

The Midnight Library: A Novel

Author: Matt Haig

A WASHINGTON POST “FEEL-GOOD BOOK GUARANTEED TO LIFT YOUR SPIRITS”

A New York Times bestseller | Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick!

"Between life and death there is a library, and within that library, the shelves go on forever. Every book provides a chance to try another life you could have lived. To see how things would be if you had made other choices . . . Would you have done anything different, if you had the chance to undo your regrets?"

A dazzling novel about all the choices that go into a life well lived, from the internationally bestselling author of *Reasons to Stay Alive* and *How To Stop Time*.

Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better?

In *The Midnight Library*, Matt Haig's enchanting new novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

1984

Author: George Orwell

A PBS Great American Read Top 100 Pick

With extraordinary relevance and renewed popularity, George Orwell's *1984* takes on new life in this edition.

"Orwell saw, to his credit, that the act of falsifying reality is only secondarily a way of changing perceptions. It is, above all, a way of asserting power."—The New Yorker

In *1984*, London is a grim city in the totalitarian state of Oceania where Big Brother is always watching you and the Thought Police can practically read your mind. Winston Smith is a man in grave danger for the simple reason that his memory still functions. Drawn into a forbidden love affair, Winston finds the courage to join a secret revolutionary organization called The Brotherhood, dedicated to the destruction of the Party. Together with his beloved Julia, he hazards his life in a deadly match against the powers that be.

Lionel Trilling said of Orwell's masterpiece, "*1984* is a profound, terrifying, and wholly fascinating book. It is a fantasy of the political future, and like any such fantasy, serves its author as a magnifying device for an examination of the present." Though the year 1984 now exists in the past, Orwell's novel remains an urgent call for the individual willing to speak truth to power.

Way Station

Author: Clifford D. Simak

Hugo Award Winner: In backwoods Wisconsin, an ageless hermit welcomes alien visitors—and foresees the end of humanity . . .

Enoch Wallace is not like other humans. Living a secluded life in the backwoods of Wisconsin, he carries a nineteenth-century rifle and never seems to age—a fact that has recently caught the attention of prying government eyes. The truth is, Enoch is the last surviving veteran of the American Civil War and, for close to a century, he has operated a secret way station for aliens passing through on journeys to other stars. But the gifts of knowledge and immortality that his intergalactic guests have bestowed upon him are proving to be a nightmarish burden, for they have opened Enoch's eyes to humanity's impending destruction. Still, one final hope remains for the human race . . . though the cure could ultimately prove more terrible than the disease.

Winner of the Hugo Award for Best Novel, *Way Station* is a magnificent example of the fine art of science fiction as practiced by a revered Grand Master. A cautionary tale that is at once ingenious, evocative, and compassionately human, it brilliantly supports the contention of the late, great Robert A. Heinlein that "to read science-fiction is to read Simak."

Ready Player Two: A Novel (Ready Player One Book 2)

Author: Ernest Cline

#1 NEW YORK TIMES BESTSELLER • The highly anticipated sequel to the beloved worldwide bestseller *Ready Player One*, the near-future adventure that inspired the blockbuster Steven Spielberg film.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST • “The game is on again. . . . A great mix of exciting fantasy and threatening fact.”—*The Wall Street Journal*

AN UNEXPECTED QUEST. TWO WORLDS AT STAKE. *ARE YOU READY?*

Days after winning OASIS founder James Halliday's contest, Wade Watts makes a discovery that changes everything.

Hidden within Halliday's vaults, waiting for his heir to find, lies a technological advancement that will once again change the world and make the OASIS a thousand times more wondrous—and addictive—than even Wade dreamed possible.

With it comes a new riddle, and a new quest—a last Easter egg from Halliday, hinting at a mysterious prize.

And an unexpected, impossibly powerful, and dangerous new rival awaits, one who'll kill millions to get what he wants.

Wade's life and the future of the OASIS are again at stake, but this time the fate of humanity also hangs in the balance.

Lovingly nostalgic and wildly original as only Ernest Cline could conceive it, *Ready Player Two* takes us on another imaginative, fun, action-packed adventure through his beloved virtual universe, and jolts us thrillingly into the future once again.

Dark Matter: A Novel

Author: Blake Crouch

A mindbending, relentlessly surprising thriller from the author of the bestselling *Wayward Pines* trilogy.

“Are you happy with your life?”

Those are the last words Jason Dessen hears before the masked abductor knocks him unconscious.

Before he awakens to find himself strapped to a gurney, surrounded by strangers in hazmat suits.

Before a man Jason's never met smiles down at him and says, “Welcome back, my friend.”

In this world he's woken up to, Jason's life is not the one he knows. His wife is not his wife. His son was never born. And Jason is not an ordinary college physics professor, but a celebrated genius who has achieved something remarkable. Something impossible.

Is it this world or the other that's the dream? And even if the home he remembers is real, how can Jason possibly make it back to the family he loves? The answers lie in a journey more wondrous and horrifying than anything he could've imagined—one that will force him to confront the darkest parts of himself even as he battles a terrifying, seemingly unbeatable foe.

Dark Matter is a brilliantly plotted tale that is at once sweeping and intimate, mind-bendingly strange and profoundly human—a relentlessly surprising science-fiction thriller about choices, paths not taken, and how far we'll go to claim the lives we dream of.

Winter World (The Long Winter Trilogy Book 1)

Author: A.G. Riddle

**A new ice age...
and a shocking discovery...
will change humanity forever.**

From the Amazon Charts and *Wall Street Journal* bestselling author with over FOUR MILLION COPIES sold worldwide comes an epic novel with an unforgettable twist.

*** Longlisted for the Wilbur Smith Award for best published novel. ***

In the near future, a new ice age has begun.

Humanity stands on the brink of extinction.

Desperate for answers, scientists send probes into the solar system to take readings. Near Mars, they identify a mysterious object moving toward the Sun. Is it the cause of the ice age? Or could it be humanity's only hope of survival?

With time running out, NASA launches a mission to make contact. But the object isn't what anyone thought. In the dark of space, alone, the team makes a discovery that will change the course of human history—and possibly end it.

Filled with real science and fascinating details, *Winter World* is that unique blend of fact and fiction that could completely change how you see our planet—and humanity's future. For those intrepid souls starting this bestselling trilogy, be warned: you may well be up late into the night turning the pages.

Praise for A.G. Riddle

An Extended Look at *Winter World*

Each month, Earth grows colder.

Snow falls in summer. Glaciers trample cities across North America, Europe, and Asia. The new ice age shows no signs of stopping.

Chaos erupts.

Around the world, people abandon their homes and flock to regions where they can survive. Nations prepare to go to war for the world's last habitable zones.

Scientists search the cause of the new ice age. They send probes into the solar system to collect readings. Near Mars, a probe finds a mysterious object, drifting toward the Sun. Is it responsible for the new ice age? Or is it merely an observer? Or neither? Could it be a relic from a long-extinct civilization? One thing is certain: investigating the object is humanity's best hope of survival.

As the ice age claims more lives and the world slides into anarchy, an international consortium launches a mission into space to make contact. But the first contact mission doesn't go as planned. What the crew discovers out there is beyond anyone's imagination.

Two members of the first contact mission may hold the keys to humanity's salvation.

Dr. Emma Matthews is the commander aboard the International Space Station. For months, she has watched the world below freeze and civilization unravel. The headlines tell only half of the story. The messages from her sister tell the rest, of a world witnessing mass migrations, fighting for survival, struggling to provide a future for their children. When a catastrophe strikes the ISS, Emma faces her own fight for survival.

Dr. James Sinclair is one of the greatest scientists alive. A mind before his time. Years ago, he invented something with the potential to change the world—an invention that would upset the balance of power in the world forever. Fearing that change, his enemies sent him to prison for a crime he didn't commit. But with humanity's future at stake, NASA asks him to join the first contact mission. His expertise is vital to the mission's success—and to saving Emma. With the clock ticking down to humanity's final days on Earth, James makes a decision that will change his life forever and may determine the fate of the entire human race.

The Handmaid's Tale

Author: Margaret Atwood

Now a Hulu Original Series

The Handmaid's Tale is a novel of such power that the reader will be unable to forget its images and its forecast. Set in the near future, it describes life in what was once the United States and is now called the Republic of Gilead, a monotheocracy that has reacted to social unrest and a sharply declining birthrate by reverting to, and going beyond, the repressive intolerance of the original Puritans. The regime takes the Book of Genesis absolutely at its word, with bizarre consequences for the women and men in its population.

The story is told through the eyes of Offred, one of the unfortunate Handmaids under the new social order. In condensed but eloquent prose, by turns cool-eyed, tender, despairing, passionate, and wry, she reveals to us the dark corners behind the establishment's calm facade, as certain tendencies now in existence are carried to their logical conclusions. *The Handmaid's Tale* is funny, unexpected, horrifying, and altogether convincing. It is at once scathing satire, dire warning, and a tour de force. It is Margaret Atwood at her best.

Annihilation Aria: Book One of the Space Operas

Author: Michael R. Underwood

An exuberant space opera that dares us to lose ourselves in battle songs and nonstop action!

A woman who can wield a weapon like a song and her voice like a weapon. A man who can out-think any problem. A pilot who can outmaneuver the best of them. Lahra, Max, and Wheel live and work aboard the Kettle, salvaging artifacts from dangerous galactic ruins to keep scraping by.

But those artifacts can unlock an ancient power which threatens the iron-fisted rule of the galaxy's imperialist overlords, the Vsenk. To protect their dominion, the Vsenk have humbled entire civilizations. They eat ships like the Kettle and her found family for breakfast.

Lahra, Max, and Wheel are each just trying to get home to the lives they lost, but they'll have to evade space fascists, kick-start a rebellion, and save the galaxy first to do it.

Board the Kettle for a space opera like none you've ever read before; an adventure of galactic subterfuge, ancient alien lore, a secret resistance force, lost civilizations, and giant space turtles.

The Princess Trials: A young adult dystopian romance

Author: Cordelia K Castel

Thirty young women. A handsome prince. A battle to the death

Water is scarce. Deserts have taken over the land. Nuclear war has devastated humanity. Humans live in walled super cities to keep out the irradiated. The land that was formerly known as America is divided into kingdoms ruled by royal elites.

Born into the lowest Echelon of the Kingdom of Phangloria, sixteen-year-old Zea Calico faces a life of hunger, thirst, and toil. The only way out of this drudgery is revolution, and Zea is desperate to help the cause.

When the palace calls for candidates to compete to marry Prince Kevon, Zea joins the Princess Trials to search the palace for weaknesses.

The trials should be a fairytale of sumptuous meals, ballgowns, and romance, but one misplaced word causes Zea to attract the Prince's attention. When Zea uncovers the man beneath Prince Kevon's public facade, she is at risk of falling in love and losing sight of her mission.

But the televised beauty pageant turns deadly, and Zea must fight for survival.

Perfect for fans of The Hunger Games and The Selection, this exciting tale of courage, intrigue, and betrayal will have you turning pages.

Star Force: Blood on the Stars (Star Force Universe Book 82)

Author: Aer-ki Jyr

Project Furya Begins.

