

## From Blood and Ash (Blood And Ash Series Book 1)

**Author: Jennifer L. Armentrout**

***Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa.***

A Maiden...

Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers.

A Duty...

The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden.

A Kingdom...

Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.

## A Kingdom of Flesh and Fire (Blood and Ash Book 2)

**Author: Jennifer L. Armentrout**

**From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series...**

***Is Love Stronger Than Vengeance?***

A Betrayal...

Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her.

### **A Choice....**

Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation.

### **A Secret...**

But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolvren are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

## **Managing Expectations (Artemis University Book 9)**

**Author: Erin R Flynn**

My name is Tamsin Vale... And I'm no longer no one. I'm not simply an abandoned orphan without any answers. Granted, most of the answers led me to ask more questions, but I have at least some now.

Fairies aren't what I was promised they would be and I'm certainly not what they want, but I'm the only one who can save them from their magical prisons. They're the best help I have to fix so many wrongs in the world and keep the ones I love safe, given all the threats against me.

And if that wasn't enough to crack my sanity, I'm still on rocky ground with the men in my life. Why the hell did I think it was a good idea to get involved with more than one?

I'm trying not to run. After almost two decades of knowing that the only way to keep myself safe is to run, it's not a reaction I can easily change. I might be making a mistake by not running away from what people want of me.

Because who I might become to defeat the monsters would be as bad as the people I'm fighting against.

Artemis University is an ongoing hot burning reverse harem, university-age paranormal academy series with darker elements, strong language, violence, and a heroine who follows her own moral compass of what is right... And who she ends up giving her heart to.

## **Big Bad Wolf (The Lycans, 1)**

**Author: Jenika Snow**

- \*An Amazon top 50 bestseller, and #1 bestseller in Paranormal Erotica.\*

Mikalina

It was spur of the moment, maybe reckless, definitely a shock to everyone I knew when I decided to take a trip across the ocean to a foreign country and stay for an undetermined amount of time.

Renting out a cottage in a tiny European village whose residents barely spoke English was the perfect escape from overbearing parents, fake friends, and a future that seemed bleak. And helping out an elderly woman with her shopping to earn some extra cash seemed easy enough.

Mindless, hour-long walks through the thick woods that surrounded said village also sounded ideal. No Internet. No television. And just the bare basics to get me by.

Perfection. Stress-free. Exactly what I needed.

Or maybe I was wrong about it all.

I felt someone or something watching me from the darkened, dangerous woods.

I felt someone--something--stalking me. I didn't know what or who it was, but I knew with certainty it wasn't human... and that it wanted me.

Ren

I wasn't human, not completely.

A Lycan--a centuries-old wolf-like creature that was feared by all, stronger than anything on the planet, and who was only ever after one thing.

My mate.

For over three hundred years, I had one purpose in life. Find her, the one female born to be mine. My female who'd cause the Linking Instinct--that supernatural connection that told me she was mine and I hers--to finally take root and make me whole.

And for hundreds of years, I'd been alone, saving myself for my mate, never stopping the search.

Until I scented her, saw her, finally felt my heart beat and the blood rush through my veins with hope and anticipation.

Mine.

She didn't see me, but she sensed me. And she ran. She couldn't possibly know how much the chase turned me on.

I didn't know how I'd make her understand I could never let her go, that nothing and no one would stop me from making her mine.

Because once a Lycan found his mate... nothing in this world, nothing supernatural or human, could keep him from her.

## The Queen's Crown (Court of Midnight and Deception Book 3)

**Author: K. M. Shea**

Since the day I was crowned Queen of the Night Court, someone has been trying to kill me. Yay, me!

Finding my would-be-killer has been last on my to do list for a long time—which should tell you what a dumpster fire my life has been. But I can't ignore it anymore. Whoever is plotting against me is getting serious. If I don't do something soon I might not survive their next attempt.

Normally, I'd count on Rigel—my consort, who also happens to be a deadly fae assassin—to have my back. But he's been gone for two months, and when he finally returns he won't say where he's been. Great, that's totally not sketchy.

To make matters worse, I love Rigel—and he doesn't believe me when I tell him! How's that for romance?

New to do list: catch my would-be killer and convince my own husband I love him. All in a day's work for the Night Queen.

