

Of Secrets and Wolves (Winsford Shifters Book 1)

Author: Alice Winters

Rowan

My whole life, I've been taught to despise shifters. So when I'm hired to track two escaped convicts, I'm suddenly thrust into the world I hate—or thought I did. Yet I'm inexplicably drawn to the alpha of the pack whose land the convicts may be hiding on. He's different than any shifter I've ever met—laid back and quick to laugh, caring and protective, and makes me feel complete for the first time in my life. As secrets are revealed, I start to wonder if everything I've been raised to believe was a lie, though it may not matter because it seems like someone wants us dead.

Quinn

I'm no stranger to prejudice from humans, but it's different when Rowan comes into my life. Though I shouldn't let myself be distracted, I'm captivated by him. At first, he's stiff, fighting to keep his misconstrued beliefs intact, but as I break down the wall he's created, I'm able to show him a place among the fun chaos of my pack. After one of my pack goes missing, it leaves Rowan and me racing to bring them home, but the only way we're going to survive this is if Rowan learns to accept the bond that's growing between us—a bond that could give us the strength to put aside our reservations and give in to what both of us want.

Of Secrets and Wolves is an action-filled romance with a dash of comedy. It's the first book in a series with a continuing storyline and an HFN.

Winter Waites

Author: Lucy Lennox

Gentry Kane is a rockstar I've been half in love with my whole life. And now he's my patient.

When Winter Waites knocks on the door to the snowy cabin where his next physical therapy patient awaits him, he has no idea his dream celebrity is on the other side. Gentry Kane is everything Winter has always fantasized about. But it was only a fantasy. What happens when Winter is faced with the flesh and blood man who wants more than physical therapy? Can one night in a cozy cabin lead to more? And how will that affect Winter's growing career in the tiny, charming town of Aster Valley?

Winter Waites is a 25k word standalone novella.

By the Numbers (Love Logic Book 3)

Author: K.M. Neuhold

Two hot roommates, minus clothes, plus a drawer full of debauchery, and a WHOLE lot of tension. You don't have to be a math genius to figure out the sum of that equation.

They say I'm a super genius, but would a super genius make the outrageously stupid mistake of falling for his roommate?

Out of all the men in the world, I had to go and develop a crush on the one who's already in love with his best friend.

But when Theo tells me he found my drawer of toys, the only logical thing to do is to offer some no-strings fun.

I've read enough romance novels to know this can't possibly end well, but I can't seem to stop myself from falling for Theo.

The only question is...

Will he be there to catch me?

***By the Numbers is a low-angst roommates to lovers to HEA story with plenty of heat and lots of swoony moments. It's the third book in the Love Logic series but can be read as a stand alone

Forbidden Friend (His Best Friend's Brother Book 2)

Author: R. Cayden

At work, at home—my best friend's twin brother is everywhere I look, tempting me.

Leo

Keep your filthy hands off my brother.

It's Kai's one rule before his brother moves into our condo. I tell him no problem; I can handle that. He and River look identical, after all, and it's not like I'm crushing on Kai. Or anyone, for that matter. I'm a one-night-only type of guy. And River is apparently the opposite: a hopeless romantic, totally incapable of staying single. We'd be a disaster. So after he moves in, why is it that I suddenly can't stop thinking about how good it feels to make him smile? Why am I torturing myself, fantasizing about his touch? My best friend's brother is forbidden, but Kai is right. I'm desperate to rub my filthy hands all over him.

Forbidden Friend is a sweet and steamy M/M romance with low angst. It features secret office hookups and two guys who keep stumbling into romantic temptation on the way to a very happy HEA. It can be enjoyed alone but is best appreciated as part of the *His Best Friend's Brother* series.

Home Plate (Easton U Pirates Book 2)

Author: Christina Lee

Dominic Girard

My final baseball season with the Easton U Pirates feels bittersweet. I'd like to go out on a high note, graduate, and focus on the family business. But a certain pitcher is making senior year a challenge. Not only because Maclain is stubborn as hell, but because he makes me feel things I never have about another guy. With each snarky comment and hard-won grin, he reveals a little more of himself, and before I know it, I'm in over my head.

Mason Maclain

I'll be graduating college this year, which also means the end of baseball, a sport I've played my entire life. It feels like a significant chapter is coming to a close, leaving behind a void I'm unwilling to face. Something else I don't want to face? The impossibly charming Pirates catcher, whose quick wit and killer smirk poke holes in all my defenses. With each lingering look and quiet exchange, I want to push him away and pull him closer at the same time. I've never felt this intense draw before, and there's no way I'll ever admit it.

When Coach proposes a team-building activity to improve our chemistry on the field, little does he know things are heating up behind the scenes as well. A flicker of a connection sparks into a firestorm, and soon Girard and I are experiencing things for the first time—together. But outside the haven of our hotel room, reality infringes all too soon. I'm clinging to my fraying relationship with my dad, and for Girard, coming out is still scary, loving family or not. Resisting the pull to Girard seems futile, but I struggle at every turn. Any longer and I'll lose the only person who makes my pulse thud quicker than a fastball over home plate.

There's a pitcher-and-catcher joke in there somewhere.

Daddy's Bite: Paranormal Age Play

Author: Jayda Marx

Nikolai is the master vampire to his coven, in a world where humans and paranormal beings live together in peace...usually. When a pack of rogue coyote shifters threatens the city, Nikolai answers a call for aid from the local police department; humans are no match for the speed and strength of paranormals. On his mission, Nikolai stumbles across a young man named Israel who is in need of help and terrified of the world around him. In an instant, Nikolai realizes that this precious angel is his fated mate; the one he's bound to love and cherish for all time. Israel is in need of someone to protect and nurture him; he needs a Daddy, and Nikolai, having waited nearly a millennium for a boy of his own, is his perfect match. Israel feels safe and at peace for the first time in his life as he explores his little side and places his trust in his vampire Daddy's strength and care.

**This M/M romance features my take on vampires and other paranormal beings. They share many (but not all) attributes of vampires found in other fictional works. This world is different from those found in my other paranormal series, and the vampires' properties differ as well. This low angst book contains insta-love between fated mates on a fast track romance, steamy scenes, a touch of danger, and age play between a powerful vampire Daddy and his sweet human little. Together, they explore elements including diapers and latching. Thank you for taking a look and happy reading!

Power Plays & Straight A's (CU Hockey Book 1)

Author: Eden Finley

FOSTER:

"Look out for Zach and don't hit on him."

My brother's request sounds easy enough. Keep an eye out for his best friend on campus and keep my hands to myself.

Easy.

Even if Zach is a quintessential nerd, who I've always thought was cute, I don't have the time to think with my ... stick.

There's only one stick I should be focused on this year, and that's my hockey stick. My goal once I graduate is to get an NHL contract.

The last thing I need is a distraction. On or off the ice.

Only, keeping to the rules is harder than I thought it would be.

ZACH:

People confuse me.

And no one more than Foster Grant.

I've barely spoken two words to him in the whole time I've known him, but the second I step foot on campus, he's impossible to shake.

I can never anticipate his next move. And whenever we're together, my next move is a total mystery as well.

I want to give in to him, but that might mean coming clean about something I've never been bothered about before.

I'm still carrying my V-card.

And I think it's time to turn it in.

Winter's Knight (L'Ange Book 4)

Author: Mary Calmes

There is something in the forest around L'Ange that is making the animals nervous. In fact, they are running by Tucker Flynn's windows at all hours of the night and day and no matter what anyone says, it isn't normal. Of course, neither is Tucker being stuck on the sprawling grounds of the shifter sanctuary in Maine, in the dead of winter. He just wants to go back to Phoenix . . . if only his alpha would let him.

Tired of his concerns being dismissed, or worse, told that he's flat-out wrong, Tucker sets out on his own, despite a broken ankle, to find proof of his suspicion—that there's an apex predator, something far more menacing than any shifter at L'Ange, skulking in the woods behind his cabin. When everything goes sideways during his search, and he ends up passing out while staring into the face of a giant elk, only to wake up days later on a bed of furs, gazing into the eyes of the most gorgeous man he's ever seen, the course of Tucker's life changes in an instant. He has just found his mate. Now all he has to do is accept that he's not the loser he's always believed he was.

Funny how quickly everything can shift, like day to knight.

Fire And Ice (Vanguard Towers Book 4)

Author: Aiden Bates

I'm straight. How can I be in love with a guy?

Richie is my best friend and fellow firefighter. He's the best guy in the world, so why do I feel so weird when I see him on a date with a man? I've never cared before. I've also never seen him dating guys before, even though I know he swings both ways.

It doesn't take long for me to realize it's jealousy.

Damn it.

We've always been friends. Can we be more? Maybe I'm not as straight as I thought. One kiss with Richie and all thoughts of straight fly out the window. I want to see where our feelings take us, even if it means exploring who I really am. Life with Richie could be everything I ever wanted... except I've always dreamed having a family and kids of my own.

Am I ready for a new, different life when I've always craved a white picket fence?

Grumpy Bear: A Bear Camp Novel

Author: Slade James

Hooking up with an employee is not on my to-do list.

Making sure other men have a good time is my business, even if it means suppressing my own desires. It's opening weekend at my clothing-optional campground, guests are starting to arrive, and I've got a pool party and a few hundred peoples' vacations to save while battling Mother Nature's tantrums.

The last thing I need is a temporary employee who can't even put up a tent.

Luke Cody's not my type. He's too young, too pretty, and too much like my late partner. Another flaky musician? No thanks. But when a storm blows down his campsite, I can't just leave him outside and soaked to the bone. Now he's staying in my cabin, sleeping in my bed, and worst of all, he's completely ignoring the proverbial sign over my head that says Grumpy Bear: Do Not Approach.

I'm not quite as immune to his charms as I want him to believe, but he'll only be here for a few days.

Nothing's going to happen...

Grumpy Bear is a boss/employee, grumpy/sunshine romance set at a gay campground full of bears. (Not shifters; the other kind of bears.) It's the first full-length book in the Bear Camp series and can be read as a standalone.

Better Together: A Roommates to Lovers MM Romance (The Boys of Talbert Hall Book 3)

Author: Quinn Ward

Zach's spent three years trying to ignore how he felt about his roommate. Now, the new guy in the suite is going to make him face his fears...

Hiding his sexuality has alienated Zach from most of his roommates. They don't understand what it's like trying to live up to his father's image of what a good son should be. When a new suitemate moves in, denying the truth becomes impossible.

Colin isn't happy that his parents insisted he move into his older brother's suite if he wanted to go away to college... until he meets Zach and Daniel. Being the baby of the crew doesn't mean he's going to be pushed around. He knows what he wants, and now that he's starting college, it's time to find a man who will submit to him.

Or maybe two men...

Daniel can't go through another year like the last one. He's not proud of the things he's done to get close to Zach or the lies he's told. When the new guy suggests Zach feels the same way and offers to help them get together, it seems too good to be true.

They can't keep things a secret forever. Once they come out to their friends, they'll have to face the biggest hurdle of all: Zach's father. Will he finally stand up to his old man or will he leave them behind?

Better Together is the third book in *The Boys of Talbert Hall*, the newest series set in the kinky town of Annandale. Between one partner going through a sexual awakening and the other convinced he should be the one in control, Colin's got his work cut out for him.

The Murder Between Us: M|M Romantic Suspense

Author: Tal Bauer

It was just one night.

It was just one mistake.

FBI Agent Noah Downing had questions about his sexuality that a single night in Vegas should have answered. But dawn finds him on a plane back to Iowa, back on the trail of a vicious serial killer who disappeared six years ago and has suddenly resurfaced. There's nothing like a murder investigation to escape an existential crisis.

FBI profiler Cole Kennedy is still reeling after finding a heart-stopping connection with a seemingly perfect man, only for him to vanish. When he's sent to Iowa to profile the killer terrorizing America's heartland, he finds more questions than answers - both about the murderer and about Noah, the last man he ever expected to see again.

A twisted secret stretches between Cole and Noah, tangled with questions they both have about each other. But now, thrown together, they'll have to unravel the killer's profile and follow his trail... back to the very beginning, to where everyone's questions are answered once and for all.

Embracing the Storm: An MM Role Play Romance

Author: Carly Marie

"Do you think dragons exist?"

After fifteen years and two kids, Spencer is pretty sure he knows Grayson inside and out. Until a seemingly normal visit to DASH—their favorite club—has him questioning everything he thought he knew about his husband.

Grayson has always found peace in submission. But when he discovers age play, something missing slots into place. He just can't figure out how to tell Spencer. So when Littles Night at the club is announced, he makes sure they go. Except, he doesn't tell Spencer the theme of the night.

Running into acquaintances hadn't been the plan. Neither had the feeling of rightness that settled over him. But what happens when it isn't just age play that Grayson is drawn to? That leaves Grayson with a burning question; do dragons exist? And more importantly, what will Spencer think?