The Stand

Author: Stephen King

This is the way the world ends: with a nanosecond of computer error in a Defense Department laboratory and a million casual contacts that form the links in a chain letter of death.

And here is the bleak new world of the day after: a world stripped of its institutions and emptied of 99 percent of its people. A world in which a handful of panicky survivors choose sides -- or are chosen. A world in which good rides on the frail shoulders of the 108-year-old Mother Abigail -- and the worst nightmares of evil are embodied in a man with a lethal smile and unspeakable powers: Randall Flagg, the dark man.

In 1978 Stephen King published *The Stand*, the novel that is now considered to be one of his finest works. But as it was first published, *The Stand* was incomplete, since more than 150,000 words had been cut from the original manuscript.

Now Stephen King's apocalyptic vision of a world blasted by plague and embroiled in an elemental struggle between good and evil has been restored to its entirety. *The Stand: The Complete And Uncut Edition* includes more than five hundred pages of material previously deleted, along with new material that King added as he reworked the manuscript for a new generation. It gives us new characters and endows familiar ones with new depths. It has a new beginning and a new ending. What emerges is a gripping work with the scope and moral complexity of a true epic.

For hundreds of thousands of fans who read *The Stand* in its original version and wanted more, this new edition is Stephen King's gift. And those who are reading *The Stand* for the first time will discover a triumphant and eerily plausible work of the imagination that takes on the issues that will determine our survival.

From the Hardcover edition.

Storm of Eon (Eon Warriors Book 7)

Author: Anna Hackett

When a Terran weapons scientist finds herself the target of deadly alien assassins, only one fierce alien warrior can keep her safe.

Weapons scientist Dr. Finley Delgado wants to get her new laser defense weapon operational to protect Earth from the insectoid Kantos invasion. She *has* to make this work. She's failed in the past and people paid with their lives, and she won't fail again. What she doesn't need is a big, brawny warrior that Space Corps orders her to work with getting in her way. Finley wants her solitude, not a massive distraction in the shape of a tall, hard Eon warrior.

Security Commander Sabin Solann-Ath is a warrior through and through, like his entire family before him. He's disciplined, dedicated, and hiding a dark secret he'd prefer to keep buried. He won't allow anyone or anything to disrupt his control. When he's ordered to Earth to help with a secret weapon, he vows to do everything he can to help their allies, even work with a statuesque, prickly scientist. He and Finley get off to a rocky start...but when the Kantos send a team of assassins after Finley, Sabin will do anything to protect her.

Sent to a secret facility deep in the Australian desert, Finley and Sabin are drawn closer and closer. She sees beyond the warrior to the man, and he uncovers a passionate woman. But Finley threatens everything Sabin has fought hard to control, and as they fight off the devious Kantos, they both will face the demons of their pasts.

Each book in this action-packed science fiction romance series can be read as a **standalone.

Maid For An Alien Prince: A SciFi Alien Romance (Intergalactic Exchange Program Book 1)

Author: Roxie Ray

I won't be forced into alien servitude.

I've spent my life mucking out the houses of the rich and famous. I know what they're really like. They think they can take whatever they want. I learned that the hard way.

Royalty? They have got to be worse. I'm not interested in any of them, not even an alien prince. I was supposed to be heading to another planet for a one-year housekeeping contract. Instead he bought me out. Does he think he can own me? I don't want him. I won't submit to him. So why is he so ... nice?

Niall is unlike any rich guy I've ever known, but I still can't trust him. Not even when he treats me well. He calls me his fated mate! But he's an alien prince and I'm a housekeeper. We don't belong together. So why do I want to kiss him more than I want my next breath?

Elsewhere

Author: Dean Koontz

The fate of the world is in the hands of a father and daughter in an epic novel of wonder and terror by Dean Koontz, the #1 *New York Times* bestselling master of suspense.

Since his wife, Michelle, left seven years ago, Jeffy Coltrane has worked to maintain a normal life for himself and his eleven-year-old daughter, Amity, in Suavidad Beach. It's a quiet life, until a local eccentric known as Spooky Ed shows up on their doorstep.

Ed entrusts Jeffy with hiding a strange and dangerous object—something he calls “the key to everything”—and tells Jeffy that he must never use the device. But after a visit from a group of ominous men, Jeffy and Amity find themselves accidentally activating the key and discovering an extraordinary truth. The device allows them to jump between parallel planes at once familiar and bizarre, wondrous and terrifying. And Jeffy and Amity can’t help but wonder, could Michelle be just a click away?

Jeffy and Amity aren’t the only ones interested in the device. A man with a dark purpose is in pursuit, determined to use its grand potential for profound evil. Unless Amity and Jeffy can outwit him, the place they call home may never be safe again.

Star Wars: Light of the Jedi (The High Republic) (Star Wars: The High Republic Book 1)

Author: Charles Soule

#1 NEW YORK TIMES BESTSELLER • Long before the First Order, before the Empire, before even *The Phantom Menace* . . . Jedi lit the way for the galaxy in *The High Republic*

It is a golden age. Intrepid hyperspace scouts expand the reach of the Republic to the furthest stars, worlds flourish under the benevolent leadership of the Senate, and peace reigns, enforced by the wisdom and strength of the renowned order of Force users known as the Jedi. With the Jedi at the height of their power, the free citizens of the galaxy are confident in their ability to weather any storm. But the even brightest light can cast a shadow, and some storms defy any preparation.

When a shocking catastrophe in hyperspace tears a ship to pieces, the flurry of shrapnel emerging from the disaster threatens an entire system. No sooner does the call for help go out than the Jedi race to the scene. The scope of the emergence, however, is enough to push even Jedi to their limit. As the sky breaks open and destruction rains down upon the peaceful alliance they helped to build, the Jedi must trust in the Force to see them through a day in which a single mistake could cost billions of lives.

Even as the Jedi battle valiantly against calamity, something truly deadly grows beyond the boundary of the Republic. The hyperspace disaster is far more sinister than the Jedi could ever suspect. A threat hides in the darkness, far from the light of the age, and harbors a secret that could strike fear into even a Jedi’s heart.

Savage Dominion: A LitRPG Adventure

Author: Luke Chmilenko

Maulkin didn’t know dying would mean a new eternity of dungeon delving, monster slaying, and glory hunting. If he had, he wouldn’t have been so worried about kicking the bucket on a date gone even more wrong than usual.

Reborn in the wild world of Amaranth, Maulkin finds himself in a hulking demi-human body with a sword of a size to match. Marked as an Eternal, a fledgling immortal of boundless potential, Maulkin soon discovers he’s been given a mission by the elder pantheon of this new realm:

Grow stronger. Ascend to godhood. Spread chaos in their name.

Oh and fend off that inbound apocalypse, if he can find the time.

Who wants an easy afterlife anyway?

Hyperion (Hyperion Cantos, Book 1)

Author: Dan Simmons

A stunning tour de force filled with transcendent awe and wonder, *Hyperion* is a masterwork of science fiction that resonates with excitement and invention, the first volume in a remarkable epic by the multiple-award-winning author of *The Hollow Man*.

On the world called Hyperion, beyond the reach of galactic law, waits a creature called the Shrike. There are those who worship it. There are those who fear it. And there are those who have vowed to destroy it. In the Valley of the Time Tombs, where huge, brooding structures move backward through time, the Shrike waits for them all.

On the eve of Armageddon, with the entire galaxy at war, seven pilgrims set forth on a final voyage to Hyperion seeking the answers to the unsolved riddles of their lives. Each carries a desperate hope—and a terrible secret. And one may hold the fate of humanity in his hands.

Praise for Dan Simmons and *Hyperion*

“Dan Simmons has brilliantly conceptualized a future 700 years distant. In sheer scope and complexity it matches, and perhaps even surpasses, those of Isaac Asimov and James Blish.”—*The Washington Post Book World*

“An unfailingly inventive narrative . . . generously conceived and stylistically sure-handed.”—*The New York Times Book Review*

"Simmons's own genius transforms space opera into a new kind of poetry."—*The Denver Post*

"An essential part of any science fiction collection."—*Booklist*

1984 (Nineteen Eighty-Four) with Quotes

Author: George Orwell

One of the BBC's '100 Novels that Shaped the World'.

Every Chapter starts with the Famous Quote from the book with few illustrations.

Nineteen Eighty-Four: A Novel, often published as 1984, is a dystopian novel. A startling and haunting novel, 1984 creates an imaginary world that is completely convincing from start to finish. No one can deny the novel's hold on the imaginations of whole generations, or the power of its admonitions—a power that seems to grow, not lessen, with the passage of time.

Dune

Author: Frank Herbert

'An astonishing science fiction phenomenon' WASHINGTON POST

'I know nothing comparable to it except *The Lord of the Rings*' Arthur C Clarke

'It is possible that *Dune* is even more relevant now than when it was first published' NEW YORKER

The Duke of Atreides has been manoeuvred by his arch-enemy, Baron Harkonnen, into administering the desert planet of Dune. Although it is almost completely without water, Dune is a planet of fabulous wealth, for it is the only source of a drug prized throughout the Galactic Empire. The Duke and his son, Paul, are expecting treachery, and it duly comes - but from a shockingly unexpected place.

Then Paul succeeds his father, and he becomes a catalyst for the native people of Dune, whose knowledge of the ecology of the planet gives them vast power. They have been waiting for a leader like Paul Atreides, a leader who can harness that force ...

DUNE: one of the most brilliant science fiction novels ever written, as engrossing and heart-rending today as it was when it was first published half a century ago.

Joint winner of the HUGO AWARD for best novel, 1966

Winner of the NEBULA AWARD for best novel, 1965

The Prince and the Troll (Faraway collection)

Author: Rainbow Rowell

A charming everyman and a mysterious something-under-the-bridge cross paths in a short fairy tale by the number one *New York Times* bestselling author of *Eleanor & Park* and the Simon Snow series.

It's fate when a man accidentally drops his phone off the bridge. It's fortune when it's retrieved by a friendly shape sloshing in the muck underneath. From that day forward, as they share a coffee every morning, an unlikely friendship blooms. Considering the reality for the man above, where life seems perfect, and that of the sharp-witted creature below, how forever after can a happy ending be?

The Prince and the Troll is part of *Faraway*, a collection of retold fairy tales that take the happily-ever-after in daring new directions. Whether read or listened to in one sitting, prepare to be charmed, moved, enlightened, and frightened all over again.

The Power of Hades: A Fated Mates Fantasy Romance (The Hades Trials Book 1)

Author: Eliza Raine

I've been kidnapped by Zeus. Plucked from the streets of Manhattan and frightened half to death by a freaking Olympian god.

And now I'm trapped in the Underworld, being forced to compete in a series of deadly trials for the position of Queen of the Underworld. Which would mean marrying Hades, the utterly terrifying Lord of the Dead. Who the hell wants a husband at all, let alone one made of smoke and riddled with death?

I have to get back home, to New York and my brother. But I can't leave without completing the trials and they've been designed for a godly Queen, not Persephone - barista and botanical garden enthusiast.

I'm surrounded by lethal, all-powerful maniacs. Sexy-as-hell maniacs, sure, but as dangerous as they come. And I'm going to have to prove to all of them that there's a goddess of hell inside me. It's the only way I'll survive the Hades Trials. But then what? And *why, why, why* am I so desperate to see under Hades smoky exterior and find out what he's hiding from me?

