## Zodiac Academy: The Awakening

**Author: Caroline Peckham**

**I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae.**

But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could.

The school they've sent me to is both dangerous as sh\*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy.

Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates - which is actively encouraged by the way.

My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell.

All I've got to do is survive. But fate might have other ideas.

Dammit, why couldn't I have gotten a letter to Hogwarts?

*\*\*\*This is a dark, bully romance – don't go expecting a sweet school for magic with friends around every corner. Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18+ where only the strongest prevail. There's no Dumbledore here to save anyone's ass and Lionel Acrux will give Voldemort a run for his money in the evil dictator category. So hold onto your stardust (broomsticks not required) and get ready for a bumpy ride\*\*\**

## **Black Sun (Between Earth and Sky Book 1)**

**Author: Rebecca Roanhorse**

**From the *New York Times* bestselling author of *Star Wars: Resistance Reborn* comes the “engrossing and vibrant” (Tochi Onyebuchi, author of *Riot Baby*) first book in the *Between Earth and Sky* trilogy inspired by the civilizations of the Pre-Columbian Americas and woven into a tale of celestial prophecies, political intrigue, and forbidden magic.**

*A god will return*

*When the earth and sky converge*

*Under the black sun*

In the holy city of Tova, the winter solstice is usually a time for celebration and renewal, but this year it coincides with a solar eclipse, a rare celestial even proscribed by the Sun Priest as an unbalancing of the world.

Meanwhile, a ship launches from a distant city bound for Tova and set to arrive on the solstice. The captain of the ship, Xiala, is a disgraced Teek whose song can calm the waters around her as easily as it can warp a man's mind. Her ship carries one passenger. Described as harmless, the passenger, Serapio is a young man, blind, scarred, and cloaked in destiny. As Xiala well knows, when a man is described as harmless, he usually ends up being a villain.

Crafted with unforgettable characters, Rebecca Roanhorse has created a “brilliant world that shows the full panoply of human grace and depravity” (Ken Liu, award-winning author of *The Grace of Kings*). This epic adventure explores the decadence of power amidst the weight of history and the struggle of individuals swimming against the confines of society and their broken pasts in this “absolutely tremendous” (S.A. Chakraborty, nationally bestselling author of *The City of Brass*) and most original series debut of the decade.

## **Footwizard: Book 13 Of The Spellmonger Series**

**Author: Terry Mancour**

**A Search For Answers In The Lost Land Of Anghysbel!**

After winning two wars against the Nemovorti in six months, Minalan plans an expedition over the summer to the Lost Valley of Anghysbel, in the far north of his realm, in the caldera of a super volcano at the edge of the tundra. There, he suspects, many of the answers he so desperately need might be hidden. The only problem is that thanks to the anti-magical properties of the jevolar, there, his spells won't work – he'll be without magic for the first time since he came into his Talent. On this quest for the knowledge to save the world, however, the stakes are too high to be concerned about such things. Minalan seeks the knowledge he needs no matter the price.

The footwizard Fondaras the Wise has been to the realm of the jevolar four times in his long life and he knows the way – and the great dangers of the non-magical land. He warns that Anghysbel is filled with forgotten creatures and lost races that have hidden from the world for eons. That doesn't dissuade the Spellmonger – it's a challenge. So is the deadly poisonous alkali waste that is the only way to the fabled land. So is the fact that his wife, Alya, insists on going with the expedition. So is the company of goblins pursuing him to catch the greatest wizard in the world in a place without magic. And the passage through the alkali wastes is only open for the nine dry weeks of summer, so there is a time limit on his explorations.

But once he's there, Minalan's expedition discovers a unique land filled with forgotten secrets: an outpost of the Kasari, where the tribe sends its magically-Talented folk; a colony of Wilderlords existing in seclusion; the exiled clan of Kilnusk Alon, the former kings of the Dradrien and Karshak, alike; a community of Tal Alon left on their own for generations; and an old comrade who has fled the Five Duchies in fear of the Censorate.

That's just where the mysteries begin. When he opens the Cave of the Ancients, a remnant of the original human colony on Callidore, Minalan starts on a path toward the answers he seeks. He is startled to find that the once-great human civilization once had an outpost in Anghysbel, as did many other races. Armed with new knowledge he braves the dangerous wilderness of Anghysbel with Lilastien and the rest of his friends in search of the ancient Alka Alon vault containing the arsenal he seeks. Along the way he discovers the scion of the Aronin, the half crazed Ameras; he encounters a dragon, learns about a forgotten group of the Forsaken, and is introduced to the mysterious Leshi in search of an immensely important, incredibly powerful artifact. Not even the threat of cyclopes and lizard men, renegade dragons and the pestilent Kurja can stand in the way of his exploration.

