**Author: Shannon Mayer**

**Good rule of thumb: Don't pick a fight with Bree O'Rylee. She might be over forty and run with a limp, but that doesn't mean she won't track you down and drive the tip of her boot right up your . . .**

Bree was hoping for a few days off from dealing with monsters, bad guys, or general weirdness that doesn't fit into a human box of what is supposed to be real.

What she got was a stay in the hospital with an undead roommate and a whole new set of problems that keep rising from the grave.

But her love life is at least on track. Until it's not. And when it goes sideways, it jumps straight into the drink and sinks to the bottom.

Now, Bree has to put her heart on the back burner as she is offered a major job hunting down the very person causing all the undead to rise. And she has two days to do it before the whole town turns into a scene from the Walking Dead.

## **Zodiac Academy: The Awakening**

**Author: Caroline Peckham**

**I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae.**

But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could.

The school they've sent me to is both dangerous as sh\*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy.

Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates – which is actively encouraged by the way.

My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell.

All I've got to do is survive. But fate might have other ideas.

Dammit, why couldn't I have gotten a letter to Hogwarts?

*\*\*\*This is a dark, bully romance – don't go expecting a sweet school for magic with friends around every corner. Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18+ where only the strongest prevail. There's no Dumbledore here to save anyone's ass and Lionel Acrux will give Voldemort a run for his money in the evil dictator category. So hold onto your stardust (broomsticks not required) and get ready for a bumpy ride\*\*\**

Since that time, she's become a star pupil and is on track to graduate early ... if and that's a big IF her overprotective family doesn't get in the way of her dreams first.

But when one of the wealthiest, enigmatic philanthropists on the planet—Gabriel Stanton—shows up on her doorstep on Thanksgiving Day, and reveals the truth about what really happened to her all those years ago, it completely shatters her perception of the world.

Ten years later, I'm still hiding in plain sight. When I occasionally see him on the street—deadly, sexy, powerful—I just walk by. Keep my head down.

Until that night. Wrong place, wrong time, and suddenly I'm accused of murdering someone from my old pack. And he's there. Blaming me. I've got one chance to prove my innocence and find the real killer, or I'm dead by shifter law.

Fortunately, the Alpha doesn't recognize me because I'm no longer the same ugly duckling. He senses I'm special though, and he won't stop until he figures out the truth. But when he does, I'll be in danger from more than just the murderer.

## Equal Rites: A Novel of Discworld

**Author: Terry Pratchett**

**'Persistently amusing, good-hearted and shrewd'** *The Sunday Times*

**The Discworld is very much like our own – if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle, that is . . .**

*They say that a little knowledge is a dangerous thing, but it's not half so bad as a lot of ignorance.*

The last thing the wizard **Drum Billet** did, before **Death** laid a bony hand on his shoulder, was to pass on his staff of power to the eighth son of an eighth son.

Unfortunately for his colleagues in the chauvinistic (not to say misogynistic) world of magic, he failed to check that the baby in question was a son.

Everybody knows that there's no such thing as a female wizard. But now it's gone and happened, there's nothing much anyone can do about it.

Let the battle of the sexes begin . . .

## **The Asylum Aberration (A Charlie Rhodes Cozy Mystery Book 9)**

**Author: Amanda M. Lee**

Charlie Rhodes has spent her entire life wondering who she is, why she was abandoned as a child, and what's behind the magical powers she can wield in the blink of an eye.

She's finally getting her answers.

Now that she's been reunited with her birth mother and brother, the search is on for her father. He's supposed to be somewhere in Boston . . . but where? He's fallen out of touch and finding him is virtually impossible.

Thankfully for Charlie, the Legacy Foundation's next assignment is in a suburb of the very city where she lives, which means there's plenty of time to find her father and solve the mystery of a haunted former hospital that's apparently eating construction workers on a regular basis. Heavenstone Asylum was considered the height of sophistication in psychiatric circles back in the day. In the years since the facility closed, the main doctor's legacy has been tarnished by horror stories of treatments gone wrong and disappearing patients. The second Charlie walks into the building, she recognizes that the past is hardly buried within the walls. There are tortured souls at every turn, and it's her job to help them. Heavenstone's history makes for interesting reading but the harder Charlie digs, the more horrifying the story. Somehow she needs to uncover the truth ... and survive the ghosts long enough to free them. It's going to take everything she's got to see things through until the end. All Charlie wants are answers. She's going to get them. Surviving long enough to do anything with them is another story. It's about to be the Legacy Foundation's finest hour ... or is it?

Growing up in one of the biggest packs in the world, my life is planned out from the second I turn eighteen and find my true mate in the moon ceremony.

Finding your true mate gives you the power to share the shifter energy they have, given to the males of the pack by the moon goddess herself. The power to shift into a wolf.

But for the first time in the history of our pack, the new alpha is mated with a nobody. A foster kid living in the packs orphanage with no ancestors or power to claim.

Me.

After being brutally rejected by my alpha mate, publicly humiliated and thrown away into the sea, the dark wolves of the Fall Mountain Pack find me.

*They save me.* The four alphas. The ones the world fears because of the darkness they live in.