If I win the trials, I have to marry the devil himself. But losing might mean losing my life.

*The Power of Hades is book 1 in the Hades Trials, which is intended for adults and is packed with magic, mythology and slow-burn soulmate romance! *Contains swearing and mature themes.**

The Once and Future Witches

Author: Alix E. Harrow

In the late 1800s, three sisters use witchcraft to change the course of history in Alix E. Harrow's powerful novel of magic and the suffragette movement.

Named One of the Best Books of the Year by NPR Books • Barnes and Noble • BookPage

In 1893, there's no such thing as witches. There used to be, in the wild, dark days before the burnings began, but now witching is nothing but tidy charms and nursery rhymes. If the modern woman wants any measure of power, she must find it at the ballot box.

But when the Eastwood sisters—James Juniper, Agnes Amaranth, and Beatrice Belladonna—join the suffragists of New Salem, they begin to pursue the forgotten words and ways that might turn the women's movement into the witch's movement. Stalked by shadows and sickness, hunted by forces who will not suffer a witch to vote—and perhaps not even to live—the sisters will need to delve into the oldest magics, draw new alliances, and heal the bond between them if they want to survive.

There's no such thing as witches. But there will be.

An homage to the indomitable power and persistence of women, *The Once and Future Witches* reimagines stories of revolution, motherhood, and women's suffrage—the lost ways are calling.

Praise for *The Once and Future Witches*:

"A gorgeous and thrilling paean to the ferocious power of women. The characters live, bleed, and roar. I adore them, and long for witchcraft to awaken in all of us. Harrow makes it feel possible, and even likely." ■Laini Taylor, *New York Times* bestselling author

"A glorious escape into a world where witchcraft has dwindled to a memory of women's magic, and three wild, sundered sisters hold the key to bring it back...A tale that will sweep you away." ■Yangsze Choo, *New York Times* bestselling author

"This book is an amazing bit of spellcraft and resistance so needed in our times, and a reminder that secret words and ways can never be truly and properly lost, as long as there are tongues to speak them and ears to listen." ■P. Djèlí Clark, author *The Black God's Drum*

The Segonian (Aldebarian Alliance Book 2)

Author: Dianne Duvall

New York Times bestselling author Dianne Duvall brings readers the second stand-alone novel in a thrilling new sci-fi romance series full of action, humor, and happily-ever-afters.

Eliana's life has never been what one might term ordinary. At least, it hasn't been for a very long time. As a powerful Immortal Guardian, she spends her nights hunting and slaying psychotic vampires that most of humanity doesn't even realize exist. Then an opportunity arises that instantly makes her extraordinary existence seem downright boring. The leader of the Immortal Guardians asks her to guard a group of mortals who are embarking upon a voyage across the galaxy to the planet Lasara. How could she possibly say no?

In no time at all, Eliana is hurtling through space on board a Lasaran battleship and getting to know not one but two alien races. It's the most exciting adventure of her long life... until the ship is unexpectedly attacked. Amid the chaos and destruction that follow, she valiantly helps everyone she can before an explosion

renders her unconscious. When Eliana awakens, she finds herself alone, floating in space, clad only in a spacesuit, with no ship in sight. Alone—that is—except for the warm, deep voice that carries over the comm in her helmet.

Commander Dagon and the crew of the Segonian battleship Ranasura respond to a distress call from their Lasaran allies and join a massive Alliance-wide search-and-rescue mission. He quickly achieves communication with a lone Earthling female and races toward her. Every time they speak, his fascination with her grows and he becomes more desperate to reach her before her oxygen supply runs out. Her strength, bravery, and humor entice him, even more so when she defies all odds and they meet in person.

As he and Eliana embark upon a quest to find her missing friends, a bond swiftly grows between them that deepens with every laugh and smile and tender touch they share. But they are not the only ones searching for Earthling survivors. When Eliana herself becomes the hunted and their enemies begin to close in, can the two of them fight their way to victory, or will their enemies take everything?

Author: Glynn Stewart

Peace forged on the edge of civilization

Lies forged in the heart of mankind

A legend rises to the final challenge

Exile to the Syntactic Cluster has been good for Kira Demirci and her friends. Once elite pilots of the Apollo System Defense Force, they now own the most powerful mercenary warship in the entire star cluster. Working with the carrier-for-hire *Conviction* and her Captain John Estanza, they have helped the King of Redward usher in a new era of hope for the entire Cluster.

That hope is nearly shattered when Estanza's old enemies in the Equilibrium Institute strike directly at Redward's king. Revenge and money bring the mercenaries into an allied fleet—one intended to neutralize the last threats to the peace.

But the Institute's plans for the Syntactic Cluster are intricate and deep. Even as the mercenaries and their employers move against the enemies they see, shadows gather in the Cluster, bearing whispers of a forgotten name: *Cobra Squadron*.

Q-Gates (The Silver Ships Book 19)

Author: S. H. Jucha

Outpost One: Resistance, the peacekeeping station in alliance space, is mired in political turmoil and dangerous conditions from the Colony, a race of giant devouring insectoids. Commander Jess Cinders and Admiral Lucia Bellardo fight the troubles besieging the outpost from multiple directions.

Sand serpents, Usaanans, are suspected of undercutting outpost contracts, necessitating Major Sam Fleetfoot investigate the source of their production. His time on the Lemgart's home world, with Lieutenant Candace Weller, progresses through a series of alien contacts. When the Usaanans are exposed, the sand serpents attempt to eliminate the human pair.

Meanwhile, Chief Engineer Mickey Brandon and his teams, led by the SADEs, investigate the Messinants domes. Their aim is to duplicate the ancient race's technique of transporting individuals and goods through quantum-linked platforms, called Q-gates. The teams produce requests for console inputs that stymie them and lead to cataclysmic events.

Omnian Co-leader Alex Racine's mysterious dreams turn into nightmares, and he fears for events in alliance space. The dreams herald multiple calamities, such as the loss of the Transit Tripper. The freighter, carrying an alien drone from the Worlds of Light, was sent to Mickey to examine.

To make matters worse, the Colony has escalated its tactics against the Resistance. The alliance defenders, having had a modicum of success, recently suffered setbacks. Jess must add to Mickey's tasks, requesting the chief engineer find a way to defeat the Colony's new energy weapons before more lives and ships are lost.

The Atlantis Gene: A Thriller (The Origin Mystery, Book 1)

Author: A.G. Riddle

**The greatest mystery of all time...
the history of human origins...
will be revealed.**

In Antarctica, researchers discover a mysterious structure, buried in ice.

In a lab in Jakarta, an autism researcher identifies a revolutionary treatment that could change everything.

But these two incredible discoveries aren't what they seem. They will set off a race to unravel the deepest secrets of human existence—and an event that could change humanity forever.

Experience the novel that started it all: *The Atlantis Gene* is the first book in A.G. Riddle's bestselling *Origin Mystery* trilogy—a series that has sold over **THREE MILLION** copies worldwide (in twenty languages), received 30,000+ reviews on Amazon, been rated 20,000+ times on Audible, and garnered 120,000+ ratings on GoodReads. An Extended Look At *The Atlantis Gene*

70,000 years ago, the human race almost went extinct.
We survived, but no one knows how.
Until now.

The countdown to the next stage of human evolution is about to begin, and humanity might not survive this time.

Off the coast of Antarctica, a research vessel discovers a mysterious structure buried deep within an iceberg. It has been there for thousands of years, and something is guarding it. Could it be the fabled city of Atlantis? Or is it something more dangerous?

At the same moment, in Jakarta, Indonesia, a brilliant geneticist named Kate Warner has just discovered a breakthrough treatment for autism. Or so she thinks. What she has found is far more deadly—for her and for the entire human race. Her work could unleash the next stage of human evolution. It might also hold the key to unlocking the mysterious structure off the coast of Antarctica.

On the other side of Jakarta, Agent David Vale is racing to uncover a conspiracy with far-reaching implications. But he's out of time. His informant inside the conspiracy is dead. His own organization has been infiltrated—and his enemy has turned the hunt on him. Now he's on the run. But when he receives a coded message related to an imminent attack, he risks everything to save the one person that can help him stop it: Dr. Kate Warner.

Together, Kate and David race to unravel a global conspiracy and learn the truth about the Atlantis Gene... and human origins. Their journey takes them to the far corners of the globe and into the secrets of their pasts. Their enemy is close on their heels and will stop at nothing to obtain Kate's research and force the next stage of human evolution—even if it means killing 99.9% of the world's population. David and Kate can stop them... if they can trust each other. And stay alive.

After the Long Winter, Emma Matthews and James Sinclair hoped life would get back to normal. They've settled down in Camp Seven and welcomed their first child, a daughter. And they have waited and watched the sky for any signs of the grid's return.

When NASA discovers that several asteroids have broken from the Kuiper Belt and are headed for Earth, James instantly realizes the truth: the grid is back. And this battle will be one to the very end.

As he and his team prepare for humanity's last stand in space and on the ground, Emma makes a discovery closer to home, one that will change life for her and James once again.

With war raging around them, Emma and James fight to keep their family alive. In the cold darkness, humanity splinters. New alliances emerge. At every turn, Emma and James face new dangers—and question whom to trust.

Just when it seems that all hope is lost, James uncovers what may be the key to humanity's survival. But it comes with enormous risks. To implement his plan, he and Emma will have to survive the grid and another, even more deadly enemy. One thing is certain: their gambit will change the future of the human race forever.

The Bounty Hunter (Cade Korbin Chronicles Book 1)

Author: Jasper T. Scott

BY MILLION COPY-BESTSELLER JASPER T. SCOTT

FROM OUTLAW TO BOUNTY HUNTER TO VIGILANTE: REVENGE IS JUST THE BEGINNING

Cade Korbin became a bounty hunter because he knew what it was like to be hunted. What he didn't know was who he'd end up hunting.

When it suited the Coalition, Cade was a Paladin, a member of their elite special forces. He did their dirty work and cleaned up their messes. Until his dark ops went public, and Cade was drummed out of the service with a dishonorable discharge. As if he'd ever been doing anything but following orders.

Forced to the fringes of society by his service record, Cade broke the law just to survive. Then the Enforcers caught him, and he served his time. Sick of the hypocrisy in the supposedly utopian Coalition, he crossed over to the other side and made a life among his former enemies in the Free Systems Alliance. Now he hunts the galaxy's worst lowlifes, for a fee, and the only orders he takes are his own.

But when his past catches up with him, Cade is forced to fight for more than just credits...

This time, he's in it for revenge.

"A stunning thriller/fantasy/sci-fi chimera like nothing I've read before." --Blake Crouch

"A hugely imagined, twisty, turning tale that leads through the labyrinths of magic and war to the center of the heart." --Diana Gabaldon

Fifteen years ago, five ordinary teenagers were singled out by a prophecy to take down an impossibly powerful entity wreaking havoc across North America. He was known as the Dark One, and his weapon of choice—catastrophic events known as Drains—leveled cities and claimed thousands of lives. Chosen Ones, as the teens were known, gave everything they had to defeat him.