I knew I should have demanded a job description before I took on this queen gig...

Crown of Shadows is the final book in the Court of Midnight and Deception urban fantasy trilogy and is part of the Magiford Supernatural City world. It features fae, werewolves, vampires, and wizards. It's packed with humor, adventure, and a sweet, slow burn romance between a reluctant fae queen and the assassin who tried to kill her.

## **Harboring His Mate: Taron & Onyx (Protected by the Pack Book 1)**

**Author: Christa Wick**

**Onyx:** I'm a city wolf—a damaged and injured one at that. Obviously, the absolute last place I should be when I'm in heat is in the middle of the woods with unmated male shifters in the wild able to scent me. But here I am, running for my life. I'm not used to anyone being nice to me, let alone helping me. Even being the daughter of a pack alpha doesn't keep you safe when you're the lone freak in your pack who can't shift. I'm being hunted out here in the woods, and yet somehow I feel safe on the doorstep of the big, brusque stranger who offers me sanctuary. Taron isn't like any of the shifters I grew up around. He's a bear shifter for one—an alpha, no less—with a protective streak a mile wide...for me.

**Taron:** Not much to say. I knew from the moment Onyx found herself trying to escape her troubles in my woods. It hit me like a damn freight train. The she-wolf was my mate. Meaning she was mine to heal. And mine to protect at all costs.

## **Tooth & Claw Complete Series**

**Author: Emilia Hartley**

**The Tooth and Claw series contains 4 happily ever after steamy romance novels and all the rough, rugged and irresistibly sexy alpha male shifters that you've been waiting for.**

This limited-edition publication includes:

Dragon Desire (#1) - Devin wants to keep his family's secrets. Moira wants to find the story that will set her apart as a journalist. Too bad they can't both have what they want. If the human reporter uncovers their secrets, she could ruin them all. That's why Devin wants her to stay away. It could definitely make her

career—but also ruin him, and maybe the rest of the VanTassels as well.

All she has to do is print it. If only she hadn't fallen in love.

Dragon Devotion (#2) - If she knows the kind of person Griffin is, she'll dump him faster than an overloaded dragon can fall out of the sky. Althea has time for everybody in the pack but herself. She's too busy to sleep, but not busy enough to distract herself from her aching loneliness. Griffin has come to upstate New York to locate the last two of his father's offspring—Alistair and Devin VanTassel. What he finds, though, is not just the two dragons he expected, but a growing family. He also finds Althea but she's too good for him. All he knows is he can't turn his or her pack over to his bloodthirsty sire, but he doesn't know how to keep the monster away from them without sacrificing himself.

Bear Loyalty (#3) - She's loved him for years, but he doesn't even know her name. Summer Benson has loved Colton Peters since they shared middle school classes together. He doesn't notice her though, not even once they're part of the same pack. Summer arranges a date with another guy Gabe, who seems like a gentleman, but when they meet in person, he's overbearing and panics Summer's inner cat. Unsure how to escape, Summer calls Colton for help—and he delivers, saying it's what any pack member would do. Spending time with Colton doesn't feel like time with just any pack member, though. If only he weren't so shy of commitment, he would be perfect.

Bear Affection (#4) - They ended their high-school relationship on a messy, angry note. The hate they spouted then is enough to keep them apart forever, even if the eventful intervening decade apart isn't. Back in town after her New York dreams have crashed to pieces, Ashlyn wants to get her career back on track. Bumping into the ex she left behind is not on her agenda, especially when the ex in question has turned into some kind of Greek god lookalike. She's going to stay away from Mac. If only he would stay away from her.

*Tooth & Claw is a steamy romance series with each book ending in it's own satisfying happily-ever-after.*

## **Magic Forged (Hall of Blood and Mercy Book 1)**

**Author: K. M. Shea**

I'm one scrappy wizard.

As someone with barely a flicker of magic, I've spent my life being mocked and surviving fights with bullies. But when my parents die in an accident, and I find myself responsible for our whole wizard house and family, I know my usual tactics aren't going to cut it.

The situation veers from bad to catastrophic when my backstabbing cousin stages a coup and takes my family hostage.

