## **Still Beating**

**Author: Jennifer Hartmann**

*WARNING: This book contains subject matter that may be sensitive for some readers, including rape, as well as strong language and explicit sex. 18+ only. Please read responsibly.*

When Cora attends her sister's birthday party, she expects at most a hangover or a walk of shame. She doesn't anticipate a stolen wallet, leaving her stranded and dependent on Dean—her arch nemesis and ultimate thorn in her side.

And she really doesn't anticipate waking up in shackles in a madman's basement.

To make matters worse, Dean shares the space in his own set of chains.

After fifteen years of teasing, insults, and practical jokes, the ultimate joke seems to be on them. The two people who always thought they'd end up killing each other must now work together if they want to survive.

But Cora and Dean have no idea their abductor has a plan for them. A plan that will alter the course of their relationship, blur the line between hate and love, and shackle them together with far more than just chains.

#### REVIEWS:

*"This book will have you sitting on the edge of your seat and turning pages like mad crazy! I have never read another story that holds a candle to Cora and Dean's. The author of this book literally blew my mind. I fell in love with these characters and the horrific circumstances that they went through, brought me to tears, more than once. I truly feel that this book is going to sail to number one and could very well end up being a movie. I have read several books by Jennifer Hartmann and have loved everyone of them, but this book is the one that sets her apart from all other authors." - Vanessa, Goodreads reviewer*

*"WOW. Jennifer Hartmann's emotional brand of writing leaves me breathless, every.stinking.time. This book is a roller coaster... you find yourself laughing at the banter and antics between the H and h, but then you're crying on the next page. I cried so many ugly tears during the reading of this book...prepare yourselves. One of the best I've read in a while." - E. R. Whyte, author of 'Reclaiming Heaven Series'*

*"Intense, twisted, and stunning. Beautiful messages of love and hope shine through the darkness in Hartmann's new novel. This story addresses some difficult issues, like PTSD and sexual violence, in a heartfelt and inspiring way. It was such an emotional rollercoaster for me: I laughed, I cried, and I sat on the edge of my seat, struggling to put the book down. The chemistry between Cora and Dean is hot and explosive and these characters really came to life for me." - L. Starla, author of 'From Prying Eyes'*

*"This book was equally devastating, soul crushing, hard to read at times, HOT, and beautifully crafted. Jennifer Hartmann writes words like pure poetry and knows exactly how to invest you into every scene. These characters are so well developed and their CHEMISTRY is out of this world! I couldn't put this book down. This is a new best selling author right here, just watch!" - Autumn, Goodreads reviewer*

*"My heart was shattered a thousand times over when I read this. I cried ugly tears and reread parts to just numb and become unnumbed from my own inner disarray. Jennifer is so artful in her use of words that she can make you feel everything without going into explicit details. There were points that I found myself marveling at the complete lack of detail and the way I seemingly had ALL the detail in my mind as the words drifted through through my subconscious." - Charity, Goodreads reviewer*

*"Jennifer has a very rare gift. It doesn't matter how dark the subject matter is, she has a way of drawing you in and making you feel every emotion that the characters are feeling. I didn't feel like I was reading a book. I was so immersed in the story and the characters, it felt more like I was sitting with two people who were recounting their experience to me. It's absolutely amazing." - Stephanie, Goodreads reviewer*

## **The Virgin and the Beast: a Dark Beauty and the Beast Tale (Stud Ranch Standalone Book 1)**

**Author: Stasia Black**

They say good things come to those who wait.

Bullsh\*\*%!

My whole life has been about waiting. Playing it safe. Be the good girl, don't color outside the lines. Put in the hard work trying to prove myself to Dad, then to my college professors, then to my boss at New World Media. Just waiting for the day when it will all pay off.

And right when it was all starting to—I finally had the house, the job, I was even thinking about getting a cat—boom!—my life explodes and suddenly now I'm here and—

"All done," the doctor interrupts my thoughts, pulling off her gloves with a loud snap.

Even from the bed where I'm lying, my legs spread like the Thanksgiving turkey, I can hear the impatient growl of the man standing in the doorway. If you can even call him a man. More like a beast out of a friggin' fairytale. "Well?"

Her pronouncement echoes throughout the room while the speculum is still inside me. "She's a virgin."

Intended for mature audience. Steamy romance with dark themes.

INTERVIEW WITH THE AUTHOR:

Q – Where did you get the idea for this book?

A – Who doesn't love a Beauty and the Beast story? I've been in love with this fairytale since I was a kid and read all sorts of different variations on it. Now that I'm grown up, well, I couldn't help but imagining some darker twists and turns the story could take. A tortured hero, kidnap, and a girl falling for her captor—hello, this is the stuff dark romance is made of!