In their world? Being rejected is the only way to join their pack. The only way their lost and forbidden god gives them the power to shift without a mate.

*I spent my life worshipping the moon goddess when it turns out my life always belonged to another...*

**This is a full-length reverse harem romance novel full of sexy alpha males, steamy scenes, a strong heroine and a lot of sarcasm. Intended for 17+ readers.**

## **Demigods & Dragons Complete Series Box Set**

**Author: J. S. Striker**

**The Complete Six Book Demigods & Dragons Series!**

**J. S. Striker's best selling books all in one box set!!**

**BOOK 1: Dragon Bodyguard** (bodyguard/fake relationship):

**He makes my skin hum ...**

But not for the reasons you'd think. No, it's because he's a shifter, and while I'm just a human, I can detect supernatural creatures. They all make my skin hum.

This one, though ...

He's something else, that's for sure.

High handed. Blunt. Arrogant. Lucas thinks he knows what's best for me, and doesn't really seem to care much for my opinion, as evidenced by the fact that he kidnaps me. For my own protection, he says.

Apparently, I've become an object of interest for two demigod brothers—one who believes he's destined to marry me, and the other, Lucas's employer, who doesn't want me marrying into the family. I guess a lowly human isn't good enough for the likes of a demigod.

I can't marry someone else if I'm already married, though, right? And that's where things get really crazy. Because after spending so long with this overprotective shifter, I start to see his good qualities. Loyalty. Honesty. Protectiveness. And soon my skin starts humming when Lucas is around for a very different reason.

**But there are more sinister forces at work, and threats abound on every side. Will my sham marriage with Lucas turn into something more? Or will his duty to his demigod win out and tear us apart in the end?**

**BOOK 2: Demigod's Destiny** (fated mates)

**BOOK 3: Demigod's Secret** (enemies to lovers)

**BOOK 4: Fire King** (enemies to lovers/fated mates)

**BOOK 5: Dragon's Demon** (second chance/secret baby)

**BOOK 6: Demigod's Curse** (grumpy demi/dragon mate)

But Axel isn't like any of the guys I've been drawn to before.

I'm not ready for a new relationship. I know that. But Axel sneaks inside my heart before I've even realized he's there, and his touch sets my body alight with desire. But still... there's something off about him. And when I find out his secret, I'm not sure I can stand the heat.

If my human ex was terrible, could a dragon be any better? He says it's fate. Still...I'm scared to risk my heart again. But when danger comes knocking, I know Axel's the one I need to protect me.

## **Hellbound Guilds & Other Misdirections (The Guild Codex: Warped Book 2)**

***Author: Annette Marie***

*Agent Kit Morris.* Has a nice ring, doesn't it? It's a big step up from "wanted criminal" or "that weird con-artist guy with weirder psychic powers," both of which recently applied to me. But my promotion to MagiPol agent comes with a few drawbacks.

First, supremely talented and effortlessly gorgeous Agent Lienna Shen won't agree to a dinner date with me. Second, my new assignment has pitted me against a guild with very bad taste in pets. Third, those pets are demons, and those demons want to kill me.

My psychic magic is great for conning people. It doesn't do jack shit against hellish orcs. If I screw this up, my dinner date will be with a demon—and I'll be the dinner. Even better, I kind of suspect this supposedly straightforward assignment is actually the tip of an unholy iceberg of power-hungry malefactors bent on destroying all law and order in the city.

I should probably mention that last part to my boss.

## **Rejected Wolf: A Rejected Mate Shifter Romance (Virga's Doom Book 1)**

**Author: Savannah Rose**

*I'm the outcast who dared to bond with the Alpha's sons. Not on purpose, of course.*

I knew better than to think a motherless, fatherless, half-wolf would ever be welcomed within their ranks. What I also knew was that I'd be punished. A lashing, five days on my knees, no food or water, something like that.

Boy was I wrong.

The alpha insisted our bond be rejected.

This was old world magic. Dark magic. Strong magic. And yet, it didn't work.

We all knew I was nothing like them. A mut. Half wolf. Half unknown.

But what we didn't know was that when they put death on the table, the unknown half would be the one to save my life.

Because sometimes the unknown is stronger than a thousand men.

Stronger than magic.

Stronger than death.

## **Sorcerers Always Satisfy: A Hidden Species Novel**

**Author: Louisa Masters**

*Just because I enjoy planning and researching doesn't mean I'm not the most dangerous badass mothercracker around.*

The world sees me as boring, dependable David. And I like it that way. I *know things* and I'm *organized*. Plus, I've seen firsthand the harm a chaotic life can inflict, and I'd rather have my lists and be called dull.

Which is what makes it all the more disconcerting when a sexy elf declares his adoration and begins to "woo" me. What am I supposed to do?

Hide, mostly. It's hard, though, because Caolan and I are supposed to be working together. And he's tough to resist: sweet, competent, and so incredibly beautiful. He sees something in me that no one else does. Would it really be such a bad thing if I gave in to temptation?

But my personal life can't be the priority right now. The bad guys are gearing up to strike, and if we don't stop them, the end of the world could be nigh. I need to focus on that, not on letting Caolan show me the benefits of spontaneity. Why don't world-ending disasters come with an instruction manual?