With a snow storm on the way, there's no better time to find out.

Embracing the Storm is a 60k word novel, filled with sweet moments, new friends, dragon role-play, a hysterical trip to the grocery store, and a guaranteed HEA.

A Dragon's Fortune: An MM Modern Fantasy Romance

Author: Sam Burns

Cillian Roarke is the world's sweetest dragon. He's a great boss, a good person, and he spends his days making honey-glazed caramel treats in the shape of bunnies for his bakery, Honey Bunny. Still, the highlight of every day is watching the adorable college student who's Much Too Young For Him stuff his face full of Cillian's sweet buns.

Finnick West is a college student who dreams of baked goods, much to the consternation of his figure-skating partner. She's not offended by the temptation, but by Finnick's continuing failure to ask out the cute baker. With pressure from all sides, Finn knows it's time to take something for himself, if only he can catch Hot Baker's eye.

While the two of them work up the nerve to ask each other out, an assassination attempt reveals forces working to not only stop their interspecies romance in its tracks, but destroy everything and everyone they love.

A Dragon's Fortune is part of the Magic Emporium Series. Each book stands alone, but each one features an appearance by Marden's Magic Emporium, a shop that can appear anywhere, but only once and only when someone's in dire need. This book contains dragons, ice skating, a whole bunch of sugar, and a guaranteed HEA.

Ranger: A Standalone MM Romance

Author: Nora Phoenix

I've been living under storm clouds since my honorable discharge, but Julian's the sun.

I've tried everything to deal with my PTSD from yoga to sunning my buttocks, but nothing seemed to help.

So when my brother suggests a service dog, I figure I don't have anything to lose. The last thing I expect is for the dog to come with a cheerful, quirky trainer I can't get out of my head...

I'm too screwed up for love, but a chance to explore a side of myself I didn't realize existed until recently is too good to pass up.

But the more I get to know Julian, the more I start to think I might not be beyond saving after all...

Ranger is a low angst standalone MM romance featuring a slightly grumpy veteran, a sunshiney animal trainer, an ornery goat, a deaf donkey, and some seriously hot encounters, resulting in a very happy ending. While Ranger was a side character in Heart (Ballsy Boys 3), his book is a stand alone and can be read on its own.

Beautiful and Terrible Things

Author: Riley Hart

We were six years old when I fell in love with Gage Beaumont.

We were seventeen when he realized he felt the same.

His dad was the town troublemaker, and I was the son of a cop. We couldn't have been more different, yet we were best friends, had each other's backs, and kept each other's secrets. *What you are, I am*, we always said.

Then one night irrevocably changed our lives forever.

It's ten years before I see Gage again, and instantly I can tell he's not the same boy I fell in love with. We're both haunted and hardened by the memory of that night—of everything we did and saw.

Yet as much as we've changed, the connection between us lingers. Our history is so devastatingly complicated that it's difficult to allow ourselves happiness. With every touch, every laugh, every moment we take back, the more signs I see of the old Gage resurfacing. Little by little, I'm becoming the Joey he remembers too.

But it's never that easy. If we truly want to heal, we have to find strength not only in each other, but in ourselves. Life is filled with beautiful and terrible things, and this time, we'll do whatever it takes to hold on to the good, and to each other.

Warning: While this is a story about friendship, found family, and two men epically in love, it also deals with difficult themes: childhood physical and verbal abuse, some violence, depression, and anxiety.

Roman: MM Military Suspense (Tags of Honor Book 5)

Author: Annabella Stone

Fact: Six years ago, former Force Recon Marine Roman Walsh made the biggest mistake of his life and chose duty to his country over love. Fact: He was an idiot. Now the one he loves is missing, and Roman has only one thing on his mind. Get him back alive. Fact: He will risk everything, even his position at Red Squadron do it or die trying!

Fact: Lucifer Brady has never stopped loving the idiot who ripped out his heart and stomped it into the ground. Fact: When a contract job in the Middle East goes to hell in a handbasket, he never expected Roman to break every rule in the book to be the one to rescue him. Can he trust that Roman won't walk away again? Fact: His heart tells him to fight with everything that he is to keep the one who makes his heart soar.

When lines are crossed and the world explodes around them, to survive, these two battle hardened warriors must trust in the one thing they swore they would never believe in again—love. They are about to find out, when the battle stops, passion reigns.

Dragon Collector (Dragon Hoard Book 2)

Author: Minerva Howe

Dragon shifter Eagan Drake knows Oliver Reaver is his mate. He's known it since they met, when Ollie braved Eagan's brother's den to try to save his business partner and best friend, Devon. The problem is, Ollie is convinced that Eagan needs a dragon mate, and that he's just an ordinary human.

Ollie loves Eagan desperately. He knows he should just leave and let Eagan find his true mate, but he keeps being drawn back to his dragon's side. When a dangerous vampire starts to stalk Ollie at his bookshop, he finally gives in and asks Eagan if he can come home to stay.

Now, if Ollie can just stop being the king of denial, Eagan knows Ollie can give him what he wants most. All his love, and a family of his own. But will Eagan be able to convince Ollie that he's a very special mate and let their dragons soar together?

Raising the Ante (The Kings: Wild Cards Book 2)

Author: Charlie Cochet

Former firefighter Frank Ramirez has never been afraid of the heat, until it came in the form of the sweet and sinful Joshua Sterling.

Frank's days of rushing into burning buildings might be behind him, but as the owner of one of the most prestigious gay nightclubs in Florida, he's still putting out fires. Lately it's been one disaster after another, making Frank grumpier than usual. If that wasn't enough, someone is out to sabotage his business.

Joshua has a plan. He's done pining after the man of his dreams and ready to do something about the sizzling attraction between them. He sets out to help Frank, and as executive assistant to billionaire Colton Connolly—and friend to his mayhem-magnet husband—Joshua knows a thing or two about managing chaos.

When a hidden threat raises the stakes, Joshua and Frank are put to the test. Can they win the fight for their love... and their lives?

A Family for Cooper (Omegas of Animals Book 3)

Author: Lorelei M. Hart

It all started with a charcuterie board...

When single father and wolf shifter alpha Pierre witnessed the love surrounding his friends' new mating, he helped them celebrate his favorite way—with food. Little did he know that the charcuterie board he gifted them was going to be the catalyst for catapulting his business to the next level. Now business is booming more than ever before and he's been selected to cater one of premier shifter nightclub Animals' special events. He's hoping to keep his business thriving—he ends up with so much more.

It all started at a diner...

Omega Cooper spent his life in and out of foster homes. His families were nice enough—he just never quite fit in. At eighteen, he discovered why—he's a cougar. Alone and afraid, he spent years wandering around the country from job to job, never staying in one place for long, afraid people would discover his secret. That is, until he is invited to work at Animals. He's hoping for a decent job—he ends up with so much more.

When the two men meet, the chemistry is instant, and so are the walls Cooper erects. He can't chance messing up his life at Animals, the closest thing he's ever had to a home. But if Animals is truly home...why does his cougar insist Pierre is?

A Family for Cooper is a sweet with knotty heat M/M age-gap shifter mpreg romance featuring a widowed wolf, a cougar learning for the first time that he's not alone, an adorable son who wants the best for his father, and to never have to do chores again...ever, a found family, a sweet baby, some familiar faces from the Omegas of Animals universe, and a guaranteed HEA. Each book in this series can be read as a standalone. If you like your alphas hawt, your omegas strong, and your mpreg with heart, download today.

Baby Makes 4: MMF Bisexual Menage Secret Baby Romance

Author: Roxanne Riley

One little plus sign is changing everything for the three of us.

I've been in love with my best friend Michael for as long as I can remember, but he's always treated me like a little sister. I'm hoping now that I have a real job at the design firm he works for and a place of my own, he'll start to see that the woman of his dreams has been in front of him all along.

I didn't mean to fall for his best friend Hunter, too, and at first, I don't give into temptation, because my heart lies with Michael. I start to realize I might not be the only one struggling to resist Hunter's charms, though.

Something about the way Hunter and Michael look at each other seems more than just "friendly," and I'm starting to wonder if maybe what I thought was Michael being overprotective of me is actually him being jealous over the man he loves?

Eventually I find Hunter impossible to resist, especially once I come to accept the fact that Michael and I are destined to only ever be friends. Hunter's strong arms feel so good around me and he feels amazing inside me.

But then a little pink plus sign appears at the exact same time it seems that maybe I'm not as deep in the "friend zone" with Michael as I've been thinking all along, making this already confusing mess even more complicated.

***Can I come clean about this baby when I might lose both of my loves to each other?
Or will the two of them learn to share my body and heart, so that the four of us can create a new family?***

Baby Makes 4 is a bisexual menage romance with high heat MM and MFM scenes (swords do cross in this one!). It has no cliffhangers and no cheating but it does have a very happy ever after and lots of steam.

A Nothing Special New Year

Author: AE Via

New Year's Eve is usually a night of fun and wild celebrations, but for a police officer, it can be the most dangerous night of the year.

Officer Ellis Mason has worked as a beat cop on the streets of Atlanta for over eight years, and he knows what it takes to survive them. But when Lieutenant Godfrey and his infamous narcotics task force issue a dire warning about a lethal drug that's coming to the city, Mason finds himself fighting a war he's not trained for, with God pushing him beyond his limits.

God's long, dark blond hair fell around them like a blackout curtain as he glowered down at Mason. "I'm gonna need you to be fuckin' sharper than that," he said gravely. "If I'd been a real threat in your house, you'd be dead and buried in your backyard by now."

Mason and his partner are both on high alert, but the moment he stops the tall, handsome drifter who wandered into town—with the saddest brown eyes he's ever seen—Mason knows he doesn't belong.

Jesse Holstrom is lost and possibly in trouble, but Mason's instincts tell him that it isn't the drug-dealing kind. Every night that Mason patrols by and sees Jesse

huddled on a park bench, cold and alone, it pulls at his heart a little more. Mason doesn't know how the young man ended up homeless and lost in his neighborhood, but when Jesse ends up on God's radar, Mason knows he doesn't have long to find out.

Mason promised himself he wouldn't let a good thing slip through his fingers again... not this year.

Roommate

Author: Sarina Bowen

Wanted: One roommate to share a 3-bedroom house, split the rent, and ideally not be the guy I can't stop thinking about.

I'm a man with too many secrets, so the last thing I need is a new roommate with a sexy smile and blue eyes that see right through me. Eight years ago, Roderick left town after high school. We're not friends. I owe him nothing. But back then, I let one of my secrets slip, and he's the only one who noticed.

Part of me knows I should run far, far away. But the other part wants him to come upstairs and spend the night. But if I let him in, I could lose everything.

Seeking: a room to rent in town. I'm tidy, have no pets, and I will feed you homemade bread.

I should probably add: Gay AF, and has no filter. It's no wonder my new landlord is so wary of me.

A smarter man would ignore those hot glances from Kieran Shipley. The broody lumberjack wants more from me than another homemade pretzel, but if I push my luck, I'll end up back on the street.

Too bad I've never been smart with my heart...

Nix (Hell's Ankh Book 9)

Author: Aiden Bates

I've never wanted a guy before.

Yet I can't keep my mind off Dawson.

The guy is bad news and headed for the bottom of a bottle as fast as he can.

Too bad that's a problem I can relate to.

The only woman I ever loved led me down a dark path of addiction.

I've been in recovery for years now. I won't be someone's fix.

Or their cure. I can't be responsible for his sobriety.

If Dawson can get his act together, I could be with him.

But I'm afraid that a new chance at love will destroy me all over again.

I like to drink, but it doesn't mean I have a problem.

Nix was supposed to be a one-night thing.

He doesn't understand my life or my problems.

I'm in control. Always.

My construction work has me hanging around the clubhouse, so I get to see a lot of Nix.

And damn it, I want to see more.

But my demons might be stronger than I thought.

Will Nix still want me after I've hit bottom?

Two broken souls find their path to healing and love in Nix, a first-time gay MC romance in the Hell's Ankh world.

Something About Loren

Author: M.A. Innes

Sometimes it takes a loved one to point out the obvious before we see it.

Loren knows he isn't the most grown-up adult out there—though anyone who makes educational video games for kids can't be too boring. Most guys he's dated haven't understood, but Gordon does. Loren's loving boyfriend makes him feel special and cared for...but lately something's changed.

Maybe leaving out crayons and buying dinosaur chicken nuggets wasn't the best way to get Loren's attention, but it worked.

Gordon knows Loren didn't have the most emotionally supportive childhood, but the smart, funny man has grown into an excitable, loving boyfriend. However, when Gordon connects the dots and realizes there's more to Loren's desire to be young at heart than meets the eye, he knows it's time to show Loren that sometimes being a grown-up means embracing your little side.