I barely manage to flee, but the only supernatural willing to help me is Killian Drake--the most feared vampire in the region, and a far more deadly villain than the jerk threatening my family.

Is Killian sexy and charismatic? Heck yeah.

He's also so powerful that my flight or fight instincts kick in every time our eyes meet. And he's definitely using me as his personal magic detector in his feud against the local fae.

But Killian is also the first person to believe I might have more than just a scrap of magic. And if I can convince him to train me, I might get strong enough to free my family and get my house back.

I'm not sure what happens when a scrappy wizard is taught how to fight by a hall of deadly vampires, but I'm about to find out.

Magic Forged is the first book in the Hall of Blood and Mercy trilogy, which takes place in the Magiford Supernatural City universe and features vampires, wizards, fae, and werewolves! This trilogy is packed with humor, adventure, and a sweet, slow burn romance between a vertically challenged wizard and the most lethal vampire in town.

**Mercy Thompson, car mechanic and shapeshifter, faces a threat unlike any other in this thrilling entry in the #1 *New York Times* bestselling series.**

I am Mercedes Athena Thompson Hauptman.

My only "superpowers" are that I turn into a thirty-five pound coyote and fix Volkswagens. But I have friends in odd places and a pack of werewolves at my back. It looks like I'm going to need them.

Centuries ago, the fae dwelt in Underhill—until she locked her doors against them. They left behind their great castles and troves of magical artifacts. They abandoned their prisoners and their pets. Without the fae to mind them, those creatures who remained behind roamed freely through Underhill wreaking havoc. Only the deadliest survived.

Now one of those prisoners has escaped. It can look like anyone, any creature it chooses. But if it bites you, it controls you. It lives for chaos and destruction. It can make you do anything—even kill the person you love the most. Now it is here, in the Tri-Cities. In my territory.

It won't, can't, remain.

Not if I have anything to say about it.

## **Resisting His Mate: Braeden & Paisley (Protected by the Pack Book 2)**

**Author: Christa Wick**

**Braeden:** For five agonizing years now, I've tried to push the lush, far-too-sweet woman out of my life, and my dreams. She's a human, which makes her a danger to all the shifters in Night Falls. She's also untouched, which makes her a danger to what little restraint I possess around her with each passing day. But seeing as how she's my little sister's best friend, avoiding her hasn't been easy. And now that there's a shooter targeting the pack, the only way I can keep Paisley safe is to keep her close. As if that weren't impossible enough, the pack alpha goes and makes a decree. For her protection, Paisley needs to be mated to someone in the pack by the end of the month. *Damn it all to hell.*

**Paisley:** I'm pretty sure the man hates me. To Braeden, I've always been the human he wished his sister would stop being friends with--literally a different species from him, being that he and his sister are wolf-shifters and all. After years watching him blatantly keep his distance, no one is more shocked than I am over his reaction when the shooter that's after the pack takes aim at me.

*Previously published as Comes Now the Wicked Woodsman (c) 2016--same yummy shifter story, just with minor edits throughout and a fresh title/cover.*

At least I know where I stand with them, which is more than I can say for my husband, Rigel.

My relationship with Rigel is...complicated. We married for political reasons—my greatest desire was that he wouldn't kill me after the ceremony. But now that he's saved me from countless attempts on my life and joked with me through boring Court socials, my thoughts about him have veered into uncomfortable territory.

Not that I have time to think about all of this.

Those attempts on my life I mentioned? Yeah, they're getting bolder and a lot harder to survive. I'm confident one of the other monarchs is behind it all, but I don't have the power to make them stop.

## **Such a Witch: A Paranormal Chick Lit Novel: Witch Shapeshifter Romance (Real Men Love Witches Book 2)**

**Author: Celia Kyle**

***Their chemistry can really raise the dead...***

No one suspects that straight-laced witch Aurora Rhonelle comes from a family of powerful necromancers—a fact they *never* let her forget. So what if she prefers Anne Klein over Anne Rice and pastels over shades of black? That shouldn't make her any less respectable. Unfortunately, never having raised a dead human does damage her street cred.

