# Zodiac Academy: The Awakening

**Author: Caroline Peckham**

**I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae.**

But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could.

The school they've sent me to is both dangerous as sh\*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy.

Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates – which is actively encouraged by the way.

My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell.

All I've got to do is survive. But fate might have other ideas.

Dammit, why couldn't I have gotten a letter to Hogwarts?

*\*\*\*This is a dark, bully romance – don't go expecting a sweet school for magic with friends around every corner. Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18+ where only the strongest prevail. There's no Dumbledore here to save anyone's ass and Lionel Acrux will give Voldemort a run for his money in the evil dictator category. So hold onto your stardust (broomsticks not required) and get ready for a bumpy ride\*\*\**

**The epic conclusion to the Shadow Beast Shifters.**

*I finally have the life I always dreamed of. So why does it taste like ash on my tongue?*

Growing up in Torma, the strongest of the shifter packs, I wanted nothing more than to find my true mate and live my best life. Of course, that dream existed before my father betrayed the pack and turned me into their punching bag.

I'd all but given up, until a quirk of true mate genetics gifted me a true mate like no other. My childhood dreams were finally a reality. Funny how quickly dreams turn into nightmares.

I'm being lied to, missing weeks and months of time. Someone messed with me and no matter how often I'm told to forget it and move on as Torin's mate, there's no way I can. Whoever did this to me should have known I'd pick at it until it bled. It's my nature after all.

As I search out random growls, flutters in my chest, and a suspicion that there's so much more going on than I could even imagine, I sense that I'm racing against an unknown clock.

I need to get to the bottom of this mystery.

And when I figure out who stole my memories, they're going to wish they never messed with Mera Callahan.

Game on.

*Two worlds, one fate ...*

Alora's life has been anything but magical. Since her parents died, she and her brother have been on the run from a creepy, doggedly determined social worker. In a few more months she turns eighteen, but until then, they're stuck hiding. It's hardly surprising that she dreams every single night of another world, Terra, where she possesses telekinetic powers.

What Alora can't explain is how, when she breaks her arm in her dreams, she wakes up with the same (very real) injury on Earth. And if her dreams are fueled by wishful thinking, why isn't being magical more fun? Since only men on Terra are supposed to be able to move things with their minds, Alora is forced to hide what she can do.

But when her best friend on Terra is threatened, Alora uses her powers to save him. She inadvertently kills the attacker and reveals her hidden talents. The next day on Earth, the exact same man she killed on Terra walks into her workplace. . .and drops dead. As the two worlds collide, Alora must discover how they're connected and how far she'll go to save a world that may not deserve to be saved.

### ★ Trade Reviews ★

"This fantasy series opener finds its rhythm early and then breezes along, keeping readers enthralled. [This] novel is a winner," Kirkus Reviews

"The best part of [Anchored] was the non-stop, action-packed, exciting plot. All I can say is, Bridget E. Baker, where have you been all my life? I can't believe this is her only book that I have read. I will most definitely be reading more of her work. This book has it all: suspense, mystery, love, action, romance, war, you name it. And it is all perfectly combined to produce the perfect story and the perfect beginning to what I know will be a fantastic series," Readers' Favorite

"Wow, this book is intense. It takes hold and doesn't let go. Fast-paced writing, an awesome storyline, and ridiculously fun world-building make this a new favorite of the year. Plus, Egyptian mythology! A must-read for fantasy lovers," USA Today Bestselling author M. Lynn

"Anchored is a fast paced, fantasy adventure with a strong heroine. I have no idea how Bridget did it, but she tangled reality and dream fantasy together

effortlessly. This is one of those books you will go back and read again and again! I cannot wait for book 2," USA Today Bestselling author, J.A. Culican

"I picked this book up for the breathtaking cover, but I stayed for the fascinating story. I can honestly say I've never read anything quite like this. Usually it takes me a while to connect with a narrator, but I found myself rooting for this funny, self-deprecating protagonist from the first page. Top that off with a story that's solid and compelling, and a twisty plot that pulls at your heartstrings every step of the way, and you've got five amazing stars! My only complaint is that I can't binge read the rest of the series yet!" USA Today Bestselling Author Robin D. Mahle

"This action-packed novel is a dose of both fantasy and reality. The writing is infectious, jam-packed with emotion, and the tangling of two worlds--the real and the dream--is masterfully done. Anchored is a book not to be missed," Author Cortney Pearson

The Shadowkiller is back.

And he is hunting me down like a dog in the streets of New York City using every tool and ally he has—including people I once trusted.

I have never been so alone in my life, and yet if I turn to my friends that puts a target on their backs too. Which means I have to keep running.

So, I do what I know, and I set myself to finding the trail of breadcrumbs that will lead me to the one who is still pulling the strings.

Frost. A Chameleon just like me. Just like the Shadowkiller. Worse, she's seeking out my friends to pick them off, one by one. To drain their lives in order to feed hers.