72k words

This story started out as a novella in the Dirty Daddies: 2020 Anniversary Anthology. It has been extended into a full-length novel with an additional 49k words added to the story. If you read the original novella and want to skip directly to the new portion, jump to chapter 11.

Don't STAHF Believing

Author: Susi Hawke

The third to last thing Saint Montoya ever expected is for his brother Anthony to leave STAHF, the vigilante group he'd been leading for nearly two decades. The second to last thing he expected is for Anthony to ask him to step into his role as leader. And the absolutely last thing he expected was to find his fated mate.

And yet they all happened on the same day.

Brought to Light: An M/M Urban Fantasy Romance (Magic Emporium)

Author: Eliot Grayson

A hitman and a fae walk into a café...

Callum always gets the job done—whether he likes it or not—but this job isn't like any other. The target's too young, too pretty, and too appealing for comfort, and the clients are offering more threats than cash. And either the target poisoned his hot chocolate or he's going crazy, because now magic stores and wizard-looking dudes are appearing out of nowhere. It's really not Callum's day.

Linden's on the run, and the human realm's a good place to hide from evil sorcerers who think Linden's the answer to a prophecy. But his enemy has found a way to send a very human and very dangerous assassin after him—a man who could kill Linden with one hand. Linden should be terrified, but his knees go weak for all the wrong reasons.

When Linden's family is taken hostage, spending the night with Callum ought to be the last thing on his mind, but Linden can't resist the chance to fulfill his deepest fantasies before sacrificing his own life. Callum knows he should walk away—it's not his fight. But the beautiful fae is under his skin and now protecting Linden and his family feels more important than his own survival. A human learning to feel. A fae learning to trust. Can two worlds merge into one true love?

Brought to Light is part of the Magic Emporium Series. Each book stands alone, but each one features an appearance by Marden's Magic Emporium, a shop that can appear anywhere, but only once and only when someone's in dire need. This book contains explicit scenes, a magic flashlight, a prophecy that doesn't quite work out the way anyone expects, and a guaranteed HEA.

Tidal Wave (Broken Chains MC Book 1)

Author: E.M. Lindsey

Two men, two different worlds, one destiny.

Gunner has spent half his life running from his past, and the other half trying to protect himself from ever being vulnerable again. He's escaped his old club and worked hard to earn the VP patch on his cut after joining the Broken Chains. But his entire life is turned upside down when Gunner's past comes back to haunt him, and the club's Deaf delivery guy ends up at the wrong place at the wrong time.

When his president asks him to protect the injured man, Gunner wants to say no. After all, he hasn't been able to take his eyes off Logan since the day they met, and Gunner can't afford that kind of distraction. But ignoring him is damn near impossible when every time he looks at Logan, he starts to feel something. And Gunner doesn't think he has the power to resist him for much longer.

There will be no promise of a future though, if the Broken Chains can't protect Logan from the mess he's in, but even if they succeed, Gunner isn't sure there's a place for Logan in his world.

Broken Chains MC is a Motorcycle Club Romance series with dubious morality, mild violence, and happily ever afters.

Knight and Day : A Paranormal MM Romance

Author: Jacki James

Theodore Knight has a curious nature. Ever since he was a child, he's loved books that are full of danger and adventure. In real life, he's a simple bookstore owner. But in his imagination, he's a hero who goes on great quests to save the princess, or in his case, the prince, from evil dragons.

Until one day, real life starts to look a lot like his imaginary world. . . and the fate of an entire kingdom rests on his shoulders. The world is more magical than he ever thought, and he will have to learn to accept the impossible as possible, if he and Samuel are to succeed.

Samuel Day had never journeyed to the human realm, and he sure didn't mean to get stuck there. That said, he's found it all incredibly fascinating. Especially Theodore, the adorable human who holds a piece of the puzzle necessary to stop an evil immortal and save the magic realm known as Evorea. His loyalty is to his king, but it doesn't take long for Theodore to become equally important.

They come from different realms and are as different as night and day, but together they have everything they need to save Evorea from ruin. They just have to find their way back there.

Knight and Day is part of the Magic Emporium Series. Each book stands alone, but each one features an appearance by Marden's Magic Emporium, a shop that can appear anywhere, but only once and only when someone's in dire need. This book contains a magic realm, a handsome guardian, one clueless human, and a guaranteed HEA.

Whatever It Takes (Code Of Honor Book 5)

Author: Reese Knightley

One man's temper may be the other's salvation.

Dillon Thorne went from almost getting kicked out of the Army to being a revered member of a Special Forces unit. When his commanding officer orders him on a protection detail, it's the last thing he wants to do. He's a weapons expert, not a babysitter.

Luke Rhine worked his way up through the Army and retired as a general. Life should have been smooth sailing. Only, things aren't going as well as he'd like. For one, someone wants him dead. For another, he's attracted to the soldier who's assigned to his protection detail, and damn if he doesn't want to kiss that smirk off Dillon's face.

There's a problem. Dillon doesn't do relationships and Luke's too old for anything else. But one thing is clear...when the bad guys show up, Dillon will do whatever it takes to keep Luke alive.

**Whatever It Takes is the fifth book in the Code of Honor series, but can be enjoyed as a standalone.

One Bite With A Vampire: A Hidden Species Novel

Author: Louisa Masters

Getting kidnapped was never part of my life plan. But being rescued opened up a whole world of crazy.

It's not easy being the only human at the Community of Species Government—and especially not when you're the rescue case. Two years ago, I was planning to go to college, have a wild time, then settle into a normal life. Instead, I was kidnapped, spent months being a test subject, was in hiding for nearly a year, and then found out that my whole existence is a science experiment conducted by the bad guys. It's definitely time to reassess.

My rescuers at CSG have been awesome... mostly. They gave me a job, a home, and a support network. But the whole demons, vampires, shifters thing is not easy to get used to. Especially when one particular vampire makes me want to take up stake sharpening for a hobby. How can someone be over eight centuries old and have the maturity of a drunk frat boy?

The thing is, teenage mentality or not, Andrew is a fierce protector. With the bad guys still on the loose, I need someone like that on my side. Plus, did I mention that he's not hard to look at? I could stare at him all day if only he never opened his mouth.

As we race to find my former captor before he can find me, life takes another twist and upends my world all over again. This time, though, I'm ready—after all, I've got an eight-hundred-year-old vampire at my back. What could possibly go wrong?

Frost

Author: Jaclyn Osborn

The first time I met Jack Frost, I was eight years old and lost in the snowy woods.

He took my hand and leapt into the air, soaring high above the treetops. Carrying me to safety. He disappeared afterward, leaving me with nothing but a memory.

Nineteen years later, I've convinced myself Jack was only a dream.

So why can't I forget him? He's so vivid in my mind, silver hair and a mischievous gleam in his wintery blue eyes. Sometimes I can even recall the sound of his voice as he said my name. There's only one way to get answers... to return to the woods where I first dreamed of him.

What I find there is more than I ever imagined.

Frost is an adult m/m romance between a legendary being and the mortal who loves him. You'll find steamy nights, magic, cuddles by the fireplace, and an ice Pegasus with an attitude problem. HEA guaranteed.

The Faker Rulebook

Author: Baylin Crow

The Faker Rulebook: A perfect guide to a successful fake relationship with your straight best friend.

Noah—Rook Oliveira stumbled into my life when I was eleven years old.

Being the scrawny new kid at school with a mouth full of braces, I never expected to become unlikely best friends with the most popular boy in seventh grade.

At eighteen, I gathered the courage to tell him I was gay and admitted I'd never kissed a guy. He offered to be my first. Straight or not, that kiss had burned with nearly tangible fire and tattooed the moment on my heart.

I've spent the last four years trying to forget it.

Now we're seniors in college, and I've learned why secret relationships are a bad idea.

My brother is getting married, and my cheating ex is the best man. Honestly, Rook is more upset about it than I am. He comes up with this crazy plan to be my fake boyfriend for the week of the wedding.

If we're doing this, then we need to set some rules. Between fake kisses and sharing a bed, things could get messy. Because I'm in love with my best friend—and he has no idea.

The rules are simple. I never expected Rook to be the one that started breaking them.

Flakes: A Licking Thicket Prequel Novella

Author: Lucy Lennox

Colin's Do's and Don'ts for a Happy New Year:

1. Do *not* develop a crush on your archnemesis, contractor Ryder Richards.
 2. Do finish remodeling the heinous mega-mansion with him well before the first snowflakes fall on New Year's Eve.
 3. Do not notice that he's still the hottest man in Licking Thicket.
 4. Do not let that gorgeous man provoke you.
 5. Do not let his provocation distract you.
 6. Do not let your distraction leave you stranded at the house with him during a blizzard.
 7. Dear heavens, do *not* let him crack open the moonshine and light a fire.
 8. Do not play drunken truth or dare with him.
 9. And for gravy's sake, do *not* let yourself fall in love.
 10. But if you do... Don't be surprised if this is the happiest year ever.
-

Pretty Boy (Perfect Boys Book 1)

Author: K.M. Neuhold

Once upon a time, in a little Texas town in the middle of nowhere, there lived a boy who everyone called ugly...

When half your face is covered in a big, blotchy birthmark, you get used to the staring and the whispers. You get used to feeling unwanted.

Until he walks into my bar...

Tall, gorgeous, and all kinds of out of place. And the way he looks at me ain't like no way I've ever seen before.

Does he mean it when he says he wants to take me away from here? Nobody's ever wanted me around for long. Can I believe Barrett when he says that's what he wants?

Something about the word Daddy on my lips makes it all seem possible. Even if I don't really believe anyone would want to keep an ugly boy like me forever...

*** Pretty Boy is a low-ish angst, steamy, sweet Daddy story with NO age play.

News Boy: Breaking News: An MM Age-Play Romance (News Boy Trilogy Book 3)

Author: Susan Hawke

Neil is supposed to report the news... not star in a featured story.

It's Neil and Brody's second anniversary and they should be celebrating or doing something amazing, right? Except, Neil's been too distracted to organize anything. Luckily, his "Daddy" already has a plan.

A plan involving a sparkly platinum band and a promise of forever.

As soon as he says yes, everything speeds up and Neil is caught in a whirlwind of wedding planning, a bestie in a crisis and a terrifying situation in the one place that should always be secure... the newsroom.

This is a 30k novella and the final volume of the News Boy trilogy. Watch out for fans with crushes, a little who's really a middle, and two elderly upper-class ladies fighting during a wedding. You'll probably catch yourself giggling out loud, but what else can you expect from a Susan Hawke book?

Sheriff's Secret (Brigs Ferry Bay Book 1)

Author: K Webster

From USA Today bestselling author K Webster comes a steamy and emotional MM romance!

When you're the sheriff of Brigs Ferry Bay, certain things are expected of you. Marry a local girl, settle down, have a few kids. You know, the small-town dream. But I've got a secret I'm terrified will get out.

I'm gay.
Not bi. Not curious. Not confused.
Just gay.
So, settling for that dream won't be happening.

If this secret gets out, the people I serve and protect, especially my father, won't be accepting.

I'm not brave like my high school sweetheart, Kian.
The day he came out was the day I had to let him go, and with it, love.

I've done a great job of pretending I'm perfectly fine being single. Until a villainous and annoyingly charming new B&B owner, Dante Kincaid, rolls into town. The spark between us is electric and undeniable. He wants to give me a taste of what he has to offer, and better yet, he vows to be discreet. I'm too selfish to refuse.

But my secret is still a heavy burden, leaving me handcuffed to expectations and unable to fully grasp what I want—him. History has a way of repeating itself, but this time around, with Dante, it'll hurt a lot worse.

I have to decide if I'm going to let love slip away again or if I'm going to finally fight for it.

***Brigs Ferry Bay is a **steamy MM romance** series. While each book can be read as a standalone, in order to get the full experience, they're best read in order. **Enemies to lovers, friends to lovers, hurt comfort, age-gap romance**, and so much more. Fall in love with the charming **small-town gay romances** of Brigs Ferry Bay... ***

Protecting The Prince (Titan Bodyguards: Duty and Desire)

Author: Aiden Bates

I'm not going to fall for a spoiled prince.

Prince Ryden is as hot as he is off limits.
I have no intention of sleeping with a client, especially not a royal client.
He's got the weight of an entire kingdom on his shoulders, and he deserves to let loose for a bit.
Maybe I can show him a thing or two.
It can never be more than a fling.
A guy like Ryden wouldn't want me forever anyway.
His family will never approve.
My only job was to keep him safe.
But now that I know how amazing he is, I want to keep him close for good.

Falling for my bodyguard would be a disaster.
As prince of Cosandria, I have a duty to marry and produce heirs.
My bodyguard can never be my boyfriend.
But what about a fling?
I've never done anything with a guy before, no matter how much I've wanted to.
When it comes to Ajax, I can't resist.
He's here to keep me safe, but it's my heart that's in danger.
How can I keep him when I have a duty to my country?
And even if I find a way to come out, will he want to stay?