After the Dark One fell, the world went back to normal . . . for everyone but them. After all, what do you do when you're the most famous people on Earth, your only education was in magical destruction, and your purpose in life is now fulfilled?

Of the five, Sloane has had the hardest time adjusting. Everyone else blames the PTSD—and her huge attitude problem—but really, she's hiding secrets from them . . . secrets that keep her tied to the past and alienate her from the only four people in the world who understand her.

On the tenth anniversary of the Dark One's defeat, something unthinkable happens: one of the Chosen Ones dies. When the others gather for the funeral, they discover the Dark One's ultimate goal was much bigger than they, the government, or even prophecy could have foretold—bigger than the world itself.

And this time, fighting back might take more than Sloane has to give.

An Extended Look at *The Lost Colony*

The last survivors of the human race escaped a ruined Earth. Their new homeworld—Eos—seemed perfect at first. Warm. Hospitable. Safe from the grid. But everything isn't as it seems.

The first colony of settlers—from the Carthage—have disappeared. Their settlement is still there, but everyone is gone. As James digs into the mystery of the lost colony, he discovers a series of spheres, buried on Eos. Are they the key to finding the lost colonists? Or are they responsible for their deaths?

Just as James is unraveling the secrets of the spheres, a storm hits Jericho City. Emma, recently elected mayor, struggles to lead her people to safety while James tries to make his way home. In the middle of the chaos, a new danger emerges—a threat no one saw coming.

With time running out to save the colonists, James and Emma face their hardest choice yet.

The Farm Book 1: Behind The Curve (Behind The Curve - The Farm)

Author: Boyd Craven III

People Started Getting Sick

When the pandemic hit, nobody was expecting it to be as bad as it was. The economy barely survived the lockdowns, but it staggered along until civil unrest shattered people's hope of better times to come. With it being an election year, more and more Americans were waking up to the idea that they truly were behind the curve. The hope was; if they did not get sick, run out of money, or they could avoid violent mobs, they would be fine. The collapse happened so gradually; nobody saw it coming but the very few.

Life-long friends

Three doctors, a realtor, a contractor, and a pro shooter/model, make up the couples who had been lifelong friends and pooled their money to prepare for hard times. They soon find out money cannot buy you everything, even safety and security.

A jealous rancher wants to buy their land and does not want to take "no" for an answer. More than once, Lyle and his family are found on the wrong side of the fence. With human remains found on the new property, the mystery deepens, as the world around them slowly descends into chaos.

"A masterpiece." - R.O. Kwon

The Crucible meets *True Grit* in this riveting adventure story of a fugitive girl, a mysterious gang of robbers, and their dangerous mission to transform the Wild West.

In the year of our Lord 1894, I became an outlaw.

The day of her wedding, 17 year old Ada's life looks good; she loves her husband, and she loves working as an apprentice to her mother, a respected midwife. But after a year of marriage and no pregnancy, in a town where barren women are routinely hanged as witches, her survival depends on leaving behind everything she knows.

She joins up with the notorious Hole in the Wall Gang, a band of outlaws led by a preacher-turned-robber known to all as the Kid. Charismatic, grandiose, and mercurial, the Kid is determined to create a safe haven for outcast women. But to make this dream a reality, the Gang hatches a treacherous plan that may get them all killed. And Ada must decide whether she's willing to risk her life for the possibility of a new kind of future for them all.

Featuring an irresistibly no-nonsense, courageous, and determined heroine, *Outlawed* dusts off the myth of the old West and reignites the glimmering promise of the frontier with an entirely new set of feminist stakes. Anna North has crafted a pulse-racing, page-turning saga about the search for hope in the wake of death, and for truth in a climate of small-mindedness and fear.

The Princess Games: A young adult dystopian romance (The Princess Trials Book 2)

New Madrid Earthquake: A Disaster Thriller

Author: Bobby Akart

**In the not too distant past, along the Mississippi River,
North America tried to tear itself in half.
It failed. It won't the second time.
New Madrid.**

A standalone disaster thriller from international bestselling author, Bobby Akart, one of America's favorite storytellers, who delivers up-all-night thrillers to readers in 245 countries and territories worldwide.

"Akart is a master of suspense, keeping us on the edge of our seats. But, he does it with fact-based fiction that would scare even the most hardened readers."

Two hundred years ago, several faults within the New Madrid seismic zone along the Mississippi River ruptured triggering some of the largest earthquakes in American history. The three massive quakes ripped open America's Heartland, shaking residents as far away as New York City and Washington, DC while ringing church bells in Boston and Charleston, South Carolina.

"No one can research like Bobby Akart and then turn this meticulous research into one exciting thrill ride."

Akart's standalone novel, *New Madrid*, is based on actual events. It just hasn't happened yet, until now. 200 years after the historic quake sequence of 1811-12, it's reawakened.

"This is a story of fortitude and love for family - do you have what it takes to survive and make it back to your loved ones."

The New Madrid fault zone, six times larger than the San Andreas in California, has generated a series of massive earthquakes thrusting the Atwood and Chandler families in a fight to survive. Attorney Jack Atwood and his brother-in-law Tony Chandler are winding up their year-end tax planning presentation atop The Met, a skyscraper in St. Louis, before returning to Memphis for their family's Christmas celebration. Jill Atwood, her daughter Emily and teenage son Tate, are in a downtown Memphis performing arts theater attending the dress rehearsal for Emily's Christmas pageant. Beth Chandler, 28 weeks pregnant, together with her 3-year old autistic son, are traveling from Louisiana to join the rest of the family in Memphis.

Will they arrive for Christmas? Will they arrive at all? Their lives are about to change forever.

"You are there. Feeling what they feel. Anger, joy, love, mourning. You feel it all. Not everyone can write a book like this. It takes a special writer to make you feel a book."

Bobby Akart has delivered intense, up-all-night thrillers causing you to whisper just one more chapter until the end.

Prepare to be shaken.

Dragons Don't Eat Meat: A Paranormal Suspense Novel with a Touch of Romance (Valkyrie Bestiary Book 1)

Author: Kim McDougall

Someone is killing dragons. And the killings point to a civil war brewing among the fae.

When Kyra Greene finds an abandoned baby dragon, she doesn't want to bring him home. But until she can hunt down his thunder and stop the dragon killers, she's on babysitting duty. As a pest controller with a soft heart, Kyra already has an apartment full of rescues, including a basilisk who thinks he's a turkey, a banshee nanny, and even a pygmy kraken. She might take care of them, but they also fill her need for family. And when that family is threatened, she'll risk everything to save them. The Farm Book 2 : Behind The Curve (Behind The Curve - The Farm)

Author: Boyd Craven III

Securing Their Sanctuary

The Sheriff's Department is forced to hand the investigation of the bones to the state police. The case has become too big for the department to investigate alone. The group complies and tries their best to mend fences within the law enforcement community and the neighbors. Surprisingly, their generosity is much appreciated.

A man with a heart set on revenge

As the virus ravaged US businesses, the effects could be felt all the way down to the supermarket. The USDA and FDA started imposing purchasing limits on essentials, especially food. They have volunteered to buy any excesses that do not get sold while they attempt to stop people from 'hoarding' food and necessities so they can be redistributed to those in greater need.

A President who had enough

With the POTUS's proclamation that Antifa and those who would loot and burn down the country be arrested, the violence only intensified. Agent Sullivan and Jake Kendricks both have their shots at the Langtry farm, who just will not comply. Will their efforts work, or will they be behind the curve?

Iron Prince (Warformed: Stormweaver Book 1)

Author: Bryce O'Connor

Reidon Ward will become a god.

He doesn't know it yet, of course. Reidon was born weak, sickly and small. Afflicted with a painful disease and abandoned by his parents because of it, he has had to fight tooth and nail for every minor advantage life has allowed him.

His perseverance has not gone unnoticed, however, and when the most powerful artificial intelligence in human history takes an interest in him, things began to change quickly. Granted a CAD—a Combat Assistance Device—with awful specs but an infinite potential for growth, Reidon finds himself at the bottom of his class at the Galens Institute, one of the top military academies in the Collective. Along with his best friend, Viviana Arada, Reidon will have to start his long climb through the school rankings, and on to the combat tournament circuits that have become humanity's greatest source of excitement and entertainment.

So begins the rise of a god. So begins the ascent of the Stormweaver.

Mikko: A Scifi Alien Warrior Romance (Stolen Warriors Book 2)

Author: Ella Maven

Hide and seek is a lot less fun in an alien prison where the winner gets... me.

Rian: I'm not a stranger to being behind bars, but this prison leaves a lot to be desired. There are zero communal showers, minimal locking cells, and the other prisoners are extremely hostile. That could be because they are aliens and this is a prison in another galaxy. Add in the fact that I'm a human female, and my life span has just dropped some serious time.

I'm about to go down fighting when a scary blue alien with spikes decides he's my rescuer. Except he doesn't seem happy about my presence and, well, join the club, buddy.

Mikko: After spending a third of my life in the Pit, I returned for some payback but instead find a human female fighting for her life. She's small, snarly, and irritatingly beautiful.

When a coveted reward is offered to the prisoners for our capture, the game changes. My enemies thought I was unpredictable with anger issues before? They haven't seen anything yet. I'll escape again with my female, and then the real payback begins.

Mikko is a SciFi Alien Warrior Romance featuring a prickly, snarky hero with a heart of gold and a heroine who loves as hard as she fights.

Split Second (Split Second Book 1)

Author: Douglas E. Richards

A stunningly original twist on time travel. Amazon's #1 novel in both the "thriller" and "science fiction" categories for over seven months.

What if you found a way to send something back in time? But not weeks, days, or even minutes back. What if you could only send something back a fraction of a second? Would this be of any use? You wouldn't have nearly enough time to right a wrong, change an event, or win a lottery.

Nathan Wexler is a brilliant physicist who thinks he's found a way to send matter a split second back into the past. But before he can even confirm his findings, he and his wife-to-be, Jenna Morrison, find themselves in a battle for their very lives. Because while time travel to an instant earlier seems useless, Jenna comes to learn that no capability in history has ever been more profound or far-reaching.

Now, as Jenna fights to defeat the powerful forces arrayed against her, nothing less than the fate of humanity hangs in the balance . . .

SPLIT SECOND is a roller-coaster ride of a thriller, one that will have readers pondering the nature of time, and of reality, long after they've read the last page.

Teacher For An Alien Doctor: A SciFi Alien Romance (Intergalactic Exchange Program Book 3)

Author: Roxie Ray

I can't trust an alien man after what was done to my sister.

June became an alien bride when I was fifteen. She died on Tracorox six years later.

Now I'm responsible for her child, and I'm determined to find out how she really died.

Accident?

I don't think so.
I joined IEP to get off Earth and find information about my sister.
I never expected to find a mate of my own.
Soren, the alien doctor, makes me burn with need.
I've never wanted any man – or alien – before.
But I can't deny the way he makes me feel.
If I become his mate, will I be able to find justice for my sister?

