**Author: Barbara O'Neal**

An Amazon Charts, *Washington Post*, *Wall Street Journal*, and *USA Today* bestseller.

From the author of *The Art of Inheriting Secrets* comes an emotional new tale of two sisters, an ocean of lies, and a search for the truth.

*Her sister has been dead for fifteen years when she sees her on the TV news...*

Josie Bianci was killed years ago on a train during a terrorist attack. Gone forever. It's what her sister, Kit, an ER doctor in Santa Cruz, has always believed. Yet all it takes is a few heart-wrenching seconds to upend Kit's world. Live coverage of a club fire in Auckland has captured the image of a woman stumbling through the smoke and debris. Her resemblance to Josie is unbelievable. And unmistakable. With it comes a flood of emotions—grief, loss, and anger—that Kit finally has a chance to put to rest: by finding the sister who's been living a lie.

After arriving in New Zealand, Kit begins her journey with the memories of the past: of days spent on the beach with Josie. Of a lost teenage boy who'd become part of their family. And of a trauma that has haunted Kit and Josie their entire lives.

Now, if two sisters are to reunite, it can only be by unearthing long-buried secrets and facing a devastating truth that has kept them apart far too long. To regain their relationship, they may have to lose everything.

## The Invitation

**Author: Vi Keeland**

**A new, sexy standalone from #1 New York Times Bestseller, Vi Keeland.**

The first time I met Hudson Rothschild was at a wedding. I'd received an unexpected invitation to one of the swankiest venues in the city.

Hudson was a groomsman and quite possibly the most gorgeous man I'd ever laid eyes on. He asked me to dance, and our chemistry was off the charts.

I knew it wasn't a good idea to get involved with him, considering the wedding I was at. But our connection was intense, and I was having a great time.

Though the fun came to a screeching halt when Hudson figured out I wasn't who I'd said I was. You see, that unexpected invitation I received? Well, it hadn't actually been addressed to me—it was sent to my ex-roommate who'd bounced a check for two months' rent and moved out in the middle of the night. I figured she owed me an expensive night out, but I guess, technically, I was crashing the wedding.

Once caught, I couldn't get out of there fast enough. As I bolted for the door, I might've plucked a few bottles of expensive champagne off the tables I passed, all while the gorgeous, angry groomsman was hot on my tail.

Outside, I jumped into a taxi. My heart ricocheted against my ribs as we drove down the block—but at least I'd escaped unscathed.

Or so I thought.

Until I realized I'd left my cell phone behind at the table.

Take one guess who found it?

This is the crazy story of how Hudson Rothschild and I met. But trust me, it's only the tip of the iceberg.

I shouldn't have invited the girl genius to live with me, but it's clear she needs my help—not only for a place to lay her pretty blonde head but in finding real love, which she's not going to get with the crazy men she picks up online.

Too bad she's a twenty-four-year-old virgin and I'm a bad boy wide receiver. She's off limits for a hardcore player like me—and we're *just* friends.

Instead, I'm her matchmaking service, no matter how jealous it makes me when I tag along on her dates.

I can keep my self-control. Right? No way will I give in to everything inside me that dreams of a girl like her in my world.

I may be the best wide receiver in the country, but how could I hold on to a girl like her?

## To Sir Phillip, With Love: Bridgerton (Bridgertons Book 5)

**Author: Julia Quinn**

**From *New York Times* bestselling author Julia Quinn comes the fifth novel in the beloved Regency-set world of her charming, powerful Bridgerton family, now a series created by Shonda Rhimes for Netflix.**

She wrote him a letter...and he stole her heart.

Sir Phillip knew that Eloise Bridgerton was a spinster, and so he'd proposed, figuring that she'd be homely and unassuming, and more than a little desperate for an offer of marriage. Except . . . she wasn't. The beautiful woman on his doorstep was anything but quiet, and when she stopped talking long enough to close her mouth, all he wanted to do was kiss her . . . and more.

Did he think she was mad? Eloise Bridgerton couldn't marry a man she had never met! But then she started thinking . . . and wondering . . . and before she knew it, she was in a hired carriage in the middle of the night, on her way to meet the man she hoped might be her perfect match. Except . . . he wasn't. Her perfect husband wouldn't be so moody and ill-mannered, and while Phillip was certainly handsome, he was a large brute of a man, rough and rugged, and totally unlike the London gentlemen vying for her hand. But when he smiled . . . and when he kissed her . . . the rest of the world simply fell away, and she couldn't help but wonder . . . could this imperfect man be perfect for her?

This novel includes the 2<sup>nd</sup> epilogue, a peek at the story after the story.