Protecting The Prince is a 70,000 word bodyguard/prince romance featuring an irreverent and protective bodyguard and the nerdy and spoiled prince he needs to keep safe.

The Defiant Alpha (West Coast Wolves Book 2)

Author: Susi Hawke

An unwanted alpha and omega long-presumed dead... fate has a way of righting old wrongs.

Stolen from his mother's arms and reported stillborn at birth, "Thirteen" has spent nearly twenty-one years in structured captivity with other stolen omegas. His brothers. A few have disappeared over the years, but twelve remain. An even dozen omegas, each with a secret superpower.

Working together under the light of the full moon, their combined gifts help Thirteen escape—he's their only hope of finding outside help to rescue them all. Except Thirteen is injured and nearly dies as he flees into the night. Collapsing on the side of a desert highway with the sound of a rumbling motorcycle in his ears, Thirteen is sure all hope is lost.

Until it's not...

Found by his true mate, Thirteen is saved—and mated—before the full moon begins to wane. Buckle in for a heart-filled adventure. Omegas are rescued, babies are made, a pack finds its heart, and a birth family is reunited with the one miracle they never could've dared imagine possible.

The West Coast Wolves is an mpreg series about five alphas. A small pack of bikers who spent years riding the highways and helping those in need until fate gave them each a pack to lead. The second in series, this 50k full-length novel is Lucian's story. Prepare yourself for a few tissue moments, lots of laughter, and a birth scene you won't soon forget. But then again, this is a Susi Hawke book so what else can you expect? Possible trigger for child abduction, betrayal from a medical provider, and off-page mention of stillbirth.

Origin (Scales 'N' Spells Book 1)

Author: AJ Sherwood

Cameron wants to make it clear that he did not go into the festival to find a dragon mate.

Germany is supposed to be an escape. With a new mechanical engineering degree, a new job looming, and a whole life planned out that isn't his, Germany seems like the best place to find himself.

So, how does he end up discovering his lost magic heritage, running from bad guys with a secret agenda, and being adopted by the not-so-extinct Fire Dragon clan?

Cameron blames tall, dark, and sexy Alric, King of the Fire Dragons. His fated mate. Because of course he is, and mates are meant to take the blame, right?

It may take a hot second, but as Cameron learns more about the scarred Alric and the life he's landed in, Cameron realizes that perhaps this is where he's meant to be, magic and mates and kidnapping and all.

Turns out coming to Germany wasn't an escape but his awakening.

Tags: Not-so-extinct, Shifter dragons, mages, fated mates, secret clans, epic libraries, hurt/comfort, not mpreg, age gap, not that Alric cares, magical heritage, mechanical engineers being BAMF, grumpy dragon kings being protective of their cute mates, really the cuteness is downright criminal, we might need a firehose for these two, or not, sass, so much sass, Ravi and Cameron are no longer allowed to be alone together, for reasons, dragons hoarding, when you live long enough statistics will get you, bats named Cheryl, beheadings, no damsels in distress here, just very unhappy mages, with trigger fingers, anyone have life hacks on how to get rid of kidnappers, Cameron is open to suggestions.

The Dragon Prince's Daddy: An M/M MPreg Shifter Romance (Royal Heat Book 1)

Author: Lorelei M. Hart

Life as a Dragon Prince is all fun and games... until someone uncovers an ancient law.

Omega dragon shifter Chance is living his best life. As the youngest prince of Montipan, he has all the benefits of his family bloodline with none of the responsibilities... or so he thought. When his father's advisor uncovers an ancient law connecting his family's position in the kingdom to his mating, Chance does what any single omega would do—he takes his family jet to the mainland for a little fun, and a little fun he has. Make that a lot of fun.

Alpha dragon shifter Devlin can't believe his luck, being hired by Montipan's ruling family as head of their security. It is the opportunity of a lifetime and he is ready to celebrate. His night at the local pub hanging out with friends turns into a night of passion when an omega who ticks all his boxes walks in, awakening a side of himself he rarely indulges—his daddy side.

Devlin never expects to see Chance again, much less become his bodyguard, the bodyguard assigned to be his shadow. With roles in place and protocol set, he needs to push his desires and growing feelings aside and do his job, even if his dragon is calling the prince *mine* and his heart is calling him boy.

The Dragon Prince's Daddy is the first book in the M/M mpreg shifter Royal Heat series about three (or is it four) dragon princes who are in a race against time to find their true mates and save their ruling line. The Dragon Prince's Daddy features a free spirit dragon, a bodyguard who thinks he has better things to do than chase after a royal brat, a one-night stand that turns into more, an unexpected clutch, adorable babies, and a first time royal heat. While each book stands alone, they are enjoyed best when read in order. If you love dragons, nesting, a hot daddy, royal brats, and true love, this series by the co-author team of Lorelei M. Hart, Colbie Dunbar and Trisha Linde is for you.

The Light (Love in O'Leary)

Author: May Archer

When Fran Goode kissed me goodbye four years ago, he took my heart with him.

Sure, there were reasons we broke up, but they all seem silly now. And I know I should have moved on long ago, but the man's burned into my memory: his smile, his kiss, those long, unforgettable nights in his bed.

So instead, I find myself driving up a mountain, on the eve of an O'Leary blizzard, to Fran's remote cabin.

I need to see him again, to look into those gorgeous dark eyes, and to find out, for once and for all, whether the spark that flared between us has gone cold and dark... or has been burning like a beacon for us all along.

Note: The Light is a 16k SHORT STORY that was first available as part of a promotional giveaway. No new content has been added.

Henchman's Mate

Author: Sammi Cee

Sucking souls is hell on the love life.

The last thing I needed in the middle of a job was to get caught in my full demonic form by a puny human named Darren.

I know I have to do the right thing—as much as it pains me—and put him on lockdown for his own protection. Now if he would just stop talking...

Henchman's Mate is a 46K novel full of witty banter, an obsession with cleanliness, and an epic showdown for best demon.

Misdeeds: A Vigilance Series Story

Author: Silvia Violet

A wrong turns leads Ainsley to a remote cabin owned by a grumpy mountain man.
The gorgeous former army ranger demands a steep price for a night's lodging.
Ainsley is willing to pay... and pay again the next day.
The real question is, will he ever want to leave?

Misdeeds is set in the world of Silvia's Vigilance series and introduces characters you'll meet in those stories.

We Have Till Dawn

Author: Cara Dee

It wasn't like he'd never done this before...

Nicky Fender retired from sex work two years ago and never looked back. Then an offer he can't refuse comes his way, and he agrees to one last exclusive arrangement. Good money and an apartment in Manhattan? He'd be a fool to turn that down.

The deal is dusk till dawn for two months. But once he meets Gideon—an older, quirky, autistic, filthy, uncertain businessman who wants to explore his sexuality—Nicky wishes sunrise would never come.

First Blood (Mismatched Mates Book 4)

Author: Eliot Grayson

Blood is a necessity, but love is a luxury they can't afford...

Vampire enforcer Victor Schmidt doesn't have time for distraction. His enhanced senses can track human blood in or out of a body, but it doesn't usually smell like oranges, honey, and temptation. And it's not usually coursing through the veins of a beautiful back-alley rentboy. That should make it easier, right? Pay, bite and be on his way.

While prostitution isn't Laurie's dream job, someone has to take care of his sister and her kids. But being a blood donor to a tall, dark and brooding vamp isn't part of his career plan. Until he agrees...and it's far more pleasurable than he could have imagined.

Nurturing isn't in Victor's wheelhouse, yet he finds himself tucking the all-too-tempting boy into bed. And feeling things he shouldn't be. When Laurie's attacked, it's almost a relief: breaking necks is way more Victor's style and he's all-too-happy to kill. But Laurie being kidnapped wasn't part of anyone's plan.

Now Victor's determined to save Laurie at any cost. Can he bring them both out alive, or will they die before they've even shared their first kiss?

This book is set in the world of the Mismatched Mates series, but it stands alone. However, look for cameos of your favorite characters from the other books in the series.

Between the Lawyers: MMF Bisexual Menage Romance (Between Them)

Author: Mia Masters

Can they make their case that good things come in threes?

Noah and Ben are lawyers at a top NYC law firm.
These two hot men share everything- even each other.
They're in an open relationship together.
And it's pretty obvious that each of them wants me, too.
I'm thrilled to take an unpaid internship with them.
Until I find out my family needs money fast.
I'm about to quit law school to save my childhood home.

But Ben says he can help me out financially.
It's an offer I can't turn down.
In fact, I thank him by giving him my body.
Then his boyfriend Noah wants it too.
We have great chemistry but I'm a traditional gal.
I can't imagine dating both of them together.
But each of them is falling in love with me.
Which is making their relationship fall apart.
Instead of getting in between them,
they want me to pull them both together for good.
Only I can save them, just like they're saving me.

**The verdict's yet to be delivered on our unconventional love.
Will we all three lose everything? Or each win two soulmates?**

Between the Lawyers is an MMF bisexual romance with no cheating and no cliffhangers; just a lot of steamy goodness with a love triangle theme that has a happily ever after for all. It is a standalone that can be read and understood by itself but it's linked via characters and setting to the other books in the *Between Them* series so you can continue the fun once this one is done!

Daddy's Girl

Author: Victoria Sue

Omegas were selfish, conniving, manipulative drama queens, and the last thing Kyron wanted was one either in his house or bed. But due to a ridiculous inheritance stipulation he had one month to get an omega pregnant, or he would lose the house, the estate, and the vineyard his family had owned for generations.

Tolly hated Alphas. They were bossy, egotistical, self-absorbed wind-bags that thought the world belonged to them. But because of an accident his dad had lost his job and their home, making the money Kyron was offering to give him a baby look pretty damn tempting.

Forced together by circumstances both men are determined to see their arrangement through. Except the longer they stay together, neither of them is sure they want it to end.

Thorned Heart

Author: Eden Finley

Being in love with a client sucks.

As Cash Me Outside's band manager, I've been nothing but professional for years. But the lead guitarist tortures me daily just by breathing. Sebastian Rose has no idea how I feel about him, and I intend to keep it that way.

I can't break my rules. Seb doesn't do serious, and I won't risk my job for something temporary.

It takes a leaked nude, an overzealous stripper, and a group winter vacation to change everything.

Thorned Heart is a 30,000-word MM novella that is loosely connected to the Famous Series and Locked Heart but is a complete standalone.

Four Letter Word (Love Logic Book 2)

Author: K.M. Neuhold

Relationships are hard enough between two people...can the four of us make it work? Or is love nothing more than a four letter word?

Polyamory...the first time Riot says the word, it feels like everything slots into place. Maybe I'm not greedy for loving both of my best friends at once...

For most of my life I didn't think I could ever have the kind of love I've been dreaming of, but somehow a sexy bartender with a major sweet tooth is making it all seem possible.

Maybe Riot is right, our capacity for love is bigger than most people let themselves see. But will Leo and Hudson feel the same? Will they be willing to try to build this beautiful, complicated life with me?

If I can keep them from ripping each other's heads off that is...

*** This is book two in the Love Logic series and can be read as a stand alone. This is a MMMM story full of love and heat.

Watch Me

Author: Sloane Kennedy

Nikolai

My rules when it comes to my job in personal protection are pretty simple:

1. Protect the client's life, not their feelings.
2. Don't put hands on a client unless you're getting them out of harm's way.
3. For God's sake, don't do something stupid like fall in love.

Twenty-four hours after meeting Jude Archer, rules 1 and 2 are already out the window.

Thankfully there's no chance of falling for the callous businessman who cares more about his next deal than he does his own safety.

Jude may have managed to make fools of all the guys his wealthy boss and rumored lover has hired to watch him, but he's playing in the big leagues now. The son of a bitch might not value his life, but I'm pretty fond of mine.

Time to teach the clueless Jude Archer a few hard lessons...

Jude

My rules for success aren't for everyone, but they should be.

1. Work hard.
2. When you're on the verge of giving up, work harder. Life owes you nothing. You have to take what you want.
3. For God's sake, don't do something stupid like get distracted by feelings.

With just weeks between me and the closing of the deal that will give me everything I want, I don't have time to worry about a supposed stalker who hasn't had the balls to do anything more than send a few threatening letters to my wealthy boss.

Sure, I sent a few so-called bodyguards packing. Even if I thought I was in serious danger, I can't have someone watching me 24/7. My life works the way it does for a reason and no one, not even the gorgeous Russian ex-soldier who thinks he can scare me into submission, is going to change that.

Nikolai Falkov thinks he has something to teach me? Yeah, good luck with that.

On the Run (Whispering Key)

Author: May Archer

Take it from Aunt Hagatha, darling: Fake soulmates and secrets do not mix.