Q – Why should I read this book?

A – I write the kind of books I love to read, which is dark romantic erotica. I want stories that steam things up in the bedroom but not if those scenes don't go hand in hand with three-dimensional characters, can't-stop-flipping-the-pages suspense, and quality writing. I like alpha males, (doesn't hurt if they happen to be billionaires)!, bad boys, BDSM, contemporary, urban settings, and fiction where women can be strong while also exploring all sides of their sexuality. My favorite books are ones that dare to go into the darkest and most taboo places in the human psychological experience, leaving you wrung out on the other end.

## **He Saw Me First (Age & Innocence Book 1)**

**Author: M Johnson**

Across an empty laneway in Paris, through my hotel window,

**He saw me first.**

I stopped undressing . . . but only for a moment.

The next night, he was waiting for me.

He sat there in his expensive suit and watched.

No participation.

My only acknowledgement was the look of lust in his eyes.

It continued until the night before I left,  
when I found a card under my door.  
No words. Just a number.  
So, I texted him.  
I'd never done anything like it before.  
It felt so dirty and wrong, but at the same time, I felt alive.  
He was much older than me, so intimidating and sexy.  
He made me feel things no man ever has.  
I was under his spell.  
**The last thing I expected was to ever see him again.**

*WARNING: While this book is best enjoyed going in blind, it does contain distressing themes that may upset some readers. If you think you might be one of those readers, please find the specific triggers listed here: <https://www.goodreads.com/review/show/3598994915>*

They fine me for attempted spousal abandonment.

Apparently, that love nibble this Vandalor gave me last night makes me his mate. Now I'm stuck with an alien who says he studied a million ways to please me. But, really, he's about as annoying as any average husband.

Thing is: I'm not wife material. I don't do marriage.  
All I need from this guy is the d-word.  
Not that d-word. The other one.  
As in divorce.

Swipe Right for Husband is the fourth book in this quirky, interconnected alien romantic comedy series, featuring concubines trained to cook, clean, and please their female in whichever way she wishes - or not. Some are annoying like that...

## **Big Bad Wolf (The Lycans, 1)**

**Author: *Jenika Snow***

Mikalina

It was spur of the moment, maybe reckless, definitely a shock to everyone I knew when I decided to take a trip across the ocean to a foreign country and stay for an undetermined amount of time.

Renting out a cottage in a tiny European village whose residents barely spoke English was the perfect escape from overbearing parents, fake friends, and a future that seemed bleak. And helping out an elderly woman with her shopping to earn some extra cash seemed easy enough.

Mindless, hour-long walks through the thick woods that surrounded said village also sounded ideal. No Internet. No television. And just the bare basics to get me by.

Perfection. Stress-free. Exactly what I needed.

Or maybe I was wrong about it all.

I felt someone or something watching me from the darkened, dangerous woods.

I felt someone—something—stalking me. I didn't know what or who it was, but I knew with certainty it wasn't human... and that it wanted me.

Ren

I wasn't human, not completely.

A Lycan—a centuries-old wolf-like creature that was feared by all, stronger than anything on the planet, and who was only ever after one thing.

My mate.

For over three hundred years, I had one purpose in life. Find her, the one female born to be mine. My female who'd cause the Linking Instinct—that supernatural connection that told me she was mine and I hers—to finally take root and make me whole.

And for hundreds of years, I'd been alone, saving myself for my mate, never stopping the search.

Until I scented her, saw her, finally felt my heart beat and the blood rush through my veins with hope and anticipation.

Mine.

She didn't see me, but she sensed me. And she ran. She couldn't possibly know how much the chase turned me on.

I didn't know how I'd make her understand I could never let her go, that nothing and no one would stop me from making her mine.

Because once a Lycan found his mate... nothing in this world, nothing supernatural or human, could keep him from her.

But when I spot her on the stage at the auction, alone, scared, dressed in tattered silk with bare feet, I know I have to have her.

The dark desires that burn in my gut forced me to do the unthinkable. No price was too high to get what I want.

She's mine now, I own her. Bought and paid for, there's nothing she can do.

I don't care how much she begs, I'll never let her go.

## **My Best Friend's Ex (The Binghamton Series Book 2)**

**Author: Meghan Quinn**

My Best Friend's Ex is a small town, roommates to lovers romance that can be read as a standalone romantic comedy. See why readers are falling in love with these blue collar heroes.

When I found an eviction notice taped on my apartment door, I had two options: find a comfortable cardboard box to call home, or move in with Tucker Jameson.