When I see the men chasing her, I'm filled with a protective fury like I've never felt. I fight them off...and when I look into Bethany's eyes, all I want to do is scoop her up in my arms and kiss those soft lips. But I have to resist. If she knew what I'd done....

When I find out who's after her, I know there's only one place she'll be safe. I shelter her in my cabin...but how am I supposed to fight my feelings when every look, every accidental touch, makes me want her more? She's determined to help me face the demons of my past. I'm determined to keep her safe...even if that means pushing her away. But what neither of us counted on is how far her pursuers will go to possess her. Even in the deep woods, we may not be safe. ## **Office Grump: An Enemies to Lovers Romance**

**Author: Nicole Snow**

**Wall Street Journal bestselling author Nicole Snow returns with a fierce and hilarious office romance where two sworn enemies make undeniable lovers.**

My "interview" with boss-hole supreme was anything but normal.  
He picked the worst day ever to chase me off my favorite park bench.

I retaliated with a spray of cinnamon latte all over his Italian shoes.  
Then—for some unholy reason—Magnus Heron offered me a job.

Even his name sounds like a piece of work.

Guess what? He is.

But when you're single, broke, and barely surviving in Chicago, you hop on the gift horse offering a six-figure salary and *ride*.

I picked the stallion on a one-way trip to hell.

It's not the impossibly long hours working under Grump-zilla.

It's not the fact that he's snarly, demanding, horribly rich, and chiseled.

It's not even the pesky way he makes me blush every flipping time we're together.

Mag is my boss. I'm his lowly assistant. Some rules are carved in stone.

That's my mantra until we're sharing a sunset too beautiful for life.

Alone with wandering lips, whispered secrets, and disaster in the making.

The plan was simple: punch the clock, get paid, and keep hating my boss.

What's the blueprint when the office grump brings me to my knees?

*Full-length enemies-to-lovers romance with the banter, intrigue, and slow-burn love worthy of a Happily Ever After. The bossman from Hades meets the hellion he totally can't stand—until he can't live without her.*

## Say You Do

**Author: Weston Parker**

**My brother is an idiot—he's getting married.**

And I'm in charge of getting things together since our folks are gone.

Lucky me. The guy who thinks love is for the birds and worn-out 80s songs.

I honestly don't have time for this drama. I run a billion-dollar company, have women to entertain, and am working on my plans to rule the world.

No, seriously.

And yet, when you least expect it, life kicks you in the balls.

The beautiful, snarky woman that runs the flower shop is perfect to help me pull off this wedding.

Just seeing her sends my head spinning with possibilities.

She's perfect. To play my fake wife for an event I have coming up as a side deal.

My ex-wife will be at the event, and I sure could use someone to show her how well I've done since she ripped out my soul.

So my curvy new friend gets my ring and a chunk of my wallet before agreeing to the deal.

Funny thing is, I'm not so interested in taking it back by the end of the adventure.

I'm willing to go all in on what might be the best decision of my life.

And I'm demanding the same of her. No maybes. No I-don't-knows.

No fear of what might be or might not be.

Open your pretty pink lips and utter the words.

**Say you do.**

And one accidental sext later, my massive crush on him is no longer a secret.

It's my own damn fault. I'm thirty years old, for heaven's sake. I'm a kindergarten teacher and a (reasonably) responsible adult. I should know better than to get tipsy and draft a fake text listing all the dirty things I wish Officer Cole Mitchell would do to me.

And he definitely wasn't supposed to text back telling me to go on . . .

Because after that, things escalate quickly.

## Reputation: Enemies-to-Lovers Standalone (Mason Family Book 2)

**Author: Adriana Locke**

Coy Mason is a jerk.

If there is one truth that Bellamy Davenport knows, it's that. Well, that and the fact she didn't mean to hurt him. Physically. Coy can't be hurt emotionally because he doesn't have a heart.

Coy is not just the small-town, literal boy next door. He's a heartbreaking, womanizing, mischief-making (and delicious) man and was all of those things well before he became a hot-shot country music sensation.

He's a dream standing in her doorway with no shirt, messy hair, and a "Do you wanna?" grin. But he's also a nightmare for her heart, and she knows it.

Their enemies-to-lovers relationship always ends the same way—heavy on the enemies, light on the lovers.

So why is she still standing there?

Author's Note: Reputation is a standalone novel with heat and heart. No cliffhanger.

A Maiden...

Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers.

A Duty...

The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden.

A Kingdom...

Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. ## **The Relationship Pact : Fake Dating Standalone (Kings of Football)**

***Author: Adriana Locke***

How hard can it be?