I came to Whispering Key to lie low for a while. A man who has secrets to keep (like, say, his identity as America's favorite agony aunt) should really not find himself embroiled in the paparazzi scandal du jour.

The last thing I needed was another guy in my life, since that's what got me into this mess in the first place... but then I met Beale Goodman.

He's my polar opposite. The world's largest, hottest, most virginal cinnamon roll. The human embodiment of goodness and light. A man whose blue eyes make me weak. A man who wouldn't know a designer label if he tripped over one. A man who rescues feral cats, for heaven's sake...

And a man who rescues me, too, by pretending to be my fake boyfriend—er, fake *soulmate*—while I'm hiding out here.

Trouble is, there's nothing fake about the way he kisses me, or the way it feels to be wrapped in his arms at night. And it's hard to lay low when the strange-but-lovable people on the island are determined to welcome Beale's new man into their ranks.

It's enough to make me realize I've been on the run for a while, and that this might be the first time I've found something I want to run *to* rather than *from*.

But only if I can keep my secrets from catching up with me.

Red, White & Royal Blue: A Novel

Author: Casey McQuiston

* Instant NEW YORK TIMES and USA TODAY bestseller *

* GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 *

* BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! *

What happens when America's First Son falls in love with the Prince of Wales?

When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse.

Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic.

"I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, *New York Times* bestselling author of *The Unhoneymooners*

"*Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, *New York Times* bestselling author of *Daisy Jones & The Six*

The Reluctant Alpha (West Coast Wolves Book 1)

Author: Susi Hawke

"As much as I felt bad for this Elisha person—God, my heart was breaking for the young man and all he'd been through—I was also angry. I'd left that pack in my rearview ten years ago for a good reason."

Matthias Longclaw is happy living his life on the back of his beloved Harley with his five best friends and brothers-in-arms at his side. The West Coast Wolves are a rare pack of alphas, made up of unwanted orphans and second-born sons. The packs they were born to may not have wanted them, but they've built a solid family of their own. They help where they can, doing random acts of kindness and expecting nothing in return, just helping to build a world they want to live in.

Then Matt gets a call from an old childhood buddy. He's being called back—begged to return—to reclaim his birthright and save a life in the process. The problem is... to do it, he will have to take a mate. And if he refuses? The omega will die.

Torn between his duty to help others and his resentment of his old pack, Matt never expects for Elisha Whitetail to tilt his world and change everything. Can Matt and Elisha rebuild a broken pack while tending to a new love and a growing family while dealing with outside threats from neighboring packs?

They're wolves. Strong, proud, and willing to do what it takes when their community needs them... whatever it takes.

This is the first in a new mpreg series about finding joy in a hard world, building family, and discovering that life can surprise a person when they least expect it. Although this world has harsher themes than my previous books, it still has the same heart you'd expect. Plus a dose of my irreverent humor and all the naughty, knotty heat that comes with true mates. It wouldn't be a Susi Hawke book without it. Be sure to read the author's note at the beginning for possible trigger warnings.

Wish (Scales 'N' Spells Book 3)

Author: AJ Sherwood

North has a map of Europe, a dragon scale, and a little bit of magic.

He's currently short a dragon, but all in good time, right? Right.

Because he can totally dodge dangerous men and frustrated calls from his family, all while searching for a dragon during the Christmas season. He's got this.

Christmas wishes do come true with a little magic, after all.

Tags:

Tropey tropes a lot, fated mates, dragon shifters, mages on a quest, because North's finding a dragon, that's happening, European road trip at Christmas, found family, true acceptance, twink and makeup, shopping montage, steamy makeout session, because dragon fire, get it?, someone needs to fire the author, winter snuggles, poor Gunter had to put up with them, licking, not mpreg

Click: An Age Gap Gay Romance (White House Men Series Book 3)

Author: Nora Phoenix

He doesn't just want the friendship or the benefits. He wants it all.

Rhett, the White House photographer, is tired of everyone treating him like he's fragile. He wants a life of his own. Punch his V-card. A boyfriend.

Making new friends is a good first step, even if it's with his boss, Calix, who's fifteen years his senior. Calix is kind and protective, and he encourages Rhett to spread his wings.

When Rhett stumbles, Calix is there to catch him, and what started as friendship, grows into a mutually beneficial arrangement. Friends with benefits. Kind of.

But Calix still mourns his dead husband, so what happens when Rhett wants to extend their arrangement...indefinitely? He doesn't just want the friendship or the benefits. He wants it all.

Meanwhile, the investigation continues, and the plot gets more and more complicated...and more dangerous. How far will the terrorists go to accomplish their goal?

*Click is an MM romance with hurt/comfort, an age gap, a sweet virgin, and a friends with benefits arrangement. It's the third book in the White House Men series, a romantic suspense series set in the White House, that needs to be read in order. Click ends with a happily ever after, but **the suspense plot ends on a cliffhanger and will be continued in the rest of the series.***

Rocket Science (Love Logic Book 1)

Author: K.M. Neuhold

Relationships aren't rocket science. If they were, I might stand a chance of figuring one out.

Elijah

Saying I've had a crush on my best friend's older brother, Pax, most of my life is like saying the big bang was just an explosion. It's true, but I'm not sure that quite captures the essence of its true enormity.

I know he's only hanging out with me because I'm new in town and getting my PhD doesn't leave me with much time to make friends. And even if it did, my strength is mathematics, not friend-making. What I don't understand is why he kissed me... why he seems to want to keep kissing me. I don't think my advanced physics knowledge is going to help me figure this one out. But I think for once I'm okay with not knowing, as long as Pax and I don't know together.

Pax

He's still the awkward Nerdlet I remember...he's also probably the cutest, most tempting man I've laid eyes on. I know I should keep my hands off him, but this thing between us is like a force of nature. I want to be his first everything. He says we're nothing more than atoms crashing into each other. I'm no scientist but I

don't think either of us are braced for the explosion.

**** Rocket Science is a stand-alone MM romance featuring an inexperienced nerd, a cocky player, and a satisfying HEA

Bossy Baby: Daddy's Boy Book 4

Author: Athena Steller

The Boy

Hayley has been looking for a Daddy, but there's only one man he's truly interested in—the big, bald, quiet man who visits his store every week. Hayley is trying to be patient, but if Mac doesn't make a move soon, Hayley might have to take matters into his own hands.

The Daddy

Mac's soul is black, and he knows that when he dies, he'll be heading straight to Hell. There's only one bright light in his life—his weekly visits to Hayley's store. Watching the other couples around them find love and fit together perfectly, Mac has hope for the first time in his life...even if he has no clue what he's doing.

Bossy Baby is the fourth book in the Daddy's Boy series by Athena Steller.

This book contains m/m sexual content (men having sex with each other), Age Play, ABDL, Daddy/ boy relationship, age-gap relationship. This book is an exploration of a relationship between two (male) consensual adults who are looking for love and acceptance. All characters are over the age of consent. No cheating or cliff hangers and always an HEA.

Each book in the Daddy's Boy series will focus on a new couple, although the characters from other books will visit often.

The books can be read as standalone novels but, for better enjoyment, watching how the characters grow from book to book adds to the enjoyment of the series.

Two Best Men, Only One Bed! (Heroes of Port Dale Book 6)

Author: Romeo Alexander

Blake: Planning my twin brother's wedding seemed like a feat on its own. But I'm the only family he's got left, and really, I couldn't be happier for him. Turns out, planning a wedding isn't so hard, especially when the other best man is such a big help. Of course, I wasn't expecting to have to share a bed with the man or to discover he's a cuddler and a little handsy. Finding out he wasn't as straight as I thought was a surprise, but not as surprising as finding out that apparently, neither am I.

Sean: I always dreamt of the day my little brother would get married. Planning the perfect wedding for him and the love of his life is a dream come true. Blake's help has been invaluable, and I'm glad we've been able to grow closer over the past few weeks. It only took an accident, followed by a little courage on his part, to change everything, however. Now, my new friend is becoming so much more, and I'm not sure where we're headed. How can you have a relationship with a man who's spent his whole life being straight?

Two grooms, and one wedding. Two best men, and only one bed. How will it all add up in the end for Blake and Sean?

Dragon Scholar (Dragon Hoard Book 1)

Author: Minerva Howe

Devon Marks loves books more than just about anything. They're his job and his passion, and they've brought him to an auction where he meets the hottest guy he's ever seen. When Brand Drake offers to let Devon come and value his extensive collection at an old mansion high in the Colorado mountains, he knows life as about as good as it gets.

Brand Drake knows he wants Devon the moment they meet, so he goes about adding Devon to his hoard the same way he would an amazing old book. But when Devon starts eating him out of house and home and showing signs that he has emerging dragon traits, he knows he hasn't just found a lover, he's found a mate.

When Devon starts to show signs of something even more amazing, Brand calls on his brothers Eagan and Tyson to help him figure out what to do, as well as how to tell Devon what's going on with his body, which is life-changing, and also dangerous. Someone always wants dragon magic to use, and Brand has to find a way to keep them safe, and to keep Devon with him, hopefully forever.

Imagoes: An Imago Series Short Story

Author: N.R. Walker

When Jack receives a phone call from a colleague in the southeast of Tasmania with news of a newfound butterfly habitat, he and Lawson head off on another adventure. It's not an easy trek to the location. The Franklin-Gordon National Park is famous for wild rivers, rainforests, and rocky cliff faces, and they'll need to hike and abseil—in the dead of winter—to get to the site.

It's no ordinary expedition because this is no ordinary butterfly, and Jack and Lawson aren't an ordinary couple. Join Jack and Lawson on another quest in this short story of extraordinary butterflies and extraordinary love.

~ Imagoes is a 17,000-word short story.

Baby Boy: Daddy's Boy Book 1

Author: Athena Steller

The Boy

Avery is failing at being an adult and on the verge of collapsing when he meets a man who offers him the chance of a lifetime. Being able to let go of all his worry and stress? The promise sounds too good to be true and Avery knows he should run away. But Jace is everything he's ever fantasized about. The words Daddy and baby boy hang between them. Erotic, enticing, and exciting.

The Daddy

Jace has been watching Avery for months, ever since he'd first set eyes on the shy and nervous young man. Finding out that Avery is killing himself working three jobs while going to school has Jace fighting his instincts to take control of the situation. Being a caretaking Daddy Dom Jace knows he has so much to offer Avery. If the boy is brave enough to accept what Jace is offering.

Baby Boy is the first book in the Daddy's boy series by Athena Steller.

This book contains MM sexual content (men having sex with each other), light BDSM elements, Age Play, Daddy/boy relationship, ABDL, and age gap relations. This book is an exploration of a relationship between two (Male) consensual adults that are looking for love and acceptance. All characters are over the age of consent. No cheating or cliff hangers.

Each book in the Daddy's boy series will concentrate on a new couple although the characters from other books will visit often.

The books can be read as standalone novels but for better enjoyment watching how the characters grow from book to book adds to the enjoyment of the series.

Each book in the Daddy's boy series ends with an HEA although we do in a peek into the earlier relationships as they progress as the series continues.

In August 2020 this book, Baby Boy, was professional edited, revised, and reloaded. No content was changed but the errors from the first upload should be gone.

Bat Boy (Easton U Pirates Book 1)

Author: Christina Lee

Brady Donovan

With a baseball scholarship to Easton University and awesome family and friends, my life is pretty golden. Except, things have never come together for me in the romance department. Until Kellan Crawford walks onto the field as the team's newest bat boy. Bells and whistles go off in my body, and just like that, I'm totally crushing on a guy for the first time in my life. Too bad he's the coach's son and officially off-limits.

Kellan Crawford

I'm working toward my statistics degree, so landing the bat-boy position with the Easton U Pirates is right up my alley. It keeps me close to the action on the field, even if that means hauling equipment, picking up sweaty jockstraps, and putting up with the players' antics. My dad's the coach, and his number-one rule is never to play favorites...which probably includes getting too friendly with the team captain. But Brady Donovan's annoyingly perfect smile and protective nature are making that nearly impossible.

When something shifts between us at an away game, everything is thrown off-kilter. Donovan's never been with a guy before, and I certainly don't want to be his test case. But I can't seem to help myself. He's sweet and hot and somehow charms the baseball pants right off me. If Coach ever catches wind of this, he'll bench us both. Disappointing my dad might kill me, but so would losing the guy who makes my heart pound harder than a home run in the bottom of the ninth.

So much for not playing favorites.

It's Just You: An M/M Slow Burn Romance

Author: R. Phoenix

I am who I am: flamboyant, androgynous, comfortable in my own skin — well, there's that one thing, but generally I am me, and I love it that way. It's easy to ignore scars from the past, especially when they can be covered up and forgotten. What I don't love is having to spend time in my hometown after having escaped the bullies there years ago. The only plus side is meeting up with one of my best friends again... and his brother Kane.