USS Hamilton: Broadsides

Author: Mark Wayne McGinnis

Hold tight . . . things are about to get bumpy

Sitting in his oppressively small 10 x 10 cell at the Norfolk Naval Station's Brig, Captain Galvin Quintos awaits his impending court-martial. That's when he has a most unexpected contact by Fleet Commander Admiral Block. He's proposing an off-book, secret operation—one coming at the request of the Pleidian Weonan Empress Shawlee Tee. For Quintos, telling Shawlee “no” was never an option. Unfortunately, according to the admiral, this very well could be a mission of no return. The war with the Grish has turned desperate and the Alliance is tallying far more losses than wins. To complicate matters, all other US Space-Navy warship assets have been deployed to various hot spots within the quadrant. As for the mission, Fleet Commander Twinwon and his crew are on the run from a fleet of eighteen Grish Warships somewhere out within the farthest reaches of frontier space. The Empress knows she has no right to ask, but she has no one else to turn to—she needs Quintos and the USS Hamilton's crew—and she needs them now. Sure, this rescue may be coming too late—but no one ever said being a hero was easy.

First problem—how the hell will Quintos escape from a Norfolk high-security detention facility...

Reviews:

USS Hamilton Sequel

Broadsides is an outstanding sequel to the USS Hamilton series. Hardcore military science fiction from Mark Wayne McGinnis. I'm a big fan. Carson Wheeler

Just as Good as Scrapyard Ship

I've been a fan of Mark's since he wrote Scrapyard Ship. It was one of the best space opera books I've ever read. USS Hamilton Broadsides, and the USS Hamilton series is just as good. I love a great military scifi story, and McGinnis delivers every time.
Terrence B.

Great Military Science Fiction

Mark Wayne McGinnis has done it again. Space opera and military scifi come together in the USS Hamilton (3rd book in the series). Broadsides is fun, exciting, and just a purely entertaining book. As long as Mark keeps writing, I will continue to devour his books. Phillip Raskin

This makes scifi fun again!

Very enjoyable read. TIRED of reading books where the main character is always conflicted and overwhelmed. This was refreshing, enjoyable, fun, surprising, and a darn good read. Thanks Mark! Greg

Great Book!

Book 2 of the USS Hamilton series is even better than the first. Plenty of well-written action and character development. Great plot and resolution. I can't wait for the next book in the series. It is a fast read it is so entertaining. David A. Kickbusch

Better than Star Watch

I love Mark Wayne McGinnis. Always fun and entertaining. I've read his books from the beginning: Scrapyard Ship, Star Watch, Ship Wrecked, and the rest. The USS Hamilton Broadsides a great blend of military scifi and space opera, and I whole-heartedly recommend the USS Hamilton series who wants to kick back and get lost in a good story. Well done.
Kevin Newbury

Mark Wayne McGinnis

I love good science fiction and I've read many authors including BV Larson and Craig Alanson. Mark is the best. If you don't believe me, pick up Scrapyard Ship or Star Watch or Ship Wrecked and read them. The USS Hamilton is just as good, if not better than his earlier works.
KPM

Well-Written Space Opera

This is an enjoyable romp. The never say die crew on a sure be one-way mission grabbed me and never let go. I read it in one sitting. This was fun; not as much fun as sex with a black-haired woman or a wild child redhead in her early twenties. But easily besting spending a night with a massively self-involved blond. Buy it and enjoy the ride. Edward R. Hanson Jr.

Wow! What a Book!!

I can believe how exciting this book was! I'm taken aback at how clever this book was written. Great adventure, wonderful characters, thrilling action. First-rate sci-fi. I'm ready for the next one! Warren W. Ward

Breakthrough

Author: Michael C. Grumley

**ONE OF THE GREATEST BREAKTHROUGHS IN HUMAN HISTORY.
A SECRET THAT WAS NEVER SUPPOSED TO BE FOUND.
AND A CRISIS THAT CANNOT BE STOPPED.**

Deep in the Caribbean Sea, a nuclear submarine is forced to suddenly abort its mission under mysterious circumstances. Strange facts begin to emerge that lead naval investigator, John Clay, to a small group of marine biologists who are quietly on the verge of making history.

With the help of a powerful computer system, Alison Shaw and her team are preparing to translate the first two-way conversation with the planet's second smartest species. But the team discovers much more from their dolphins than they ever expected when a secret object is revealed on the ocean floor. One that was never supposed to be found.

Alison was sure she would never trust the military again. However, when an unknown group immediately becomes interested in her work, Alison realizes John Clay may be the only person she *can* trust. Together they must piece together a dangerous puzzle, and the most frightening piece, is the trembling in Antarctica.

To make matters worse, someone from the inside is trying to stop them. Now time is running out...and our understanding of the world is about to change forever.

Junkyard Spaceship (Junkyard Pirate Book 3)

Author: Jamie McFarlane

When aliens threaten his country, one grumpy old vet will take the fight to the stars.

Albert Jenkins would like nothing more than to putter around his junkyard, selling parts and working on old cars. When an alien spacecraft is shot down by US Air Defense and crash lands on his newly rebuilt home, he's dragged back into the fight of his life. Lightyears away, a war for the control of Earth looms and humanity's freedom hangs in the balance. Previously kicked off Earth, the Korgul are back and they are willing to destroy any who stand in their way.

To join the action, AJ lacks just one thing, a spaceship. With only a junkyard full of old parts, he'll need help to get his plan off the ground. Fortunately, he's got a plucky, pop culture loving, nano-sized symbiote who's managed to roll back the damages of eighty years of hard living. With dogged determination he'll repurpose an old, reclaimed shuttle and build a spaceship so he can join the fight one more time.

Buy *Junkyard Spaceship* today and send AJ to the stars to kick some alien butt!

Shadeslinger (The Ripple System Book #1) - A Fantasy LitRPG series

Author: Kyle Kirrin

Corporate flameout Ned Altimer dreams of leaving his world behind. So when Earthblood Online splashes onto the VRMMO scene, he dives in and never looks back.

His advantages are twofold: exclusive access to the game's three-day Head Start period, and a ridiculously handsome talking axe named Frank who has knowledge of the game's deepest secrets...if the magnificent Frank ever feels like sharing them.

But those advantages also make Ned a target. Once the Head Start period ends, his fellow players will stop at nothing to rip that suave, violent-yet-disarmingly-charismatic axe right out of his hands.

In seventy-two hours, the greatest manhunt in gaming history is set to begin.

It's gonna be a lot of fun.

Shadow of Night: A Novel (All Souls Trilogy, Book 2)

Author: Deborah Harkness

The #1 *New York Times*-bestselling sequel to *A Discovery of Witches*, book two of the All Souls Series. Look for the hit TV series “A Discovery of Witches,” streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021!

Picking up from *A Discovery of Witches*' cliffhanger ending, *Shadow of Night* takes reluctant witch Diana Bishop and vampire geneticist Matthew Clairmont on a trip through time to Elizabethan London, where they are plunged into a world of spies, magic, and a coterie of Matthew's old friends, the School of Night. As the search for Ashmole 782--the lost and enchanted manuscript whose mystery first pulled Diana and Matthew into one another's orbit--deepens and Diana seeks out a witch to tutor her in magic, the net of Matthew's past tightens around them. Together they find they must embark on a very different - and vastly more dangerous - journey.

"A captivating and romantic ripping yarn," *Shadow of Night* confirms Deborah Harkness as a master storyteller, able to cast an "addictive tale of magic, mayhem and two lovers."

Edge of Collapse: A Post-Apocalyptic EMP Survival Thriller

Author: Kyla Stone

In the dead of winter, an EMP attack destroys the U.S. power grid. No electricity. No cars or phones. The country is plunged into instant chaos.

But for Hannah Sheridan, it's the best day of her life. For the last five years, she's been the captive of a sadistic psychopath--until the EMP releases the lock of her prison.

Battered but not broken, she emerges from her underground cell into a hostile winter wilderness with nothing but her determination to survive.

Reclusive ex-soldier Liam Coleman is headed nowhere fast. He believed he was prepared for any disaster, until the EMP took everything he'd ever cared about in a matter of seconds.

Two hundred frozen, perilous miles stand between them and their destination in rural Michigan. But the killing cold isn't the only threat, for Hannah's captor isn't

about to let her go...

When the country goes dark, ordinary people find themselves facing the end of the world as they know it. With society collapsing before their eyes, they'll have to risk everything to protect their home and the people they love.

From USA Today Bestselling Author Kyla Stone comes the Edge of Collapse series, a gripping EMP apocalypse story featuring flawed, complex characters and high-octane action adventure. In the vein of One Second After, this survival thriller is perfect for fans of Ryan Schow, Grace Hamilton, Harley Tate, and Jack Hunt.

This is the first book in a series. Rated PG-13 for mild language and moderate violence

What readers are saying about Edge of Collapse:

"I am an avid post-apocalyptic reader, but this book combines that genre with a suspense/thriller component and is a step above the usual Post Apocalypse fiction. Five stars!" -Amazon reviewer

"A thrilling read from start to finish!" -Amazon reviewer

Class Zero (Stellar Born Book 3)

Author: Viola Grace

Growing up in the shadow of one of Terra's champions was a comfortable place to be. Padana was the third child of the Empress Amanda Tyrell of the Haldis Imperium, and she was a very requested bride.

Being a class zero like her mother, Padana has nothing to offer the next generation. Any child she bears will breed true to the father. This attracts a certain type of suitor who has every interest in her position as princess and none as her descendant of a champion. Padana finds this annoying.

Yomin is the heir to an empire, a guardian, and a descendant of a class zero himself. It is a requirement for his line that the aspects of Hredu breed true. Getting a portrait from the artist Rhoda had given him a woman to find, and locating her in the Haldis Imperium had meant some high-level negotiation. Fortunately, he had just met an excellent negotiator.

Alpha Zero (Alpha LitRPG Book 1)

Author: Arthur Stone

I should not exist.

All children like me are stillborn, or die in infancy. Those who cannot grow stronger, die. No empty child has ever reached a year of age, yet I am now thirteen.

It has been a long and miserable thirteen years, where the best I can manage to do is walk with difficulty. Sometimes, I cannot even manage that.

My clan has paid dearly for every minute of my life. And money is not so easy to obtain, here at the edge of civilization.

Perhaps I might have lived in this state for many years. A cripple, strong in mind but feeble in body. But when some unexpected guests came to our estate, everything changed. I would die at last – or, I would learn to survive on my own.

Pillaged: A Sci-Fi Alien Warrior Romance (Raider Warlords of the Vandar Book 3)

Author: Tana Stone

I was promised against my will to an imperial general. . .so I escaped. Right into the arms of an even more ruthless Vandar warlord.

I'd thought things had been bad when I'd been ordered to marry the repulsive Zagrath general. But then I'd been captured by the empire's most deadly enemy--the Vandar raiders. With their battle kilts and tails, the raiders are known for being fierce warriors who never take prisoners. Until now.

The fear I feel when I'm taken by the menacing Vandar warlord is confirmed when I discover why he treats me like an honored guest. Taking the general's bride is one thing, but to strike the most personal blow the Vandar must claim me as his, taking me to his bed until his mating marks appear on my skin and mark me as his true mate.

But he has no intention of forcing me. He wants to make a deal—become his willingly and I will get what I've always wanted—my freedom from a loveless, arranged marriage. Can I agree to a deal with the darkly dominant warlord who stokes both my fear and desire? Even if being claimed by the Vandar is only revenge for him and freedom for me, will my heart remain untouched as he pillages my body? And will the general give me up so easily, or will he come for both of us with all the firepower of the empire?