That was the question rolling around Larissa Mason's mind just before she asked Hollis Hudson to be her fake boyfriend.  
It was only supposed to be for five minutes, after all.

Granted, that was also before she felt his hand on the small of her back as he charmed the heck out of her family.

And it was definitely before she saw the football god shirtless. Otherwise, she would've had an idea of just how hard some things could be.

It turns out that pretending to be in love with a crazily handsome, somewhat enigmatic, and absolutely unforgettable tight end (that has an amazing tight end) is easy.

Reminding herself that just because opposites attract doesn't mean they're forever is much harder.

What they have isn't love—it's a relationship pact. Right?

AUTHOR'S NOTE: The Relationship Pact is a fun and flirty college sports romance with lots of heart. No cliffhanger.

Other interconnected standalone books in this series:

The Revenge Pact by Ilsa Madden-Mills

The Romantic Pact by Meghan Quinn

## **(Not) The Boss of Me: A Billionaire Boss Romantic Comedy**

**Author: Kenzie Reed**

*Considerate. Loves dogs. Walks old ladies across the street. Loves me no matter what I look like.*

We all have a list of our dream man's ideal qualities – even if it's just in our head.

And okay, mine might be written in swirly script, laminated, and used as a bookmark for my favorite Jane Austen novel.

You know what's NOT on my list? Arrogant. Impatient. Distractingly sexy. In other words, mega-successful department store magnate Blake Hudson is everything I'm not looking for.

Unfortunately, I may have ruined his life a little bit when I got creative on my first day as a personal shopper. And unless I want to see my new career go up in flames, I'm stuck with the world's smuggest billionaire until I fix everything I've broken.

Find the hottest toy of the season for an overindulged niece? On it. Pose as his date at his company's annual gala, to fool his obsessed ex – and let him fake-flirt with me all night long? Uh oh, this could be trouble.

Let Blake see me safely home – and then let him make me see stars? Wait, that wasn't on my list...

Doesn't matter. Moving on. I will not let Blake Handsome – I mean Blake Hudson - defeat me with his To-Do List of Impossibility, or his pillow-soft lips, or his secretly tender heart, or the swell of his biceps, or...oops. I seem to have forgotten where I was going with this, but if I can't remember, I'm shopping for nothing but heartbreak.

## The Takeover (The Miles High Club Book 2)

**Author: T L Swan**

**A *Wall Street Journal* bestseller.**

**In bestselling author T L Swan's second hot installment to the Miles High Club series, he's sexy, rich, and her mortal enemy. Hate never felt so good.**

I first met Tristan Miles at a meeting where he was trying to take over my late husband's company.

He was powerful, arrogant, and infuriatingly gorgeous, and I hated him with every cell in my body. In the shock of the century, he called me three days later and asked me on a date.

I would rather die than date a man like him—though I do have to admit it was good for the ego. Turning him down was the highlight of my year.

Six months later, he was the guest speaker at a conference I attended in France.

Still arrogant and infuriating—but this time, surprisingly charming and witty.

When he looked at me, I got butterflies.

But I can't go there.

He's just a player in a hot suit, and I'm just a widow with three unruly sons.

I just need this conference to be over.

Because everybody knows that Tristan Miles always gets what he wants...and what he wants is me.

## **Christmas at Home**

**Author: Carolyn Brown**

**This heartwarming romantic Christmas story from bestselling author Carolyn Brown shows that even the most unexpected situation can prove to be a true gift.**

*Snowed in with an attractive stranger? Not what either of them expected for Christmas.*

Sage Presley's Western paintings are in big demand. She should be at her gallery's holiday show, but instead she races back to Palo Duro Canyon in a desperate effort to prevent her grandmother from selling her ranch. Even though she doesn't spend much time there these days, Sage can't imagine the rest of her life without those roots, not to mention the feeling of not having a place to come home for Christmas.

Sage arrives at the ranch to find that Grand has gone off to visit her sister and Creed Riley in residence. Creed's a seasoned rancher, and he's ready to take over. The fact that he's so attractive only irritates Sage more. She's devastated, and to make things worse, she's now stuck at the ranch with a blizzard closing in, no electricity, and a stranger taking up space.

Soon Sage finds the house filling up with stray animals fleeing the blizzard, and the handsome stranger turning out to be just the company she needed. It may not be how she pictured, but Christmas at home has never felt so right.

## **A Court of Silver Flames (A Court of Thorns and Roses Book 5)**

**Author: Sarah J. Maas**

**Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta.**

Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it.

The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other.

Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts.

Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.