Especially since her coworkers are all a pack of back-stabbing jackals and the higher-ups don't even know she exists. Just when Aurora thinks her career is over, hope arrives in the form of a captivating wolf shifter who is not only a judge on her case, but also believes she's his fated mate. Crazy talk! ## **The Monster MASH: A dead funny romantic comedy (The Monster MASH Trilogy Book 1)**

***Author: Angie Fox***

**Ancient gods. Modern war. And a star-crossed couple who could use some divine intervention.**

The day I was drafted into the army of the gods, all I knew about being a MASH surgeon was what I'd learned from Hawkeye Pierce and Hot Lips Houlihan. Now here I am, Dr. Petra Robichaud, in the middle of an immortal war, assigned to a MASH camp with a nosy sphinx, a vegetarian werewolf, and an uptight vampire who really needs to get a life.

At least they're all too busy with their own dramas to discover my secret: I can see the dead. It's a forbidden gift, *one that can get me killed*, so I haven't told a soul.

Until the arrestingly intense Galen arrives on my operating table, half-dead and totally to-die-for. When his spirit tries to slip out of his fatally wounded body, I impulsively slip it back in. Call it a rash resurrection. One I'll live to regret.

Now Commander Galen of Delphi knows my secret, and he's convinced I'm part of an ancient prophecy—one that can end the war for good. But taking a chance could cost me everything. And it would be easier to convince him to leave me alone, except now the prophecies are starting to come true...

Warning: This novel contains a hefty dose of danger, drama, practical jokes, pet swamp lizards, brooding demigods, adventure, romance, and heart—in a MASH camp where everybody knows your business.

What Reviewers are saying...

**5 Stars! "Yet another Angie Fox book that is impossible to put down."**

**5 Stars! "This was a cross between MASH and a grown up, sexy version of a Percy Jackson novel—lots of fun and a highly recommended read!"**

**5 Stars! "Can I give it 10 stars? This reminded me of the MASH TV shows that I watched growing up, only better."**

**5 Stars! "Read this one fast only if you can afford the rest of the series, because you ARE going to want to read on."**

**5 Stars! "Angie's humor is perfectly on par with MaryJanice Davidson's Undead Series, so if you have enjoyed those then you will love this."**

\*The core of this book was originally called Immortally Yours, published by St. Martin's Press in 2012. The author has rewritten it into the way she always envisioned the story to be, which means it is now a romantic comedy instead of an angsty book. Oh, and there are a lot more pet swamp lizards, too.

## **Skin Walkers: Mason**

***Author: Susan Bliler***

Mason EnemyHunter is a Skin Walker who's only had time for work and hunting for his sister. Hell, he didn't even know he had a sister until a siege on the facility where his parents were once captives produced a file verifying her birth. Distracted beyond measure, his treatment of a human female visiting StoneCrow Estates is unforgivable. Never had he physically harmed a female, until now. His inexcusable manhandling of Amanda Chandler leaves him needing to make amends. When his efforts at making things right pulls him from his sole-minded purpose of finding his sister, Mason realizes that he's put his happiness on hold. That's about to change.

Amanda Chandler doesn't know why Mason attacked her. A friend and ally to Skin Walkers, she'd always felt safe in their presence until now. Worse, Mason's guilt over the situation has him turning up every time she turns around. His insistence at making amends has him doing more for her than any man has done in a long time. It's got strange emotions filling her head and a longing tugging at her heart. But Mason isn't for Amanda. He's too consumed with finding his sister, and Amanda's too preoccupied trying to end things with Skin Walker Sentry, Remy McCabe. Mason couldn't have arrived at a worse time, but Amanda can't seem to shake him or the idea of what if.

\*This is book 4 in the Skin Walkers series; however, each book focuses on a different couple and can be read as a standalone.

\*\*\*

Canting his head, Mason watched as wisps of black hair with blue undertones that reminded him of midnight licked around Amanda's face. The wind was harsh, and she wasn't wearing a coat, but he couldn't imagine how she'd manage the feat with the sling that held her injured arm.

Eyes scanning the tree-line, Mason sought out any evidence that Remy had been here recently. Someone had been. With his keen animal eyesight, he picked up large footprints in the snow, but they only skirted the perimeter of Amanda's property, never coming any closer than a few hundred feet. Odd. Why would Remy be spying on his girlfriend?