To stop her, I have to find her—a task easier said than done in a city this size.

What I don't expect to find is a truth that this world and its secrets run far deeper, and far darker than I could have ever suspected.

But is any of that going to stop me?

Not a chance.

## **Taken: The Coldest Fae**

**Author: Katerina Martinez**

**In Arcadia, winter has no heart.**

I make magic dresses for a living. I'm not rich or pretty enough to wear them, but I love what I do, working out of my family's shop on Carnaby Street in London—until the fae show up.

It's a straight-up kidnapping, and before I know it, I'm brought to this wintry place of cold hearts and beautiful nightmares, but that's not the worst part.

The worst part is, they think I'm fae, and I'm supposed to participate in some competition against a host of other women who have been training their whole lives for this. The prize? The winner is to marry the Prince.

On the surface that sounds almost like a fairytale, only this competition is brutal and bloody, and the Prince is the jerk that kidnapped me. I can't get too close to him or he'll know I'm not fae, and then I'm dead. But I want to get close to him. His body burns with the fire of a cold star, and I'm drawn to him.

I need to fight the pull and survive long enough to find a way out of here, but these winter fae won't make that easy.

## **Dark Legacy: A Reverse Harem Vampire Romance (Kingdom of Blood Book 2)**

***Author: Callie Rose***

Connor's innocence.  
Bastian's betrayal.**

***My vengeance.***

If the vampire court thought I'd be less of a threat like this, they were dead wrong.

Because now I'm f\*cking pissed. They turned me into a monster, bound my brother to the most vicious vampire bitch in the clan, and tore away my last shred of hope.

It's too late to save myself.  
It's too late to save Nathan.

All that's left is to make them pay for what they did to us.

It doesn't matter that Connor's sweet face still makes me want to wrap my arms around him and shield him from all the evil in the world. It doesn't matter that Rome sees past my armor to a part of me I never meant to show anyone. It doesn't matter that Bastian's gray eyes still haunt my dreams.

The bloodsuckers evened the playing field when they gave me the same powers they have.

And I'm going to use those powers to tear this place down.

## **The Atlas Six (The Atlas Series Book 1)**

**Author: Olivie Blake**

The Alexandrian Society, caretakers of lost knowledge from the greatest civilizations of antiquity, are the foremost secret society of magical academicians in the world. Those who earn a place among the Alexandrians will secure a life of wealth, power, and prestige beyond their wildest dreams, and each decade, only the six most uniquely talented magicians are selected to be considered for initiation.

Enter the latest round of six: Libby Rhodes and Nico de Varona, unwilling halves of an unfathomable whole, who exert uncanny control over every element of physicality. Reina Mori, a naturalist, who can intuit the language of life itself. Parisa Kamali, a telepath who can traverse the depths of the subconscious, navigating worlds inside the human mind. Callum Nova, an empath easily mistaken for a manipulative illusionist, who can influence the intimate workings of a person's inner self. Finally, there is Tristan Caine, who can see through illusions to a new structure of reality—an ability so rare that neither he nor his peers can fully grasp its implications.

When the candidates are recruited by the mysterious Atlas Blakely, they are told they will have one year to qualify for initiation, during which time they will be permitted preliminary access to the Society's archives and judged based on their contributions to various subjects of impossibility: time and space, luck and thought, life and death. Five, they are told, will be initiated. One will be eliminated. The six potential initiates will fight to survive the next year of their lives, and if they can prove themselves to be the best among their rivals, most of them will.

Most of them.

and more.

FOR ALL THE EVERYDAY HEROINES OVER FORTY WHO KNOW IT'S **NOT TOO LATE** FOR MAGIC!

The day after my forty-third birthday, my husband announced he was trading me in. His words, not mine. The news was unwelcome at the time, but honestly? I needed a good goosing to get up and find my way to the door.

So. I was freed from the manual of expectations authored by my ex that had, over the years, grown into an encyclopedia of what a wife "should" be and do. The freedom was the good news. The flip side was less happy. Due to living in a state not friendly to discarded wives, I was also relieved of the financial 'security' I'd spent a lifetime accruing.

Starting over? I didn't plan on it. Didn't see it coming. But pulling a sheet over my head and waiting for the end didn't seem like my style. Granted. I wasn't sure what my style was because I hadn't thought about freedom of expression since I was twenty.

I'd never been a fan of optimistic adages like 'it's not too late', but that was before my life was divided into two parts; everything that came before the mysterious package and everything after. Fate shot me with a lightning bolt of attitude adjustment and thrust me head first into an adventure that was unforeseeable to say the least. If you'd told me what my life was going to be like, I would have used every synonym for crazy you've ever heard.

I 'inherited' a curious antique store in a tiny, picturesque English village where the world of fae magic lives side by side with the mundane. But that's far from all. Eight times a year, I receive magical dignitaries and magical lowborn alike and mediate their disputes; some comical, some deadly serious.