Who the heck expected him to end up as a hunk of a guy, tattooed and sexy and all that? It's just a pity he's straight. Or maybe not interested in anyone at all? Or...?

I can't figure him out. But I never back down from a challenge, that's for sure, and I want to see what's really going on behind those beautiful, troubled eyes.

This 74k slow burn romance features a sexy guy who's never really been attracted to anyone before (let alone another man) and a man who needs to accept that he can be loved despite for who he is beneath the makeup and lingerie as well as in it.

Three of Us: A Pearce Station Spinoff

Author: Ann Grech

Two cowboys walk onto a ranch. The girl falls for both. But they're in love with each other, and she's stuck in the friend zone. Sounds like a bad joke, right?

Welcome to my life...

But I think I was wrong; my two cowboys are just friends.

It's been the three of us since the day we met. I've settled for friendship for over a decade, but I want more.

I've fantasized about getting between them, but they don't think I'm *that* type of girl.

It's about time these boys wake up and realize they're in love with me.

And each other too.

Hold my beer while I sort this mess out.

Three of Us is a standalone book in the Pearce Station universe. You'll meet new friends who become family and fall in love with Ally, Sam, and Craig.

Where There's Smoke... (Heroes of Port Dale Book 7)

Author: Romeo Alexander

Matt: I'm proud to be a Port Dale firefighter but it isn't all excitement and sitting around eating homemade meals. It's also dealing with your work "family" in ways you never expected. I love my real family, and I love my work "family". Well, most of them. My "brothers" at the fire station are exactly what I need at work, but I wasn't expecting to be asked out by my homophobic "brother's" actual brother. I also wasn't expecting how well it would work out or where it would lead us. I certainly didn't expect we'd get caught.

Ethan: Tossed out by the Corps on medical grounds, I have no idea what to expect from civilian life. I've got my brother Keith, who's been everything, brother, friend, parent. Yet when I stumble across his fellow firefighter, Matt, I find myself in a whole new world. Matt is sweet, kind, and forgiving, everything my brother is not, especially when it comes to being gay. Matt is hot. He's everything I need, and I know I can't hide my true self forever.

For Matt and Ethan there's fiery instant attraction but can they get over family hurdles? When gay-hating Keith catches them kissing at work, sparks fly! Can the fire between them be rekindled or is it dead forever?

Dear Daddy, Please Keep Me (Naughty or Nice Book 7)

Author: Morticia Knight

Dear Santa,

For Christmas this year, may I please get my very own Daddy who is looking for a boy to keep? Because I'm a little, I need lots of cuddles and attention. So, a Daddy who can only see me on occasion, or who's never been a Daddy before, probably won't want me. Maybe I need two Daddies? I promise I'll be the bestest boy ever! I pick up my toys, do my chores and take my naps without argument. And since I'm not little all the time, I can also keep my Daddy happy in *other* ways.

I hope you can find me a Daddy who was meant for me. I haven't had anyone take care of me in a long time and I'm feeling lost. Santa, I've been a very good boy this year, so pretty please can you make my Christmas wish come true?

Love,
Eric

Dear Daddy, Please Keep Me is part of the *Naughty or Nice* multi-author series. From this installment, you can expect a healthy dose of fluff, a large Squishmallow collection, inappropriate peppermint stick usage and two silver fox Daddies. Each book in the *Naughty or Nice* series can be read as a standalone, but there are so many boys hoping that holiday magic will bring them their perfect Daddy, why not grab them all?

Hook, Line & Sinker (#Love Wins Book 2)

Author: Ana Byrde

New Year's Resolution: Get V-Card stamped

Wesley Moore is a walking wet dream. Literally. He's on the school's swim team--and absolutely gorgeous in Speedos. He also has a reputation. I figured he'd be perfect to pop my cherry with no strings attached. One night. That was all I wanted.

How was I supposed to know that he's made a bet not to jump into bed with his next date?

How was I supposed to know he wants romance now?

I'm not looking for a boyfriend. My crazy family would never accept Wes... or any other boy I brought home.

I need to get him to sleep with me before I fall for him, and there's only one way to do it. Lace. I've got a whole box full of secret weapons, and I'm not afraid to use them.

Hook, Line & Sinker is a 68,000-word stand-alone m/m romance with little angst and lots of laughter, featuring a nerd and a jock, too many pies, awkward attempts at being cool, insane relatives and two boys who make it work in spite of everything. Buy now if you need a laugh!

Just a Bit Wrecked (Straight Guys Book 11)

Author: Alessandra Hazard

A plane crash. A homophobe and a gay man stranded together on a desert island. A love born out of hatred, need, and mutual desperation.

Andrew Reyes is handsome, rich, and very straight—he's married to a gorgeous woman. Outspoken about his distaste for gay people, he isn't shy about his opinion as he watches the gay couple he and his wife share a flight with.

Logan McCall is handsome, rich, and openly gay. He isn't impressed with the bigoted jerk across the aisle, no matter how easy on the eyes he is.

To their shock and horror, they're the only survivors when the plane crashes—stranded on a desert island with no hope of rescue, and no one but each other to depend on for survival.

As the days turn into months, can disdain, antipathy, and a craving they don't understand and can't resist turn into a connection? Or something more?

Just a Bit Wrecked is a steamy gay romance with a happily ever after. Book #11 in the *Straight Guys* series but can be read as a standalone.

Kian's Focus

Author: Misty Walker

Kian always gets what he wants...
and now his focus is on Archer.

I lost my boyfriend on the night I had planned to propose.
It was a horrific accident that was all my fault.
I gave up and resigned myself into a life of obscurity.

Until I got a call that my sister, Sara, needed me.
It gave me purpose and I ran to her rescue.
Because that's what I've done our whole lives.

That's how I ended up in Brigs Ferry Bay.
But when I showed up, things were so much worse than I thought.

She was sullen, fragile, and sinking into a depression I didn't know how I'd get her out of.
Together, we were drowning.

Until I met Kian.
He's everything I'm not.
Bouncy, bubbly, full of life, and an innate ability to make everything better.
He makes me believe I can be happy again.

Now the unthinkable has happened and Sara is on the verge of losing her life.
Once again, it's all my fault.
Kian had clouded my vision with promises of hope and forever.
I was so stupid to believe I could be happy again.

I try push him away.
To shove him out of the darkness that follows me.
I don't want him to suffer the future fate had secured me to.
But Kian's focus is on me
And he's used to getting what he wants.

*Brigs Ferry Bay is a steamy **MM romance** series.
While each book can be read as a standalone, to get the full experience, they're best read in order.
Enemies to lovers, friends to lovers, hurt comfort, age-gap romance, and so much more.
Fall in love with the charming **small town gay romances** of Brigs Ferry Bay...

**Trigger warning. This is a MM emotional romance that touches on sensitive topics like death and suicide, but ends happily.

The Vampire King: A Love Story

Author: B.A. Stretke

Only true love, given freely, could bring back the Vampire King's magic.

Liam Gabriel is venturing deep into Louisiana's marshy wilderness to find the elusive, and possibly extinct, Golden Iris. A member of the Louisiana Iris Society, he has been tasked with tracking down this delicate flower. He soon finds himself lost, and that's when the mystery begins. Everyone knows there are mystery and magic in the marshes and swamps, things the natural world cannot possibly explain. When a storm rolls in and Liam fears for his safety, he finds a light piercing the darkness, the light of a porch lamp. Liam finds the grandest and oldest mansion he has ever seen. Inside that mansion, Liam will find his destiny.

Arman Rainier has been alone for centuries. Once the powerful and feared Vampire King of Louisiana, now he is but a recluse in his mansion, hidden in the marshes, waiting for time to claim him. What remains of his magic keeps him cloaked and guarded. Without his beloved, his one true love, his power has waned, and the darkness waits to claim him. When Liam Gabriel, driven by a howling storm, pounds on the door of the Grande Belle Maison, Arman knows that fate isn't finished with him yet.

Old enemies lurk, and trust is hard to win. Can Liam trust his heart and the mysterious man? Can Arman win Liam's heart in time?

Fate always wins.

Spellbound Dreams (D'Vaire, Book 21)

Author: Jessamyn Kingley

Grand Warlock Familiar Renny D'Vaire has a life he adores and is hoping for a mate who will not bring strife into his world. Renny, along with the rest of the D'Vaires, believes that his other half will be a dragon shifter, thanks to his magical beast form. Happy couples surround Renny, and he wants nothing more than to experience that joy for himself. However, Fate is full of surprises.

Protector Roriethiel of the Fae wakes up in an unfamiliar desert, uncertain how he arrived. His ample magic sapped, the rock he finds himself on is nothing like home. For weeks he stumbles along, searching for answers, and is unerringly led to the Council of Sorcery and Shifters. Rorie's single purpose is to return to his castle, but instead he discovers his other half.

Renny is unsure how to handle the impetuous Rorie or the fairy's desire to return to his realm. Torn between two worlds, Renny and Rorie find little common ground until they are lured into a magical dream. Chaos surrounds them as they unravel the mystery of what happened to Rorie, and although their attraction is intense and their feelings for each other grow swiftly, to succeed in love they must learn to trust that Fate has not led them astray.

Tough Love

Author: David Horne

Mark knew that his friend Joe's divorce was a nightmare, and Joe's ex-wife Tracey would cause trouble. She did that already by filing false CPS reports against Joe. Plus, the knowledge that her brother, who is a convicted criminal and not allowed around children, is seeing his niece and nephew, makes him cold. The moment Mark hears about it, he notifies the parole officer dealing with her brother. He was not expecting to get sucked into the mess as well...

Jack is a parole officer who is concerned when CPS comes to him and lets him know what's going on. He's been doing his job for fifteen years and has run into all kinds of criminals. Lucas Banfield is one of those he wishes he didn't have to interact with. The guy knows the rules but is breaking them because of his crazy family. Now he has to send the guy back to jail, without getting distracted by his new sidekick in the form of handsome CPS worker and foster parent Mark.

Please Note: This book contains adult language and steamy adult activities, it is intended for 18+ Adults Only. Novel, approximately 38,000 words in length. HEA (happy ever after ending). Does not end with a "cliffhanger." Themes include: Older-Younger Man Romance, Law Enforcement Romance, Single Father Romance.

The Alpha's Warlock (Mismatched Mates Book 1)

Author: Eliot Grayson

Cursed, mated, and in for the fight of their lives...

Warlock Nate Hawthorne just wants a cup of coffee. Is that too much to ask? Apparently. Because instead of precious caffeine, all he gets is cursed by a pack of werewolves who want to use him for his magic. Now the only way to fix the damage is a mate bond to a grumpy and oh-so-sexy alpha in the rival pack, who happens to hate him. This is so not how he wanted to start his day.

Ian Armitage never intended to take Nate as his mate. The Hawthorne family *can't* be trusted. Ian knows that better than anyone. The fact that he's lusted after the way-too-gorgeous man for years? Totally irrelevant. Ian's just doing what is necessary to protect his pack. This whole mating arrangement has nothing to do with love and never will. That's his story and he's sticking to it.

Nate and Ian will have to work together if they have any hope of staving off the pack's enemies and averting disaster. That's assuming they can stop arguing (and keep their hands off each other) long enough to save the day...

The Alpha's Warlock *is an explicit M/M paranormal romance featuring a snarky warlock, a brooding alpha werewolf, knotting, enchanted socks (long story), and a guaranteed happily ever after.*

Touch And Go (Vanguard Towers Book 1)

Author: Aiden Bates

The young man needs a protector.

From the moment I see him, I know Seb is more than a patient. I've never been tempted to cross the patient/doctor line before. For him? I'll do it in a heartbeat.

His brother wants to hurt him, and he needs someone to keep him safe. Me. Except, I can't keep my hands off of him. Is a man as inexperienced as Seb ready for something more than a few nights of fun?

Touch and Go features heroes with an age gap, danger lurking all around, and a healthy dose of hurt/comfort. The brothers of Vanguard Towers are at the frontlines of love, and Derek is only the first to fall.

Two Straights Too Many (Heroes of Port Dale Book 1)

Author: Romeo Alexander

Elias: Moving to Daleport City to work at the local fire station was going to be hard. Then I met Cade. Turns out, I'd met my new best friend, and for two years, he's been by my side through everything. The guys tease us about how close we are, but we're straight, just good friends. Then Cade and I found ourselves having to pretend to date, pretend to be attracted to one another...And then we stopped pretending.

Cade: As if having a female stalker and a harpy for a mother wasn't enough, I'm also in a fake relationship with my best friend? Then we ended up kissing...and more. Elias is straight, I'm straight, and we suddenly want to do not so straight things. That's pretty much where I am now. So tell me... what am I supposed to do?