Pillaged is a full-length sci-fi romance novel with an HEA and no cheating. It features steamy scenes on a raider warship, alien horde space battles, and some serious heat.

If you like dominant and dangerous alien warriors, alien abduction to seduction, and marriage of convenience romance, you'll love *Pillaged*, the third book in Tana Stone's sci-fi romance Raider Warlords of the Vandar series. Each book can be read as a standalone.

Alone (The Girl in the Box Book 1)

Author: Robert J. Crane

The first edge-of-your-seat novel in the *million-selling* Girl in the Box Series by Robert J. Crane.

Sienna Nealon was a 17 year-old girl who had been held prisoner in her own house by her mother for twelve years. Then one day her mother vanished, and Sienna woke up to find two strange men in her home. On the run, unsure of who to turn to and discovering she possesses mysterious powers, Sienna finds herself pursued by a shadowy agency known as the Directorate and hunted by a vicious psychopath named Wolfe, each of which is determined to capture her for their own purposes...

What readers are saying:

"...The right mix of history, mystery, romance, excitement, who-dunnits & yeah, sci-fi." ★★★★★

"...I haven't been drawn in this much since The Hunger Games." ★★★★★

"A thrill ride with a kick butt heroine. When you find a writer that gives you everything you want in a book: emotion, mystery, humor, and of course, some kick ass fight scenes, you have to become a fan." ★★★★★

Supremacy's Shadow: A Space Opera Thriller Series (Insurgency Saga Book 1)

Author: T.E. Bakutis

Someone betrayed him. He'll probably die finding out who.

For Hayden Cross, a military investigator in the far future, whether his wife faked her death is the question that is probably going to get him killed. Having lost the only job that kept him sane, he has few resources and fewer leads. Oh, and a sadistic crime lord really wants to kill him.

As he fights through an underworld of fanatical rebels, callous bounty hunters, and corrupt cops, each step takes him closer to the truth about his wife's fate and the oppressive government he once loyally served. On the way he may even liberate a planet and stop a war ... but only if he betrays everyone he loves.

Hayden Cross tries to stop an interplanetary war while relentlessly mocking everyone involved in this debut Military Scifi thriller that has been called a mix between *The Expanse* and *Die Hard* set in the far future.

Dragon and Thief (The Dragonback Series Book 1)

Author: Timothy Zahn

The first novel in the Dragonback series is "a romp of a space thriller" (*Booklist*) from the #1 *New York Times*-bestselling author of *Star Wars: Thrawn*.

Jack Morgan is dealing with more trouble than any young man deserves. Raised to be a professional thief and con artist by his late uncle Virgil, he's survived on his uncle's spaceship with the help of an AI program. But when he's accused of a crime he actually didn't commit, Jack is forced to flee to a remote, uninhabited planet where he can stay off the radar for a while.

His solitude is soon interrupted when a ship crashes on Jack's hideout after a terrible space battle. There's only one survivor: a warrior called Draycos, whose reptilian race is being targeted for extinction.

The good news is that if Jack helps Draycos, the odd creature might be able to help clear Jack's name. The not-so-good news is that to survive, Draycos must bond—physically and mentally—with a sentient being to use as his "host."

And it looks like Jack is the only sentient being around . . .

Earth Abides

Author: George R. Stewart

In a glorious new trade paperback complete with an original Introduction written by author Kim Stanley Robinson

First published in 1949 and a winner of the inaugural International Fantasy Award in 1951, *Earth Abides* went on to become one of the most influential science-fiction novels of the twentieth century. It remains a fresh, provocative story of apocalyptic pandemic, societal collapse, and rebirth.

The cabin had always been a special retreat for Isherwood Williams, a haven from the demands of society. But one day while hiking, Ish was bitten by a rattlesnake, and the solitude he had so desired took on dire new significance. He was sick for days—and often delirious—waking up to find two strangers peering in at him from the cabin door. Yet oddly, instead of offering help, the two ran off as if terrified. Not long after, the coughing began. Ish suffered chills and fever, and a measles-like rash on his skin. He was one of the few people in the world to live through that peculiar malady, but he didn't know it then.

Ish headed home when he finally felt himself again—and noticed the strangeness almost immediately. No cars passed him on the road; the gas station not far from his cabin looked abandoned; and he was shocked to see the body of a man on the roadside near a small town. Without a radio or phone, Ish had no idea of humanity's abrupt demise. He had escaped death, yet could not escape the catastrophe—and with an eerie detachment he found himself curious as to how long it would be before all traces of civilization faded from Earth.

Old Dogs, Older Tricks (Junkyard Pirate Book 2)

Author: Jamie McFarlane

He's a Vietnam vet, with a new lease on life. To fight an out-of-this-world invasion, he'll need a little help from his friends...

Albert Jenkins never cared much for bureaucrats and politicians. So when the Galactic Congress refuses to act on the illegal invasion of Earth by parasitic aliens, he does what any self-respecting vet would do – he steals a spaceship. But when AJ and a snarky pop-culture loving alien companion are pursued by space cops, he does the only rational thing he can come up with. He strategically crash lands on a junkyard moon.

When he finally make it back home with what he hopes is a cure for the occupying parasites, he discovers the situation is worse than expected. The microscopic invaders have redoubled their efforts to strip Earth of critical resources, yet undiscovered by humanity. Knowing that time is in short supply, AJ calls on his network of crusty yet elite buddies from 'Nam. Fortunately, it does not take much convincing to get these aging patriots to saddle up one more time to kick some alien ass.

With youth restored, this elite squad of old vets will pit themselves against an unseen enemy. The question is – can they put an end to this global invasion once and for all?

Old Dogs, Older Tricks is the second book in the wild Junkyard Pirate space opera series. If you like sarcastic heroes, hilarious extraterrestrial sidekicks, and ragtag military units, then you'll love Jamie McFarlane's epic adventure.

Buy *Old Dogs, Older Tricks* and jump right back into the action!

Junkyard Pirate

Author: Jamie McFarlane

Knocking at death's door. Bargaining for a second chance. Seems like a heck of a way to find out about an alien invasion...

Vietnam vet Albert Jenkins is battling a bulging waistline and a passion for drink. So when a towering pile of scrap rocket parts falls and crushes the stubborn curmudgeon, he thinks it's finally the end. But just as he's about to take one final breath, a snarky alien parasite offers him a deal: his life in return for sharing his body.

With a little coaxing from his new pop-culture-loving inner resident, AJ's broken carcass improves so much that even an old flame is impressed. But his bright outlook fizzles when he discovers he's at ground zero of a galactic conspiracy to strip Earth of precious resources humans don't even know exist.

Can the unlikely partners join forces and use AJ's rusty military skills to raise the alarm? Or, will the alien invaders put him down once and for all?

Junkyard Pirate is the first book in an imaginative space opera series. If you like grizzled soldiers, clever twists and turns, and intergalactic tactical pairings, then you'll love Jamie McFarlane's fast-paced alien adventure.

Buy *Junkyard Pirate* to boot the invaders back to where they came from today!

1st to Fight (Earth at War)

Author: Rick Partlow

I retired from the USMC, and now I write about space marines.

I never thought I'd actually become one.

As a sci-fi author with a hit TV show, I have a few ideas about what alien invaders are supposed to look like. In my stories, they're technologically advanced monsters, with tentacles, and no faces.

Turns out I was right about the technology.

And about how angry they'd be.

But the way they look...that's more terrifying than even I could have imagined.

They look exactly like us.

Because they are us.

Her Alien Beast: A Sci-Fi Alien Romance (Voxeran Fated Mates Book 3)

Author: Presley Hall

Axen fights like a beast. He terrifies me a little. But maybe he's exactly what I need.

As a doctor, I'm used to thinking logically and staying calm even in intense circumstances, so I thought I was adjusting pretty well to life on Nuthora.

Then the universe threw another curveball at me.

Not only am I stuck on a prison planet with a bunch of blue-skinned aliens... but I'm pregnant.

When the mate bond flares between Axen and me, it's more than I can handle. I want to get off this crazy ride and go back to a planet where things made sense, where my heart wasn't fighting with my head, and where most of the wildlife didn't want to kill me.

But there's no going back.

This is the path fate has carved out for me, and despite my fears about the bond, Axen is determined to prove he'll be a good mate.

Can this brutal alien warrior truly be my perfect match?

Her Alien Beast is a full-length standalone sci-fi romance featuring blue-skinned alien warriors, a heroine whose life is turned upside down, and a growly, protective hero.

If you like sexy aliens, steamy romance, and thrilling adventure, you'll love this series. No cheating, no cliffhanger, and a happily ever after guaranteed!

Note: each book in the series can be read as a standalone, but for maximum enjoyment, it's recommended that the series be read in order.

Voxeran Fated Mates series:

Book 1: Her Alien Prince (Charlotte and Droth)

Book 2: Her Alien Savior (Sadie and Jaro)

Book 3: Her Alien Beast (Elizabeth and Axen)

Book 4: Her Alien Warrior (Gemma and Kzuri)

Book 5: TBA

The Alien King's Prey: A Dark Alien Romance (Royal Aliens)

Author: Loki Renard

Submit, or be hunted.

King Archon is a dominant, ruthless hunter interested only in war and conquest - much to the sorrow of his advisors who insist he should select a mate and produce an heir.

To escape the expectations of court, Archon travels to break a human rebellion. When one of the human females defies him and escapes his wrath, she marks herself as his prey. He vows to hunt her to the very end of her world and exact punishing justice on her tender flesh.

A young human woman has almost no chance against an all powerful alien king, but Iris is not as weak as she seems. This will be Archon's most dangerous hunt yet.

This enemies-to-lovers alien romance features dark themes and wicked acts. Reader discretion is advised.

The Enigma Cube (Alien Artifact Book 1)

Author: Douglas E. Richards

To secure a dazzling future they must travel to a perilous past. A riveting science-fiction thriller from the million-copy *NY Times* bestselling author.

"Richards is an extraordinary writer," (Dean Koontz) who can "keep you turning the pages all night long." (Douglas Preston)

An alien object with breathtaking capabilities. And a life-and-death struggle for the future of humanity.

Dr. Kelly Connolly is part of a top-secret team studying the most important find in human history, the Enigma Cube, an alien artifact of incomprehensible power. A cube whose technology can catapult civilization to dizzying heights--or destroy it entirely.

After years of failed attempts to unlock the cube's secrets, all hell suddenly breaks loose. Kelly and a black-ops commando, Justin Boyd, are soon fighting against all odds to stay alive, and to keep the cube out of enemy hands.

As the situation quickly goes from bad to worse, Kelly discovers that the cube is far more dangerous than even she had imagined. And that her actions could lead to nightmarish changes to the nature of reality itself.

The Enigma Cube is a masterful thriller. One crammed with breakneck action, unexpected twists, mind-blowing science, and ethical dilemmas readers will be contemplating long after they've read the last page.

Winner: 2018 Alex Award
Winner: 2018 Locus Award
One of the Verge's Best Books of 2017
A *New York Times* and *USA Today* Bestseller

A murderous android discovers itself in *All Systems Red*, a tense science fiction adventure by Martha Wells that interrogates the roots of consciousness through Artificial Intelligence.