From what Mason had learned, Amanda and Remy had been dating for four months. It was an on and off relationship that had turned mostly off lately. If rumors were true, Amanda intended to end things with Remy. He smirked at that. Remy was well known at StoneCrow as a lady's man, and Mason knew it would be a blow to the Walker Sentry's ego to be dismissed, especially by a human female. Maybe that's why Remy was slinking around. He was probably trying to find a way back into Ms. Chandler's heart.

Amanda's hissed, "Shhhhit," drew his attention back to her.

He watched as she used a booted foot and her good arm to pry her axe free from the log she'd failed to split. Splitting wood would be difficult for a woman in peak physical condition, so watching Amanda struggle at the task knowing it was his fault she was having such a hard time, filled him with guilt.

Eyes locked on Amanda, they narrowed when she cursed some more and then ripped the sling from around her neck. Gingerly removing it from her injured arm, she tossed the sling into the snow, and then, to Mason's shock, she gripped the axe handle with both hands.

Surely, she's not going to...

A wince claimed her delicate features an instant before she lifted the ax and steadied it in front of her with both hands.

Son of a bitch!

Mason dove from his branch and shot straight for Amanda, but it was too late. Before he could get to her, she was swinging the axe up and over her head with a pain-filled grunt. In a blink and with a jarring thud, the axe buried about six inches into the log and then toppled to the side as Amanda screamed and released the handle. Falling to her knees, her hand shot up to her injured shoulder and clamped onto it in a white-knuckled grip. Eyes pinched shut, Amanda Lamaze-breathed through the pain that Mason could scent before he even landed.

## **It's A Wonderful Midlife Crisis : A Paranormal Women's Fiction Novel: Good To The Last Death Book One**

**Author: Robyn Peterman**

**A Paranormal Women's Fiction with a bit of class, and a lot of sass, for anyone who feels like age is just a number!**

**Whoever said life begins at forty must have been heavily medicated, drunk, or delusional.**

Thirty-nine was a fantastic year. I was married to the man I loved. I had a body that worked without creaking. My grandma, who raised me, was still healthy, and life was pretty damned good.

But as *they* say, all good things come to an end. I'd honestly love to know who *'they'* are and rip them a new one.

One year later, I'm a widow. My joints are starting to ache. Gram is in the nursing home, and dead people think my home is some kind of supernatural bed and breakfast. Gluing body parts onto semi-transparent people has become a side job—deceased people I'm not even sure are actually there. I think they need my help, but since I don't speak *dead*, we're having a few issues.

To add to the heap of trouble, there's a new dangerously smokin' hot lawyer at the firm who won't stop giving me the eye. My BFF is thrilled with her new frozen face, thanks to her plastic surgeon, her alimony check, and the miracle of Botox. And then there's the little conundrum that I'm becoming way too attached to my ghostly squatters... Like Cher, I'd like to turn back time. Now.

No can do.

Whatever. I have wine, good friends, and an industrial sized box of superglue. What could possibly go wrong?

Everything, apparently.

All in all, it's shaping up to be a wonderful midlife crisis...

## **The Slaughtered Lamb Bookstore and Bar (Sam Quinn Book 1)**

**Author: Seana Kelly**

**A "master class in storytelling and survival." —*Publisher's Weekly* (starred review)**

Welcome to The Slaughtered Lamb Bookstore and Bar. I'm Sam Quinn, the werewolf book nerd in charge. I run my business by one simple rule: Everyone needs a good book and a stiff drink, be they vampire, wicche, demon, or fae. No wolves, though. Ever. I have my reasons.

I serve the supernatural community of San Francisco. We've been having some problems lately. Okay, I'm the one with the problems. The broken body of a female werewolf washed up on my doorstep. What makes sweat pool at the base of my spine, though, is realizing the scars she bears are identical to the ones I conceal. After hiding for years, I've been found.

A protection I've been relying on is gone. While my wolf traits are strengthening steadily, the loss also left my mind vulnerable to attack. Someone is ensnaring me in horrifying visions intended to kill. Clive, the sexy vampire Master of the City, has figured out how to pull me out, designating himself my personal bodyguard. He's grumpy about it, but that kiss is telling a different story. A change is taking place. It has to. The bookish bartender must become the fledgling badass.

