Zodiac Academy: The Awakening

Author: Caroline Peckham

I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae.

But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could.

The school they've sent me to is both dangerous as sh*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy.

Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates – which is actively encouraged by the way.

My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell.

All I've got to do is survive. But fate might have other ideas.

Dammit, why couldn't I have gotten a letter to Hogwarts?

****This is a dark, bully romance – don't go expecting a sweet school for magic with friends around every corner. Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18+ where only the strongest prevail. There's no Dumbledore here to save anyone's ass and Lionel Acrux will give Voldemort a run for his money in the evil dictator category. So hold onto your stardust (broomsticks not required) and get ready for a bumpy ride****

My Alpha mate and I are running out of time

In a world where magic is power, I should consider myself blessed. I'm loaded with the stuff. Except I have no control over my new magic, and no idea what I really am. All I know is that I'm running out of time before my magic tears me apart.

When a series of thefts reveals clues about my past, I must follow them. Unfortunately, the only way to save myself is to work side by side with Lachlan, the Alpha werewolf who is also my mate.

The chemistry between us is insane, but if we fall for each other, the Dark Moon curse will steal his sanity. The only problem is—we can't seem to resist each other. It seems we're damned if we do and damned if we don't.

The spectacular new novel from the bestselling author of *JONATHAN STRANGE & MR NORRELL*, 'one of our greatest living authors' *New York Magazine*

Piranesi lives in the House. Perhaps he always has.

In his notebooks, day after day, he makes a clear and careful record of its wonders: the labyrinth of halls, the thousands upon thousands of statues, the tides that thunder up staircases, the clouds that move in slow procession through the upper halls. On Tuesdays and Fridays Piranesi sees his friend, the Other. At other times he brings tributes of food to the Dead. But mostly, he is alone.

Messages begin to appear, scratched out in chalk on the pavements. There is someone new in the House. But who are they and what do they want? Are they a friend or do they bring destruction and madness as the Other claims?

Lost texts must be found; secrets must be uncovered. The world that Piranesi thought he knew is becoming strange and dangerous.

The Beauty of the House is immeasurable; its Kindness infinite.

A year ago, everything was different. I had just left my home, joining the infamous Mountainside Pack. The daughter of an omega wolf, I've always been prized—but not as prized as I would be if my new packmates found out my secret.

But when my fated mate—Mountainside's Alpha—rejected me in front of his whole pack council and my secret got out, I realized I had one choice. Going lone wolf was the only option I had, and I took it.

Now I live in Muncie, hiding in plain sight. If the wolves ever left the mountains surrounding the city, I'd be in big trouble. Good thing that the truce between the vampires and my people is shaky at best and Muncie? It's total vamp territory. Thanks to my new vamp roomie, I get a pass, and I try to forget all about the call of

the wolf. It's tough, though. I... I just can't forget my embarrassment—and my anger—from that night.

And then *he* shows up and my chance at forgetting flies out the damn window.

Ryker Wolfson. He was supposed to be my fated mate, but he chose his pack over our bond. At least, he *did*—but now that he knows what I've been hiding, he wants me back.

But doesn't he remember?

I told him I'll never be his mate, and there isn't a single thing he can do to change my mind.

To Ryker, that sounds like a challenge. And if there's one thing I know about wolf shifters, it's that they can never resist a challenge.

Just like I'm finding it more difficult than I should to resist *him*.

Growing up in Torma, the strongest of the shifter packs, I wanted nothing more than to find my true mate and live my best life. Of course, that dream existed before my father betrayed the pack and turned me into their punching bag.

I'd all but given up, until a quirk of true mate genetics gifted me a true mate like no other. My childhood dreams were finally a reality. Funny how quickly dreams turn into nightmares.

I'm being lied to, missing weeks and months of time. Someone messed with me and no matter how often I'm told to forget it and move on as Torin's mate, there's no way I can. Whoever did this to me should have known I'd pick at it until it bled. It's my nature after all.

As I search out random growls, flutters in my chest, and a suspicion that there's so much more going on than I could even imagine, I sense that I'm racing against an unknown clock.

I need to get to the bottom of this mystery.

And when I figure out who stole my memories, they're going to wish they never messed with Mera Callahan.

Game on.

Gran used to say that a strong woman looks a challenge in the eye and gives it a wink. To be sure, flirting with challenges is a terrible idea. Ask me how I know.

Instead, Bree gets blackmailed by the Council of Savannah into a job she doesn't want—though it does take her to France. They need her to bring a witch back to Savannah for a trial that Bree is sure is a load of hooley.

But not just any witch. The first one. The oldest one. The one who makes a t-rex look like he's howling about a sore tooth. The one who makes the wicked witch of the west look like your sweet old nanny, the one who . . .well you get the picture.