"As a heartless killing machine, I was a complete failure."

In a corporate-dominated spacefaring future, planetary missions must be approved and supplied by the Company. Exploratory teams are accompanied by Company-supplied security androids, for their own safety.

But in a society where contracts are awarded to the lowest bidder, safety isn't a primary concern.

On a distant planet, a team of scientists are conducting surface tests, shadowed by their Company-supplied 'droid — a self-aware SecUnit that has hacked its own governor module, and refers to itself (though never out loud) as "Murderbot." Scornful of humans, all it really wants is to be left alone long enough to figure out who it is.

But when a neighboring mission goes dark, it's up to the scientists and their Murderbot to get to the truth.

Pestilence (The Four Horsemen Book 1)

Author: Laura Thalassa

They came to earth—Pestilence, War, Famine, Death—four horsemen riding their screaming steeds, racing to the corners of the world. Four horsemen with the power to destroy all of humanity. They came to earth, and they came to end us all.

When Pestilence comes for Sara Burn's town, one thing is certain: everyone she knows and loves is marked for death. Unless, of course, the angelic-looking horseman is stopped, which is exactly what Sara has in mind when she shoots the unholy beast off his steed.

Too bad no one told her Pestilence can't be killed.

Now the horseman, very much alive and very pissed off, has taken her prisoner, and he's eager to make her suffer. Only, the longer she's with him, the more uncertain she is about his true feelings towards her ... and hers towards him.

And now, well, Sara might still be able to save the world, but in order to do so, she'll have to sacrifice her heart in the process.

Possessed: A Sci-Fi Alien Warrior Romance (Raider Warlords of the Vandar Book 1)

Author: Tana Stone

I sacrificed myself to save my sister's ship. Now the raider warlord owns me.

It was my own fault. I was the navigator of our ship, and I'm the one who led us straight into Vandar territory.

We'd heard rumors about the Vandar raiders—everyone in the galaxy had. Terrifying and ruthless, they were a scourge on the Zagrath empire and destroyed everything in their path.

Few had actually laid eyes on the Vandar or the notorious warlords who led their fleets of warships—and survived to talk about it. So, when the ruthless aliens boarded our ship intent on destroying it and killing the crew, I did the only thing I could do.

I gave myself to the dark and menacing warlord. In exchange for allowing my sister's ship passage out of the Vandar territory, I must share his bed and travel with his crew of deadly raiders. Even though the sight of the huge, battle-scarred alien terrifies me.

But as I adjust to my new life on a savage warship, I discover that the dominant alien warrior wants more than just my body. He wants to possess my soul. And he'll make a new deal with me to get it.

Possessed is a full-length sci-fi romance novel with a HEA and no cheating. It features steamy scenes on a raider warship, alien horde space battles, and some serious enemies-to-lovers heat.

If you like dominant and dangerous alien warriors, alien abduction to seduction romance, and hot scenes with a happily ever after, you'll love *Possessed*, the first book in Tana Stone's sci-fi romance Raider Warlords of the Vandar series. Each book can be read as a standalone.

Lt. Reilly 2321: (Lt. Reilly book #1)

Author: Matthew Duncan

Jack Reilly's luck ran out just before the war did. Resigning his commission in the Alliance shortly after the end of the war with the Serkins, he went out into the galaxy looking for a job. Signing onto the Glacier Runner 17, an old and rundown cargo ship, Reilly finds himself working for a clueless captain, mixed-up in an intergalactic conspiracy, on the run from assassins, and involved with two women in relationships that he could only call "complicated".

Revised on November 25, 2020

What people are saying about Lt. Reilly 2321 -

Don't mess with the Engineer.

Really fun story. I loved how the humble retired-ish Reilly stayed one step ahead of everyone throughout the entire story. Well, maybe not his relationships, but the enemy at least. Lots of mystery, action, and pulling victory from the jaws of defeat. If I'm going to space, I'd like him in the engine room!

Please say there is a book two!

This was easily one of my most enjoyable books this year!! I loved the main character, Jack Reilly!! He was smart, military, older, and wiser. And he kept saving the day!!!! The two main females were equal parts soft and hard. Together they rounded out all the rough edges for Jack and made for some very interesting interplay. The narrator was something special. This book was non-stop action with a variety of characters. Everything was performed to perfection.

A Hard-Boiled Sci-fi

This was a great story with the main character you could get behind. I am looking forward to the next book in the series to see what happens next.

Jungle King 2

Author: Jack Porter

It's all fun and games until nature changes the plan.

There I was, surrounded by beautiful college girls and tribeswomen, enjoying the fruits of my labor and the occasional consensual spanking, when a volcano threatened a different kind of eruption.

A more dangerous one.

Needless to say, it's up to me, the Professor with an armful of Gingers, to keep everybody safe.

Because if we don't get off this island, it'll be an extinction level event.

That's it. Those are all the spoilers you're getting.

Sixth Realm Part 2: A litRPG Fantasy series (The Ten Realms Book 8)

Author: Michael Chatfield

Fighting in the shadows.

Enemy at their backs.

Will Alva's Secret be revealed?

As Erik and Rugrat return to Alva they find that things have only heated up in their time away. The Adventurer's Guild moves in the shadows with Alva's support.

With all of their preparations are they ready to take on a powerful sect from the sixth realm?

Taken by the Alien Warrior: A Sci Fi Alien Romance (Warriors of Agron Book 1)

Author: Hope Hart

The aliens who stole me made a mistake.

The Grivath have sold us on Gule- a planet where hope goes to die.

The women who are imprisoned with me are in high demand and they all look like models. Me? I'm 5'2 shy, curvy, and a kindergarten teacher. Maybe they really meant to take my pageant queen sister?

If that's not bad enough, our ship has crashed and half of the women are missing. Did I mention the locals want to eat us? Insert the tall, incredibly-built warrior aliens, who saved us. Things are looking up, except that one of them is eyeing me like a snack, and not in a cannibalistic way-- if you catch my drift.

Terex is tough, fierce, and bossy, and doesn't seem to understand that I can't stay and be his snuggle bunny. I'm not quite sure why he isn't chasing after one of the other women when every man I've ever known has overlooked me.

But not Terex. When he looks at me, he doesn't seem to see chubby, awkward Ellie. And his gaze burns brighter instead of shifting away.

Now, I've just got to convince him to help me find the other women and get back to Earth.

Should be a piece of cake... Right?

Taken by the Alien Warrior is a full-length romance with no cliffhanger and a guaranteed HEA. While this is a spin-off series from the hugely popular Arcav Alien Invasion series, this is a standalone series.

If you like hot aliens and kick-ass heroines, you'll love Warriors of Agron- Hope Hart's new sci-fi romance series.

Read it Now.

Pandemic (The Extinction Files Book 1)

Author: A.G. Riddle

"...reads like a superior collaboration between Dan Brown and Michael Crichton."

—*The Guardian*

Now an Amazon Charts and *Wall Street Journal* bestseller.

From A.G. Riddle, the worldwide bestselling author with OVER FOUR MILLION COPIES SOLD in twenty languages, comes a groundbreaking novel that takes you inside the the CDC and WHO response to a global outbreak. It's an eye-opening journey that may well change everything you think you know about pandemics—and how to survive one.

Selected Praise for A.G. Riddle

"I finished the book fast because I just couldn't wait..."

—**WIRED GeekDad** on *Departure*

"Riddle makes an effort to keep the focus on how his characters react to each other (including to their future selves) rather than to the technological marvels that reshaped their world."

—**Publisher's Weekly** on *Departure*

"Well-constructed and tightly-wound as a fine Swiss watch—*Departure* has non-stop action, an engaging plot and, of course, wheels within wheels."

—**Diana Gabaldon**, #1 *New York Times* bestselling author of *Outlander* on *Departure*

An Extended Look at *Pandemic*

A hundred miles north of Alaska, a US Coast Guard vessel discovers a sunken submarine at the bottom of the Arctic Ocean. It has no national identification. It doesn't match the records of any known vessel. Deep within, researchers find evidence of a scientific experiment that will rewrite our basic understanding of the human race.

In Atlanta, Dr. Peyton Shaw is awakened by the phone call she has dreaded for years. As the CDC's leading epidemiologist, she's among the first responders to outbreaks around the world. It's a lonely and dangerous job, but it's her life—and she's good at it. This time, she may have met her match.

In Kenya, an Ebola-like pathogen has infected two Americans. One lies at death's door. With the clock ticking, Peyton assembles her team and joins personnel from the Kenyan Ministry of Health and the WHO. What they find in the remote village is beyond their worst fears. As she traces the origin of the pathogen,

Peyton begins to believe that there is more to this outbreak—that it may be merely the opening act in a conspiracy with far reaching consequences.

In Berlin, Desmond Hughes awakens in a hotel room with no memory of how he got there or who he is. On the floor, he finds a dead security guard from an international pharmaceutical company. His only clue leads him to Peyton Shaw—a woman who seems to know him, but refuses to tell him how. With the police searching the city for him, Desmond desperately tries to piece together what happened to him. To his shock and horror, he learns that he may be involved in causing the outbreak—and could hold the only key to stopping it.

As the pathogen spreads around the world, Peyton and Desmond race to unravel the conspiracy behind the pandemic—and uncover secrets some want to keep buried. With time running out, they face an unimaginable decision.

Glacier: An Alien Warrior Romance (Elemental Mates Book 1)

Author: Miranda Bridges

He is ice cold.

Both his personality and his skin. When his icy gaze lands on me it freezes me temporarily, but the first time he touches me...

Sparks fly.

Not the romantic kind. The tattoos on his pale skin illuminate and they are brighter than the Northern Lights. And then something in his eyes changes, making him less callous, less cold.

And making me hot.

He says he needs me for something important, something monumental, but I'm not easily swayed. Even if he's gorgeous and I do need his help.

I guess we'll see if I can melt his heart before he chills me to the point of no return.

The Warrior God: A Fated Mates Fantasy Romance (The Ares Trials Book 1)

Author: Eliza Raine

Anger management isn't so bad when your shrink is gorgeous. It's less great when you turn up to find him dead on the floor, and an armored giant dressed like a freaking ancient warrior standing over his body though.

Ares, the God of War, has lost his power and the only way for him to get it back? Me. Apparently, I'm a goddess. One with the power of war. I mean, it does explain a lot.

To my relief, Joshua, my shrink and only friend, isn't really dead. He's been kidnapped and taken to Olympus—the world where I'm supposed to belong. I vow to do whatever it takes to find him. But Ares has other plans for me. He wants my power, and the easiest way for him to get it is to kill me.

When Hades suggests a compromise, I'm forced to work side-by-side with a giant, murderous warrior god. One with far too many secrets. Ares might be the brute everyone thinks he is, but I'm no angel. He awakens a power within me that I've failed to control my whole life.

And I soon discover that Joshua isn't the only one that needs saving.

The Warrior God is the first book in the Ares Trials, which is intended for adults and is packed with magic, mythology and enemies-to-lovers soulmate romance!

There are some spoilers for Hades' and Persephone's story as the plot follows directly on from the Promise of Hades.

Contains swearing and mature themes.