It may be too late for super shiny hair, going without a bra, or sleeping eight hours without a potty break. But it seems that it's not too late for navigating magical politics, expatriating, romance, and saving the world.

*Perfect for fans of everyday heroines over forty.*

Or Else

Sure, the mysterious Talen says that he's there to protect Cara and Janie. He also says that he's a three-hundred-year-old vampire. Of course, the way he touches her, Cara might actually believe he's had that long to practice. . .

"Hot and fast from beginning to end." --Kate Douglas

**Sometimes heat can find you even in the depths of winter.**

A couple of weeks ago, I was stolen from my home and forced to take part in an ancient fae ceremony; only someone made a mistake because I'm not fae, and if Winter's Prince finds out, I'm dead.

When an unexpected twist suddenly narrows the Royal Selection to a razor's edge, the best that I can do is put my head down and try to survive, but the Prince has other plans.

Part of me screams for me to keep him at arm's length, but the other part draws me closer to the brutally gorgeous fae, and it's going to get me killed.

He thinks I'm his soulmate, but that's impossible because I'm not even supposed to be here. So, why am I infuriatingly attracted to him? I need answers, only to get them, I'll have to play with fire and hope it doesn't burn us both alive.

## **The Asylum Aberration (A Charlie Rhodes Cozy Mystery Book 9)**

**Author: Amanda M. Lee**

Charlie Rhodes has spent her entire life wondering who she is, why she was abandoned as a child, and what's behind the magical powers she can wield in the blink of an eye.

She's finally getting her answers.

Now that she's been reunited with her birth mother and brother, the search is on for her father. He's supposed to be somewhere in Boston ... but where? He's fallen out of touch and finding him is virtually impossible.

Thankfully for Charlie, the Legacy Foundation's next assignment is in a suburb of the very city where she lives, which means there's plenty of time to find her father and solve the mystery of a haunted former hospital that's apparently eating construction workers on a regular basis.

Heavenstone Asylum was considered the height of sophistication in psychiatric circles back in the day. In the years since the facility closed, the main doctor's legacy has been tarnished by horror stories of treatments gone wrong and disappearing patients.

The second Charlie walks into the building, she recognizes that the past is hardly buried within the walls. There are tortured souls at every turn, and it's her job to help them.

Heavenstone's history makes for interesting reading but the harder Charlie digs, the more horrifying the story. Somehow she needs to uncover the truth ... and survive the ghosts long enough to free them.

It's going to take everything she's got to see things through until the end.

All Charlie wants are answers. She's going to get them. Surviving long enough to do anything with them is another story.

It's about to be the Legacy Foundation's finest hour ... or is it?

## **Rejected Wolf: A Rejected Mate Shifter Romance (Virga's Doom Book 1)**

**Author: Savannah Rose**

*I'm the outcast who dared to bond with the Alpha's sons. Not on purpose, of course.*

I knew better than to think a motherless, fatherless, half-wolf would ever be welcomed within their ranks. What I also knew was that I'd be punished. A lashing, five days on my knees, no food or water, something like that.

Boy was I wrong.

The alpha insisted our bond be rejected.

This was old world magic. Dark magic. Strong magic. And yet, it didn't work.

We all knew I was nothing like them. A mut. Half wolf. Half unknown.

But what we didn't know was that when they put death on the table, the unknown half would be the one to save my life.

Because sometimes the unknown is stronger than a thousand men.

Stronger than magic.

Stronger than death.

Then I just need to get to work on busting us the hell out of here. 'Us' being me, the lion shifter I've loved for ten long years, and the most notorious criminal in here - a sinful incubus who's been condemned to isolation for committing an unspeakable crime.

What's the worst that could happen? I mean, short of being rejected by my mate, the black-hearted werewolf who rules over my sworn enemies, or getting myself noticed by the sinister vampire guard who has a dark vendetta against me. But how likely is that?

The trouble is, I need the help of those four alpha males to get out of here. And they happen to hate each other almost as much as they hate me.

But I always did love a challenge. And I never did learn when to back down.

So how hard could it be to make them accept me as their leader?

## Marked (The Coldest Fae Book 3)

**Author: Katerina Martinez**

**In the frigid woods at the edge of a storm, I'm going to find myself or die trying.**

I'm a fugitive of the fae city of Windhelm, framed for a murder I didn't commit. I only made it out of their dungeons by luck, and now I'm on the run—but so is the Prince.

Nobody knows where he is, but my instincts pull me toward the Veridian; a roaring tempest of dark magic that roams the land of the winter fae.

Our trip through the forest is cut short, though, by a group of fae that seize our carriage and bring us to their village as their prisoners. The mark on my hand, the mark of the white wolf, is the only thing that keeps them from killing us outright, but if I can't prove my mark is real, I'm only prolonging the inevitable.

I don't have time for these people. I need to find Cillian before he does something stupid, but I don't have a lot of options.