But that's not all he discovers. When a beardless, half-mad Karshak outcast offers them an opportunity to learn the secrets they desperately seek, Minalan and Lilastien are tempted . . . but the price of that knowledge may well be madness, or even death. For dark powers more ancient than the world dwell in exotic Anghysbel, powers that would speed Callidore's destruction, not work for its salvation. Minalan the Spellmonger has to consider carefully if he's willing to pay the price to save the world . . . and the cost of that bargain may well be his life!

But her love life is at least on track. Until it's not. And when it goes sideways, it jumps straight into the drink and sinks to the bottom.

Now, Bree has to put her heart on the back burner as she is offered a major job hunting down the very person causing all the undead to rise. And she has two days to do it before the whole town turns into a scene from the *Walking Dead*.

## Zodiac Academy 6: Fated Throne

**Author: Caroline Peckham**

Fate has torn us apart and sometimes I believe the stars have given up on us altogether.

Now Lionel Acrux has the strength to make a move for the throne, I'm not sure how much time we have left to stop him.

Our only hope is to find the Imperial Star before he does. We made the sacrifice the stars called for and we're paying the price for that decision so it can't be for nothing.

But with the stars turning against us at every move, and the last light in the world seeming to fade, I'm afraid we're almost out of time.

Hope is a dangerous thing. It's the key to us fighting on. But it could be what destroys us in the end.

One thing is for certain, I won't stop until I have been reunited with my other half and together we will fight to take our crowns.

A war is coming.

The throne is calling for a new monarch.

And someone must answer its call.

**Author: Sarah J. Maas**

**Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta.**

Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it.

The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other.

Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts.

Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

## **The Desert Cursed Series Boxset (Books 1-3)**

**Author: Shannon Mayer**

*The Desert Cursed Series should be read by people who can root for an underdog, have a good sense of humor, a love for high-paced action, and a taste for a blend of magic that even a Muggle could love. With over half a million copies sold, when you indulge in the Desert Cursed series, you're in good company.*

**Witch's Reign (Book 1)**

**They think her an underdog against impossible odds... And she will fight tooth and nail to prove them wrong.**

The Witch's Reign...a land of eternal, unnatural winter ruled by the Ice Witch. In turn, she is guarded by three supernatural creatures who wander her lands hunting for unwary souls, killing any who cross their paths.

To get to the Witch's Reign, you first must pass through the Dragon's Ground. Full of dragons, who for the record, do not like trespassers.

This is where I am headed, though my mentor has forbidden me.

My best friend was sent with a team into the Witch's Reign to recover a powerful jewel that belongs to our mentor, and they are long overdue to come back.

That leaves me, Zamira "Reckless" Wilson to go after my friend. Forbidden or not.

Somehow, I get saddled with a human male tagging along for the ride. A human that is as weak and useless as my own shifting abilities.

Throw in a sentient magical weapon that tries to kill me every time I touch it, and a small dragon that has a penchant for Shakespearean insults, and you've got my journey in a nutshell.

May the sands of the desert swallow me whole because this is going to be a damn bumpy ride.

**Dragon's Ground (Book 2)**

**Dragons and danger and magic collide... And it's only Monday.**

We survived the land of the Witch's Reign, that much is true. But our arrival home is far from welcome.

My idiot brother has taken it upon himself to ride off in search of a mythical healer, someone who might help him walk again. Assuming she doesn't eat him first. Because said healer is a dragon and happens to reside in the deepest reaches of the Dragon's Ground. Like I said, idiot.

I'd go after him myself, but his leave-taking is not the only problem I face. My mentor has yet again forbidden me to leave the safety of the Stockyards. Her reasoning?

That I am too weak to weather the coming storms.

With my pride wounded in more ways than one, I must gather the few allies I have left. My ex-husband's new girlfriend at the top of the list and a goat bleating, oversexed Satyr.

FML.

If I'm lucky I'll find a small dragon and a Jinn whose blue eyes still haunt my dreams along the way.

Buckle up, buttercup, this ride is about to take a seriously unforeseen twist.