These Times of Sedition: A Post-Apocalyptic EMP Survivor Thriller (The Abandon Series Book 4)

Author: Ryan Schow

From the USA Today Bestselling Author of *The Last War*, *The Age of Embers*, and *Dark Days of the After* comes the fourth installment in the bestselling new post-apocalyptic saga, *The Abandon Series*.

A group of hardcore fundamentalists embedded in the White House are planning a highly-coordinated, multi-pronged overthrow of the country. When Marley McDaniel, the deputy chief of staff of communications, discovers this treasonous plot to overthrow America, she finds herself out in the cold and on the run with the most high-level target in the world: US President, Althea Kennicot.

Isaiah Wright is the deputy chief of staff of operations and Marley's colleague. He made his family proud with his accomplishments in Washington D.C., but now, with the White House burning and the president MIA, Isaiah is lost in a dystopian landscape with no plan, no resources, and no direction. Only when he happens upon a familiar face does Isaiah see a sliver of hope, but not everything is as it seems, and Isaiah is about to address a crisis like no other.

To stop the post-apocalyptic chaos that has come with the EMP and the failed power grid, Marley, Isaiah, and President Kennicot will gather up their resources, route out the traitors, then try to cut the head off this snake, not just for themselves, but for the sake of the nation.

The fourth, hard-hitting novel in *The Abandon series* follows the last of the McDaniel children as she endures a nightmare of betrayal, catastrophe, and heartache, further proving that the resurgence of the human spirit and the need for community in times of distress might very well be the fuel she needs to survive the collapsing nation.

The Passage: A Novel (Book One of The Passage Trilogy)

Author: Justin Cronin

NEW YORK TIMES BESTSELLER • This thrilling novel kicks off what Stephen King calls “a trilogy that will stand as one of the great achievements in American fantasy fiction.”

NOW A FOX TV SERIES!

NAMED ONE OF PASTE'S BEST HORROR BOOKS OF THE DECADE • **NAMED ONE OF THE TEN BEST NOVELS OF THE YEAR BY TIME AND ONE OF THE BEST BOOKS OF THE YEAR BY *The Washington Post* • *Esquire* • *U.S. News & World Report* • *NPR/On Point* • *St. Louis Post-Dispatch* • *BookPage* • *Library Journal***

“It happened fast. Thirty-two minutes for one world to die, another to be born.”

An epic and gripping tale of catastrophe and survival, *The Passage* is the story of Amy—abandoned by her mother at the age of six, pursued and then imprisoned by the shadowy figures behind a government experiment of apocalyptic proportions. But Special Agent Brad Wolgast, the lawman sent to track her down, is disarmed by the curiously quiet girl and risks everything to save her. As the experiment goes nightmarishly wrong, Wolgast secures her escape—but he can't stop society's collapse. And as Amy walks alone, across miles and decades, into a future dark with violence and despair, she is filled with the mysterious and terrifying knowledge that only she has the power to save the ruined world.

Praise for *The Passage*

“[A] blockbuster.”—*The New York Times Book Review*

“Mythic storytelling.”—*San Francisco Chronicle*

“Magnificent . . . Cronin has taken his literary gifts, and he has weaponized them. . . . *The Passage* can stand proudly next to Stephen King's apocalyptic masterpiece *The Stand*, but a closer match would be Cormac McCarthy's *The Road*: a story about human beings trying to generate new hope in a world from which all hope has long since been burnt.”—*Time*

“The type of big, engrossing read that will have you leaving the lights on late into the night.”—*The Dallas Morning News*

“Addictive.”—*Men's Journal*

An Extended Look at *The Atlantis Plague*

In Marbella, Spain, Dr. Kate Warner awakens to a horrifying reality: the human race stands on the brink of extinction. A pandemic unlike any before it has swept the globe. Nearly a billion people are dead—and those that the Atlantis Plague does not kill, it transforms at the genetic level. A few rapidly evolve. The remainder devolve.

As the world slips into chaos, radical solutions emerge. Industrialized nations offer a miracle drug, Orchid, which they mass produce and distribute to refugee camps around the world. But Orchid is merely a way to buy time. It treats the symptoms of the plague but never cures the disease.

Immari International offers a different approach: do nothing. Let the plague run its course. The Immari envision a world populated by the genetically superior survivors—a new human race, ready to fulfill its destiny.

With control of the world population hanging in the balance, the Orchid Alliance and the Immari descend into open warfare. Now the last hope for humanity is to find a cure. Kate alone holds the key to unraveling the mystery surrounding the Atlantis Plague. The answer may lie in understanding pivotal events in human history—events when the human genome mysteriously changed. Her journey takes her across the barren wastelands of Europe and northern Africa, but it is her research into the past that takes her where she never expected to go. She soon discovers that the history of human evolution is not what it seems—and setting it right may require a sacrifice she never imagined.

About The Author

A.G. Riddle's debut novel, *The Atlantis Gene*, became a global phenomenon, topping best seller charts in the US and abroad. Every year, Amazon compiles a list of the top 100 bestselling Kindle eBooks of the year (by total sales volume). *The Atlantis Gene* has made Amazon's annual Kindle bestseller list an unprecedented five years in a row—every year since the book's release (2013, 2014, 2015, 2016, and 2017). Since then, Riddle has released eight more novels, selling millions of copies in two dozen languages. His books feature a unique mix of science, history, and suspense that has delighted fans of Michael Crichton, Dan Brown, Clive Cussler, and James Rollins and continues to sell year after year. He lives in Raleigh, North Carolina.

NOTE: this novel is available as a Kindle eBook, an Audible audiobook, and in print. It is also in Kindle Unlimited.

Fair Warning (Jack McEvoy Book 3)

Author: Michael Connelly

The hero of *The Poet* and *The Scarecrow* is back in this thriller from #1 *New York Times* bestselling author Michael Connelly. Jack McEvoy, the journalist who never backs down, tracks a serial killer who has been operating completely under the radar—until now.

A Kirkus Best Book of 2020

Veteran reporter Jack McEvoy has taken down killers before, but when a woman he had a one-night stand with is murdered in a particularly brutal way, McEvoy realizes he might be facing a criminal mind unlike any he's ever encountered.

Jack investigates—against the warnings of the police and his own editor—and makes a shocking discovery that connects the crime to other mysterious deaths across the country. Undetected by law enforcement, a vicious killer has been hunting women, using genetic data to select and stalk his targets.

Uncovering the murkiest corners of the dark web, Jack races to find and protect the last source who can lead him to his quarry. But the killer has already chosen his next target, and he's ready to strike.

Terrifying and unputdownable, *Fair Warning* shows once again why "Michael Connelly has earned his place in the pantheon of great crime fiction writers" (*Chicago Sun-Times*).

To Sleep in a Sea of Stars

Author: Christopher Paolini

Now a *New York Times* and *USA Today* bestseller!

Winner of Best Science Fiction in the 2020 *Goodreads Choice Awards!*

To Sleep in a Sea of Stars is a brand new epic novel from #1 *New York Times* bestselling author of *Eragon*, Christopher Paolini.

Kira Navárez dreamed of life on new worlds.

Now she's awakened a nightmare.

During a routine survey mission on an uncolonized planet, Kira finds an alien relic. At first she's delighted, but elation turns to terror when the ancient dust around her begins to *move*.

As war erupts among the stars, Kira is launched into a galaxy-spanning odyssey of discovery and transformation. First contact isn't at all what she imagined, and events push her to the very limits of what it means to be human.

While Kira faces her own horrors, Earth and its colonies stand upon the brink of annihilation. Now, Kira might be humanity's greatest and final hope . . .

The Naturalist

Author: Andrew Mayne

An Amazon Charts bestseller.

Professor Theo Cray is trained to see patterns where others see chaos. So when mutilated bodies found deep in the Montana woods leave the cops searching blindly for clues, Theo sees something they missed. Something unnatural. Something only he can stop.

As a computational biologist, Theo is more familiar with digital code and microbes than the dark arts of forensic sleuthing. But a field trip to Montana suddenly lands him in the middle of an investigation into the bloody killing of one of his former students. As more details, and bodies, come to light, the local cops determine that the killer is either a grizzly gone rogue...or Theo himself. Racing to stay one step ahead of the police, Theo must use his scientific acumen to uncover the killer. Will he be able to become as cunning as the predator he hunts—before he becomes its prey?

These Times of Abandon: A Post-Apocalyptic EMP Survivor Thriller (The Abandon Series Book 1)

Author: Ryan Schow

From the USA Today bestselling author of *The Last War*, *The Age of Embers*, and *Dark Days of the After* comes a BRAND NEW post-apocalyptic survival saga, *The Abandon Series*.

Leighton McDaniel is in her first year at Northern Kentucky University when an EMP detonates above the US. The lights are out, the grid is down, and electronics have failed, including Leighton's new hearing aids. Unbeknownst to the town of Highland Heights, the weather warning system is down and tornados are forming. As Leighton heads for her boyfriend's farm, an admirer of hers quietly takes chase. Nothing covers one's tracks better than shadows and chaos, but some battles turn quickly, leaving one to wonder, who is the wolf, and who becomes the prey?

As the tornado's winds begin to whip, and Kentucky descends into lawlessness, the former Golden Gloves boxer, Hudson Croft, is forced to defend his home from violent opportunists. Hudson is ready for the anarchy, but he never anticipated the tornado heading his way, or the war Leighton McDaniel brought with it. Although Hudson is anxious to return to the fight, he remains haunted by his past boxing injuries, for one blow to the head, and it's lights-out on his life.

Amid such an unprecedented attack, a handful of citizens will fight to survive the many storms bearing down upon them. Those clinging to the old world will perish while those who abandon the former world will dig in and fight, proving the might and strength of America are not found solely in her military or her commerce, but in the heart of her people.

Her Alien Prince: A Sci-Fi Alien Romance (Voxeran Fated Mates Book 1)

Author: Presley Hall

I was sent to make contact with aliens... I never expected one to claim me as his mate.

When I get the chance to be part of a first-contact mission to space, I jump at it. I need a break from my life back on Earth. From the lie of my marriage. From the heartbreak of betrayal.

But after we crash on a planet far from our planned destination, everything changes. Stranded in an unforgiving wilderness, I suddenly find myself hoping extraterrestrial life *doesn't* exist.

No such luck.

As I search for a way to rejoin the other survivors, I fall—literally—into the lap of a massive alien warrior with metallic blue skin and cat-like eyes. He's... gorgeous. Mesmerizing. I can't stop staring at him, and he seems just as fascinated by me.

Actually, he seems *more* than fascinated. The way he looks at me is possessive and protective, and even though I can't understand his words, his voice sends shivers down my spine.

I don't understand what's happening between us, but I do know one thing: he's the best shot I have at finding a way back home.

The only problem is, I'm not so sure anymore that I want to leave.

Her Alien Prince is a full-length standalone sci-fi romance featuring blue-skinned alien warriors, a heroine who learns what love truly is, and a rebel prince who would move the stars for his fated mate.

If you like sexy aliens, steamy romance, and thrilling adventure, you'll love this series. No cliffhanger, and a happily ever after guaranteed!

Note: each book in the series can be read as a standalone, but for maximum enjoyment, it's recommended that the series be read in order.