Elias and Cade, two straight firefighters and best friends, find themselves in a fake relationship that leads both men into territory they've never ventured into

before. Can their friendship survive? Will they ever want to go back?

Lost Boy (Daddy's Boy Book 3)

Author: Athena Steller

The Boy

Mitch knew he was a boy the first time he observed a submissive over a Dom's knee getting his ass reddened. That was years ago and even though Mitch never found a Daddy of his own, he knew what he wanted. Or at least he thought he had. Now one man will change how Mitch looks at his life and what is truly important. Maybe Mitch isn't as lost as he'd thought.

The Daddy

The first time Byron laid eyes on Mitch he knew the older man was meant to be his boy. Fighting Mitch's insecurities is an even bigger job than putting up with his father. When Mitch's world starts to crumble around him, Byron is determined to show Mitch he's strong enough to earn the title Daddy.

Lost Boy is the third book in the Daddy's Boy series by Athena Steller.

This book contains MM sexual content (men having sex with each other), light BDSM elements, Age Play, Daddy/ boy relationship, age gap relations, voyeurism, public sex, light humiliation scene. This book is an exploration of a relationship between two (Male) consensual adults that are looking for love and acceptance. All characters are over the age of consent. No cheating or cliff hangers.

Each book in the Daddy's boy series will concentrate on a new couple although the characters from other books will visit often. The books can be read as standalone novels but for better enjoyment watch how the characters grow from book to book adds to the enjoyment of the series.

Each book in the Daddy's boy series ends with a HEA although we do get a peek into the earlier relationships as they progress as the series continues.

In November 2020 this book, Lost Boy, was professional edited, revised, and reloaded. No content was changed but the errors from the first upload should be gone.

Pretty Baby: Daddy's Boy Book 2

Author: Athena Steller

The Boy

Caleb has been hiding his true self for so long that he isn't sure who he is anymore. He's not the brat he portrays. He's not confident like others think. Caleb is just a shy boy, who loves pretty things, and animals. No one stays long enough to learn who Caleb really. How could he trust any of them to show his deepest secret? That is, until one night at the club Caleb finds a Daddy Dom that sees right through his masks. Grant demands things from Caleb that scares him. Has Caleb met the one Daddy Dom that he can open up to?

The Daddy

The moment Grant spots the vulnerability that Caleb hides so well he's hooked. He has plenty of experience reading people as a Detective but Caleb is a mystery in more ways than one. He's also the sweetest and neediest boy Grant has ever met. Caleb has secrets but Grant will push until all is revealed. Until Caleb is under his thumb and accepts that he is Grant's pretty princess.

Pretty Baby is the second book in the Daddy's boy series by Athena Steller.

This book contains MM sexual content (men having sex with each other), light BDSM elements, a boy wearing women lingerie and a Daddy who loves it, Age Play, domestic discipline, Daddy/ boy relationship, power exchange, rough sex, phone sex, age gap relations, and naughty times with a giant teddy bear. This book is an exploration of a relationship between two (Male) consensual adults that are looking for love and acceptance. All characters in sexual situations are above the age of consent. No cheating or cliff hangers.

Each book in the Daddy's boy series will concentrate on a new couple although the characters from other books will visit often. The books can be read as stand alone novels but for better enjoyment it is recommended to read the books in order.

Each book in the Daddy's boy series ends with a HEA.

In October 2020 this book, Pretty Baby, was professional edited, revised, and reloaded. No content was changed but the errors from the first upload should be gone.

Young-Boy: Mpreg Romance (Red Sky, Texas Book 7)

Author: Beau Brown

He's the same age as my son. He's my son's best friend. I can't cross that line.

Fireman Sharky Jones is the alpha everybody loves. He's everyone's best friend. The divorced single dad raised his son, now twenty-six, all by himself. Since he focused all his attention on his son, Daniel, his love life is now a distant memory. He's forty-four years old, and his kid doesn't need him anymore. What's he supposed to do with the rest of his life?

Kurt Summer's has been Daniel's best friend since kindergarten. When his abusive parents got too out of control, he'd have sleepovers at his best friend's house. He always felt safe at Sharky's house, and he knew the older alpha would never let anything bad happen to him. Kurt has had a secret crush on Sharky since puberty hit. He's kept his feelings to himself because he didn't want to make things awkward with his best buddy by crushing on his dad.

Looking up to Sharky has always been easy. Kurt even became a fireman because he respected what Sharky did for a living. When he's transferred into Sharky's department, the two men become even closer. But Sharky isn't comfortable crossing lines with a kid the same age as his son, and even if he could get past the age thing, Kurt is his son's best friend. He can't risk alienating his son.

When Sharky fosters a four-year-old boy, whose parents are killed in a car wreck, Kurt volunteers to help him out. Sharky has always thought of Kurt as a kid, although he can admit he's had some very confusing sexual feelings since Kurt has started spending so much time with him.

Things are getting complicated. Kurt is aware of the hungry looks Sharky sends him, although the alpha never makes any move on the younger omega. But Kurt isn't willing to stay on the sidelines anymore, and watch Sharky date other people. He's not the child Sharky thinks he is, and he's ready to make his move.

This 82,000 word story is book seven in Beau's Red Sky, Texas Mpreg Series. It's filled with older men in love with younger men, angst, male pregnancy, smexy times and all of the warm fuzzy feelings you expect from an Mpreg romance by Beau Brown.

Off Plan (Whispering Key)

Author: May Archer

Falling for a man was nowhere in my five-step plan.

I came to Whispering Key from O'Leary as a career move. Mason Bloom, doctor to the stars at a swanky resort on a private island? Heck yes.

What I did not come for was romance, because I have been there, done that, have an ex-girlfriend to prove it, and frankly was distinctly underwhelmed by the whole endeavor.

Yet from the moment I set foot on this island, nothing goes the way I'd expected.

The resort's falling apart. The island's inhabitants are ridiculous... and ridiculously charming. The whole place is awash in stories of shipwrecks and treasure.

Then there's Fenn Reardon: Gorgeous. Infuriating. *Male*.

And did I mention infuriating?

The man is the eye of the hurricane upending my life. He pushes every one of my buttons. He makes me feel crazy. Out of control. And more alive than I have ever felt before.

I find myself craving his company, longing for his touch, kissing him on the beach, wanting him in my bed... and questioning just how straight I really am.

Falling for Fenn was not in my plans... but I'm starting to think the key to happiness might be going off plan entirely.

Fluke and the Faithless Father (The Fantastic Fluke Book 2)

Author: Sam Burns

After escaping a murderer and resurrecting his boyfriend, Sage figures he deserves a little time to recover.

Unfortunately, life is rarely fair.

So instead of a break, he gets to deal with a magical law enforcement rookie asking uncomfortable questions about his brush with death. The quaesitor is acting downright suspicious. Or is it suspiciously?

Things go from awkward to dangerous when the man who murdered Sage's mother is released from prison, and soon after there's a break-in at the bookstore. The situation escalates so fast that Sage is afraid he's going to end up with whiplash. Or worse, end up dead. He wanted a break, but not a permanent one.

Fluke and the Faithless Father is a direct sequel to The Fantastic Fluke, and should not be read first. It is an ~85k word novel that follows the continuing adventures of Sage, Fluke, Gideon, and their whole family, found and otherwise.

Topping the Jock (A Blue Harbor Romance Book 1)

Author: Jaclyn Osborn

For years, he's been on top. Now, it's my turn.

Here's the thing.

I've hated Montgomery Adams since freshmen year of high school when he stole my clothes from my gym locker, leaving me in nothing but a towel. Oh, and it didn't stop there. He teased me, threw wads of paper at my head, and booed me when I raised my hand to answer questions in class.

I thought I finally escaped him after graduation. He went off to play college ball, and I became a teacher. But ten years later, Monty comes back to town. Even worse? He's the new football coach at the same school as me.

He's just as irritating as I remember, an annoying meathead jock with too much muscle and a smirk I want to smack off his too-perfect face. I don't care that he's hotter than ever or that he says he's changed. I'm not falling for it.

If he thinks he can waltz in and take over the school like he did when we were teenagers, he has another thing coming.

Warning: this book is nothing but fluff, steam, banter, and features two men who pretend to be enemies yet sneak kisses whenever possible. Don't read if you hate lighthearted romance and nerd/jock tropes. No angst. Just two adorable dorks falling in love.

Ready or Knot (Knotted Paths Book 1)

Author: Susi Hawke

The Haven Center was supposed to be my new beginning. It was supposed to be where I figured out who Wyatt Stanislav is after kidnapping and abuse had torn apart who I was.

I wasn't supposed to meet him.

Jordan Peterson. The tall, buff bear of a man who saves me from my nightmares and calls me his own. His true mate.

Jordan wants nothing more than to protect me. It would be all too easy to disappear into his embrace, but his presence makes it imperative that I discover who I am, if only to become the mate he deserves.

A Team A.L.P.H.A. and Alphabits spin-off series

Ready or Knot is the first book in a brand new series by Crista Crown and Susi Hawke. We've loved our soldiers and our mafiosos and all the good they've done in the world, but what happens after the saving is over and the healing begins? As always, you can expect to find naughty, knotty scenes of steamy passion, and all the fluffy mpreg feels and crazy antics you'd look for from Susi Hawke and Crista Crown.

Of Betrayal and Monsters (Winsford Shifters Book 2)

Author: Alice Winters

Things continue to heat up for Quinn and Rowan as they deal with obstacles and betrayal from someone closer than they expect.

This is a continuation of the story from Of Secrets and Wolves and should be read in order. Full blurb to come.

Liars (Licking Thicket Book 2)

Author: Lucy Lennox

Parrish Partridge's True Facts:

There's nothing hotter than a tall, gruff, bewildered, tattooed mountain of a man cuddling a sweet, orphaned baby, so you can tell yourself that you'll resist him...

But that's a lie.

And when that man asks you to do him a favor and pretend to be his very temporary, very fake fiancée to help him get custody of that adorable baby, you can pretend you know better than to say yes...

But that's a lie, too.

And when you actually get to know your kind, strong, pullet-loving prince of a fiancée, and all his crazy, lovable, meddling neighbors, you can tell yourself you're not really falling for Diesel Church and the town of Licking Thicket...

But that might be the biggest lie of all.

Cultivating Caden

Author: Parker Williams

Quade Martin is hunting a murderer. A brutal killer who tore nine men limb from limb, leaving their body parts scattered across a field. Quade has been sent to dispatch this creature with expediency. Only...

When Quade meets Caden Daniels, he doesn't understand how this skinny vegan could have the strength to commit unspeakable crimes. Caden is crying, for goodness sake. He certainly doesn't seem dangerous.

The problem is, they never do.

Caden Daniels loves his life. He's got two amazing friends, a flower shop, and everything is coming up roses. Until the night he makes the mistake of being in the wrong place at the wrong time, and is set upon by the biker gang who threaten him. Caden swears he doesn't understand how the men ended up dead, he only knew he had to get away.

As bad as that was, Caden finds there are things, like Quade Martine, in the Katadhin mountains that are much, much worse.

Quade opens up a world that Caden never knew existed. Lycans, giants, and an unbelievably powerful kid named Ten show Caden what's hidden might be more home than what Caden knew.

Especially when the secret of Caden's green thumb is revealed.

Rising (Wolf Born Book 3)

Author: Claire Cullen

A lone wolf. A lonely merman. And a place to call home, if they can get there.

Kicked out of his pack as a kid, Jace has always considered himself a solitary wolf. He's happy to help the Eden pack rescue wolves and other shifters, but he's not ready to give up his life as a thief. Until he breaks into a mansion to steal a priceless watch and finds something far more intriguing—a merman.

Robin has lost everything that matters to him. Trapped in an opulent prison with his would-be savior, he can't see a way out. And then one night, a wolf appears. But this wolf is far more than he seems, and Robin is thrown headfirst into a world he never dreamed existed. A world that he and Jace could be a part of. But first, they have some kids to save.

Rising is the third book of the Wolf Born trilogy. It's a m/m shifter romance (no mpreg) featuring a stubborn thief, a captive merman, kids in peril, and a happy ending. There are some difficult themes and scenes, and Rising is not suitable for readers under the age of eighteen.

Other Half (PsyCop Book 12)

Author: Jordan Castillo Price

Victor Bayne never saw himself as husband material, but after an undercover stint as half of a married couple, he's willing to give it a shot. Jacob Marks was eager to settle down from the get-go, so once Vic popped the question, the wedding should've been smooth sailing.

But new evidence has come to light that casts a pall over the whole affair: decades of psychic experimentation and intrigue. Vic would hardly be shocked to discover he's been an unwitting test subject, but it's not his name on the roster.

It's Jacob's.

Planning a wedding on short notice is challenging enough without a covert investigation. Vic can deal with premarital counseling, floral emergencies, and the world's most annoying baker—but can he handle what he finds out about his other half?