**Jinn's Dominion (Book 3)**

**There was nothing that could have prepared me for Dragon's Ground. And I thought that nothing could be worse than what I faced there.**

Just my black cat bad luck, the world is set to prove me wrong.

South lies the Jinn's Dominion and within it the members of my Pride who need my help. The further south we go, the more danger comes not only from outside our group but from within.

Ishtar's new hunters.

Marsum leader of the Jinn.

And the Emperor himself.

All three want something from me. All three claim they can give me the world on a silver platter, to give me my deepest desires.

Color me cautious, but I think all three are lying. Or so it seems until I reach the Jinn's Dominion and discover the truth...  
About who I really am.

And what that means for my fate and the fate of those I love.

## Never His Mate: a Rejected Mates Shifter Romance (Claws and Fangs Book 1)

**Author: Sarah Spade**

**After my mate rejected me, I wanted to kill him. Instead, I ran away—which nearly killed me...**

A year ago, everything was different. I had just left my home, joining the infamous Mountainside Pack. The daughter of an omega wolf, I've always been prized—but not as prized as I would be if my new packmates found out my secret.

But when my fated mate—Mountainside's Alpha—rejected me in front of his whole pack council and my secret got out, I realized I had one choice. Going lone wolf was the only option I had, and I took it.

Now I live in Muncie, hiding in plain sight. If the wolves ever left the mountains surrounding the city, I'd be in big trouble. Good thing that the truce between the vampires and my people is shaky at best and Muncie? It's total vamp territory. Thanks to my new vamp roomie, I get a pass, and I try to forget all about the call of the wolf. It's tough, though. I... I just can't forget my embarrassment—and my anger—from that night.

And then *he* shows up and my chance at forgetting flies out the damn window.

Ryker Wolfson. He was supposed to be my fated mate, but he chose his pack over our bond. At least, he *did*—but now that he knows what I've been hiding, he wants me back.

But doesn't he remember?

I told him I'll never be his mate, and there isn't a single thing he can do to change my mind.

To Ryker, that sounds like a challenge. And if there's one thing I know about wolf shifters, it's that they can never resist a challenge.

Just like I'm finding it more difficult than I should to resist *him*.

## **Reborn (Shadow Beast Shifters Book 3)**

**Author: Jaymin Eve**

#1 in the entire kindle store!

### **The epic conclusion to the Shadow Beast Shifters.**

*I finally have the life I always dreamed of. So why does it taste like ash on my tongue?*

Growing up in Torma, the strongest of the shifter packs, I wanted nothing more than to find my true mate and live my best life. Of course, that dream existed before my father betrayed the pack and turned me into their punching bag.

I'd all but given up, until a quirk of true mate genetics gifted me a true mate like no other. My childhood dreams were finally a reality. Funny how quickly dreams turn into nightmares.

I'm being lied to, missing weeks and months of time. Someone messed with me and no matter how often I'm told to forget it and move on as Torin's mate, there's no way I can. Whoever did this to me should have known I'd pick at it until it bled. It's my nature after all.

As I search out random growls, flutters in my chest, and a suspicion that there's so much more going on than I could even imagine, I sense that I'm racing against an unknown clock.

I need to get to the bottom of this mystery.

And when I figure out who stole my memories, they're going to wish they never messed with Mera Callahan.

Game on.

\*If you like sexy, dark paranormal romances, with humor, steam, action, a tough heroine and an antihero, this is for you.

Reborn is full length (115k) words, and is the final in the Shadow Beast Shifters series, and does NOT end on a cliffhanger. It's recommended for 18+ due to language and sexual situations.

**An isolated mansion. A chillingly charismatic aristocrat. And a brave socialite drawn to expose their treacherous secrets. . . . From the author of *Gods of Jade and Shadow* comes "a terrifying twist on classic gothic horror" (*Kirkus Reviews*) set in glamorous 1950s Mexico.**

After receiving a frantic letter from her newly-wed cousin begging for someone to save her from a mysterious doom, Noemí Taboada heads to High Place, a distant house in the Mexican countryside. She's not sure what she will find—her cousin's husband, a handsome Englishman, is a stranger, and Noemí knows little about the region.

Noemí is also an unlikely rescuer: She's a glamorous debutante, and her chic gowns and perfect red lipstick are more suited for cocktail parties than amateur sleuthing. But she's also tough and smart, with an indomitable will, and she is not afraid: Not of her cousin's new husband, who is both menacing and alluring; not of his father, the ancient patriarch who seems to be fascinated by Noemí; and not even of the house itself, which begins to invade Noemí's dreams with visions of blood and doom.