Bree's job? Find her. Befriend her. And convince her to come back to Savannah for safekeeping.

But someone else has gotten a head start, and their reasons for tracking down the miserable old witch are far worse than the council's reasons.

Throw in a lovesick siren, and a slew of new problems, and you've got Bree's next adventure busting at the seams. And no, it isn't because her pants are too small.

Go Tell the Bees That I Am Gone: A Novel (Outlander Book 9)

Author: Diana Gabaldon

#1 *New York Times* bestselling author Diana Gabaldon returns with the newest novel in the epic *Outlander* series.

The past may seem the safest place to be . . . but it is the most dangerous time to be alive. . . .

Jamie Fraser and Claire Randall were torn apart by the Jacobite Rising in 1746, and it took them twenty years to find each other again. Now the American Revolution threatens to do the same.

It is 1779 and Claire and Jamie are at last reunited with their daughter, Brianna, her husband, Roger, and their children on Fraser's Ridge. Having the family together is a dream the Frasers had thought impossible.

Yet even in the North Carolina backcountry, the effects of war are being felt. Tensions in the Colonies are great and local feelings run hot enough to boil Hell's teakettle. Jamie knows loyalties among his tenants are split and it won't be long until the war is on his doorstep.

Brianna and Roger have their own worry: that the dangers that provoked their escape from the twentieth century might catch up to them. Sometimes they question whether risking the perils of the 1700s—among them disease, starvation, and an impending war—was indeed the safer choice for their family.

Not so far away, young William Ransom is still coming to terms with the discovery of his true father's identity—and thus his own—and Lord John Grey has

reconciliations to make, and dangers to meet . . . on his son's behalf, and his own.

Meanwhile, the Revolutionary War creeps ever closer to Fraser's Ridge. And with the family finally together, Jamie and Claire have more at stake than ever before.

What do a heartless Dragon Shifter, a cold-blooded Basilisk, an arrogant Lion Shifter and a brooding, tattooed Harpy have in common...?

Me.

Elise Callisto. Vampire. Angel of vengeance. And a girl on a mission to destroy one of them for murdering my brother. I just don't know which one did it yet.

Two of the kings run the gangs at the academy, their hatred for each other so fierce **I hear a day doesn't go by without blood being spilled in the halls.**

Author: Roxie Ray

The King of Hell owns me. Mind, body, and eternal soul.

The devil's in the details, and I shouldn't be surprised to find Hell in Las Vegas. Luke doesn't care that I can't remember a thing about the deal we made on the night of my bachelorette party. All he cares is that I promised my love, my life, and my obedience to him for all eternity.

Obedience?

Not my style. I'm not looking to be owned by any man.

To make matters worse, I was supposed to be marrying another. But Adam can't stand against Luke's strength. I'm Luke's prisoner. And his lover. And I can't resist his wicked charms and sinful good looks.

With the mark of the beast on me and an army of Versace-clad demons knocking down my door, my options for freedom aren't just running out, they're long gone. Only Luke can keep me safe. And only if I play by his rules.

The King of Sin needs a queen. If I want to survive, I don't have any choice but to give the Devil his due.

The Cursed God: A Hades And Persephone Romance (Hades Redemption Book 1)

Author: Skye Wilson

Hades is coming for me. But that doesn't mean he can have me . . .

He says he knows me. Who I am. What I am.

I'm pretty sure my boss Hayden is on some sort of weird power trip. He's sexy as hell, but has an arrogance that spells danger. I'm only serving drinks in his seedy strip club until I can afford my own flower shop. I just have to avoid the inexplicable pull between us in the meantime.

Then he claims I'm Persephone and he's Hades, the God of the Underworld. He says I was taken from him and now he's here to awaken my spirit so he can take me back to the underworld. That his position in the underworld depends on it.

Either he's crazy . . . or I'm a mythical goddess. A queen of the underworld. His Queen.

Except if I was his Queen, he needs to do more than seduce me. I'd want him to love me. To Hell and back. No matter how strong the attraction is that burns between us, it's obvious someone like him isn't capable of love.

Mave Fortune: A Rejected Mates Story (Blackstone Academy Book 1)

Author: Elizabeth Dear

When my family left our small, ultra-conservative pack back in Utah to join a giant pack in Northwest Louisiana, I thought I'd be able to coast through my last year of high school in semi-anonymity, then get the fuck away from wolf pack politics and just live my life for awhile. But the Moon decided to prolong my torture by placing my fated mate in front of my face on my first day at Blackstone Academy. He's the Alpha's son and king of a school crawling with shifters, and it turns out he doesn't care to be saddled with a Moon-chosen mate who he thinks is a nobody omega wolf.