I'm a survivor. I'll fight fang and claw to protect myself and the ones I love. And let's face it, they have it coming.

\*\*\*

The reviews are in:

"Kelly (Welcome Home, Katie Gallagher) introduces fierce, lovable heroine Sam Quinn with this master class in storytelling and survival. Seven years ago, Sam was attacked, raped, and forcibly turned into a werewolf, putting an end to her life as she knew it. She's since made a home for herself in San Francisco, opening a combination bookstore/bar catering exclusively to the supernatural community. A loner by nature and still contending with her trauma, she's content to lie low without a wolf pack of her own. But when dead bodies begin piling up across the city and Sam receives a threat from an unknown source, she finds herself surrounded by a phalanx of friends she never realized she had. Among them is Clive, the leader of the city's vampire community, whose good looks attract Sam "like a zombie to brains." Kelly pulls off an impressive feat, weaving the sensitively handled story of Sam's emotional recovery through a rollicking adventure. The unique setting and endearingly quirky side characters only add to the charm. Readers will delight in both the humor and the heartache of this powerful urban fantasy, and they'll be eager to see where Sam goes next." (*Publisher's Weekly* (starred review))

"This action-packed paranormal series launch will appeal to readers who enjoy a plot-driven, female-centric journey of growth with a side of romance. Great for fans of Patricia Briggs's Alpha and Omega series." (*Book Life* (Editor's pick))

## Enticing His Mate: Joshua & Clover (Protected by the Pack Book 3)

**Author: Christa Wick**

**Clover:** The man may be my brother's new second in command, but to me, Joshua's just the bossy pain in the ass who's way too good at getting under my skin. To be fair, I suppose my less-than-sunny disposition when he's around can take some of the credit for provoking him. I can't help it. He's the pack's alpha cat--a hulking, hot mountain lion shifter, and thus the bane of my existence on principle. Cats and I, we don't mix. A pride of lions from California had slaughtered my parents when I was a kid, making sport of hunting me nearly to death as well. Then not too long ago, a psycho she-cat shot me with a poisoned dart. Seriously. Give me a skunk over a cat *any* day.

**Joshua:** I'm well aware of how easily I can rile up my boss's little sister. Who can blame me? The feisty she-wolf is like my own personal catnip. With claws. So when a rare second heat sends Clover running for the hills--*my* hills--there's no way in hell I'm going to let the opportunity to finally claim my mate pass me by. Her head may have her convinced she can't trust me, but the rest of her sure isn't listening anymore.

My father was a soldier, and a demi-God.  
He was the son of Ares, the God of War. But that did not keep him safe.  
My grandfather raised me, and I learned about demons, and how to fight them.  
And as an adult, I became an agent with the FBI.  
At my job, I protect humans. In my free time, I protect my own kind.  
I don't date, and I don't have friends. I am neither God, nor human.  
Then I meet Jackson.  
I mistake my handsome firefighter for a demon, and I try to kill him.  
Despite our rough beginning, I find myself drawn to him, and he gives me another chance.  
This sexy dragon shifter is exactly the kind of mate I need.  
But I have always been on the outside. Can I let this gorgeous shifter in?*

**The Firefighter Shifter**

*As a bachelor, my life is exactly how I want it.  
I spend my days putting out fires and rescuing humans.  
I have a great clan on the coast of Oregon, and a close-knit crew at the fire station.  
I don't need a female to be happy.  
Until I meet Helena.  
She comes blazing into my life.*

*While I'm working, she runs at me, with her dagger outstretched.  
We fight, and then I learn the truth.  
Her dagger is made for killing one thing -- demons.  
These monsters are close by, and they pose a threat to us all.  
But can I trust Helena near my clan?  
She is not human, nor is she a shifter. She will not reveal her heritage.  
But we grow closer, and from her I learn to fight this new enemy.  
My dragon insists she is my mate.  
But my beautiful Helena is still a mystery to me, and her secrets threaten to tear us apart.  
Before it's too late, can I convince my gorgeous mate to share the truth with me?*

**Will Helena, daughter of a demi-God, allow her dragon shifter mate to show her what it means to be part of a loving clan?**