Her only ally in this inhospitable abode is the family's youngest son. Shy and gentle, he seems to want to help Noemí, but might also be hiding dark knowledge of his family's past. For there are many secrets behind the walls of High Place. The family's once colossal wealth and faded mining empire kept them from prying eyes, but as Noemí digs deeper she unearths stories of violence and madness.

And Noemí, mesmerized by the terrifying yet seductive world of High Place, may soon find it impossible to ever leave this enigmatic house behind.

Throw in a school full of females, three stunning women who are ensuring that his eyes (and other parts!) aren't wandering elsewhere, more than 3.4 million people he can't control, but for whom he is responsible and has oversight, and you have some fun times.

But Ian is about to learn there is a significant flaw in the Stone of Truth, one that even the great Merlin himself could not foretell.

This series contains the unabridged text (meaning lots of language, sex, and f-bombs), mayhem, monster girls, lots of tails, and Magic the likes of which have not been seen in ages from a Magician.

## **Lucifer's Bride (Married To The Devil Book 1)**

### ***Author: Roxie Ray***

You know the story, love. It's a tale as old as time itself.

Boy meets girl.

Boy loses girl.

Girl meets devilishly charming bastard who tempts with her everything she's ever dreamed of—and the Devil doesn't make promises he can't keep.

You see, darling, that boy never deserved you to begin with.

You, my treasure, you deserved the entire world laid out at your dainty little feet—and so much more.

No ungrateful, simple-minded boy could ever give you that.

But I could.

I will.

My Evie. My eternal love. Only creature on God's green earth, Heaven above it or even Hell below, who could ever stir the flames of desire into my my cold, sinner's heart.

I stole you from that pathetic moron you were calling a fiancé again, it's true.

But after the way he messed you over—frankly, this time, it was like he was asking for it.

You were never really his, love. He might have put his ring on your finger, but he never owned your body. Your heart. Your mind.

Your soul.

No matter where you are, what you look like, the name you wear, or the color of that fire dancing in your eyes, you're mine. Always mine.

You've been mine before, more times than you'll ever remember.

You've been torn away from me more times than you'll ever know.

Now that you're finally mine again, here's a new promise for you:

This time, it's forever.

I have an army of the damned at my beck and call, more gold to my name than even kings can fathom, the powers of a fallen angel at my fingertips and the command of the Inferno itself in the palm of my hand.

Never fear, love. I'll protect you. I'll keep you safe.

Whether you want it or not.

And this time, if anyone dares to try and take you away from me again...

This time, there'll be hell to pay.

## **Black Sunshine: A Dark Vampire Romance (Dark Eyes Book 1)**

**Author: Karina Halle**

**"Deliciously dark, sinfully sexy, absolute must read!" - Claire Contreras, NYT Bestselling author**

*A contemporary dark romance with a vampire twist, from the New York Times bestselling author of A Nordic King and Sins & Needles*

All Lenore Warwick wants for her 21st birthday is to hang out with her friends, finish her second year at Berkeley with flying colors, and maybe catch the eye of a hot musician playing a show at a club that she can now (legally) get into.

Unfortunately, fate has other plans for her.

A week before her birthday, she's kidnapped by the brooding and dangerous stranger with cold eyes and a lethal touch, who has been stalking her on San Francisco's fog-shrouded streets. Absolon "Solon" Stavig isn't your average criminal though. He's a centuries-old vampire who's caught between wanting to kill Lenore and wanting to save her.

You see Lenore, too, is a vampire.

She just doesn't know it yet.

Taken by a pair of vampire slayers when she was just an infant, Lenore was raised never knowing her true nature. All Lenore knows is that she has (normal) parents who love her, that she's exceptionally smart, and she's squeamish around blood. But once she turns twenty-one, she'll fully turn into a vampire, and Solon hopes he'll be there to guide her, opening her eyes to her deepest hunger...both sexual and otherwise.

But this turning can't be kept a secret. Soon both slayers and vampires are hunting Lenore, with only Solon and his unpredictable motley crew of vampires to save her.

If they don't kill her first.

On the surface that sounds almost like a fairytale, only this competition is brutal and bloody, and the Prince is the jerk that kidnapped me.