When he rejects me in front of every shifter in school, I vow to harden my heart, become impervious to the constant, deep hurt of the rejection, and figure out how to be the first wolf in known history to shake the taint of a rejected fated mate bond.

I'm also becoming closer to a new student—a smoking hot and intriguing human, who I can't manage to scare off even with the drama that surrounds me and the poisonous pack politics that I can't seem to escape. I can't even tell him what's really going on, but I think he's keeping secrets from me, too.

I'm Mave Fortune, and my mate threw me out like yesterday's garbage. But fuck that guy.

This is a New Adult, M/F 133,000 word standalone story with a HEA. Any future books in the series will feature other characters. Mave is intended for the 18+ crowd and contains foul language, some mild violence, and steamy scenes. If you're a fan of upper YA/NA, wolf shifters, academy romances, and all of the associated tropes, this book is for you !

Anchored: An Urban Fantasy (The Anchored Series Book 1)

Author: Bridget E. Baker

"The premise [of Anchored] is not only the right blend of imagination, mystery, and hold-your-breath action, but is entirely unique and leaves the reader wanting more. This is a 10 out of 10." --Publisher's Weekly.

Two worlds, one fate ...

Alora's life has been anything but magical. Since her parents died, she and her brother have been on the run from a creepy, doggedly determined social worker. In a few more months she turns eighteen, but until then, they're stuck hiding. It's hardly surprising that she dreams every single night of another world, Terra, where she possesses telekinetic powers.

What Alora can't explain is how, when she breaks her arm in her dreams, she wakes up with the same (very real) injury on Earth. And if her dreams are fueled by wishful thinking, why isn't being magical more fun? Since only men on Terra are supposed to be able to move things with their minds, Alora is forced to hide what she can do.

But when her best friend on Terra is threatened, Alora uses her powers to save him. She inadvertently kills the attacker and reveals her hidden talents. The next day on Earth, the exact same man she killed on Terra walks into her workplace. . .and drops dead. As the two worlds collide, Alora must discover how they're connected and how far she'll go to save a world that may not deserve to be saved.

★ Trade Reviews ★

"This fantasy series opener finds its rhythm early and then breezes along, keeping readers enthralled. [This] novel is a winner," Kirkus Reviews

"The best part of [Anchored] was the non-stop, action-packed, exciting plot. All I can say is, Bridget E. Baker, where have you been all my life? I can't believe this is her only book that I have read. I will most definitely be reading more of her work. This book has it all: suspense, mystery, love, action, romance, war, you name it. And it is all perfectly combined to produce the perfect story and the perfect beginning to what I know will be a fantastic series," Readers' Favorite

"Wow, this book is intense. It takes hold and doesn't let go. Fast-paced writing, an awesome storyline, and ridiculously fun world-building make this a new favorite of the year. Plus, Egyptian mythology! A must-read for fantasy lovers," USA Today Bestselling author M. Lynn

"Anchored is a fast paced, fantasy adventure with a strong heroine. I have no idea how Bridget did it, but she tangled reality and dream fantasy together effortlessly. This is one of those books you will go back and read again and again! I cannot wait for book 2," USA Today Bestselling author, J.A. Culican

"I picked this book up for the breathtaking cover, but I stayed for the fascinating story. I can honestly say I've never read anything quite like this. Usually it takes me a while to connect with a narrator, but I found myself rooting for this funny, self-deprecating protagonist from the first page. Top that off with a story that's solid and compelling, and a twisty plot that pulls at your heartstrings every step of the way, and you've got five amazing stars! My only complaint is that I can't binge read the rest of the series yet!" USA Today Bestselling Author Robin D. Mahle

"This action-packed novel is a dose of both fantasy and reality. The writing is infectious, jam-packed with emotion, and the tangling of two worlds--the real and the dream--is masterfully done. Anchored is a book not to be missed," Author Cortney Pearson

Early Reviews From Followers

*I have read this a few times because I really like the story and the pacing. This story explores an interesting question of what do high level characters do in their happily ever afters. Personally it resonated with me because if you have ever played an MMO you get to a point where people quit because there's no more content and you are left trying to find something to do. The characters are really good and overall I really liked this. Looking forward to more from the author. - K N

For the readers who want a simple slice of life story, The Retired S Rank Adventurer is not the story for you. However, for those readers who want to read a story with a vast world and want twists and turns in their story, read at the very least to chapter 24. I will not spoil the story, but chapter 24 completely caught me off guard. It truly surprised me, but I can't say there were not hints along the way looking back now. It is a slow burn, but it definitely is worth the wait. - John Plume