Seeing that cardboard makes me feel itchy, I chose the latter. Which shouldn't be that big of a deal since Tucker is one of my good friends. And because he's still pining after his ex-girlfriend and I'm trying to finish my nursing degree, there is nothing to worry about in the romance department, making my last semester an easy one to conquer.

Boy, was I wrong.

Rules are set, dinners are made, conversations are had, and a shirtless, swoony roommate walks around in nothing but a pair of black briefs, ruining me for every other man.

Before I know it, I turn into a panting, lust-filled woman begging for Tucker to kiss me, touch me, and show me exactly what is hiding under those briefs.

But with great orgasms, comes great consequences.

Tucker might be my friend and roommate but he's also my best friend's ex-boyfriend, making him completely off-limits. At least that's what my brain is telling me, my heart is speaking an entirely different language.

\*\*\* This is a full length novel , 100,000 words, with a happily ever after, no cliffhanger, no cheating, and full of heart, humor and, steamy heat. \*\*\*

## **Owned (Office Intrigue Book 8)**

**Author: Nicole Edwards**

Have you ever believed you'd one day cross paths with someone who would sweep you off your feet and offer you a life right out of a fairy tale?

When you've spent your life hiding from monsters, it seems reasonable that you might cling to a magical, fabled romance. I did. I found it was easier to look for the positive, to remain hopeful, and to sometimes imagine a fantasy-worthy life.

I'm not sure if I did it for my sanity or to keep my brother's spirits up. You see, Ransom Bishop is not only my brother, he's also the one who saved me from a life that would've ended badly, and in doing so, he gave up so much. Since the day he stole me away from the monsters when I was nine years old, Ransom has been mother, father, brother, and best friend, watching my back and protecting me from ... them.

For fifteen years, we thought we were safe and maybe we were. But then my brother helped a friend in need, and everything changed.

They found us.

Now it's a matter of life or death, and there's only one person my brother trusts, one man Ransom is willing to be indebted to in an effort to ensure nothing happens to me.

Talon has agreed to take me in.

Under one condition: Ransom has to relocate with me, and he has to fake our deaths. Again.

Little do I know, but Talon is going to change my perception, my ideals, and yes, he's going to change my life.

My name is Braelyn Bishop, and this is my fairy tale.

This is the final book in the Office Intrigue series and it consists of two stories in one. This can be read as a standalone.

***Author: Flora Ferrari***

When Jamie Jensen returns from a very long trip overseas, he's just as handsome and muscular as I remember him.

I've crushed on him since I was a little girl, but I always thought I was invisible to him.

I'm being stalked by a man who wants to do me harm, and Yasmin suggests that I take her dad's one on one self-defense class, something he does on the side to give back to the community.

It isn't right. But if it is wrong, why does it feel so perfect?

I might just be a curvy nineteen year old virgin, but know I want this six foot six iron haired forty-one year alpha male.

We try to fight it for my best friend's sake, for his daughter's sake, but our desire has different ideas.

Soon we can't stop, even as things get more and more complicated. My stalker is on the prowl. Yasmin is going to find out sooner or later.

Our whole world threatens to come toppling down.

But we cling to one another as though our souls were made for each other thousands of years ago, as though we don't have a choice in the matter.

## **His Big Package (Mistletoe Montana)**

**Author: Jenika Snow**

Blythe

I'd felt arousal for the first time in my life when I spotted him across the room.

Logan Marsh was a big, burly man, towering over everyone and everything, his size almost inhuman, his masculinity having me keenly aware I was very much female.

And he watched me... God, he watched me like there was nothing else in the world that fascinated him but me.

We'd been thrown together for the holidays, him playing Santa and me Mrs. Claus. It was a professional relationship that turned out to be anything but. And my inexperience should have had me frightened by the way he looked at me... like he imagined me naked and spread eagle just for him.

But instead of running, which would have been the smart move, I found myself wanting all of it. With him.

Logan

The world tilted under my feet the moment I saw her. This tiny little thing who was half my size but called out to every protective, possessive instinct in my body.

She was the woman I'd been waiting for, and there was no deviating from my path to claim her.

Blythe was so very female to everything in me that was male, and I wanted to memorize every inch of her body with my hands, lips, and tongue.

Whatever primal need rode me, it did it hard and without apology. I'd probably frighten Blythe with my need for her, but better she found out now what kind of man I was when it concerned something I wanted.

And I'd never wanted anything as much as her.

\*\*A complete standalone story in the Mistletoe, Montana series!\*\*

## **And Then There Was Her (And Then There Was, 1)**

***Author: Jenika Snow***

My job had taken me into the city.

I'd taken myself into a bar afterward.

