vampire twist, from the New York Times bestselling author of A Nordic King and Sins & Needles

All Lenore Warwick wants for her 21st birthday is to hang out with her friends, finish her second year at Berkeley with flying colors, and maybe catch the eye of a hot musician playing a show at a club that she can now (legally) get into.

Unfortunately, fate has other plans for her.

A week before her birthday, she's kidnapped by the brooding and dangerous stranger with cold eyes and a lethal touch, who has been stalking her on San Francisco's fog-shrouded streets. You see Lenore, too, is a vampire.

She just doesn't know it yet.

Taken by a pair of vampire slayers when she was just an infant, Lenore was raised never knowing her true nature. All Lenore knows is that she has (normal) parents who love her, that she's exceptionally smart, and she's squeamish around blood. But once she turns twenty-one, she'll fully turn into a vampire, and Solon hopes he'll be there to guide her, opening her eyes to her deepest hunger...both sexual and otherwise.

But this turning can't be kept a secret. Soon both slayers and vampires are hunting Lenore, with only Solon and his unpredictable motley crew of vampires to save her.

If they don't kill her first.

The Witch's Heart

Author: Genevieve Gornichec

When a banished witch falls in love with the legendary trickster Loki, she risks the wrath of the gods in this moving, subversive national bestselling debut novel that reimagines Norse mythology.

Angrboda's story begins where most witches' tales end: with a burning. A punishment from Odin for refusing to provide him with knowledge of the future, the fire leaves Angrboda injured and powerless, and she flees into the farthest reaches of a remote forest. There she is found by a man who reveals himself to be Loki, and her initial distrust of him transforms into a deep and abiding love.

Their union produces three unusual children, each with a secret destiny, who Angrboda is keen to raise at the edge of the world, safely hidden from Odin's all-seeing eye. But as Angrboda slowly recovers her prophetic powers, she learns that her blissful life—and possibly all of existence—is in danger.

With help from the fierce huntress Skadi, with whom she shares a growing bond, Angrboda must choose whether she'll accept the fate that she's foreseen for her beloved family...or rise to remake their future. From the most ancient of tales this novel forges a story of love, loss, and hope for the modern age.

When a fellow U.S. Marshal asks Anita Blake to fly to a tiny community in Michigan's Upper Peninsula on an emergency consult, she knows time is running short. When she arrives, there is plenty of proof that a young werewolf killed his uncle in the most gruesome and bloody way possible. As the mounting evidence points to him, a warrant of execution is already under way.

But something seems off about the murder, and Anita has been asked for her expert opinion on the crime scene. Despite escalating pressure from local cops and the family's cries for justice for their dead patriarch, Anita quickly realizes that the evidence doesn't quite add up.

Time is against Anita, as the tight-knit community is up in arms and its fear of supernaturals is growing. She races to uncover the truth and determine whether the Marshals have caught the killer or are about to execute an innocent man—all in the name of justice.

Magi's Path (Aether's Revival Book 3)

Author: Daniel Schinhofen

Nearly everything in Gregory's life had changed by the end of his first year at the academy. Alone at the start of his novice year, he'd gotten engaged to Yukiko Warlin and found a friend in Jenn Bean by the time the annual tournament was over.

The three of them went on to join Aether's Guard, bringing the name of the nearly dead clan back to life. Elder Lightshield, the leader of Aether's Guard, gave them his support and backing and Magus Dia guided them. Their training with Armsmaster Gin continued, offering a safe haven and helping to shield them from the worst tribulations that academy life could bring.

Nothing is perfect, though. Gregory, Yukiko, and Jenn had also made enemies, and faced resentment and anger from the Eternal Flame clan more than once. Weathering the troubles that Nick Shun and his friends tried to bring down on them, the three magi rose to ever greater heights.

Gregory's second tournament included the unexpected, but welcome, arrival of Carmichael Pettit, as well as a mysterious bet between Jenn and Yukiko. At the end of the tournament, Jenn had bested Yukiko and Gregory, and the three of them held three of the top four places.

With both of their families in attendance, Gregory and Yukiko wed after the tournament. The newlywed couple would face the academy and the world as one, and with their friends and their clan, they would strive to be at the pinnacle of their class once more.

Simon's Runaway Mate (James Pack Book 5)

Author: Lacey Thorn

Cici...

I've been fascinated with shifters since my father married one and I inherited a big brother named Hannibal. Following him on the hunt for rogue wolves was fun and exciting. Right up to the minute it wasn't. Waking up in a hospital bed with a large golden god looming over me wasn't on my radar either. Falling for him? Out of the question. Now, I'm running because no matter how much I yearn for his touch, I'm not who he wants. But Simon? I'm learning he's the wolf those tall tales warn you about.

Simon...

I've always had a fascination with humans. So fragile as they go about their day to day lives never knowing what lurks around them. Then there was her. I spilled blood for her. I'd do it again. I claimed her when I carried her to safety. My mate. I'll forgive her for not understanding. She is human. But running from me should have never crossed her mind. Now, I'll have to chase her down and show her exactly who she belongs to.

Cause for War (Reality Benders Book #7): LitRPG Series

Author: Michael Atamanov

The Army of Earth is being sent on its first tour of duty. Its fifty thousand proud and valiant troopers are the best of the best, full of hope for brilliant victories and spoils of war that can help Earth's humanity along in its development.

There's just one little problem though. The operation's Geckho commanders view their human vassals as mere cannon fodder, good only for plugging up holes in their defensive line and shipping out to the space war's most punishing hotspots where the chance of surviving is practically nil.

How should the Kung of Earth behave in this situation? Disobey the suzerains' orders, draw their ire and put his home planet under threat of complete annihilation? Or make a play for the freedom of humanity in a game of his own?

Read all about it in the seventh book of the Reality Benders series!