PsyCop is an ongoing series filled with supernatural action and delightfully awkward humor—with a steady undercurrent of gay romance. It's best read in order, so if you're new to the series, start with PsyCop #1, Among the Living...and prepare for a hauntingly good read.

Right as Raine: An Aster Valley Novel

Author: Lucy Lennox

Tiller:

As the first openly gay professional football player, I can't afford to make any mistakes, on or off the field. And the absolute biggest mistake I could make right now would be to fall for Mikey Vining, my best friend, employee and, more importantly, Coach's baby boy. I might fantasize about Mikey at night—every night—but actually touching him would be a serious personal foul.

And falling for him? That's completely out of bounds.

Mikey:

I've learned my lesson about falling for one of my dad's players. They're a bunch of spoiled jocks with more muscles than brains. I've spent years learning to keep my eyes, and my hands, to myself. But resisting the temptation becomes nearly impossible when Tiller Raine and I end up together in a small cabin in a remote Colorado town.

Suddenly, there's not much to do but look at each other. And talk. And hopefully, *hopefully* touch.

But what happens when our stay in Aster Valley is over and it's time to return to the real world? Will Coach blow the whistle on our relationship? Or will Tiller admit there might actually be something he loves more than football after all?

Body And Soul (Vanguard Towers Book 3)

Author: Aiden Bates

Brax is too young. Too vulnerable. Too perfect.

My dominant nature craves someone to care for.

Someone to command.

Brax could be that guy if the circumstances weren't all wrong.

His brothers would kill me if I hurt him. So would my FBI partner.
That doesn't mean I can stay away.
The young artist is everything I want in a partner.
And when danger comes for him, I need to keep him safe.
But how can I keep him forever?

I'll never be good enough.
My brothers got me off the streets, but Ry doesn't know the truth.
I'm dirty.
I've done things I'm not proud of. Things none of my former boyfriends could see past.
Why would Ry be any different?
He sees the world in black and white.
I know where I stand.
But he looks at me with a heat I can't ignore.
And when I'm in danger, he keeps me safe.
Will he accept me when he learns the truth?

Content warning: Body And Soul contains instances of attempted assault and references to sexual assault.

In the Name of the Father (Father Series Book 1)

Author: Morticia Knight

I was living a lie. I couldn't be caught in my deception, or my family and friends would abandon me. But my fears became reality and I was cast away as if I were garbage. Then this man, a stranger, took me home and showed me that love can take on many forms, that I'm not filled with sin or doomed to go to hell because I'm gay. He showed me that I'm not broken. I don't need to be fixed. What I need is to be nurtured and cared for.

This man showed me that it's okay to be his boy and to call him Daddy...

Seth was a good Christian son raised in a very conservative church.

He learned early on that the world is evil and filled with sinners—but the most horrible thing you can be is gay. When his shame is discovered, he's shipped off to a special camp that fixes deviants like him. Years have passed since then, yet he still runs from himself every day.

Malcolm was a good Daddy for almost ten years before his boy died.

No longer daring to be too close with another man again, he's avoided clubs and old friends that remind him of a life filled with a joy he can no longer have. Unable to find a purpose in his lonely existence, he spends night after night in a dive bar at the edge of town. However, witnessing a scared young man being harassed by two bullies jolts him out of his misery.

No one messes with someone vulnerable and helpless on his watch...

Note: In the Name of the Father is a full-length novel with angst and a slow burn romance between an older daddy and younger boy. You can expect lots of hurt/comfort, a daddy with some kinky tricks up his sleeve and a sweet HEA.

Possible triggers: Extreme past abuse involving both physical and emotional trauma.

Father Series reading order:

In the Name of the Father
For the Love of a Boy
Now and Forever (available March 2020)

Bloody Wishes: MMMM Dark Paranormal Romance

Author: Brea Alepou

They are his enemies, not his desires.

Hyde has a secret. He's a necromancer: a witch that plays with the dead.

Necromancers have been hunted to near extinction by the vampires. So naturally, Hyde falls for the vampire prince—A man with pretty light green eyes Hyde can't manage to look away from.

When the prince and his equally alluring companion ask Hyde to help them hunt down some vampires, he becomes embroiled in a scheme that turns his entire world on its head. Especially when Hyde's human ex-boyfriend shows up needing protection.

Hyde ends up juggling more than he bargained for—including three dangerous and beautiful men.

Bloody Wishes is a winter-themed Dark MMMM Paranormal romance set in the Blood series universe. This book can be read as a standalone. This is a why choose romance meaning the main character has more than one love interest. Featuring Group activities, vampires, a sugar crazed necromancer, and blood play. Please read the warning.

Demons Do It Better: A Hidden Species Novel

Author: Louisa Masters

I work for Lucifer. Only, it's not as cool and satanic as it sounds.

The truth is, I'm an admin assistant who applied for a job that sounded kind of interesting and ended up working for the Community of Species Government. I'm the only human in the office, and basically I ride herd on a team of rambunctious shifters and demons.

I also spend a lot of time avoiding Gideon Bailey, the demon I had a one-night stand with right before I took this job. He hates me, and I really want to avoid being murdered. But I've been offered a promotion that will mean working with him, so we're both going to have to get over it.

Plus, people are going missing. Pregnant people. And the word is that someone is dabbling in genetic experimentation. Putting a stop to that is more important than the sexual tension Gideon and I have been ignoring... isn't it?

Forget Me Not

Author: Felice Stevens

Texas cowboy Shea Montgomery has plans. Big plans. Still mourning the loss of his beloved father, he's finally ready to sell the Forget Me Not ranch. He's dusting off his boots, packing up his cowboy hat, and moving to New York City to make his dreams come true. So what if he won't have his horse to ride or a place to call home? He'll make it work. Somehow. First, he has to deal with a bunch of corporate types who don't know the front end of a horse from the back. Especially this one guy who can't seem to stay out of trouble. Or out of Shea's mind.

Jake Axelrod's perfect family is shattered when his daughter stops speaking and his husband ends their marriage. Two years later, she remains locked in silence and Jake has closed himself off. His life is structured to the minute, and Jake is convinced he'll be alone forever, until he's forced to attend a company retreat at a dude ranch in Texas where he meets a cowboy who sends him spinning out of control.

Jake can't help falling...off his horse, out of a rowboat, and into Shea's arms.

And Shea is more than willing to catch him.

Neither man wants to let go, and the time they spend together only makes it harder to be apart. A decision needs to be made: work it out or say good-bye. Jake's life is in New York, but he can't walk away from Shea or the ranch, and Shea must decide if the dream of a lifetime will lead him right back to the place where he started, where his heart belongs.

Breakaway

Author: Kindle Alexander

Greer Lockhart set out to save the world from itself when he organized his first beach cleanup at the age of twelve. Now, as a uber-successful venture capitalist for eco-friendly startups, he doesn't let anything get in the way of his goals—whether personal or professional. When a new fitness app schedules a site-wide cycle race, Greer's competitive side won't let him back down. Not even when his undivided attention turns to the one racer he can't beat: Biker101.

Dallas Reigns learned a long time ago to keep his head low and his focus forward. He gives his all to a business he started with his brothers, BikeBro. But he worries his all might not be enough if they can't gain traction before their financial ship sinks. A chance meeting with a hard-hitting venture capitalist is just what they need. Until his resistance is tested when the striking blond man shows interest in more than just his company, challenging all Dallas's etched-in-stone boundaries.

When the illusion of Dallas's life threatens to crumble under the weight of his own desire, can he find a way to fortify his iron will, or will Greer help him breakaway from the restraints of his past?

Merry Measure

Author: Lily Morton

Arlo Wright's introduction to his sexuality came when he saw his older brother's best friend, Jack Cooper, in his sweaty football kit. Unfortunately, he didn't have long to enjoy the revelation because he promptly knocked himself out on a table.

Relations between them have never really moved on from that auspicious beginning. Arlo is still clumsy, and Jack is still as handsome and unobtainable as ever.

However, things look like they're starting to change when Arlo finds himself sharing a room with Jack while on holiday in Amsterdam at Christmas. Will the festive spirit finally move them towards each other, or is Arlo just banging his head against a wall this time?

From bestselling author, Lily Morton comes a warm romantic comedy set in chilly Amsterdam

Treasured

Author: SJ Himes

Needing employment to help his ailing mother, Alaric Keening gets a job as a billionaire dragon's clairvoyant. He never imagined his almost useless talent would ever become a marketable skill, and even worse--the sight of his new boss leaves him breathless. That was the worst, until the first day on the job, he finds himself nearly dying in the arms of his new boss.

Tarquin is a storm dragon, and he's been alone for centuries. Fleeing the Great Wars, he sacrificed his old territory and made a new home in Montreal, collecting companies to fill the void left by the loss of his hoard. Running an international company in the magical world means hiring a clairvoyant to protect his assets, and yet there is nothing to protect his heart when Alaric Keening walks into his office.

Between trying to keep Alaric alive and trying to find who's out to kill Tarquin, they can't deny the connection that goes far beyond that of a boss and his new employee--but that of a dragon and his treasure.

Treasured was previously published as the short story, *A Caller From Montreal*, in the *Heart2Heart Charity Anthology Vol 4*. It has been expanded and lightly edited with new content. Word count is 25,000 words.

The Alpha's Mage (Wild Magic Book 1)

Author: Claire Cullen

Magic. Without it, Knox's pack will die. The only way to get it? Steal it. Steal *him*. A wolf mage.

The slow decay of magic is destroying Samhain Pack bit by bit. Down to their last ailing mage, Knox snatches a mage from a rival pack. Better to be a pack with enemies than a dead pack. But when Lorcan is foisted upon him, Knox refuses to take the mage as a mate. Until their alpha leader drags up an old pack law to punish the wayward mage, and Knox finds it isn't so easy to walk away.

Being a wolf mage is a curse. It's taken everything from Lorcan—his family, his home, and his magic. Now he's been taken by another pack, with a whole new set of rules. He has no intention of sticking around, especially when they plan to bond him to one of their alphas. Running from wolves comes naturally to him, only Knox proves hard to run from.

The Alpha's Mage is a paranormal romance featuring a stubborn wolf, a distrustful druid, and a pack in dire need of luck. It's the first book of the *Wild Magic* series, which should be read in order. It contains mature and somewhat dark themes but does not contain mpreg.

Rebel At Spruce High (A Spruce Texas Romance Book 5)

Author: Daryl Banner

Vann, the gorgeous, leather-jacket-clad new bad boy in school, just set his eyes on me.

I'm not really good at making friends. That's simply a fact.
I'm happy enough if I can just get through the school day,
avoid eye contact with anything that breathes,
and make it home where my family can continue ignoring my existence
and I can play video games in peace.

But then *he* crashes into my life like a tidal wave.
The hot new senior at Spruce High.
The bad boy everyone can't stop talking about.
The one with the leather jacket, smoldering eyes, and cloud of danger following him.
The one called Vann.

My whole life changes overnight.
Now, I want different things.
I want an end to my lonesomeness.
I want to stand up to the jocks who keep pushing me around.

But most importantly,
I want to know what Vann's lips taste like.

And why he looks pained every time his dark eyes catch mine in class.
And why he keeps paying attention to me when the rest of the town doesn't.
And why every time I open my mouth to speak, my racing heart chokes me.

I don't know what's coming for me in my last year at Spruce High, but I sure hope I'm ready for it.

REBEL AT SPRUCE HIGH follows introverted gamer and Biggie's Bites employee Toby as he enters his senior year at Spruce High. The arrival of a gorgeous, leather-jacket-clad new student has the whole high school abuzz with rumors and scandal - especially when the bad boy sets his eyes on Toby.

***** This story is set in the same fictional small town as "Football Sundae", "Born Again Sinner", "Heteroflexible", and "Wrangled". Though this is the fifth book in the series, it can be read entirely on its own.**

NOTE: *Rebel At Spruce High* is a mature young adult coming-of-age romance full of angst, humor, and steam. As the story deals with certain issues some teens face that may be triggering, reader discretion is advised. For full content disclosure, please refer to the "look inside" feature.

Read all the books set in Spruce, Texas!

Fakers (Licking Thicket Book 1)

Author: Lucy Lennox

Brooks Johnson's Words To Live By:

When returning to Licking Thicket, TN, for the first time in ten years to reunite with your nosy neighbors, heart-broken ex-girlfriend, and matchmaking mama who never quite believed you were gay, it's best to bring a fake boyfriend as backup...

Just don't be surprised when your ex-girlfriend does the same.

And when her incredibly hot fake boyfriend becomes the one island of calm in a sea of bovine-based insanity, it's best to exercise caution... especially when he pushes you up against the rough barn wall to check you very thoroughly for splinters...

Just don't be surprised if you fall head-over-hooves in love with him.