I'd only gone there for a drink, but then I saw her, sitting on that stage, singing her heart out, her words sad and sorrowful, her voice beautiful and calling to me.

I wanted to know more about her right then and there.

And after that night, I took her back to my hotel. We'd both become lost in pleasure, and then she left, no goodbye, no last name or phone number given to me so I could find her again.

Now, three months later, after trying to figure out where she was, all but being a stalker, I was still nowhere close to finding out who Adele was. But that would change, because I was headed back to the city for work. My plan was simple.

Scour the city, go to every bar, and find her—because leaving without making her mine was not an option.

---

## **Her Primal Mate (Badlands Territory, 1)**

***Author: Jenika Snow***

He was mine.

I was his.

There is no denying it, my primal polar bear shifter who was linked to be my fate, destiny, the very laws of our kind.

Fated mates.

That's what it was called, that one person who was meant to solely be yours.

I just hadn't known who my fated mate was until he came into my life like a storm ready to destroy everyone and everything in his path.

When Kasias Stone walked into the bar I worked at and our gazes clashed, I swore the ground opened up. Every part of my body came alive for the first time. My mating heat kicked into overdrive, and all I could think about was needing that male to take me to his bed and ease the desperation.

He was the biggest, strongest male I'd ever seen, his height towering, his muscles severe. He made even the strongest shifters look weak. I didn't even hesitate when he all but threw me over his shoulder and said he'd ease me, that he'd make sure I was sated, that I wouldn't walk straight the next day.

I also knew once I gave myself over to him, there would be no going back. He'd never let me go.

\*Welcome to the Badlands Territory ... where it's so bad it's good. Eight of your favorite romance authors have joined forces to bring you a sexy world full of possessive, growly alpha shifters. All standalone, all addicting, and all filled with those over-the-top heroes we love. Each short and steamy story promises a happily-ever-after, with plenty of bites and growls to satisfy all of your cravings!

## **All The Lies (Mindf\*ck Series Book 4)**

***Author: S.T. Abby***

To understand the monsters in the world, you have to get inside their heads. It's a dangerous place to be, especially when you start to empathize and lose your own sense of morality.

But that's never happened to me...

I've never felt conflicted on any case. Right is right and wrong is wrong. It's simple. Black and white. There's no such thing as a gray area.

But fuck this case. I don't even know what side I'm on anymore. I don't understand how this town can continue to function without breaking under the weight of all the lies they've spun and lived.

Every time I find a shard of truth, my gut twists, my heart beats faster, and I hate this place a little more. Every time I think I've heard the worst, another truth is dug up from the ashes of more burning lies.

Worst of all, I don't even know who to trust anymore. My head is all messed up.

I pride myself on being impossible to fool.  
I'm an expert at knowing when someone is lying to me.  
I never believed in being blinded by love...until Lana.

If only it weren't just one monstrous alpha that twisted her own thoughts. Lola is quickly realizing that her worst enemy is herself, and it's like walking the tightrope to find a balance with the pack that gives her strength rather than sends her toppling to the ground.

But Indy won't be ignored. One way or another, he's determined to get his hands on her again. Lola needs more than a pack to shield her. She needs to be ready to fight.

## **Snatch: Cerberus MC Book 5**

**Author: Marie James**

I've always been a connoisseur of the opposite sex. Tall, short, thin, thick and juicy, my tastes knew no limitations.

That became abundantly clear the night my best friend took me in his mouth.

Sure, there'd been close calls before, the slip of a hand or misplaced lips. With our propensity to share women, it was bound to happen.

That fateful night, I was met with pure intention and an experience I never want to forget.

Falling for a friend has never been so complicated.

## Carnal Alpha (The Alpha's Obsession Book 1)

**Author: Olivia T. Turner**

It was love at first *growl*.

I was drawn to this small Montana town from across the country.

But trouble was drawn to me as soon as I stepped into Blackcloud Point.

Luckily, one of the rugged locals stepped up to protect me.

When I saw Cameron Bowen I just knew.

Maybe it was the territorial way he looked at me.

Or, his possessive touch.

It could have been his obsessive need to protect and keep me safe.

Or, the way he kept calling me *his*.

But between you and me, it was probably the fact that this beautiful dominant bear shifter gets naked at the drop of a paw.

He's a true alpha. Growly, and demanding, and obsessive, and so irresistible.

And now I'm in a new sort of trouble.

But trouble has never been so much fun...

*Like your alphas obsessed to the core and insatiable for more? Cameron Bowen is a dominant Over-The-Top grizzly bear shifter who will have you roaring! This is book one in the The Alpha's Obsession series. These books can be read in any order, are SAFE, with no cheating, and a furry HEA guaranteed. Enjoy!*
